

Super Son-in-law Chapter 2691-2700

Chapter 2691

‘Impossible!’ Qin Yuxin frowned tightly as she picked up her mobile phone and dialed it, after saying a couple of words, Qin Yuxin’s face visibly eased up a bit, then handed the phone to Lin Hao: ‘My father has something to say to you alone.’

After Lin Hao took the phone, Qin Yuxin broke through the soundproofing formation and dashed away from the Lin family courtyard, obviously not willing to do the same thing of eavesdropping on other people’s conversations.

‘It’s Lin Hao, isn’t it.’ Qin Lao’s tired voice came from the other end of the phone, as if he had aged a few more years than before.

Lin Hao could completely understand, the only woman, ah, did such a thing, just ask what father wouldn’t be sad and desperate.

‘It’s me, Elder Qin, I never thought that you would agree to it, I was not good enough to refuse and use you to put it off, but who knew that you would agree to it instead, what should I do?’ Lin Hao laughed bitterly, he really didn’t know how to choose, but Elder Qin had already agreed, what could he do.

‘Alas, this indisputable daughter of mine, I’ve bothered you, I’m also old and I’ve thought about it. I don’t have many more days to live, since my daughter’s mind is made up, let her go, the big deal is that we will meet in another world and be father and daughter again.’ Elder Qin sighed, there was nothing he could do.

Lin Hao's eyelids jumped wildly as he listened, he guessed Qin Yuxin was also using this to threaten him, and whether Elder Qin agreed or not, he guessed Qin Yuxin would threaten himself to take her there, since he couldn't stop it, why not go along with her wishes?

'Okay Elder Qin, I know what to do, if I can, I will try my best to bring her back.'
Lin Hao hung up the phone and Qin Yuxin happened to return, Lin Hao didn't say anything else.

He personally cooked a sumptuous meal, and was so angry that Qin Yuxin laughed and scolded, 'You little guy did that on purpose, why are you like the ancient severed head meal, making it so deadly.'

Lin Hao bristled, 'Isn't this just like a severed head meal? The first time I've seen people die in such a hurry, Lin Hao ignored her and ate his own food, occasionally giving Lin Ruoshi a dish.'

It seems that Chen Haobei and Lin Ruoshi both feel that the atmosphere is not right, and do not dare to talk nonsense.

After eating and drinking, Lin Hao and Qin Yuxin left, the atmosphere was a bit gloomy and Lin Ruo Shi didn't even dare to ask Lin Hao where they were going.

The two of them arrived at the banks of the Qin Huai River, and after Lin Hao had laid several formations in quick succession, he used the road guide that Meng had once given him to tear open the space with a wave of his hand, and with the pull of the road guide, a dense Yin Qi and a terrifying Yin Wind gushed out from the spatial rift.

Qin Yuxin was somewhat horrified by Lin Hao's move, after not seeing him for ten years, had Lin Hao's realm reached such a terrifying level?

Lin Hao dived head first into the Yin Qi passage, there were several formations arranged here, so there was no fear that someone might enter this place by mistake, let alone worry about the Yin Qi leaking out.

Seeing that Lin Hao had gone in headlong regardless of himself, Qin Yuxin did not care so much and also followed him, but she could not move her body when she reached the entrance of the passage and fell to the ground with a thud.

Before Qin Yuxin could react to what was going on, she only felt that she could not move all of a sudden, and then a terrifying suction force sucked her into it at once, much faster than Lin Hao.

Unbeknownst to her, Qin Yuxin had no idea that her body was still left on the river bank by the Qin Huai River, and it was only her spirit that followed her past.

With the Yin Qi not's intention to love Lu Wu Ai Lu Ai Serv? break coalescing, Qin Yuxin let out a piercing scream of agony, her whole body was as painful as if she had been stabbed by sharp needles, it was too painful.

This is the passage of life and death, if it is a dead person, to this naturally do not need to endure these pains, but she is a living life soul, this passage when can wash her body angry, a little deprived of life thus filled with death.

She was now a living person, but after walking through the end of the passage, she would be a living dead person.

The intense pain nearly made Qin Yuxin roll on the ground in agony, but she still gritted her teeth and held on, no matter what, she had to find him, even if it cost her a huge price!

Chapter 2692

Without him, whether she lived or died, it was meaningless!

Seeing Qin Yuxin forcing herself to endure the pain, yet still insisting so much, Lin Hao was also frowning and couldn't bear it in his heart, even if Qin Yuxin had but a thought of regret, she still had a chance to let her go back, but she didn't.

Now she had a headache even when she came across Meng, and now the rules at the Naihe Bridge had long since changed, even he was bound by the Heavenly Dao and could not act against it.

Although the grand plan had been completed and the new Immortal Court had been established, it was still in heavenly bondage, and the reason why they were still dealing with these things was to truly get rid of the heavenly bondage, which was the purpose of Chen Bei Xuan and his formation, right?

The horrible pain was really unbearable for Qin Yuxin, painful screams kept ringing out, but she didn't have any regret, she still gritted her teeth and continued to hold on, she had to hold on!

