Chapter 2741

‘I .....’ Chen? Shan’er Wuyi ground cover flick? Hao Bei wanted to say something, what should he say?

‘Say!’ Lin Hao murderous intent burst out fiercely, like a sword that has been completely drawn out of its scabbard, his gaze sharp.

‘I’m sorry, it’s all my fault, my negligence and dereliction of duty.’ Chen Haobei lowered his head in shame, wrong is wrong, there was no excuse to be made.

‘Grass, I’m asking you what’s going on! I didn’t ask you to admit your mistake! I need you to admit your mistake? If I really thought it was your fault, I would have killed you without you admitting your fault!’ Lin Hao was so angry that he cursed, ‘You’re so positive about admitting your fault! Now he wanted to clarify the causes and consequences of this matter!

If he was really targeted by such a strange and mysterious power, that would be a tricky thing!

Chen Haobei was embarrassed, so he had to tell Lin Hao the details of the causes and consequences of the matter. He had now learned that Lin Yan was one of the spokespersons of the Lord of Light and Shadow developed by the Angelic Church, and he began to investigate from this, didn’t he previously suspect those from the Angelic Church and the Western European Church of causing trouble?

After all, even the phallic shadows of the Sieneese had come down, so Chen Haobei also went to track them down, and the front went quite smoothly, but suddenly it became very unpleasant, and many messes and coincidences appeared very strangely, either by ordinary people who were mistaken or seized with them.

Either that or being pointed in the wrong direction and being interfered with in all sorts of ways. In a word that sums it up: that moment when you suddenly realise that it's as if the whole world is against you!

‘When did this start?’ Lin Hao frowned tightly, this was even less of a coincidence.

Chen Haobei looked at the time and smiled bitterly, ‘It started about half an hour ago, and hell, when I wanted to give up and was ready to come back, that feeling of the whole world being against me suddenly went away.’

‘Got it, go and rest, starting tomorrow, you only have one job, and that is to protect Sze!’ Lin Hao’s brows tightened and his face became even more gloomy.

Lin Hao had a hunch that this was more like a warning, who on earth was it?

The most crucial thing was how exactly did the other party do it? Chen Haobei was still a rank six Illusionary Spirit Master, it was not that easy to do something under the nose of a rank six Illusionary Spirit Master, especially now that there were almost no rank four Illusionary Spirit Masters, it was even more unlikely that someone would be able to calculate Chen Haobei.

Although everyone is afraid of the unknown, there is no one who is afraid.

But with Chen Haobei around, then there was nothing wrong with everything.

‘I understand.’ Chen Haobei hastily agreed, and he decided that even if he didn’t sleep, he would keep an eye on Lin Ruoshi every inch of the way to ensure that Lin Ruoshi was 100% safe, and to completely make sure that he stopped any danger before it appeared!

‘Oh no!’ Lin Hao’s face changed slightly and told Chen Haobei to stay at home to protect Lin Ruoshi, while he ran towards the garage and quickly drove to the neighborhood where Shen Xiyan was.

If such a situation had occurred, it was just that Lin Hao hadn’t seen Shen Xiyan, and Shen Xiyan wasn’t at home?

Lin Hao ran to Shen Xiyan’s company again, but found that it was also not there. With the evaporation of Shui Yunlong and other related personnel, the Tianlong Group’s branch in Jinling was now in a mess.

He had a headache, this mysterious unknown force might be targeting the people around him, and it might be the same group of people who destroyed Shui Yun Long and others and manipulated them behind the scenes!

Lin Hao had to drive to the ancient town street, to Lin Hao's dismay, Shen Xiyan was actually here, and then looking at Ling Yun, Lin Hao cursed, Mud, something had really happened.

Shen Xiyan was dressing Ling Yun's wounds. On Ling Yun's arms and bare legs, there were wounds, which should have been cut by glass, but fortunately it was not serious, Shen Xiyan was treating Ling Yun's wounds.

Lin Hao walked over quickly and asked anxiously, 'What's wrong? Is something wrong?'

'Lin Hao, you're here, I'm fine.' Ling Yun revealed a somewhat forced smile and shook her head to indicate that she was fine.

#### Chapter 2742

'You, you guys know each other?' Shen Xiyan was also incomparably surprised to see Lin Hao, and what she didn't expect was that Lin Hao and Ling Yun still knew each other.

Ling Yun said proudly, 'Of course I know you? Of course I know him. I even saved his life. By the way, do you know him too, Xiyan?'

Ling Yun was also very curious about this and wondered in her heart: could it be that Lin Hao and Shen Xiyan had already met before? Then why hadn't he awakened Shen Xiyan's memory yet?

‘Ah? He’s the man you said was over at the river bank, covered in blood and very, very miserable, huh? Did he hurt his brain?’ Shen Xiyan said cautiously, ‘He’s the man I was talking about, the one who might be a psychopath.’

Ling Yun cried and laughed after hearing this, it was really fate, she didn’t even know what to say, she had now recovered her memory, because it was her own soul that came down, Shen Xiyan instead was a Dharma body that came down, so maybe the situation was different.

