

# Super Son-in-law Chapter 2681-2690

Chapter 2681

‘Brother Lin Hao, you can do it, I really didn’t see it coming, you’re such a bully, the most beautiful female teacher in the whole school, you took them all the next day, bully!’ Lin En walked over from not far away with a cheap smile on his face, looking at Lin Hao with a smirk.

‘Get lost, what’s this nonsense? Come with me to the textbook room.’ Lin Hao said angrily without good humour, what the hell, these two women had nothing to do with him.

Lin En rolled his eyes, the whole school teachers knew about this.

In the morning, Lin Hao left in Qin Yan’s car, or in the passenger seat, but ended up coming back one after another, and this time he just came back, and then he got involved with the most beautiful female teacher, Lin Yan.

I don’t know how many male teachers are cursing Lin Hao in their hearts: ‘Mud, is it great just because you are handsome? Does being handsome mean you can do whatever you want?’

That’s right, being handsome means you can do whatever you want!

Many teachers even asked Qin Yan for proof, but Qin Yan’s high-cold personality naturally did not bother to explain, and as for Lin Yan, there was no need to ask for proof at all.

Lin Hao was also crying and laughing when he heard this, he could not explain to others, but this Lin En, he was too lazy to let the other party continue to misunderstand: 'Cut the nonsense, how old is my daughter? Don't gibber.'

Lin Hao casually explained, Lin En believed it, after all, Lin Hao wanted it, what kind of beautiful women were not available? Qin Yan and Lin Yan were indeed considered to be the very best among these three, an existence that everyone sought after.

But to Lin Hao, they really didn't have much appeal.

Lin Hao, led by Lin En, went to the equipment room, looked around, and came back, mainly to see, this PE class, naturally, will not really just be a PE class, Lin Hao also will not play the corporal punishment students that set, there is no need.

Lin En happened to have nothing to do, and went to class with Lin Hao piece, see? Xi Shanshan Yi Jie Yi Ai closed? To see what Lin Hao's first day in class was like, it so happened that the bell rang for class.

'What's the usual flow of PE class.' Lin Hao asked a mouthful of Lin En on his way to the playground.

Lin En shrugged, 'There's a process, a 45 minute class, five to ten minutes to gather and count, then some random training program, fifteen to twenty minutes, the rest of the time is free to do whatever you like.'

Fuck~!

This is so fucking easy for you to say, other than that, the PE teacher is really fucking easy.

Other teachers still have to prepare lessons, correct homework, mark exam papers and so on.

When they walked to the edge of the playground, a group of people from Class 6 were sparsely playing there, loosely, even when they saw Lin Hao arrive, they didn't bother, as if Lin Hao didn't exist.

Lin En was beside him, gloating, he knew how prickly this class 6 was, other classes had finished gathering and reporting in ten minutes at most, this class, maybe even fifteen minutes, and as for sports training, let alone.

The students were also very curious to see Linn. Was the new PE teacher scared and asked Mr. Linn to hold the fort? It's no use, they don't care about Linn either, right?

'All those without uniforms, step forward! You have three minutes to gather and count. If you don't complete the counting procedure in more than three minutes, your free time for this class will be cancelled and next week's PE class will be cancelled! All of you will be replaced with Maths or English classes!' Lin Hao spoke coldly.

Everyone was shocked, dammit, what a devil!

If they canceled free time, they wouldn't call it PE, and even if they canceled PE next week, they would replace it with Maths and English, which are the two most painful fucking classes!

After all, the other courses are not as bad as rote memorization, but these two courses cannot be solved by rote memorization.

The few pricks came forward, either dyed hair or without a change of uniform, five in all, four men and one woman, all of them arrogant and proud, but the others did not dare to slow down.

It didn't take three minutes to assemble and report, it was done in two, although the queue was a bit sparse and not very tidy.

Chapter 2682

Lin Hao walked over and looked at the four men and one woman. The boys were also a bit scared or weak, but the more weak they were, the more disdainful they acted on the surface, obviously about to piss themselves in fear, but on the surface they acted like they were tugging and mad.

We are all old enough to understand that this is the most important time to save face.

It was the only girl among the five who was a little apprehensive and already regretted it a little.

‘How does it feel?’ Lin Hao asked the few of them with a smile.

A yellow-haired man said triumphantly, ‘Cool!’

‘I see that you guys feel great too, the feeling of being in the limelight right, you guys made it look like this, isn’t that why you made it look like this, and you did it.’ Lin Hao laughed and waved his hand, ‘You don’t have to do anything they do, you just watch, of course, they watch you all the same, don’t you want to be mavericks? Let you be even more maverick!’

Said Lin Hao regardless of their different eyes, over there in school uniforms, many students there to mock them? The first thing you need to do is to get a good idea of what you’re doing.

The previous performance maverick a little, but not now so ah, directly be distinguished, then the contrast is very obvious.

