## Super Son-in-law 591

At six o'clock in the evening, Wang Shufen was sitting in the living room, her heart was on fire, she had just seen Shen Xiyao come back from Lin Hao's grave, she didn't even eat, she walked into the house, and Wang Shufen also knew that Shen Xiyao had spent the entire day today staying at Lin Hao's grave, and now Wang Shufen was incredibly worried about Shen Xiyao. Leng Qiu Ya was the same.

Only unlike Wang Shufen, Leng Qiu Ya had been in Tianhai City for so many years, and used to be the eldest daughter of the Leng family, and nominally had the title of the first beauty of Tianhai City back then, so she still had some connections in Tianhai City. That's why she spent the entire day today running around to visit one of the big names in the political, military, and business worlds of Tianhai City. Trying to get them to come out and help say a few words, but the result was the same, no matter who she went to, no one would risk offending Lin Tian to help her, except that Leng Qiu Ya still didn't give up, it's really no good, tonight she would escape from Tian Hai with Shen Shi Yan to .....

'Is there really no other way, Shengnan? Can't you help us, mother and daughter? Xi Yan is also your goddaughter ah .....

Leng Qiu Ya walked up to Gu Sheng Nan and pleaded bitterly with him.

Gu Shengnan's eyes are incomparably complex, it's at this point, don't tell me he knows that Lin Tian is Lin Hao. Even if he didn't rely on West Paizhi whisked Sandy Dye Cover to know, he would have no choice.

Gu Shengnan sighed deeply and pointed out to the window, 'Qiu Ya, did you see those cars outside the window? Those are all people from the Tianhai Group, the thoughts in your mind, thinking that if you really can't do it, you'll take Xi Yan and escape from Tianhai and go abroad. Hey, Qiu Ya, you're also from a big family, don't tell me you can't escape at all, and even if you do, what can you do? With Lin Tian's power, where can you mother and daughter escape to?'

'But, but I really don't want my own daughter to marry into the fire again ah. She's just lost Lin Hao and now she's going to be asked to marry again, how can she get over it? It's an individual who can't get over .....

Leng Qiu Ya said with incomparable sadness.

Leng Qiu Ya is her own daughter, for more than twenty years, because of the pressure of the Leng family, she hasn't dared to go to look for Shen Xi Yan. Hadn't gone to dare to meet up with Shen Xiyan. But now it was not easy, she had met up with Shen Xiyan. But it was such a result, after she met up with Shen Xiyan, the bad news, completely one after another. Leng Qiu Ya could not wait to die, she felt that it was her appearance that caused Shen Xi Yan to encounter so many calamities. Because when she didn't appear, Shen Xiyan, when did she encounter such hardships ah, didn't she live a good life?

Yue Gu saw that Leng Qiu Ya was sad, so she walked up to Leng Qiu Ya and bit her lips to persuade her, 'Aunt Qiu Ya, things are already like this. Today I carefully went through all the rumors about Lin Tian and Xi Yan outside, and I can tell that Lin Tian really likes Xi Yan. And Lin Tian himself is also such an incredibly good man. If Xi Yan marries him, he'll live a good life in the future too ah .....

Leng Qiu Ya nodded her head, 'Mm, I know, I know. I just feel that this world is too short, too short. If Xi Yan calms down for a while longer and she marries Lin Tian, I'll definitely support it. I'm just afraid that Xi Yan won't be able to stand it ah .....

Yue Gu opened her mouth, somewhat anxious to say something. But in the next moment, she was given a fierce stare by Gu Shengnan. Yue Gu immediately reacted and could only take a deep breath, then sighed again and walked towards Shen Shi Yan's room. She was now aware of the truth, and like her father, Gu Shengnan, she had spent the entire day today subliminally trying to persuade Wang Shufen and Leng Qiuya. Because Lin Tian is Lin Hao, Shen Xiyan is not going to jump into the fire pit tomorrow, but to harvest happiness to go ..... and still in front of everyone in Tianhai City ..... how romantic and happy it will be.....

Just these words Yue Gu knew that she knew, but now she was not able to talk to Wang Shufen and Leng Qiuya. In fact, it's almost time. It's now only a few hours from tomorrow morning. It's all over after a nap. And Shen Siyan's wedding dress has also been sent over .....

## Chapter 592

Shen Xiyan actually had a smile on her face? This shocked the hearts of everyone, but after the shock was fear, because Shen Xiyan's emotions were just too abnormal.

When Leng Qiu Ya saw Shen Xi Yan come out, she rushed forward and asked, 'Xi Yan, what's wrong with you? Don't scare mom ah, it's now this time, how can you still laugh ah, if you want to cry, you can cry, mom accompany you .....

Wang Shufen also hurried to the front of Shen Xiyan, holding Shen Xiyan's hand, incomparably distressed and said: 'Xiyan, you haven't eaten anything all day ah, you eat some, okay? Don't starve yourself. Mom loves you too .....

I've also come to terms with the fact that Lin Tian is really good to me, and he's really very, very good in all aspects. And he also has Lin Hao's shadow in him. Now that he wants to marry me, I'll marry him. Lin Hao's wish before he died was also for me to marry the right one when I met him. Lin Tian is good, very good, and I have a good impression of him, and since I'm also going to marry in the future, I've come to terms with it, so let's marry him .....

Although Shen Xiyan was smiling, but her heart was endlessly complicated.

Because she knew that this matter was far from being as easy as she said on her lips. If tomorrow she didn't dress up beautifully, put on a wedding dress, and follow Lin Tian into the marriage hall to hold that grand wedding. Then all the people around her now would die .....

Including the ones in the house right now, Wang Shufen, Leng Qiu Ya, Gu Yue, Gu Shengnan, Jiang Shaoming and Li Jianghai, who have been arrested by Mo Tianji, will all die. ....

