

## Super Son-in-law Chapter 2761-2770 -

### Chapter 2761

“No, they’re all my good friends, so I know them all, and they’re all very powerful, so it’s a good idea to have more friends, especially if they can help you get a title.” Lin Yan hurriedly added: “They are all friends, if you are afraid that Xiyan will be jealous and misunderstand, you can call Xiyan to come together, I am now Xiyan’s friend.”

Lin Hao was crying and laughing in his heart, what was the point of having that stupid title, he could get it whenever he wanted it?

As for the fact that he was friends with Shen Xi Yan, Lin Hao wanted to laugh at the sound of it.

However, he didn’t show it on his face, instead he looked a bit hesitant and struggling, looking worried as if he wanted to go but wasn’t afraid of Shen Xi Yan’s misunderstanding, which made Lin Yan’s heart feel sure, there was a way!

“It’s okay, they’re all my good friends, if you can’t, you can also ask Xiao shi to come with you.” Lin Yan didn’t believe it, if he took Shen Xiyan and Lin Ruoshi with him, what else could he worry about?

The first time LinYan was to get a relationship, he wouldn’t be able to make a big move, but after a few more times, if ShenXiYan and LinRuoShi didn’t go along, it would be all girls.

“Forget about asking them to go, then when the time comes you send me an address, I’ll go find you.” Lin Hao shook his head and refused, one was aware of the other party’s purpose, if he took Shen Xiyan and the girls to go, Lin Yan would instead have her hands tied, not to mention having to take care of Shen Xiyan and their safety.

This was better than not taking them there, giving the other party enough opportunities to make things happen.

He wanted to see what this woman wanted!

“Okay, I’ll see you tomorrow night, but home is a bit far from the party place, can you ……” Lin Yan wanted to say something but stopped, looking at Lin Hao carefully, not daring to say it completely, that pitiful look, if it was another man, he might have agreed to pick her up without even thinking about it.

Lin Hao frowned, and after hesitation, he nodded: “It’s fine, I’ll pick you up tomorrow, just in time to go to the party together, I’m not familiar with the place, I’m also afraid of embarrassment.”

“But, I’m afraid it will cause you trouble.” Lin Yan, however, hesitated instead.

Lin Hao wanted to curse, are you okay or not? Do you think I don’t know what’s in your mind when you get all fancy?

“What’s bothering you? Why don’t I know? I’ll go back first, it’s almost dinner time, thank you for the coffee.” Lin Hao picked up his coffee and turned to leave, directly leaving Lin Yan here.

“It’s really a hard bone to chew.” Lin Yan looked at Lin Hao’s departing back, her gaze falling into obsession, “Not even the courtesy of letting me go for a meal, is that Shen Xiyan really that good?”

“Even the female president of a big company is so obedient to you, I must get such a man! Even if I can’t get it, I still have to taste it to get it!” Lin Yan poked out her bright red tongue and licked her delicate red lips, showing allure.

The men throughout the cafe who saw this scene instantly had their eyes straightened, even if their girlfriends or wives were right next to them, they didn’t care.

Lin Yan was defeated at these men's piggyback looks, and was even secretly annoyed at how Lin Hao couldn't be like them.

Unfortunately, if Lin Hao was really like them, I guess Lin Yan would not be interested enough to put in so much effort even if he was handsome.

Leaving the cafe, Lin Yan gave Shui Wu Chang a call, "Brother Chang, everything is in order, wait for me, I will definitely take him."

"Good, I will transfer another million to you later, people have already been arranged for you, feel free to transfer people to you according to the situation, make sure you get this done for me, the benefits will be less for you." After saying that Shui Wu Chang directly hung up the phone.

A few seconds later, Lin Yan's mobile phone rang to the account elimination? The ground Wu Yi Shan service closed dye? The message.

The corners of Lin Yan's mouth lifted slightly: "To be able to pick up handsome guys and make money at the same time, life, ah, so beautiful."

After Lin Yan left, a man in civilian clothes came out of the corner and tugged up the hidden communication device at his collar: "Report captain, the fish has taken the bait, should we continue to keep an eye on it?"

## Chapter 2762

Lin Hao drove outside his home and found Zhuque waiting for him at the door.

Lin Hao gestured for Vermilion Bird to go inside while he drove the car to the garage and walked out to find Vermilion Bird waiting for him at the garage door.

Lin Hao shrugged, "Your sister-in-law is cooking, so you can go back after you eat later."

“I know, I’ve just gone in.” Vermilion Bird smiled and nodded, “Just now our men listened in, Lin Yan has taken the bait, the person she was contacting, was using an encrypted satellite phone, the content we can’t decipher for now, do we need to do it?”

The officers of the Vermilion Bird Group did not arrest Lin Yan, but they had been sending people to keep a dead eye on her, as soon as she made the slightest movement, news would be reported up immediately.

“Don’t, you mustn’t mess up, it’s hard to find a breakthrough now, you mustn’t give me a whole lot of trouble, you should continue to keep an eye on the others and find a way to dig out Lin Yan’s handler, that’s the top priority.” Lin Hao hurriedly stopped Zhu Que.

