

Super Son-in-law Chapter 2671-2680

Chapter 2671

‘No, we’re friends at least, let’s not talk about my family.’ Lin En was embarrassed, it was indeed his father’s order, although Lin En had told his father that the news must not be spread, but Lin En’s father still tried to get him to get on good terms with Lin Hao.

Even if Lin Hao no longer interacted with Jun Wu Ren and the others, Lin En’s father was not stupid, their relationship had always been there.

‘Whatever you want, but there’s no need for you to send it.’ Lin Hao didn’t want to owe anyone a favour, and at the same time told Chen Haobei to choose a lower-profile car as he was leaving.

Chen Haobei was embarrassed and turned his head to replace the luxury car with a Wuling Hongguang, but on second thought, although the Wuling Hongguang was a god car, it was still a bit stubborn, and turned his head to replace it with a pure white SUV.

The three arrived at school, already up early enough, still late, the morning reading had already started, making Lin Ruoshi a little aggrieved: ‘Father, I’ve told you to be earlier, I’m late on my first day, how should my classmates look at me?’

Looking at his somewhat apprehensive daughter beside him, Lin Hao smoothed Lin Ruoshi’s hair: ‘It’s dad’s fault, but after all, it’s the first day, it’s okay to be a little late, as long as you’re not late in the future.’

‘Can it be like that?’ Lin Ruoshi was still a little worried, and only after Lin En said the same, Lin Ruoshi was relieved.

Lin Hao sighed, this look was the character of a girl at this age, if it were Xiao Shi’s real self here, she wouldn’t be afraid of all this, that character that wasn’t afraid of the sky and the earth, how could she be afraid of being late?

When she arrived at the door of the third year class, Qin Yan glanced at the door from the podium and waved to Lin Hao and his father and daughter, and that Lin En also took the opportunity to leave.

The arrival of Lin Hao and Lin Ruoshi naturally drew the attention of many students who were reading in the morning, then Qin Yan clapped her hands, ‘Everyone stop for a moment.’

‘Wow, it’s that handsome uncle hey!’

‘So handsome, I feel in love.’

‘School girl, it’s the number one school girl, haha, this is a blessing.’

‘Yeah, the most handsome male teacher and the prettiest school girl are both from our class, first class bull!’

‘Quiet!’ Qin Yan spoke coldly, and instantly the classroom was so quiet that a pin drop could be heard.

To be honest, all the students in Class 1 were afraid of her, she was beautiful but too cold, no one dared to touch her, when she got angry, no one could stop her.

Lin Hao led a somewhat timid Lin Ruoshi to the podium.

Qin Yan said in a cold voice, ‘Let me introduce you all, this is Lin Ruoshi, she has just transferred into our class, I hope we can take care of each other, how about this, Yun Qingya, you sit at the same table with Lin Ruoshi.’

‘Yes, teacher.’ The prettiest girl in the class stood up, her eyes had been on Lin Hao just now, when she heard Qin Yan call herself, she hurriedly stood up.

Many people began to whisper, and only then did Lin Hao realize that before Lin Ruoshi came, this pretty but youthful girl was the number one school flower in the third middle school, Yun Qingya, but after Lin Ruoshi came, she fell down the altar to go second in line.

It was only at this time that Lin Hao realized with tears and laughter that his daughter was really outstanding, just by showing her face yesterday, she was the number one school girl today.

‘Hello everyone, my name is Lin Ruoshi, please take care of me in the future.’ Lin Ruoshi introduced herself somewhat shyly, took her school bag and walked to the seat next to Yun

Qingya and sat down, saying hello to each other with Yun Qingya, counting? Shan Wu Xi Wu Zha Dye Closed Ground? is to know each other.

‘This one, is our class PE teacher, Mr. Lin Hao, also Lin Ruoshi’s father.’ Qin Yan also introduced Lin Hao at the same time.

For a moment the whole room was in an uproar.

‘Oh my, is Teacher Lin’s daughter as young as our age?’

‘It’s over, what if I seem to have lost my love’

The girlfriend next to me scolded without mercy, ‘Lost love a hammer ah you, do your family know about your early love?’

‘Continue with the morning reading.’ Qin Yan spoke coldly, the entire class instantly quieted down, then the sound of reading aloud rang out.

‘Teacher Lin you come out with me for a moment.’ Qin Yan took the lead and walked out of the classroom, Lin Hao was a little surprised, but there was nothing going on at the moment anyway, he only had one class in the afternoon and it was class six, the reason why he came so early was that apart from getting to know the students, he was mainly sending Lin Ruoshi to school, it was the first day after all.

He would have to go to Class 6 later, to go through the motions.

Qin Yan walked in front, while Lin Hao followed behind, walking in the corridor of the school, breathing in the fresh air of the campus, the sound of reading aloud in his ears, Lin Hao couldn't help but have the corners of his mouth rise slightly, it reminded him of when he was studying ah, that feeling was really good.

Unfortunately, in the past, when he was studying, he wanted desperately to be free, to get out of school and go to the society, he was dreaming of growing up.