So Ling Yun probably already understood what was going on, after Lin Hao saw himself, the first time he reacted, guessing that Shen Xiyan should have come down too, and as a result, he really came down, this guy had just been discharged from the hospital, he didn’t even have time to change his hospital gown before he went to find Shen Xiyan.

As a result, Shen Xi Yan did not remember Lin Hao and almost took him for a psychopath.

Lin Hao spoke helplessly, ‘Sister, I’m here, when you guys talk about me, can you turn your back on me?’

‘Yes, sorry ah, I didn’t mean it like that.’ Shen Xiyan’s pretty face was slightly drunk: ‘Listen to my sophistry, no, listen to my explanation .....

Lin Hao waved his hand, ‘It’s fine, I understand everything, but I still need to explain, I’m really not a psycho, didn’t Ling Yun save me before, that day I was aware of your news and ended up running out of the hospital without changing my clothes, unfortunately you don’t remember me and mistakenly thought I was mentally ill or crazy.’

‘I, should I remember you? How come I can’t quite understand what you’re saying, what the hell is going on?’ Shen Xiyan was a little confused by what she heard.

Ling Yun looked at the confused Shen Xiyan, and the tangled Lin Hao, Ling Yun sighed, she couldn’t pretend anymore on her own.

‘Xiyan, he’s actually your husband, and you have a daughter.’ Ling Yun spoke helplessly and bitterly got up and went into the inner room.

Ah?!

Lin Hao and Shen Xiyan were dumbfounded at the same time!

The most dumbfounding thing about Lin Hao was, what did Ling Yun mean by those words just now?

She, she actually knew everything?

Lin Hao was dumbfounded, so in that case, Ling Yun had actually recovered her memory! Lin Hao suddenly had a flash of light!

He recalled that when he took Ling Yun to the Remorseless Inn for dinner, the moment Ling Yun walked into the Remorseless Inn, something wasn't quite right with Ling Yun.

Especially when she ate the meal he had cooked, something had obviously changed, but it was well hidden by her, and at that time Lin Hao didn't think that a single meal would be able to awaken Ling Yun's memory, but now that he thought back, maybe at that time Ling Yun had actually regained her memory.

But she didn't tell herself, and in fact Lin Hao could understand, not really feeling that the other party had done anything wrong, but rather that he had always felt indebted to Ling Yun.

In addition to the dumbfounded Lin Hao, Shen Xiyan was also equally dumbfounded because she was confused by her best friend's remark, this, this guy was really her husband?

Why couldn't she remember anything about him?

'That, Lin Hao, she was just joking, don't take it seriously.' Shen Xiyan blushed, three parts shy, two parts embarrassed, and five parts incredulous.

'Xiyan, this kind of thing, who would just joke about it, it's not a joke, it's all true.' Lin Hao sighed and continued, 'I know you don't believe me, because you are now being arranged with a memory that is completely your own life, except for Ling Yun, I'm afraid that all the memories with me have been forgotten.'

‘You can take a look at these, and if you think it’s something I’ve forged, you can go to the relevant authorities and check it out.’ Lin Hao took out a pile of things from inside his consciousness space and placed it in front of Shen Xiyan’s face.

## Super Son-in-law Chapter 2743-2744

### Chapter 2743

This is exactly everything about Shen Xiyan, the little bits and pieces that they used to get along, it is full of photos of their family, and there is also the marriage certificate of Lin Hao and Shen Xiyan.

When Shen Xiyan saw the marriage certificate and the pile of photos, Shen Xiyan’s head buzzed, her intuition telling her that it was not fake, let alone forged. But she couldn’t believe it was real, because she didn’t have the slightest memory of anything related to the photos.

Shen Xiyan looked at the photos on this blankly, and soon she saw a photo of Lin Ruoshi at the age of four or five, and her whole body trembled: ‘She, she is .....

Shen Xiyan did not dare to say it out loud, but that incomparable familiar feeling made her head ache, she confirmed that she did not know the girl in the photo, but felt incomparable affection, wanting to care for her, to cherish her, just, as if she was caring for her own daughter to care.

But she clearly didn’t know the girl, and this feeling was so obvious.

‘She is your daughter, her name is Lin Ruoshi.’

Sure enough!

But why didn't she remember anything.

'Now she's grown up and is in secondary school, right here in Jinling.' Lin Hao hastily added, 'Don't you remember anything? This is what she looks like now.'

Lin Hao opened his phone album and showed Lin Ruoshi's photo to Shen Xiyan.

Shen Xiyan was even more dumbfounded and blurted out; 'How is this possible, Xiaoshi she is even in middle school and looks at least 13 or 14 years old, look how old I am ..... not even 30, how can my daughter be this old.'

Lin Hao grinned: 'Don't worry, you'll still be as young as you are now even if another fifty years pass without changing.'

What woman wouldn't like such words, youthfulness forever, almost every woman's dream.

But Shen Xiyan was happy, but she still couldn't believe it, it was too ridiculous, too outrageous.

‘I, I don’t know what to do, can you leave me alone?’ Shen Xiyan instinctively refused and ran away, these things were really too outrageous for her, things that turned her worldview upside down.

She had somehow found herself with a cheap husband and a 13 or 14 year old daughter, but she had no memory of him.