It was so hard to find a breakthrough for her to block, Lin Hao had no place to talk about it.

“Alright, I’ll listen to you, let’s go, let’s go, I’m going back for dinner, I can smell the scent of my sister-in-law’s cooking.” Zhuque smelled the tantalising aroma of the dishes and didn’t continue to spend time here with Lin Hao.

When Lin Hao came back, Shen Xiyan and Xiao Shi were bringing up the food. When she saw Lin Hao coming back, Shen Xiyan smiled, “You really came back at the right time, you didn’t have to chat for a while?”

Lin Hao laughed and cried, “What do I have to talk to her about?” “This is the coffee I brought for you two.”

Lin Hao handed the coffee to Shen Xiyan and Chen Haobei, but Lin Ruoshi pouted and was unhappy: “Where’s mine .....

“Kids can’t drink this stuff.”

“I’m fourteen years old, I’m not some three-year-old kid who can drink it.” Lin Ruoshi bristled, still treating her as a three year old?

The next day, Lin Hao rushed to Lin Yan's house according to the time, Lin Yan's house was next to the school, and the party was surprisingly in the suburbs, it was quite far away.

Lin Hao was driving leisurely when suddenly there was an explosion in the sky and a wild thunder fell from the sky, Lin Hao was suddenly startled, what the hell is going on?

Lin Hao? Shan whisked grasping zero love ground cover closed? He braked sharply and quickly got out of the car to check the situation.

"Hey, come on, small hammer forty, big hammer eighty."

A familiar voice rang out behind Lin Hao, the corners of Lin Hao's mouth twitched fiercely, just so wild and cool appearance is this goods?

The real sky exploded with a bang and Wang Sledgehammer stepped out in a blaze of glory .....

"You have something?" Lin Hao looked back at Wang Sledgehammer who had a head full of white hair, but his figure was pretending to be like a bull, with a ram's horn hammer on his shoulder in one hand, looking at his wild and unrestrained appearance, as if he was going to fuck anyone he saw, making Lin Hao actually a bit unable to help himself.

"What's your attitude, kid? Now I'm not begging you to tell your fortune, I'm your debtor, understand? Before, you were my boss, now, I'm your debtor!" Wang Sledgehammer held his head up proudly, with the arrogant look of the old man being the boss.

"Are you stupid? These days, the one who owes money is the boss, call out to the boss." Lin Hao pulled the corner of his mouth and looked at Wang Da Hammer with a smirk.

Borrowing money was a grandson, those who owed money were the masters!

“Hey, you dare to pretend to be a grandfather with me, are you sure?” Wang Sledgehammer narrowed his eyes, revealing a dangerous glint, he didn’t care how grandfatherly other people’s debtors were, his Wang Sledgehammer’s debtors wouldn’t dare to play any grandfather in front of him.

Lin Hao also felt the other party’s gaze, his face changed slightly, this guy is not a good fighter, one mistake may want his own life ah.

The key was that this guy was well versed in the art of killing to kill, after all, guys who play with fate have dirty hearts, Lin Hao looked at the other party helplessly, “Just kidding, but this time you’re making such a cool appearance, are you here to collect a debt?”

Lin Hao didn’t want to owe the other party a favor either, he had gotten himself a head start because of his help, but this kind of person’s favor wasn’t that good to owe.

“I owe you that 80 cents less? Don’t you dare bury the old man.” Wang Sledgehammer’s bright eyes glared angrily.

Wang Sledgehammer also did not care about Lin Hao, directly opened the car door and sat on the passenger seat, waving a big hand: “Go, go, don’t be silly, drive, drive, sister sister, sledgehammer is here, gah.”

## Super Son-in-law Chapter 2763-2764 –

### Chapter 2763

Lin Hao frowned as he got into the car and looked at Wang Sledgehammer in wonder, “What do you want, can you say it straight?”

“Isn’t this nonsense? I’ll go wherever you go! I can tell from my fingers that you will have a beautiful wife and concubines tonight, and I can’t miss such a good thing.” Wang Sledgehammer’s decent face was full of a slutty smile, “I’m

telling you, be careful with your waist, it won't take much, no, I like to help people out, half for half, I'm not taking advantage of you!"

Lin Hao looked at him with a bitter smile, "Master, you just don't tease me, can you, you can tell, you should know what I am going to do, you go to the hustle and bustle, this is not messing up?"

He didn't know what level of master teller Wang Sledgehammer was, but he should be a lot better than the guy who was behind it.

Once he, Wang Sledgehammer, stepped in, would the other party still dare to make a move?

"What the hell do you know! I'm messing up? If I don't go you'll have to turn over in the gutter tonight, believe it or not?" Wang Sledgehammer sat calmly in the passenger seat, his face full of arrogance, as if his face said: beg me, come on, beg me quickly!

Hearing Wang Sledgehammer say this, Lin Hao's brow furrowed, in that case, the person behind Lin Yan was really planning to make a move on him tonight?