‘Twenty push-ups for the boys and ten for the girls. Then two laps around the playground for the boys and one lap for the girls, supervising each other! Whoever reports me for cheating reduces his push-ups by five, the reduced five, the cheater is responsible for helping to finish them, start!’

Damn, what a devil!

These students wanted to curse, but at first no one reported it, but how powerful was Lin Hao's perception? How could he not know if anyone was cheating or not?

Those who were cheating were all left behind by Lin Hao, while the others went to run around the playground, 500 metres in one lap, 2,000 and 1,000 metres, not much exercise.

But those students who were left behind were sophomoric.

Lin Hao sneered: 'You don't have to deny it, you know clearly whether you're lying or not, and it's my class, if I tell you to do it, you do it! Unless you guys want to stay in the classroom for maths next week for PE.'

Now everyone was out of temper.

It didn't take long for all the students to finish, and the lesson was half over.

The few who had been singled out and didn't have to do anything were a little embarrassed and uncomfortable, the fact that they were not usually treated differently made them feel comfortable and even more abrupt, what they used to think was cool and cool now gave them a feeling like monkeys in a zoo being surrounded by spectators.

One girl in particular was on the verge of tears of anxiety.

‘Teacher, why won’t you let me assemble.’ One male student with purple hair couldn’t help it, the feeling was too unbearable.

‘You guys aren’t wearing school uniforms, you don’t count as students.’ Lin Hao spoke indifferently.

‘We paid money, are qualified to go to school, entered our records, we are students of this school, you won’t let us go to class, I’ll tell my parents and tell the headmaster.’ Another male student also hurriedly spoke up, apparently still hardened, even thinking that if this matter was reported to the headmaster, I guess Lin Hao would have to beg them then, it was cool to think about.

‘Quite reasonable.’ Lin Hao nodded: ‘Alright then, then tell your parents to come and refund the money for the transfer, and go tell the headmaster to get you out of school.’

This .....

Not to mention the few of them, the other students were all terrified.

So rigid?

How could they refund money, they must be killed by their parents, the third middle school is the best middle school in Jinling, their parents are each proud of them because they can attend this school, how could they refund money.

Besides, if they asked the headmaster to give them a refund, they would be ridiculed even if they transferred to another school.

But they still had a glimmer of hope. How could the headmaster listen to a small PE teacher?

However, Lin Hao's words completely crushed their hopes.

## Super Son-in-law Chapter 2683-2684

### Chapter 2683

What was going on in these guys' minds, could Lin Hao still not know?

'Don't worry, I'll do what I say, you can all ask the headmaster, I don't think the headmaster would mind if I improved the quality of their school's students.' Lin Hao spoke indifferently.

Lin En even keyed in with a slash: 'It's useless for you to look for the headmaster, Mr. Lin Hao was specially hired by the headmaster after spending a huge amount of effort.'

There was nothing wrong with that, the headmaster, not to mention because of a few students, even if it was something bigger, as long as Lin Hao didn't go too far, he wouldn't be able to find trouble with Lin Hao.

After all, Zhuque was on top of it.

Whoops~!

The female student who had been singled out cried out in fear straight away.

What to do, it was pretty cool, but what if this got to mum and dad and they knew they were dropping out of school!

Although they were bad students in the eyes of others, they didn't see it that way themselves.

'Teacher Lin, I'm sorry, I was wrong? Zero yisan ai yi lu dye ai? Can you not withdraw from school, don't tell my dad, my dad will kill me.' That female student cried out and looked at Lin Hao.

'Yes, then I will tell your mother.' Lin Hao agreed without even thinking about it.

The corners of Lin En's mouth next to him twitched, 'What the hell, you're the devil, aren't you?'

If you don't tell her father, tell her mother? What difference does it make?

Seeing that the girl was crying with fear, the other boys also panicked, although they all cursed Lin Hao in their hearts for being inhuman, a despicable and shameless devil.

The headmaster couldn't cure Lin Hao but he could cure them.

'Teacher Lin Hao, I, I don't have a mother.' That girl said awkwardly, it turned out that this girl was called Liu Wen, her parents divorced when she was very young and she lived alone with her father, perhaps the reason that created her character as a little too young girl had something to do with her family environment.

'Next time, if you are still not wearing your school uniform in the next PE class, then you just don't have to come over, I don't care about other classes, but my class, you don't mess up for me. Dismissed, gather over there under the shade of the tree, and the free activity for this class is cancelled.' Lin Hao ignored the wailing students and walked over to the big tree over there, which was open and shaded by trees, the best place to chat.

The corners of Lin En's mouth twitched, this guy was quite concerned about these little kids, if it were him, you would have done whatever you wanted afterwards, it was none of my business, even if you became scum in the future, it had nothing to do with him.

Soon, the forty-six students of Class 6 gathered under the big banyan tree and were about to line up when Lin Hao waved his hand, 'Sit down, just chat, I don't care to train you.'

'You don't need to hate me, let alone disobey me, I'm actually too lazy to care about you, you're all a bunch of lousy students anyway, who wants to care about you? The other teachers are the same, they talk about theirs, you play your own game, lecturing is his job, who cares about you.'