Who knows that after growing up, the life on campus is the most? The most important thing is to have a good time. The friendships are pure and the mindset is even more innocent.

The first class of students started whispering when Qin Yan had not long left.

But today was a special day, many male students whispered and also looked at Lin Ruoshi from time to time. Both Lin Ruoshi and Yun Qingya are the school's most deserving flowers, and now that they were together, it would be a ghost if they didn't attract attention, let alone at this budding youthful age.

'Xiao Shi, is Mr. Lin really your father? Is he your real father?' Yun Qingya opened her books and put them upright on the table, while she herself lowered her head so that the books blocked her head, and asked the table next to her in a brittle voice.

Lin Ruoshi nodded, 'Yes.'

Yun Qingya was a bit desperate no, such a handsome teacher Lin was actually married, and the child was the same age as her, oh my.

But Teacher Lin was really handsome, more handsome than all the handsome men she had ever seen, and he looked so young, how could he have a child as old as Lin Ruoshi?

How could Lin Hao look like he was in his twenties?

If Lin Ruoshi had said that Lin Hao was her brother probably no one would have doubted it, Lin Hao's looks were practically fixed at twenty-three or twenty-four years old.

This was true for both him and Shen Xiyan, the years could no longer leave traces on them.

'Then your mother should be pretty, right?' Yun Qingya couldn't help but ask again, not knowing if it was because of the young girl's nostalgia or the fact that Lin Hao was really too handsome, all that lingered in Yun Qingya's mind was the shadow of Lin Hao.

Although she also felt that she was wrong to think this, that was her teacher.

‘Of course my mother is pretty, otherwise why would she have married my father, but I haven’t seen my mother for a long, long time, and I don’t know where she’s been.’ Talking about it, Lin Ruoshi looked a little sentimental, in her memory, or memories, it just felt like she hadn’t seen her mum for ages.

Divorced?

These three words suddenly lit up in Yun Qingya’s mind, couldn’t be? It was a real possibility!

Maybe she still had a chance? If Lin Ruoshi was so pretty, her mother shouldn’t be that bad. But think about it, when Lin Ruoshi wasn’t here, she was the number one school girl.

Yun Qingya was still very confident in herself, so she started to think about it, giggling and blushing.

Little did she know that if Lin Hao really knew what she was thinking, she would have been scolded by Lin Hao.

In Lin Hao’s eyes, this was a bunch of green apples, a bunch of little kids.

At this moment, Lin Hao was wondering, didn’t Qin Yan ask him to come out and have a word with him? Why was he walking sullenly in front?

Qin Yan was equally speechless at this time and turned back to say coldly, 'Don't you know how to walk two steps faster to catch up?'

Uh

Lin Hao rubbed his nose in embarrassment, he didn't even know how to reply to that.

Lin Hao followed in three steps, just as the two of them walked out of the school building, Qin Yan glanced at Lin Hao lightly, her voice seemed a bit cold: 'Are you the Lin Hao who has evaporated for ten years?'

Lin Hao's pupils shrank, how did she know that?

Lin Hao had carefully observed her, Qin Yan was simply an ordinary person, no aura fluctuations at all, she wasn't even a First Grade Illusionary Spirit Master, how could she know things that even Third Grade Illusionary Spirit Masters didn't know today?

Super Son-in-law Chapter 2673-2674

Chapter 2673

Lin Hao quickly returned to normal and did not show any abnormalities, his face puzzled as he denied, 'What?'

‘You just hesitated for 0.3 seconds, follow me.’ Qin Yan still sounded cold and icy, a little more cool than the Qing Shirt Fairy back then, or maybe that was how she spoke in the first place.

Lin Hao was speechless, you can even calculate this, you can even judge the 0.3 seconds of hesitation, you are a monster!

The company’s main business is to provide a wide range of products and services to its customers.

Unbeknownst to him, this scene was just seen by a man and a woman.

The man was Xu Sheng, the maths teacher of the third year class, and he was the one who looked most displeased that day, he was Qin Yan’s avid suitor, the die-hard kind.

Lin Hao’s arrival had put him under immense pressure, and what he had never dreamed of was that Lin Hao had just arrived the next day, and Lin Hao had actually walked out side by side with Qin Yan, and had even gotten into Qin Yan’s car, and to his death was sitting in the passenger seat!

When Xu Sheng saw this scene, he gritted his teeth and bit his lip!

Bastard! That’s my goddess, mine!

The other woman, that was Lin Yan, also just came out of class and happened to see this scene, seeing Lin Hao and Qin Yan walking together, Lin Yan couldn't help but narrow her eyes, 'Damn, is this iceberg melting even when she sees Lin Hao? Moved?'

'It shouldn't be by definition, when Lin Hao came yesterday, he wasn't like this at all, and they obviously didn't know each other.'

What was even more hellish was that Lin Yan saw that Lin Hao had actually gotten into Qin Yan's car, or the passenger side, that seat had never sat on another man before, even Lin Yan felt that something was not quite right, and likewise had some secret toothache, she was recognized as the school's charming peerless, but Qin Yan was also the school's number one beautiful teacher.