Lin Hao thought about it, and then looked at Wang Sledgehammer in the passenger seat, and gritted his teeth, "Fine, I'll take you to pick up a girl, but isn't this look of yours a bit ....."

"Hey hey, just promise, don't need to worry about this matter, I have a way." When Wang Dahuo saw Lin Hao agree, he was instantly happy.

Immediately, he took out a yellow talisman from his pocket and began to recite the words in his mouth, "Tai Shang Pardon Order ....."

Poof!

The yellow talisman ignited itself without fire and turned into flying ashes in an instant, the fire light dissipated, Lin Hao was also a bit dumbfounded by the other party's set, it was just like what was shown on TV, like that!

Lin Hao looked up and saw, and the moment? The first thing you need to do is to take a look. He was shocked: "Damn, who are you?"

He suddenly found that there was a strange young man sitting in the passenger seat, all brand name, young and handsome, button open deliberately open a few, a look is a certain wanderer rich second generation ah.

"Mud, it's me! It's a blindfold, what's all the fuss about." The handsome man on the passenger side glared at Lin Hao without good grace.

Lin Hao was stunned, "Even this? Even I can't see through it?"

"Not to mention you now, even if you were at your peak state, you wouldn't be able to see through it, just kidding, I can even fill the Heavenly Dao, so why worry if I can't hide it from your pair of dog eyes." Wang Sledgehammer's tone was full of disdain.

The corners of Lin Hao's mouth twitched, this bastard didn't know how many girls he had oohed and aahed with this method, how ruthless.

But just the fact that the other party could even fill the Heavenly Dao was enough to show that the other party was enough of a bully.

The fact that there was a Wang sledgehammer in the room, and that his own body contained a sword intent from his peak moment, what was there to fear?

With a kick of the accelerator, he headed straight for Lin Yan's place!

After arriving at Lin Yan's house, Lin Hao gave a message and Lin Yan came downstairs in less than five minutes, which also reflected Lin Yan's high class.

After all, it wasn't unusual for a boy to wait for a girl for an hour, but the other party came downstairs in less than five minutes.

Lin Yan, however, was much more generous this time, and instinctively went to open the passenger door, but as soon as it opened, Lin Yan froze, how there was

already someone on the passenger side, and it was a handsome man, not inferior to Lin Hao in the slightest, and the richness of his body, his prodigal temperament, made Lin Yan look a little dumbfounded for a moment.

“Hello beautiful, my name is Jason.” Wang Sledgehammer got out of the car and made a gesture of invitation with deep affection, obviously giving the passenger seat to Lin Yan.

Lin Hao, however, was amused, you’re still Jason?

Nonsense is really open-mouthed ah, open a small number, restart life, just a yellow paper .....

Lin Yan quickly came back to her senses, her complexion changed, originally everything was arranged to directly target Lin Hao, but no one expected that Lin Hao would not bring his wife and daughter forward, but suddenly brought a rich family son a piece.

## Chapter 2764

Lin Yan wondered if taking this man with her would ruin those people’s plans.

Lin Hao naturally noticed Lin Yan’s subtle change, although it was well concealed, Lin Hao had been paying attention to the other party’s expression, so naturally he had caught it in his shop.

Lin Hao had a bit of a headache, he didn’t want to take him with him, but Wang Da Hammer was determined to follow, so he had no choice but to speak up: “Lin Yan, is it okay if I take a friend with me? Why don’t you just forget it? After all, it’s my first time attending, so it’s not good to bring someone with me? Jie Shan Jie Pao Shan Wu Fu Shan?”

Lin Hao had thought that if he said that, it would be good if Wang Da Hammer knew something and withdrew himself, but the result was that Wang Da

Hammer shut up and didn't say anything, still making the same motion of letting Lin Yan get into the car.

Lin Yan smiled and shook her head, "Why not, it's good that you brought an extra friend with you, so it won't be too awkward for you, let's go."

Lin Yan obediently got into the passenger seat, Wang Da Hammer didn't say anything and ran straight to the back seat.

Lin Hao breathed a sigh of relief, since the other party didn't object, it was best, otherwise Lin Hao's plan to lure the snake out of the hole would probably be put on hold again.

Lin Hao followed the address navigation given by Lin Yan and drove towards the outskirts of Jinling, the distance was not really that far.

Lin Hao had just left when two figures walked out of the alley below Lin Yan's house, shrouded in a black mist, using the cover of the night, not to mention ordinary people, even illusionary spirit masters might not be able to detect their existence.

"Strange." One of the black-robed mystics spoke coldly, "Why can't I see through that person's origin, what a weird feeling, it's like a mist is shrouded over him, I can't really see it. Seventh Brother, should we report it up?"

"Old Eight, leave this matter to you to report, apart from Shen Xiyan and Lin Hao, and that old thing, there is no existence that we can't see through, you go and make contact, I will go and meet Lin Hao." The other figure beside him spoke hoarsely, and then quietly faded into the darkness.

