

Super Son-in-law Chapter 2791-2800 -

Chapter 2791

“Could he have sensed something?” Qin Yan wondered a little, picked up her phone and dialed a mysterious number.

A hoarse voice came from the other end of the line, “Failed the mission?”

“It’s none of your business whether I failed or not! I’m asking you, is my aunt’s disappearance really related to him or not? Does he really know about my aunt’s news?” Qin Yan asked coldly, not looking kindly at the mysterious man either.

“I am one hundred percent sure that it is completely related to him, and whatever happened to your aunt was caused by him.” The hoarse voice answered Qin Yan with extreme certainty and told her that since there was no way to make progress on her end, then let her find a way to get Lin Hao to their designated location where they could help.

On the other end of the phone, the senior brother of the righteous Old Eight, Tian Laojiu, picked up the threads that had been buried in Jinling before, Qin Yan’s destiny had been toggled, not to mention that he had had the fuses planted early on, and as soon as Tian Laojiu came to Jinling, he immediately took over the pawns.

Now Ling Yun was also in the hands of Tian Lao Jiu, if Qin Yan’s line was ruined, then he could activate Ling Yun’s line.

“I know.” Qin Yan icily would promise a sentence and quickly hang up the phone, frowning, in search of how to ask Lin Hao out and bring him to the designated place?

The first thing you need to do is to get rid of the problem.

Qin Yuxin has disappeared without any news, looking for her aunt, also known as Qin Yuxin’s father. The same stammering refuses to tell Qin Yan, who knows

things are bad and starts looking for Qin Yuxin, but has no clue, and as a result, the only clue is just in Lin Hao.

After all, before Qin Yuxin disappeared, the most contact was between her and Lin Hao. It was also at this time that a disciple from the Heavenly Dao Palace hooked up with Qin Yan and informed her that everything was done by Lin Hao, but this Lin Hao was not simple and the other party was willing to cooperate with Qin Yan.

Coupled with the fact that Qin Yan's destiny had been rattled, she naturally listened to the other party's arrangement, and Qin Yan was bent on finding Qin Yuxin, which was also the result of the Heaven's Path Palace disciple's calculations.

Qin Yuxin's gaze began to grow more and more determined: "No matter what, by what means, at what cost, I must find my aunt! And make you pay the price you deserve!"

Just after walking downstairs with Lin Yan, Lin Hao's eyelids twitched slightly, Lin Hao stopped in place, instinctively feeling that something was wrong, since learning the Six Nonfingers, Lin Hao's perception of these had become even sharper.

Just for a split second, it felt as if someone was counting on him, and had already started to act!

Lin Hao raised his right hand to deduce something, but could not deduce anything, it seemed that there was another in the underworld? It seemed that there was another? It seemed that there was another?

"The actual fact is that you'll be able to get a lot more than just a few of these. The actual fact is that you'll be able to get a lot more than just a few of these. Don't tell me you know this too." Lin Yan knew that Lin Hao was not simple, after all, the man for whom the gods bent their backs, but Lin Yan did not quite believe that Lin Hao could tell fortunes.

Lin Hao smiled and shook his head, “No, my eyelids were jumping a lot just now, I reckoned that someone was trying to calculate me.”

“Brother Lin Hao, you don’t have to do that, do you? Don’t be so accusatory.” Lin Yan was a bit tearful, was she that untrustworthy?

Lin Hao shook his head, “You misunderstood, I wasn’t referring to you, otherwise I wouldn’t have come down with you. Well, this won’t affect other people’s classes anymore, so tell me, what exactly is it that you’ve gone to so much trouble to find me?” Hearing that Lin Hao was not referring to herself, Lin Yan was relieved and was still quite happy in her heart, she had just really thought that Lin Hao was referring to her.

These days Lin Hao was avoiding her, and she knew why, she was afraid of provoking herself, but she just wanted to give Lin Hao an explanation.

But she just wanted to give Lin Hao an explanation, and now there was something she had to ask Lin Hao for help.

Now she is focusing on teaching, although Lin Hao hasn’t given a few PE lessons to Class 6, the students in Class 6 have changed dramatically and are much more serious in class, Lin Yan suddenly realises that these students can still be saved a bit more.

Chapter 2792

With the cooperation of the teachers of other courses, the results did change quite significantly, which made Lin Yan even happier. She also started to become more concerned about her students.

“Actually, I came to you, one is to apologise to you, and the other is to ask you for a favour.” Saying that Lin Yan gave Lin Hao a bow and said sincerely, “I apologize for the trouble I caused you before, I’m really sorry, don’t worry, from now on we will only talk about business matters, in private we will be ordinary colleagues.”

Lin Hao looked at Lin Yan with some surprise, feeling that Lin Yan was telling the truth, her personality had all become different from before.

Lin Hao believed the other party's words and nodded, "Let's go by what you said, in fact, you're quite good like this now aren't you? Then what do you want me to help you with?"

"Actually, it's the matter of Chen Yuan." Lin Yan told Lin Hao the reason for the matter.

Didn't Chen Yuan take some time off sick some time ago, and then finally came back to class? But her spirit had been somewhat depressed and in a poor state, and from time to time she would suddenly chant about Lin Hao.