It was just that previously Qin Yan had never been in a scramble situation with her in this regard, but this time she had surprisingly started to resist making a move as well.

'Oh, it seems that the fairy can't help but eat the fire and smoke of the world too.'

Lin Yan sneered and coincidentally saw Xu Sheng who was also gnashing his teeth on the other school building, Lin Yan seemed to have thought of something and a sweet smile appeared on her icy face.

I am afraid that neither Lin Hao nor Qin Yan knew that they were just a perfectly normal move that had invited a problem for both of them.

Lin Hao naturally did not know, but even if he did, he would not take it to heart.

In his words: it's none of my business if you guys are jealous of each other.

Qin Yan was silent on the way and drove straight to the outskirts of Jinling.

Lin Hao also knew that this was the way to the suburbs and frowned slightly, 'Teacher Qin Yan, where are you taking me?'

'Say what you have to say directly here.' He was really confused, this? Xi'er Ai Di Wu Serving Dye Zero? What did a cold and arrogant woman want!

'You'll know when you get there, someone wants to see you.' Qin Yan still had the same cold tone, once again stepping on the accelerator, the car soared like an arrow from the string.

'Stop!' Lin Hao's gaze was cold and stern as he shouted angrily, and his body suddenly displayed a strong aura, which was not formed by aura, but a simple momentum, a momentum unique to him, like a king who held the power of life and death, or a general who commanded a thousand armies to sweep a side.

A terrifying aura appeared, and the temperature inside the entire car plummeted, and not only that, the terrifying aura caused Qin Yan's movements to stiffen, so much so that it was extremely difficult to catch her breath!

Only then did Qin Yan feel that something was terribly wrong, this man was really Lin Hao who had disappeared for ten years, someone from that world, a world that did not belong to ordinary people at all!

But since she had arrived here, Qin Yan's strong character had also come up, so how could she stop here? Gritting her teeth, she stepped on the accelerator and the car continued to race away furiously.

Chapter 2674

'Stop the car! I'll say it one last time!' Lin Hao wasn't used to him, it wasn't that he was afraid, he was just upset in his heart.

This Qin Yan obviously knew something about her, pulling this stunt and not saying anything no matter how much he asked, had already made Lin Hao very upset.

As for whether the place he was taken to by Qin Yan was dangerous or not, Lin Hao was not worried at all, unless those bastards from the Western Church dared to descend at the risk of a great evil, Lin Hao really wasn't afraid of anyone, besides, at his current realm, even a ninth grade supreme deity might not be his match!

Unfortunately, Qin Yan didn't know any of this, or rather she didn't understand the world of illusionists and didn't know how terrifying they were, so Qin Yan simply ignored it and continued to step on the accelerator.

Lin Hao didn't bother to talk nonsense to her either.

There was a loud bang, Qin Yan was so frightened that she let go of the accelerator and slammed on the brakes, the ear-piercing sound of brakes rang out, leaving two black tyre marks on the highway, still smoking

Qin Yan looked at the passenger seat with a horrified face, it had long been empty, Lin Hao was nowhere to be found, and the door on the passenger side of the car was also gone.

Only now did Qin Yan know the horror, cold sweat kept falling down, was this still human? Could it be that people in that world could really fly and disappear?

Just now she was racing at a speed of over 120 mph, jumping out of a car at such a high speed, hell, even a special forces soldier would have to hang, right?

Qin Yan stopped the car and did not dare to slow down, turned the car around and drove back, don't let this cause a human life, at the same time Qin Yan is also a bit angry, this guy is so grumpy, look quite handsome, but the temper exploded at the moment, even directly jumped out of the car!

And as soon as Lin Hao jumped out of the car, he was instantly enveloped by a formation similar to a domain, Lin Hao couldn't help but raise his eyebrows, there was really something wrong!

The strength was not bad, surprisingly, it was above Chen Haobei!

But observing the other party's array arrangement and the effect of the aura surge, it shouldn't be someone from the overseas church, and how it feels a bit familiar.

Lin Hao placed himself in the void and did not make any unnecessary movements.

Swoosh!

Several cold arrows sped towards Lin Hao from all directions, but Lin Hao didn't even move as a spatial barrier formed around him!

The strong spatial barrier also contained the ultimate sword intent, if the spatial barrier broke open, it would be the end of the opponent's life! ~

Since he had the guts to set up a formation to attack him, he had to be prepared to die!

Qin Yan was still returning to look for Lin Hao down below, Qin Yan was really afraid that Lin Hao would jump out of the car and fall to his death, soon Qin Yan arrived next to the kilometre and saw his car door thrown next to the highway, but Lin Hao was nowhere to be found.

What is even stranger is that there is not a single car on the highway, even if this is a suburban highway in Jinling, it is not possible to not see a single car at this time of the day.

Unknown to him, Qin Yan had also been included in the formation.

Just as Qin Yan was feeling remorseful, the several cold mists struck precisely on top of the spatial barriers that Lin Hao had set up, emitting an ear-piercing booming sound, and judging from the location of these cold mists' attacks, if not for the obstruction of the spatial barriers, these cold mists would have directly struck Lin Hao's body in several locations of vital importance!

