

## Super Son-In-Law Chapter 2831-2840 -

### Chapter 2831

“Didn’t you say that it was just friends?” Shen Xiyan spoke indifferently.

Lin Ruoshi also glared at Lin Hao with an unpleasant expression, “Dad, shouldn’t I be ready to welcome my new mama?”

Pfft!

Lin Hao’s mouthful of old blood!

“Don’t fool around, there’s no such thing, well, the director has informed me that my mai is about to open.” Lin Hao hurriedly interrupted them, because just now, Director Chen’s voice rang out in his headphones, saying that his mike was already on, and as long as he needed to turn it on manually he could make his voice, resound throughout the stadium.

Shen Xiyan looked at Lin Hao in astonishment, he was actually able to contact the planning director of this concert?

Wasn’t her own husband just outstanding in his abilities and so unbelievable in his connections?

After seeing Lin En beside Lin Hao, Shen Xiyan realized that indeed, her husband’s connections were indeed extensive, nothing strange, after all, he knew all the big stars as popular as Nan Ge, and was still a good friend, nothing strange.

“Thank you all, thank you all for following along these days, this is the last song of this concert, in fact, many fans should know it, this concert is my last concert, from now on I’m leaving, from now on I hope you can treat me as an ordinary person.” Nan Ge’s voice is choked with sobs, for this stage, she is full of reluctance, for the fans, also the same no? Flicking Lu Ai zero Yi Ai Yi Er? The first time I saw her, I was so happy to see her.

The fish circle's atmosphere, which she is really uncomfortable with, is overwhelming her and she can't hold on anymore.

The fans in the audience were crying, shouting words of encouragement, but Nan Ge had made up her mind and resolutely turned around.

At the moment when Nan Ge turned around, Lin Hao's voice suddenly resounded throughout the stadium.

"Why are you thinking of quitting? You sing so well, it's a pity that you suddenly stop singing."

Nan Ge froze violently in place, and the fans around him froze, some with confused faces, not knowing what was going on.

Who was this person speaking?

Nan Ge turned around haughtily and hurriedly looked towards the seats she had left, only to find that the three seats were still empty.

Nan Ge's body trembled with excitement, but when she saw the three empty seats, she was filled with despondency and helplessness.

Now those fans were even more odd, debating who this person really was. How could a single word make Nan Ge react so much.

Nan Ge took the microphone but didn't dare to speak or confirm, she heard such a familiar voice, but she saw the empty seats and she didn't dare to confirm again.

"Hello everyone, now we have our special guest warm-up for this concert! Mr. Lin Hao!" The host spoke up at the right time.

And the spotlight fell on Lin Hao's side.

"Ah ....." Nan Ge shrieked, it was really him, this guy, this bastard, he was obviously here, why didn't he go and sit in the seat he was sent to?

Listening to the host's introduction, and Nan Ge's excited reaction, the fans in the room were confused.

What the hell?

Who is Lin Hao? Was he a star too? Or a singer? I've never even heard of him!

Also, didn't we just say that the concert was over? How come there was a special guest to warm up the audience?

What the hell, is there even a script for a concert these days?

But many true fans suddenly reacted: "Damn, no way? Could it be that Lin Hao is the scum that Nan Ge has been pining for since her debut?"

"Mud, if that's the case, I'll have to spray him to death! How could he bear to keep Nan Ge waiting for so long? Scum, fuck him!"

Under the spotlight, Lin Hao stood up and walked towards the stage, and the lights followed him all the way. People around saw Lin Hao and were dumbfounded, exclaiming, "So handsome, this can't be a vegetarian, right? My god, worthy of Nan Ge, his vision is just high, he's even more handsome than those stars, love it!"

Even many of the celebrity friends who came to the circle, also looked at Lin Hao curiously, they were very curious, was Lin Hao always the one in the legend?

## Chapter2832

Lin Hao had only just reached the edge of the stage when Nan Ge was already excitedly carrying her skirt and running towards Lin Hao on her high heels.

Lin Hao huffed and flirted helplessly, "Slow down don't fall, if you really fall your fans are going to hit me, I guess you won't be able to stop them."

Many people were amused by Lin Hao, but Nan Ge didn't say a word, tears slipping from the corners of her eyes, still running towards Lin Hao.

Lin Hao had just stepped onto the stage, and Lin Hao awkwardly opened his hands, hugging neither, nor not hugging either.

“Brother Lin Hao.” Nan Ge shouted with an aggrieved cry, “Why, why don't you sit in the seat I sent you, I've sent you tickets for nine years, written letters for nine years, you haven't even written back, did you secretly find a seat for yourself to watch the concert at every concert?”

“Wow!”

This could be heard by everyone, the whole room was in an uproar, standing up in excitement, the people in the back row were also picking up binoculars to get a good look at Lin Hao.

“Holy shit, it's really him!”