When all the anger in her body was washed away, she no longer felt the pain, instead this cold Yin Qi made her feel comfortable, even her body was a little lighter.

It was only at this time that Qin Yuxin snapped out of it; it turned out that she was just a divine soul coming in, and she was now considered dead in the true sense of the word.

However, she did not regret it, but instead made her gaze even more determined.

Swish!

Two black chains forcibly imprisoned Qin Yuxin's limbs and with a violent yank, Qin Yuxin was ripped out of the passage by a terrifyingly huge force, and two law enforcement officers from the Naive Bridge grabbed Qin Yuxin up.

Qin Yuxin was dumbfounded, having just come out and been grabbed by two men in black, dressed in black robes, their faces white without a trace of blood, their eyes even more devoid of the slightest breath of the living, indifferent without the slightest emotion.

'How dare you, mortal practitioner, trespass on the edge of the Nai Hao Bridge, the place of the underworld! You know your crime!'

‘No matter who you were on earth, when you arrive here, you must obey the rules of this place! Whether you were alive or alive, you are dead here! We will send you to reincarnation!’

‘No, I don’t want to go to reincarnation, I came here to find someone!’ Qin Yuxin’s face changed furiously, damn it, how could she possibly go to reincarnation, what did she come here for with all her life, to find someone! How could she possibly go to Reincarnation!

The two black-robed men just wanted to shout ‘bold’, but before they could open their mouths, an extremely terrifying aura suddenly descended, scaring them out of their hands, even Qin Yuxin couldn’t control it and directly fell to her knees uncontrollably.

They were also shocked when they saw Lin Hao and hurriedly saluted, ‘Greetings to the Ho-Tian Divine Sovereign.’

The Ho-Tian Godfather?

Lin Hao was a little amused, but this was a good legal name, after all, it wasn’t like he was serving as the New Immortal Court Immortal King, otherwise he would really be the deserved Immortal King of Hao Tian.

‘Get up, release her, I will personally explain this matter to Queen Mother Hou Tu afterwards.’ Lin Hao’s brain hurt at the thought of Meng, what a sin to create.

Hearing Lin Hao say this, those two people then dared to say anything, they arched their hands and hurriedly left, this level of matter was not something they could get involved in.

However, as soon as Lin Hao arrived, Chen Bei Xuan and Lin Cang Dao, who were in the New Reincarnation Hall, all had their faces twisted and their eyelids jumping wildly.

The moment Lin Hao appeared, he? The moment Lin Hao appeared, he? They had sensed it the moment it appeared.

‘Damn it, that son of a bitch is ruining my life! I’m going to go and settle the score with him, dammit.’ Chen Bei Xuan was even more furious, the Immortal Emperor Bei Xuan had gone on a rampage.

Not only was Chen Bei Xuan thunderstruck, Lin Cang Dao and the others also looked no better, it was very likely that Lin Hao’s actions would completely ruin his plans.

Chen Bei Xuan’s face was gloomy as he rose into the sky and sped directly towards the Nahe Bridge, his violent aura not being concealed in the slightest.

Everyone felt this scene, and when they felt Chen Bei Xuan’s storming aura, Meng’s wrinkled old face was frowning.

In the direction of the Underworld, the Earth Store and the Ten Hades stared at the bridge over the Nai River, their faces filled with a playful expression.

Super Son-in-law Chapter 2693-2694

Chapter 2693

Not only them, but also Avril and Rhiannon, who were trapped in the formation, looked at each other with the same playfulness, and Avril even spoke proudly: 'So? The last time was a foregone conclusion, but it is not the end.'

The first time I saw you, I was in the middle of a battle.

However, Lin Hao never thought that just helping Qin Yuxin and fulfilling her wish would lead to a huge disaster When Lin Hao brought Qin Yuxin to the bridge of the Naihe River, Meng, who had regained her pale appearance, was still cooking the soup at the bridge of the Naihe River.

When she saw Lin Hao appear, Meng Nan first froze, and then her expression became strange, one was gloating, this time Chen Bei Xuan's old guys should blow up, this kid is so up to dare to set foot in the land of the underworld.

At the same time also let Meng Mo look odd is that this kid by definition can not even avoid himself, surprisingly still have the face to come, really good ah.

'Hehehe, that, how is the Hou Tu Niang, I haven't seen you for a long time, I miss you very much.' Lin Hao scratched his head awkwardly, looking very embarrassed.

‘Ho ho~!’ Meng Po let out a strange cold laugh, not knowing whether it was mocking or gloating.

But when Meng Mo laughed like that, it caused goosebumps to rise all over Lin Hao’s body, ‘Hou Tu Niang Niang, can you stop laughing like that, it’s weird and seeping, I’m scared.’

Qin Yuxin, on the other hand, looked at Lin Hao in shock, and then at the old woman, was this the land of legends? Is this the legendary Meng Mo?

Seeing how familiar the two were, Qin Yuxin was truly convinced, this guy was really a regular visitor here, I’m afraid he really thought of it as his back garden to stroll around.

Meng Po ignored Lin Hao, still smiling so oddly.

Lin Hao felt creeped out, but before he could ask what was going on, he suddenly sensed two incomparably violent auras coming from him, which were even stronger than his own, knowing that his current realm was not low.