Once Lin Yan, also a believer in the Light and Shadow Society, was still able to sense that Chen Yuan was carrying some undissipated Yin Qi, and she used her methods to try to help, but to no great avail.

Especially in the past few days, the situation had become more and more serious, but she refused to take time off work. Lin Yan felt that this little girl was probably also because of Lin Hao, the little girl was thinking of spring ah.

Lin Yan wanted to seek Lin Hao's help to solve the problem, who knew that Lin Hao had been avoiding her, like avoiding the plague, if not for Lin Hao's initiative to show up today, she didn't even know when she could see Lin Hao.

"Let's go, go and have a look." Lin Hao frowned up, it shouldn't be reasonable, Lin Hao was quite impressed with this stupid girl Chen Yuan.

He had already solved Chen Yuan's trouble before, so it was reasonable to say that he would be fine after a normal rest for a while, how could it last so long? And it had gotten worse?

Lin Hao didn't know the other party's birth date and eight characters, so it was no good to give them a calculation, so he had to see what was going on in person first.

Lin Hao had just walked into the classroom and immediately caused the whole class to stir.

“Wow, the handsome Mr. Lin is finally here! Today Mr. Lin is handsome again!”

“My goodness, Devil Lin is here, this is going to ruin PE class again.”

“I’m even more curious about how Mr. Lin, who has been avoiding our class teacher for so long, suddenly popped up today?”

Lin Hao looked at the group of students with tears and laughter and said without good grace, “Looks like I’ll have to take a day off today.”

Swish!

Everyone instantly withdrew their voices and acted like good babies.

Although taking Lin Hao’s P.E. class was a bit of a headache for them, not as easy as other classes’ P.E. classes anyway, but even if it wasn’t easy, it was still better than nothing.

If it was lost, how could it be?

Lin Yan looked at Lin Hao with admiration, she, the class teacher, did not have such a majestic air, Lin Hao’s words, let this group of restless master, instantly he settled down.

However, Chen Yuan, who had been longing to see Lin Hao, did not move, and at this moment weakly fell asleep on her desk.

Looking at Chen Yuan’s appearance, Lin Yan was also heartbroken: “This girl is stubborn, she won’t listen to any persuasion, she just won’t take leave, and you know this situation of hers, the effect of taking medicine is basically not effective.”

Lin Hao nodded, he naturally knew this, he observed carefully and found that Chen Yuan did have quite a lot of Yin Qi surging around her body, but not that thing haunting her.

At the same time, Lin Hao also found a subtle intervention of foreign forces in her body, it seemed that those people saw that they disliked this girl quite a lot and were not willing to give up the line yet.

The reason why Chen Yuan was in such a bad state was due to the invasion of Yin Qi. A girl's Yin Qi was already heavy, and when she was tossed around like this, her mental state naturally deteriorated.

However, the other party obviously did not want her life and deliberately controlled it to a degree.

Super Son-in-law Chapter 2793-2794 -

Chapter 2793

“Can we solve this problem?” Lin Yan looked a little sad, these were all her students ah.

Lin Hao nodded, “It's easy to solve this problem, but treating the symptoms is not the root of the problem, this girl is also dragged into this because of me. Those people who want to mess with me want to use her as a lead ah.”

Lin Yan instantly realized, she had been involved before, so she naturally knew what Lin Hao meant by that, those mysterious people, although she had never really come into contact with them, she knew how powerful they were.

Lin Yan also wondered a little, how could those mysterious people have the guts to deal with Lin Hao, a man that even the gods needed to look up to? The key deities were all afraid of Lin Hao, so it should be easy for Lin Hao to tackle those mysterious men.

Lin Yan didn't dare to ask, even if he did Lin Hao wouldn't answer, it wasn't a question of the same nature and he was subject to many restrictions, moreover Lin Hao felt that this Heavenly Dao Palace was deliberately left to himself to play with.

With that guy Chen Bei Xuan's ability, even if he didn't know the exact location of the Heaven's Path Palace, he definitely knew about the existence of this organisation.

Lin Hao walked over to Chen Yuan's desk, her desk mate covered her mouth to keep herself from crying out in shock, and gently poked Chen Yuan with her elbow.

But the table next to him was so anxious, didn't you want to see Mr. Lin Hao so badly? You, now Mr. Lin Hao is here, but you can't wake up, what is this matter?

Lin Hao gently shook his head towards her deskmate, the spiritual qi in his body converged from his limbs and bones to his hands, Lin Hao gently placed his hands on Chen Yuan's head, his five fingers lightly and softly massaging Chen Yuan's head, in fact, he used this way to transfer the spiritual qi into Chen Yuan's body.

At the same time? Xiyi Sei Zha Lu Yi Shan Zha? It shook away the Yin Qi in her body, but there seemed to be something inside her that was producing a constant stream of Yin Qi. Although it shook away the Yin Qi in her body, there was still a constant stream of Yin Qi that appeared, albeit slowly, but in a few days, she would have to return to this situation again.

Lin Hao searched around and could not find the root cause of the Yin Qi, so Lin Hao had to give up, even if he could only treat the symptoms but not the root cause, he had to restore her state first.

Everyone was holding their breath as they watched this scene, and many of the girls were even more envious.

Chen Yuan's body trembled gently and woke up with a cry.