“I'm so envious I want to cry, the goddess actually sent him a ticket for nine years and wrote a letter for nine years, a handwritten letter! You may not have touched me, but I've touched myself!”

.....

Lin Hao is quite helpless: “You think too much, I just came to this one, the letter you sent me and the tickets, I just saw it two days ago and thought I'd come and surprise you.”

Nan Ge let go of Lin Hao and looked up at him with teary eyes, “Really? I thought you deliberately didn't write back to me.”

“Don't cry, you're still acting like that little kid from back then.” Lin Hao stroked Nan Ge's head and looked at him like a crybaby sister.

This head touch caused the fans to explode, the whole place exploded ah.

“Let’s go, sing a song together, after all, the host has said I’m the warm-up guest, I have to deal with it, it’s not me who’s scolded for singing badly anyway.” Lin Hao smiled.

“Okay? Then what song do you want to sing, Brother Lin Hao?” Nan Ge was so happy that she turned good in seconds, her eyes all lit up with little stars.

The fans were all watching this scene, they had never seen Nan Ge so happy before, they couldn’t hide their love for her.

“Just the last song you sang just now, it just so happens that I’ve heard it before, I don’t know any of your songs either.” Lin Hao shrugged his shoulders.

“Hmph, you haven’t even heard my song, bully.” Nan Ge pretended to be angry and brushed her mouth off.

But anyone could see that Nan Ge? Lu Shan Di Di Flicking Servant Servant? wasn’t really angry.

As the music started, Nan Ge’s song slowly rang out, “The mountain wind gently swings its tail .....

One by one, when Lin Hao’s song rang out, it instantly set off the whole audience, originally thought it was just a bronze, but it turned out to be a king, and his voice was nothing less than a professional singer.

“I’m numb! This dude is too showy, right? My scalp is tingling from the show!”

“Oh my god, look at Nan Ge happy like a child, when has Nan Ge ever been so obedient, so well behaved, he said one word, Nan Ge is so well behaved like a child, ooh, I lost my love, I can say, I agree to this marriage!”

“I agree to this marriage too! After all, Nan Ge is the woman we’ll never get, look how handsome he is and how well he sings, it’s a perfect match! Look at the way Nan Ge looks at Lin Hao, she can’t hide her love, it’s all little stars!”

“It feels so good to lose your love on the same day .....

And Shen Xiyan and Lin Ruo Shi listened to the chatter around them with a helpless face, even Lin En had an odd look on her face, “I have a feeling, will those fans curse if they know the truth?”

“Cut, I don’t know if they curse their mother, I don’t know if Nan Ge is the woman they can’t get, but I only know one thing, my dad is definitely the man they can’t get.” Lin Ruoshi spoke proudly, amusing Shen Xiyan and Lin En who both laughed with joy.

“Pendulum swings to find a place to forget .....

Lin Hao’s voice fell slowly as he sang the last line.

The whole room was silent for a few seconds, and then there was thunderous applause and cheers and screams.

## Super Son-In-Law Chapter 2833-2834 -

### Chapter 2833

Lin Ruoshi even shouted, “Daddy is great, Daddy I love you!”

The people around also heard it, but no one said anything, after all, in these days, there is nothing strange about such a name .....

The only feeling is, this little girl is quite wild, others want to call him husband, but you open your mouth and call him daddy~! It’s pretty tough! “Thank you, thank you all for your support.” Lin Hao laughed, “I only found out two days ago that this girl sent me nine years of letters and tickets to her concerts, I didn’t expect that the girl who was so good at the beginning was so good now.”

“I feel like you’re lying to me, you’re afraid of misunderstanding.” Nan Ge, however, said sullenly.

Lin Hao shrugged helplessly, “That’s not really true, ask Lin En and the others if you don’t believe me, I’ve been away for ten years, no one can contact me, and

now Old Jun and the others don't even know I'm back, the only ones who know I'm back are those three or four people."

"Wow, really da, I'm actually one of those three or four people. Suddenly happy again." Nan Ge was happy like a child.

It was a joy to watch the fans too, wishing Nan Ge from the bottom of their hearts.

Some fans were even chanting in spite of themselves, "This? Serve Woo Dye Chak Dye Steak Ai Woo? We agree to the marriage! I invite you to get married in situ, as the boy and the girl are so beautiful!"

Some even chanted, "One kiss, one kiss!"

The corners of Lin Hao's mouth twitched, and Nan Ge was dumbfounded as he spoke with a bitter smile, "Brother, do you think sister-in-law will make you kneel on a cactus when she finds out?"

"Cactus? Just kidding, I feel like I might be made to kneel on iron nails ....." Lin Hao cried and laughed.

The plot had suddenly reversed itself against all odds!

The fans were wooden, numb and dumbfounded!

What the hell?

A married man?

Brother?

Their last names are completely different too!