But there was another voice inside her that kept telling her that everything Lin Hao said was true, all of it was true, she was married, had a handsome husband and a very beautiful and outrageously cute daughter.

Shen Xiyan didn’t know what to do and fled. Lin Hao was afraid that something would happen to Shen Xiyan and hurriedly chased her out, only to see Ao Dog returning with an injured Ling Yun, as if Shen Xiyan happened to be on the wrong side of them.

Lin Hao was shocked when Ling Yun came back with Ao Dog covered in blood: ‘What’s wrong? Ao Dog, you’re fucking stupid, you helped her back like this, send her to the hospital!’

‘It’s alright, I asked Ao Dog to help me back, I wasn’t hurt that badly, most of this blood is from other people.’ Ling Yun shook her head, indicating that she didn’t serve Lu Pao Wu Jie’s matter.

Apparently Ling Yun had just confessed to Ao Dog.

Lin Hao checked and found that all of Ling Yun's injuries were indeed superficial, and her body was extremely capable of healing itself, and her wounds were actually recovering.

This should be due to the fact that Ling Yun was using her own flesh body, after all, before she was born, Ling Yun was also a sixth grade peak Illusionary Spirit Master, even though her strength was gone, the strength of her body was still there.

'Alright, then Ao Dog, you take care of Ling Yun, I'll go check on Xiyan, I'm afraid something will happen to her, and you protect Ling Yun, things aren't quite right today.' Lin Hao was even more worried about Shen Xiyan's situation, afraid that something might happen to her.

'Come back, you don't need to mind her, you leave her alone, it's not her turn to be unlucky.' Ao Dog hurriedly called out to Lin Hao and told him about his earlier discovery.

These days, Ao Dog had stayed here almost every inch of the way, so naturally he knew something about the situation, and he had just left for a moment before Lin Hao came over.

Lin Hao had started to have bad luck before Lin Yun came, which explained why Lin Hao had just arrived earlier and saw Shen Xiyan treating Lin Yun's wounds.

Chapter 2744

According to Ao dog's observation, Shen Xiyan is like a bad luck nemesis, Ling Yun stays within Shen Xiyan's visual range, nothing happens, as soon as she leaves Shen Xiyan's visual range, she immediately starts to have bad luck, all bad luck things can happen to her.

Just now, because Ling Yun let Lin Hao know that he had regained his memory, he felt a bit uncomfortable and went out through the back door, and also wanted to give the two of them some privacy, but as a result, he only went out for a while, and then he got into this state.

Although the damage is not fatal, but the pain is really painful, and incomparable wretchedness not to say, but also scared, the hell know where to start bad luck.

It's the suspicion and fear that's the scariest part.

After all, you don't know if the wall will suddenly collapse and bury you, if a knife-wielding man will suddenly come out when you turn a corner, or if a poisonous snake will leap out from a dark corner or something.

Lin Hao was shocked to hear that Shen Xiyan still had this function?

Lin Hao was also very surprised, apart from him and Shen Xiyan, how come this guy was not in trouble too?

Could it be that this guy's passive talent could even ignore him automatically with his bad luck? If that was the case, then it would be against the odds hehe.

Lin Hao stayed behind, checked on Ling Yun's condition and chatted with him for a while before leaving, while asking Ao Dog to stay behind and keep an eye on Ling Yun so that he didn't get hurt.

Because right now Lin Hao wasn't sure exactly what the situation was, but it definitely had something to do with the Shui family, and at the moment, they were having bad luck one after another and coming across bizarre things, which always felt like a warning to him.

The problem was that Lin Hao couldn't figure out what kind of power it was that made things so bizarre.

What was even more strange to Lin Hao was that their side was unlucky as hell, but Chen Tianyue and Mo Tianji and their siege of the Shui family group had suddenly become surprisingly smooth, although the Shui family group's overseas markets and companies were quickly taken out, but within China, the Tianlong group was almost in the process of destroying and collapsing.

The Shui family seems to have anticipated this situation in advance, and quickly took out the overseas companies and markets, hard to do to stop the loss, but this amazing battle, is also the Shui family group lost more than a trillion as well as all of the Chinese market, this loss of market ongoing loss is the most horrible.

They had already prepared for a long-term battle and were ready to fight the Shui family to the end, after all, with China behind them, they did not panic at all.

But now with such a mess, the situation was all messed up.

And they also found that when they turned their intentions to attack the Shui family's overseas group, they were repeatedly thwarted, with resistance coming from all directions, seemingly as if they thought, but coincidentally, that they could never let go and launch an offensive.

When Lin Hao learned of this, he told Chen Tianyue to stop, and Chen Tianyue left China, and Mo Tianji and the others cooperated with the above and began to eliminate the effects caused by this great war and stabilise the market as much as possible.

Lin Hao decided that this matter was inseparable from the Shui family, and the bizarre encounter with his own sidekick, as well as the Shui family's sudden and brave act, made Lin Hao feel even more that this Shui family was not simple.

Lin Hao drove to the Qinhuai River beach, wondering what to start with, now that the Shui family had fully withdrawn from China, should he go abroad to catch them?