Also, the Kyushu Group that Lin Hao had worked so hard to build up with no idea how much effort and effort he had put in behind his back would also disappear, as well as the cherished design company that Lin Hao had left to her before he died. The dream Lin Hao shared with her would never be fulfilled in this life.

And today, after standing in front of Lin Hao's grave for a day, Shen Xi Yan had figured out that marriage was okay. She'll just think of Lin Tian as Lin Hao. And the rest of the time, she would devote herself to the design. When she had completed her dream, Lin Hao's last wish, after she had arranged for the people around her, she would commit suicide, she would leave this world, and in the meantime, she wouldn't let Lin Tian touch her, she would negotiate a contract with Lin Tian, and if Lin Tian didn't agree, then she would die .....

Well, this was the decision that Shen Xiyan made in her heart after standing in front of Lin Hao's grave and thinking about it for a day. And with Shen Xiyan's character, once she decided, she would really do it .....

Wang Shufen took a deep look at Shen Suyan and reached out to touch Shen Suyan's face, then also wiped away the tears on her own face. She, Shen Suyan's stepmother, had to understand Shen Suyan even better than Leng Qiu Ya. Shen Suyan just looked at them with unwilling eyes, Wang Shufen all understood, just understood why Shen Suyan agreed to marry that Lin Tian .....

Wang Shufen, who had just figured out what was in Shen Xiyan's heart, felt even more pain in her heart. Such a good daughter, she used to suck blood from her every day when she was in Nanjiang City. Wang Shufen would have hated to give herself two big mouths at this point.

Wang Shufen incomparably blamed herself, she looked at Shen Xiyan and asked: 'Xiyan, well, it's good that you figured it out. Don't worry, you still have mom to accompany you, after you married over, mom will follow you and cook for you every day. Now you eat some, tell mom what you want to eat, mom will cook it for you.'

Shen Xiyan smiled slightly at Wang Shufen, at this moment Shen Xiyan buried all her sadness deep into her heart. She adorably covered her little belly and said to Wang Shufen, 'Mom, I'm so hungry, I want to drink chicken soup, and Kung Pao chicken ..... Mom, you go and make it for me, I'm too hungry .....

Wang Shufen also smiled and nodded her head, then went to the kitchen to work. Wang Shufen went to the kitchen to work, Shen Xiyan began to comfort Leng Qiu Ya on the sofa, but now it is the other way around, Leng Qiu Ya is crying, but Shen Xiyan is smiling.

Wang Shufen cooked quickly, that is, half an hour's look, Shen Xiyan wanted to eat things will be done, chicken soup has been in the pot, also did not use to do again, is hot hot. On the dining table Shen Suyan a person smiling and gulping food, eating a very happy and happy look .....

After Shen Xiyan finished her meal, Wang Shufen went to the kitchen to clean up, while a few of the house's

People, also stay on the sofa, Yue Gu is even more prepared, after all, tomorrow Shen Xiyan's wedding will start, Yue Gu a strong sitting next to Shen Xiyan, talking to Shen

Xiyan, saying what kind of hair Shen Xiyan will comb tomorrow, saying what kind of jewelry Shen Xiyan will bring tomorrow .....

And Shen Xiyan also sat beside Yue Gu and discussed it with Yue Gu, saying that Yue Gu and Shen Xiyan went back inside the room, Yue Gu let Shen Xiyan sit on the dressing table and began to give Shen Xiyan makeup, and Shen Xiyan also incomparably cooperated with Yue Gu .....

Wang Shufen, who finished cleaning up in the kitchen, took a deep look inside Shen Xiyan's room, then she took the trash out, she made a decision in her heart, she was going to find Lin Tian!!!!No matter what the cost, she has to buy Shen Zhangyan some more time .....

## Chapter 593

At ten o'clock at night, the gloom in Lin Hao's heart completely dissipated. Because Night One called him to say that the last two Silver rank killers of the Tears of the Cherry Blossoms had all been annihilated. At almost the same time, Mo Tianji also told Lin Hao that all those members of the Tears of the Cherry Blossoms below the Black Iron rank in Tianhai City had also been strangled and killed, and that Mo Tianji had sent thousands of men to completely surround the wedding venue tomorrow. It was guaranteed that there wouldn't be any mistakes at tomorrow's wedding.

Inside the Tian Hai Group's top CEO's office, Lin Hao stood in front of the large floor-to-ceiling window, looking at the direction where Shen Xi Yan was, and took a deep breath: 'Xi Yan, our big wedding tomorrow, there won't be any problems, tomorrow I will give you a big surprise .....

Mo Tianji was also greatly relieved, from this morning until now, he had been running outside, developing all of his brain power to search for the hundred or so killers within this huge Tianhai City. This high load, even overload, didn't stop until now.

After everything was over, Mo Tianji only felt a deep exhaustion. Likewise, as his right-hand man that Mo had trained for Lin Hao, this incident had made him deeply understand one thing. That was that he was still far from being able to compare to Lin Yan. Because the reason why they were able to find and kill all those silver-ranked

assassins of the Cherry Blossom Tear today.They still relied on Lin Yan's intelligence network .....

Mo Tianji secretly made up his mind to go develop his own intelligence network, that deep feeling of powerlessness on Lin Hao's face.He swore that he would never let Lin Hao appear a second time, that kind of expression .....

Thinking of this, Mo Tianji said to Lin Hao, 'Brother, we'll talk about the future after tomorrow.Even though such a big thing happened today, it's still in the past, and with Senior Daoist One sitting in town, there won't be any more curfews daring to come in tomorrow.You can feel at ease tomorrow and hold a wedding with your sister-in-law, hold a grand wedding, security, I will arrange for it and absolutely ensure that it is foolproof .....