'Even if you become rotten scum in the future besides society, what does it matter to them.' Lin Hao shrugged his shoulders, 'I guess you guys have heard similar axioms from your ears, I'll only say it once, we all get the same salary, why should I bother for you and make you resent me? I have nothing to do.'

Lin Hao's words could be described as very bad, and even more so, they made their hearts feel bad.

'Teacher, we're not bad students! You can't say that about us, and I've often heard old people say that those good students do not do well instead, while the bad students go out into society, and most of them are still very successful, some of them become bosses, while the good students become their staff subordinates instead.' A tall boy disliked the idea with some defiance.

'Bullshit.' Lin Hao scolded with a laugh, 'The old man said that so that you don't become nerds by studying to death.'

‘Bad students are flexible minds know how to adapt, use them in the right way, it’s not strange for them to succeed, but you guys don’t have the heart to study and waste those thoughts on useless things, what can you do when you get out of society?’

Chapter 2684

‘Even if people become nerds, at least they have a decent job, you can’t study and learn, you can’t adapt and go to a construction site to move bricks? Indeed, with your body, it’s not impossible to carry sacks.’

Being scolded by Lin Hao, he rendered these people speechless.

Suddenly a girl weakly raised her hand, a quite pretty girl who was said to be a school flower, previously in second place, and now Lin Ruoshi came in third place, Chen Yuan.

‘I can go home and inherit the family business if I don’t work hard...? Yi wu di zero dye wu er zero? ...’ Chen Yuan spoke weakly, and the others couldn’t help but laugh.

‘Even the biggest family business will have to be lost to you, and when you do, your father can whip you to death and your son can scold you.’ Lin Hao said without good humour.

So there was really such a thing as having to go home and inherit the family business if you don’t work hard.

‘No, it’s fine Mr. Lin, my family has over 10 billion in assets, I’ll save my losses and save some for my future son.’ Chen Yuan said stupidly and foolishly.

‘Holy shit, you’re the devil right? You’re a professional at tearing down the stage, aren’t you?’ Lin Hao was speechless, and Lin En and those students were laughing uncontrollably.

‘Sorry teacher, I, I didn’t mean to.’ Chen Yuan smiled awkwardly.

‘I’m going to visit Chen Yuan’s classmate’s home after school this afternoon.’ Lin Hao said without good humour.

‘Ah? Don’t, Mr. Lin, I, my father is very busy.’ Chen Yuan was shocked, although her old man doted on her, she was still scared.

‘Don’t worry, as busy as your dad is, I can make him have time.’ Lin Hao bristled, Lin Hao thought to himself: I’d like to see if your family has tens of billions of assets, if so, I don’t mind making him go bankrupt first, let you inherit my ass.

Lin Hao had wanted to talk to them few and far between, so that they would understand the importance of this time, after all, junior high school was the most crucial time to lay the foundation, if they were wasted in junior high school, there would be even less to meet the last fair chance in life when they reached high school.

‘There is no point in saying more, in any case, you abide by the rules of my classroom, I don’t care about you, but I will still say this, this is the most important period of your

life, I hope you can be happy and joyful when you recall it in the future, without regrets at the beginning, not remorse and regret.' Lin Hao looked at the time and the bell had also rung, delaying them by two or three minutes.

But this time these students didn't complain about the delay, or rush to leave, instead they fell into a brief moment of thought.

'Father, why are you dragging the class on the first day of class.' Lin Ruoshi's sweet and clear voice rang out.

Everyone turned around along with Lin Hao, and everyone's eyes lit up, crap, the three biggest school girls were all together!

The third ranked Chen Yuan was here, the second and first ranked Yun Qingya and Lin Ruo Shi were walking hand in hand, this was too eye catching, right?

What shocked them the most was that the number one school beauty, Lin Ruoshi, was actually their teacher's daughter! Many of the boys looked at Lin Hao in a more polite manner, after all, if they were more obedient, they could still have the chance to get in touch with Lin Ruoshi.

'Hello, teacher Lin Hao.' Yun Qingya greeted Lin Hao very politely.

‘Good day, classmate Yun Qingya.’ Lin Hao smiled, then dotingly smoothed Lin Ruoshi’s hair and shrugged his shoulders, ‘I didn’t drag the class, they’ve been free to move around here, but we’re just having a good chat.’

The students in Class 6 were speechless, wasn’t this talking with their eyes wide open?

Lin Hao and Yun Qingya also noticed that the students’ faces were not right and knew what was going on, so they hid their mouths and laughed lightly, which made many people’s eyes widen, a beautiful woman is a beautiful woman, she looks better when she laughs.

This little episode passed, and Lin Hao finally took care of these pricks, as for the afternoon, he gave the first class a physical education lesson.

The difference was not so big. It took only three minutes to gather and announce the number, the team was neat and tidy, and they did whatever they were told to do.

The difference is not just a matter of three minutes to assemble and report, but also a matter of neatness and discipline.