The remaining one in black hesitated for a moment and faded into the darkness in another direction.

On the way, Lin Yan explained to Lin Hao about the people at this party, all of them were some rich ladies, famous families, real celebrities, not those who could compete with those who spelled out the famous ladies.

At the same time, she also hinted to Lin Hao that at the party, he should communicate more with these rich ladies. Although Lin Hao was already married, there were still plenty of opportunities, and as long as he made good connections, titles, fame and status would be at his fingertips.

Lin Hao accepted on the surface, but his heart was full of speechlessness, but it was normal, isn't that what ordinary people are after?

But for Lin Hao, these are just things that are within his reach, and there is a feeling of loneliness in a high place.

Having everything that ordinary people want to have, but being so low key and ordinary, the life of people at the top turns out to be so simple and dull.

Lin Hao did not have anything else to say, since the other party knew that he did not bring his wife and daughters to come, that must be a move to make ah.

The company's main business is to provide a wide range of products and services to the public.

There are no street lights on the suburban roads, and the moon is hiding in the heavy dark clouds tonight.

"There's really something strange about the suburbs tonight, the atmosphere isn't even right." Wang Sledgehammer spoke indifferently. ,

In fact, without Wang Sledgehammer reminding him, Lin Hao had already felt it, not to mention that the other party was coming for him, it would be strange if he wasn't a little prepared.

**Super Son-in-law Chapter 2765-2766 -**

Chapter 2765

“Yes, is it? I don’t feel like anything’s wrong.” Lin Yan spoke awkwardly, speaking with a trembling voice, in fact Lin Yan was afraid that panic had begun to set in in her heart.

On the outskirts of a certain mountain, there were no other houses around, only a single old European-style villa, the mottled moss and the creepers wrapped around the walls all showed that this one had gone through vicissitudes, but now the old villa was brightly lit and bustling with activity.

Deep in a dark cave, about two hundred metres behind the villa, a flickering candle flame is lit, two large red candles, the thickness of a man’s arm, are burning, and there are many things on the table, such as alarming wood, gossip mirrors, bronze swords and other miscellaneous things.

If one looked closely, one could magically see that the candles were swaying, and the image shown in the candles was of a European-style villa not far away!

Lin Hao circled up the mountain road and slowly stopped outside the villa, the only European-style villa, which made Lin Hao also a little surprised, he didn’t expect that such a remote suburban mountain would have such a big European-style villa on top of the mountain.

Inside, soothing music came from inside, the lights were bright and the playful sounds of warblers and swallows came from time to time.

A group of women gathered together and chatted about extremely horrible topics, causing Lin Hao to blush a little as he listened.

Seeing Lin Hao’s embarrassed look, Lin Yan next to him couldn’t help but laugh and tease, “No way, Brother Lin Hao, I’m afraid that what you men talk about in private is even more excessive than what they talk about, you’re actually blushing! Like an innocent little virgin!”

“Hey hey, he’s not, I am, we can talk about life when we have time oh.” Lin Hao looked even more embarrassed, and looking at Lin Hao’s appearance, Wang

Sledgehammer even jumped out to see what was going on, his face filled with a leaping expression.

Seemingly to leave a good impression in front of Lin Hao, Lin Yan however gently avoided the topic, not refusing but obviously not agreeing, so that Lin Hao would not feel that she was frivolous and not make Wang Sledgehammer feel offended.

Lin Hao secretly sighed, this woman's social skills were really brilliant, and frankly, this kind of person, no matter what era she was in, always ate well.

The people inside seemed to hear the commotion outside, and a group of beautiful young, sexily dressed beauties came running out.

“Wow, two big handsome guys, sisters, no one is allowed to steal from me tonight!”

“Fuck off, you can't even eat one, and you want two? Handsome guys are for everyone! The husband is your own!”

“Sister Lin'er is right, the handsome guy is for everyone, there are only two handsome guys in total, no one is allowed? I'm not allowed to take them! Exclusive!”

What the hell kind of tiger words are these!

This group of sexy beauties, when they saw Lin Hao and the disguised Wang Da Hammer, their eyes were green, and they were all so excited.

Lin Hao looked dumbfounded, these women were too coolly dressed, right? Some even directly sexy bikini, the key to this statement, really celebrity?

Even if they were hiring actors, they would have to act a little more like it, right?

In fact, this is really a celebrity, is the water family to use the relationship gathered over the celebrity, the family's assets are basically more than a billion

existence, but invited are some of the beauty, and are usually more open to play, so there is Lin Hao saw this scene.

This circle is that the conservative ones are really conservative and have strict family teachings. And the ones who play openly, that's called playing openly, only what you can't think of, there's nothing they won't play!

“Cough cough, I say sisters, you guys watch your image, okay? My friend is here for the first time, you guys don't want to scare my friend.” Lin Yan spoke awkwardly and lamented in her heart, she was creating a sin, she couldn't compete with this group of wolf-like pussies!

Each one of these women had a different status, she couldn't afford to offend them, she even regretted bringing Lin Hao here, but Lin Yan didn't bother to mind, she could just eat Lin Hao in the end anyway.

