Super Son-in-law Chapter 601

In the middle of the wedding car, Lin Hao and Shen Siyan quietly sat on the back row, after getting into the car, Shen Siyan turned her head to look out of the window, watching the scenery passing by, quietly dazed, thinking about the heart.

Lin Hao saw that Shen Siyan didn't speak, he also didn't open his mouth to speak, the same silence, his mind was also thinking about the matters of the heart. The driver of this car was Mo Tianji, Mo Tianji was currently sitting in the front row, and his heart was also incomparably complicated. The past few days with him Jiang Shao Ming has been together, for the story of Lin Hao and Shen Siyan, he also knows all of it.

But it was only after knowing all of it that he felt incomparably complicated, and it could be said that the love between Lin Hao and Shen Siyan was completely considered to be a big hit, splitting up again and again. And he also understood that Shen Siyan liked being with Lin Hao, and it was definitely not because of Lin Hao's money, Shen Siyan was completely true love for Lin Hao, and Lin Hao was the same, just as true love for Shen Siyan.

Mo Tianji was tempted to play a bit of cheerful music in the car, but after thinking about it, he still didn't play it. The pair of miserable lovebirds sitting in the back didn't speak, and he didn't dare to speak, just tried to drive the car smoothly and slowly drive towards the wedding site

Time passed slowly, the fleet of wedding cars drove very slowly, today was Lin Hao's wedding day, everywhere they passed there were green lights, and there were no cars at all on their inevitable road, they had all been arranged by Mo Tianji for traffic control. It was only an hour's drive before and after

The fleet of cars drove slowly, driving halfway, the time came to 6:30 in the morning, the beginning of the sun outside has begun to rise, today's weather is very good, the next moment, the vehicle drove to a corner, the early morning a ray of sunshine on Shen Siyan's body, sprinkled on Shen Siyan's white wedding dress. And because Shen Siyan designed the wedding dress, the top sewn on a lot of white gold threads, at the moment those threads in the sunlight, shining, beautiful

And likewise, there was a ray of sunlight shining on the side of Lin Hao's face at this moment, Lin Hao's side of his face was like a blade, handsome, handsome

The time in Tianhai City was six-thirty in the morning, almost seven o'clock. And right now the time over in Western Europe was like eleven o'clock at night. At this moment in a very well decorated single house in Western Europe. Shen Yutong, who was wearing a white nightgown, was sitting on her bed, holding her cell phone, watching Tianhai City, Lin Hao's wedding live

Yes, it was Shen Yutong. Shen Yutong, who had always loved Lin Hao deeply in her heart, the Shen Yutong who had wanted to stay the night Lin Hao annihilated the Gong family in Tianhai City, but had been rejected by Lin Hao, the Shen Yutong who had rejected Lin Hao, the Shen Yutong who had followed Gong Ming to Europe, and the Shen Xiyan's cousin, the Shen Xiyan who had said that she would go and stay with Lin Hao.

At this moment, Shen Yutong closed the door to her room and watched the live broadcast on her phone quietly by herself. Shen Yutong's face had the most sincere blessings for Lin Hao and Shen Suyan. The wedding scene was beautifully decorated, and a beautiful young girl in a white dress was standing on the scene according to the arrangement, quietly waiting for the bride and groom to arrive

'It's beautiful, Xi Yan, bless you, today is the happiest day for you. This time, don't lose Lin Hao again, if you lose him again this time, sister won't let you anymore ah must be happy, Xi Yan, Lin Hao, you two must be happy, must be' Shen Yutong looked at the live feed on her phone and murmured.

In the next moment, the picture in the live broadcast on the phone turned and pointed at the entrance of the scene, where Lin Hao and Shen Xiyan's convoy slowly drove in from outside. It was a whole hundred black Lamborghini Poison, very domineering and incomparably spectacular. When the convoy stopped, from the very middle of the wedding car, Lin Hao and Shen Xiyan walked down. Lin Hao still didn't hug Shen Caiyan, but just held Shen Caiyan's hand and slowly walked in

When the two men got out of the car, there was beautiful music playing, not playing. And it was live, that one world class band playing out. On the red carpet in the middle of the venue, Lin Hao pulled Shen Xiyan's hand and walked over step by step until he was inside, then Yue Gu pulled Shen Xiyan inside the room where the bride was changing her clothes.

