Chapter 2821

“I know, I just want to know who you really are! Besides, you have said that it is easy to kill me, but I am still alive, so you should not be trying to kill me, but you have something to ask.” The old eighth man was not stupid, and he was relieved that his opponent did not kill him in the first place.

“I? Zero zero steakwood serving zero shan? What? Weren’t you guys just discussing me?” That cold female voice once again came out of the Spirit Snake’s mouth.

Black Demoness!

Old Eight let out a bitter laugh, said nothing more, and slowly closed his eyes.

Because at this moment, it was clear to Old Eight of Heaven that the other party had even found himself, a sick man, so didn’t that mean that the Heavenly Dao Palace branch in Yun City had been destroyed, and all the Heavenly Dao Palace disciples here had either been ordered to retreat in advance, or had been killed by the other party.

Jinling and Yun City had instantly become places where the Heaven’s Path Palace could not set foot.

Swoosh!

The black spirit snake that was wrapped around the two Heavenly Dao Palace disciples shot towards Old Eight, carrying the two disciples’ raging grey mist, which turned into black light and entered Old Eight’s body.

In a flash, the black mist around Old Eight surged, and his aura actually went up a level from the original one, Old Eight was not dead, and his strength had increased in scope, almost reaching the level of an Outer Sect Deacon, or even a Deacon!

Old Eight opened his eyes in shock, he couldn't comprehend, instead of killing him, the other party had even helped him and raised his realm!

“What the hell do you want!”

“Rebel from the Heavenly Dao Palace and become my dog, or, die.” Qin Yan's icy voice rang out directly in Old Eight's mind.

Old Eight smiled bitterly, he had just been considering whether the Heavenly Dao was right or wrong, and now he was letting him go against the beliefs he held?

Was the Heavenly Dao Palace right or wrong?

And what did this black devil woman want?

“I can't answer you now, nor can I promise you.” Old Hachi sighed, “Just give me some time to think about it.”

Old Eight knew that the moment he opened his mouth, the other party would most likely exterminate himself in an instant, but so what?

Asking him to just break with the faith he clung to, he couldn't do it, even if he were to die, he wouldn't be able to abandon his faith in an instant.

“Yes.”

“Now, tell me, how exactly did Qin Yuxin die?”

“What?” Old Eight was a little dazed, what did this have to do with Qin Yuxin? He knew very little about Qin Yuxin, how did this black devil woman have anything to do with Qin Yuxin?

Old Buster asked for Qin Yuxin's birth date and quickly deduced some figures, then his eyes widened in shock, “It's you! You are one of the pawns I have placed in Jinling! Qin Yan What exactly have you done? How dare you become like this!”

Through Qin Yuxin's deduction, and then synthesizing the information obtained, together with the other party's intentions, Old Eight snapped awake to the fact that the Black Demoness who was fighting against their Heaven's Path Palace was actually their Heaven's Path Palace's former dog, not even a dog.

After all, a dog of the Heavenly Dao Palace was at least an outer disciple of the Heavenly Dao Palace.

The point that made Old Eight confirm that the Black Demoness was Qin Yan was that once they had used each other, wasn't it because of the reason for Qin Yuxin's death to entrap her.

Qin Yan was not surprised when the other party recognized her identity, the Heavenly Dao Palace could not stop her from escaping even if she could be injured, except for those old devils themselves.

The next time she made a comeback, her strength would definitely rise to another level.

These days of constant devouring had allowed her to acquire countless information about the events back then, and all of these people's memories had been devoured by her in one piece.

What these people knew, she could know, and she knew just as much about the Illusory Spirit Master back then, as well as Lin Hao's identity as the Son of Heaven's Destiny.

What was a little surprising to Qin Yan was that Lin Ruoshi and Shen Xiyao had long been in the same family as Lin Hao, while those two, were merely descending to the mortal world for training.

"Tell me, what do you know?"

"Actually, I don't know much, this is Qin Yuxin's destined love disaster, she can't escape it, it's all predestined, her death has something to do with Lin Hao, but it's more her own reasons."

“According to my deduction, it should be that this woman is going to the Underworld to search for her soul, but how can a living person get to the River of Forgetfulness, ah, Lin Hao was already doomed to not return before he took her to the River of Forgetfulness. There are no old or young people on the Yellow Spring Road, don’t look back on the Nai He Bridge!” Old Eight didn’t exaggerate, he wasn’t even biased towards any side, it could be said that it was an incredibly pertinent answer, and that was all he knew.

“Understood, come and find me at the Heavenly Rhythm Terrace when you’ve thought about it! I have something arranged for you, and after this, the Heavenly Rhythm Terrace will be my dao field.” Qin Yan’s voice fell and dissipated quietly.

Old Eight, on the other hand, fell onto the hospital bed somewhat bewildered, staring blankly at the ceiling, his expression changing, between life and death, was his faith right or wrong, what choice should he make ?