Lin Hao raised his eyebrows, that was quite ruthless.

This violent roar formed a terrifyingly powerful qi that shook and scattered, the sky was even more windy and rolling down, the trees on the ground were even cut off at the waist, the turf was lifted up by a layer!

When Qin Yan heard the commotion, she looked up in shock and saw the terrifying ripples of energy escaping, like sound waves, with Lin Hao as the centre, escaping in all directions.

Qin Yan stood dumbfounded at the spot, Lin Hao jumped out of the car and nothing happened, but at this moment is like the legendary immortal standing proudly in the void? The company's main business is to provide a wide range of services to the public. How is this possible? The company's main business is to provide a wide range of products and services to the market.

Lin, Lin Hao was actually an illusionary spirit master!

‘Ah~!’

The dazed Qin Yan dumbly looked at Lin Hao, simply did not pay attention to the scope of the power ripple escaping, she was also in it, the power transit like a hurricane transit, Qin Yan gale in the midst of the small grass, directly lifted out, can not help but shout out in shock.

Super Son-in-law Chapter 2675-2676

Chapter 2675

Lin Hao frowned, according to reason, this Qin Yan should be in cahoots with the mysterious expert who had attacked him, but at the end of the day, Qin Yan was only a mortal.

A streak of shadow appeared and Lin Hao took Qin Yan’s hand amidst the fierce wind.

Like a duckling in the water or a willow in the wind, Qin Yan was tugged by Lin Hao and then felt a sudden sense of certainty, as if even a landslide and a tsunami could not destroy her.

In a daze, Qin Yan returned to her cart, and the unstoppable energy had already escaped.

Swoosh!

Several more cold mangles sped by, the cold mangles flashed with dazzling silver light, as thick as a finger, everywhere they went, space rippled, sound? The sound? The sound of the explosion was ear-splitting.

‘It’s not over yet!’ Lin Hao snorted coldly, advancing instead of retreating, bullying his way up.

Bang bang!

Several explosions, those few cold mangles were directly destroyed by Lin Hao’s finger, and his body returned to the distance, all done in just the blink of an eye, as if Lin Hao had never left the same place, and those cold mangles had exploded on their own.

Not to mention, Qin Yan really thought so, she only heard Lin Hao seemingly cursing in a low voice, and then the silver cold mangles that attacked him directly exploded, Lin Hao hadn’t moved at all in the same place.

Being provoked several times, and the other party obviously knew that he was not his opponent, yet he flirted with him three or four times, this made Lin Hao also very annoyed, and immediately shouted angrily, ‘Who is it! Get out! Don’t force me to pull out my sword, you know the consequences of me pulling out my sword!’

Lin Hao never drew his sword, for if he did, it would mean that the other party would have no chance of survival!

‘What? You’ve grown up, your wings are hardened, right?’

As Lin Hao’s angry shout fell, a teasing voice descended from the sky, and a voice came straight down from the tumbling clouds. Lin Hao looked at the figure descending from the sky and was both angry and amused.

Qin Yan, on the other hand, looked confused, as if her world view had completely collapsed.

This was not to be blamed on Qin Yan, who was originally an ordinary person, and ten years ago, she was only a teenager, so naturally she could not come into contact with Illusory Spirit Masters.

The illusion spiritist basically faded out of sight for ten years, some low-level illusion spiritist, also basically do not show up in front of ordinary people, Qin Yan even more can not come into contact with these, so this sudden scene, but Qin Yan’s worldview to the ground, can not pick up.

Looking at the beautiful woman in front of him, who was still charming, Lin Hao laughed bitterly and shook his head, ‘Sister Yu Xin, what kind of game are you playing? If you want to see me, you don’t need to make such a big show, I thought someone was plotting against me.’

Sister Yu Xin?

Qin Yan was once again stunned, this guy was really the one Qin Yuxin was talking about?

Qin Yan slowed down, her gaze surprised as she looked at Lin Hao and then at Qin Yuxin, her eyebrows furrowed, 'Aunt Yuxin, you really know each other?'

This time Lin Hao was confused, his eyelids fluttering wildly, 'Aunt?'

'She's my niece Qin Yan, you've known each other for a while, she hadn't returned to the country during the time you evaporated.' Qin Yuxin nodded at Qin Yan and explained a sentence to Lin Hao.

Lin Hao shrugged his shoulders, Qin Yuxin's niece had grown so big, so it didn't seem strange, after all, Lin Ruoshi was considered a big girl, wasn't she?

It was only after understanding that Qin Yan and Qin Yuxin had a very good relationship, and the name Lin Hao was only learned by Qin Yan after she returned to China, as Qin Yuxin often mentioned it.

Back then, when the gods left the earth, Lin Hao did not take Qin Yuxin with him. Ten years had passed, but Qin Yuxin was looking for Lin Hao everywhere.

It was also because she hadn't gone home, otherwise she wouldn't have known she was back until now.

Yesterday, when Qin Yan heard Lin Hao's name, she didn't care at first, but later she felt that something wasn't quite right, so she looked up the information related to Lin Hao, but the feedback she got was either blank or no access.