The time was now seven o'clock in the morning in Tianhai City, and the wedding officially started at nine o'clock in the morning. The live feed on the phone began to play

up the guests present, and one by one, they were introduced. Shen Yutong just put down her phone, with a batch of clothes on her body, and walked out onto the balcony, gazing towards Huaxia, tens of thousands of miles away. There was her sister there, with the man she loved the most, and today was their wedding

‘Lin Hao, I truly wish you the best. Just how good would it be if you weren’t the husband of a cherished face? How good would that be

‘Shen Yutong eyes more than a trace of sadness.

The next moment wearing a suit, Gong Ming pushed the door and walked in, walked to Shen Yutong’s balcony, stood some position a little behind Shen Yutong’s side, looking at Shen Yutong he was silent, his eyes deep with complexity.

‘They got married today, today is a good day ah, the New Year here in Europe, very lively. Our wedding should also be prepared, let’s get married next week’s today, we’ll have the wedding in Europe, and not go back, okay?’ Shen Yutong did not look back, but turned her back to Gong Ming, but when she said the words ‘and Gong Ming will get married next week,’ she unconsciously shed two lines of tears on her face.

Gong Ming bowed his head in silence, and only after a long, long time did Gong Ming raise his head and look at Shen Yutong’s body filled with heartache. It was only on the day the Gong family had fallen that he realized that the person Shen Yutong loved deep down inside was Lin Hao! And he also knew that with Shen Yutong’s relationship with Shen Xiyan, Shen Yutong would never be able to be with Lin Hao in his life. And Gong Ming also knew about what had happened between Shen Yutong and Lin Hao, which was told by Shen Yutong after she had come to Europe with him, after a drunken encounter.

After hearing the story of Shen Yutong and Lin Hao, Gong Ming’s heart was just shocked, deeply shocked. He was also a top excellent man, and he didn’t want to marry Shen Yutong in this situation. He also knew in his heart what Shen Yutong’s marriage to him was all about. I’m afraid that it was to reassure Shen Xiyan, to reassure Lin Hao. But would this be fair to her Shen Yutong? Did she do anything wrong all along?

Thinking of this, Gong Ming took a deep breath, looked up and said to Shen Yutong, ‘Yutong, I’m sorry, let’s call off our wedding, you’re no longer in Huaxia now, this place you’re in, Lin Hao won’t come, and neither will Shen Xiyan. You don’t have to choose me because of them. You should have more time and be quiet by yourself, okay?’ Gong Ming incomparably heartbroken look at Shen Yutong, he was watching this girl in front of him, a person in Tianhai City step by step spelled out, that effort, let him all heartache..... Covering Dye Pick Love Shan Dye Dye Shan.....

Super Son-in-law Chapter 602

Shen Yutong shook her head and said, 'How can there be so many marriages in this world where we both truly love each other. Gong Ming, I'm already very satisfied to have met you, and I also believe that you will treat me well in the future, so let's do the wedding next week, I'll marry you and be your wife for the rest of my life. I promise that after marrying you, my heart will never think of another man in this life, I will be at ease and be your wife for the rest of my life

Gong Ming opened his mouth but didn't say a word, his heart ached for Shen Yutong, but he wanted to marry her even more. He knew that it was impossible for Shen Yutong to be with Lin Hao anymore. And besides Lin Hao, he, Gong Ming, believed that only he could be worthy of Shen Yutong, and he didn't care who Shen Yutong had liked before. After he married her, he would be good to her for the rest of his life

'Good

a long, long time later, Gong Ming incomparably complex nodded his head and said a good word, after that, he quietly retreated out and closed the door for Shen Yutong.