## Chapter 2766

“What are you talking about sister Lin Yan, by the way, which one is your boyfriend? Don't worry, we will definitely treat your boyfriend gently.” Three or four pretty beauties ran over and pulled Lin Yan in for a flurry of questions, while the other women didn't care about you and directly surrounded Wang Da Hammer and Lin Hao.

A total of more than a dozen women directly surrounded Lin Hao and Wang Sledgehammer, Lin Hao was so embarrassed that he wanted to turn around and run away, Mud, these women were too scary, surrounding over and squeezing around, deliberately rubbing on Lin Hao, what's more, some of the women even openly got their hands on him, this is still okay!

As for that bastard Wang Sledgehammer, he was enjoying himself and even couldn't wait to take the initiative to respond.

Lin Hao's entire body was in the clouds, and he didn't even know how he got into the villa. A group of women were mooching off Lin Hao, while asking him

what he did, as for whether he was married or not, whether he had a girlfriend or not, this was not something they cared about.

After all, whether they are married or not, whether they have a girlfriend or not, it has nothing to do with them, they just need to have fun, if not, they will spend money!

The first thing you need to do is to get a good idea of what you are getting into.

The first thing he did was to find an excuse to say that his stomach was not feeling well, so he was able to get out of it. Lin Hao smelled all kinds of women's perfume on his body.

He couldn't even explain it with eight mouths!

These women were like wolves and tigers, simply horrible, even Lin Yan couldn't get involved, Lin Yan really regretted her intestines, fortunately the invisible headphones she had fitted in her ears rang out, so Lin Yan settled down, her heart was calm, and she wasn't so anxious anymore.

As for Wang Da Hammer, he was in heaven at the moment!

Seven or eight women are surrounding him, pleasing him, like a lord, no, like an ancient emperor, with a flock of beautiful wives and concubines, a harem of 3,000 beauties, and a feeling that he can't even hug them left and right!

What a talent!

After Lin Hao ran out, he really went to the toilet, then went upstairs and began to observe this villa, which was a typical European style villa, divided into three floors, covering an area of over 300 square feet, excluding the large courtyard.

Just now did not even have time to observe, Lin Hao after a little observation for a while, immediately found many wrong places, this place is too obsolete? Lu Xiyi Paxan Serving Paxan? The place has been unoccupied for too long, although someone has intentionally redecorated it.

But the traces are too obvious, and the furniture has almost been moved from elsewhere, and although it was deliberately used by someone else, there are still some areas that have been treated out of place.

Most obviously, the villa is shrouded in a layer of mist at the moment, making it impossible to really see the surroundings, as if the place were shrouded in mist.

The gloominess here was also particularly obvious, and the temperature began to drop steadily. Lin Hao was about to open his eyes to see what was going on when Lin Yan's voice came suddenly, "Brother Lin Hao, why are you hiding upstairs by yourself?"

Lin Yan had just been given an order, she realised that Lin Hao had slipped upstairs and hurriedly seized the opportunity to go upstairs to look for Lin Hao. Just now, that hoarse voice suddenly came through Lin Yan's earphones, "Find a chance to do it, he's upstairs, as long as he drinks your stuff, he's at your mercy tonight."

Lin Yan was dumbfounded, what was it? This wine couldn't be that kind of stuff, could it?

"What are you staring at? Hurry up and go! I've put a spell on it, what's all this nonsense? The drug can control him for a while, but can it control him for a lifetime? This water is different, as long as I don't take the initiative to lift the spell, he will always be at your mercy."

That voice sounded again, but this time the tone was a bit colder.

Lin Yan shivered, and at the same time felt a wave of terror hit her, the other party was able to know her every move clearly.

What was the difference between that and a live action movie?

**Super Son-in-law Chapter 2767-2768 -**

## Chapter 2767

Lin Yan didn't dare to refuse, whatever he was so much, or Lin Hao was more to her liking, since that was the case, what was the point of worrying about it?

Lin Yan took two glasses of wine and quickly served ? picking up land picking up Wu Di Jie ? floor.

Lin Hao nodded but didn't say anything, he was waiting, he wanted to know, what the other party was trying to pull.

"Scared you, didn't I." Lin Yan walked over to Lin Hao, picked up a glass of wine and handed it to Lin Hao.

Lin Hao took the glass, but had no intention of drinking it, and let out a bitter laugh, "It's not just scared, it's simply terrified, they're too scary!"

"I think they're quite normal, ah." Lin Yan couldn't help but laugh lightly, she could see that Lin Hao was really frightened.

As the saying goes, when a man gets flirty, there's nothing for a woman, but when a woman gets horny, a man is just as bad as a horse!

Wooo~!

A gust of gusty wind came along with a strange shout, Lin Yan subconsciously shrank her neck: "It's a bit cold, brother Lin Hao, let's clink to warm up."

Lin Yan raised her glass and clinked it with Lin Hao, Lin Yan tilted her head and took a sip without any fear, while Lin Hao raised his glass with some hesitation.

