## Chapter 2751

But soon Shen Xiyan was relieved, it seemed that she had really lost a piece of her memory, she just couldn't remember it at all, this was obviously an acquaintance too.

'Hello, I'm here to see Xiao Shi, but sorry ah, I don't remember anything, your name?' Shen Xiyan looked at the other party awkwardly.

Chen Haobei, however, was so excited that he almost didn't jump up, holy shit, the goddess was talking to him, and in such a soft voice, oh my god, the whole person was light and airy, it felt like he was going to be able to go to heaven!

'My name is Chen Haobei, you can call me Xiao Bei, I'm your best friend.' Chen Haobei spoke excitedly, he wanted to say something more outrageous, but he was also afraid that Lin Hao would kill himself if he got excited.

And what he was most afraid of was that if one day Shen Xiyan's true self descended and her memory returned and she found out how outrageously she had lied to her, she would hate him for the rest of her life even if she didn't hammer him to death.

Plus, Chen Haobei was already putting himself in the right position now, he was just a small fan of the goddess, and it would be very nice to be her friend.

‘Really? Hello Xiao Bei.’ Shen Xiyang came back to her senses and shook hands with Chen Haobei. Just then, Shen Xiyang heard the sound of footsteps, and Shen Xiyang unexpectedly pulled Chen Haobei’s hand by a ghost, which made her look back, only to find that it was really Lin Hao coming over.

Chen Haobei was suddenly taken by the goddess to take the initiative to pull his hand, Xing? The actual fact is that you will be able to get a lot more than just a few of these. The next moment, he almost pissed himself.

The reason is that Chen Haobei saw that Lin Hao’s face was green and he had a grim look on his face and he wanted to eat himself alive.

He didn’t know what was going on, so he wanted to get rid of Shen Xiyang’s hand.

Lin Hao spoke in a gloomy voice: ‘Chen Haobei, what are you doing? I asked you to protect Xiao Shi, not to pick up my daughter-in-law!’

‘What are you being mean about? You said I’m your daughter-in-law I’m your daughter-in-law, don’t lie to me, you scum, my husband must be the right one, I’ve remembered.’ Shen Xiyang said to Lin Hao in three parts angry and seven parts gambling.

What the hell?

Lin Hao was dumbfounded, did Shen Xiyang have a memory error?

Qin Yan's sudden demonic act was seen by Shen Xiyuan, who was then directly confused by her anger, and then her memory was confused by her anger, and then she mistook Chen Haobei for her husband?

This is even worse than an idol drama, the drama wouldn't even dare to act like this!

The good news is that Lin Hao was quick to react, and seeing the lingering anger on Shen Xiyuan's face, he had already guessed that Shen Xiyuan should still be angry in her heart and had deliberately said this to anger himself.

The more the other party is willing to be so angry with himself, the more it proves that the other party still cares about him, so it's not like he doesn't have a chance, besides, that thing before was a misunderstanding.

'Hurry up and get lost, this is none of your business.' Lin Hao glared at Chen Haobei.

The corners of Chen Haobei's mouth twitched as he awkwardly forced off Shen Xiyuan's hand and hurriedly slipped away.

'Xiao Bei, don't you go ..... you, can you be a man .....' Shen Xiyuan saw Chen Haobei leave without hesitation and was so angry that Shen Xiyuan stomped her feet.

The first time I heard Shen Xiyan say he was not a man, Chen Haobei wanted to cry, he really wanted to stop and walk back to Shen Xiyan's side, but thought better of it, the hell knows what this two mouths are up to, slipped slipped away.

Seeing Chen Haobei leave, Shen Xiyan was so angry that she stomped her feet and turned around to walk away. If you don't let go, I'll sue you for molestation, I have a husband!

Lin Hao laughed: 'It's useless to sue me for molestation, no one else will care about you if you go to the police, we are a legal couple, protected by the law.'

'You ..... you nonsense, that is all a lie to me!' Shen Xiyan bristled aggressively, 'You just took advantage of my loss of memory, do not remember, deliberately lie to me!'

'Xiyan!' Lin Hao put his hands on Shen Xiyan's shoulders and forcibly twisted Shen Xiyan's body over, making Shen Xiyan look into his eyes.

## Chapter 2752

'F\*ck, what for .....' Shen Xiyan met Lin Hao's eyes that were gazing deeply into his heart, a sincere look that made Shen Xiyan's delicate body tremble, and in that moment, as if she had been struck by lightning, she didn't dare to look directly at Lin Hao again at all, and hurriedly looked away from him.

'Look into my eyes!'

Shen Xiyan hurriedly shook her head, the once domineering female president, Shen Xiyan, was now like a scared little rabbit, panicking.

‘You’re really a silly daughter-in-law.’ Lin Hao laughed bitterly and let go of Shen Xiyan, ‘I really have nothing with Qin Yan, and she wasn’t like this before, she’s much more high strung than you, I’ve been here for so long, I’ve never said a few words to her in total, I even suspected that she liked men before.’

‘If you don’t believe me, just ask anyone and you’ll know what kind of person Qin Yan is, I don’t know what kind of madness she has today, she’s suddenly like this, besides, my daughter-in-law is much prettier than her, how blind am I to mess with her?’