Is Mr. Lin's massage so divine?

If Lin Hao couldn't even solve this little problem, then he wouldn't deserve to be so admired and feared by those gods.

Chen Yuan woke up leisurely and felt a hand on her head pressing her head, Chen Yuan subconsciously lifted her head, only to see Lin Hao who she had been longing for day and night, Chen Yuan was instantly confused and froze in place.

This girl's pale pretty face, coupled with her dumb look, was simply too stupid to be true.

"This didn't even wake up? Looks like the pressing didn't work, no more pressing." Lin Hao laughed.

Ah!

Chen Yuan jerked awake, shrieked, and hugged Lin Hao's waist all of a sudden, so excited that she cried, "Wooo, Teacher Lin Hao, I thought I'd never see you again!"

"What should I do, ooh, Xiao Yuan is going to die, Xiao Yuan is afraid that she won't be able to see Teacher Lin once before she dies."

Lin Hao: ????

What the hell are you talking about? Is it that stupid?

Besides, what's the point of seeing me just to die? It would be better to spend more time with my parents.

"What are you talking about, you idiot? Just now the teacher pressed the acupuncture point on the top of your head, feel it yourself, did you feel better all of a sudden?" Lin Hao scolded with a smile.

Chen Yuan was dumbfounded, felt it carefully and let out a surprised cry, "Hey, it really seems like it! It's not that uncomfortable anymore."

After saying that Chen Yuan shook her head in a serious manner again, “But Xiao Yuan doesn’t feel like that, Xiao Yuan must be dying, just because she was happy to see Teacher Lin Hao, it created the illusion that she was already well, I’m returning to the light, it’s over, Xiao Yuan will really never see Teacher Lin Hao again.”

Chapter 2794

Lin Hao was made to cry and laugh by Chen Yuan’s sudden reversal, what a return to light, little girl, you know a lot!

“Alright, seeing how pitiful you are, teacher take pity on you, let’s go, teacher treat you to one last meal to see you off.” Lin Hao said without good humour.

Next to her, Lin Yan however glared at Lin Hao, the little girl was sad to what extent, you still have the heart to joke?

“Huh envy the individual.” The classmates next to him were up in arms, with real envy in their hearts.

Chen Yuan raised her head in surprise and weakly looked at Lin Hao: “Is it really the last meal? Can I hold on a bit longer and die later, it’s good to have one more meal.”

Puff!

Lin Yan and the others were all amused by Chen Yuan, even her tablemates were laughing their heads off.

Chen Yuan was just a bit stupid, but not silly, and reacted with some wonder, could she really not die?

But all this time, she had felt like she was going to be finished, dead, countless times.

But now she feels fine and is more energetic than she was before she got sick, so she's not going to die? Is she going to die? The first time I saw it, I felt like I was going to die, right?

The first time I thought of this, I was so nervous for Chen Yuan that I looked at Lin Hao with tears in my eyes, "Teacher Lin Hao, if I don't die, you won't stop eating with me, right?"

Lin Hao held his forehead speechlessly, "Why are you focusing on something strange? I'm really convinced by you too."

"Come on, I'll take you home first." Lin Hao was rendered speechless by this stupid girl, and said hello to Lin Yan, so that if he didn't get back in time for the afternoon PE class, he would first switch with another teacher.

Chen Yuan, however, was still confused when her tablemate poked her before Chen Yuan jumped up with a shriek, grabbed her school bag and ran happily out of the classroom towards Lin Hao.

Because Lin Hao had come to school by taxi, it wasn't time for school to end, so naturally Xu Lin didn't come to school either.

Luckily, Lin Yan knew that Lin Hao hadn't driven over and handed his car keys to Lin Hao, who took a look at the car keys and exclaimed, "Lin Yan, rich people."

"Bah, do you want a face you?" Lin Yan rolled her eyes, not bothering to pay attention to him, there was no such irritation, as far as Lin Hao was concerned, he was not the one who lacked money.

Lin Hao asked Chen Yuan quite a few questions along the way, such as who she had been in contact with recently, or what strange people she had come into contact with, however, this Chen Yuan guy was still dizzy in the head, answering the wrong questions, and couldn't come up with any answers even after half a day of asking.

This made Lin Hao really depressed.

He couldn't even ask this stupid girl about her birth date and simply shut up, but Chen Yuan was happy, chattering like an oriole that couldn't stop.

Lin Hao finally arrived at the Chen family's villa. Just after entering the villa, Lin Hao could see at a glance that something was wrong with the Chen family, and that someone had tampered with it! The villa was surrounded by Yin Qi, and the four directions, southeast and northwest, had all been placed under someone's hands, and the Yin Qi surrounded and enveloped the entire villa.

In such a situation, even the strongest person would have to be constantly eroded to the end of the ball, it seemed that the other party had not just made a move on Chen Yuan this time, but had bet on the entire Chen family.

Lin Hao could see that something was wrong, but could not find a solution for the time being, the other party had laid the Yin gathering formation, but if he could not find the eye of the formation, the formation could not be broken.

“What's wrong teacher Lin Hao? You're not going to back out, are you?” Chen Yuan was thinking of having a meal with Lin Hao, she hadn't had a meal with him yet, she had arrived at home and saw that Lin Hao was not willing to go in, she was afraid that Lin Hao would regret it again.