With Lin Hao's skills, this is not a difficult task, but the mysterious power of secret manipulation is what scares Lin Hao, and he even wonders if this power has any connection with those two clerics.

Could this be their handiwork? Finding out that they had made a move, they had deliberately made a threatening warning to those around them?

‘It is strange to know the fate of God and do your best. .... It is strange.’

Suddenly, a vicissitudes and mysterious voice came slowly, Lin Hao was greatly alarmed and narrowed his eyes to stare warily at the river bank in front of him.

He just drove to this river bank? The river bank was a very important part of his life. When he drove to the river bank, he clearly remembered that there was no one on the river bank at all!

But now there was an old man with gnarled muscles sitting over the river bank, just ten metres or so in front of him, wearing the ancient coat of a fortune-teller, his long snow-white hair draped behind him, sitting on a small bench, a large, heavy iron block in front of him, with two ram's head hammers on it.

## Super Son-in-law Chapter 2745-2746

### Chapter 2745

These two hammers were one big and one small, dark and thick in colour, and he was just mumbling to himself, not looking at Lin Hao either.

But this man was very strange, obviously an old man of hundreds, but for some reason his skin was tight and full of healthy wheat, not even a hint of what an old man should look like, no wrinkles at all, and muscles so strong that they were a bit more robust than some young men.

The most bizarre thing was that Lin Hao's realm, however low, was far beyond that of ordinary people, but he couldn't even notice when the other man had arrived, and what was even more bizarre was that the more carefully he stared at this man, the more hazy and blurred he felt.

This man could never appear here for no reason, and even Lin Hao suspected that this guy might be the one who made them unlucky!

Knowing God's fate and doing his duty?

A light flashed in Lin Hao's mind, he seemed to remember that before he died, Shui Yunlong was still proud of the fact that the person behind their Shui family was able to reverse fate or something with his own power.

Fate, was it fate? Fate?

Indeed, if one could change one's fate, one's qi, one's destiny would be completely changed, something so esoteric could be changed, then it didn't seem too difficult to make one unknowingly, insanely unlucky!

Lin Hao stared at the alert, mobilising the only aura in his body as he slowly got out of the car, he no longer had the power to use the Heavenly Sin Sword now, but his fighting ability was still there.

What kind of existence was the other party, he had to be careful!

Lin Hao stared at the other party warily, slowly taking one step closer, and as he got closer, Lin Hao had an even stranger feeling.

This person's aura was ethereal, instead it felt more like an immortal.

Damn, how Lin Hao looked at him was just an ordinary person, without any cultivator appearance, but it was strange in an ordinary way.

'You have a guest, come and sit down, don't be polite.' The burly old man didn't look up at Lin Hao either, raising his hand for Lin Hao to sit opposite, while a stone slowly rose above the sand dune opposite him, obviously prepared as for Lin Hao.

Lin Hao's pupils suddenly shrank, Ma De, this old man is really not an ordinary person, just this hand alone is enough to shock many people, but when these weird situations appeared just now, he did not feel any aura fluctuation in the other party, this is very ghostly.

Although the other party was strange, Lin Hao was not necessarily afraid of him, he had never seen anything before.

Lin Hao sat down on the stone opposite this old man: 'What's the name of the old man?'

'Old what family? Old my ass, your whole family is old! My old man Wang Sledgehammer will always be eighteen!'

Who knew that Lin Hao's words would directly anger the person, and Wang Sledgehammer glared angrily at Lin Hao, while his mouth was cursing and disliking Lin Hao.

The corners of Lin Hao's mouth twitched, he was really a strange person, but at the same time, he could also feel that this person did not have any malice towards him, so he was relieved in his heart.

'Then what is Old Brother Wang doing here?' Lin Hao grinned and climbed up the pole, didn't you say you were eighteen years old? Then isn't that little old brother.

This time it was Wang Da Hammer's turn to cry and laugh: 'You little bastard really know how to climb up the pole, I said I'm always eighteen, and you call me little brother? I've been waiting half a day for your business, so hurry up and choose one.'

Business?

Choose what? A hammer?

'Pick the hammer.' Lin Hao looked at the other party in bewilderment? 遮愛愛  
依扒侍珊遮?

'Yes, I'll let you choose a hammer!' Wang Sledgehammer nodded his head.

‘I’ll pick a hammer!’ Lin Hao was happy, how did that sound like a curse, haha.

‘Grrrrr! I’ll tell you to choose between these two hammers, each at a different price, big hammer or small hammer! I didn’t travel a long way to get here to bullshit with you!’ Wang Sledgehammer raised his hammer and was about to hit Lin Hao with a headbutt.

Lin Hao saw that the old man was quite amusing and wanted to tease him, so when he saw that the other party was angry, he restrained his expression: ‘Fine, let me choose, but first tell me, what is the price of the big hammer and the small hammer?’

Chapter 2746

‘Eighty for the sledgehammer and forty for the small hammer.’

‘Only that much? Fine, I’ll take both the big and small hammers.’ Lin Hao bristled, thinking to himself that this old man was also weird, going to all this trouble for this hundred or eighty dollars?