## **Super Son-in-law Chapter 2685-2686**

### Chapter 2685

After doing push-ups and running round the circle Lin Hao announced that he was free to go, while Yun Qingya pulled Lin Ruoshi and Lin Hao to chat under the shade of a tree. Those female students didn’t like sports much either, plus the teacher was a big handsome guy, so more than half of the girls gathered under the shade of the tree to chat with Lin Hao.

Lin Hao really stood out in the crowd of warblers.

The boys who saw this scene couldn't have been more jealous, but they weren't jealous enough to be jealous of the teacher.

'Mr. Lin Hao, you can come to my house when you have time, my house is a restaurant, my treat.' Yun Qingya boldly invited Lin Hao, this girl hadn't stopped smiling since she arrived here.

Even a big question mark popped up in Lin Ruoshi's head: no way? Yun Qingya, I treat you as my bestie, do you still want to be my mother? If that's the case, that's too much.

'Does Yun Qingya's classmate's family run a restaurant? Sure, tell me an address, I'll go to support you when I have time.' Lin Hao smiled and coped, not really taking it to heart, he wasn't a teacher who specialized in taking advantage of students.

'Everyone knows it, that place is very famous, it's on Jinling Ancient Town Street, when the time comes, Mr. Lin Hao, you can go to the shop we've newly developed, the Remorseless Inn.'

'No Regrets Inn?' Lin Hao froze, he didn't have the time to take care of the inn, and Ao Dog, the alcoholic, didn't even have the time to take care of it, so Lin Hao didn't want it to be deserted so he planned to dish it out, but he didn't expect it to be taken over by his own student's family.

‘That’s quite famous, fine, I’ll go to the show when I have time.’ Lin Hao smiled, then waved his hand and said, ‘Classes have been over for a while, let’s all go eat, it’s time for the walk-ins to go home.’

Lin Hao stretched his back, his first day as a teacher was not bad, talking to a group of young and lively students made him feel several years younger.

Lin Ruoshi and Yun Qingya walked outside hand in hand, looking at the two girls, Lin Hao was also very relieved.

However, when they reached the entrance of the school, Lin Hao found Chen Yuan looking around at the entrance of the school, as if she was waiting for someone.

After seeing Lin Hao, Chen Yuan shrank back in fear and cautiously asked Lin Hao, ‘Teacher Lin Hao, do you think that the home visit is still valid? If so, I’ll ask my father to prepare for it .....’ This statement made Lin Hao a bit mute, he was originally joking, looking at this little girl’s stupid look and wanted to tease her, but he didn’t expect her to take it seriously instead.

But it’s a good thing that Qin Yuxin hasn’t gotten a reply yet, as her words are true.

At this time, Lin En also happened to come out, and Chen Haobei also came over in his small car.

‘Miss, it’s time for us to go back, it’s not good if it’s too late.’ A middle-aged man wearing a suit and sunglasses walked over and politely said to Chen Yuan.

Lin Hao and Chen Haobei simultaneously turned their gazes towards the bodyguard, and Chen Haobei couldn’t help but open his mouth and say, ‘Yo-ho, third class.’

Yes, it was unexpected that Chen Yuan’s driver was actually a third grade early stage Illusionary Spirit Master, it seemed that her old man was quite attached to this stupid girl.

From this, he could tell that this girl wasn’t lying, in this day and age, a third grade Illusionary Spirit Master was a reigning big shot, fourth grade Illusionary Spirit Masters were barely allowed to appear in the world, it was the world of third grade Illusionary Spirit Masters, if they didn’t have the ten billion volume Chen Yuan said, they wouldn’t be able to make such an existence.

Xu Lin suddenly narrowed his eyes, he naturally knew what this meant, and easily saw through his own cultivation, but he could not see through Chen Haobei’s realm, in his serious, Chen Haobei was an ordinary person.

But how can an ordinary person see through his own realm at a glance, that must be a high level person, at that moment Xu Lin also did not dare to babble, the other party even if he is a third grade illusionary spirit master, the realm is far higher than his own, even hastily? The actual fact is that you will be able to get a lot more than just a few of these. The courtesy of arching his hand: ‘Good day, sir.’

Chen Haobei waved his hand and ignored him, then walked up to Lin Hao: ‘Sir, Miss, the car is ready, I’ll take you back.’

Chapter 2686

Xu Lin pupils shrink, look at Lin Hao is also shocked, this teacher is not simple ah, such experts do not care about themselves, but so respectful and polite to him, this .....

Lin En saw this and did not come up to join in the fun, said hello to Lin Hao and left, Yun Qingya did not understand what was going on but was not stupid and waved goodbye to Lin Ruoshi and Lin Hao.

‘Xiao shi, you go back with him first, I’ll go back later, there’s no need to wait for me for dinner.’ Lin Hao smiled.

Lin Ruoshi pouted and shook her head and refused: I don’t, I can’t eat the food if it’s not cooked by my father.