Lin Hao to this girl whole speechless, but also quite good, too smart instead of good, add trouble.

He also wanted to ask Lin Hao for help. The Chen family's matter was originally solved by Lin Hao.

The Chen family's matter was originally resolved by Lin Hao's help, but this time the matter could not be solved by other people, and he also looked for Lin Hao, but by coincidence, he was wrong.

Super Son-in-law Chapter 2795-2796 -

Chapter 2795

Xu Lin was also embarrassed to look for Lin Hao again, feeling that Lin Hao was deliberately avoiding them and did not want to get involved.

Who knew that today Chen Yuan had brought Lin Hao home, making Xu Lin that happy, it seemed that Xiao Yuan still had great face.

“Mr. Lin, welcome, it’s great that you’re here.” Xu Lin excitedly shook Lin Hao’s hand.

“Uncle Xu Lin, aren’t my parents home?” Chen Yuan couldn’t hear her parents move, the whole Chen family was cold and lifeless.

“Your parents have gone to work, so they have so much time to stay at home all the time, you go in first, I have some things to talk to your teacher Lin.” Xu Lin was full of helplessness, but he didn’t dare to say anything too heavy to Chen Yuan, after all, among the Chen family, the most serious one was Chen Yuan ah.

However, Xu Lin could also see that Chen Yuan was now in a much better condition, her physique was all a bit better, her face had some blood in it and looked a lot rosier, Xu Lin naturally knew that this was due to Lin Hao.

“Okay right, then Mr. Lin Hao, I will go to the kitchen to prepare the food first, you are not allowed to run away later oh.” Chen Yuan was still afraid that if she wasn’t here, Lin Hao would take the opportunity to leave directly after chatting with Xu Lin, she had managed to catch Lin Hao with great difficulty.

Xu Lin looked at Chen Yuan and then at Lin Hao with some surprise, a little confused as to what this was all about.

After Lin Hao nodded, Chen Yuan happily walked into the villa. The moment Chen Yuan stepped into the villa, Lin Hao’s eyes suddenly narrowed.

Lin Hao was shocked to realise that he had found the eye of the formation! Chen Yuan was the eye of the formation! And the true formation eye that allowed Chen Yuan to move the entire formation was the thing that was constantly generating Yin Qi within her body.

Now well, the formation had been found and the eye of the formation had been discovered, but Lin Hao was still embarrassed when he was still unable to do anything about it.

Because Lin Hao had checked twice before and knew that something was messing with her body, but couldn't find out exactly what the messing thing was!

“What's wrong Mr. Lin, is it that you can see what's going on?” Xu Lin noticed the change in Lin Hao's demeanour and hurriedly enquired.

Lin Hao shook his head helplessly and did not reply.

Xu Lin sighed and told Lin Hao that in fact, these days, the Chen family was quite miserable, in fact, Chen Lin's parents had not gone to work, but were in hospital.

Lin Hao glanced at Xu Lin and expressed his understanding, he could see that with such a dense Yin villa, it was natural to have problems after living in it for a long time, Xu Lin's situation was also a bit serious now, his breath was a bit weak.

The servants in this villa had either been sent away or something had happened, otherwise it wouldn't be so cold and lifeless, after all, even Xu Lin had problems now, and if it wasn't for the rich spiritual energy supporting him, I'm afraid he wouldn't even dare to live here.

Originally, he wanted to take Chen Yuan out of the villa so that she would not continue to live here, but strangely enough, as long as Chen Yuan did not spend the night in the villa, she would be in pain, even as if she was enduring boundless torture.

But as Chen Yuan's body became weaker and weaker day by day, it was heartbreaking for everyone to watch.

The good thing is that today Lin Hao came, Chen Yuan's situation has improved, although now Lin Hao is not able to solve the problem of this family for the time being, at least alleviate the problem ah.

“Someone has moved around this villa, the problem is a bit troublesome, can you contact Chen Lao? Ask him to give me the family’s birth date and eight characters, I’ll see if I can find out what the problem is.” Lin Hao couldn’t decide either, he was just afraid of forcing the formation without permission and causing harm to others, that would be more than worth the loss.

“Okay, everything is under Mr. Lin’s arrangement, wait a little while I will go and make a ? Yi Yi Er Di Zero Ai Yi Xi ? phone call.” Xu Lin was so excited that he hurriedly went to call Chen Youde.

Lin Hao was unaware that in a shadowy corner of a villa not far from the Chen family villa, there were three pairs of grim eyes staring straight at him.

“Hehe, he really found out the problem and learnt two hands from Wang Sledgehammer, but even if it’s Wang Sledgehammer himself, he can’t have a huge achievement in the short term, this formation is to test his depth, give it to him to break, can he break it!” The man in black in the middle had a gloomy and cold gaze, and his words were full of disdain for Lin Hao.

Chapter 2796

“Ninth Senior Uncle himself, he wants to break it too? Are you kidding, if we talk about fighting we may not be his opponent, but when it comes to deduction and formation, our Heavenly Dao Palace is the true ancestor, he, ah, is far from it.” The two black-clothed men next to him said in successive compliments.