But when he thought about it, it didn't seem to matter, his body strength, if something was really put in this wine, his body strength would be able to carry it, his body would have reached the level of invulnerable to all poisons long ago.

“You’re afraid you don’t want to die, how dare you drink this stuff?”

Lin Hao was about to raise his cup and drink it all, when Wang Sledgehammer’s voice suddenly sounded in his mind, Lin Hao’s movements froze, and before he could react he was suddenly snatched away from his cup by Wang Sledgehammer.

Lin Hao was shocked to find that Wang Sledgehammer had suddenly appeared from nowhere, Lin Hao hadn’t even felt the other party approaching!

Wang Sledgehammer picked up the wine cup in Lin Hao’s hand and clinked his glass with Lin Yan again, “Lin Yan big beauty, cheers.”

Just then, Lin Hao clearly felt that an inexplicable force was rapidly surging in that wine glass, and the glass was gently shaking as if it wanted to break free from Wang Sledgehammer’s hand and return to Lin Hao’s.

“Mud, who the hell is this bastard, coming to spoil things for me at a crucial moment! That guy Lao Ba too, what took him so long to come back!” Deep in the cave not far from the villa, the man shrouded in black mist cursed, holding a copper coin sword and sticking it to a yellow talisman, poofing out a burst of fire, while his mouth started chanting.

A cloud of mist even surged around him, revealing a hideous monster-like appearance.

At this time, the wine glass in Wang’s hand began to shake.

This side of Lin Yan suddenly froze, but there was nothing she could do, this stuff was only useful when given to Lin Hao, and if Wang Da Hammer drank it, wouldn’t it be bad?

But looking at Wang Sledgehammer’s blooming handsome face, there was some hesitation again, it seemed like this Jason was not bad, anyway, Lin Hao was right here, he couldn’t run away at all, it would be better to eat him next time.

“Cheers.” Lin Yan smiled as she raised her wine glass and took a sip.

“Cheers! I’ll perform another magic trick for you!” Wang Sledgehammer smiled heatedly, and after taking a sip of the entire glass of wine, he suddenly spurted out violently towards Lin Yan, the wine spraying all towards Lin Yan’s face!

However, to people’s shock, the wine sprayed into water vapour, turning into a colourful light, and did not touch Lin Yan at all, and then the wine quietly turned into nothingness.

Lin Yan was dumbfounded and looked at Wang Da Hammer dumbfounded, one was speechless this guy robbed Lin Hao’s wine not to mention, but also to spray out, what is this? The other was shocked, was this really magic? How did he manage to make the wine disappear, and he was able to transform it into a colourful light.

If she knew that he was so close to her, she would have to spray her face, but she didn’t even feel the vapour!

To the eyes of ordinary people it looked like this, amazing and unbelievable.

However, in Lin Hao’s eyes, it was very different. Lin Hao was shocked to discover that just now, the moment Wang Da Hammer sprayed that mouthful of wine, there was a hideous and terrifying strange face hidden inside the seemingly colourful glowing water mist, it was an incomparably distorted face!

## Chapter 2768

A stream of light, invisible to ordinary people, erupted from Wang’s mouth and swiftly swept towards the back of the villa!

Likewise, the moment Wang Sledgehammer extinguished the monstrous face in the watery mist!

The two big red candles inside the cave, one of them suddenly exploded with a loud bang, luckily the sound was not too loud, otherwise at such a close distance, coupled with the natural amplification effect of the cave, it was impossible for this side of the villa not to hear it.

The big red candle exploded and the old seven, shrouded in black mist, trembled and a mouthful of blood spurted out, all the objects on the table, all stained with the man's blood!

“Mud, it's that old son of a bitch! Wang Sledgehammer, you fucking wait for me!” Old Seven's face was furious and fierce, this wave of spaced out dueling almost instantly allowed him to determine the identity of Wang Sledgehammer!

That son of a bitch family that had been a single lineage from the beginning to the end, but had been fighting against their Heavenly Dao Palace!

Old Seven didn't dare to be lax, the Heavenly Dao Palace was a huge force, with a large number of people and an even longer heritage. But although the Wang family was a single lineage, each one of them was an existence of the level of a bastard demon king, and he didn't think he had the ability to fight with Wang Sledgehammer.

He was defeated in just one encounter, so he didn't dare to slow down and let out a distress signal, then quickly rushed out of the cave to escape quickly, or he would have to stay here!

“Hey, hey, want to run?” Wang Sledgehammer gave a cold laugh and took a fierce step, seemingly just a small step, but in a flash there was no more of his figure.

Lin Hao's pupils shrank, the technique of shrinking the ground into an inch!

This Wang Sledgehammer did not have the aura of an Illusionary Spirit Master, but this move made Lin Hao gasp in amazement.

Next to him, however, Lin Yan was frightened enough: “He, he, how did he suddenly disappear .....

Before Lin Hao could answer, shrieks suddenly rang out from below: “Ghosts ..... have ghosts!”