He, Gong Ming, was also an excellent man, and he had his own insistence. It had been half a month since Shen Yutong had been with him, but in this half month, even though Shen Yutong lived with him every day, he had never done anything to Shen Yutong. He had maintained his respect for Shen Yutong throughout, and he respected any choice Shen Yutong made

At the same time, at seven o'clock in the morning in Tianhai City, on the airport in the eastern suburbs of Tianhai City, a black trench coat and black high heels, Lin Qingcheng walked down from the plane, after leaving the airport, Lin Qingcheng led the people as well as the fastest speed, heading to the wedding scene of Lin Hao, today was the day of her brother's wedding, Lin Yan would not come, she, as a sister, was the only family member of Lin Hao present.

While on the way to the wedding site, Lin Qingcheng was still very happy in her heart. While on the plane, she had already received the news that the assassins who had come to Tian Hai City from Sakura Tears had all been annihilated. That meant that there wouldn't be any more troublemakers at her brother's wedding today, and she had also brought back the talents she had cultivated over the years from Europe this time back in Tianhai, she had only brought six people with her, but every single one of those six were

top-notch killers!She wants to make sure that nothing goes wrong with the wedding today!

‘Brother ah, you’ve finally gotten married, I’m sure mom will be happy even under the nine springs.It’s also really not easy for you and Xi Yan to go this far, sister wishes you well, must be happy ah, must’ Lin Qingcheng in her heart to Lin Hao and Shen Xi Yan silently wished

The driver drove very fast, but Lin Qingcheng was still a little anxious, after all, it was very far from the airport to the venue of Lin Hao’s wedding, and now that it was already dawn, the traffic in Tianhai City was already starting to get congested.

It wasn’t until half past eight that she arrived at the wedding venue, Lin Qingcheng got off the bus and hurried inside, after all, there was still half an hour before the wedding started.But as she ran into the scene, she accidentally bumped into the temporary room where Shen Xiyan was staying, just as Yue Gu had something to call out and opened the door.

Well, and then very naturally Shen Xiyan and Lin Qingcheng zero shade to Yi Yi whisked the west dye in the eyes together.When Shen Shyan saw Lin Qingcheng, her entire body was directly stunned, although she had only seen Lin Qingcheng once in Nanjiang City, she was impressed with Lin Qingcheng.Because Lin Qingcheng was so beautiful, at that time she thought that Lin Hao had cheated on her, only later did she realize that Lin Qingcheng was Lin Hao’s real sister.And Lin Qingcheng also gave her that set of Crystal Love jewelry that was worth millions of dollars.

‘Sister ‘Shen Xiyan didn’t know why Lin Qingcheng was here, but she was seeing Lin Qingcheng at the moment.When she looked at Lin Qingcheng’s face that somewhat resembled Lin Hao, her tears snapped down

Lin Qingcheng was also dumbfounded, she was on the phone with Jiang Shao Ming before she came.She knew that right now Lin Hao hadn’t yet identified himself in front of Shen Siyan, and now that she had appeared here and was just met by Shen Siyan, she was a bit confused for a moment.After all, right now Shen Siyan still didn’t know that Lin Tian was Lin Hao!Lin Qingcheng knew that this was a surprise that Lin Hao had prepared for Shen Xiyan.

The next moment, Lin Qingcheng saw that Shen Xiyan wanted to come out and talk to her, she hurriedly walked in.Shen Siyan was the bride today, it wasn’t the time for her to

come out ah, but as soon as she walked in, Shen Siyan fiercely threw herself into her arms and cried out.

‘Oooh, sis, I’m sorry, I’m sorry, Lin Hao is dead, but now I’m marrying someone else, I’m sorry, I’m sorry’ Shen Siyan hugged Lin Qingcheng, saying sorry incessantly.