Chen Haobei smiled awkwardly, another opportunity to offer his affection was missing.

‘Come on, let’s go to your house for a home visit.’ Lin Hao looked at Chen Yuan with a smile, Chen Yuan spat out her tongue, a little scared and wondering if her father would beat her up, after all, no teacher had ever come to her home for a home visit.

Most of the teachers knew her father’s identity, who dared to mess with it.

‘Please, teacher.’ Xu Lin hurriedly went to open the door for Lin Hao, although he didn’t know Lin Hao’s identity, he felt that it was not simple, and he didn’t dare to put up an expert’s front, otherwise if it was someone else with a slightly lower realm, who messed with him, a slap would fly out.

Even Chen Yuan was astonished, she knew that Uncle Xu Lin was a man who was highly valued by her father, and he would not give any good looks to anyone other than the Chen family.

Curious, Chen Yuan did not sit in the passenger seat, and sat directly in the back seat with Lin Hao.

At the same time, Chen Yuan also looked at Lin Hao curiously? 扒染洱珊洱意零拂?

‘Silly girl, what are you looking at me like that for?’ Lin Hao glanced at Chen Yuan, who knew that this girl suddenly said something that almost didn’t make Lin Hao vomit blood.

‘Teacher, it’s my first time, so you have to be gentle with me.’ Chen Yuan spoke cautiously.

Xu Lin put the brakes on and looked back at Lin Hao and Chen Yuan with a strange and ugly look on his face, this little girl was almost the one he had grown up with.

Xu Lin thought to himself, this beast, shameless scum, real svelte scum, even if there is such an expert so what, dare Huo Huo little girl, he must fight Lin Hao to the death.

Lin Hao also felt the powerful hostility of Xu Lin, he did not put on the heart, the key is this girl's words, is also let him almost did not spit blood, you want to say so ambiguous, easy to make people misunderstand it.

Lin Hao sighed helplessly: 'Don't say, the teacher is also the first time.'

Xu Lin almost cursed, 'You should be ashamed of yourself, how old are you and it's your first time, cheat the hell out of you, won't your conscience hurt if you cheat a young girl like that?'

'Wow? Really? It's my first home visit. I didn't think Mr. Lin would be doing his first home visit too? Then I'm quite lucky.' Chen Yuan's face was full of joy, and then she glanced at Xu Lin in wonder, 'Uncle Xu Lin, why did you stop? Didn't you say you were going back soon?'

'Ah? No, no, since Teacher Lin is here as a guest, I should tell His Lordship that I can't neglect your teacher, right?' Xu Lin hurriedly restarted the car and drove towards the Chen family, while in his heart, he was so depressed that he was about to vomit blood.

The first time I saw him, I thought it was a big deal, so I thought it was a home visit, but it was a big deal.

The company's father Chen Youde, as Xu Lin's notice, also opened a meeting at the top of the company, after all, there is an important big single to be processed next, Chen Yuan also did not lie, Chen Youde control of the group is indeed huge, Chen Youde alone will have tens of billions of assets, this Chen Youde's Chen Group is more than tens of billions of volume.

The Chen Youde group is also one of the largest suppliers of raw materials to Tianji Pharmaceuticals, and because it follows the steps of Tianji Pharmaceuticals, after ten years of development, it has become a big boss with a ten billion dollar fortune from a small company.

Business is something like that, it takes capital, and if it happens to be in the wind, it is able to rise quickly.

By sending Xu Lin to protect Chen Yuan it can be seen that Chen Youde is also very attached to his beloved daughter, so when he received the call he was also very solemn and immediately ordered his family to start making preparations, while he hurriedly finished the meeting and handed it over to others to deal with, and quickly rushed back himself.

## **Super Son-in-law Chapter 2687-2688**

### Chapter 2687

Although his daughter is not a top student, or even a relatively poor poor student, he knows that his daughter is not a bad student, and he has never had a teacher come for a home visit, so he takes it very seriously, and even wonders if his daughter has suffered some kind of loss.

He did not know that his size was here, even if Chen Yuan had made a mistake, other teachers would not dare to come to his home for a home visit easily.

Before Lin Hao and the others arrived, Chen Youde had already hurried back to his residence.

The villa was not too big, but the courtyard was quite large, and it was very chicly decorated, with a lawn, rockery and swimming pool.

‘Mr. Lin, you can go in first, I’ll go and park the car.’ Xu Lin spoke politely.

A maid also quickly came over to help open the car door, Lin Hao and Chen Yuan got out of the car, just when they reached the entrance of the house, Chen Yuan ? Lu Serving Xi Fu Ai Xi Lu Fu ? The company’s main business is to provide a wide range of products and services to the public.

It was Chen Youde and his wife who heard the commotion outside and knew that people had arrived. Chen Youde walked out quickly with his wife, followed by two young maids.

Lin Hao also saw Chen Youde, a middle-aged man with a kind face, slightly stout, walking out in all directions, also with the aura of a long-time business cooperation, it is very obvious that kind of feeling, even if dressed very casually, can make people feel that this person’s temperament is not simple, is a person.