Shen Xiyan was stunned and lifted her head to look at Lin Hao with a burning gaze, ‘Really? You think I’m prettier than her? Are you telling the truth? Don’t you think she’s sexier than me .....’

Lin Hao was crying and laughing, this? Wu Zha Di Yi Er Lu Yi Pao? Is that the point?

Come on, even the most beautiful women are the same, all changes are not the same ah.

‘My daughter-in-law is the most beautiful, what’s wrong with sexy? If my daughter-in-law wears sexy clothes, what’s the matter with her? Alright stop fooling around daughter-in-law.’ Lin Hao smilingly embraced Shen Xiyan into his arms.

Although Shen Xiyan resisted a little, the moment he entered his arms, Shen Xiyan gave up his resistance, the warm and strong embrace, that incomparable familiar feeling rushed to his heart.

Shen Xiyan no longer resisted, instead her heart was warm and happy.

She basically believed Lin Hao's words, a strong woman in the workplace, but at this moment she felt incomparably happy, this is what it feels like to be protected and cared for.

This scene, however, made many people look at it.

Xu Sheng's gaze was hateful and cold as he looked at the two embracing each other, filled with anger: why, why should he, Lin Hao, who was just a little bit handsome, be able to get all the beauties' favor! He didn't even mind him dabbling in flowers everywhere!

'Why! Lin Yan messed with him, even the high-cold goddess Qin Yan messed with him, and now he was blatantly leaving Qin Yan behind and going to make out with another woman, and the goddess wasn't even angry, how could she not be angry!' Xu Sheng was roaring inwardly, like a wolf roaring in the sky.

Qin Yan in the distance saw this scene, a strange light flashed in her eyes, her expression suddenly looked a little dull and wooden, then started to become a little struggling, eventually the struggle faded away and Qin Yan quietly disappeared into the corner.

There was another school building, outside the corridor of class 7, Lin Yan, who also saw this scene, felt very uncomfortable in her heart, and was even more aggressive: 'No wonder he ignored me, so he has such a beautiful girlfriend, huh, so what? I don't believe there's a cat under the sky that doesn't steal fishy things!'

Although she had already been warned by the Light and Shadow Society to avoid Lin Hao for the time being, this was also the reason why Lin Hao had just gone to the office but did not see Lin Yan, who was intentionally avoiding Lin Hao.

But now this scene has made Lin Yan very upset, probably because it has completely stimulated the woman's good sense.

Lin Hao didn't know that secretly so many other things were changing at this moment, but even if he did it didn't matter, it wasn't like it had anything to do with him.

'Alright, let go of me.' Shen Xi Yan's face was blushing, this was a school, letting the students see it was going to teach children badly.

Lin Hao complied and let go of Shen Xi Yan and gently smoothed her hair, causing Shen Xi Yan to be even more at a loss, like an innocent little girl.

Lin Hao almost couldn't hold back his laughter, he was already an old married couple, but it was rare to see his daughter-in-law look so embarrassed and shy.

‘Are you here to see Xiao Shi? I’ll go and call Xiao Shi out, how about we go for a walk together as a family of three?’ Lin Hao knew that Shen Xi Yan should have come to see Xiao Shi, but she had come to find herself first, but had seen a scene that she shouldn’t have seen.

## Super Son-in-law Chapter 2753-2754

### Chapter 2753

‘Who said we’re a family of three, I haven’t admitted it.’ Shen Xiyan pouted and denied it.

Looking at Shen Xiyan’s appearance, Lin Hao naturally knew that the other party was a dead duck, Lin Hao did not poke at it? Serve Yi Yi Lu Shan Ai Wu Er? The company’s main goal was to get the best out of the company.

As soon as Lin Hao walked into the classroom, all the students who were reading in the morning stopped, and many of them even greeted Lin Hao: ‘Hello, Teacher Lin.’

‘Hello students, nothing much, you continue your morning reading, Xiao Shi you come out for a moment, Xiao Ya you will help Xiao Shi to ask for a leave later.’ Lin Hao waved at Lin Ruoshi.

Lin Ruoshi was a little puzzled, but left her seat.

‘What’s wrong dad? Is there something wrong?’ Lin Ruoshi was puzzled and pulled Lin Hao’s hand out of the classroom.

Lin Hao didn't say anything and pointed towards the corridor.

Lin Ruo Shi looked up at the corridor in wonder, but just a glance made Lin Ruo Shi instantly petrified on the spot, then let go of Lin Hao's hand, like a swallow returning to its nest, quickly ran all the way towards Shen Xiyan, and instantly jumped into Shen Xiyan's arms.

When Shen Xiyan saw Lin Ruo Shi running over, she was also a bit at a loss, but the moment she hugged Lin Ruo Shi, Shen Xiyan's heart suddenly settled, she knew that this was her daughter, although she looked so young, her daughter was so big, how incredible and unbelievable it was.

But she still instantly decided at this moment that even though she didn't remember, this was her daughter, this was the emotion of blood thicker than water, a kinship that would always be inseparable.

'Mum, where have you been mum, Sze missed you so much, I thought you'd never want Sze again, ooh.' Lin Ruoshi was so excited that she hugged Shen Xiyan to death, afraid that if she let go of her hand, Shen Xiyan would suddenly disappear.