At the top of the highest mountain in Cloud City, this place is surrounded by white mist all year round, and when the sun shines, the haze covers it, as if it were a fairyland.

This was originally the dojo of the outer deacons of the Heavenly Dao Palace in Cloud City, but at this moment it had become Qin Yan’s private domain, and had since been renamed the Heavenly Rhythm Terrace Dojo.

At this moment, Qin Yan is in the stone pavilion next to the dojo, leaning on the railing, her delicate and cold face filled with a bone-chilling ? The pavilion is a place where the people of the world can be found. hatred and icy coldness.

“Why ? Why didn’t you tell me earlier that he was that man’s son! Back then you died for his old man’s heart for twenty years, and no matter what I did I could not open your heart!”

“And now, you’re fighting for a barely existent remnant of his soul! His old man made your heart die back then, and now his son is making you perish! Was it worth it ? You may not care about this revenge! But I, Qin Yan, have to take revenge!” Qin Yan’s tone was cold, her fists were clenched so tightly that her nails

were sunken into the flesh, her hands were already bleeding, yet she seemed to be unaware of it.

Qin Yan had a strange love for Qin Yuxin that was hidden deep in her heart. Although she had always made her feelings known to Qin Yuxin explicitly and implicitly, Qin Yuxin had always refused, and at that time, she was deeply in love with Lin Hao's father, and although the two of them did not eventually come to fruition, Qin Yuxin could not accept Qin Yan.

In order to avoid Qin Yan, she did not contact him for nearly ten years.

But instead of forgetting this love affair because of the long separation, Qin Yan became even more pure and deep in her bones, hating the Lin family to the core.

If it wasn't for Lin Hao, how could her lover have died in this way?

Everything was because of the Lin family's father and son!

As Qin Yan's mood swung violently, the white mist around her turned into black dark clouds, like boiling water rolling and moving, the wind and clouds around her changed, the wind howled, and a black spirit snake danced wildly in the wind, like a madman!

It's no wonder everyone calls her the Black Devil Lady!

.....

"Black Demoness? What is it?" Lin Hao looked at Vermilion Bird (Murong Yunque) with a dismayed expression.

How did this Black Devil Girl character suddenly appear again?

The key was that Lin Hao had deduced nothing from the information provided by Vermilion Bird, so where did this demon, devil, demon and ghost come from?

Listening to Vermilion Bird's introduction, Lin Hao's eyes lit up, this turned out to be a fellow who fed on the disciples of the Heaven's Path Palace, specifically

targeting the people of the Heaven's Path Palace, the disciples of the Heaven's Path Palace in Jinling and Yun City, all of them were taken out by her alone.

According to the news, at this time, the other party has occupied the Heavenly Dao Palace's dojo in Yuncheng, which is classified as her territory, so there is no movement for the time being, but it doesn't matter what kind of monster the other party is, in any case, the enemy of the enemy is a friend.

It looks like they all have an axe to grind with the Heavenly Dao Palace, so they are uniting at the drop of a hat.

“Then what are you waiting for, find a way to contact her and we'll join forces to deal with the Heavenly Dao Palace.” Lin Hao rubbed his fist, he Lin Hao couldn't even surrender the disciples of the Heavenly Dao Palace in Jinling, the other party did it, and also dried up the cloud city next door piece by piece, a master, the two sides joined forces, enough for him to drink from the Heavenly Dao Palace.

When Vermilion Bird heard this, he laughed bitterly, “Probably, probably, the other side is not our friend either, joining forces is probably out of the question, the other side seems to have a bigger problem with our Dragon Group.”

Super Son-In-Law Chapter 2823-2824 -

Chapter 2823

Vermilion Bird told Lin Hao. When Vermilion Bird learned of this news, he thought almost the same as Lin Hao and specially led the Dragon Group to pay a visit.

Who knew that the other side would immediately strike and kill? Closed Ai Fu Shan Yi Shan Serving Dye? The other side even gave a pot of money to the Dragon Sect branch in Yun City.

Now if it were not for the fact that they did not know the depth of the other side, otherwise Zhuque would have ordered troops to surround the other side.

Moreover, after investigation, Vermilion Bird found that the reason why the Black Demoness had killed the Heaven's Path Palace disciples on a large scale might not have any hatred towards the Heaven's Path Palace, but only because she was able to devour the power of the Heaven's Path Palace disciples and become stronger, so the other party might not be dealing with the Heaven's Path Palace disciples out of hatred, but just to become stronger.

But the other party's hatred for the Dragon Sect, especially the Dragon Group, was how obvious and murderous it was, and Zhuque also mentioned one more thing, that the other party would go emotionally mad and kill Lin Hao once his name was mentioned.

Lin Hao's eyelids jumped wildly for a while: "That means this black devil woman might still have a grudge against me? It shouldn't be."