‘Alright, boss atmosphere, now it’s on haha.’ When Wang Sledgehammer heard Lin Hao’s choice, his eyes glowed with excitement, and he immediately rolled up his sleeves, revealing his arm full of muscles to hold the sledgehammer.

‘Hey, come on! Eighty! Eighty! Forty! One hammer! Boss, it’s done!’ Wang Sledgehammer waved his hammer and shouted his horn, viciously pounding the large iron block placed in front of him, but the key was that he was hammering this large iron block so hard that it didn’t make a single sound.

But to Lin Hao's astonishment, the surface of this iron block was so hammered that it produced a ripple, the hard iron block seemed to be like a lake ripple surging, very obvious, Lin Hao's heart was astonished, the old man is really not simple ah.

'It's done boss, oblige two million, thank you boss.' Wang Sledgehammer's big burly face was filled with a treacherous businessman's charming smile.

'Holy shit .....' Lin Hao's face was blackened, you damn robbery, so you're not talking about eighty dollars, it's eight hundred thousand ah!

The good thing is that just now the vision Lin Hao also saw, two million is not much, he would like to see, this old thing is trying to do what the hell.

'Yes, is it a direct transfer or cash, or should I give you a cheque?' Lin Hao was also dry, two million was ridiculously much for others, but for him, it wasn't much.

'You know about the Heavenly Fate Credit Blade Man, right?'

Lin Hao nodded, he naturally knew this, but he had never seen it before, and it was mostly folklore, who knew if it was true or not.

Could this guy be the man with the sword on credit? But he was playing with a hammer.

‘Good to know, my rules are similar to theirs, I will naturally come to collect when the time comes, I don’t need you to pay now, and at the same time you can’t renege on your debt, otherwise the consequences will be too much even for you, the Man of Heaven’s Destiny, to carry!’ Wang Sledgehammer finished and smiled smugly, ‘To say the least we are destined to be together, you are a man of heavenly destiny, I boast of my heavenly destiny divine calculation, destiny na.’

Lin Hao had already narrowed his eyes, dodging and bursting back to prepare for battle, his own guess was correct, this old thing knew a lot, but he didn’t understand, there were still such bizarre and capable people in this world, why would Chen Bei Xuan leave him out?

What did he know? What did he know? It is not that Chen Beixuan intentionally left out, but Chen Beixuan is unable to do anything about this kind of people.

‘The actual fact is that you’ll be able to get a lot more than just a few of these. I’ve told him a trigram, and speaking of which, he hasn’t paid me for his trigram yet.’ Wang Sledgehammer glared at Lin Hao with contempt, obviously thinking that this brat was making a bit too much fuss, besides, was Laozi that intimidating?

Chen Beixuan?

That guy still believes in this stuff?

‘Okay, don’t waste time, I’ve just finished reading the trigrams, so hurry up and ask whatever you want to ask, you can only ask three questions, think about it yourself, I’ll tell

you everything I can and show you a clear path.’ Wang Sledgehammer looked at the time, his face was obviously a little impatient, and every now and then he looked up at the sky as if he was afraid of something falling from the sky.

Lin Hao didn’t know if what the other party said was true or not, but there was no harm in trying: ‘What is the reason for the people around me to have bad luck one after another?’

‘Well, this is the first question. They did not arrive in person, their fortunes are not hard enough, their fortunes are even more dazzling, their fortunes have been forcibly tweaked, which is equivalent to a reversal of qi, but it is not serious, this should be someone trying to warn you not to meddle.’ Wang Sledgehammer immediately replied, as if he had known that Lin Hao would ask this question and had prepared an answer long ago.

Lin Hao’s eyelids jumped wildly for a moment, was that really the case?

‘Your wife, the main killer, has a hard life, the person behind her cannot affect her, and will even be restrained to the point that, as for you, you have an even harder life.’ Wang Sledgehammer even brought an expanded answer to the question?

By this moment, Lin Hao had completely believed him.

## **Super Son-in-law Chapter 2747-2748**

### Chapter 2747

Because Lin Hao was basically sure of two possibilities, the first one, this guy did count it out and was really skilled in this area, as for the second possibility, it was much simpler, that it was possible that behind all this, it was Wang Sledgehammer who was operating!

‘The second question, those people behind the scenes, who are they really? Able to change fate against the odds?’

‘That counts as two questions for you, I can’t tell you about these people behind the scenes, it falls under the category of what I can’t say, and they’re a group of people, not just one person! And to answer your last question, they can indeed fiddle with people’s fortunes and change their fate to a certain extent.’

‘Mud, you kid are doing your best to delay my efforts, I’m going to be caught up.’ Suddenly Wang Sledgehammer glanced at the sky and cursed and said to Lin Hao, ‘You can think of your own way to start in this area, this hint is attached, no money is charged.’

Lin Hao couldn’t figure out why this old guy was suddenly cursing, he hadn’t provoked him either.

‘Crap, look at .....’ Wang Sledgehammer pointed angrily at the dome of the sky that had somehow gone black.

Lin Hao subconsciously raised his head, only to see dark clouds rolling overhead, a thick thunderbolt flashing and shimmering, a destructive aura surging, as if something was brewing.

Ka-ching!