Lin Qingcheng looked at Shen Siyan who was crying so sadly, she couldn’t help but feel anger in her heart towards Lin Hao!In her mind, why didn’t Lin Hao tell Shen Xi Yan earlier?Now let Shen Siyan be so sad, sad like this.Lin Qingcheng looked at the incomparably sad Shen Siyan, her heart secretly made up her mind, in the future absolutely have to treat this younger sibling better, this child is too poor

Lin Qingcheng gently patted Shen Siyan’s back and said gently, ‘Siyan, it’s fine, I know everything about you and Hao’er, sister doesn’t blame you, really doesn’t blame you, today is your wedding day, I came to see you on behalf of Lin Hao, I believe Lin Hao would be happy and willing if he knew that you had met such an excellent man’

Lin Qingcheng sighed deeply, only for Shen to shed more tears, simply because Lin Qingcheng is Lin Hao’s own sister and the only family Lin Hao has in this world

Super Son-in-law Chapter 603

Good boy, don’t cry, don’t cry ah, today is your wedding day, I specially came here from Europe, wait for you to be free one day, and then come with me to see Hao’er, don’t cry ah.You don’t have to worry, sister really doesn’t have any intention to blame you this time, you and Hao’er things, I know all about it, I know all about it, don’t cry ah, don’t cry ‘Lin Qingcheng said, her own tears fell.....

Now, Lin Qingcheng blamed Lin Hao to death in her heart, if Lin Hao hadn’t been hiding his identity.Shen Si Yan wouldn’t have cried so sadly, men really can’t be relied on!Don’t you know how much Shen Siyan loves you in her heart?Huh?How dare you take her family to coerce her into marrying you, you’re fucking with the Leng family and that Gong family, what’s the difference between you and them!When this is over, I’m going to kick your ass!Lin Qingcheng made up her mind that after today, she would beat Lin Hao severely!

Shen Siyan saw that Lin Qingcheng not only didn’t blame herself, but also came to comfort her.She cried even harder, a full ten minutes later, Yue Gu came in before helping Lin Qingcheng to stabilize Shen Siyan’s mood.

‘Sister, Yue Yue you guys go out first, the wedding is about to start, I want to be the last one to stay for a while, okay?’ Shen Siyan said to Lin Qingcheng and Yue Gu.

Although Lin Qingcheng and Yue Gu were still a little unsure, but it was already now, there was only ten minutes until the wedding started, so they didn’t say anything more, because after a while, all the truth would be revealed. So the two girls retreated out

The soundproofing of this room is particularly good, specially customized by Mo Tianji, just to prevent the disturbing sounds of the outside world from disturbing Shen Siyan. But no matter how good the soundproofing was, Shen Siyan could still faintly hear the beautiful and romantic music outside.

‘Lin Hao, I’m going to get married, married in a wedding dress, but I still like you in my heart, still miss you, in this life we are destined to be together, in the next life, in the next life we must be together, must

‘ inside the house, Shen Siyan alone murmured

Ten minutes later, at nine o’clock in the morning, it was time for the wedding to officially begin. The host of the wedding is a very sweet-looking, very beautiful, wearing a white evening dress, is also an emotional expert, she was specially invited by Mo Tianji, of course, she also knows the entire story of Lin Hao and Shen Siyan, this beautiful host called Xiaobai, Xiaobai after knowing the truth, very moved, efforts to give today’s wedding to host.

At this moment, Xiaobai stood on the stage, and tried the microphone, and suddenly the whole place was quiet. Within the church hall, there were a full three hundred people sitting here today, and anyone who was able to sit here was either rich or noble, and was a person who could be called by name in the entire Tianhai City.

‘First of all, I would like to welcome friends from all walks of life in Tianhai to attend the wedding between Mr. Lin Tian and Miss Shen Siyan, thank you very much. I now declare the wedding official!’ On stage, Sebastian took the microphone and spoke down to the audience.