You know, Qin Yan is Qin Yuxin's niece, and Qin Yuxin is the daughter of the previous Dragon Master, it is impossible for Qin Yan not to find out if she wants to look up someone.

It was only then that Qin Yan suspected that this might be the same person as the Lin Hao that her aunt Qin Yuxin hung on to from time to time. She was not sure, after all, when she asked Qin Yuxin about Lin Hao, Qin Yuxin always avoided answering every time.

Chapter 2676

Once Qin Yan called and told Qin Yuxin about the situation, and got a picture of Lin Ruoshi and Lin Hao, there was this scene just now.

'You guys can't all be the illusionary spirit masters they're talking about, right? That's a land god.' Qin Yan's curiosity was piqued and she couldn't get down.

Her worldview had just been shattered, and she was kind of broken.

Who knew that Lin Hao and Qin Yuxin had a surprisingly tacit understanding: 'This is not something you should ask, knowing about it won't do you any good, so it's better for you not to know.'

Qin Yan grimaced and cursed in a low voice, 'If you don't want me to know, why are you showing off your flying skills in front of me?'

The corners of Qin Yuxin's and Lin Hao's mouths twitched, but they could not retort. Lin Hao glared at Qin Yuxin, it was not her fault, if she had not enveloped the formation so widely, Qin Yan would not have been in the same formation, and just now she had almost lifted her own niece out of the air.

Who knows Qin Yuxin turned around and ruthlessly? The ground er closed the ground to cover Wu Xi Zha? A fierce glare at Lin Hao: 'You glare my ass you glare! If you hadn't suddenly jumped out of the car, how could this have happened.'

Lin Hao had a black face and didn't say anything, it's true that women are the same all over the world, reasoning with women, that's not a silly batch.

Qin Yan also seemed to feel that the atmosphere was not quite right and spoke in a cool tone, 'You guys talk, I'm going to repair the car, remember to transfer the repair fee to me then.'

'Ask him for it, it has nothing to do with me.' Qin Yuxin put a big black pot on Lin Hao's head, Lin Hao simply ignored Qin Yuxin.

Qin Yan was even more lazy to care about her aunt, drove the small car with a missing door back to the city, casually found a 4s shop a throw, took a car back to school, Lin Hao is only one class, she is the class teacher, things can be quite a lot.

After Qin Yan left, both of them fell into an awkward silence, no one spoke.

In the end it was Lin Hao who couldn't hold back, 'Tell me, Sister Yu Xin, what do you want from me all of a sudden, back then the Dragon Master said that after you left, you were never heard from again, what have you been doing all these years.'

'Looking for your father!'

Lin Hao wanted to curse, looking for your father! Why don't you look for your father?

Unfortunately, he didn't say anything, so he swallowed his words, it seemed that the other party was really looking for his own father.

'Looking for all traces of him ever left in this world.' Qin Yuxin's tone was full of sadness, and eventually shook her head bitterly and sadly, 'But I couldn't find anything in the end, it was as if he had left nothing behind.'

Lin Hao didn't know what to say, he felt quite unworthy for Qin Yuxin anyway, this woman was too infatuated, she should have walked out long ago and looked for the happiness that should have belonged to her.

Why is she still trapped in it, clinging to the past?

However, as a junior, I am not qualified to comment or interfere with the grudges and feuds of the previous generation.

Lin Hao seemed to have thought of something and his face didn't look too good, if the other party really made that excessive request, should he agree to it or not?

'Little thing, you're so smart, you should be able to guess what I'm looking for you for, right?' Qin Yuxin looked at Lin Hao with a smirk, 'I've heard people say that you're strolling around the shores of the Naive Bridge like it's your own back garden.'

'Bullshit! That son of a bitch slandered me? Who said that? I'll kill him! This is a blatant plant!' Lin Hao was furious, cursing and swearing, but his heart was pounding in his chest, 'No, it's really what he guessed.'

She was still unwilling to give up even though she was dead, did she want to chase her soul to the underworld and find another life?

He didn't want to go down there, not to mention that he couldn't guarantee that she would come back after he sent her to that place, but he still owed Meng a lot of favours.

Otherwise, he would have gone straight down to the Nine Mysteries and beat Chen Beixuan up before he could say anything about his dislike for him.

At his current realm, he didn't even need to go down to the Nine Underworlds by killing himself anymore, he could just open the Nine Underworlds passage.

Seeing that Lin Hao did not admit it, Qin Yuxin did not get angry and stared at him with a smile, 'Your daughter has said it to your sister.'

Super Son-in-law Chapter 2677-2678

Chapter 2677

Uh

This is embarrassing, Lin Hao touched his nose speechlessly and laughed sarcastically, 'How is it possible, children's words are not taboo, you take the nonsense of little kids seriously? Don't joke about it.'

'Cut the crap, one word, are you going to take me or not! You owe me a lot of favours back then, are you not going to pay them back or what? I'm telling you, there's no way you're going to renege on your debt! If you take me there, it's none of your business whether you succeed or fail, and the favours you owe me will be written off!' Qin Yuxin snapped at Lin Hao, her expression solemn and her gaze sharp as she glared at him.