Soon, Lin Hao knew who it was, Lin Cangdou and Chen Bei? Aizendi Aizai er Wu Aizai? Xuan came together, but with such a terrifying aura, it was obviously in a state of rage, Lin Hao cursed with a tight frown, ‘What the hell situation, what the hell are these two old things up to again?’

‘Seven Killings Divine Sword Duel!’ Before Lin Hao could react, Chen Bei Xuan instantly roared, his sword in his hand merging into one, his human sword uniting into one, a single sword of seven kills!

The piercing sword aura possessed the power to open up the heavens and the earth and came straight at Lin Hao.

‘The Sword of the Great River comes from the sky!’ Lin CangDong did not show any mercy, a sword mane descended from the sky, dense sword manes fell like rain, and the target of the attack was precisely Lin Hao!

‘Crap, you two old guys are crazy! You can’t even recognize me? You want to kill me!’ Lin Hao cursed in fright, his eyelids jumping wildly as he dodged away, his speed flying.

These two old men had come out with killing moves, and they were aiming at him with deadly moves. Or were these old men just trying to kill themselves?

Meng raised her eyebrows, and with a flash she took Qin Yuxin, who had come with Lin Hao, away, and with another flash she left the attack area.

Qin Yuxin was all dumbfounded and cried out in horror, ‘Isn’t that Chen Bei Xuan and Lin Cang Dao seniors, why are they doing this, they don’t have a grudge, do they?’

‘Ho ho’ Meng once again let out that terrifying creepy laugh, ‘Little doll, it’s not because of you, do you know that he has already stabbed the sky by bringing you~!’

‘And, the person you are looking for is not under my jurisdiction, I am only responsible for extradition, the matter of reincarnation is a matter for the Hades, and the person you are looking for was sent to the Hades before Chen Bei Xuan and the others had built the Hall of Reincarnation, so to speak, the person you want to find has to go to the Hades to find it, but the Hades and you are what you are, I’m afraid I don’t need to say it.’ The Meng woman’s face was filled with a gloating look.

Chapter 2694

Qin Yuxin’s face was horrified, it was over, she had caused such a catastrophe for her own selfish reasons, what should she do?

But now it was already too late.

‘The two seniors please stop, everything is wrong because of me, if you want to chastise me, please do so.’ Qin Yuxin hurriedly shouted.

Unfortunately, those two people didn’t even look at her and acted as if they wanted to fight Lin Hao to the death.

‘Damn you! Stop it now, or don’t blame me for being rude ah!’ Lin Hao woefully dodged Chen Bei Xuan’s incredibly sharp sword, but he couldn’t avoid the dense flying swords controlled by Lin Cang Dao, thousands of flying swords were flying like long dragons, circling and moving, Lin Hao would be attacked by the dense flying swords no matter where he was hiding.

‘Shut up! You son of a bitch, I will kill you today!’ Chen Bei Xuan shouted angrily as his sword blade once again came straight at Lin Hao.

Lin Cangdun even had a gloomy face and didn’t say a word as he manipulated countless flying swords to attack Lin Hao.

Lin Hao’s realm was not low, but it was no match for these two, and as these two had refined their divine source to the point of returning to the basics, Lin Hao’s body had already been pierced with several bloody holes, and blood was flowing everywhere.

‘Mud, two old maniacs, I’ll fight you!’ Lin Hao had suffered a big loss because he didn’t have the attitude to fight with the other side, if he really had to fight, he might not be afraid of them!

‘Son of a bitch, if you don’t want everyone to be buried with you, then shut up! You’ll shut up and let us bleed and destroy your cultivation! Otherwise the world will be buried with you! Including us and all your loved ones!’ Lin CangDong scolded, it was the first time that he was able to make Lin CangDong scold so much.

Lin Hao had just pulled out his Heavenly Sin Sword, ready to fight these two old things to the death, when he heard Lin Cang Dao’s words, Lin Hao’s hand froze violently, frozen in place, what did this mean?

Pfffft!

However, as soon as Lin Hao froze, seven or eight holes were made in his body by the flying sword controlled by Lin Cangdou, causing Lin Hao to scream in pain, and Chen Beixuan's sharp life-threatening sword blade was close at hand.

Lin Hao was so angry that he cursed, 'Bastard, you're going to kill me, I'm not talking to you, I'll kill you!'

Lin Hao was not a person without a temper either.

Silent death? Shan Lu Pao Er Serve Stain Serve? Domain!

The Phoenix Domain!

The Heavenly Sin Sword in Lin Hao's hand began to release two forms, terrifying domains superimposed on each other, and Lin Hao was surrounded by a frightening aura of silence and destruction, and his body was even burning with blazing flames, like a god stepping out from the sea of fire.

Boom!

The two domains collapsed, and the terrifying attacks of Lin Cangdou and Chen Beixuan were stopped by Lin Hao.

‘How dare you fight back! Use a supreme move!’ Chen Bei Xuan cursed, glancing at Lin Cang Dao who was clearly about to get real: ‘Bastard, you son of a bitch, if you hadn’t resisted we would have been able to save your life, but you resisted like that, do you know what the consequences would have been! We can’t guarantee that we will be able to keep you alive!’

