Super Son-in-law Chapter 606

As Leng Feng said that, the viciousness in his eyes intensified, he had now thought of dozens of ways to take out his anger for Lin Tian. He had all the means to torment Shen Xiyan and make Lin Tian take out his anger.

Leng Changjiang took a deep breath and nodded, 'Well, after that wedding farce is over, we'll go and kowtow to Lin Tian and apologize, as long as we keep our stance low enough and give up an extra half of the Leng family's foundation, our Leng family will still be able to save it. And this time we must pull a good relationship with Lin Tian, that way, it's not impossible for our Leng family to make a comeback in the future 'The light in Leng Changjiang's eyes is getting brighter and brighter

Leng Feng and Leng Changjiang, the grandparents, were in the hall, unabashedly in front of a group of Leng family members. Calling out to Shen Xiyan one wild seed at a time, their mouths were constantly discussing the topic of how to deal with Shen Xiyan and how to help Lin Tian out.

And right now in the hall of the Leng family, there was another person, she looked at the live broadcast projected in the hall of the Leng family, but a sweat for Shen Xiyan, her heart rose with endless worry. This person is Leng Xue'er, Shen Suyan's cousin, Shen Suyan was forced by the Leng family at first, Leng Xue'er heart for Shen Suyan feel pity, once thought to help Shen Suyan's. And when Leng Feng went to Nanjiang to catch Shen Suyan, she was also the one who reported the letter to Leng Qiuya

'Hey, Sister Xiyan, this is life, just this time no one can help you anymore

Leng Xue'er sighed deeply in her heart, she looked at the crazy and ruthless Leng Feng and Leng Changjiang in front of her. If Shen Xiyan escaped this disaster, she would definitely go and tip Shen Xiyan off, so that Shen Xiyan would hurry up and leave the Heavenly Sea, leave this incomparably cold city, go abroad and find a place where she wouldn't be found

It is just huge in the cold family, just like their family name, with cold snow this idea of people, after all, is too little, too little, dyed Shan'er Lu Pa zero Wu closed the vast majority of people, at the moment, like Leng Feng as a wild party, wantonly laughing, laughing, wantonly venting. Thought they finally overcame the calamity of the Leng

family, all in the feeling that Shen Suyan completely finished, a time, the entire Leng family hall, filled with all kinds of obscenities to Shen Suyan, dirty

At the same time, in a small shabby rental house in Tianhai City, Wang Shuwen and Wang Shutao, as well as their father, Master Wang, were also watching the live broadcast of Shen Xiyuan's wedding. When the three of them saw Shen Siyan in full view of the public, they actually rejected Lin Tian directly. Their reactions were exactly the same as Leng Feng Leng Changjiang's, especially when the three of them looked at Lin Tian's gloomy, gloomy face on the stage, which was about to drip out water, and they were suddenly so happy

'Hahaha, third sister thought she'd really turn over a new leaf this time? What if that bastard Shen Xiyuan can turn it around? Haha, let's see what Third Sister can do this time! Do you really think that bastard she's raising is going to make it to the top? It's true that this Shen Xiyuan is really seeking her own death

' said Wang Shutao, gnashing his teeth. After their Wang family suddenly went bankrupt a few days ago, they were envious and jealous to the extreme when they saw that Shen Shiyuan actually started a company and Wang Shufen also lived in a villa.

Wang Shufen also nodded at the news, 'Well, our Wang family is down and out, but that bastard doesn't want to live a good life either! She's looking for her own death, I can't help but see what happens to that bastard now. And the look on Third Sister's face, hehe, when I met her the day before yesterday, she was still lovingly ignoring me, hehe, what a karmic cycle of retribution, I'll see how she'll still be able to meet people and live in such a nice house, hehe

A smile was also added to Master Wang's face, these three Wang family members of theirs. They were the kind of villains in society who felt all sorts of discomfort when they saw that the people around them were doing well. Their whole family was like this, and now after seeing Shen Xiyuan reject Lin Hao in public, not only did they not feel worried for Wang Shufen and Shen Xiyuan, but they were gloating badly, the ugly and hideous faces of these people were like evil ghosts crawling out of hell

Super Son-in-law Chapter 607

Outside, the Leng family and the Wang family were gloating and were laughing madly. The atmosphere inside the wedding scene was also becoming more and more heavy and depressing, almost everyone felt a storm of depression. But none of them dared

to speak, instead they all carefully looked at the stage, at the man who was currently wearing the groom's clothes and was gloomy and silent

Shen Xi Yan was already ready to die after she finished speaking. She had thought that after she finished speaking, the terrifying man across the street would make a move against her, and she didn't even want to resist because the man across the street had really helped her. And had helped her so much.