Lin Hao didn't dare to look directly at Qin Yuxin's sharp gaze, Ma De, women really are not reasonable.

But in the end, Qin Yuxin was right, it was true that she had been invited by many people when she first arrived in Jinling, when she was still more vulnerable, when she first returned to the Lin family.

The actual fact is that you can find a lot of people who are not able to get a lot of money from the company. The actual fact is that you will be able to get a lot more than just a few of the most popular and popular items. The company's main goal is to make a trip.

Lin Hao finally had no choice but to agree to it, but on one condition, that is, the Dragon Master must agree and have the Dragon Master personally call Lin Hao and tell him his choice, otherwise none of it would count!

Also, the pros and cons of this were all frankly explained to Qin Yuxin.

There was no problem for Lin Hao to go down and come back, but he couldn't guarantee that he would be able to bring Qin Yuxin back with him, and it was unlikely that Meng would still give him face.

Moreover, even if she had gone down to the underworld, even if the person had not been reincarnated, he would have drunk Meng Po's soup and it was not known whether he would recognise her or not.

Besides, Meng Po only cares about crossing the soul, after crossing the Nai He Bridge, reincarnation is in the hands of the Hades, who knows if she has been reincarnated, maybe she is a teenager now, well, a little girl too.

'Other than that you don't need to care, remember your words, as long as my father promised you no backtracking, go away.' Qin Yuxin ignored this and shot up into the sky, quickly disappearing into the sky.

‘Mud, how come you can’t be persuaded to come back after all the good words! Grass, it’s the same virtue as that pig Ao Dog!’ Lin Hao cursed and looked at the direction Qin Yuxin had disappeared.

Lin Hao had no choice but to agree, and could only place high hopes on Qin Long Yuan so that she would not mess up before she did.

Don’t advise others to be kind without experiencing their suffering, alas.

Lin Hao sighed softly, try to ask if it was him, I’m afraid that the things done may not be better than Qin Yuxin to where, as the saying goes, in the human world, the word for love is the most deadly.

Because there are still classes in the afternoon, Lin Hao still has to go back to school, a step across the distance of space, grasp the right, silently outside the school no one corner to appear, Lin Hao stride towards the school entrance, chest hanging classroom work plate, the gatekeeper naturally did not stop.

‘Teacher Lin, why are you back alone?’ Lin Hao had only just entered the school when he heard a charming voice ringing out, a soft and charming voice that would have made anyone else’s bones crisp.

Lin Hao was in a bored mood, so he disliked Lin Yan in a bad mood, ‘Of course I came back alone, I was afraid that I would scare you to death if I came back half alone.’

Lin Yan was amused by Lin Hao's sneer, but when she saw that Lin Hao's face did not look too good, she could not laugh anymore, as she had seen Lin Hao go out side by side with Qin Yan and even got into Qin Yan's passenger seat.

However, Lin Yan also wondered how Qin Yan drove out but came back in a car, or alone, and came back for a long time before Lin Hao came back alone.

And look at Lin Hao's face obviously not quite right, could it be that the two had a quarrel?

'Brother Lin Hao, what's wrong with you, you don't look too good, did you have a fight with Teacher Qin Yan?' Lin Yan asked weakly, entering the soft look of I see you for a second, and with a face of aggression, if it was any other man, he might have started to wonder if he had done something wrong.

Lin Hao, on the other hand, was extremely speechless, directly ignoring her pitiful look, and one word emerged from his heart: tea! Lin Hao looked at the smoky and charming Lin Yan, especially in that pose, it would not be too much to say that she was seductive.

Lin Hao's goosebumps rose up all over his body, really tea.

Chapter 2678

Lin Hao was also very puzzled, with this woman's skills, why did she have to settle for a small secondary school? You know, with this level of skills, she would be able to get along anywhere.

Lin Yan likewise saw Lin Hao's complexion change, Lin Yan froze, no way, the level is so high? Still not eating this?

But thinking about it, a handsome man like Lin Hao had met so many beautiful women, so she didn't think she was bad at women, so her pride in her beauty might not be the best plus point, so she would have to use her top tea ceremony to solve it.

Lin Yan hurriedly looked at Lin Hao full of apologies and spoke delicately, 'I'm sorry brother Lin Hao, I shouldn't have interfered in your private affairs, it's all my fault.'

The het?west love whisked to serve chashan wusi?ui!

When a woman says it's all her fault, you think she's wrong?

It's no use getting on a woman's nerves and saying it's her fault, if you really think she's wrong, then your nightmare is about to begin.

Similarly, if she says you're wrong, if you take her seriously, she'll be really angry. But if you admit you're wrong, she may think you're really wrong.

Reasoning, reasoning with women is not crazy!

Lin Hao was about to explain that they didn't know each other well, but on second thought there was no need, he didn't know Lin Yan even better.

'What do you want to see me about, Miss Lin Yan?' Lin Hao directly skipped her question and looked at Lin Yan.

Lin Yan informed Lin Hao, this is not Lin Hao just served as the sixth class physical education teacher, is also to say hello to the sixth classmates, lest, when it is to meet and get acquainted.