Two people genuinely love each other they bless, but they really can't accept their goddess being with a married man, not to mention that they don't want their goddess to do something to destroy other people's families!

Lin Hao picked up the microphone and flirted with a smile, “Are you guys thinking too much? This is a good friend of mine who I haven’t contacted for a long time, like my sister, and I’m bringing my daughter-in-law and daughter here today.”

“I mean, isn’t it only nine years since I accepted your goddess’s invitation to the concert? You guys don’t have to mess with me like that, do you? Going back is a matter of kneeling on iron spikes! Can you kneel on that thing?”

The scene burst into laughter, and what had been quite an awkward atmosphere was defused by Lin Hao’s three words, which also made everyone laugh.

Nan Ge also said with a smile, “Lin Hao is right, Lin Hao is my big brother, he has helped me a lot, it’s been ten years, sister-in-law and Xiao Shi are here, please come on stage together, I haven’t seen Xiao Shi for a long time, she should be a beautiful girl after ten years of absence, right?”

The spotlight hit Lin Hao’s spot just now once again, Shen Xiyan and Lin Ruoshi happily stood up and walked towards the stage.

Lin En looked away in embarrassment, but Nan Ge still saw him, and Nan Ge immediately shouted, “Lin En, you son of a bitch! Come up here, you liar, did you know that Brother Lin Hao was back before I did.”

“Nonsense, I didn’t, I wasn’t!” Lin En cried and laughed as he got up a piece and walked over.

The crowd laughed again, although Lin En was not a member of the circle, Nan Ge’s friends and fans were aware of Lin En’s existence, the two were quite close, occasionally appearing in Nan Ge’s Weibo, and the two often disliked each other across the air.

Many people previously thought that the two were a couple and were ready to make an official announcement, but it turned out that everyone has since learned that the two are actually just good friends and do not have that kind of relationship.

“Hello sister-in-law, great, long time no see.” Nan Ge gave Shen Xiyan a big hug and didn’t even let Lin Ruo Shi go: “Wow, Xiao Shi has grown so big, oh my, she’s really getting prettier as she grows up!”

“Wow! My idol is hugging me, haha. Hello sister Nan Ge.” Lin Ruoshi was so happy.

Shen Xiyan smiled, “My daughter and I love you so much, you are our idol, because we don’t remember what happened before, we only found out recently that our idol is our friend.”

## Chapter 2834

Nan Ge froze and then reacted “So Brother Lin Hao disappeared for ten years because of this?”

“Probably, probably.” Lin Hao smiled and covered up the situation.

When the fans below saw Shen Xiyan’s mother and daughter, they had nothing more to say. It was obvious for all to see how beautiful Shen Xiyan was, not inferior to Nan Ge in the slightest, and even much more beautiful than Nan Ge.

Their daughter, Lin Ruoshi, in particular, was still young, but she was an absolute beauty!

This is also a family with a talented daughter, a pair that matches each other, and even Nan Ge’s fans feel that it seems nothing strange that Nan Ge can only be Lin Hao’s sister, after all, she doesn’t stand a chance when his daughter-in-law is so beautiful.

Many fans even strongly requested them to sing a song together, and even the fans felt sorry ah, because they are completely fan of this family of three, in terms of face value is not inferior to the real stars, plus Lin Hao and so funny and interesting.

At the fans' enthusiastic request, and with such a warm atmosphere, as if the concert had just started, Lin Hao asked Shen Xi Yan for their consent and the three of them sang a song together as special warm-up guests.

After all, they are all vegetarians, not professionally trained and don't sing often, so naturally they can't all be like Lin Hao and open their mouths and kneel!

It was only after Lin Hao flirted with Nan Ge for a few moments that fans were shocked to find out that Nan Ge could actually play the guqin, and that her attainment was not low.

Nan Ge sighed: "To be honest, I don't really want to play the guqin on such an occasion, after all, Master Qing Shirt said that she only plays the guqin for herself and not for others. But Brother Lin Hao wants to hear it, so I'll play a piece."

The fans were overjoyed and said that they had been blessed by Lin Hao.

The sound of the zither immediately drew everyone's attention, and the after-tone continued for three days, even before the end of the song, people were deep in it and could not forget it for a long time.

Lin Hao couldn't even help but sigh, "It already has a few shades of Qing Shirt back then, it reminds me of Qing Shirt ah."

"Who is Qing Shirt? The sister who also likes you?" Shen Xiyan whispered and muttered in Lin Hao's ear.

Lin Hao held his forehead, "Qing Shirt is Ling Yun's sister, and has left, forever. It used to be Nan Ge's guqin master."

Shen Xiyan's expression changed slightly, "I'm sorry, I didn't know, I was just joking, I didn't expect ....."

"It's alright." Lin Hao comforted Shen Xiyan.