'I'm sorry little shi, it's all mommy's fault, it's mommy's fault.' Shen Xiyan's heart melted, looking at Lin Ruoshi crying so sadly, Shen Xiyan even felt a heart-wrenching pain, it hurt too much.

'It's not mommy's fault, mommy must not remember the way home, she's lost.' Lin Ruoshi tilted her head up, her eyes still shining with tears, but her face was filled with a big smile.

At that moment, Lin Ruoshi's heart melted and she decided that she would never leave again.

'Don't worry little shi, mommy will never get lost again, because little shi is the brightest North Star in mommy's heart.' Shen Xiyan couldn't help but shed tears.

Lin Hao, on the other hand, breathed a sigh of relief, come on, this matter was finally over, the long road of searching for his wife was finally over, thanks to the arrangement of that guy Chen Bei Xuan, otherwise Lin Hao didn't even know when he would have to wait to fix this matter.

Although he didn't break the rules and let him bring his memories down, but at least that engraved feeling, the feeling that blood is as thick as water has survived.

'Come on, let's go eat a big meal to celebrate the family reunion.' Lin Hao smiled and pulled away the mother and daughter who were still crying.

'What? Where are we going to eat? Are you still cooking?'

Chen Haobei, who had just run off somewhere, suddenly leapt out again as soon as he heard it was time to eat.

Lin Hao glared at him, 'We're having a family reunion for dinner, what's it to you?' Lin Yan's gaze was obscure as she watched Lin Hao's family leave the school, until after the two's backs were completely out of sight, Lin Yan quickly took out her mobile phone and dialed a mysterious number as if she had made some kind of decision.

'Brother Chang, I've thought it over, put the money into my account, I'm ready to take the plunge.' Lin Yan's voice was full of determination, she couldn't just sit around and wait for death!

The prey she had her eyes on, even if she was punished by the Lord of Light and Shadow, she would still do it!

'Have you thought it through?' A hoarse voice came from across the room, obviously it was not his original voice, but had been deliberately altered to hide himself.

'Having thought it through, I've decided to go for it.' Lin Yan hung up the phone and looked at the two men's distant figures, Lin Yan secretly hated them, 'Lin Hao, you can't get away!'

Somewhere in Jinling, Shui Wu Chang put down the phone and looked at the man wrapped in a black veil beside him, 'Master Dao, don't you guys like to strategise and influence in secret? How come you've started to make a move on them directly now?'

‘The key is to let ordinary people take on illusionary spirit masters, this, will it work .....’ Shui Wu Chang is not stupid, who is Lin Hao they have investigated clearly, once a famous existence in China, ten years ago the wind is immense ah.

To deal with these cultivators, this must at least move cultivators, right?

‘You don’t need to care about that, except for that bodyguard beside him, the others are not enough to worry about, I have my own way to detach his bodyguard.’ A disembodied voice came from a person who was clearly sitting next to him, but could not even detect that the voice was coming from him, or even felt like it was coming from anywhere.

Master Black Shadow Dao was also quite helpless in his heart, he didn’t want to intervene directly, after all, this was against the dao of heaven and there was nothing they could do about it.

Lin Hao’s few fates were too hard, and just last time they secretly gave the other side a warning, they ended up losing several Heavenly Calculation Dao Masters.

That was the heavy price to pay for dealing with the Heavenly Fate, and it didn’t even affect Lin Hao and Shen Xiyan, they had actually moved against Lin Hao and Shen Xiyan, tweaking their fortunes, and instead of having an effect, they ended up with several deaths.

Plus now that the tumbler with the hammer had also arrived in Jinling, it was even more unrealistic to use the art of fortune telling against Lin Hao, unless someone above them could take out that tumbler first.

The good thing is that apart from Zhuque, Chen Hao Bei? Chashan Yi Yi closed Chashan Yi Di? The two were at quite a high realm, but the others were really not enough to worry about, including Lin Hao.

Seeing that the other party said so, Shui Wu Chang had no choice but to do what they had told him to do to Lin Hao.

On Jinling Ancient Town Street, inside Ling Yun's photo studio, Ling Yun was processing the photos, while Ao Dog was wandering around blindly with his hands behind his back, these days, he could be said to be squatting here every day, he was also desperate for performance.

Now around the photo studio, not a single ghost was seen, this guy was also a diligent little bee, coming one to send one, coming a pair to send a pair, froze not let a ghost linger on earth.

'Hmm?' Ao Dog's face changed slightly, he felt two auras approaching rapidly, Ao Dog quickly went to check, and found that they were two fast speeding shadows with a silver light flashing around them.

Looking at the target of the two shadows, it was the photo studio where Ling Yun was!

'No!' The other party's cultivation level was obviously higher than his, and he was now almost like an ordinary person except for his passive talent, and his aura was even less.

‘Ling Yun run!’ Ao Dog roared towards Ling Yun, while quickly making a move towards the two strong men who had sneaked up on him, a whip made from dragon tendons, flickering with golden light flung viciously towards the two killers.

Ling Yun froze, but she was quick to react and quickly got down to dodge the attack, her memory had returned and she likewise saw the two speeding black shadows and knew they were aimed at her.

The two assassins were also shocked, how could a master suddenly appear behind them? They hadn’t even noticed!

The two men quickly ducked a short body to avoid Ao Dog’s attack, and the whip struck the counter hard, with a boom, the counter was instantly blasted to pieces.