At this moment, Chen Bei Xuan was like a sharp blade that tore through the sky, his human sword was united, his terrifying sharpness even stirred up the black sky around him, and even the surging waters of the River Styx were partially cut off, so it could be seen that Chen Bei Xuan was determined to destroy Lin Hao!

With such a terrifying move, Chen Bei Xuan didn’t even dare to say that he could grasp the measure to keep Lin Hao from dying.

‘I’m not a vegetarian either, if we really have to fight to the death, it’s not certain who will live and who will die! But before that at least let me know what the hell is going on, right?’ Lin Hao cursed, holding the Heavenly Sin Sword in his hand, he was not a coward to anyone, but these two old things suddenly struck out at him in such a fury, so he must have caused some big trouble.

The problem was that Lin Hao didn’t even know how big of a trouble he had caused.

As for being so desperate?

Lin Cang Dou and Chen Bei Xuan cursed and said the reason, after hearing that Lin Hao was also dumbfounded, he really didn’t know that he had caused such a big trouble after Wu had made a trip to the Underworld!

As Chen Bei Xuan said, although he had completely separated the senior cultivators from the mortals, forming two worlds, and had even established a new immortal court to suppress all the powers, but with him descending to the Underworld at such a realm, he had invariably broken the rules of the Heavenly Dao in the Underworld.

Super Son-in-law Chapter 2695-2696

Chapter 2695

Next, passages would appear on earth from all parts of Hades.

They originally wanted to use to block the way before the Underworld, build the Hall of Reincarnation, obey the will of heaven and rule the reincarnation, thus weakening the Underworld, which would be completely ruined after a long time.

As a result, Lin Hao's whole thing was exactly what those guys had in mind?

Therefore Lin Hao would either die or have his strength nullified, otherwise the heavenly dao in the underworld would surely put Lin Hao to death, after all, Lin Hao at this level, according to the rules, should not have stayed in the world, even if he was a heavenly ordained person.

After all, without one, there was still the possibility of choosing another Heavenly Destined person, but where would Chen Beixuan and the others find someone?

Lin Hao's face turned ugly, this time it looked like he had really caused a big trouble, just by looking at how angry these two old guys looked.

Lin Hao laughed bitterly, while Qin Yuxin, who was standing with Meng, was even more remorseful. If her death could be saved, she would have wanted to die and have her soul scattered.

After all, she was now a dead person.

But there are some mistakes that can't be solved by death.

‘So, so, I can still live?’ Lin Hao asked cautiously.

‘Nonsense! Stand honestly and let us chop, you definitely can't die, but you won't be able to keep your realm, but we can find a way to keep your power and send it to the New Immortal Court, and you can still recover after you've completely broken free from your bondage.’ Chen Bei Xuan glared at Lin Hao with hatred. ,.

Lin Hao was completely out of temper, alas, come on, the fruit he sowed, he could only suffer himself, huffed the corners of his mouth, ‘You two can take it easy, don't accidentally get me killed’

Lin Cang Dou and Chen Bei Xuan didn't bother to pay attention to him and started to attack Lin Hao frantically, and at the same time told Lin Hao the truth, that if he wanted to truly transcend and be free, then he had to be free from the Heavenly Dao bondage, otherwise no matter how powerful his realm was, he would only be an ant under the Heavenly Dao, bound by the bondage and not allowed to transcend.

The only way to transcend is in Lin Hao's body, and they could not find any clue, but there is a destiny in the underworld.

But Lin Hao broke into the underworld this time, and? The only way to transcend is in Lin Hao. But it has caused them a huge problem, and I am afraid that the Hades will be on the move again.

Now Lin Cangdou can only balance, abolish Lin Hao cultivation, more try to stop these guys in the underworld, but still egg pain.

As for the earthly matters, that was only for Lin Hao to solve.

Lin Hao was in the throes of ten thousand arrows piercing his heart for several hours, his screams resounded throughout the shores of the Nai He Bridge, causing Meng to tremble a little.

Lin Hao was also shot into a sieve by a flying sword

A week later.

The first time I saw him, I was able to identify a man who was covered in blood and had holes all over his clothes, in his twenties, although he looked full of blood, but when I identified him carefully, I could vaguely recognize him as a handsome man.

It was none other than Lin Hao, who had been put to death by those two old things and sent back in flames.

At this moment, Lin Hao was lying like a dead corpse, covered in blood on the river bank by the Qinhuai River

Time went back six days.

Lin Hao had been painfully tortured for a day and a night, and his realm had plummeted to the level of a first-class Illusionary Spirit Master, completely falling into a coma, and his whole body had become a bloody man.

Only then did Chen Bei Xuan and Lin Cang Dou stop, after all, if they struck Lin Hao again and beat him into an ordinary person, they might not be able to pinpoint the right force, and if they killed him directly, it would be a big game.

Although even though Lin Hao was now a First Class Illusionary Spirit Master, it would still have a significant impact, but it was believed that he would be able to handle it.