"Hey, hey, brother Lin Hao, isn't that a bit much, my concert eh, my home turf ah, why do I feel like it's your turf ah. I'm playing the piano over here, is it too much

for you two couples to be spreading dog food here ?” Nan Ge smiled as she looked at Lin Hao and the others.

The whole room burst into laughter.

Lin Hao laughed and shook his head while Nan Ge picked up the microphone, “The concert should have ended a long time ago, we’ve all benefited from Brother Lin Hao’s light ah, sang a few more songs, and met my sister-in-law and brother’s divine face, as well as my beautiful niece. That’s the end of the concert for today, oh.”

The fans were sad about Nan’s voice, but they couldn’t let the show go.

Maybe after this, it would be hard to see them again.

“So, are you still retiring from the circle here ?” Lin Hao smiled and raised his eyebrows, “I’m thinking of entering the circle, I think, although I’m a bit narcissistic, I should be considered quite handsome.”

“Puff, brother, do you call that narcissism ? You’re too modest, you’re not handsome, you’re simply handsome.” Nan Ge couldn’t help but laugh, then she also looked at Lin Hao with some confusion, “Brother Lin Hao, are you really planning to enter the circle ? Didn’t you never like being famous and getting noticed like this before ?”

“If it wasn’t for the fact that I haven’t seen you in ten years and was excited to see you, I wouldn’t have dared to shout for you to come on stage just now, after all, you don’t really like this.”

Those fans who didn’t want to leave the stage had their ears pricked up to listen, there’s a door!

They all hoped that Lin Hao could persuade Nan Ge ? Dye Wu Di Er Dye Chia Wu Pao ? not to quit the circle, although in their hearts, they were a little less than satisfied with this operation of Lin Hao’s family.

**Super Son-In-Law Chapter 2835–2836 –**

## Chapter 2835

Just feel like this is like a script arranged, deliberately self-directed this play, just to give Lin Hao family into the circle of the pavement.

“There is this intention, is to engage in some small variety ah or something, play that way by yourself, I see you withdraw from the circle, should not be too suitable for the atmosphere of this circle, but you like singing very much, so give up I think it is quite a pity.” Lin Hao finished and added: “And ah, if I really start a variety show, I can’t afford to pay you, let alone invite stars to be guests, think it over.”

“I’ve thought it over!” Nan Ge smiled sweetly: “I don’t want to be paid, I’ll go to any show you put on, for free, and I’ll even help you get some good friends.”

Nan Ge picked up the microphone: “Fans, viewers, you heard me, since my brother Lin Hao has said so, I will not take on dramas or movies in the future, if Lin Hao still makes shows I will go to them. Songs I will continue to sing, concerts should still be opened, semi-retirement circle.”

“Hee hee, you guys can’t eat brother Lin Hao’s jealousy oh, don’t say anything all of you can’t persuade me, brother Lin Hao three words to persuade.”

Lin Hao’s face was dark: “Can you be more obvious in your revenge? I really just saw your letter two days ago, don’t mess with me, are you really not afraid of your fans getting me killed!”

Nan Ge burst out laughing, all the fans in the audience burst out laughing, but many of them were looking forward to Lin Hao’s variety show, after all, Lin Hao is so handsome and funny, it should be fun to do a variety show!

The fans dispersed, and Lin Hao and the others went back to the Lin family, and even invited Director Chen to go with them, but Lin En followed sullenly, as he had become a human backdrop after going on stage, and no one bothered him at all.

But when he found out that Lin Hao was cooking again, Lin En was happy again.

Nan Ge was even more excited, rubbing his fists together, “Mum yeah, it’s been ten years, the delicious food I’ve wanted for ten years can finally be eaten again today, it’s moving me to tears.”

Lin Hao laughed and teased, “Director Chen, is this girl usually like this? Don’t her fans scold her for that?”

Director Chen laughed loudly, “No, this girl is not usually like this anymore, only in front of you Mr. Lin this way, and the girl is telling the truth, this is delicious, it is simply a five-star hotel chef can’t even compare, this is also the first time I have eaten such delicious food, thank you Mr. Lin for your hospitality.”

Lin Hao raised his glass: “You’re welcome, Mr Chen, thanks for today, I’ll take this favour down. Lin En you go back and tell your father, if Director Chen needs to invest, he can consider it at his discretion.”

Nowadays, the Lin family’s volume has doubled several times, and with a volume of 20 to 30 billion, it is enough to return the favor.

Chen director’s eyes lit up, he is not for this sentence? The first thing you can do is to ask for a favor. The actual fact is that you will be able to get a lot more than just a couple of days. This one sentence works better than anything else!

I’m sure my dad would be happy to do it, but I’m a little curious, brother, are you really going to do a variety show? What kind of show?” What kind of variety show?

Lin Hao looked at Lin En with amusement, “Tell me, what kind of variety show would be suitable for someone like me?”