If that man across the street hadn't destroyed the Gong family, then she would probably have been married into the Gong family by now. When her company opened, if it wasn't for the help of the man in front of her, that company wouldn't have been able to open at all. And also if it wasn't for the help of the man in front of her, she would never have had the chance to showcase the Red Face series she designed at the concert. Likewise, if it wasn't for the help of the man in front of her, then her work would never have been selected in the Tianhai City Fashion Designers Association's selection

In short, it was this man in front of her who had helped her so much. She also had gratitude in her heart for this man in front of her, but gratitude was not the reason why she could marry him, she could no longer tolerate another man in her heart.

And at this moment, Shen Suyan also knew and knew that she herself had made the man across the street lose face in front of everyone. The first thing you need to do is to get your own copy of the book, and then you'll be able to get your own copy of the book for your own personal use. It really is possible to find, much better women's than mine. Sorry

Shen Siyan took a deep breath, her apology to 'Lin Tian' was also sincere, and there was nothing she could do to make amends other than apologizing to the man in front of her. A deadly intent rose up in her body, Shen Suyan once again bowed deeply to 'Lin Tian', then turned around, she has to leave the stage, she can not go forward, can only go backward, can only go backward

At this moment, Lin Hao, who was standing on the stage in front of him, looked at Shen Siyan's back and felt incomparably sad. At this moment, he also saw the death wish in Shen Suyan's eyes, and he smiled in his heart, this girl is really so stubborn. No matter who she was facing, she was so stubborn, it was fortunate that it was herself. If it were anyone else, would she know how dangerous she was today? The world is very bright, but there are too many dark things, and in front of some dark means, death, I'm afraid, is an extravagant hope.

Shen Siyan turned around and prepared to walk towards the stage, Lin Hao felt that it was almost time, if it dragged on, this girl really probably wouldn't be able to hold on. He himself had been waiting for this wedding for a long, long time ah, from the day he remarried with Shen Siyan in Nanjiang City, Lin Hao was actually preparing for it, he was originally going to have a wedding in Nanjiang City and have a grand wedding. But he didn't expect things to change, and in the end, things had developed to what they were now.

This wedding, no matter the scale, or the on-site decoration, was first-rate, and it could completely be called the grandest wedding in the history of Tianhai City. It could completely be called a grand wedding. That's not good enough now that Shen Siyan, the heroine, is gone.

And just now, Lin Hao listened to Shen Siyan's words, to her words that she would rather give up everything and say that she loved herself. Lin Hao's heart was deeply moved. Shen Siyan was actually able to do this for him!!!! Lin Hao's heart was nothing but shocked and incomparably touched. This was only his wife, this was only his own blooming redhead

Shen Sik Yan turned around, the entire audience, including those watching the live broadcast outside, at this moment in their hearts for Shen Sik Yan felt desperate, sad, almost when everyone, including Shen Sik Yan herself, desperate, standing behind Shen Sik Yan Lin Hao spoke up

'Wait a minute, after all you've said, can you wait a minute for me to say something?' On the stage, Lin Hao spoke to Shen Siyan.

Shen Siyan didn't turn around, just nodded, no matter what, this man, in a situation like today. He had disgraced himself, and he didn't even get angry in public and embarrass himself. Now that man wanted to say something to her, Shen Siyan had to let someone finish before leaving anyway, so for a moment Shen Siyan stopped in place, waiting for that man's words.

Lin Hao took a deep breath, his face looked serious, and his eyes were incomparably deep in love with Shen Shi Yan, slowly speaking, 'Are you just going to leave? Didn't you say we were going to have a grand wedding together? Didn't you say that for the wedding, we would wear your hand-designed wedding dresses? Didn't you say you were going to marry me all dressed up, in your best wedding dress? Now everything is set up, and you, the actress, are, are you, are you just gone?'