After Xiaobai finished speaking, the applause of the audience thundered. Who was Lin Tian? Such as today’s taboo figure in the sea city, the most powerful man, the strongest man, known as the first president of Tianhai City. And what about Shen Siyan? It was also a top beauty that had recently risen to prominence in Tianhai City, and it was true that there were some stains on Shen Siyan before, but ever since Shen Siyan had revealed her amazing talent for clothing design in front of everyone, everyone had gotten to know this

talented girl all over again. Shen Suyan was also crowned by the people of Tianhai City as the beautiful designer, talented girl, and the number one redhead in Tianhai City.

And now these two Dye West love Dye whisk cover service steak a household name in the Heavenly Sea City are married, is really a husband and wife, incomparably well matched. Even the crowd felt that Lin Tian and Shen Xi Yan two people are the most suitable pair.

Xiao Bai pressed his hands downwards and held the microphone to the following, 'Before having the bride come out, please allow me, to tell you all, the story of the groom and the bride together

'One night half a month ago, in a shabby tavern, the groom met his bride who was drinking alone in sorrow, and the two of them made a preliminary acquaintance at first sight, as if they were destined to do so. Later on, the two of them had a chance encounter at various occasions in Tianhai City, from meeting to knowing and then to loving each other, it only took them a short fifteen days, just like the saying, some people's first encounter is a lifetime. Briefly introduced to this point, the rest of the story will be said later, the groom and the bride's story, more than just the point in front of oh, now there is an invitation to the groom to come on stage to say a few words

Along with the thunderous applause from the stage, Lin Hao walked up to the stage and took the microphone from Xiaobai. He slowly said in the direction where Shen Xiyan was, 'Xiyan, today is our big wedding day, our wedding today is attracting a lot of attention, tens of millions of people in the entire Tianhai City are giving us witness, witnessing us moving towards happiness together, Xiyan I love you

Lin Hao's incomparably affectionate words were a true outpouring of emotion, and such true words naturally infected the crowd offstage, and in an instant it was applause.

Xiao Bai retook a microphone and said to the direction where Shen Xiyan was, 'Then now there is a bride on stage

In the aisle of the church, a half-meter high catwalk was erected, Lin Hao and Shen Shiyan stood at the same height, and the end of the catwalk led to the room where Shen Shiyan was. At this moment with the words of Xiaobai, wearing a white wedding dress Shen Suyan slowly walked to the stage, and stood face to face with Lin Hao, Shen Suyan also held a microphone in her hand.

When Xiao Bai saw Shen Xi Yan appear, he smiled and said to Shen Xi Yan, 'I believe the bride has already heard the groom's true confession just now, so now may I ask the bride, do you have anything to say to the groom on this happiest day of the year?'

After Xiaobai finished speaking, the entire audience instantly quieted down. In the next moment, the eyes of everyone in the arena looked at Shen Siyan, and Lin Hao, standing across from Shen Siyan, also looked at Shen Siyan quietly, looking at her with incomparable affection, his eyes filled with love and affection

Super Son-in-law Chapter 604

But at this moment, under the attention of thousands of people, there was no smile on the face of Shen Xiyao who was facing the live camera. There are only the tears that have cried, and for a time Shen Xiyao just stood there, holding the microphone, standing there, but could not say a word

The atmosphere in the arena became bizarre for a moment, because no matter how silly the crowd was, they could see the reluctance, unhappiness, and unmistakable sadness on Shen's face

At this moment, Shen Caiyan looked at herself in her wedding dress, standing in front of everyone, right in front of the groom who was waiting for her to walk over to him. She thought she would be able to bite her teeth and walk up to that man in front of her, in her wedding dress, as his bride, but at this moment Shen Jiyao found that she simply could not take a step, she simply did not want to walk up to that man as a bride just because, that serving whisk Lu Ai Ai Lu Zha Lu a man is not Lin Hao.....