Qin Yuxin even sobbed as she looked at Lin Hao, repenting. It was only at this moment that Qin Yuxin realized how selfish she had been and woke up to the fact that love was not all there was to life, but there was no going back.

It is not wrong to pursue love, but you have inadvertently hurt too many people, and the closer you are to your family, the more deeply you are hurt.

The Manzus flower bush by the Nai He Bridge was in a mess, and Meng's face was even more gloomy as she shouted: 'Two bastards, have you finished? If so, hurry up and fix my bush, or I won't be polite to you!'

Chapter 2696

'She caused the trouble, she will atone for it!' However, Chen Bei Xuan didn't eat this at all, pointed at Qin Yuxin and coldly turned to leave, while leaving a message, 'In a few days, send this brat back at the right time, we have more important matters to deal with.'

These words infuriated Meng almost did not storm out, yet there was nothing she could do about it, so Meng glared fiercely at Qin Yuxin, and at Lin Hao, who was dead or alive in the messy flowers.

With that said Chen Bei Xuan and Lin Cang Dao quickly left.

Lin Cangdou was busy testing the current situation, and during this period of time, he didn't know how many two world passages had been opened.

The good thing was that after Lin Cang Dou had checked and found that only fourth level realm powerhouses could pass through the passage at the moment, so it wouldn't cause too much of an impact, so let's hope that kid can handle it.

Chen Beixuan, on the other hand, cast a great divine power at great cost to send Lin Hao's power back to the New Immortal Court.

Meanwhile, in the Immortal Court, both Shen Xiyao and Lei Ling's voices resounded in Chen Beixuan's mind!

The meaning was clear: Lin Hao had caused trouble on earth, and they had to follow to wipe. Lin Hao was afraid that he couldn't handle it alone and needed to send another person down to the realm.

Shen Xiyao chose to go down at that time, even if she didn't remember all the things she had done with Lin Hao after she went down, but her own memories were still there, so it was just a matter of getting through ten years.

Besides, can't we just get to know each other again?

But Shen Xiyao one body and two lives, need to pay the price of delivery, condensing two Dharma body descending into the human world, Shen Xiyao and Ling Yun's divine soul separate, otherwise her Dharma body to the earth, directly into a neurological

As for the follow-up of everything, Chen Beixuan also has the corresponding arrangements, not as hasty as Lin Ruoshi, Chen Beixuan paid a greater price for this, but also can not help, he is also afraid that Lin Hao can not manage ah, wasting a lot of time on this matter of grinding with Shen Xiyao's Dharma body.

A few days later, the arrangements for their bodies were made and Lin Hao was left by Meng on the river bank by the Qin Huai River.

Lin En learnt of the news and sent a large number of people to look for him, but they found nothing, as if he had evaporated into thin air.

Chen Haobei is now considering whether he should contact all of Lin Hao's old men, after all, there is strength in numbers.

On the river bank by the Qinhuai River.

A delicate and beautiful woman, wearing hot trousers, revealing her long and snowy white fade, a cute pink T-shirt on top, her long hair falling to her waist draped behind her, was strolling on the river bank by the Qinhuai River, seemingly taking a break.

'Ah~? Di yi wu yi di pick up dye closed?!' The woman inadvertently glanced towards the river bank and happened to see a bloodied Lin Hao, alive or dead, and the woman was scared enough to turn around and run.

It was so scary that anyone else would have been terrified to see this scene, and with the way he was covered in blood, I'm afraid he wouldn't have survived.

The woman ran for more than a hundred metres, but stopped hard, her heart in her mouth.

‘What should I do, is that man dead or not? If he is still alive and I run, what if he is still alive?’

The woman couldn’t bear to stop and hastily called the emergency services and called the police, which was a relief, thinking, ‘This should be all right now.’

That was all she could do, and that was the best she could do.

But she couldn’t take a step, she didn’t feel comfortable leaving, but she didn’t have the guts to go back and check the situation.

Even a man would have been scared if he had encountered this situation.

After three minutes of hesitation, the woman gritted her teeth and turned around and ran quickly towards the man, who was dead or alive.

Although mentally prepared, the sight of Lin Hao’s miserable and horrific appearance scared her so much that the courage she had managed to muster dissipated into thin air.

After hesitating, the woman reached out her index finger in horror and trembled as she reached for the man’s nose, feeling the faintest breath before she breathed a sigh of relief that he was still alive.

Super Son-in-law Chapter 2697-2698

Chapter 2697

Although she didn't know common sense about first aid, she knew that Lin Hao was so badly injured that she couldn't move him easily, otherwise she would be guilty of causing secondary injuries and hiccups.

'Wake up, can you hear me?'

'Are you alright? How do you feel now? Can you open your eyes and look at me.'
The woman's voice was a little urgent, with a faint sobbing tone.

In his coma, Lin Hao seemed to hear someone calling out to him, the voice was so familiar, it seemed to be Ling Yun's voice.

Ling Yun's smiling face even appeared in front of his eyes, 'Lin Hao, wake up, wake up quickly, many people are waiting for you!'

In turn, Ling Yun's anxious face appeared again, 'Are you alright, Lin Hao? How are you feeling?'