Lin Hao stared at Shen Xiyan's back, slowly spoke, said, said Lin Hao's tears fell, Shen Xiyan this way, he is also very distressed, really very, very distressed, but he has to let Shen Xiyan long lesson, can not encounter anything in the future, this silly girl all go to carry their own, everything without discussing with him, on their own

Super Son-in-law Chapter 608

Buzz Shen Siyan listened, her entire body suddenly and violently trembled, and the next moment she turned around sharply, her eyes staring at the man standing in the distance, Shen Siyan used almost all her strength to say to Lin Hao, 'You.....you how do you know? You you

At this moment, Shen Siyan saw that man across the street, actually crying, tears couldn't stop flowing down, while his eyes were filled with endless love, and pain. And now this man's eyes, this look, incomparably like Lin Hao, incomparably like Lin Hao!!!!

Lin Hao looked at Shen Shi Yan with tears streaming down his face and said, 'I knew about your life a long time ago, and I was ready for it. It's just that at that time my family's affairs were very urgent and I had to go to Yanjing. But before I left, I had already An Wu Zha Pai Er Ai Er Lu service lined up everything

When Shen Siyan heard this, her mouth opened wide, tears couldn't stop flowing down, her fingers trembled and pointed at Lin Hao, but she couldn't say a word

Lin Hao tilted his head up, trying not to let any more tears fall, he looked at Shen Xiyan and continued, 'I told Mom, if the Leng family goes looking for you, everything will wait until I come back, I also explained to Night One, everything must wait until I come back, wait for me! I've told you everything. But why are you so stupid? Stupid enough to have to fight everything, all the stress? You have to give and endure it all yourself? Why don't you just trust me? Why didn't you wait for me to come back?'

'You you you are, you are

 Shen Caiyan tears popped down, at the moment opposite. The things that man said, only Lin Hao could say to her, so, then, now that this man said it, and he was wearing the suit she designed for Lin Hao and it fit so well. So, then, what was this man's real identity?

Boom At this moment, the hearts of the crowd in the venue were all shaken as well. As if things weren't as they thought, these two people in front of them had known each other for more than just a few days.

And right now they were listening, such as the words of the most terrifying man in Hai City today. They shockingly deduced that this Lin Tian in front of them, his identity was most likely Shen Shi Yan's ex-husband! That Lin Hao guy! Yes, Lin Tian, Lin Hao. The same surname, but before, due to their vastly different identities, no one dared to think there. And now when they listened to Lin Hao's words, and then associated it with the day that Lin Hao had forced Shen Shi Yan to destroy the Gong family overnight. The crowd would now believe, you've fucking touched someone's wife, if they don't exterminate you, who will you exterminate? What a death wish!!!!

And the crowd also thought of the story at the moment. It must be that this Shen Xiyan didn't know her husband's true identity. So in her husband's absence, she made a private decision to go and sacrifice herself and marry into the Palace family herself while leaving those around her safe

Boom Thinking of this, the crowd's hearts once again whipped up huge waves. Shen Shyan was called, the number one redhead in Tianhai City. Now after thinking of Shen Shyan's deeds, only now did the hearts of the crowd truly recognize this title of Shen Shyan. It was truly worthy of the title, the number one red face of Tianhai City!

Lin Hao didn't give Shen Xiyan the chance to continue speaking, but looked at Shen Xiyan and continued, 'Heh, my identity? Don't you ever think that I've been telling you this all along? I've told you my story. I told you that when I left Skysea City, my wife chose to divorce me, chose to fight all the pressure herself. Wasn't I talking about you?'

Shen Shi Yan's body trembled fiercely once again, she was now seven or eight percent sure in her heart, but it was just as if her body was just frozen in place at this moment, she wanted to jump over, but she didn't, she had to wait for that man to finish his sentence.

Lin Hao took a deep breath and continued to say to Shen Xi Yan, 'Shen Xi Yan, you think that if you do this, if you fight all the pressure on your own body, I will be grateful to you right? I'm telling you, no way! Shen Sik Yen, how dare you talk about divorce with me! Do you know how much I love you? Who are you to fight everything, all the stresses yourself? What right do you have to make your own decisions and take the two of us in the future, when I'm not here!'

Lin Hao's last sentence, completely yelled out at Shen Xiyan, he was depressed, very depressed, Shen Xiyan and him came to this point today, if Shen Xiyan had waited for him to come back before. Then none of it would have happened, none of it would have happened!!!!

‘I was wrong sorry sorry sorry’ Shen Xiyan cried to Lin Hao, she cried for a moment but then a smile came back on her face because Lin Hao didn’t die!!! Lin Hao is not dead!!! Lin Hao is not dead!!!