“Run, there’s a ghost in this villa, who’s going to save us!”

Lin Yan reacted and also shouted, “Ghost, it’s a ghost, that Jason is a ghost!”

Oh, the acting was quite like that!

At the beginning, Shui Yun Long wanted to use the ghost to control Shen Xiyan, so that Shen Xiyan would die to him, and after investigation, wasn’t that ghost extradited to him by Lin Yan?

This Lin Yan? The spirit of Lin Yan? She was a member of the Chinese government, and she was a member of the Chinese government.

However, Lin Hao wasn’t sure what the situation was on Wang Dahuang’s side yet, so he didn’t intend to expose her for the time being, “Don’t be afraid, let’s get out of here first, I’ll protect you.”

“Thank you brother Lin Hao, you’re so nice, I feel safe staying by your side.” Lin Yan’s face blossomed into a bright smile, coupled with the pitiful look of fear still on her face, it was truly a sight to behold.

Lin Yan even hugged Lin Hao’s arm and her body was trembling gently.

If Lin Yan did not still have some scruples, plus the current situation is not appropriate, Lin Yan afraid can not help but to integrate the whole person into Lin Hao’s body, even so, such a close distance, plus Lin Yan is originally sexy style, today is wearing a different kind of cool, make Lin Hao heart a diarrhea, but also can not help.

“Let’s go down first and see what’s going on down there, you stay close to me.”  
Lin Hao hurriedly pulled away from the other party a bit and quickly went downstairs.

“Brother Lin Hao, don’t go so fast, I’m scared, wait for me.” Lin Yan shouted several times and found that Lin Hao didn’t even care about her, Lin Yan was so anxious that she stomped her feet, that bastard Jason, even if he drank the wine that should have been given to Lin Hao, he still sprayed it, it was a waste!

Lin Yan had no choice but to follow Lin Hao at a fast pace.

Underneath the villa was already a mess, a dozen women were scurrying around an area like they had encountered a ghostly wall, screaming in terror.

“What’s wrong with them?” Lin Yan was shivering with fear, ready to hide in Lin Hao’s arms again.

## Super Son-in-law Chapter 2769–2770 –

### Chapter 2769

Lin Hao’s eyelids fluttered wildly: what happened to them? Don’t you have any points in your heart?

Lin Hao recited a mantra in his heart, and a cold, cold Qi surged between his eyes, so Lin Hao finally saw clearly what was in front of him.

Several hideous black shadows had directly entangled all these dozen women, and kept invading the Yin Qi into these women’s bodies, causing a terrifying panic effect, and the black shadows had entangled them so tightly that they didn’t have a chance to run away.

“I don’t know, it’s too scary, why don’t we run quickly.” Lin Hao revealed a frightened look, after all, this kind of bizarre situation, anyone else would be scared ah.

“Okay, let’s go, don’t mind so much.” Lin Yan immediately agreed, she was clear that Lin Hao wouldn’t be able to walk out at all, no one would be able to walk out now!

However .....

Lin Hao pulled Lin Yan and ran straight outside the villa, when he opened the car door for Lin Yan to hurry up and get in, Lin Yan was dumbfounded, “Uh, we, we really came out?”

“We’re out? Fuzzy Aisan Ais Lu Fuzzy Ais Closed? Came out, what’s wrong with that?” Lin Hao bristled.

“We, how could we have gotten out .....” Lin Yan, who was always a woman, had let slip in her panic that the mysterious man had told her that after going in, no one could get out unless they had his permission.

But now they did come out, does that mean .....

Bang!

A blackened figure was thrown in front of the two.

Then came Wang Sledgehammer’s voice: “Things are all settled, you’re still stranded here with her acting hairy!”

Lin Hao turned back in shock to find that Wang Sledgehammer had regained his own appearance and was strutting over.

“You guys!” Lin Yan saw Wang Sledgehammer and then listened to what she said, her expression became even more flustered and she hurriedly explained, “What are you guys talking about, how come I don’t understand a word of it, who is Lin Hao, do you know him?”

“Little beauty, I’m Jason.” Wang Sledgehammer smiled wickedly, this guy had quite a lot of evil intentions!

“You, you’re Jason? How is that possible!” Lin Yan panicked, especially since there was still a guy lying in front of her who was unknown to her in life or death, unable to really see if he was a man or a woman, let alone dead or alive.

Since Wang Sledgehammer was settled, there was no need for Lin Hao to continue acting, he looked at Lin Yan coldly: ‘Lin Yan, how much longer do you want to act? Stop pretending and tell me where Ling Yun is!’”

“Brother Lin Hao what are you talking about? What Ling Yun, I don’t know her, what’s wrong with all of you? Have you all hit an evil spell too?” Lin Yan deadpanned, still putting on a pitiful face and never admitting it. “Tsk, good acting skills.” Even Wang Sledgehammer couldn’t help but exclaim that Lin Yan’s acting skills could, ordinary people couldn’t really play her.