The whip didn’t attack the two killers, instead it was flung straight down on Ling Yun.

With a bang, Ling Yun was directly flung out of the room, and a big hole was crumbled out of the wall.

‘Holy shit! Play off.’ Ao Dog was terrified, Ling Yun had no cultivation, this whip would kill him.

‘Ao dog you bastard, don’t you know how to watch out? Coughing .....’ came Ling Yun’s mid-air shout and violent coughing from the rolling smoke, obviously choking on the smoke.

Ling Yun was also a bit stunned, according to reason, with such an attack, even a second grade Illusionary Spirit Master would be in enough pain if they were thrown a whip by this treasure, but she was surprisingly unharmed, just thrown away by the huge force.

Ling Yun noticed that a crystal clear stream of light flowed around her body through her skin, and only then did Ling Yun react, her current body had absorbed the power of the divine origin crystal, plus her body strength still had the strength of a sixth grade peak illusion spirit master, Ao Dog’s attack made her directly immune to it.

## Super Son-in-law Chapter 2755-2756

### Chapter 2755

‘Do it! Get rid of him first!’ Those two assassins were quite surprised to see that Ling Yun was fine, and immediately decided that they would finish off Ao Dog first, they obviously knew Ao Dog quite well, especially since Ao Dog’s cultivation level was even lower than theirs.

When Ao Dog saw that Ling Yun was fine, Ao Dog was relieved to see those two experts attacking towards him, Ao Dog was not stupid, since the other party wanted to target himself, he would run first, the other party was obviously targeting Ling Yun, he would draw people away, Ling Yun would know that he should contact Lin Hao for help as long as he didn’t have a pit in his brain.

‘Haha, a bunch of silly dogs, come after old me!’ Ao Dog arrogantly turned his back on the two killers and twisted his hips to provoke them, before spreading his feet and running away wildly.

The two killers were furious, two second-class peak Illusionary Spirit Masters had been provoked by you, a first-class early stage Illusionary Spirit Master, how could that be? Get him!

Ling Yun hurriedly took out her mobile phone to call Lin Hao while she was running, but the more urgent she was, the more trouble she got into, but at this time Lin Hao's phone could not be reached.

When Ling Yun dialed for the second time, two black shadows suddenly appeared beside Ling Yun, Ling Yun's heart was half cold. That guy Aoyog is too useless, can't even hold back two killers?

If Ao Inu knew what Ling Yun was thinking, he would have vomited blood on the spot, he tried his best and is still in the trash.

The difference in cultivation between the two sides, Ao Dog couldn't run far at all, before the two caught up with him and beat him up. They wanted to kill Ao Dog straight away, but one of them suddenly woke up, this was a diversion, the woman was going to run.

They didn't care about killing Ao Dog, they just threw him into the trash and quickly chased after Ling Yun.

One of the assassins easily caught up with Ling Yun, smiling coldly and wielding his hand knife down on the back of Ling Yun's neck.

‘Ow...? What the hell? ...Crap, why is it so hard!’

The assassin wanted to knock out Ling Yun with a hand slash, but nothing happened to Ling Yun, but his hand was in pain, as if his hand was chopping on a steel plate, so he covered his hand in pain and wailed.

‘Rubbish, you can’t even knock a woman unconscious, why do you need you?’ The other assassin cursed and did not hesitate to give Ling Yun another hand slash, followed by another miserable scream, he was also dumbfounded, finally knew why his partner could not even knock a woman unconscious, too damn hard ah.

Granite isn’t even that hard, right?

He also found out that he had no cultivation and was not very strong, but his body strength was a perversion, so he was not afraid of you!

Ling Yun didn’t care and called Lin Hao as she ran.

The two killers were not so stupid, since they couldn’t knock her out, they didn’t knock her out. They caught up with Ling Yun, one took control of her and covered her mouth, the other held her legs, and the two of them carried Ling Yun and ran away quickly.

Naive two people are cultivators, Ling Yun is now a weak woman with no cultivation, how to struggle is useless, by two people forced to take away.

Lin Hao's family drove to Ling Yun's studio, because Chen Haobei was detached, how could the family let this guy join the fun, but Shen Xiyan wanted to take Ling Yun with her, after all, she is not really familiar with Lin Hao now, and wanted to bring her best friend with her.

Lin Hao also did not refuse, but his heart was a bit sad, let Ling Yun watch a family of three family reunion, she was afraid that she would be embarrassed next to.

Because he was driving, his phone was on mute and he didn't know that Ling Yun had just been calling him frantically.

Lin Hao had just parked outside and sensed that something was wrong, there were still aura fluctuations left here, the fluctuations were not very strong, but one could feel that there had been a fight here, and it had not been long.

'You guys wait for me in the car, don't get out yet.' Lin Hao hurriedly got out of the car and went in to take a look, his face became even more ugly, Ling Yun's studio was in a mess, Ling Yun had long since disappeared and Ao Dog didn't know where he was.

Chapter 2756

Something's happened to Ling Yun!

Lin Hao suddenly heard Lin Ruoshi's voice ringing outside: 'Uncle Ao Dog, what's wrong with you? Why does it look like you've been beaten up and thrown in the trash? Did you steal someone's electric battery?'