Lin Hao nodded, 'Well, make sure it's foolproof, definitely.Tonight you still have to work hard, tomorrow there are many people going, and the wedding venue, and too big, do not appear to disclose .....

Lin Hao solemnly instructed to Mo Tianji .....

Mo Tianji nodded his head heavily, 'Well, don't worry big brother, I promise.Then you also rest early, I'll go to the wedding site now to make arrangements .....

Lin Hao nodded, and without another word, Mo Tianji bowed and retreated.It was now ten o'clock at night, and it was getting closer to Lin Hao's wedding .....

And just as Mo Tianji was walking to the main entrance of the company, he suddenly encountered Wang Shufen who was stopped by the security personnel.The security officer who stopped Wang Shufen also happened to be the same security officer who came to see Lin Hao half a year ago.When they met now, they suddenly both recognized each other.After all, half a year ago, she, Wang Shufen, had made a scene at the entrance of the Tianhai Group ah .....

At that time when Wang Shufen was spilling her guts here, it was this security guard who got rid of her.And now both of them were surprised when they met again.That security guard is also a retired veteran, who used to stay in the reconnaissance battalion, so he naturally has eyesight.

At this moment, this security guard stared at Wang Shufen with a deadly stare: 'Big sister, why are you here again ?It's been six months, hasn't it ?You're still coming ?And it's that time of day, the man you're looking for would have been off work by now, right ?'

Wang Shufen looked at this familiar security guard and looked a little embarrassed, but she couldn't help but sigh in her heart as well. Yes, Tianhai Group, her good son-in-law, Lin Hao, also worked in this company at first. She had been here before ah, but she wasn't here to find Lin Hao this time .....

For a moment, Wang Shufen wished, how she wished that Lin Hao would come out of it again. Wang Shufen was dazed as she thought about it, her mind constantly recalling the scene she came here half a year ago. 'If Lin Hao is still there, how good would it be .....' Wang Shufen incomparably lamented in her heart, thinking about Wang Shufen's eyes Xi'er whipped to cover the service intention on some moist .....

'Well? Auntie Wang, why are you here?' Mo Tianji recognized Wang Shufen and quickly rolled down the window to ask Wang Shufen.

Wang Shufen saw that it was Mo Tianji, the man who had been following behind Lin Tian. She hurriedly said to Mo Tianji, 'Hello, Mr. Mo, I'm going to look for

Mr. Lin, is Mr. Lin still in there? Can you take me to see Mr. Lin? I'm begging you, I'm really looking for him for something .....

Mo Tianji frowned, if it was anyone else, he probably wouldn't even want to take care of it. But if it was Wang Shufen, he couldn't turn a blind eye to it. Because Wang Shufen's identity was on display there, this was his big brother Lin Hao's mother-in-law.

## Chapter 594

Wang Shufen stared blankly at the extremely familiar face in front of her, knowing that once upon a time, in Nanjiang City. The person Wang Shufen, a spicy and mercenary woman, was most proud of was Lin Hao. She was truly overwhelmed by Lin Hao's magnanimity. Such a big boss was scolded by himself at home for a year, but he actually endured it all.

Then when she was forced into debt by loan sharks, Lin Hao stepped in and bailed her out, then paid off her debts and bought her a big house, which changed her life drastically. Not only did Lin Hao never take revenge on her, but he also gave her the best and best life. So Wang Shufen was affectionate towards Lin Hao.

That's why she came to see Lin Tian this time, but it wasn't just for Shen Xi Yan, in fact, deep inside her heart, she also had Lin Hao's reasons. She only recognized Lin Hao as a good son-in-law in her life. It wasn't just money that could make her like this, there was also true dedication. Yes, before Wang Shufen didn't come to Tianhai Group, no one thought that she really dared to do this, and still did this, from this point of view, she Wang Shufen is much stronger than Leng Qiu Ya all .....

And in the past half a month or so, Wang Shufen seemed to have aged more than ten years, and her entire body was filled with deep fatigue and her waist was rickety. Just as she herself said, she was a country woman. The only thing she could do was to fight to the death. It can be said that Wang Shufen came here tonight with the intention of dying, she has made such an awareness .....

Wang Shufen stared at Lin Hao with wide eyes, tears streaming down her face, she trembled and touched Lin Hao's face, still incredulous and asked, 'Hao'er, is it really ..... really you? You're not dead? Are you still alive? Holly .....

Lin Hao was also deeply shocked by Wang Shufen's approach, at this moment he saw the sincerity of Wang Shufen's feelings, Lin Hao carefully assisted Wang Shufen up, nodding vigorously to Wang Shufen, 'Mmhhh, Mom, yes, I'm Lin Hao! I'm not dead, I'm always here! Mom it's Lin Hao ..... you're up, you're up .....

Lin Hao helped Wang Shufen and sat on his chair while he himself stood to the side. This was the first time Lin Hao respected Wang Shufen so much, and in the past, he respected Wang Shufen just because she was Shen Shi Yan's mother. But now he was really respecting Wang Shufen as if she was an elder.

'Hey hey, it's good that you're not dead Hao'er, it's good that you're not dead .....

 Wang Shufen nodded her head vigorously, trying to force more smiles on her face, but she was unable to smile. As soon as she opened her mouth tears continued to fall down .....

'I'm sorry mom, I've lied to you for the past half month ..... Actually I ..... 'Lin Hao was about to open his mouth to explain to Wang Shufen. But she was interrupted by Wang Shufen waving her hand, 'Hao'er, I believe you have a bitter reason, this ending is quite good, well it's quite good, give Xi Yan a big surprise tomorrow, she is probably going to be so happy .....