Lin Hao looks at Chen Youde, Chen Youde is also secretly observing Lin Hao, really a handsome and masculine man, observe its Lin Hao dressed casually, not how expensive brand-name clothes, from the temperament, also can not see a so, as if separated by a mysterious veil general.

‘Hello hello, my humble servant Chen Youde.’ Chen Youde walked up quickly and shook Lin Hao’s hand politely, with a pleasant smile on his face.

‘I wonder what this teacher’s name is? Are you the new class teacher of my daughter? I remember it was Teacher Lin Yan before.’ When he said Lin Yan, a flash of amazement also flashed in Chen Youde’s eyes, but it was quickly suppressed, he was a man with a family at heart, and it was evident from his attitude towards Chen Yuan, not to mention the fact that the child was so old to think about such nonsense.

‘Hello, Boss Chen.’ Lin Hao smiled lightly, ‘Class teacher or Lin Yan, I’m Chen Yuan’s PE teacher.’

Huh?

This time not only Chen Youde froze, including Chen Youde’s wife who followed him over, and Xu Lin who had just returned from the underground garage, parking his car, were also a bit confused.

You’re a gym teacher, what’s the point of a home visit?

After all, it is usually the class teacher who makes the home visit, or at least the relevant subject teacher.

Chen Youde, who had been in business for a long time, smiled and invited Lin Hao in, while smiling and asking, 'Did my daughter disobey discipline in PE class, or did she break the classroom rules by fighting with other students?'

'That's not true.' Lin Hao still shook his head, and the two of them sat down in the spacious living room, with Chen Yuan on the side like a little rabbit, cowering in a corner of the sofa, clutching a Pikachu doll and not daring to speak.

Chen Youde's wife was busy in the kitchen, after all, it was the teacher's first home visit, so naturally she had to stay for a meal, and Xu Lin, out of curiosity about Lin Hao, had the cheek to sit down in the living room to join in the fun.

Lin Hao took a look at Xu Lin and secretly said that this Xu Lin was really not in a simple position in the Chen family, that would not be surprising, otherwise how would a third class expert be willing to be a small bodyguard and driver.

Chen Youde wasn't angry either, and still asked patiently, 'Then may I ask Mr. Lin Hao, for what reason is the home visit taking place.'

Lin Hao ?

When he said this, Chen Youde obviously froze, how did this name feel somewhat familiar, as if he had heard it somewhere, and how did he feel, Lin Hao seemed to look somewhat familiar.

But after all, it was just an ordinary PE teacher, so Chen Youde didn't put much thought into it.

Lin Hao laughed but did not say anything, Chen Youde frowned and glared at his daughter who was in the corner, looking at that weak hearted look must have done something bad, at once he drank: 'Xiao Yuan, say, what the hell is going on!'

The corner of the sofa where Chen Yuan was hiding pouted aggressively, all hidden here, how? The first thing you need to do is to hide it here. The first time I saw you, I was looking for you.

Chen Yuan was a bit aggrieved: 'I, I didn't do anything, I just talked back to Mr. Lin in class.'

Chen Youde and Xu Lin were both stunned, a teacher can't be so petty, right, just because of two backtalking home visits?

'Nonsense, what's going on? Tell us what's going on. I don't think Mr. Lin is such a petty person, it's impossible for him to pay a home visit just because of this.' Chen Youde drank with a frown.

The corners of Lin Hao's mouth twitched, wasn't Chen Youde's remark tantamount to directly scolding him for being stingy? However, Lin Hao didn't open his mouth to say anything.

Chen Yuan was also a bit scared, she had rarely seen her father so angry, and did not dare to hide anything, and told him everything, word for word.

Chen Youde was speechless after hearing it, our family has ten billion family assets, but you do not have to say it like that, although there is nothing wrong with it, he did not think there was anything wrong, it is not something shameful.

The key is that people's teachers are teaching those pricks a lesson, to re-establish their outlook on life, you come out at this time to make trouble, not clearly singing against you!

Although Chen Youde felt that the home visit was a bit of a fuss over this matter, there was nothing wrong with it, and Chen Youde even suspected that Lin Hao was using this as an excuse to climb his own ladder.

'Teacher Lin, I'm sorry, I'm usually too busy with work and neglected to discipline my daughter, so I've caused you trouble.' He thought so, but after all, he was a business tycoon, so he naturally spoke openly.

Lin Hao also noticed something, but did not take it to heart, gently shook his head: 'Boss Chen said that is serious, originally I was just joking with him, but I did not expect the little girl to take it seriously, so I stopped by to see. But then, since I'm here, I have to say a few words, poor or rich are the same, one has to set up the right outlook on life and values, not to mention that, to put it in a bad way, if your family owns ten billion dollars in assets, it's still yours and your wife's, it doesn't have anything to do with Xiao Yuan, even if it's inherited, that's something for later, right?'

'Teacher Lin's words, we will keep them in mind.'