Lin Hao couldn't figure it out, he had quite a few enemies, but among them, apart from the woman from the Qin family in the capital before, and the Moon Wheel Fairy whose dao had perished, it seemed like he didn't have any female enemies, right?

Even if there were, they didn't go crazy at the mention of his name!

However, Lin Hao still believed that Zhuque could possibly joke about such things, Lin Hao helplessly stretched out his hand, "Let the Dragon Team watch carefully, don't act rashly for the time being until we are sure of the other party's depth, after all, we don't know exactly what the other party's purpose is yet."

Before he was sure of the other party's depth, Lin Hao didn't want to go and get involved, there was no way, who made the other party go crazy when they heard his name.

Well, could it be some woman who was deeply in love with himself and couldn't love him, so she hated him out of love?

In that case, there is some truth to it, so is it Xu Linglong, or who?

That was indeed a bit narcissistic, but what Lin Hao said was also partly true. If he hadn't married early, he would probably have had to choose his eyes.

"I know brother Lin Hao, I've already arranged for it, but you should also be more careful brother Lin Hao, my people just saw Old Eight of the Heavenly Dao Palace appear, he went up to the Heavenly Rhyme Terrace, I'm afraid Old Eight has become a lapdog of the Black Demoness." Vermilion Bird was quite worried about this, if the other party turned their friendship with the Heavenly Dao Palace and dealt with Lin Hao together, that would be enough of a headache for Lin Hao.

"I know, I have it in my heart. Let's go, let's go eat, your sister-in-law is almost ready to cook." Lin Hao smiled and nodded his head, he had a plan in mind.

After eating, Lin Ruoshi was holding a pile of envelopes and opening them, while muttering under her breath, "It's over, it's over, did dad cheat on you, how sad it would be if Ma Ma knew about this."

"So many letters from the same woman, it's not a simple matter for sure."

"What are you muttering about?" Lin Hao smilingly padded over.

Who knew that Lin Ruoshi, the girl, was so frightened that she shrieked and hurriedly protected the pile of envelopes, staring at Lin Hao with immense vigilance, "Daddy, are you walking silently? Go away, this is my personal privacy!"

The corners of Lin Hao's mouth twitched, a little kid, what the hell do you want privacy for?

Wait!

Lin Hao glanced at the envelopes and saw that they were all envelopes, and the corners of his mouth twitched: "Who gave you these love letters? So many? Holy shit!"

"Sze, there's something I have to warn you about! If you dare to fall in love early, I'll dare to smack you!" At the same time, he was already cursing in his heart:

“Shit, that bastard dares to think about my daughter? I’ll break your leg if you fall in love at such a young age! No! I’ll break your third leg too!

“Who dares to send me a love letter, I’ll tear it up and throw it in the trash!” Lin Ruoshi bristled in displeasure and glared at Lin Hao: “Don’t change the subject, these aren’t my letters, these are love letters from women to you!”

Chapter 2824

Lin Ruoshi really did this. How beautiful was Lin Ruoshi? She was recognized as the school flower, and many male students dared to write love letters to her.

In the end, Lin Ruo Shi’s temper got the better of her and she was so determined that if anyone dared to hand her a love letter, she would tear it up without even reading it, and if she found it in the drawer, she would throw it directly at the teacher. What are you thinking about at such a young age?

“Hu? What are you talking about? Talk nonsense.” Lin Hao heard Lin Ruoshi say this, no good laugh scolded: “Your father I have been married for how many years, who will still brainstorm to write me love letters? What’s yours is yours, don’t throw dirty water on me.”

“That’s not necessarily true, I know how handsome my dad is, in the future, if I were to find someone based on your standards, I think I might have to end up alone, Teacher Qin Yan and Teacher Lin Yan launched a frenzied attack on you before, as long as one is not blind, one can see your charm, it’s not strange at all that someone would write you love letters.” Lin Ruoshi spread her hands, not mincing her words at all in praising Lin Hao.

The point is that in a situation like this, it’s not good to praise him to death like this!

“Oh, what? What love letter, what crazy pursuit ah?” Suddenly, a ghostly head poked over, looking at the love letter in Lin Ruoshi’s arms with a curious face.

It was Shen Xiyan!

Lin Hao's expression stiffened, and Lin Ruoshi was even more startled, hurriedly picking up all the envelopes, "No, nothing love letters, this, these are all love letters my classmate received, I kept them for her."

Lin Hao didn't know if they were love letters to himself, but if they were, how could he explain? Would Shen Xiyan be jealous?

The reason she lied was because she was afraid that Shen Xiyan would be sad if she found out.

Shen Xiyan rolled her eyes in disgust: "You don't even lie without a draft, do you? Do you think I'm blind or illiterate? The love letters from your classmates, didn't you see that each envelope was written by Lin Hao himself, and looking at the beautiful writing, it was written by a girl, and she should be pretty, right?"

Lin Hao: ????