Shen Xiyao looked strangely at the man in front of her, looking so miserable, covered in blood, his clothes torn and tattered and full of filth, with a banana peel hanging from the top of his head, and his face swollen into a pig's head.

Lin Hao ran out quickly, seeing this situation with Ao Dog, he also frowned, looking at this guy's miserable appearance, it wasn't that he didn't do anything, it was just that his realm was too low, it didn't work.

'What's going on?'

'Don't mention it, I don't know which side of the forces came to make trouble, and it's obvious that the ones targeting Ling Yun are two second grade Illusionary Spirit Masters, I was trying to stall for her, but it turns out those two didn't fall for it, but don't worry, Ling Yun is in no danger for now, her body strength is so strong that Chen Haobei would have trouble hurting it.'

Ao Dog waved his hand and gasped as he told the story, but he couldn't figure out who had moved, it felt like the crusaders of the Western European Church.

'This pack of wolves, showing their teeth.' Lin Hao snorted coldly.

‘Lin Hao, you must find a way to save Ling Yun, she’s my best friend.’ Shen Xiyao was so anxious when she heard that Ling Yun had been kidnapped, but she didn’t know what to do for a while.

‘Don’t worry, I won’t let anything happen to Ling Yun, besides being your friend, she is also our friend.’ Lin Hao comforted Shen Xiyao and helplessly began to keep dialing the phone, thinking that today’s family reunion dinner had been postponed.

‘Vermillion Bird on command!’

‘Yes, General!’ Vermillion Bird instantly stood straight, it was still rare for her to see Lin Hao so serious, so naturally she knew that something big had happened.

The Dragon Group in Jinling had also reported that there seemed to be traces of extra-terrestrial cultivators in Jinling’s Ancient Town Street, but when they arrived, the other party was already nowhere to be found.

‘Activate the Heaven’s Eye search, once an extra-territorial cultivator is found, kill without pardon!’ Lin Hao’s face was as gloomy as water, once Ling Yun had died in his arms, no matter what, he couldn’t let such a thing happen a second time: ‘Have all departments coordinate, once found, Dragon Group, Dragon Sect’s special battle teams from all departments, act immediately, capture them alive if you can, kill them all if you can’t!’

The vermilion bird gave an order, all departments immediately acted, even the shadow who has been in the capital city town guard out? The government’s policy is to take measures to ensure that the government’s policies are in line with the law. The four guardians, Zhao Chen and others, have been in the capital.

The four major town guards, Zhao Chen and the others all acted, and a sensational operation spread throughout the whole of China was carried out in secret.

The general public had no idea what was going on, but there were still some people who were a little surprised to find that it seemed that overnight, law enforcement officers could be seen everywhere.

It was just that these law enforcement officers were all patrolling around, doing censuses and such, and they didn't notice anything different.

The cultivators within China, however, were somewhat dumbfounded, not knowing what was going on, and all registered cultivators were questioned and investigated.

In two days, thousands of members of the Light and Shadow Society and the Paladin Order were arrested. These were all ordinary people who were under the spell of these two orders, and they had no access to any core relevant information at all, and in the end, they were only criticised and educated, detained for a few days and then released.

Of course, the special combat team still killed dozens of them on the spot, the real congregations of the two Holy See infiltrated into the territory of China, and also captured a dozen of them alive, while the others resisted fiercely and were all killed.

This situation aroused the strong discontent of the two Holy Orders and a diplomatic contest was launched between the two sides, but these were not things that Lin Hao should be concerned about.

What worried Lin Hao the most was that it had been two days and the other side had captured Ling Yun without making any demands at all, let alone taking the initiative to contact him.

After kidnapping, the kidnappers either demanded ransom or made demands, but the other party had done nothing, which meant that there was always the danger of tearing up the ticket, and the other party didn't have to do anything, yet they made Lin Hao throw his weight around.

## Super Son-in-law Chapter 2757-2758

### Chapter 2757

Shen Xiyao has been staying at Lin Hao's house for the past few days. Shen Xiyao is shocked to find out that Lin Hao's identity seems to be not simple, is he really just a middle school physical education teacher?

The people who came in and out of the Lin family's house over the past few days were all bigger than one another, and because of this, although Shen Xiyao was still very worried about Lin Yun's safety, she was not as panicked as before, and instead went to pick up Lin Ruoshi from school for Lin Hao.

Lin Ruoshi's face has been smiling ever since, happy as a little rabbit.

Lin Hao, on the other hand, looked a bit frazzled.

No news, still no news!

On the fifth day, a haze of light suddenly landed on the Lin family, now everyone was out looking for someone, Chen Haobei was in charge of protecting Shen Xiyan's mother and daughter, and Lin Hao was alone at home.

When Lin Hao saw the haze of light landing in the backyard, he felt something and quickly went to the backyard to see the Thunder Spirit, who had manifested himself as an image.

Lei Ling now looked a little more petite than Lin Ruoshi.

Lin Hao couldn't help but tease, 'Lei Ling, if you saw how Xiao shi looks nowadays, you'd probably be shocked.'

'Brother.' Lei Ling came over and hugged Lin Hao, nodding with a smile, 'I know this, Little Shi has grown up, and as a result I'm still a little kid.'

'Well? Is there anything you can do to help your brother this time down here?' Lin Hao raised his eyebrows, now his own was going to hug his sister's thighs.