Lin Hao was laughing bitterly, was he dead? Or was it just a hallucination before he died?

Was it because he was ashamed of Ling Yun in his heart? Surprisingly, it was not someone else but Ling Yun who appeared before he died.

He tried to open his eyes, but his eyelids felt like they were filled with lead, so he couldn't open them at all, but the call in his ears became clearer and clearer.

Lin Hao felt that this was not an illusion, he could not die yet, if he died, what would his family do, how sad his daughter would be!

At the same time, he was cursing those two old bastards in his heart, they were so cruel, they were really killing him, they were afraid that he would not die!

Lin Hao couldn't care less and struggled to open his eyes. After a long time of effort, Lin Hao finally opened his eyes.

A delicate and beautiful face appeared in front of him and was close at hand, frowning with an incomparably difficult look, not noticing that he had woken up.

This was, this was Ling Yun!

Although it was not the ancient costume dress like Ling Yun, but Lin Hao could not be mistaken, this was Ling Yun ah.

Lin Hao smiled bitterly and murmured in a hoarse and low voice: It really is an illusion

At this moment, Ling Yun, who was hesitating to give Lin Hao artificial respiration, suddenly heard movement, ah a cry of alarm, and looked down to see the man covered in blood, who was now looking at himself in despair.

‘You’re awake! You’re finally awake, oooh, I’m scared to death.’ Ling Yun was so frightened that she was crying with joy ah, seeing that Lin Hao had finally woken up, Ling Yun couldn’t help but reveal a smile again, feeling happier than if she had saved someone: ‘You’ve finally woken up, but it’s great.

This smile of Ling Yun’s was so overwhelmingly beautiful that it was as if everything in the world had lost its colour in an instant.

Lin Hao could only see this beautiful face and that charming smile within his current vision, but he couldn’t hear what Ling Yun was saying.

Lin Hao thought to himself, ‘So this is God’s punishment for me? I have to remember you even before I die, since that’s the case, I’ll remember your smile.

Lin Hao struggled to remember this city-devouring smile, and unable to resist the weakness of his body any longer, Lin Hao slowly closed his eyes.

Seeing Lin Hao close his eyes really scared Ling Yun, who was so anxious that she didn't know what to do, but the ambulance came.

Lin Hao was carefully carried into the ambulance and the police arrived right behind him to understand the situation through Ling Yun, while Ling Yun was taken back, but considering the special nature, they went back to the hospital to compare Lin Hao's appearance, one of the officers froze, how did this person seem to be the one the young master of the Lin family had asked them to keep an eye on?

The other officers began to continue investigating the truth of the matter, while that police officer? The other officers started to continue investigating the truth while the police officer? officer called Lin En's phone number.

Lin En, Chen Haobei and Lin Ruo Shi received the news and all rushed towards the hospital like crazy, even Yun Qingya and Chen Yuan, the two students, came, and not long afterwards Qin Yan and Lin Yan also came.

There was nothing strange about Lin Yan coming, after all, Lin Hao was the meat she didn't have, but it didn't make sense for Qin Yan to come.

But when she heard that Lin Hao was taken to the hospital covered in blood, Qin Yan was a bit worried, wondering if her aunt would also be involved.

Chapter 2698

However, their arrival was all blocked by Chen Bei Xuan, and until Lin Hao's condition was stable, no one was allowed to visit except Lin Ruoshi.

Lin En was not even allowed to see him, so the others had no choice but to leave first, but Ling Yun, who had saved Lin Hao's life, was politely left behind by them.

Although Lin Ruoshi could not recognise Ling Yun without her own memories, Chen Haobei and Lin En did, and they were even more shocked that Ling Yun was still alive. But they were more convinced that this was someone who looked alike and had the same name.

After all, Ling Yun's tomb was still in the Lin family's backyard, and Ling Yun was a mortal without cultivation. Lin Ruoshi looked at Lin Hao, who was pale and wrapped up like a mummy in a hospital bed, and was so distressed that tears were falling down her face, but she did not dare to let her cries out for fear of disturbing Lin Hao.

At this time, Lin Hao was still in a coma stage. Chen Haobei came to see him and just let the doctor bandage his wounds because Chen Haobei found out that the one who injured Lin Hao was definitely a Jedi.

It was like marrying a nurse girlfriend, stabbing him more than twenty times in a row, avoiding the fatalities with each knife, and ultimately only judged to be a minor injury.

Lin Hao's situation was the same, seemingly seriously injured but not fatal, and Chen Haobei was also very surprised that, looking at the wounds, Lin Hao did not seem to resist, or was controlled not to resist at all.

There were no signs of violent resistance on his body.

Lin Hao was now unconscious, not because of his injuries, but because he was too weak, and Chen Haobei could not figure out who, in the end, had nullified Lin Hao's cultivation, who was now only a weaker Illusionary Spirit Master than him, with only a first class realm aura left, and still unstable.

After Chen Haobei had inputted his aura to stabilise Lin Hao's condition, and after the doctor had checked that Lin Hao's body was not seriously injured and did not need surgery, he agreed with Chen Haobei's statement.