Lin En was stunned and then looked at Lin Hao awkwardly, “Do you want to tell the truth?”

“Nonsense.”

“Well, think Lin Hao brother you so salty person, even if you go to be a teacher, but also the most leisurely, the most salty physical education teacher, and the previous open shop bar, are too much customers to see, that must be more leisurely salty fish life variety show it.” Lin En heatedly laughed, he kind of saw, Lin Hao is again want to experience life, but also lazy to care so much.

To put it bluntly, he was a paradoxical person who couldn't be idle, but couldn't be diligent.

This kind of person cannot be idle and cannot be too busy, cannot be too far from the city and does not want to be too close to the countryside.

It is more eclectic kind, not bad near the county is good, can be urban can rural, belong to the more contradictory type of people.

## Chapter 2836

“Hey, the whole thing is that you know me quite well.” Lin Hao laughed, “I think it's fine, but I just have one idea, that is, I don't know if Xiao Shi and Xiyan are happy to show their faces, after all, we are not short of the two money aren't we.”

“Nonsense, if you are short of money, then our Lin family group is like a beggar on the street.” Lin En scolded with a laugh.

Nan Ge also couldn't help but laugh, “Hey, then the money I've earned over the years is really, compared to Brother Lin Hao, a beggar who doesn't even have a broken bowl.”

Next to him, however, director Chen listened with trepidation, “Damn, this, is this guy still a hidden tycoon?”

Although this residential area can also be seen, just this piece of courtyard must be worth one or two hundred million, right, Lin Hao would not be too short of money, but how he did not expect Lin Hao is so rich ah, completely can not see, too low-key, right?

The company's business is a good example of the kind of money that can be made available to the public.

Chen was curious but didn't dare to ask, after all, even when facing Lin En, he had to be cautious, and he wouldn't dare to ask a person like Lin Hao.

Lin Hao looked at Chen Hao's hesitant look, Lin Hao couldn't help but laugh, "Don't listen to their nonsense, I am the legendary tycoon, not to mention not as exaggerated as they say, we are only a family of three with a deposit similar to Lin En's family group. Uh, it's everyone's savings."

"Dad, I have that much money?" Lin Ruoshi froze for a moment.

Shen Xiyan was also crying and laughing, "Don't listen to your father brag, if I had so much money, why would I be the president to go?"

"Check it out for yourself when you have time, the password is your birthdays." Lin Hao two two crystal clear bank cards, completely made of diamonds, with magnetic stripes inside, threw them to the two.

"Holy shit, a real dragon diamond card! Shit yeah." Nan Ge excitedly snatched the bank card over and said excitedly, "Don't say anything, just this card alone I know that Brother Lin Hao isn't lying, besides, sister-in-law you don't know how rich Brother Lin Hao is."

Director Chen also couldn't help but twitch, the True Dragon Diamond Card, I think he had heard of it, it was a legendary thing, besides being rich, you had to have an incomparably lofty status.

Lin Ruoshi and Shen Xiyan mother and daughter both looked at Lin Hao curiously, equally full of questions, did their own family really have so much money? Just like a certain onion, who always thought his family was ordinary? But it turned out to be a family with an unbelievable amount of money?

The reactive director Chen hurriedly stood up, what came next was no longer what he should hear: "That, you guys talk first, I think I still have some things to take

care of, by the way, Mr. Lin, if you really want to make a variety show, I hope to take on the role of executive director without a penny of remuneration.”

Chen director also knows to take the opportunity to close the relationship, as long as you enter the circle, then? The first thing you need to do is to get into the circle. What he gets is not simply money and resources.

It's status, status! In this circle, the most important thing is seniority and status, he is quite a successful director, but the real core circle, basically can not look at him.

“Director Chen has said that, so let's not get busy with your business first, let's finalise this matter first.” Lin Hao laughed.

Director Chen sat down with a smile, this was considered an endorsement, and he was no fool.

“Lin Hao, who did you rob and why are you so rich? I really don't remember anything from before.” Shen Xiyan looked at Lin Hao in bewilderment, looking at everyone like this, Lin Hao really had so much money, which was understandable, if Lin Hao really didn't have all this capital, how could he net know these great and powerful people?

“What robbery or not, I'll talk to you guys about this later.” Lin Hao laughed, letting them know too much would easily scare them.

“Well, if I have this money, why should I go to work? I'll go play with you, and that variety show you mentioned is pretty good. I'll be a star too.” Shen Xiyan looked at Lin Hao with a smile.

## Super Son-In-Law Chapter 2837-2838 –

### Chapter 2837

Nan Ge waved her hand, “There's nothing good about being a star, it's just like that.”

However, everyone looked at Nan Ge with a speechless face, “You’ve become so popular, of course you’re saying that.

Nan Ge noticed everyone’s gaze and coughed awkwardly, hurriedly changing the subject.