'Hmph! Do these bastards really think that I, the acting empress, don't exist? I already know what they're up to, don't worry brother, although I can't interfere easily, I can at least confirm that sister Ling Yun will be fine, or at least her life won't be in danger.' Lei Ling snorted coldly, her pretty face covered in frost, and with a wave of her hand, she flung an extremely cold light into Lin Hao's body.

Lin Hao immediately felt a violent shaking around his body, his limbs and bones filled with a majestic sword intent, Lin Hao's eyes glowed, 'Haha, this is good, but you're not really cheating openly, are you? I'm afraid they'll find trouble for you again.'

'Let them! I don't mind killing a few outcasts, I'd like to see who is so impatient to live, not to mention that they broke the rules first.' Lei Ling spoke in a domineering manner, his body bursting out with a biting killing intent.

Lin Hao was very surprised, was Lei Ling this strong now? She did have the style of a female emperor.

Lin Hao smiled awkwardly, 'It seems that your brother broke the rules first.'

If it wasn't for Lin Hao's efforts to help Qin Yuxin travel to the Underworld, he wouldn't have caused so much trouble.

'Did my brother break the rules? Why don't I know, who knows let him tell me, brother, I'll go back first.'

Lei Ling's form quietly dissipated and the light converged, leaving Lin Hao, whose mouth twitched more than once, alone in the back garden.

Quintessence!

Lei Ling had learned the essence of the Lin family's ancestral motto, the Lin family's ancestral motto was to protect the calf!

With the touch of sword intent that Lei Ling brought down stored in his body, Lin Hao was confident, although he could not use the Heavenly Sin Sword now, but Lei Ling brought down a touch of Heavenly Sin Sword sword intent from the Immortal Court, this extreme sword intent, even if it was? Xiyi Zai Ai Yi Fu Zai Yi? Chen Haobei may not even be able to carry it.

Since the other party has captured Ling Yun and does not take the initiative to contact himself, he is only trying to make himself throw his weight around. If the other party does not look for him, then Lin Hao has the strength to naturally take the initiative.

By the time Lin Hao returned to the front yard, Shen Xiyan had already picked up Lin Ruoshi and returned from school, but what surprised Lin Hao was that they had actually brought someone they shouldn't have brought back, Lin Yan!

'Teacher Lin.' Lin Yan smiled flirtatiously at Lin Hao, but grasped the situation very well, so that Shen Xiyan did not feel her frivolity, but rather felt that this female teacher was too sexy and flirtatious, and if she were a man, she probably could not stand it.

At the same time, Shen Xiyan also has some headache, this guy in the school, how so many beautiful women? There was a Qin Yan in front of her, but now there was a Lin Yan!

She believed in Lin Hao's determination, but after all, he was a man, if these beauties took the initiative, he might not be able to withstand it either.

Chapter 2758

Lin Hao ignored Lin Yan and instead glared at Chen Haobei, 'You're coming with me.'

Chen Haobei nodded, and the two of them left straight away, as if they didn't see Lin Yan.

Lin Yan didn't mind either, after all, Lin Hao's attitude towards her seemed to have always been like this, if Lin Hao's attitude towards her was too strange, it would rather make her suspicious.

The attitude of Lin Hao's two people made Shen Xiyang feel a little embarrassed, after all, they are all colleagues, the visitor is a guest, ah, embarrassed and at the same time a little happy, Lin Hao did not have a good attitude towards Lin Yan, is it because of herself?

It turns out that her husband loves her so much that he deliberately stays rusty with other beauties in order to avoid making himself not misunderstood.

Women, ah, are animals that like to think blindly about chickens .....

'Teacher Lin Yan, sorry ah, our friend was kidnapped, these days Lin Hao is not in a good mood, you don't mind ah.' Shen Xiyang smiled awkwardly at Lin Yan.

Lin Yan smiled and nodded her head, showing her understanding in a very understanding manner.

Shen Xiyan then greeted Lin Ruoshi, 'Xiaoshi, go and pour a cup of tea for Teacher Lin.'

'Humph, I don't want it!' Lin Ruoshi, however, grunted in anger and direct? Zero Lu Lu Yi closed the dyeing ground according? walked away, and her attitude towards Lin Yan didn't seem to be very good.

In Lin Ruoshi's opinion, firstly, she is not her teacher, secondly, it always feels like this woman wants to steal her father, then her mother must be sad ah, and she also does not want Lin Yan to be her mother.

So, Lin Ruoshi, who had no feelings for Lin Yan, had a bad impression of Lin Yan after Shen Xiyan returned.

This father-daughter attitude made Shen Xi Yan even more embarrassed, but Lin Yan didn't mind, instead she chatted with Shen Xi Yan very familiarly, making Shen Xi Yan feel less embarrassed and began to entertain Lin Yan personally.

On the other hand, Lin Hao was questioning Chen Haobei about how he had let that woman follow him over. The two men knew Lin Yan's identity by heart, a follower of the Light and Shadow Society, a lackey trained by the Angelic Church.

The reason why everyone else was arrested in a big way, but only Lin Yan was not attacked, was just to leave a line for subsequent use.

As a result, Chen Haobei had actually allowed that mother and daughter to lead the man home!