Today's wedding could really be considered the grandest wedding, whether it was the decoration of the wedding venue, the scale, or the fact that it was so perfect under the attention of the entire Tianhai City crowd. Shen Siyan admitted that this current wedding was the wedding of her dreams, but the only flaw was that the groom was not the man she loved the most

How much she wanted that man standing across from her to be Lin Hao. But Lin Hao was dead, no longer in this world, and now she was going to wear her most beautiful wedding dress and marry another man on her most beautiful day

She had thought that she could really do it, that she could just bite the bullet and go through the motions. But now she realized that when she did stand in this position, she simply couldn't walk past

'I'm sorry, I'm sorry, I don't like you, I can't be your bride, I'm sorry

Shen Xi Yan said this sentence, completely exhausted all her courage. She wanted to get over it, she didn't want to live for anyone else in her life anymore, she could no longer force herself to marry another man because of someone else, it would be unfair to Lin Hao, unfair to Lin Hao

And Shen knows what that will be like after she says that to the man in the limelight, but now she doesn't care anymore

She was thinking about everyone, but she was the only one who didn't think about Lin Hao. At the moment Shen Xi Yan's heart, there was only the scene when she saw the last side of Lin Hao, at that time, her Lin Hao, pale and badly injured, and she was in Lin Hao's situation that day, but also with him very cruelly said divorce. And she did not expect that that one meeting was a forever goodbye, this last time in this life

She does not want anything now, she does not want to stay in this world anymore. The moment she just met Lin Qingcheng, she already had a decision in her heart, that is to go and accompany Lin Hao

Lin Hao is an orphan, the person he cares about the most is himself, and after Lin Hao died, he was actually buried in such a remote cemetery, he how lonely he should be so now she Shen Xi Yan, do not want to let him lonely anymore, she wants to go to accompany him, to accompany her

In the next moment, Shen Siyan turned around and bent her head deeply to Wang Shufen, Gu Yue, Gu Shengnan, Leng Qiu Ya, and Jiang Shaoming who were sitting under the stage: 'I'm sorry, I'm the one who got you all into this I'm sorry, I really can't do it to marry someone else, I'm sorry

Boom As Shen Xiyan's words fell, the whole place was in an uproar! Shen Siyan, today's bride, at this moment in the wedding scene, actually said she did not want to marry words, suddenly the cold sweat of the crowd on the stage are flowing down

You know that today's groom is not someone else, not some pussy or dog, but the most terrifying and powerful man in the entire Tianhai City nowadays ah. And today's wedding was still under the attention of thousands of people, so wouldn't Shen Siyan announcing

such a decision in public now be hitting Lin Tian's face? I'll punch the scariest man in Tian Hai City in the face! In the face of Lin Tian, who wiped out the Gong Family overnight!

At this moment, the atmosphere within the venue was condensed to the extreme, the entire venue, three to four hundred people, but they didn't even dare to make a sound, one by one, they were incomparably afraid

Not a single person in the audience dared to speak, they were all waiting for Lin Tian to speak. Lin Tian, who was standing across from Shen Xi Yan, also put away his smile and his expression slowly became gloomy.

The next moment, 'Lin Tian' opened his mouth and slowly said to Shen Xi Yan: 'Xi Yan, I'll give you another chance to say it again, marry me, half of the Tian Hai Group is yours, marry me, I give you monstrous power and status and a lifetime of glory

Shen Shi Yan, however, bit her lips and shook her head firmly, 'Sorry, Lin Tian you're very good, it's all my fault, I'm sorry, I'd like to have died to thank you for my sins, I'm sorry

'Lin Tian's face grew sullen as he took a deep look at Shen Xi Yan and asked, 'Then tell me, who is the person you love the most in your heart?'

'Lin Hao, my husband, Lin Hao

 Shen Xi Yan said it without the slightest hesitation, and cried out with determination

Super Son-in-law Chapter 605

Buzz When Shen Shi Yan shouted out desperately, Lin Hao fell silent and lowered his head. Within the large venue, many people's mouths were now wide open at the moment, cold sweat flowing down their faces, and for a time, the atmosphere of the wedding scene became incomparably depressing, and even those reporters didn't dare to broadcast anymore at the moment, standing there dumbly one by one, but now they were starting a full net live broadcast.