Two silver thunderstorms flashed, and a silver heavenly blade fell from the dark clouds with a raging aura, the whole earth instantly lit up like daylight, the heavenly blade fell down violently carrying a terrifying might, the attack seemed to be in the exact location of Lin Hao.

Lin Hao couldn't figure out what was going on, but? zero shade dye zero intention to serve serve love? It didn't delay him from running, so Lin Hao couldn't care less and spread his legs and ran, that was swift and fierce.

The company's main business is to provide a wide range of products and services to the market.

Lin Hao cursed and continued to run wildly. He had heard that those who leaked the open air would be condemned by the heavens, and Lin Hao even suspected that it was this bastard Wang Da Hammer who was condemned by the heavens, but now he had set himself up to protect him from the robbery.

Boom!

Lin Hao ran away for more than a hundred metres before a terrifying explosion rang out behind him, a violent wave of energy and electricity lifted Lin Hao off his feet, and the river bank within a hundred metres was directly blasted into an appalling crater, with the water of the Qin Huai River rapidly pouring in.

The blow fell short, the dark clouds and thunder quietly dissipated as if they had consciousness.

And as Lin Hao passed out, he had a creepy and frightening feeling. I don't know why, but he seemed to feel several pairs of cold and indifferent eyes staring at him from within that dark cloud, without the slightest emotion.

There was an explosion here, the noise was not small, Chen Haobei was the first to feel the terrifying energy, other people could not see the falling heavenly sword, but he saw it.

Chen Haobei had to set up a formation to protect Lin Ruoshi's room and came as a stream of light. He didn't dare to stay too long, he just planned to come and take a look and go back to protect Lin Ruoshi as soon as he knew the situation.

He didn't know what Lin Hao was doing again, but he was making such a terrible noise, and the thunder was so powerful that he could hardly catch it.

The commotion here also drew the attention of many people who were leaning over to find out what was going on.

Chen Haobei checked and found that Lin Hao was fine, so he hurriedly sent a stream of spiritual qi to Lin Hao to protect his shaken and displaced meridians, picked him up and dashed back to the Lin family.

In less than half an hour after Chen Haobei had forcibly channeled his aura, Lin Hao woke up again, his body throbbing with pain, even with electricity surging through it. Lin Hao spat out a mouthful of black smoke and cursed, 'This old man, he's screwing me!'

‘Are you alright, family head? What just happened, why did you make such a big noise, it scared me.’ Chen Haobei heard supporting Lin Hao and handed him a cup of boiled water.

Listening to Chen Haobei, he had not been unconscious for long, and although his body was in severe pain, there were no fatal injuries, so it seemed that the thing was not aimed at him, he was really dragged down by that Wang Sledgehammer.

Chapter 2748

In any case, Wang Da Hammer did give Lin Hao the direction to go, and that was fortune tellers!

The people behind this are probably a group of fortune-tellers who are manipulating all this, and they are manipulating people’s fortunes to achieve their goals, but these people are not easy to find.

Those who are really good at it are either the ones who can’t be seen, or the ones who are hidden in the city.

It’s a big headache! Vermilion Bird received Lin Hao’s order. Immediately, he changed his strategy, and the Dragon Gate of Jinling, which had been idle, together with the 100-strong team of the Vermilion Bird Group, immediately launched a huge inventory of all of Jinling.

First of all, investigations began against the Shui Family Group, as well as the fortune tellers throughout Jinling, all of whom began to be secretly targeted.

At the same time, the relevant departments also began to register and investigate these people. No fortune-teller was able to escape and all were recorded, but of course, some that had been hiding were difficult to find.

After all, the real high achievers are either invisible or hidden in the city, and occasionally reveal their skills to amaze the public.

But for now, at least there is a goal and a direction to follow, so that we are not as blind as before.

Meanwhile, in a rented room in Jinling, Shui Wu Chang, who was once the head of the South China region of the Tian Long Group, was staying here, talking directly and secretly with the head of the Shui family abroad.

‘Do everything as Master Dao has instructed, go and prepare, although the whole of China, my Shui family group and clan have almost been cleansed, but we have broken our arms in time to survive, we still have a chance, a Master Dao will go forward to assist you next.’ Shui Chengfeng contacted Shui Wu Chang through an encrypted satellite communication.

The Shui family had sensed the problem and immediately chose to break their arms to survive, while hiding the main core members, and those who were exterminated were merely insignificant figures of the Shui family, including Shui Yunlong.

‘Patriarch, I understand, Master Dao has arrived, but I have not seen Master Dao’s face.’ Shui Wu Chang was also a little helpless, those guys, whose movements were erratic and ghostly, but who were able to know everything like the back of their hand, were revered by the Shui family like gods.

‘Oh, is Master Dao’s whereabouts something you can’t figure out? Do as Master Dao says, and remember, apart from the two of them, Lin Hao and Shen Xiyang, everyone else can be attacked, and when necessary, extraordinary methods can be used.’ After saying this, Shui Chengfeng made a neck-wiping motion, the meaning couldn’t be more obvious.

‘Understood.’

The two sides cut off communication, and Shui Wu Chang quickly went to make arrangements.