Wang Shufen burst into tears after saying that she simply couldn't control it. She now finally understood why Lin Hao cared so much about Shen Xiyan, but left without a word,

not even caring about Shen Xiyan anymore. It turned out that he had always been by Shen Suyan's side, still protecting her with all his might. And this was the second time Wang Shufen had come to Tianhai Group. She hadn't understood until now that half a year ago, when Lin Hao was working at the Tianhai Group, he was probably already the CEO of the Tianhai Group.

Wang Shufen's eyes were incomparably complicated as she looked at Lin Hao standing in front of her, and now she couldn't help but recall in her mind, recalling what Lin Hao had told her when he walked away from Nanjiang City.

'Mom, don't worry about the Leng family, I'll take care of everything, and if something happens, make sure to wait for me to come back. Don't let Xi Yan do something stupid ..... 'This is what Lin Hao said to her when he left at the beginning Covered Dye Shan whisked Pa Pa Xi cover love.

When Wang Shufen now went back to think about Lin Hao's words, she suddenly realized that Lin Hao really really didn't lie to her. The first thing that you need to do is to make sure that you're in the right place.

Thinking of this, Wang Shufen couldn't help but ask Lin Hao, 'Hao'er, that Gong family, did you really exterminate the Gong family?'

Lin Hao nodded and said, 'Well, I'm the one who put it out. Mom, that time I went to Yanjing half a month ago, I got a little injured. When I woke up, I found that Xi Yan had agreed to marry over under the pressure of the Leng family and the Gong family. I had no other choice, so I just exterminated the Gong family .....'

Wang Shufen listened to Lin Hao's words were still incomparably shocking, though she knew that what Lin Hao was saying was the truth, and the extermination of the Gong family was nothing to Lin Hao.

## Chapter 595

Wang Shufen, who was nodding her head, suddenly stood up in the next moment, not daring to sit in front of Lin Hao at all anymore. She suddenly thought of the terrible fact that Lin Hao was now a taboo existence in Tianhai City ah. Holding such a huge force in his hands, the Heavenly Sea Group, an existence that was many times more powerful than

the Leng family, and he was actually sitting in front of him just now? And he himself is standing?

Thinking of this Wang Shufen was how she didn't dare to remain seated anymore and quickly stood up. Lin Hao smiled and sat Wang Shufen down on the seat again and said to Wang Shufen, 'Mom, my family's affairs are a bit complicated and can't be made clear in a sentence or two. But please don't worry, no one will be able to separate us after this time with me and Xi Yan. There are many things that I have almost solved .....

Wang Shufen nodded, 'Mmhmm, Hao'er, you don't need to tell me, if you do, I won't understand. After going through these things, Mom won't ask for anything else, just ask that you and Xi Yan are both safe and sound together, safe and sound .....

Lin Hao nodded his head and said to Wang Shufen, 'Mom, please don't tell Xi Yan about this yet, it's now, it's not that many hours away, this time, we'll be like the time I proposed to her in Nanjiang City. Let's give her another surprise, okay? I believe that after experiencing this time, after the ice-caring face, will not dare to mention the divorce with me again, she felt that it was for my good, and then mention divorce with me, this thing my heart is also quite angry, this time to her er closed dyeing intention to cover the dyeing yi a lesson, hehehe .....

Wang Shufen nodded heavily, 'Mmhmm, don't worry Hao'er, I'll never mention it to Xi Yan. Let's do the same as last time and give that girl a surprise tomorrow. The first thing you need to do is to take a look at the newest products that are available in the marketplace, and then you'll be able to see them.....'

The smile on Wang Shufen's face slowly grew, no longer the pain, the depressing despair that she had just felt. After talking with Lin Hao for a while longer, Wang Shufen saw Leng Qiu Ya calling her before she left from Lin Hao.

Only when Wang Shufen reached the office door, she still couldn't help but look back at Lin Hao, still not sure and said, 'Hao'er, you ..... are really that Lin Tian, aren't you? The actual controller of the entire Tian Hai Group, such as that forbidden figure outside the sea city today?'

## Chapter 596

Wang Shufen, who was nodding her head, suddenly stood up in the next moment, not daring to sit in front of Lin Hao at all anymore. She suddenly thought of the terrible fact that Lin Hao was now a taboo existence in Tianhai City. Holding such a huge force in his hands, the Heavenly Sea Group, an existence that was many times more powerful than the Leng family, and he was actually sitting in front of him just now? And he himself is standing?

Thinking of this Wang Shufen was how she didn't dare to remain seated anymore and quickly stood up. The smile on Wang Shufen's face slowly grew, no longer the pain, the depressing despair that she had just felt. After talking with Lin Hao for a while longer, Wang Shufen saw Leng Qiu Ya calling her before she left from Lin Hao.

Only when Wang Shufen reached the office door, she still couldn't help but look back at Lin Hao, still not sure and said, 'Hao'er, you ..... are really that Lin Tian, aren't you? The actual controller of the entire Tian Hai Group, such as that forbidden figure outside the sea city today?'

No wonder Wang Shufen couldn't believe it, any other person wouldn't dare to easily associate Lin Hao with Lin Tian. After all, their identities and status were far too different from each other, it was simply a vastly different difference .....

Lin Hao put the mask in his hand and stuck it to his face again, his voice also became Lin Tian's voice, and said to Wang Shufen, 'Well, mom, I am Lin Tian, so don't worry, you should go back and advise Xi Yan, tomorrow you must dress her up beautifully ah, oh right mom, Gu Yue also knew my identity last night, and her father Gu Sheng Nan also knows, so Auntie Leng don't tell. If there's anything you need to discuss with Gu Yue or Gu Shengnan, just .....

Lin Hao smiled and nodded at Wang Shufen, and Wang Shufen nodded vigorously. Only now did her heart settle down. But she still felt incomparably shocked.

Wang Shufen had come with the intention of dying. But she never expected that the wedding that all of them seemed to be desperately trying to stop would be exactly the happiest wedding for Shen Xiyan. Just because one key person had changed, Lin Tian was Lin Hao! Lin Hao is Lin Tian!