'Don't worry little shi, your father will be fine.' Ling Yun walked over and comforted Lin Hao, she also didn't expect that Lin Hao would be so handsome and look so young, and that his daughter would be so old.

At first glance it was as if they had seen each other, Ling Yun liked this cute and pretty girl very much, she happened to have nothing to do and simply stayed, in fact she was quite curious as to how in the world this man had gotten hurt like this.

Lin Ruoshi took the tissue handed over by Ling Yun and nodded as she wiped her tears, while bowing to Ling Yun with a sob, 'Thank you sister Ling Yun, you are a benefactor to our whole family.'

Ling Yun smiled and shook her head, 'It's nothing, I'm sure if it was anyone else, they would have done the same.'

But if someone else had the guts to go back and check her nose, it was a toss-up, probably more likely to call the police and emergency services.

‘Lin En you take over for me for a while.’ Chen Haobei waved towards Lin En who was sitting outside the corridor, Lin En hurriedly came over, while Chen Haobei looked at Ling Yun with some confusion and shouted, ‘Miss Ling Yun, let’s go and have something to eat first, you’re also tired.’

Ling Yun nodded and went with Chen Haobei to a small restaurant across from the hospital to eat something casual, this is already the fourth day, Ling Yun looked at Chen Haobei who was also somewhat handsome across the street, and had a good temperament, and could see that his temperament was extraordinary, his origin was not low ah.

But it seemed to be just that man’s butler.

And from the beginning to now, this man always looked at himself with strange eyes, and this man and the one called Lin En, whom he didn’t know, yet they were able to call her name when they first met, as if they were familiar with her.

‘Hoobei what are you looking at me like that for? Do I really look like that person you guys know?’ Ling Yun couldn’t stand Chen Haobei’s gaze somewhat.

Only then did Chen Haobei react that his did seem to be a bit abrupt, and hastily withdrew his gaze, shaking his head and smiling bitterly: ‘It’s not just a resemblance, is it? The actual fact is that you can find a lot of people who have been in the business for a long time. I don’t think there are really people in the world who are so similar.’

Super Son-in-law Chapter 2699-2700

Chapter 2699

‘But you also have a point of difference.’ The only difference, Chen Haobei wanted to say, was that someone else was a peak sixth-grade Illusionary Spirit Master, while you were an ordinary person.

‘What’s the difference?’ Ling Yun was equally curious, and she was equally unconvinced that there was such a coincidence.

Chen Haobei refused to answer, there was no need for ordinary people to know about cultivators, it wouldn’t do her any good, the other party had saved Lin Hao and was considered his benefactor.

‘So do you have any pictures of her? And where did she go?’ Ling Yun asked once again.

Chen Haobei shook his head once again and just shrugged it off, ‘Went somewhere far away, I think.’

Ling Yun stopped asking, looking at the other party’s meaning, she guessed that the girl who looked like herself was probably gone forever.

After eating, the two of them also went back, taking turns to watch Lin Hao, while Lin Ruoshi took a leave of absence and did not go to school.

It was not until after the fifth day of his coma in the hospital that Lin Hao woke up. When he woke up, he was also very confused, was he not dead?

‘Father, you’re awake, oooh, you’re finally awake.’ Lin Ruoshi was the first to notice that Lin Hao had woken up, lying on the side of the bed and crying profusely, all the fears and aggressions of these days were all poured out at once, crying hard but also happy, his father was fine, his father was fine.

‘Family head, you are finally awake.’ Chen Haobei, who heard the commotion, hurried over, although he knew it was only a matter of time before Lin Hao woke up, he was at least relieved to see him wake up, Lin En also heard the commotion and ran over.

There was also Ling Yun, who said helplessly when she saw Lin Hao wake up, ‘You guy finally woke up, even following me around in one piece is worrying me to death.’

Lin Hao had just woken up, his head was still down, but when he heard Ling Yun’s voice and the woman standing next to the hospital bed, Lin Hao was stunned and exclaimed, ‘Ling Yun? I... I’m still in the illusion?’

He had witnessed how Ling Yun had died, and his soul had become one with Shen Xiyun, so how could she still be alive?

Ling Yun was also stunned, Lin Hao had just woken up, he actually looked at himself and shouted out his name, how was this possible. Ling Yun was stunned, 'How do you know my name too, you don't know someone who looks exactly like me too, do you?'

It was Lin Hao's turn to be stunned, Chen Haobei hurriedly explained to Lin Hao in a low voice, but after the explanation, Lin Hao felt extremely incredulous.

'How is this possible! How is it possible for women in the world to look so much alike, even if their names look alike, even their demeanor is so similar.' Lin Hao couldn't help but murmur.

This made Ling Yun more and more curious: 'Hearing you guys say that, I'm even more curious, where did the girl with the same name as me and who looked exactly the same go?'

'Dead, with her eyes closed in my arms.' Lin Hao spoke bitterly.

'Huh? I'm sorry sorry, I didn't mean to.' Ling Yun hastily apologised in embarrassment, she didn't expect it to be like this, it was too awkward, she shouldn't have asked it carelessly.