On Lin Hao’s side, he had already obtained the birthdate of the three Chen family members, and after a burst of deduction through the birthdate, Lin Hao’s face became more and more gloomy, Mud, these guys are really bad!

They had set up a yin formation here, and they had even set Chen Yuan as the eye of the formation, but they had even forcibly changed the fate of the three Chen family members, and Chen Yuan had automatically become a person with a yin fate, complementing the formation.

To put it bluntly, Chen Yuan became part of the formation, and the formation could not exist without Chen Yuan, who was also inseparable from the formation.

If time goes by, Chen Yuan will be drained by the formation and killed.

The key to breaking the formation lies in Chen Yuan, but if he wants to break the formation, he will have to change Chen Yuan's fate against the heavens and change her destiny back, which would undoubtedly be tampering with her destiny again, not to mention the consequences of this, and Lin Hao alone is not capable of doing this at the moment!

The key is to do so, obviously against the will of Heaven, the repercussions may not only be his Lin Hao, but also the entire Chen family, that's why Lin Hao cursed these bastards for their lack of virtue.

Lin Hao gritted his teeth, "Damn you, if you're so immoral, then let's get you guys into some trouble! I don't want you bastards to think that I'm really this? I don't want you bastards to think that I am really this? So easy to bully!

Lin Hao took out the ram's horn hammer, recited the incantation and started pacing back and forth in the four directions of the villa, and in one direction where the Yin energy was the densest, Lin Hao waved the small hammer and gave him a hard blow.

When the hammer came into contact with the Yin Qi, it rose several times and became the size of a normal hammer. When Lin Hao hit the hammer hard, there was a muffled sound, as if something had suddenly been hammered, and the sound was very dull!

A hammer came from all four directions, and for a while the Yin Qi around the whole villa was shaken away a lot, but Lin Hao didn't take it well either.

Every time the hammer went down, it was as if he had hammered a big hammer into his own heart door, could it be that this was the backlash of forcibly breaking the formation?

This time was also the first time that Lin Hao and these guys had exchanged a handful of blows by the same means.

The moment the final hammer fell, Lin Hao's body shook tremendously and a mouthful of blood sprayed all over the ram's horn hammer, which absorbed the blood Lin Hao spewed out in a fiery manner, and a faint fluorescent light shone even more on it, glowing crystal clear and emitting a surplus of precious light.

Lin Hao wiped the blood from the corner of his mouth, "What this guy left me is really a treasure, this blood was not in vain, it was worth it!"

Poof!

As Lin Hao spat out blood, the three people hiding in the shadowy corner of the villa not far away, staring at the Chen family villa, all spat out a mouthful of blood at the same time, and their breath abruptly shriveled up.

They were all terrified, especially the middle one, Tian Lao Jiu, who couldn't care less about the blood gushing out of his mouth as he cursed in a low voice in terror: "Wang Sledgehammer son of a bitch! He gave him the ancestral hammer of the Wang family, isn't that a scoundrel? Is he not able to play, grass, don't play if you can't afford it!"

"It's a good thing this kid isn't very good at this, otherwise if this fell into his hands, none of us would be able to escape today! Let's leave here and move at night, report this up, the elders will definitely not let go of the rule-breaking Wang Sledgehammer!" Gritting his teeth and holding his breath, Tian Lao Jiu finished his words and left first without looking back.

There was no other way, if he held on any longer, it wouldn't be as simple as spewing a mouthful of blood later.

It was true that Lin Hao couldn't break this formation, but if he acted like this a few more times, the formation would not be broken, but they would be ruined.

Once they were ruined, wouldn't the formation break itself?

Therefore, they had to strategically retreat first and wait until Lin Hao left at night to remove the formation.

Super Son-in-law Chapter 2797-2798 -

Chapter 2797

Lin Hao was completely unaware of these things, and was currently worried there.

The difference between himself and the person who had set up the formation was not ordinary, and just now he was barely able to hold on by relying on the treasure left by Wang Sledgehammer.

Xu Lin was pleasantly surprised to find that the gloomy aura around him had improved a lot and was not as gloomy as before. It seemed that what Lin Hao was fiddling with was having an effect.

Xu Lin excitedly went to look for Lin Hao, only to find him in the backyard holding the wall, getting up and shushing, wiping the blood from the corner of his mouth, while there was still a puddle of crimson blood on the ground, obviously just vomited.

This scared Xu Lin enough to rush over and help Lin Hao: “Mr. Lin, what’s wrong? Did someone attack you? How did you get it so badly!”

“I’m fine, it’s not serious. This situation of the Chen family is somewhat alleviated, there is not much of a problem for now, but my solution is also the original solution to treat the symptoms but not the root cause, it will only last for a while.” Lin Hao was quite helpless, Wang Sledgehammer was afraid that he would be too greedy to chew, so he didn’t dare to give him too much learning of the art of celestial calculation at once.

Now he was relying on the only six-non finger, and this little ram’s horn hammer to hold up the scene.

“Then, Mr. Lin, the next time you do this. Just ask you to come through again, is that what you mean?”

Hearing Xu Lin say this, Lin Hao spurted out a mouthful of old blood again, do you think you can't die if you spit up some blood again after a while or what?

You can't make people feel this way!