Her husband didn’t die, the love of her life didn’t die!!! So at this moment no matter if Lin Hao scolded her, even if he beat her, she didn’t care, she didn’t care, as long as he was still alive, as long as she could see him again, as long as she could see him again, even if it was just a glance, even if it was just a glance, it was enough, it was enough

Lin Hao looked up at the ceiling of the church, the words that need to be said have all been said, and all the words that have been pressed into the heart have also been said at this moment

Lin Hao looked up at the ceiling above his head for a while before taking a big deep breath. Then he looked straight at Shen Shi Yan, with an endless love in his eyes, an inexpressible depth of love, and an endless longing

Lin Hao reached out and violently tore off the mask from his face, tossed it aside, and then with Lin Hao’s face and his own voice, he incomparably choked on Shen Shi Yan’s face, saying.

‘Shen Siyan, in the future, if you dare to say one more word of divorce to me, I’ll never forgive you again in my life, so remember this clearly!.....’

Super Son-in-law Chapter 609

‘Hubby’ Shen Siyan couldn’t hold back from yelling at Lin Hao after she saw him unmask and reveal the face she had dreamed of countless times in her midnight dreams and yearned for, she yelled at Lin Hao.

Then, Shen Xiyan no longer the slightest hesitation in the wedding dress, while laughing and crying, from this side of the catwalk, running towards Lin Hao, incomparably happy, incomparably excited to run towards Lin Hao, tears flowing on the face, but she is laughing, laughing and running towards Lin Hao

This scene of the scene, how Shen Xi Yan did not expect, originally she thought that today was her most desperate moment. But she had never expected that today was her happiest moment. There was nothing in her life that could make her happier than seeing Lin Hao again, something that could make her happy

‘This time, I will never lose you again, I swear, I Shen Xiyan in this life, just Lin Hao’s wife, just his Lin Hao alone, in the future, no matter how poor or rich or poor, no matter how old or sick, no matter how sad or separated, I Shen Xiyan, all Lin Hao’s wife, for the rest of my life, and the next life, for all of my life, I will be this man’s wife, I am just his wife, I Shen Xiyan again this vow’ Shen Xiyan as she ran towards Lin Hao’s happiness, while in her heart, she secretly made a vow for herself, a vow to be with Lin Hao, for all of her life

This man, this man he’s always been there for himself, he’s always been a silent watchdog. He has done so much for himself, this man I could never hurt him again in this life

The next moment Shen Siyan, who was wearing a stunning wedding dress, suddenly jumped into Lin Hao’s arms. Tightly hugging Lin Hao with all her strength, holding him tightly, tightly and never letting go again. She was afraid that after she let go, maybe Lin Hao would disappear in the next moment, she was afraid, she was afraid that everything she was experiencing right now, was a dream.

‘Honey, is it really, really you?’ But even though Shen Caiyan’s heart was already incomparably certain, she still couldn’t help but ask at this moment, because this happiness really came too suddenly, too suddenly. She had never dreamed that nowadays, in this huge Tianhai City, in this city that is considered to be extremely large in the world, her own husband is the most powerful person in this city so overbearing, so domineering, high and cold man, it turned out to be her husband all along.

Lin Hao smiled and pinched Shen Xi Yan’s nose, just as he had always done with Shen Xi Yan before. Lin Hao smiled and said to Shen Xiyan, ‘Oh, wife, do you think you’re stupid, today’s scene, more than half a month ago, didn’t it just happen once in Nanjiang City, I appeared by your side every day, and you didn’t even know it was me? Looks like I’m going to have to enforce family law on you back home.’

Shen Xi Yan threw out her tongue, hehehe smile, little head incomparably happy to Lin Hao’s bosom. This moment she really is incomparably happy Shan Yi Wu Wu Yi cover love whisk, this moment is the happiest moment in her life

Boom At this moment, the crowd who saw this incomparably touching scene in front of them all stood up in excitement. In the wedding scene, both men and women, all shed tears, Ye Wushuang, Xiao cold night, Bai Jiaqi, Huo Yan and other leaders of the young generation of Tianhai City, this moment all actively applauded, Huo Yan as the first debutante in Tianhai City, at the moment dressed beautifully, she even cried a little