'It's alright, it's all in the past, this time I really thank you for saving me, I'll keep this favor in mind.' Lin Hao said solemnly.

Ling Yun smiled and waved her hand, not really putting this matter to heart.

‘Since you’ve woken up, then I should also go back, after all, I’ve been here for many days.’ Ling Yun smiled helplessly, even though she was running her own shop, she couldn’t stay open all the time, right ?

Lin Hao asked for the other party’s residence, and Ling Yun didn’t refuse, telling Lin Hao the address and phone number and departing, not saying anything for Lin Hao to indicate.

‘Just like her, a kind person.’ Lin Hao sighed, but still felt that something wasn’t quite right, although Ling Yun also ? Shan Pao Lu Wu Pao Yi Deng Zha ? said, she was an orphan, opened a photography studio in Jinling on her own, and her life trajectory all seemed to be traceable.

‘I have checked, although many places are vague, but at least some things are traceable, asked many people.’ Chen Haobei also seemed to know Lin Hao’s inner thoughts and was quite helpless.

Chapter 2700

‘No, this is definitely not right.’ Lin Hao, however, felt that things were not that simple, there would not be such a coincidence in the world, I am afraid that it was absolutely unrelated to him taking Qin Yuxin to the underworld, ‘Chen Haobei, you go to the backyard, I want you to open it up and see what is going on.’

The corners of Chen Haobei’s mouth twitched, this is not very good, the burial was done by Lin Hao himself, and at this time he dug it up again, what kind of thing is this ?

But there was no choice but for Lin Hao to be very insistent, so Chen Haobei had to take a trip himself and quickly went back to dig some more, only to have Ling Yun's tomb dug up, but Chen Haobei was dumbfounded.

No, not really? Close love serve er love Wu Zhaoyi?

The divine origin crystal coffin where Ling Yun's body was placed was tightly fitted and tightly sewn, there was no trace of it being dismantled, yet there was no body inside, the divine origin crystal coffin was empty!

Chen Haobei couldn't care less about this and rushed back to the hospital to tell Lin Hao that it was too late to even fill in the pit.

In fact, this was also Chen Bei Xuan's idea, so that he could give Ling Yun ten years of free time, thinking that his guilt towards Ling Yun had been hidden deep in his heart, and it also saved Shen Xiyan from the tedious process of forming another Dharma body.

Lin Hao was also stunned to learn this news and muttered to himself: Is this a providence or a coincidence?

No, it couldn't be a coincidence!

'It's heaven's will.' Lin Hao sighed, 'That's Spirit Rhyme.'

‘How is that possible?’ Lin En and Chen Haobei both found it hard to believe that this had come back from the dead?

Lin Hao looked at Lin Ruoshi and gave the two of them a look, and they suddenly realized, didn’t Xiao Shi also come back this time without remembering anything, this Xiao Shi’s situation was quite similar to that of Ling Yun’s.

In fact everyone was very curious as to how Lin Hao had been injured so badly, after all, they couldn’t be more clear about how awesome Lin Hao was.

Lin Hao sighed and asked Lin En to take Lin Ruoshi to rest for a while, Lin Ruoshi refused but couldn’t resist Lin Hao’s insistence.

Lin En even understood that I was afraid that the two of them were going to talk about something.

After the others left, Lin Hao asked Chen Haobei to set up a soundproof formation and informed him of what had happened in the meantime.

Chen Haobei was dumbfounded after hearing this, shit, it was like this!

No wonder Lin Hao was so badly injured but not fatally injured, and didn’t show any signs of resistance at all, so this was all deliberate.

‘You asked Lin En to help keep an eye on it, isn’t he quite well-connected, I’m afraid Xiyan has come down too.’ Lin Hao had a guess.

Moreover, this matter still had nothing to do with what he had caused before. Lin Hao had been lying in the hospital for half a month before his body slowly recovered, and now that his body was weak to this extent, Lin Hao wanted to curse.

But he couldn’t, after all, he had brought this on himself, and the key was that Chen Beixuan hadn’t warned him before.

Now, Lin Hao, who was only a first-class Illusionary Spirit Master, felt that he was weak, but his realm was gone, but his physical strength was still there.

Chen Haobei walked into the ward with chicken soup and placed it at Lin Hao’s bedside, ‘House Master, have some chicken soup first, it was made by Miss herself.’

‘This little girl knows how to care for her old man? She even knows how to make soup, that’s something.’ Lin Hao was very different, not to mention that his own daughter had made the soup for himself, even if it was a dark dish he had to finish it.

Chen Haobei smiled, ‘Miss actually knows a lot of things, it’s just that with the family head around, she’s too lazy to show her hand.’

Lin Hao rolled his eyes and muttered, 'Your daughter or my daughter, talking as if you know my daughter better than I do.'

'By the way Family Head, there have been quite a few bizarre things recently.'
Chen Haobei frowned and told Lin Hao about the recent bizarre things that had happened.

Recently there had been bizarre murders in many places, and the manner of death was very bizarre, yet the murderer could not be found.

Chen Haobei had personally gone to see them, and could not feel anything except that those places were terribly cold and their Yin Qi was somewhat dense.