Er Er Ai Wu Yi Lu Serves Yi? .....

‘Dad, look, the sun’s actually not even up yet, and I’m not hungry at all.’ Lin Ruoshi smilingly sat by Lin Hao’s bed looking at Lin Hao.

Then just as she finished speaking, Lin Ruoshi’s stomach began to grumble in cooperation.

Lin Hao looked at Lin Ruoshi speechlessly, the little girl was starting to say the opposite, all the opposite.

I don't know if it was because he was struck by lightning yesterday, or if his realm had fallen too low, his mental state was becoming more and more normal, before he didn't sleep for weeks, not to mention a few hours, he wasn't even sleepy.

Lin Hao could not afford to stay in bed, so he got up and made breakfast and went to school with Lin Ruoshi, one to work and the other to school. The other one had to go to work and the other one had to go to school. Chen Haobei also followed the whole journey, and Lin Hao even went out of his way to let Chen Haobei stay at the school and keep an eye on Lin Ruoshi at all times.

Naturally, Chen Haobei does not refuse, fearing that Lin Ruoshi will have the same bad luck as yesterday.

But strangely enough, everything seemed to be normal today, and he did not encounter any unlucky situations, and arrived at school without any problems.

Chen Haobei followed Lin Ruoshi to class, and Chen Haobei stayed outside the corridor.

The students in the class were quite strange, what was going on? Why did Lin Ruoshi even bring a bodyguard to school today?

'Xiao shi, why did you bring a bodyguard to school? It's too ostentatious, isn't it?' Yun Qingya curiously came over to Lin Ruoshi and whispered in her ear.

Lin Ruoshi shook her head helplessly, 'I don't know, it's my dad's arrangement anyway.'

Lin Ruoshi felt much more at ease with Chen Haobei here, after all, she had been scared enough yesterday.

## Super Son-in-law Chapter 2749-2750

### Chapter 2749

'Sze, can I go to your house after school today? I haven't been to your house yet?' Yun Qingya cautiously asked Lin Ruo Shi, actually going to be a guest was a lie, she wanted to go to rub a meal, since she had eaten the meal Lin Hao cooked, she found that eating anything was unpleasant, it tasted like chewing wax, it was difficult to swallow.

When Lin Ruoshi heard that a friend was coming over to play, she was so happy that she agreed to it.

On the other hand, when Lin Hao arrived at the office, he was dumbfounded, what was going on?

The male teachers in the whole office, all intentionally or unintentionally looked towards Qin Yan's side, but to Lin Hao's surprise, he did not see Lin Yan, could it be that Lin Yan's identity was exposed and was also given away?

As for Lin Hao, he was no exception, staring blankly at Qin Yan.

Qin Yan was outstanding in appearance and was definitely number one among the female teachers in this school, Lin Yan was known for her sexy beauty.

But she, who had always wrapped herself up tightly and was noble and cold, surprisingly changed her style today and was even a few points sexier than Lin Yan.

A short black wrap-around skirt, with Parisian house, showed off a pair of beautiful legs to the fullest, her hands were as slender as green onions and jade roots, her two peaks were half covered and half exposed, she was painted with delicate make-up, her long wavy hair was draped behind her back, her charming eyes were like silk as she looked into the mirror, revealing a seductive smile, seemingly incomparably satisfied with her make-up.

Qin Yan seemed to sense that Lin Hao was looking at her, Qin Yan slowly raised her head, her big watery eyes gazing deeply at Lin Hao, and then threw Lin Hao a power-packed winks.

‘Ehhhh.’ Lin Hao was frightened and shivered, he had seen a ghost today, what the hell was Qin Yan’s situation.

‘Hao Hao, I’m looking for you for something, come with me for a moment.’ Qin Yan got up and slowly walked towards Lin Hao, like a model walking catwalk, slowly walking towards Lin Hao, her voice soft and charming to attract people’s imagination.

All the male teachers in the office,? The company's main business is to provide a wide range of services to the public. All of them cast hateful glances at Lin Hao, among them Xu Sheng's eyes were even more stern, he wanted to eat Lin Hao alive.

He is Qin Yan's most loyal and ardent suitor, originally this morning Qin Yan's great change of life, and also smiled at him, when Xu Sheng thought that spring had come, but then Xu Sheng sadly discovered that it seems Qin Yan treats every male teacher the same, even those Mediterranean married men, also the same attitude.

Xu Sheng felt that life was dark, ah, damn, the high-cold goddess would not turn into a sultry bitch like Lin Yan, right?

'Yes, is there something you can't just say here?' Lin Hao swallowed hard, something wasn't right, this Qin Yan was definitely not right, he was also panicking inside ah, it felt like something was going to happen ah.

'This is a private matter, let's go talk about it in private, let's go.' Qin Yan walked over, gently and flirtatiously took Lin Hao's hand, and took advantage of Lin Hao's inattention, and directly clasped her fingers with Lin Hao, Lin Hao's whole body froze.

Lin Hao subconsciously tried to break free, dammit, what the hell was this Qin Yan trying to do?

Unfortunately, when Lin Hao tried to break free, Qin Yan ended up grabbing Lin Hao's hand tightly, and because of the force of Lin Hao's breakaway, she was pulled into Lin Hao's arms in the process.