‘Brother Lin Hao, I naturally know that this woman came to you with impure intentions, but don’t we currently have no clues? The other party’s concealment tactics are too strong, so why don’t we take advantage of the situation, she came to contact you with a purpose, why don’t you take the initiative?’ Chen Haobei scratched his head in embarrassment, he also wanted to share Lin Hao’s worries, he could see how anxious Lin Hao was these days.

It was just as well that this woman had taken the initiative to come up today, so Chen Haobei simply didn’t stop her and let her follow him over.

‘Do you want me to get into trouble with Xiyan so that you can have a chance? That woman is greedy for my body, big brother!’ Lin Hao was about to cry, you don’t have to be so pitiful.

Lin Hao was right, Lin Yan really did crave Lin Hao’s body apart from coming with a mission, plus the fact that Lin Hao didn’t treat her with respect, it stirred up that damned competitive spirit in her heart.

Even if she slept with Lin Hao and then dumped him, it was better than not being able to eat it in her mouth.

‘Brother, I really don’t mean that, I broke off this idea long ago, we are good friends, Xiyan is my goddess, I’m his little fan, that’s all, don’t you really misunderstand me.’ Chen Haobei sighed, ‘Besides, how good your relationship as a couple is, even if it’s amnesia, she can’t possibly fall in love with me isn’t it.’

Lin Hao nodded, this was a true statement.

‘Just kidding, I know what to do, but I need to have a good talk with Xiyan before I can do that.’ Lin Hao shook his head, ‘The other party dares to do this, they must have a way to hold you back, the other party’s target is me, so you shouldn’t get involved, you just have one task, protect them both, mother and daughter, no problem?’

‘Not a hair on their heads! I’m the only one you’ll ask! If you want to hurt them, step over my body!’ Chen Haobei stood straight, his expression rigid and his gaze even sharper.

‘I want you to stay alive and protect them. If you die, I can’t go down there to get you. Go, call Xiyan to come over, I’ll talk to her alone.’ Lin Hao laughed bitterly, do you know how to die or not, is it fun?

Chapter 2759

Not long after that Shen Xiyan came.

‘Lin Hao did you call me for something, what did you two talk about just now?’ Shen Xiyan was a little curious.

‘Nothing, we were discussing the matter of finding Ling Yun, there has been no news of Ling Yun now, we discussed that we should change a method to find it.’ Lin Hao casually made a perfunctory remark.

‘Well, it’s hard for you, you should go greet Lin Yan with me quickly, people are looking for you for business, but they ended up being left out by this attitude of yours, don’t let people gossip, and I feel that Lin Yan is quite good to get along with, she’s a nice person.’ Shen Xiyuan’s heart warmed up, it was good to have such a husband.

Lin Hao’s eyes widened as he looked at Shen Xiyuan incredulously, was this woman Lin Yan so scary? To think that in such a short period of time, even Shen Xiyuan had managed to speak up for her?

‘What’s wrong?’ Seeing Lin Hao’s expression, Shen Xiyuan was a little puzzled.

Lin Hao spoke coldly, ‘You stay away from her in the future, she’s not a good person!’ Shen Xiyuan looked at Lin Hao with a bewildered expression.

Then she puffed out a laugh: ‘Lin Hao, not so much, not so much, I, Shen Xiyuan, am not that petty, you wouldn’t say that on purpose to keep me from misunderstanding and being jealous, would you? You don’t need to deliberately set aside your relationship with other people, really, I’m not that narrow-minded.’

Lin Hao said secretly in his heart: rip? I mean Lu Ai Di Wu Fu Lu? I don’t think so! When it comes to such things, men and women are all the same, and their hearts are not that big!

‘That’s one of the reasons, there’s another more important reason, you cover your mouth first, I’m afraid you’ll scream in shock later.’

Shen Xiyan obediently covered her mouth, why did she look a bit dumb and cute ?

The corners of Lin Hao’s mouth twitched as he said seriously to Shen Xiyan, ‘She’s really no good, greedy for my body is one, there’s another, she might have something to do with Ling Yun’s disappearance, do you understand what I mean?’

‘Ah?! This, this can’t be right?’ Shen Xiyan was stunned, luckily Lin Hao told her to cover her mouth early, otherwise she might have really shouted out.

Shen Xiyan couldn’t believe it, Lin Yan didn’t look like she was connected to the kidnapers, but looking at Lin Hao’s serious expression, she didn’t look like she was joking: ‘Then, what should I do? Oh my god, I just said a good word for the bad woman who kidnapped my bestie, I’m really out of it.’

Shen Xiyan slapped her bare forehead with a look of remorse.

‘It’s alright, the other party came to my door, they definitely want to make conditions, I came to you to tell you that I’m going to take the next step and not be so resistant to get in touch with her, so as to get information about Ling Yun, I’m mainly afraid that you’ll misunderstand, so I’ll talk to you first.’ Lin Hao cautiously put forward the idea in his mind, while watching Shen Xiyan’s expression with unblinking eyes.

‘It’s alright, how could I misunderstand, I trust you, but you know full well that she is greedy for your body and you are going to touch her, you won’t be at a disadvantage, right?’ Shen Xiyan was a little worried. ,

Lin Hao rolled his eyes, he didn’t suffer a loss, if he wanted to worry he should also worry about whether that Lin Yan would suffer a loss.