'Hehe ..... my good son-in-law, my good son-in-law ..... really is still my good son-in-law ..... my son-in-law is the CEO of Tianhai Group ah, I see who else will dare to provoke me in the future .....

Wang Shufen's face smiled as she left the gate of Tianhai Group .....

'Auntie, please get in the car, Mr. Lin asked me to send you back .....

Just when Wang Shufen was talking to herself, suddenly a brand new Lamborghini Poison, stopped in front of her. The next moment a sweet looking beautiful driver, very respectful smile opened the car door for her .....

'Ohhh ..... good good .....

Wang Shufen looked at the limousine in front of her, her heart was greatly satisfied, a big smile and got into the car .....

## Chapter 597

January 1 finally came, five o'clock in the morning, the sky and the sea group door open, the car on the hill with a red happy word, a clear color Lamborghini poison, lined up, a full hundred, one after another from the sky and the sea group's underground parking lot

opened out, voluminous to Shen Siyan where the direction slowly sailing, Lin Hao is sitting in the middle of the wedding car, fleet on both sides with two hundred knights escort .....

In the villa area of Townsend One, in Shen Xiyan's room, with the help of Yue Gu, Shen Xiyan wore a stunning wedding dress, with a high bun on the back of her head, Shen Xiyan's face was also painted with exquisite makeup, at the moment she was sitting on the bed, the white wedding dress spread all over the bed, this is personally designed and cut out of the dumpy red face, and today she also wore it, wearing this most beautiful wedding dress .....

It was just that the bride was her, but the groom was not the one she had in mind. Although she was wearing a wedding dress, but there was no trace of a smile on Shen Shi Yan's face, and although she forced herself to smile, she found that she really couldn't do it, because in her heart, she had never thought that one day, she would wear a wedding dress and marry someone who wasn't Lin Hao. So when it really came to this, Shen Xi Yan's heart had already regretted it. She suddenly wanted to abandon everything in front of her, and just die, just because she didn't want to marry someone else, her groom was not Lin Hao, she was incomparably hard and painful in her heart .....

'Xi Yan, Xi Yan, look at you, you're so beautiful, Xi Yan, today you're definitely the most beautiful woman in the world, God, you're too floating ah, you're beautiful simply don't even look like a woman on earth ah, like a fairy .....' Yue Gu held a mirror and said to Shen Xi Yan.

Well, when Shen Xiyan was in high school, she was the school flower, and she was extremely beautiful. And now towards maturity Shen Xiyan, with a hint of femininity in her body, white skin, delicate face, without a trace of fat body. The first thing you need to do is to get a good deal more than just a few of the things you need to do. After wearing the wedding dress, Shen Shiyan was really just like what Yue Gu had said, a top-notch beauty .....

Pat .....' Just to Yue Gu's words, but Shen Xi Yan suddenly shed a tear. Because she saw herself inside the mirror, and she was really pretty and beautiful, and she also felt that she was beautiful, just like inside her dream. She couldn't help but recall in her mind what she had said to Lin Hao.

'O husband, I'm going to design my own wedding dress, I'll wear it, dress up beautifully and marry you. Give you the best side of me, and the day you will be dressed up, you will

also be very handsome and handsome, and then you will hold me, and we will have the best wedding, hehehe ..... husband I love you so much .....

‘Well well, I believe your wife, my wife is the most beautiful woman in the whole world, no zero er whisked Wu dye service love one!Honey, believe me, I will give you a grand wedding.I will then come and marry you in a suit designed by your own hands and make you happy for the rest of your life ..... Wife, I love you too .....

Shen Siyan looked at her stunningly beautiful self in the mirror, recalling in her mind the conversations she used to have with Lin Hao, and for a moment, grief came from her heart.She agreed to go and marry someone else for the sake of everyone around her, only no one knew that if she had a choice, she would never marry even if Lin Hao died in her life .....

‘惜顏..... 惜顏..... you don’t cry ah, today is your big day ah, believe me, today you will be happy, you will be ah, don’t cry okay ?Don’t cry, okay ?‘Yue Gu was incomparably heartbroken when she saw that Shen Xi Yan was in tears.

‘The person I married is not him, Yue Yue, how can I be happy ..... Lin Hao, how can I be happy if the groom is not you, how can I be happy .....

Shen Xi Yan said, and there were more tears on her face .....

Yue Gu panicked, the makeup on Shen Xi Yan’s face was waterproof, but if Shen Xi Yan cried vigorously, her makeup would still have to be redone.Yue Gu couldn’t help it, she also didn’t sleep all night last night because she was excited to know the truth of the matter.Now it’s just a few hours away, and she won’t give up before telling Shen Xiyan everything, this truth only Lin Hao told her personally, so now Yue Gu can only endure, holding a tissue to Shen Xiyan constantly wiping tears .....

Shen Xiyan, however, didn’t care in the slightest, she didn’t care whether she was beautiful or not today, because the person she was going to marry wasn’t the one her heart liked the most, and now that person, I’m afraid, will never appear by her side again in this life .....

‘Lin Hao, you said that you were going to make up a grand wedding for me, but I’m getting married now, where are you .....

‘Lin Hao, your cherished girl, your favorite girl, is really going to marry someone else today, and you still won’t show up?’

## Chapter 598

‘Honey ..... I’m sorry ah I can’t wait for you, I can’t have a wedding with you in this life, I’m sorry ah ..... sorry ah .....‘

Shen Xiyan mouth murmured, wearing a wedding dress, she was already beautiful, but at the moment the beauty is a kind of, heartbreakingly poignant beauty .....

At the same time, Lin Hao, who was currently sitting in the wedding car, was wearing a stunning peerless design that Shen Siyan had personally designed. He was on his way to the place where Shen Xiyan lived, and his heart also had a great deal of emotion and complexity.