With this hammer, Lin Hao clearly felt that the surrounding forces were gradually receding, the four-way formation was not as strong, and the surrounding Yin Qi was dispersed.

Lin Hao raised his hand in a flash, tapping his fingers together and quickly began to deduce.

Lin Hao turned around expansively and looked towards the villa where Tian Lao Jiu had just been hiding, his gaze revealed a look of realization, “So it's nearby, it seems to be a first encounter with the Heavenly Dao Palace, I never thought that I, Lin Hao, would one day be able to fight with someone across the sky.”

The initial encounter had taken a considerable advantage, although he himself had suffered a backlash and was badly injured, he thought that the other party was no better, otherwise with Lin Hao's current deduction level, it would have been impossible to deduce the other party's traces.

Lin Hao wielded his hammer once more and was about to hammer down when a sudden disturbance of Yin Qi surged around him.

“Ah~!”

Chen Yuan's miserable scream suddenly came from inside the room, scaring Lin Hao's hand to shake and hurriedly put the hammer away.

It still didn't work, if they wanted to break the formation, they had to disarm the formation eye, otherwise there was no way to deal with this matter.

“Bunch of sons of bitches.” Lin Hao put the hammer away and ran into the villa with Xu Lin, finding Chen Yuan muddled? Serving closed cover Ai Yi Er Yi? lying in the living room covered in blood.

Xu Lin was so frightened that he hastily picked up the dust rim and put his aura into Chen Yuan’s body desperately. Lin Hao looked at Xu Lin in surprise, how come this Xu Lin felt more worried about her than Chen Yuan her father?

Lin Hao looked into Chen Yuan’s body and quickly stopped Xu Lin, “Elder brother Xu, hurry up and stop, if you keep pouring spiritual qi into her endlessly, it will only burst her!”

Xu Lin’s body trembled, and only after Lin Hao’s reminder did he suddenly wake up and hastily stop channeling his spirit energy, he also reacted to the fact that Chen Yuan was only an ordinary person and could not withstand spirit energy at all, even his purest origin spirit energy.

Chen Yuan’s body was not seriously injured now. Just now, he should have broken the formation and triggered the agitation of the formation eye, which caused Chen Yuan’s injury.

Chen Yuan was still in a coma and had no intention of waking up.

Lin Hao was quite surprised, “Elder brother Xu has a great relationship with Xiao Yuan, huh?”

“I’m sorry to make Mr. Lin laugh, but Chen Youde was kind to me and once saved my life, and Xiao Yuan is the one I grew up with, and I’ve always treated her like my own daughter.” Xu Lin sighed, he just didn’t know who had offended him to treat the Chen family so badly.

Xu Lin also knew that it could also be because of Lin Hao, but it was not Lin Hao’s fault, rather Lin Hao had helped the Chen family a lot.

Chapter 2798

Let's say that last time, after Lin Hao reminded him, Chen Youde mentioned? The ground Shanxi service dyeing the ground closed? It was only by withdrawing from the market beforehand that he avoided being sniped along with the Shui family, with all the shares becoming a bubble and going up in smoke.

Chen Youde left the field early, saving most of his strength, and later, with the help of Junmen Technology and Tianji Medicine, and the Lin En family a piece, jointly opened a new company, as long as these two giants do not target them, their two future value will certainly still have to grow ten times or even a hundred times, and become a real behemoth.

Of course, all this is an afterthought.

“Give me an address, I'll go and see Old Brother Chen and the others, you stay home and look after this girl, her situation is still unstable right now, at least, I haven't solved the problem with her yet.” Lin Hao was also quite helpless, although he had the treasure in hand, he had no clue to crack the formation eye on her body.

“Please trouble Mr. Lin.” Xu Lin handed Lin Hao the address where Mr. and Mrs. Chen Youde were hospitalised.

Lin Hao didn't stop and went to the hospital to meet Chen Youde and his wife. Chen Youde was also quite surprised and excited to see Lin Hao, and when he learned that Chen Yuan's condition had been relieved, the couple was so grateful that they got up from the hospital bed with great difficulty and kowtowed to Lin Hao.

Lin Hao couldn't stop them, so he had to accept their big salute in the end.

Lin Hao found that the couple's condition was not serious, as the root of the illness was not in them, but was only serious enough to warrant hospitalisation because they had been attacked by Yin Qi for a long time, and because they were ordinary people with weak bodies.

Lin Hao once again waved his hammer to disperse the Yin Qi in their bodies. The situation was solved almost instantly, and their faces slowly regained their redness.

Originally, Lin Hao suggested that they recuperate for a while, but the couple could not rest assured that Chen Yuan would not be able to go back, so they insisted on going back again.

As a parent, Lin Hao did not advise much, solved these things and rushed back to school.

Lin Hao sat in his own seat in the office, curiously playing with the small hammer in his hand, how he did not expect that such a small, seemingly unattractive thing, but also a treasure.

Lin Hao was even thinking, "If such a small thing is so powerful, then Wang Sledgehammer is too stingy to give the smallest one.

I didn't know that the power of a good thing is not based on its size.

After looking over and over, Lin Hao suddenly noticed that the small hammer had three small characters in ancient seal script on the handle, which were already a bit blurred and could not be found if he did not look closely.