Shifting to the topic again, even Lin Ruoshi jumped up a bit, she used to envy Xiao Yuan, who was sitting on tens of billions of assets, and now because of Lin Hao’s reminder, instead of shrinking, their assets had even gone up quite a bit.

What turned out to be dumbfounding was that in the end, they themselves were richer than their family, and this sudden contrast still left them a little confused.

When it came to filming a variety show for TV, Lin Ruoshi also wanted to go.

He was refused by Lin Hao, and only allowed Lin Ruo Shi to take a holiday or a break, and only be able to participate if it did not interfere with her studies.

Lin Ruo Shi wanted to cry, study a hammer ah, she is now even freshman year courses are almost finished, college entrance exams are not something she should consider and worry about, but Shen Xiyan and Lin Hao repeatedly insisted, she can not do anything.

The people talked about the whole night, discussing with director Chen and them, and almost did not decide on the spot the specific itinerary. Chen was even quick to call and put off everything, even if it was to follow Lin Hao’s foolishness, as long as he got it right this time, he wouldn’t need to worry about anything else.

The day dawned before everyone could go back to rest, Lin Hao was more excited, feeling the more fun the conversation was, as for the Heaven’s Path Palace side, they are not making things happen? As for the Heavenly Dao Palace, they’re not doing anything, they’ll be done when they come to the door, these people are much more anxious than he is, this is Lin Hao’s obvious advantage now.

However, as the crowd was falling asleep, the internet was in an uproar.

Last night's concert, which was originally Nan Ge's exit concert, was suddenly stirred up by Lin Hao, and Nan Ge suddenly changed her mind about not retiring!

Qing Ya directly exploded ah? Ishan serve er Yi Xiwu whisk? The hotel had smashed everything in the room!

"Bastard! Bitch! This bitch! Why? Why did you say you'd quit and then not quit again? Why did you say you'd quit and then not quit? Qing Ya's face was so fierce and furious that she wanted to go and kill Nan Ge!

The assistant spent the whole night trying to persuade her, but she couldn't.

"She said that she would only hold concerts occasionally and that she would not act in any other dramas, movies or variety shows, except for that show that Lin Hao made. When she fades out of the limelight, she can be given a reputation of being unworthy of her position." Qing Ya's assistant pulled Qing Ya and hurriedly dissuaded her.

The result was a slap to her face: "Go away! You don't know shit! She has been in the business for nearly ten years, how many popular songs have she sung? How many classic movies and TV dramas have she done? As long as she doesn't leave the industry, she's a hundred foot worm that won't die, even if she has a wave of memories, she can become a hit, what do you know!"

To be honest, it's because Qingya is scared, compared to Nan Ge, she has nothing to compare with Nan Ge, to say the least, her position as a diva is even more watered down!

Besides, she knows better than anyone how she came to be a diva, she slept her way to the top, plus went to Tiger to raise Little Samuel!

And Nan Ge? She had worked her way up through the ranks!

"Then what should we do, Sister Qingya, if she doesn't quit, we can't force her to quit, right?" The assistant also had a headache.

Qingya brightened up: “Yes, we should force her to quit! Nan Ge claims to be innocent and noble, doesn’t she? Then she should do what she says! You don’t need me to tell you how to do that, do you? No matter how much money you throw at her, throw the marketing team at her and pour dirty water on her until she quits!”

## Chapter 2838

The assistant’s eyes were also glowing, that’s right, words spoken and water spilled cannot be retracted, they had a bunch of such professional teams under their hands for messing with the right family, plus what happened last night, how many things could be done?

“I know, Sister Qingya, I’ll get right on it!” The assistant quickly left and started contacting professional teams, with financial support at all costs, there was nothing that couldn’t be done!

And last night’s concert, last night already rushed to the top of the hot search, a lot of eyes were red for the big cake that Nan Ge held, if she retired, the cake she left behind naturally some people wanted to divide it, there were already obvious unfavorable remarks about Nan Ge.

The team’s actions have led to a lot of criticism on the internet. The company’s team has been working on the internet for a while. There was a flood of curses.

The first thing you need to do is to get a good idea of what you want to do.

The actual fact is that the Diva’s concert is a script, and the actual fact is that she is pulling vegetarians into the circle to make bad money. The tone is getting lower and lower!

There are even hot searches for suspected divas interfering in other people’s relationships, and all sorts of negative things have been staged, but these opponents are madly trying to dig up information about Lin Hao, but they can’t dig deep at all, and they can’t find a single bit of relevant black material.

Just know that Lin Hao is a physical education teacher in Jinling Middle School, Shen Xiyan, the female president of a large group, Lin Ruo Shi, a junior student in Jinling Middle School, especially the information related to Lin Hao, can not be dug out at all.

But it doesn't hurt that the wind is now blowing, with passers-by and black fans of the opposite family, calling out Nan Ge for going back on his word, and even playing with scripts for concerts, bringing vegetarian friends into the circle cha rotten money.