He had too many twists and turns and sorrows along the way with Shen Xiyan. Having encountered too many hardships, having gone through two divorces and remarriages, and finally holding a wedding today, Lin Hao’s heart was also incomparably complicated.

‘Xi Yan, what I promised you, I will do it, I Lin Hao’s bride in this life is only you, can only be you, always you, in the next life or you ..... ‘The fleet is getting closer, Shen Xi Yan’s residence, Lin Hao looked out the window, murmured .....

Today was the day of his wedding to Shen Xi Yan, and today’s wedding between him and Shen Xi Yan was bound to be a grand wedding. The entire Tianhai City for today’s coverage of this wedding, has been overwhelmingly West Zero Love West Closure Shandi. And according to the official announcement of the Tianhai Group, today’s this grand wedding will be broadcast live throughout the entire process, so that everyone in Tianhai City can witness this grand wedding with their own eyes .....

And it wasn’t just Lin Hao who was moving at the moment, the wedding venue, around the largest Catholic Cathedral in Tianhai City, people were already starting to come in, and these were the people who came in for the performance. They were all groups of top beauties from all over the world, they were all wearing white evening gowns, there was a violin troupe, there was a piano troupe, there was a choir, there was a hot dance troupe, there was a welcoming troupe .....

In addition to these wedding scene atmosphere groups, early in the morning, representatives from all walks of life in Tianhai City, a big shot, an elite class of people, also began to enter, each one of them dressed appropriately and in great spirit.

All the big families in Tianhai City, as long as they were entry-level families, their heads rushed over with their family heirs. The Ye family's Ye Feiye and Ye Wushuang, the Xiao family's Xiao Nuo and Xiao Cold Night, the Bai family's Bai Hang and Bai Jiaqi, the Huo family's Huo Xinhai and Huo Yan ..... one by one, all dressed up and entered the scene of the wedding early .....

At this moment on the roof of a tall building two thousand meters away from the wedding scene, Lin Yan and Dao Yi were standing here, distantly looking at the lively and grand wedding scene in the distance. Lin Yan couldn't help but be stunned for a moment.

'More than twenty years ago, when I got married to Hong Yan, it was the same row, and on that day, Hong Yan was the most beautiful woman in the world .....

'Did you see that, redhead? Our Hiro got married, and today is his wedding day, Hiro has finally grown up, and the wife he married is called Shen Xi Yan, who is as beautiful as you are. His wife's name is Shen Suyan, and she's as beautiful as you are. And maybe it's fate, but that girl's name also has the word Yan in it. Don't worry, that girl is not only beautiful, but also extremely kind-hearted, a very, very sensible girl and an exceptionally nice person .....

On the roof, Lin Yan looked at the wedding scene in the distance and murmured to himself, telling Lin Hao's mother and his long-deceased wife about .....

As Lin Yan spoke, Dao Yi was silent. Fu Hongyan, more than twenty years ago that was also a strange woman, Yanjing's generation of the greatest redheads. He used to like Fu Hongyan too, but Fu Hongyan only liked Lin Yan. He eventually married Lin Yan, and after Fu Hongyan's death, Dao Yi's only obsession in life was to avenge Fu Hongyan's death. To kill the holy mountain of the Lin Clan and kill all the old immortals of the Lin Clan! And then he left the world without hesitation .....

This was the common obsession, the common agreement that he and Lin Yan shared in their lives, and after today, the two of them would travel to Western Europe for that decisive battle that had been postponed for more than a decade! With the conviction to die, either those old immortals die or he and Lin Yan fall .....

Dao Yi withdrew his gaze from looking at the wedding scene and turned to Lin Yan and said, 'Today is your son's wedding day, the wedding is going to start later, are you, a father, seriously not going to go to the wedding scene?'

Lin Yan was silent, silent for a while before incomparably bitterly shaking his head: 'Not going, if I go, with his current state of mind, I'm afraid the wedding won't be able to be held, and Qingcheng will be arriving soon, Qingcheng is his own sister, it's good if Qingcheng goes .....

A touch of pain appeared in the depths of Lin Yan's eyes, deep pain that he owed Lin Hao. In order to take revenge, in order to make those people of the Lin Clan branch relax their vigilance, he had cruelly abandoned Lin Hao out back then. He knew exactly how much Lin Hao had suffered over the years, and how many life and death crises he had gone through.

And the last time, when Lin Qingcheng tearfully questioned him in Yanjing, questioning him about the night Lin Hao encountered an assassination in the Heavenly Sea, why didn't he do anything? Why not help? That was actually not the case. Lin Yan's men had already reached Duanqiao that night, and if Night One didn't show up at the last moment, Lin Yan's men would have made their move. Only that would reveal that actually that night, Lin Yan had made all preparations for a complete war with the branch! And fortunately, Night One arrived at the last minute, and Lin Hao relied on himself to survive, and later Lin Hao even awakened the king's power himself .....

Lin Yan was incomparably relieved, in fact everything, he knew it all, he knew it all, he just never said it, it was all buried deep in his heart .....

Dao Yi felt the sadness that permeated Lin Yan's body, the deep helplessness and pain in Lin Yan's words. He looked up towards the wedding scene in the distance and continued, 'Go ahead, even if it's just to watch and see from the outside, maybe this is the last time you'll see him. If those bastards come back, I'll just deal with it .....

Lin Yan took a deep breath and turned around to walk downstairs, the momentum on his body rising as he did so! As Lin Yan walked away, he said, 'On the day of my son's wedding, who dares to attack!'

'Today is my son's wedding day. Anyone who dares to do so will be executed by my entire family. It's my son's wedding day. It's a wedding day! I'll take care of my son's wedding! You ..... don't interfere!'