After careful identification, Lin Hao recognised the three words: Heaven-shaking Hammer!

"Such a small piece of crap, but it has a powerful and overbearing name." Lin Hao couldn't help but chuckle and tease, placing the small hammer in his hand like a spinning pen and playing with it.

"Lin Hao, it's work time, where did you just run off to for so long? I've searched for you several times without finding you, and you ended up running here to play with the hammer?" Qin Yan's cold voice rang out, the charm in her words was gone, as if she seemed to have regained her former high coolness and her body was full of the aura of a stranger not to be approached.

What's wrong with playing with hammers ?

But this appearance of Qin Yan, on the contrary, made Lin Hao feel much more comfortable: "Hey, this appearance of yours makes people much more comfortable, you don't know how scary that appearance of yours before really was."

Lin Hao sighed, although he didn't know what the hell this woman was up to, it was definitely related to those bastards.

"I asked what you were doing there."

"Something happened to Chen Yuan in class 6, I sent her home and got delayed, do you need anything?" Lin Hao was a bit helpless, no matter what, this Qin Yan thing, he still couldn't seem to escape from it.

One couldn't avoid it at all!

"It's still about my aunt." Qin Yan's tone became a few degrees colder.

Ding bell!

The class bell rang abruptly, coincidentally it happened to be Qin Yan's class, Qin Yan coldly stared at Lin Hao: "Wait for me after school this afternoon, I need you to give me a reasonable explanation, I have the right to know the truth!"

Super Son-in-law Chapter 2799-2800 -

Chapter 2799

After saying that Qin Yan went to her desk and organized her textbooks to go to class.

Lin Hao's brows were locked, Qin Yan really wanted to know Qin Yuxin's whereabouts? I guess it was just an excuse, weren't those guys from the Heavenly Dao Palace still trying to get at him?

As for Qin Yuxin's whereabouts, it was naturally impossible to tell Qin Yan.

"Lin Hao, have you come back? Is she alright, Xiao Yuan?" Lin Yan also came over.

"It's fine, but the fundamental problem is still unresolved for now." Lin Hao lowered his head and wrote on the paper, if one looked closely, they could see that it was exactly the same as the formation Chen Yuan's family had set up.

"With you around I'm sure Xiao Yuan will be fine." Lin Yan smiled then went back to her seat and sat down.

Lin Hao shook his head with a bitter smile and thought to himself, "You are looking up to me, how can this be solved so easily?"

The other male teachers in the office looked at each other in disbelief, but of course there were some who were very upset.

Hell, the two most beautiful women in the school were changing their personalities, and even a fool could see that this definitely had something to do with Lin Hao, and the key was that he had a desperately beautiful daughter-in-law.

Where the hell can we talk about this?

Lin Hao, on the other hand, did not listen to anything outside the window and was only thinking about breaking the Yin formation.

"Xun Zhen is thunder, Kan is water, and Li is fire What exactly is the key to breaking the formation?" Lin Hao rubbed his temples with a headache.

Clang!

The Heaven Shaking Hammer that was placed next to him suddenly fell, the hammer blew directly on the word Zhen with a single blow, and Lin Hao froze.

It seemed that he had just overlooked the word Zhen, which belonged to the positive east of the Eight Trigrams!

Shit!

What a good thing!

Lin Hao could not wait to pick up the Heaven Shaking Hammer and kiss it, the key to breaking the formation was in the east!

The key to breaking the formation was in the east! And according to the key to the formation, it was in the east and to the southeast, combined with the Xun Zhen technique, it was thunder.

The key to breaking the formation had finally been found!

Bang!

Lin Hao slapped his hand on the table and shouted excitedly, “Mud, I’ve finally found you!”

The teacher in the office looked up haughtily, looking at Lin Hao in confusion.

Lin Yan also had a question mark on her face, what had gotten Lin Hao so excited?

Lin Hao realized that he had lost his temper and smiled awkwardly, “Ahem, I found the answer to my long-standing problem, I got too excited, sorry, sorry.”

Seeing that it was almost time for his PE class, Lin Hao took his teaching aids and hurriedly slipped away.

Seeing how excited Lin Hao was, Lin Yan brightened up, “Does that mean that Lin Hao found a solution to Xiao Yuan’s problem so quickly?”

On the other side, Tian Lao Jiu spat out a mouthful of black blood, and the black mist around him once again enveloped himself, once again obscuring the heavens from prying eyes.

“This is troublesome, no wonder Seventh Brother died and Eighth Brother became such a ghost, who would have thought that bastard Wang Sledgehammer would leave the family heirloom to that kid, isn’t he afraid that the Heavenly Dao Palace would find out and directly hunt him down all over the world?” Tian Lao Jiu held onto his chair and spoke with a pale expression, just now he had been fucked by Lin Hao’s two hammers and was also suffering from a lot of injuries.

It was also his fault for being careless and wanting to test Lin Hao’s depths, locking most of his qi outside the Yin Gathering Formation outside the Chen family villa.

Otherwise, he wouldn’t have suffered such a strong backlash from how violently the treasure in Lin Hao’s hand hurt.

“Matter of Nine Palms, what should we do now? He has the treasure passed down from the Wang family lineage in his hands, what should we do with this thing in his hands?” Several other Heavenly Dao Palace disciples looked towards Heavenly Elder Nine.