Just because she writes beautifully, she must be pretty? What kind of logic is that?

Lin Ruoshi glanced down, but it turned out that the letter was not covered all the way and Shen Xiyan had seen it.

As for Lin Hao, he had just seen the handwriting on it, so there was no escaping it. He could not hide it even if he saw it.

Besides, Lin Hao is not ashamed of his heart, so what's the point of panicking?

Lin Hao laughed: "It's true that a woman sent me a letter, but it doesn't have to be my suitor, right?"

"Yes, not necessarily a suitor, but many of these envelopes look a bit old, some new and some old, the time span is at least a few years, really persistent ah." Shen Xiyan laughingly flirted up.

But obviously it was a casual flirtation, but Lin Hao felt a bit numb in the scalp, no, this

“Ahem, that must not be a suitor ah, since you all have suspicions, then hurry up and unwrap it, what’s the point.” Lin Hao shrugged helplessly.

“Ah? Take it apart? Dad, that’s not good, right?” Lin Ruoshi was a bit scared, what if it was really a love letter? Would mum and dad fight? Will they get divorced?

She was so worried about her parents’ relationship.

The first thing you need to do is to get a letter from your parents.

But the more Shen Xiyan refused, the more Lin Hao was not good enough to secretly look at it privately, because even if it was true what Shen Xiyan said, he would not be angry.

But Lin Hao really dare to do so, maybe Shen Xiyan really angry, and will also leave the seeds of suspicion, after all, women are fickle, women’s hearts under the sea needle ah.

Lin Hao didn’t bother with the mother and daughter and snatched all the letters from Lin Ruoshi’s arms. Lin Ruoshi shouted and tried to snatch them back, but unfortunately, it was impossible to snatch them from Lin Hao.

Super Son-In-Law Chapter 2825–2826 –

chapter 2825

Hissing it open, Lin Hao followed the time span, starting from the first letter he received, spreading out the letterhead, it was a cute little pink pig letterhead, a girl no doubt, or a naive girl.

“Dear Lin Hao brother, so long no contact, did you miss me? But all calls to your phones are lost, and when I asked Lin En, he said he couldn’t reach you, so it seems like he must have forgotten about me

Lin Hao just read two lines and instantly revealed a smile, he already knew who had sent him this letter.

Lin Hao continued to read on, in the letter Nan Ge told Lin Hao that she hadn't been broadcasting much recently because she had to record a song, a music company had signed her up, she was preparing her new song and believed she would have her own album soon.

As she couldn't reach Lin Hao by phone, Nan Ge had to contact him by writing a letter, wishing Lin Hao and his wife a happy relationship at the end of the text, and mentioning Lin Ruoshi.

Lin Hao handed it to Shen Xiyan after reading it, and opened another letter, another letter that came about three months later, with a CD inside, with a beautiful and lovely girl on the cover, especially the eyes, which were extremely evocative, and the girl on the top cover was none other than Nan Ge.

In this letter, Nan Ge's happiness and joy can be felt between the lines, followed by a letter about Nan Ge's intention to love Lu 0200 Shanxi 0's affairs over the years.

The longest interval between these letters was six months, most of them were one or two months frequency one, nine years time, sent dozens of letters to Lin Hao.

Because she never got a reply, Nan Ge probably knew there wouldn't be one, and she simply used this as a tree hole to speak her mind.

After her songs became popular, Nan Ge entered the entertainment industry. After these few years, Nan Ge has become a diva-level star, and can be said to be popular all over the world, but Nan Ge doesn't seem too happy, the fish circle doesn't suit her well, she prefers to concentrate on writing songs and singing.

Moreover, many of the letters arrived before her concerts, and on them would be three tickets for front row VIP seats for the concerts.

Lin Hao finished reading the letters and laughed, "This girl has grown up too, she's got heart."

“Mom, this is my idol ah, my idol chasing my dad finished, should I support my idol or help my mum ah.” Lin Ruoshi dumbfounded, did not expect to send a letter to his own father, actually is his own often on the television, the big screen can see the idol Nan song.

Shen Xiyan gave Lin Ruoshi a brainbuster, scaring Lin Ruoshi into a cute head-hugging squatting room and covering her head with an ouch.

“What nonsense, Nan Ge is not only your idol, but also my idol.” Shen Xiyan laughed, then also very surprised to look at Lin Hao: “I also think it’s strange, such a big star old acquaintance with you long ago? She’s almost treating you like a big brother, and between the lines I get the feeling that she knows me and Xiao shi, did we know each other before?”

Lin Ruoshi shook her head in confusion, “I don’t remember anything, am I like Ma Ma, I’ve lost part of my memory?”

Lin Hao nodded, “Indeed, that was ten years ago, back then I opened a small shop, which turned out to be an online shop, at that time this girl was still a small anchor, and was a peer with Lin En in my shop live

Lin Hao will be the year things unfolded, just did not expect ten years, everyone has changed so much, really time has changed ah.