Lin Yan's figure slowly disappeared, while in situ his overbearing and incomparable words were still echoing, still echoing in the area .....

'Today is my son's wedding day, who dares to violate it! My son's wedding today, who dares to offend .....

## Chapter 599

Dao Yi looked at the direction Lin Yan left, his ears echoed with Lin Yan's words that were filled with endless killing intent, and for a moment the anger in his heart was stirred up, there was a time when he and Lin Yan were enemies.

Yes, more than thirty years ago, Dao Yi was also a peerless figure, at that time Dao Yi was originally a Taoist priest a top killer. His battle prowess was comparable to Lin Yan's. Dao One was a king in the darkness, swimming in the darkness, a powerful existence that no one dared to provoke. The Lin Yan of that time, on the other hand, was much more upright and had great power mixed in with him. At that time, he and Lin Yan both fell in love with Fu Hongyan, and they were both extremely good people, one light and one dark.

But in the end, Fu Hongyan chose Lin Yan, just emotionally lost Dao Yi, and did not give up on himself, nor did he go to retaliate against the two. After learning of Lin Yan's difficulties, Dao Yi even took the initiative to help Lin Yan, for no other reason than to make Fu Hongyan happier, that's all. So the vast majority of the time, Dao Yi was hiding in the shadows, silently wishing happiness to the woman he loved.

But even so, he, Daoist One, had sat to such an extent. Paying Hongyan was still killed by the Lin Clan's branch, and Dao Yi was so furious that he had brazenly killed his way onto the Lin Clan's sacred mountain once more than ten years ago, but that time he was so badly injured that he had to hide, and this delay was a full ten years.

Dao Yi had invited Lin Yan before he went, but Lin Yan didn't go. At that time, Daoist One had even broken up with Lin Yan once. But later on, after he was seriously injured, he discovered that Lin Yan had broken through to the Innate Master. He then all understood that there was a decision to go, but not going was even more difficult, and Lin Yan buried all his grief and killing anger deep in his heart. Working hard to strengthen his power, paving the way for Lin Hao and Lin Qingcheng. That night Lin Yan told him that when his

son had the ability to inherit the Lin Clan, he would kill his way up the Sacred Mountain, and either his corpse would come down, or he would bring down the corpses of those old immortals of the Lin Clan branch .....

It was that night that Dao Yi truly understood the pain in Lin Yan's heart. A world-renowned heavenly pride, the most popular figure in Yanjing more than a decade ago, but his temperament changed drastically overnight. Becoming silent, even if it meant having people spit at and look down on him behind his back, Lin Yan endured it, and this endured for a whole decade ..... a whole decade .....

And to this day, Lin Yan knew full well that his own son was getting married, yet he could only watch silently from afar, unable to even approach the wedding venue, how much more painful must it be? How cruel!

'Lin Tsung-Yun! Lin Xiaohu! Lin Fengyun! You deserve to die, you deserve to die ah .....

'Dao Yi's body's momentum soared to the sky, and the cold killing intent on his body was about to condense into substance. He and Lin Yan had once been enemies, but he and Lin Yan were even more friends, and even more like brothers!

At this moment when Dao Yi looked at the wedding scene in the distance, he couldn't help but have his eyes redden and murmured, 'Lin boy, you must break through that windowpane ah, you must advance to innate ah, so that you can take charge of Lin's, take charge of the Lin's that your father gave you back with his life, incomparably clear and then without a trace of impurities ah!!!'

After Dao Yi muttered a sentence, his figure instantly disappeared above the roof, now he had to go kill someone, today! There were still some remnants of the Lin Clan that hadn't been cleared out of Tianhai City, and today he was going to make a killing! Otherwise this monstrous anger in his heart simply wouldn't dissipate and couldn't be brought down .....

.....

Tang Cheng a villa area, dyeing the ground meaning west love service steak Shan right now in front of Shen Xiyan residence, parked a luxury car. Lin Hao took Mo Tianji down with Jiang Shao Ming, yes, Lin Hao brought Jiang Shao Ming up this time as well. All three of them were wearing a black suit, and the three long-legged men standing together were also a beautiful sight, as the three were very handsome .....

Leng Qiu Ya opened the door for Lin Hao and the others, and Lin Hao nodded to Leng Qiu Ya, and on Leng Qiu Ya's face, she forced out a smile, then followed Gu Sheng Nan out and got into a wedding car outside.

At this moment, in Shen Xiyan's room, Gu Yue and Wang Shufen were packing her up. Because Lin Hao's identity wasn't marked, so no one was in the mood to make a scene this time to pick up the bride, the process was simplified incomparably, Lin Hao brought someone and then picked up Shen Xi Yan, it was that simple.

'Xi Yan, believe mom, today is definitely your happiest day, okay? I think Lin Hao would have blessed you if he knew that you would marry such a wonderful man today, Xi Yan, think about it, okay?' Wang Shufen advised Shen Xiyan bitterly. She looked at each other with Yue Gu.

Yue Gu also advised Shen Xi Yan, 'Xi Yan, Aunt Wang is right, and Lin Tian will be arriving soon, do you really want to hold a wedding with him with such a sad expression on your face? It hurts him, it hurts you, doesn't it? Regard us, and today is definitely the happiest day of your life, okay?'

'Mmm ..... well ..... 'Shen Xi Yan didn't understand why Wang Shu Fen and Gu Yue, both tried so hard to persuade her to marry today. Admittedly she had told them last night that she was willing to marry Lin Tian today. But did they really believe it? .....

Shen Siyan lowered her head, with more than a hint of loss in her eyes. This wedding today, in her heart, she had done justice to everyone around her, but the only one who was sorry was Lin Hao .....