Apart from the fact that they were dealing with sending over to meet Heavenly Old Man Eight, Heavenly Old Man Nine had also received a mission, which was to subdue Lin Hao and bring him back to the Heavenly Dao Palace alive.

If that was not possible, then they would kill? Lu Ai Wu Serving Earth Er Wu Pao? Him!

If they can’t have it, then they will destroy it!

“I’ve already reported the matter to the elders, let’s wait for news on this matter, even if the elders can’t come in person, they will still be able to bestow me with one or two treasures from the Heavenly Dao Palace, Lin Hao has the Wang family’s heirlooms, but he can be said to be no more than a beginning beginner in the area of Heavenly Dao borrowing, what are we afraid of.”

Tian Lao Jiu waved his hand, the tricky thing now was not Lin Hao, it was just the Heaven Shaking Hammer, Lin Hao was not able to exert a few percent of the Heaven Shaking Hammer’s power at all.

Chapter 2800

Dingdong.

Tian Lao Jiu picked up his phone, opened the text message and glanced at it, a cold smile appeared on his face, "Let's go, prepare for action, we'd better take Lin Hao down tonight! Even if we can't, find a way to take his Heaven Shaking Hammer over!"

"Yes, Mistress Nine."

Tian Lao Jiu arranged and began to launch a plan against Lin Hao, now that Chen Haobei was deadlocked, there was no chance to protect Lin Hao, after all, Chen Haobei had a bit too many people to protect.

Lin Hao's strength had plummeted, and it was enough to deal with him alone.

Tian Lao Jiu had just received a tip-off that Lin Hao had taken the bait!

As for Lin Hao, at this moment, he was cooling off under a big tree next to the playground, next to a group of female students from the first class gathered, chattering like a lark, asking Lin Hao questions. "Dad, I heard from Mr. Lin that Xiao Yuan is not feeling well, how is she now?" Lin Ruoshi hugged Lin Hao's arm and looked at him curiously.

She had also heard about Chen Yuan, but before Lin Hao was avoiding Lin Yan everywhere, so naturally he didn't know about Chen Yuan, now Lin Hao didn't avoid Lin Yan anymore, so he should already know about Chen Yuan, right?

"It's alright, a solution has been found."

"Teacher Lin is just great, Chen Yuan is too lucky too." Yun Qingya had a face of envy, the little girl was good at reacting quickly, even? Serving the ground to dye Shan Yi Xi Wu Wu? She was busy adding awkwardly, "I didn't mean to curse Xiao Yuan's classmate ah, I just quite envied her."

“What are you envious of, Xiaoya?” Lin Ruoshi was quite puzzled, what was there to envy when you were all sick?

Yun Qingya shook her head awkwardly and blushed a little.

Lin Hao shook his head speechlessly, picked up the roll call book and knocked Yun Qingya’s head, “Young little girl, you think quite a lot, don’t think nonsense, I’m the man you can’t get, go to class properly.”

“Alright, that’s it for today’s PE class, the rest of the day is free for everyone.” Lin Hao stretched a lazy waist and left directly, can he not know that little mind of this little girl, this would not be the right concept, if you find the first signs, you have to hurry to pinch off.

Yun Qingya was so ashamed that she covered her face with a red face, it was a shame.

Lin Ruoshi was dumbfounded, pinching Yun Qingya’s face and scolding her with a smile, “Good for you Xiao Ya, I treat you as a sister, but you want to be my mother, you’re going too far!”

“Xiao shi don’t be ridiculous, I don’t have that idea, I, I just admire teacher Lin, what’s wrong with treating him as my idol I don’t have that idea.” Yun Qingya anxiously explained up, next to the other female students but one by one watching the hilarious coaxing, in fact these female students, who does not have some thoughts in their hearts?

“Since you don’t have that idea, then why are you blushing?” Lin Ruoshi laughed heartily, originally wanting to tease Yun Qingya, but never thought she would take it seriously.

On Shen Xiyan’s side, after staying at home for so long, she still had to go to work after all. Chen Haobei was not at ease, so he had to follow Shen Xiyan to work and be her full-time bodyguard.

“Xiyan, it doesn’t matter if you go to work or not, Lin Hao is not short of money and can afford to support you.” Chen Haobei couldn’t help but speak up, no one in

his family was short of money, including himself, so why torment himself so much?

Lin Hao ran away to become a physical education teacher, of course, this is also a certain reason because of Lin Ruoshi, but Shen Xiyan also had to insist on working, why bother.

Shen Xiyan smiled lightly and shook her head: "People, they can't be idle, they have to do something, besides, Lin Hao has money, it's his money. It's a good idea to go to work, and a woman should have her own independent career."

Chen Haobei shrugged his shoulders, not bothering to say anything else, it's useless to say too much, he still likes to toss himself.

Chen Haobei drove on, suddenly a sharp brake, jerked the car to a halt.

"What are you doing?" This sharp brake, fortunately Shen Xiyan was strapped in, but the brake was so hard that it still almost knocked her head on the ground.

"Something is not right, according to this speed, we should have reached your company ten minutes ago, and, look around." Chen Haobei's brow tightened and the aura on his body quickly surged up.