Nan Ge's fan base is huge and most of them are still holding out against the other side, but some of them are wavering and have expressed their hope that Nan Ge will love his feathers.

Even if they are friends and have a good relationship, they shouldn't dirty their feathers to milk each other, right?

The matter intensified and exploded in a spurt, and even Lin Yan, who didn't care much about showbiz gossip, heard the news.

Lin Yan cried and laughed: "This guy, making such a big fuss again, didn't he want to keep a low profile? Why is he suddenly stirring up such a high-profile thing? It's not like his style!"

However, Lin Yan was not worried at all, he believed that Lin Hao had a way to solve this matter.

However, things were getting more and more intense, and by noon it was almost known all over the internet, Nan Ge's team had surprisingly not formed an effective counter-attack, not even the operation of withdrawing the hot search.

This confused even the opponents of the mess, what's going on?

It shouldn't be? Even if Nan Ge's character of not fighting and not being in a hurry was understandable, her company, her manager, wouldn't allow this to develop ah.

If this goes on, it would be like completely ruining Nan Ge's image that she had built up over the years.

Even Qingya's side was a bit suspicious, could this be a conspiracy?

In fact, they were all wrong. It wasn't that they didn't want to fight back, but they couldn't even contact the right person.

Last night, they were all exhausted from discussing the matter all night long, and their agents couldn't even contact the right person.

The manager's power is too great, but he can't move the financial power to pull the plug, there is an outsourced team to handle it, and now he just relies on his company's crisis PR team to handle it, which is not an effective counter-attack.

This is suffering from more than a dozen pairs of family siege, as well as the entire network of wind dumping, coupled with the team's inaction, the real owner does not speak out, more fans began to think that all of this is true.

The situation got so out of hand that even the relevant forums crashed, showing how much this matter has affected them.

At the same time, some people wondered why there was no movement at all, since the matter was so big and was getting worse.

In fact, the higher-ups had noticed it a long time ago, and they had all received orders not to interfere in the matter.

## Super Son-In-Law Chapter 2839–2840 –

### Chapter 2839

It wasn't until this news reached Zhuque's ears.

It was only when Zhao Chen called Zhuque that Zhuque learned that it just so happened that Zhao Chen's idol was Nan Ge .....

“What did you say? You’re not kidding?” After hearing what Zhao Chen said, Zhuque jerked up, “What the hell is going on here? Not to mention the fact that this matter is so big, there should be relevant regulatory authorities coming out to intervene, not to mention what is Brother Lin Hao’s status, what do they want?”

Zhao Chen said awkwardly, “I think, ahem, forget it, I don’t think anything.”

“I know.” Zhuque hung up the phone coldly and then called Liu.

“Dragon Master! I don’t understand what you mean! Why did you do this on purpose?” As soon as the phone call was answered, Zhu Que could not help but question Liu Mou, this was clearly the intention of the higher-ups, did Liu Mou want to make this matter more and more serious?

Liu Mou smiled and spoke, “Little Bird, this is not the right attitude, why are you questioning me like this? Since the God of War wants to return to the public eye, we should support him.”

“I don’t think it’s the War God who wants to return to the public eye, it’s your Dragon Master who wants him to return to the public eye, don’t you think the War God would not understand if you act so obviously? Have you considered the consequences of this! Also, if the War God’s information leaked out, what kind of impact would it have? Even if we quell the repercussions, how much of an impact would it have on the current military ministry if his identity leaked out?” Zhuque questioned word for word.

That little thought of Liu’s, could Zhu Quo not understand?

Lin Hao had pushed off the post of Supreme General, and although this had always been reserved for him and had always acknowledged his position, Lin Hao had gone about his life of leisurely salty fish.

Liu and Qin Lao’s thoughts are actually the same, nothing more than wanting Lin Hao to come forward again, China Xia even has such an existence, why not come forward and use it up?

They knew that China was in crisis Lin Hao couldn't possibly ignore it, but they wanted Lin Hao to stand up and shelter China, to say so himself!

Liu on the other end of the phone fell silent, he did have this idea, to take advantage of this opportunity to make Lin Hao's message known to the public, and with such a general trend, even if Lin Hao didn't want to come back, he had to return!

But Vermilion Bird was equally right, an existence like Lin Hao was not something they could sway, something so obvious that Lin Hao would definitely see it, and it would then backfire and only push Lin Hao further and further away.

Lin Hao's anger was more than they could afford, plus really doing so would have a huge impact on the soldiers as well, the consequences would be too serious.

Liu was only concerned with trying to get Lin Hao back, even if he hung around the military ministry in a current position, it didn't matter if he didn't come for a trip for ten days and half a month.

"Alas, I'm the one who's too eager, Little Bird, you have a point, in fact those people have advised me, I just don't want to listen, forget it, just do as you say." Liu Mou sighed and hung up the phone.