Lin Hao didn't want to, but he was afraid that the other party would fall, so he subconsciously stopped Qin Yan, but she fell into Lin Hao's arms and leaned softly against him, and a unique virgin aroma from Qin Yan's body entered Lin Hao's nose.

The actual fact is that you can't be a good deal more than a few of these.

'Lin Hao you ..... you big liar!' A familiar chirping voice rang out.

Lin Hao's face turned green, damn you, don't play like this! Not even a dog's blood idol drama would dare to act like this!

Lin Hao was so furious that he hurriedly broke free from Qin Yan and pushed her away. Qin Yan fell to the ground with an ouch, and her pitiful appearance immediately aroused the anger of the male teachers in the office, all of whom glared at Lin Hao in anger, while Xu Sheng hurriedly ran over to help Qin Yan.

Lin Hao did not bother to pay attention to these two idiots, and awkwardly turned his head to look at Shen Xiyan who was glaring at him with a face full of anger at the door, 'Xiyan, it's not what you see, it's a misunderstanding .....

Chapter 2750

Only at this time did everyone realize that there was also a big beauty standing at the door, both in temperament and appearance were not inferior to Qin Yan, and the unique aura on Shen Xiyan

made it difficult for people to move their eyes away with just one look, even Xu Sheng was considering, how about ..... changing to a goddess to chase after?

‘Misunderstanding you the hell! My eyes are not blind!’ Shen Xiyang left in anger, at this time Shen Xiyang was so angry that he stomped his feet, since? The first thing I did was to get a good idea of what I was doing. What drug did she take to believe this liar?

The actual fact is that you will be able to get a good deal more than just a few of these.

Since Shen Xiyang heard what Ling Yun told her with Lin Hao, she was convinced even though she didn’t have any memories of Lin Hao, because whether it was Lin Hao or seeing Lin Ruoshi’s picture, she inexplicably felt a surge of affection.

And whenever she dreamed at midnight, she often dreamed of some strange dreams, and they were all situations related to Lin Hao or to Lin Ruoshi.

Shen Xiyang couldn’t stand this torture anymore, but she also thought that Lin Hao was quite handsome, so she wouldn’t lose out if she had such a husband.

Therefore, Shen Xiyang decided to come to the school today to see her daughter. When she learnt that Lin Hao was also working at the school, Shen Xiyang planned to come and say hello to Lin Hao before going to see Lin Ruoshi, but who knew that she would see this scene when she arrived at the office.

Shen Xiyan's heart was broken. She had just planned to accept Lin Hao and try to find her lost memories, but she had inadvertently found out Lin Hao's true face!

Lin Hao was having a hard time saying it, glaring at Qin Yan, if it wasn't for this woman with a pit in her head, how could she have encountered this situation today when she was suddenly nervous.

'Lin Hao, seeing that you are quite handsome and decent, I didn't expect you to be this kind of person! A morally corrupt, beastly brute like you doesn't deserve to be a teacher! You have a woman of your own, why do you still want to provoke Teacher Qin?'

'That's right, morally corrupt, svelte scum, not worthy of being a teacher, let's go find the headmaster!'

'Lin Hao, you bastard, bullying my goddess, I'm not finished with you!' Xu Sheng even raised his chair and came over to fight with Lin Hao, but was directly stopped by Qin Yan.

Qin Yan glared angrily at the male teachers, 'This is between me and Hao Hao, what does it have to do with you, stop right there! Otherwise I will not be polite to you!'

Those male teachers were dumbfounded, their hearts were cursing, damn it, this son of a bitch had shown everyone by his own actions that being handsome meant that he could do whatever he wanted!

‘Hao Hao, don’t worry, I’ll go with you to explain to that sister, don’t worry, I’ll always be there, I’ll only feel sorry for Hao Hao, I’ll never give you any trouble, I’ll come to you whenever you need me.’ Qin Yan looked at Lin Hao again in a pitiful, charming, soft sobbing voice.

Rub .....

Lin Hao immediately felt ten thousand grass mud horse divine beasts running wildly across the grassland.

‘Roll! Why do I feel that you’re even more tea than Lin Yan.’ Lin Hao turned away with a black face, he instinctively felt that today’s Qin Yan was not right, and there was a strange aura about Qin Yan, but Lin Hao now which has this effort to care about her ah.

He had to hurry and find Shen Xiyan to explain!

‘Hao Hao, don’t go, don’t leave me alone, I’m scared .....

‘Aiya my dripping mother.’ Lin Hao left still able to hear behind him Qin Yan that thick reluctance, bleak and mournful shout, messed up Lin Hao body goose bumps are up, not stay, but subconsciously speed up the gait. The first time Shen Xiyan arrived outside Lin Ruoshi’s classroom corridor, Chen Haobei spotted Shen Xiyan, Chen Haobei instantly lit up and walked over with a face full of excitement, ‘Xiyan, you came to see Xiaoshi, right?’

Shen Xiyan was in a very bad mood, but when she heard Chen Haobei call out her name straight away and knew that she was here to see her daughter, she couldn't help but freeze.