‘I understand, I finally understand why he didn’t even look at me, it turns out he only has her in his heart. And Shen Xiyan she can also really be called a fallen red face, ooooooh, so touching, so touching’ Huo Yan cried while clapping hard

‘Kiss one, kiss one, kiss one’ In the next moment, under Ye Wushuang’s leadership, the entire crowd began to coax. After all, the atmosphere has been baked to such a degree, and it’s hard to say how it’s impossible not to come up with a deep kiss

The crowd below the stage, three to four hundred people, were all anxious with excitement, they were here today because of Lin Hao’s status. They had come to attend this wedding to congratulate Lin Hao, but they never expected to witness such a touching story with their own eyes. Everyone here today felt that this wedding today was really not in vain, it really was the most exuberant wedding.

Ye Wushuang Xiao Cold Night’s few people, who were excited at this moment, didn’t care about Lin Hao’s terrifying status. It was just a desperate attempt to raise a ruckus, they were really too excited, too excited. Because in the past, such stories would only be seen on TV dramas. But today they were truly witnessing it with their own eyes! And Lin Hao’s true identity was a forbidden existence in Tianhai City, the actual number one president of Tianhai City!

Shen Siyan’s pretty face brushed red as she listened to the coaxing of the crowd off stage. She had just jumped into Lin Hao’s arms, and at that moment, she had cried out all of her grievances, all of her depression. And now there was only happiness in her heart, only happiness, only a strong sense of security and happiness.

Lin Hao listened to the coaxing of the crowd offstage, and bowed his head to the gorgeous Shen Xiyan hiding in his arms, ‘Xiyan, I want to kiss you, is it okay?’ Lin Hao’s voice was incomparably gentle, incomparably affectionate

Super Son-in-law Chapter 610

But the next moment Shen shook her head and said, ‘No.....’

‘Er’ Lin Hao was stunned, but at the moment he was stunned, Shen Xiyan directly stood on tiptoe, wearing a wedding dress, stepping on white high heels, exposing her white lotus root arms, tightly hugging Lin Hao’s neck, and took the initiative to kiss Lin Hao’s lips

‘Of course you can, silly, you’re the one I love the most, I’m your wife. Just this time, let me take the initiative, I’ll kiss you, I love you, Lin Hao. I love you husband’ Shen Xiyang kissed Lin Hao while incomparably deep in her heart and took the initiative to kiss him

Hahaha Oh the crowd on stage when they saw, the bride incomparably active, incomparably affectionate kiss the groom. All screamed, at this moment those reporters within the scene, all desperately trying to take pictures of this world kiss. This kiss was definitely the most beautiful kiss of the year, the kiss with the hottest feelings! And at the same time, the reporters, who had slowed down, hurried to start reporting live on the scene, believing that this broadcast today would definitely set a ratings record!

Amazing identities, touching stories, deep kisses, handsome almost demonic men, dumpy women. Too much too much to talk about, and it’s all in the two of them at the moment

In fact, in the past, she was a very shy and shy little girl, Shen Xiyang. Not to mention kissing in front of everyone in public, she would be embarrassed even if she said some love words. But today she didn’t care at all, the man in front of her was the man she loved the most, the man she needed to love with all her might for the rest of her life, the man who had given everything for her. It was her husband, the husband she had lost and regained

No one could truly understand how happy Shen Xiyang was at this moment, no one could truly understand how important Lin Hao was to her. No one could truly understand how much pain she felt when she learned of Lin Hao’s death half a month ago

And now she’s found Lin Hao again, and this time she’ll never let go, and this time she’ll stay by his side for the rest of her life, for the rest of her life

‘Hoo Hoo wife well well, I’m almost breathless ah, rest, rest we’ Lin Hao was Shen Xiyang blocked mouth kissed for a full minute before separation, after the separation Lin Hao gulped gasping, Shen Xiyang but did not care about Lin Hao said: ‘No, I also’

‘Er that, wife, you whisked closed Lu Dye Wu Lu whisk look below there are many people looking at it ah’ Lin Hao some embarrassment whispered in Shen Xiyang’s ear.

‘I don’t care, who loves to see who looks, I just want to hold you and kiss you’ Shen Xiyang this moment, words incomparably domineering, yes, only experience the pain of loss, to really understand the difficulty of getting.

At this moment, Shen Xiyang has endless courage in her heart, she doesn’t care how many people look at her, she just wants to hug Lin Hao, tightly, tightly