After listening to the mother and daughter shrugged their shoulders, they had no memory of this memory, but it didn’t stop them from having fun, who would have thought that their idol actually knew each other long ago and had a great relationship.

After all, for ordinary people, such a big star was like a fairy in the sky, unattainable and almost impossible to touch.

“Lin Hao, there’s a letter from you.” Chen Haobei walked in through the door while muttering, “I don’t know if the mailbox outside the door was torn down by that lackey, the postman couldn’t see the mailbox and had to give the letter to me.”

Chapter 2826

“Uncle Xiao Bei!” Lin Ruoshi was so angry that she crossed her arms, “I’m the one who said you’re the lackey! What’s wrong with me tearing it down! Do you have a problem with that?”

The corners of Chen Haobei’s mouth twitched and he wanted to run away, pretending to be confused and scratching his head, “What’s that? I said that the postman was really a bad person, he didn’t even deliver the letter to the person, right, Lin Hao your letter.”

Chen Haobei threw the envelope to Lin Hao, turned his head and ran, there was nothing he could do, if he didn’t run, the little girl could eat him.

Seeing Chen Haobei’s desolate appearance, the family of three almost didn’t laugh off.

“Wow, dad, it’s Nan Ge, it’s a letter from sister Nan Ge, sister Nan Ge is still insisting on writing to you, open it quickly, open it quickly and take a look!” The handwriting on the cover was the same as the letter they had just opened, but this one had just come out of the oven and was still warm.

Lin Ruoshi jumped up and tried to snatch the letter from Lin Hao’s hand, but Lin Hao raised it directly above his head, so Lin Ruoshi was at a loss.

Seeing her daughter’s anxious look, Shen Xiyan couldn’t help but speak up, “Open it and take a look, it’s been so long since you’ve contacted someone, they’re so persistent, even as a friend you should write back and see what it’s about, if it’s still tickets, let’s go and support them.”

Pfft!

Lin Hao laughed: “I don’t know what you guys are thinking, you mainly want to go to Nan Ge’s concert and can’t get tickets!”

Mother and daughter blushed, but they brushed their mouths off, “Nonsense, you don’t want to see it if you like.”

“Yes, Ma Ma is right, you don’t have to see it if you like.” Lin Ruoshi also spoke in a very arrogant manner.

Lin Hao looked at the two of them with a mixture of anger and amusement, but seeing how they were looking forward to it, Lin Hao didn’t hesitate to open the envelope, and there were indeed three exquisite concert tickets inside.

“Yay, guess right!” Lin Ruoshi jumped up happily, she had really guessed it right.

Lin Hao gave the tickets to them, while he himself picked up the letterhead and read it, only reading two sentences before he frowned.

“Brother Lin Hao, I know you won’t come, I have no way to reach you, but I hope all is well with you. This is the last time I’m sending you a letter, this is also my last concert, after the concert, I’ll announce my retirement from the fish circle.”

A few short words, full of bereavement and loss, quite a bit of intent.

After nine years of persistent invitations, Lin Hao had not once written back, let alone accepted the invitation.

And when Lin Hao picked up the letter paper, he seemed to feel a hint of something not quite right, how it felt that the letter paper was tainted with a seemingly Yin Qi, but it was too faint, and Lin Hao was not too sure.

Lin Hao showed the letter to Shen Xiyan and the girls.

Both mother and daughter were a little sad: “Hao, let’s answer the appointment this time, although we don’t know what has happened in the past ten years, but people are firm? The first time I saw the letter, I was very happy. Hold on for so long, we shouldn’t make her sad.”

“We won’t be able to see Sister Nan Ge on TV in the future. Sister Nan Ge is at the peak of her career right now, so why would she want to quit the industry?” Lin Ruoshi was even flattening her mouth, aggrieved and on the verge of tears.

Lin Hao took out his mobile phone and prepared to call Nan Ge, but then put it down and smiled: “Then let’s give her a surprise, didn’t she choose her last concert at the Jinling Stadium? There’s still two days to go, let’s go and surprise her then.”

“Yay, seeing a concert, ooh ooh, first time going to a live concert yet.” Lin Ruoshi was so happy that even Shen Xiyan was filled with smiles and said she was going to work, getting all her work done in advance, even though the concert was in the evening, but both mother and daughter were planning to, that day, free up a day straight away.

It just so happened that the day of the concert was a Saturday night, so Lin Ruoshi didn’t even need to take time off work.

Lin Hao smiled at the two of them, shook his head, walked out and took out his mobile phone to call Lin En.

Super Son-In-Law Chapter 2827–2828 –

Chapter 2827

“What? Brother Lin Hao, you, you didn’t lie to me? Nan Ge has been sending you letters for almost nine years? You’ve been sent tickets to every concert!” Lin En on the other end of the phone shouted out of breath.