The door of the room was pushed open while Shen Xiyan was thinking indiscriminately. In the next moment, Lin Hao, who was wearing an incomparable suit designed and sewn by Shen Xiyan herself, appeared in front of Shen Xiyan, and behind him, Mo Tianji and Jiang Shaoming, also dressed appropriately, also walked in .....

## Chapter 600

When Wang Shufen and Yue Gu saw Lin Hao coming, they looked at each other and nodded their heads. Following Mo Tianji and Jiang Shao Ming, they walked out and got

into a wedding car outside, and at this moment, the only two people left in Shen Siyan's room were Shen Siyan and Lin Hao.

Shen Siyan also understood in her heart that things had developed to this point, and she couldn't quit if she wanted to. This man, the forbidden existence of Tianhai City, the most powerful man, has come to her heel, at this time, if she wants to escape, it's no longer possible .....

The next moment Shen Siyan raised her head, she didn't want anything else, just wanted to see, wanted to see what this man would look like in the suit she designed for Lin Hao.

Just after the first look, Shen Siyan the whole person on the Lu Yi steak service whisk Ai stayed. Because the man in front of her, wearing the suit she designed for Lin Hao, actually looks so appropriate. In a trance, it was as if she saw the man in front of her become Lin Hao's appearance. He was waiting to carry her out and carry her with him towards the wedding scene and into the middle of the church .....

Snapping ..... Shen Siyan's tears fell out again, but this time she wasn't capricious enough to let them flow down and spend her makeup. She herself quickly took her hand to wipe it off, she looked at the man in front of her and said somewhat apologetically, 'Sorry, I couldn't hold back .....

Lin Hao nodded his head, and there was no smile on his face, but he looked at Shen Siyan with eyes full of heartache and said, 'The one who should say sorry is me, for letting you forcefully marry me, it's just that Siyan, you really really look like my wife, and after I met you, I found that I found her shadow in you. So, I'm sorry that I can't let you marry someone else, I want to keep you around .....

Shen Siyan looked at the man in front of her and said, 'When I go out later, can I walk by myself? Will you stop hugging me?'

Lin Hao was silent, his heart was aching, after a long while of silence, Lin Hao incomparably heartbroken nodded to Shen Siyan and said, 'Well, good, I won't hug you, you go by yourself ..... Siyan, I'm sorry .....

Lin Hao incomparably serious looked at Shen Siyan and said to her that he was sorry.

Shen Siyan stared blankly at the man in front of her, looking at the heartache in the man's eyes. She took a deep breath, not knowing what she should say or do at this moment. She knew that this man in front of her was really very, very good. It was also very,

very good to her, and probably if she hadn't met Lin Hao first, she might have fallen in love with the man in front of her. But there was no if in this world .....

No matter how good the man in front of her was, there was always only Lin Hao in her heart, and only Lin Hao existed. Shen Siyan saw the apology in the eyes of the man in front of her and heard the sincere apology in his words.

Shen Siyan got off the bed, put on pure white high heels, stood up and bowed her head to Lin Tian, 'The one who should say sorry is me, obviously married to you, but I still have another man in my heart ..... I'm sorry, Mr. Lin, I don't know if it's right or wrong for you to marry me, please forgive me, I will never love you in my life .....

Lin Hao's body trembled fiercely, and he heard the finality in Shen Siyan's words. But he didn't care at all, because he wasn't Lin Tian in the first place. Now when he looked at Shen Siyan's resolute eyes, Lin Hao's mind couldn't help but suddenly appear, half a month ago, when he had just returned from Yanjing and returned to Tianhai City to meet Shen Siyan, that time Shen Siyan's eyes.

It was also as resolute as it was now, so helpless, so full of sadness. Thinking of this, Lin Hao's heart couldn't help but sigh deeply, his eyes were also incomparably complex, and he murmured in his heart, 'Xi Yan ah, you really should have waited for me to come back in the first place, you waited for me to come back, and everything would not be a problem .....

Lin Hao sighed deeply in his heart, he was silent for a while and said to Shen Xi Yan, 'Xi Yan, it's okay, I just want you to marry me, I just want you to be my wife today, even if it's only in name, okay? I don't care what you want to do from now on, but at least today you'll be my wife, dressed in your most beautiful wedding dress and dressed to the nines, okay?'

Shen Caiyan looked up with incomparably complicated eyes, the man in front of her, she finally nodded, 'Good .....

After Shen Xi Yan said that, she stepped on her high heels and walked out step by step with her wedding dress in both hands herself. As she said, today she, wearing the most beautiful wedding dress, did not want to be hugged by the man in front of her, even if she had to marry the man behind her, but she did not want the other party to touch her, especially the one wearing the wedding dress .....

And naturally, Lin Hao knew what was in Shen Xiyan's heart, so he silently followed behind Shen Xiyan and kept a certain distance from her, with Shen Xiyan walking in front and him following behind .....

The next moment, when Shen Caiyan came out alone, she was not carried out by Lin Tian, that is, she came out by herself in her most beautiful wedding dress, and the scene of Lin Tian following behind, suddenly made the crowd outside shocked, deeply shocked .....

When Wang Shufen, Leng Qiu Ya, Yue Gu, and Gu Shengnan saw this scene, several of them were deeply silent and lowered their heads .....

The drivers who followed Lin Hao to pick up Shen Xiyan, but this time their mouths were open and their eyes were wide open. They could never imagine that Shen Xiyan would actually dare to do this, dare to come out by herself .....

The six o'clock in the morning day, just dawned, faint bright light scattered on the earth, on the front lawn of the convoy, Shen Xiyan in a stunning wedding dress, walking alone in the front, and as the groom's, Tianhai City's most powerful man, their real CEO Lord Lin Tian, is silently following behind .....

This picture is just like the princess and the guardian knight ..... except that the most powerful person in Tianhai City is willing to be the knight who silently guards the .....