Lin Hao did not refuse, this is also a routine operation.

However, when he arrived at the corridor outside Class 6, Lin Hao's brow could not help but frown, this should be the time of the class, but inside, there was a lot of noise, even the sound of male students playing, simply chaotic.

Compared to Class 1, it was a world of difference. It seemed that while Junior Class 1 was the top class, this Class 6 was the worst class.

What made Lin Hao even more speechless was that even when Lin Yan, who was the class teacher, walked outside the corridor, these students still didn't have any restraint, there were even many dyed hair male students dressed in fancy clothes whistling towards Lin Yan, there were even many male students looking straight towards Lin Yan, that gaze seemed to be able to penetrate Lin Yan.

The eyes were naturally observing Lin Yan wrapped in the big long fade of the Parisian family, at the big mountain peak.

Lin Hao's frown deepened, just these little bastards, with such a class teacher, hell knows what kind of chemistry will happen ah.

Lin Yan felt Lin Hao's gaze, her face was full of grievance and helplessness, 'Brother Lin Hao, I can't help it, I'm a weak woman, what can I do? These students are so naughty, I can't control them at all, the other teachers are just doing their classes, the students do what they should do, they are all like this, I can't control them either.'

Lin Hao glanced at Lin Yan, she was just an ordinary person yes, but knowing what kind of piss these bunnies are, you still dress so sexy, aren't you a tease.

'What a handsome handsome man, how are you handsome man, want to meet?'

'Handsome man, do you like children? Like we can build together oh.'

Lin Hao's face turned red, hell, not only these male students are bullish, these female students are also nothing to say, those two little girls wearing leather clothes and trousers, wearing earrings and nose studs, even directly opened their mouths to flirt with Lin Hao.

When they saw Lin Hao's old face blush, they even laughed, 'Haha, the old handsome guy is actually blushing.'

Lin Hao's mind almost didn't explode, although when he was studying back then, he seemed to have come this way, and at that age, he thought it was so cool, a thief's style, and the attention of everyone was on him, it was simply not too good.

But when they grew up and looked back on it, they would definitely curse out 'stupid'.

Lin Hao sank a face and didn't say a word, still the flower of the motherland, just like this?

The good thing is that such students are only isolated, there are only seven or eight of them, although others are also disruptive in their studies, at least they are not as excessive as these few, Lin Hao's face has finally eased up quite a bit.

Super Son-in-law Chapter 2679-2680

Chapter 2679

The two walked into the classroom, and Lin Yan knocked on the podium with a board ruler, 'Everyone, be quiet.'

But the voice was still dainty and seductive, which? ground love er zero ground steak zero steak? Instead of settling down, some people laughed even more recklessly and repeatedly.

'Look, brother Lin Hao, I really can't do anything about them.' Lin Yan looked at Lin Hao pitifully, that weak and helpless look in her eyes was heartbreaking to see.

Lin Hao's scalp tingled, too damn tea, the key is that you can't say anything about her, if Lin Hao had less experience, he would have been led into a ditch by her.

'Quiet.' Lin Hao faintly opened his mouth, his voice was not big, but it rang clearly in every student's ears, so that everyone could hear it clearly.

All of them actually involuntarily shivered, the temperature around them unexpectedly plummeted the feeling, more than that, they felt a kind of unexplained panic, obviously looking at Lin Hao so handsome, and not talking too loudly, why did all of them have a feeling of seeing a ghost?

All of a sudden, the whole classroom could not hear a pin drop, even the most naughty and mischievous students were all holding their breath, afraid of disturbing others by breathing louder.

Lin Yan's eyes widened as her gaze darted around, looking at Lin Hao with incomparable surprise.

To be honest, if she wanted to handle any man, as long as she was willing to put in the effort, there was nothing she couldn't handle.

But when faced with this bunch of pricks, there was nothing she could do at all, and as a result, she didn't expect this outrageous as soon as Lin Hao opened his mouth!

‘Let me introduce myself first, my name is Lin Hao, and I will be your class’s physical education teacher next.’ Lin Hao opened his mouth, all the students below stared in awe, not daring to say anything, many wailed in their hearts, no way, this devil as their PE teacher?

Many young girls also began to slander, what a handsome old man, but he was a devil, no more love.

Lin Hao didn’t care about them, he looked at the seating chart and the curriculum, the two classes in a row were English classes, and Lin Yan was in charge of them, almost half way through this class.

Lin Hao looked up at Lin Yan, ‘I’m switching my class with yours, the next class will be changed to PE, Ms Lin Yan your English class will be switched to that PE class on Wednesday morning.’

Lin Yan first froze, then responded by nodding her head repeatedly, not objecting at all.

The students of Class 6 were speechless, if it was any other time, they would have jumped up and cheered, after all, only the PE class was taken up, there was no PE class that could also call on another teacher’s class time.

But when Lin Hao came in and did this, it made them apprehensive, not knowing whether this PE class was a good thing or a bad thing.

Usually, P.E. classes were just a few minutes of gathering and counting, then a few push-ups or a lap around the playground, and the rest was free time.