At this time Chen Youde's wife came out, 'The meal is ready, let's eat first, Mr. Lin, stay for a casual meal together.'

Lin Hao raised his eyes and took a look, what a charming woman, I could tell that she was a living beauty when she was young, it was not without reason that Chen Yuan was so beautiful.

Before Lin Hao could answer, the doorbell rang outside the door, someone hurriedly went to open the door, then trotted in at a fast pace, 'Master, Madam, it's someone from Tianji Medicine, saying that they want to sign a contract with Master.'

When Chen Youde heard this, he dared not delay, he hurriedly greeted Lin Hao and went to greet him, Lin Hao also stood up curiously, it couldn't be such a coincidence, right?

This Chen Yuan's family had business dealings with Mo Tianji, could it be that old friends would meet in such a strange way?

It was a good thing that Mo Tianji did not come, which saved Lin Hao from embarrassment. Thinking about it, Mo Tianji now controls a huge volume of Tianji Medicine, how could he personally come to discuss cooperation.

The Chen Group has more than 10 billion dollars, but it's not worth it compared to Tianji Pharmaceuticals.

‘Boss Chen, you have a guest here?’ When an assistant general manager of Tianji Medicine saw Lin Hao, he obviously froze for a moment, and looked at Lin Hao and thought he looked quite familiar.

Lin Hao nodded politely, and Chen Youde casually introduced Lin Hao and apologised to him, before taking that assistant to the study.

‘Teacher Lin don’t mind, that family of mine has something to do, let’s go and eat first, girl, don’t go and prepare the dishes for the teacher yet.’

## Super Son-in-law Chapter 2689-2690

### Chapter 2689

It was a woman who knew what was right and knew what was right.

Lin Hao smiled and waved his hand and refused, ‘Next time, my daughter is waiting for me to cook at home, this girl just eats what I cook, she doesn’t like much what others cook.’

‘Teacher Lin is married? I can’t see that.’ Chen Youde’s wife was obviously a little incredulous, and was even more amazed at Chen Yuan’s words.

‘Yes, and Teacher Lin’s daughter is in the same grade as us, and she’s very pretty.’ Chen Yuan said with a smile.

Lin Hao nodded with a smile and left after a few polite words, Xu Lin simply drove Lin Hao back because he was curious.

When Lin Hao gave out the address, Xu Lin was stunned, 'Teacher Lin, are you sure the address is correct? I've heard about that place, almost no one lives there, but that place, it's not a place that ordinary people can live in.'

'That's right, my house is right over there.' Lin Hao said and said nothing more.

Xu Lin, however, was also scared enough to hurry up and shut up, not daring to continue asking, hell, those who could get into that place were not simple existences.

The Xu family was wiped out and the rest of the clan fled.

The Lin family and the Lei family became famous in Jinling, and even in the whole of China, as if the Lin family had produced a great figure.

At least for the time being, no one dared to touch that residential area, no wonder he had always felt that Lin Hao was not simple, feeling that he was a member of the Lin family in Jinling, then everything was understandable, even Xu Lin suspected that this Lin Hao was also a cultivator, if so, the other party's realm was far above his ah.

So when he spoke to Lin Hao, Xu Lin was a little more careful.

Xu Lin sent Lin Hao back to the Lin family and politely left, going back to tell Chen Youde about this in a hurry, only that Chen Youde hadn't come out yet.

'Boss Chen, may we have a good cooperation.' The assistant shook hands with Chen Youde and walked out of the study, only to see that Lin Hao had already left, the assistant froze for a moment, 'That young man has left?'

Chen Youde was a little surprised, 'What's wrong Assistant Mo, do you know that man?'

The assistant shook his head, 'I don't know him, I just think this person has some extraordinary aura, so I won't bother you if there's nothing to do.'

Chen Youde repeatedly stayed, but the person was in a hurry to go back and inform the group of the matter, so naturally he did not stay for dinner.

But this assistant said so, Chen Youde also think so, thinking back carefully, his own aura is here, even if not deliberately, but a ten billion group's boss, general people see, just the psychological pressure let him enough.

But from start to finish, the other party was incomparably frank, not feeling any pressure, unruffled.

'Brother Chen, did you know that that teacher, Mr. Lin, is actually a member of the Lin family.' Xu Lin also hurriedly spoke up.

Chen Youde cried and laughed, 'If he's not a member of the Lin family, can he still be a member of my Chen family? What you said, old brother Xu, is also funny.'

Xu Lin, however, wrinkled his brow and shook his head, 'It's true that he's definitely a Lin family member, but he's from the old Lin family along the Qinhuai River, and I'm afraid that driver from his family is above me today.'

What!

Chen Youde was shocked, because he worked with Tianji Medicine, he naturally knew exactly what the Old Lin family of Qinhuai River meant, although he didn't understand it, but he got a knock.

That is one of the three giants of the media, and Junmen Technology, Tianji Medicine, the three terrifying powers that be, all said that they must not touch that piece of land without permission, and whoever dared to move cut off whoever's hand!