In Tianhai City, there was no telling how many people were watching this live broadcast today, and there were too many people watching outside of Tianhai City as well. There was even an unknown number of people watching on the internet. And right now Shen Shi

Yan was the equivalent of refuting Lin Hao's face in front of everyone, refuting the face of that forbidden existence in Tian Hai City

'Xi Yan If you go to die, then mother accompany you 'Leng Qiu Ya looked at the stage tone of finality of Shen Xi Yan, heart murmured, she was already what died once. Are not afraid anymore. So instead, Leng Qiu Ya had a smile on her face at this moment, a smile of relief

'Xi Yan ' Yue Gu lowered her head, Shen Xi Yan said so on stage, in fact, not only would she not be damaged in any way, but it would actually aggravate her own position in Lin Hao's heart even more. Because the man in front of her at the moment was none other than Lin Hao ah, the most terrifying man in Tianhai City at the moment, was Lin Hao ah

'I'm sure you'll be able to find the best way to get the most out of it, and I'm sure you'll be able to find the best way to get the most out of it,' she said. So not only is there no tension in her heart at the moment, but she is even happier and more determined

'Shen Xiyan is worthy of being, a world-beating redhead, no wonder that man likes her so much, she really is a world-beating redhead!!!' Ye Wushuang, Xiao Chanyue several people who knew Lin Tian's true identity were also deeply shocked by Shen Siyan's attitude at the moment.

The people of the Leng family who were watching the live broadcast at the moment, the Leng family that was blocked by Lin Hao's men, Leng Changjiang and Leng Feng, the few people who saw Shen Siyan say that, all of them had smiles on their faces.

'Haha Hahahaha This wild seed is finished, finished ah, she actually dared to refuse Lin Tian in front of so many people of Yi Er Steak Yi Zero Service, haha, when really think that man is an easy man to provoke? Grandfather, our Leng family is saved, our Leng family is saved ah 'Leng Feng's face was smiling incomparably hideous, he was venting madly.

The day before yesterday their Leng family was blockaded, when that forbidden man personally came to the door, Leng Feng's heart was desperate at that time, you know that man half a month ago, but flipped and destroyed the Gong family ah, then now that man blockaded the Leng family. Their Leng family is obviously going to end up like the Gong family.

From the time Lin Hao boarded the door, Leng Feng went completely crazy, inside the Leng family, crazy messing around, drinking, overeating, playing with women, desperately venting, wild to the extreme, just because of the fear in his heart, the fear of waiting until that man's wedding was over, he would die, so even if he was tired to the extreme, sleepy to the extreme, he didn't dare to close his eyes, because he was afraid, he was afraid that once these eyes were closed, he would never again. When he couldn't open it, he left this world completely. He was really, really scared in his heart.

And now, Shen Xiyan actually didn't know how to die and rejected Lin Tian in front of everyone. And their Leng family was hostile to Shen Xiyan, so would their Leng family survive? It was very possible. So at this moment Leng Feng's heart suddenly rose with endless hope and excitement

It wasn't just Leng Feng, right now even Leng Changjiang was greatly relieved. The fatigue and despair between his brows had dissipated quite a bit at this moment.

Leng Changjiang took a deep breath, and there was also a hint of joy on his face as he slowly said, 'Well, our Leng family is saved. Since that wild bastard dared to tell Lin Tian that she liked someone else, and in front of the entire world. She's finished, she's completely finished this time, without Lin Tian's help, that wild seed can't do anything, there's hope for our Leng Family, there's hope ah

Nodding his head in ecstasy, Leng Feng asked Leng Changjiang, 'Mmhmm, then grandpa, what should we do next? We'll go apologize to Lin Tian, and then Lin Tian, with his status, won't be able to take action against Shen Shi Yan. But he must have anger in his heart ah, then our Leng family will take out his anger for him and torture that bastard properly, what do you think grandpa? That bastard wouldn't have survived anyway