When she saw Lin Hao’s smug look, Shen Xiyan’s face instantly fell: ‘Good for you, this is your real purpose, right? The little fox’s tail is showing, right? I think your search for Ling Yun is secondary to your desire for others, right?’

The corners of Lin Hao’s mouth twitched fiercely and his eyelids fluttered furiously, damn it, what about the promised not to misunderstand? Where was the trust that was promised?

As expected, a woman’s mouth is a deceitful ghost!

Seeing Lin Hao’s helpless look, Shen Xiyan once again puffed out a laugh: ‘Alright, I’m just teasing you, you can control the scale yourself, if you dare to do anything out of line, I’ll make you the palace’s royal eunuch!’

Lin Hao suddenly felt a chill in his crotch, you are really cruel, you don’t want your husband, you can just make him a royal eunuch!

Lin Hao and Shen Xiyan returned to the front room, Lin Hao was considering what attitude to use to contact Lin Yan, but the other party got up first to greet him: 'Mr. Lin, Xiyan, what are you doing? I'm sorry for the sudden visit, I'm a bit intrusive.'

Chapter 2760

Top quality green tea! It tastes like tea!

'It's alright, what's all this talk about disturbing or not, he's just not in a good mood.' Shen Xiyan smiled and rounded up the situation, but obviously not as enthusiastic as before.

After all, no matter how much Shen Xiyan tried to hide the indignation in her heart, but knowing that she might have something to do with Ling Yun's disappearance, she still had ill feelings towards Lin Yan in her heart, and at the same time, she understood why Lin Hao and her own daughter didn't seem to have a great attitude towards this woman.

Lin Hao just nodded lightly as a response, not really warm, but not really cold either.

'Looking for me for something, right Teacher Lin Yan? Let's go out and talk, Xie Yan tonight you cook a meal for Xiao Shi and the others while I take care of some things.'

'Go go go, if you come back late, we won't wait for you to eat first.' Shen Xiyan was subtly reminding Lin Hao.

‘No.’ Lin Hao turned around and walked out.

This made Lin Yan a little confused, but she did hear Shen Xi Yan’s obvious warning, it seems that the other party is still wary of herself, or does Shen Xi Yan think that Lin Hao’s determination is not enough?

It was normal that Lin Yan did not notice that something was wrong.

Lin Hao drove out from the garage, Lin Yan was a bit surprised: ‘Brother Lin Hao, we can just talk here, you are not afraid of Xiyan misunderstanding.’

You’re afraid of misunderstanding? When Shen Xiyan was here, she said ‘Teacher Lin’, but just outside the door, you’ve changed your name to ‘Brother Lin Hao’, everyone knows that.

‘It’s okay, she’ll understand, get in the car and go to a nearby cafe to talk, I’ll just pack a coffee for Xiyan.’ Lin Hao spoke indifferently.

Lin Yan nodded, walked to the passenger seat, hesitated when she wanted to open the car door, and eventually turned to run to the back to sit.

Lin Hao secretly sighed in his heart, the segment is really high, this small detail control is really good, if she raises fish, the fish pond is probably put full.

The two of them chatted with each other on the way, Lin Hao always answered somewhat perfunctorily, Lin Hao carefully perceived the situation and found that this Lin Yan situation is somewhat complicated ah.

She actually had three different auras on her body, Yin Qi, the aura of the Western European Illuminati, and the aura of the Angelic Church as well.

Was this woman so terrifying? Not only did she swim between all kinds of men with ease, but she was even able to swim between the various powers?

Of course, it was also possible that these three forces had joined forces! At least so far, their aim seemed to be the same, and that was to screw him!

When he arrived at the cafe and sat down, Lin Hao ordered two cups of coffee and packed them for both Shen Xiyan and Chen Haobei.

Lin Hao hadn't even taken out his phone yet, but Lin Yan had already paid for it before him.

Lin Hao looked up at Lin Yan, who smiled lightly and said, 'You're welcome, we're colleagues, and Xiyan and I are friends, so it's okay if I treat you?'

'Thanks.' Lin Hao also did not refuse, the more he came into contact with Lin Hao, the more he realized that any random person, or anyone who did not know her identity, would probably have to be played to death by her.

‘Tell me, Miss Lin Yan, is there something important that you are looking for me?’ Lin Hao got straight to the point, not bothering to beat around the bush with the other party.

‘Well, there are two things.’ Lin Yan told Lin Hao that she had come this time, one was because of a business matter, and the other was a personal matter.

There was Lin Hao’s class today, but it turned out that Lin Hao didn’t go to class, Lin Yan went to ask, but it turned out that Lin Hao didn’t intentionally close the cover of Lu Xi Yi Fei Wu? There was a leave of absence, but the funny thing is that the headmaster told her later that Lin Hao had in fact taken a leave of absence.

The second thing is that tomorrow night, there will be a private party and I want to invite Lin Hao to join.

She already knew why Lin Hao didn’t go to class just now, so she was left with one last purpose, that was to invite Lin Hao to the party.

Lin Hao shook his head and refused: ‘Your party, it’s not really appropriate to ask me to go, right? To be honest, I don’t know anyone else apart from you.’

In fact, Lin Hao wanted to say: we don’t know each other well, so don’t get into all this nonsense.