And rumour has it, that was the location of the ancestral home of the Lin and Lei families.

Previously Chen Youde did not feel anything, but Xu Lin a sentence, but let him shocked, Xu Lin self-confessed that people a driver realm than? grasping whisking west zero love Yi grasping Wu? He is high, this is very telling, it seems that he and that assistant of Tianji medicine vision are no problem, this person is really not simple.

The funny thing is that one actually thought that the other party might be here to climb up the ladder, and now one might have to bend to the other party instead.

## Chapter 2690

‘Father, Uncle Xu Lin, what are you two talking about?’ Chen Yuan looked at the two men in a dumb riddle with a bewildered look on her face, not only her but her mother as well didn’t understand a word.

‘Eat your meal and remember to listen to Teacher Lin Hao in the future, do you understand? Otherwise I’ll smack you, and also invite Teacher Lin to continue to come to the house when you have time.’ Chen Youde fiercely glared at his daughter, he would like to start with Chen Yuan, and Lin Hao, after all, Chen Youde understood that without Tianji Medicine, their family was nothing, if they were kicked away by Tianji Medicine, his group would be nothing more than a dream bubble.

‘I know .....’ Chen Yuan sulked and lowered her head to pick up her meal, Xu Lin also went around the table to eat with the family of three, while the few maids waited on the side.

Lin Hao was naturally unaware of what was happening on the Chen family’s side, but he also had a headache because just after he got home, he saw Qin Yuxin swinging with Lin Ruo Shi in the yard, Lin Ruo Shi looked like she liked Qin Yuxin quite a bit and actually gave up her favorite snacks to share with Qin Yuxin.

‘Yo? I heard that the girl’s family is quite rich and the girl is quite pretty, you guy wouldn’t take advantage of your position to do something beastly, right?’ When Qin Yuxin saw Lin Hao, she raised her eyebrows and teased him with a smirk.

It could be seen that the big beauty seemed to be in a good mood, and I was afraid that that matter was eight or nine times set in stone.

Lin Hao frowned and glared at her without good grace, 'Sister Yu Xin you're not slandering people, I'm not that kind of person.'

'Hey, who can know if it is or not, all right, cut the crap, when are you going to take me to the place I want to go.' Qin Yuxin went straight to the point, causing Lin Hao to raise his eyebrows.

Firmly refusing, he hadn't received a call from the old dragon master anyway, and as long as her father didn't personally agree, there was no way Lin Hao would take her to that place.

He really didn't want to take Qin Yuxin there, because apart from losing his own little life, he was afraid it would be an empty joy.

'You tricked me! Didn't you say that you would take me there as long as my father promised, do you really think I wouldn't dare to beat you?' Qin Yuxin's face was cold as she spelled out her cultivation to bring herself? The aura of the Servant Zha Fu Wu Fu Xi Shan Pao? s aura exploded to the most terrifying level, as if she was about to strike at Lin Hao at the drop of a hat.

The frightened Lin Ruoshi snacks also do not care, flying like scurrying to Lin Hao, open hands, with a petite body, dead in front of Lin Hao, a face of stubbornness and

determination: ‘Aunt Yu Xin, you can not hit my father, my father did not do anything wrong.’ Lin Hao looked at his daughter who was just an ordinary person, but was brave enough to protect herself, Lin Hao’s heart was warm and welling up, it was so good.

His daughter had grown up and had actually learnt to protect her father.

Lin Hao’s mood, which was not very good, was suddenly so good, Lin Hao smiled and patted Lin Ruoshi’s shoulder, pulling Lin Ruoshi to the side, ‘Your Auntie Yu Xin is joking with you, go and help in the kitchen first, Daddy has something to talk to Auntie Yu Xin about.’

‘Really?’ Lin Ruoshi looked at Lin Hao, and then at Qin Yuxin who was standing next to the swing, still glaring angrily, how could she see that it didn’t look like the kind of joke Lin Hao was talking about ah, she could clearly feel that Qin Yuxin really wanted to hit Lin Hao ah.

After receiving repeated confirmation from Lin Hao, Lin Ruoshi reluctantly ran off to help in the kitchen, but even so, she still looked back three times with great concern.

Lin Hao directly waved his hand to set up a soundproof formation that was invisible to ordinary people, and frowned at Qin Yuxin: ‘Did you misunderstand something, Sister Yuxin, did I not make it clear enough? It’s not that I won’t take you there, unless Elder Qin personally agrees and nods his head first, I naturally won’t refuse.’

‘My father has already agreed.’ Qin Yuxin breathed a sigh of relief, thinking that this fellow had temporarily backtracked again, in which case, even if Lin Hao was that man’s son, she would still fight him as usual!

‘But I haven’t received any calls from Elder Qin.’ Lin Hao stretched his hands out, while wondering, how could Elder Qin agree, he knew that Qin Yuxin was Elder Qin’s only son, how could he let Qin Yuxin risk her life for a try?