Lin Hao hurriedly held the phone away from him and took out his ears, “Are you alright? What kind of strange concerns are they, I asked you for the number of the planning director for this concert and you’re telling me this?”

“No! That’s too fucking generous, isn’t it? We’re still in touch with each other, we’re friends! Fuck, she won’t even give me a ticket if I ask her through the back door, she won’t even give me money! It’s a sin, she gives it to you every time and

you don't even want it, don't treat her so differently!" Lin En couldn't cry, the difference between people is so big!

"Looks like you're not too angry, that's it then, hang up." Lin Hao rolled his eyes, I'm not here to talk to you about this, if you don't tell me, I'll find someone else to ask.

"No, no, no, don't hang up yet, I'll send it to you later, can't I still have a couple of complaints if I'm not balanced in my heart?" Lin En laughed bitterly and said, "This time that concert venue is provided by our family, come to my house, the planning director is at my house right now."

Lin Hao huffed and hung up the phone, the planning chief director was at your house, you still lacked tickets?

Besides, Lin En as a rich son of a family, Nan Ge did not send him tickets, he can not have tickets? The ability to pay money is invincible, okay? Lin Hao drove to Lin En's house according to the address. This was also the first time Lin Hao met Lin En's father, a middle-aged man in good spirits.

Lin En's father was equally excited to see Lin Hao, and was so respectful and polite that he knew that the Lin family's group and Chen Youde's new company were now the real big brothers in Jinling.

And the Lin family is in first place, Chen Youde knows that it is all because of Lin Hao's light, and also knows the degree, so voluntarily submit to the second.

But both of them know very well that all this is brought about by Lin Hao. Without Lin Hao's help, they are afraid that they will simply fade away in this, a war without smoke and mirrors, where there is still a chance to rise ah.

Behind them was another man in his fifties, dressed in a suit, very stylish and fashionable, a man of the world, an old gun.

This is the chief planning director of Nan Ge's concert in Jinling, this person is also a person of the essence, although look at Lin Hao dressed plainly, not what high luxury brand decoration, it can be said that apart from the extraordinary

temperament and look more handsome than the stars are a few points, but just look at the attitude of the two Lin family father and son, instinctively feel that this person is not simple.

The stars and directors of the fish circle are unattainable in the eyes of ordinary people, but only they really know that it is the capital that controls their lifeline, and the real power of speech is in the hands of the capital behind them.

And the person who makes the leading director of Jinling treat him so politely, can he be a simple person?

Director Chen walked up quickly and shook hands with Lin Hao very politely, "Hello Mr. Lin, I'm Director Chen, just now I heard Mr. Lin En say that it was you who was looking for me for some business, right?"

Lin Hao smiled and shook hands with the other party, "You're welcome, Director Chen."

Although Lin En's father also wanted to get in touch with Lin Hao more and improve his relationship, in the future, just by saying it out loud, as long as he didn't make a fool of himself, Jun Wuhui and Mo Tianji, the bigwigs who had long since retired to the backstage, would have to give him some face ah.

But he is likewise? The actual fact is that you can find a lot of people who have been in the business for a long time. The company's main business is to provide a wide range of products and services to the public.

"Actually it's nothing big, just a small matter I want to ask a favour from director Chen, Nan Ge and I have actually been friends for many years, some long time no contact, I want to give her a surprise, after all, after so many years of giving away tickets, I haven't even been to the concert." Lin Hao smiled.

Chapter 2828

“Ah! Mr. Lin, you, you are the mysterious man that Nan Ge can't stop thinking about, my god, I've finally met the real person.” Director Chen was even more stunned after hearing that, so it was him!

He was still wondering, with Nan Ge's status in the fish circle nowadays, how could anyone not dump her, the people she didn't dump could circle the globe.

Now after seeing the real person, and with the way the two Lin family fathers and sons treated Lin Hao, it was only natural for Director Chen to think that Lin Hao wouldn't dump Nan Ge again.

Lin Hao was quite surprised: “You know me, Director Chen?”

“I don't know, but all have heard about it, it's not a secret in the fish circle anymore, even Nan Ge's fans know about it, every concert Nan Ge will reserve three seats, and every time he will have his assistant send a letter a few days in advance and stuff in three VIP seats for the concert, but who it's sent to, we don't know, even the name is not clear to us , just curious.”

The only thing we know is that this person is probably from Jinling, and the letter was sent to Jinling, so it seems that this is not a coincidence.

Lin Hao quickly waved his hand, “Director Chen, don't misunderstand, we are friends, as for the fact that I haven't gone to her concert for so long, it's purely because of personal reasons.”

Lin En also helped to explain next to him, and Director Chen likewise said yes repeatedly, but it was hard to say whether the other party believed this statement or not.

Lin Hao's request was told to director Chen, that is, to finally give Nan Ge? The first thing he did was to give Nan Ge? A surprise, interact with Nan Ge on stage, of course, if she does not want to withdraw from the circle Lin Hao can still do a favor.