"Little captain! You come with me!" Zhuque spoke coldly, and the departments were given the relevant orders one after another, all running at top speed almost instantly!

This was even more fierce than the withdrawal of the hot search, not even the slightest trace could be found directly, any information and media accounts related to Lin Hao's family of three, all accounts were cancelled, and the team under Qing Ya's hand, without exception, were all killed in action!

All the forum companies, as well as the opposing families involved in this matter, and their teams, were all interviewed, and even given red-headed documents directly.

Qing Ya was even given special attention and was personally received by Little Bird!

Qing Ya, along with her assistant, saw a heavily armed Zhu Quo and his men, as well as two of the first and second in command of the Jinling Film Association.

It was already dumbfounding for them to be surprised by these two bigwigs, how come they were now involved with the army ?

How could the army be involved now ? They were only informed a few minutes ago that their team had all been killed in action, their company had been interviewed, and many of the capital behind her had even called to yell at her, asking who she had offended. They were being screwed along with them!

## Chapter 2840

“Long, sir, you have some water.” The assistant poured a glass of water for Zhuque, but Zhuque didn’t even look at it, instead she frowned and glanced towards the northwest corner of the room, she could see with her naked eyes that there was Yin Qi there, but she didn’t see Little Boy.

When she saw Vermilion Bird’s gaze, Qingya’s heart was disturbed, it was impossible, no one but her should be able to see Little Boy.

After looking for a while and not finding anything unusual, Zhuque withdrew his gaze and threw the document on the table with a snap: “This is the punishment document, your team or individual behaviour has denigrated and made false statements about important people who have made outstanding contributions to our department.”

Jubilee turned and left after dumping the document, not willing to stay here for one more second.

The two remaining people didn’t linger much either, and similarly just dumped the document while warning each other that any local resources about Jinling would

no longer be allowed to work with Qingya, and all works that Qingya was involved in would not be broadcast in Jinling.

It was directly tantamount to banning her from this part of Jinling!

Soon, countless phone calls also came in, going up to radio stations all over the world, also unilaterally issued notices to block Qing Ya's related works, while many endorsements have announced the unilateral cancellation of the contract, even if it is to compensate her for breach of contract.

It was only at this point that Qingya really realised that there was a big problem and that they had touched a red line that they shouldn't have touched.

"Who the hell is it! Who the hell is he! Ahhhhhhh~! Why is this happening, what the hell have I done!" Qingya grabbed her hair like crazy, shouting like a female lunatic, but it was no use for her to be mad any more.

Although she hadn't been completely banned, she had lost countless endorsements and resources, and her status had naturally fallen to the ground, collapsing faster than a house!

Many of her former 'friends' have cleared their relationship with Qingya, and all the news and hot searches related to Lin Hao have disappeared without a trace, and many people even found that the word Lin Hao could not be displayed, let alone sent out, and if you try a few more times, your account will be directly dried up.

Now these pairs of families have also reacted, hurried to close, they offended the wrong people, even Nan Ge's idea they do not dare to play, but now happens to have a Qing Ya also finished?

They have started to shift their targets and started to set fire to fight for the cake that Qingya left behind, anyway, whose is it to rob? They also understood that Nan Ge's side of the cake was not easy to chew, and everyone had seen what happened to Qing Ya, so it was easier and safer to chew the cake that Qing Ya had left behind.

The good thing is that the people behind Qingya are still? I dye dye closed steak land steak Yi? Not planning to give up on her completely, otherwise she would have ended up even worse.

The hot searches related to Nan Ge however were not taken down, they were going to let Lin Hao or Nan Ge deal with these matters themselves, after all it was no longer a big deal, the battle had been diverted.

The big hits that had been raging fast all day turned out to have all but disappeared in less than an hour's time, with Qing Ya's scandal being topped instead, and desperately trying to get down the hotness couldn't get down.

Even ordinary netizens feel that something is wrong. It is clear that this is a two-day battle, and Qing Ya is deliberately joining hands to mess with Nan Ge, but in the end, she failed to do so and was messed with by the people behind Nan Ge.

Although the real person hasn't shown up yet, and there's no word from him, the die-hard fans of Nan Ge are still happy.

In the evening, there was a sudden shout from the Lin family residence.

"Holy shit!" As soon as director Chen woke up, he glanced at his phone and was dumbfounded, dozens of missed calls, holy shit, is this the sky falling outside?

"Holy shit, what the hell oh." Nan Ge woke up and habitually picked up her phone to take a look, and was equally frightened.

Hearing the commotion, Lin Hao and the others rushed in, and Director Chen walked out.

"Something big might have happened, I have dozens of missed calls from my side, all from friends in the circle." Director Chen looked at Nan Ge who had messy hair and was still in her pajamas and hadn't woken up, and said.