Unfortunately, Lin Hao and Wang Sledgehammer could be considered to know Lin Yan’s background, so naturally, they couldn’t be covered up by the superficial cover-up.

Lin Hao looked at Lin Yan coldly, “Lin Yan, no need to act, tell the truth and perhaps spare your life, otherwise the things you have done alone would be enough to kill you ten or eight times over!”

“Lin Hao what are you talking about? What did I act! I do like you, I want to sleep with you, is that wrong? Is this also against the law?” Lin Yan roared excitedly, obviously trying to cover up the weakness in her heart with a loud hiss.

“Exorcising ghosts to plot against others, spreading extreme information and propagating a cult, is that enough?”

“You are not a police officer, who are you to convict me, do you have any evidence for these claims? If not, I can sue you for false accusation! Slander!” Lin Yan’s mouth was still strong, but her voice betrayed her heart, she was completely panicked at this moment.

How could it be possible that he knew even such a secretive matter, he was just an ordinary person!

Lin Hao sneered at Lin Yan and ignored her, turning to look at the group of trapped women, looking at those black shadows whose faces had become hideous to the point of madness, had become ferocious and no longer sane, there was no longer any possibility of taming them, the only way was to send them away directly!

## Chapter 2770

Lin Hao no longer needed that road guide to directly open the channel to communicate with the Hall of Reincarnation, and at that moment, he violently stepped on the ground, and at that moment, it was as if the earth was trembling: “The Underworld is in order, the Yellow Springs can be crossed, open!”

In front of Lin Hao, a spectral light lit up, followed by the spectral light expanding to form a circular passage.

Swish!

A big bright red tongue poked out of the passage and rolled around violently, the several shadows let out a miserable scream and were directly swept up in the big tongue and disappeared, then the spectral light slowly dissipated, the women woke up with a start and let out terrified screams one after another.

They all scattered, not caring about the others, and got into the car and ran for their lives.

It was over!

Seeing this scene, Lin Yan, no matter how stupid she was, understood how ridiculous her sophistry was in the eyes of the other party.

Lin Hao was just an ordinary secondary school teacher, so what if he knew some powerful rich kids? It was still an ordinary person!

What about her? She was the spokesperson of the gods on earth, an existence beyond mortals, but why was she no better than an ordinary man like Lin Hao?

“Mage, save me!” Lin Yan still wanted to grab the last straw and turn to the mage who had arranged all this.

Who knew that when she opened her mouth, the voice rang out from the guy in front of her who was alive and dead.

“Ah .....” Lin Yan screamed miserably as she backed up and looked at the dark figure lying on the ground in horror.

How was this possible, that the mage had been caught by them, now Lin Yan couldn't believe to her death that Lin Hao and the others were ordinary people!

How could ordinary people possibly catch these people?

But Lin Yan was still unwilling, and took out a shrunken version of the Cross Holy Sword, covering it at the door of her heart, and spoke reverently, “Guard the faith, visit the earth, O great Lord God, listen to my summons .....”

CLICK!

The cross holy sword directly shattered and also pierced Lin Yan's hand.

Lin Hao and Wang Sledgehammer didn't stop Lin Yan either, except that the two of them looked at her with playfulness in their eyes.

Not caring about the two men's expressions, Lin Yan pulled out another six-manifold pendant and continued to pray and call out, “By the will of God, let the holy light descend upon the earth, O greatest and most supreme angelic lord, please listen to my prayer and descend upon the earth to redeem your most devout believers.”

Then the six-manifold pendant also completely shattered, and before Lin Yan could even pray to the other sects, all the miscellaneous things on her body shattered in response, as if she was afraid of being taken out by this guy and revealing that they had a hand in this.

“I don’t believe it, no!”

Poof!

Lin Yan, who was furious, spurted out a mouthful of blood furiously and directly fainted to death.

The gods who once thought that each and every one of them was supreme were now treating her like they had abandoned her, hating to get rid of her, and it was only at this moment that she understood that she had been abandoned by all the gods.

Boom~!

Rumble!

Rolling thunder came from the pitch-black night sky.

Click!

A blinding silver light cut through the void and then intertwined, illuminating the land, the firmament, in its entirety.

A terrifying thunderbolt, containing a glorious heavenly might, coiled in the sky above the villa and did not disperse, even increasing in power.

Lin Hao narrowed his eyes and stared up at the sky, someone was controlling this terrifying thunder!

The person behind it was not simple, and Lin Hao did not dare to slow down, quickly gathering the ultimate sword intent in his body, waiting for an opportunity to move.

“What the hell are you doing?” Wang Sledgehammer disliked Lin Hao with no good grace, “You’re no match for them, these old things are really restless, it seems that Chen Bei Xuan’s side is progressing well, otherwise these old things wouldn’t be so eager to leave the Heavenly Dao Palace.”

Lin Hao’s brows were locked, what was the Heavenly Dao Palace again?

Could it be that? Dyed er whisked grasping love love closed? The Heavenly Dao Palace that Wang Sledgehammer was talking about was the one who started this recent series of strange events? The one behind the manipulation?