The company's main goal is to provide the best possible service to its customers.

After discussing a few more details, Lin Hao drove off, and Director Chen also hurriedly said goodbye to the Lin family and son, and rushed back to plan with the relevant departments, but of course, this matter had to be hidden from Nan Ge, so that Nan Ge would not notice.

Inside the presidential suite of the five-star hotel in the southern city of Jinling, a beautiful woman with an enchanting figure and wearing a cheongsam stood in front of the floor-to-ceiling window, from where she could just look into the situation inside the Jinling Stadium from a distance.

Behind the dainty woman was an assistant in a lady's suit.

“She is sensible enough to take the initiative to withdraw from the circle.” The dainty woman sneered, this woman was beautiful, but her face was full of meanness between her features, and her brows were full of viciousness, a true snake scorpion beauty.

In the past two years, if one paid attention, one would have noticed that Nan Ge, who had been a steady opponent of Qingya, was gradually losing resources for various reasons, and her status was becoming unstable.

The first time I saw her, I was able to see that she was losing resources for various reasons, and her position was becoming unstable.

“Sister Qingya, with it, this supreme altar of actresses is definitely yours. As for Nan Ge, heh, it's just a yellow-haired girl with a bit of luck, but she's really not stopping, she can't help but make some noise even though she's about to retire from the circle.” The assistant next to her said disdainfully, the look between her eyebrows was the same as Qing Ya's, both were ruthless and poisonous characters with uncomplicated methods.

“Oh, let her toss it one last time, I'll give her the decency to leave. Although we are in competition, to be honest, she is so sensible to retreat again and again, it makes me a bit uncomfortable to put her to death, let her bounce around for a while longer.” After saying that Qingya said towards the empty northwest corner of the house, “Little girl, come back, let's not go messing with her tonight and give her a decent time.”

Whoops!

A cloudy wind blew up from the northwest corner, as if in response to her.

Chapter 2829

If Fuzzy West Fuzzy Closed Chay were Lin Hao or Ao Dog here, they would have been able to see that the empty northwest corner actually had a hideous and gruesome Tyger brat!

This is precisely the most popular way for Tag to raise little Samuel, to change luck and move wealth, and even to unwittingly plot against his opponents. It is extremely effective and simple to operate.

But the backlash is equally terrifying!

As Qingya's side withdrew its suppression of Nan Ge, Nan Ge, who was originally depressed in the dressing room behind the stadium concert, finally had some spirit and her face was renewed.

"Sister Nan Ge, why? Do you really believe in this saying about the rush? How many people in the fish circle have the courage to do that?" The assistant and part-time make-up artist next to her, while doing Nan Ge's make-up, lamented a little.

It's easy to say that you're brave enough to retire, but who can really do it?

Fish circle stars, good money and fans everywhere, wherever they go, they are surrounded by people and all eyes converge on them.

Who would want to quit when they can enjoy the feeling of being admired and respected by millions of people and earn a lot of money? Not to mention the pinnacle moment.

Even for those who have been disliked and withdrawn from the circle, there are many who still brazenly continue to come out and make bad money.

It's as addictive as power.

The only person who seems to be at odds with all this is Nan Ge.

Nan Ge smiled bitterly: "It's nothing. The money I earn now is enough to last me several lifetimes, and I'm not short of money. The atmosphere of this circle doesn't suit me very well, it's overwhelming. I quit just to live a more comfortable life for myself. If a person can't really live a life for himself, hasn't life been in vain?"

"I understand all the reasoning, but"

"Okay. Let's not talk about that." The assistant let Nan Ge interrupt before she could finish, "The audience outside has all entered, right? I'm almost on stage too, I just don't know"

"Sister Nan Ge, I know what you want to ask", the assistant shook her head helplessly and sighed, "Those three positions of VIPs you've been longing for are still empty."

The assistant could be said to be Nan Ge's closest person, she naturally knew where those tickets were sent to, and why Nan Ge's last concert was located here was actually still because of those three people who had never come.

Although she didn't know who these three people were, they should be very important people to Nan Ge.

"I know, go ahead and rest, I'm ready to go on stage." Nan Ge smiled, as if she had known this outcome for a long time, since they had evaporated ten years ago, they had never been seen again.

Nan Ge had even been in contact with Jun Wu Ren because of some commercial shows, she had likewise asked the other party, only for them to likewise not know exactly where Lin Hao had gone.

“Wow, this is too lively, how many people have gathered here!” Lin Ruoshi was sitting in the third row of the VIP seats, dancing with excitement, holding Nan Ge’s support lights high in her hands, the huge stadium was so full of people that it was almost too crowded, the audience at the back would probably have to use binoculars to watch.

Next to her, Shen Xiyan was equally excited and red in the face, it was her first time to see a live concert and it was such a big spectacle, so excited.