When the devil came, he didn't know if it was a physical education class or devil training.

Lin Hao named a few students in a row, just to make it fancy, just whistling to molest him and Lin Yan's students, those few students are also hard-hearted, by Lin Hao named also did not respond, crossed his legs, did not even stand up.

Lin Hao didn't bother with them: 'Those who are not wearing school uniforms, put them on immediately! All those with earrings and dyed hair, dye them back for me, otherwise I don't mind paying home visits one by one.'

Heck, home visits, that's a nightmare for all students!

'Now free time, those without school uniforms, I don't care what you use, if you don't wear school uniforms in PE next class, others are free to go, you train.' After saying that Lin Hao turned around and left, he just didn't believe it, he still couldn't cure you little bastards.

Although it was already the third year, even if we really made them all good students, it was probably too late for the midterm exams, but as long as they were not out of society yet, everything was still in time.

If Lin Hao could help her with this bunch of pricks, she would be happy too. After all, who wants to drag their feet when they can be a good teacher?

Chapter 2680

'Brother Lin Hao, you're too good, you've ruled them into submission with a few words, so handsome.' Lin Yan caught up, her eyes were starry and she looked at Lin Hao with adoration: 'Brother Lin Hao is fantastic, from now on you are my idol'

Being praised like this by such a sexy beauty, if it were anyone else, their bones would probably be crispy, this woman's hold on men was really spot on, a simple sentence that satisfied a man's vanity.

Although Lin Hao was not a fan of Lin Yan, it did make people feel much more comfortable compared to Qin Yan.

The green tea will precisely grasp the man's mind and emotions, and does not need you to be responsible at all, but also be able to make the man give her the cure, die, and simply will not open his mouth to explicitly say what he needs, other men will understand and send her.

The actual fact is that you can find out that everything was done willingly, and you can't even get it back.

Lin Hao shook his head: 'I hope Miss Lin Yan doesn't mind if I overstep my authority.'

‘Why not brother Lin Hao, you’ve helped me a lot, to show my appreciation, brother Lin Hao, let me treat you to dinner?’ Lin Yan smiled seductively.

‘No need Miss Lin Yan.’ Lin Hao refused without even thinking, he didn’t want to get entangled with the other party.

‘Aiya, brother Lin Hao, don’t call me that, call me sister Xiaoyan, if not, just call me Xiaoyan.’

Lin Hao had a bit of a headache and waved his hand, ‘Let’s call her Lin Yan, you go about your business, I’ll go and look at the sports equipment.’

As the saying goes, if you don’t love your line of work, you should have a basic understanding of it.

Lin Yan saw that Lin Hao was still keeping a great distance from himself, this man was still too alert, but Lin Yan was not angry, at least it was a step closer for both sides.

Lin Yan daintily followed her up, saying that she wouldn’t let her treat her, and she went to help out, a scene that really made many male teachers vomit blood with jealousy at the sight.

Outside the third floor junior office, Qin Yan was just about to walk out for some air when she happened to see this scene and saw Lin Yan talking to Lin Hao walking side by side through the campus.

Qin Yan couldn't help but frown slightly, this woman was so quick to start on Lin Hao? It seems that this Lin Hao has obviously been taken advantage of by the other party, it is true that all men under the sun are the same.

Qin Yan's gaze was icy cold, she glanced at Lin Hao in disgust, turned around and left, she didn't want to have anything to do with Lin Hao either, if it wasn't for Qin Yuxin's aunt's request, she was afraid that she wouldn't even say one more word to Lin Hao.

It was not against Lin Hao, but all men she was like that, because she loathed men from the bottom of her heart, feeling that men were hypocritical and lustful, and liked to brag when they had little ability.

The most important thing is that few men can be better than her, so what do you need men for? To hold herself back?

'Oh, it's true what pot goes with what lid, Qin Yan look at this pair of dogs, it's really disgusting, it's only been a day and they're already hooking up.' Xu Sheng didn't know when he reached Qin Yan's side and sneered in mockery, although he was equally tickled by Lin Yan.

But Lin Yan was nothing compared to the goddess, and it would be great if he could use Lin Yan to ruin his rival.

Qin Yan's eyes became even colder, she didn't have any good feelings towards Lin Hao, but? Zero shanshang yi pick wu pick wu pick? Compared to down, she hated this kind of bitch who chewed behind her back even more.

Qin Yan simply ignored Xu Sheng and turned around to go back to her office.

Xu Sheng's eyes stared at Qin Yan who turned to leave with hatred: 'Pretend, you continue to pretend! Sooner or later, you will be mine, I will make you kneel down and sing congratulations! Pleading bitterly beneath me! I swear by Xu Sheng!'

Although Lin Yan was incredibly insistent, Lin Hao still sternly refused, this time Lin Yan did not continue to pester, she was very able to grasp this degree.

After all, proper pestering would make a man secretly happy, but if one pestered too much instead, it would cause a man's disgust and displeasure. After all, a woman who is too clingy may not necessarily be liked by men, so Lin Yan did not insist and left quietly.