On the contrary, Lin En and Lin Hao didn’t feel much, they just felt quite lively. As for Lin En, he is in touch with Nan Ge occasionally and is familiar with him, so he didn’t feel any excitement either.

“This stadium has a maximum capacity of 50,000 spectators, seeing how crowded the scene is, it should only be more than that, I didn’t expect this girl’s influence to be so terrifying nowadays.” Lin Hao also sighed quite a bit, time has passed, the little girl that was once there is now truly extraordinary.

“That’s right, don’t even look at who chose the idol, it must be awesome.” Lin Ruoshi raised her chin proudly.

Lin En laughed out loud, “Hahaha, I suddenly remembered a segment ‘Ah Wei is dead, you picked the well idol!’”

The result was a big blank stare thrown by the trio.

Chapter 2830

At this time, the moment the MC announced that the concert had officially started, the moment the music started, the whole audience cheered with excitement!

Especially the moment Nan Ge walked onto the stage in a pure white dress, the entire concert audience of 50,000 was instantly set alight!

The cheers and shouts were deafening!

“Nan Ge I love you!” Even Lin Ruoshi put her hands to her mouth in the shape of a trumpet and shouted out loud.

As for the surrounding area, there were many people shouting with Lin Ruoshi, and there were not even a few shouting for Nan Ge’s wife, but what shocked Lin Hao was that the people shouting for Nan Ge’s wife were not only men, but also girls, and the number was not small!

Lin Hao suddenly felt a sweat, was he not keeping up with the times?

Did I look a bit out of place if I didn’t shout along?

After all, Lin En shouted too, and this guy wailed like a gorilla that just ran out of the zoo

Nan song on stage at the same time, ethereal and pleasant song curls up, the surrounding suddenly quiet, revealing a face of enjoyment.

Nan Ge’s songs are a pleasure to listen to, and with her unique voice, it’s easy to immerse yourself in them and even empathize with them.

Lin Hao couldn’t help but sigh that Nan Ge had indeed grown up a lot more than she had ten years ago, and was even better.

She sang several songs in a row without stopping.

Because it was her exit concert, she didn’t intend to sing many songs, she directly intended to sing until the end of the concert, so naturally she didn’t invite any warm-up guests to come.

Even at the end, even the fans couldn’t stand it anymore and shouted in unison, “Nan Ge, take a break first, there’s nothing we can do to chatter, rest your voice!”

“We can afford to wait, take a break!”

Nan Ge heard everyone’s shout and a smile bloomed on his face as he bowed deeply around the audience, his voice slightly hoarse: “Thank you all, thank you to all my fans, and thank you to all those who have helped me.”

“Next, I will sing my last song of the night, which is not mine, but I suddenly just want to sing this song, so let’s end with this song, which is called ‘After the New Rain on the Empty Mountain’

All the fans froze for a moment? The steak west closed er zero service intention Yi? down, their own exit concert but sing someone else’s song? And not many people had heard this song, the 50,000 people in the audience were estimated to be a few hundred people who had stopped the song, most of them were confused.

The moment Nan Ge picked up the microphone and her voice rang out, everyone was stunned, it even felt like the song was tailor-made for her: the

The mountain wind gently swings its tail

Rolling down the flowers with the flowing water

Passing by and wiping away the past

“I’ll exchange your tenderness for my tears

When love and hate have both fallen away

The one who has no curtain call

The moon in the well, raise a glass and smash a hangover

A rose drawn by lot

A fragrant incense with a lingering taste

Guessing at the unanswerable answer

It’s a waste to forget the floor

I finally understand

At last I understand

It’s love that can’t be given away

Remove the lacquered hairpin

And turn it into dust

Drink as much wine as you can to warm your body

Can't warm the heart

After the new rain on the empty mountain

Put a small boat

Carrying the tenderness that no one asks for

ferry to find a place to forget your sorrow

As the song fell, the fans around us all gave tears to the song.

“Oooh, why, why do you do this to our Nan Ge! Is Nan Ge's heart broken by the scum, that's why she quit the circle.”

“I don't feel like it, maybe he loved someone he shouldn't have, hey, you guys, is it that guy who Nan Ge keeps sending tickets but doesn't come, damn, how could he let Nan Ge be sad, scum!”

“Bah, it's the scum, why don't we get the big fans to unite and uncover this bastard!”

This was the voice Lin Hao heard coming from all directions, Lin Hao's people were wooden, holy shit, what does this have to do with me?

Don't be so imaginative, okay?

Lin En, Shen Xiyan and Lin Ruo Shi were all staring at Lin Hao with incomparable weird eyes, Lin Hao was crying and laughing, he couldn't even wash his hands in the yellow river.

Especially the last song of the other party's exit circle, it was indeed easy for people to misunderstand, plus the comments of those fans around, heartbroken for Nan Ge, indignant for Nan Ge, Lin Hao was really a bit unable to explain.
