## Super Son-in-law Chapter 611

Shen Siyan, the stunningly beautiful bride, the most beautiful woman in the entire Tianhai City today, a large, tall and beautiful woman, took the initiative to embrace and kiss the groom. At this moment Shen Siyan's attitude was even more deeply recognized by the entire audience.

After Shen Siyan kissed Lin Hao on stage for a while, Lin Hao whispered in Shen Siyan's ear, 'That wife, are we still going to have our wedding or not? The process hasn't gone through yet? Look at me getting this venue and inviting all these people here, we can't just end it, can we?'

Shen Siyan heard Lin Hao's words and that's when she reacted, yeah, today was the day of her wedding to Lin Hao. At the moment, she was still wearing her wedding dress. When you think of this Shen Siyan anxious, quickly said to Lin Hao: 'to do, definitely to do, this wedding is so beautiful, I ..... my face makeup are spent, ooooooh, how to do ah, are no face to see people .....

On the stage Shen Siyan incomparably cute covering her face, two long legs anxiously stamping her feet, her head into Lin Hao's arms again. I don't know what to do for a while, knowing that it's already been an hour, and then everyone will have to eat. But just now she was so focused on talking to Lin Hao that she didn't notice the passage of time.

Lin Hao thought that Shen Siyan was worried about something, he smiled when he heard her words and said in a very domineering manner, 'It's fine, let them wait, who dares to rush me for my Lin Hao's wedding? Wife you go down to make up a make-up, I'll wait for you here, all right, no hurry ah, remember ah, time late all right. But this wedding today, but the wedding of your dreams ah, you have to dress up ah, but you said that you want to show me your most beautiful side, oh, so go .....

When Lin Hao said to Shen Siyan, next to the stage, Yue Gu and Lin Qingcheng came up, Yue Gu and Lin Qingcheng, these two women, are also the level of disaster. At this moment they both saw Shen Siyan's awkwardness under the stage, so they hurriedly came up and took Shen Siyan down to fill her makeup, and later restarted the wedding and followed the formal process .....

Lin Qingcheng walked up to Lin Hao, gave Lin Hao a fierce stare and said, 'From now on, Xi Yan will be my own sister, if you dare to make her cry or make her sad again, I definitely won't spare you! You will never be spared!'

'Er .....

Lin Hao saw the strong threatening intent in his old sister's eyes, and the killing intent emitted from her body, and suddenly shivered with fright, and for a moment, those painful memories of being severely beaten by Lin Qingcheng when he was a child, could not help but come to his mind.

Lin Hao looked at Lin Qingcheng's eyes that were full of mischief, quickly accosted Lin Qingcheng's smile, carefully gave Lin Qingcheng's promise: 'Mmhmm, that sister, I yi shanwu closed er whisk ground dare not, I will never again, that you can rest assured ha, you can rest assured .....

Only after this did Lin Qingcheng gave a heavy cold snort and stepped down. Only after Lin Qingcheng left did Lin Hao quickly wipe the cold sweat from his forehead, he naturally didn't know that just before the wedding started, Lin Qingcheng and Shen Siyan had already met once.

Lin Hao's embarrassment on stage naturally caused the crowd to laugh, but after Lin Qingcheng and Yue Gu brought Shen Xiyan back to the dressing room, Lin Hao's face became colder. With the change in Lin Hao's face, the people off stage quieted down, and no one dared to say a word, and now Lin Hao's king's momentum rose up, and at this moment, the people off stage only felt as if a mountain had been pressed down on them, and they couldn't breathe. ....

At this moment, Mo Tianji, who was offstage, gave a wink to Xiao Bai, who was holding a microphone. Xiao Bai nodded, walked to the middle of the stage with the microphone, and spoke to the crowd, 'Just now I said that the groom and the bride still have a lot of stories to tell, I believe that everyone has guessed some of them by now, but more people may still be confused, so I will now continue to tell you all the story of the groom and the bride.....'

## **Super Son-in-law Chapter 612**

Xiaobai paused and continued, 'Yes, everyone guessed correctly, that news that circulated in Tianhai City a few days ago is true. It's true that our groom, Mr. Lin Hao, did go to the

Shen family as a door-to-door son-in-law for over a year, that's right, Mr. Lin Hao did. When Miss Shen's father had just died of illness, Mr. Lin Hao concealed his identity in order to take care of Miss Shen Xiyan, and went to the Shen family as a door-to-door son-in-law for a year. After that, they split up several times, and eventually Miss Shen found out that the person she loved the most was Mr. Lin Hao, so more than a month ago, they remarried .....

'And half a month ago, Mr. Lin Hao went on a business trip for a while because of something. But at that time, the Leng family in Tianhai City forced Miss Shen to divorce and to marry into the Gong family for the benefit of their Leng family. At that time, Miss Shen faced the persecution of the Leng and Gong families and chose to agree in order not to get her family and friends involved, which Mr. Lin didn't even know about, and when Mr. Lin returned, he realized that it was too late, so Mr. Lin Hao .....

Little White said here, dyeing closed whisked lovingly zero closed Lin Hao waved his hand and interrupted her, took the microphone from her hand and stood in front of the stage himself. Lin Hao's appearance was incomparably cold, and his eyes exploded with killing intent.

After a moment of silence, Lin Hao took the microphone and said, 'So, I exterminated the Gong family, it's as simple as that. And the Leng family, I'm sure you're watching the live broadcast right now, waiting for the wedding to end, I'll personally visit the door of your Leng family!'

At this moment, when Lin Hao was at the wedding scene, he gave an ultimatum to the Leng family. Inside the Leng Family's Council Hall, the Leng Family was all silly and scared, and at this moment their live feed suddenly went black and their signal was cut off .....

The head of the Leng family, who was just excited, thinking that their Leng family had seen hope again and was thinking of continuing to take revenge on Shen Shiyan's Leng Changjiang in the future, was now listening to Lin Hao's words and was directly scared to death .....

'Finished .....

This time, the Leng family is really finished, completely finished .....

Just how is it possible, that man, how can it be Lin Hao? How is that possible! How is that possible! How is that possible! Leng family nearly a hundred years of foundation ah, all finished, this time all finished ah .....

'Leng Changjiang incomparably desperate murmurings .....

‘No ..... No ..... No way, no way, how can Lin Hao be Lin Tian? This ..... this ..... ‘This moment Leng Feng also completely silly, if I had known that Lin Hao is Lin Tian, then give him a hundred guts, he also does not dare to go to Nanjiang City to catch Shen Xiyan ah. And at first he was thinking of annexing Lin Hao’s Jiuzhou Group, but later he even threatened Shen Shiyang with Lin Hao .....

‘It’s over, it’s all over, Lin Hao won’t let me go, won’t let me go, won’t ..... ‘Leng Feng at this moment, his entire body was covered in cold sweat, what has he done to Shen Xiyan these days, how in the world did he go step by step to drive Shen Xiyan to despair? Things, he knew himself. So he was sure he was finished, Lin Hao would never let him go, absolutely not .....

‘Leng Feng, I’ll f\*cking kill you! It’s all you, it’s all you, having to force Shen Xiyan, having to force Leng Qiu Ya, it’s all f\*cking you ..... ‘At this moment a desperate to the extreme young man of the Leng family, directly jumped in front of Leng Feng, punching and kicking Leng Feng.....

‘Yes, kill him, kill him ..... ‘In the next moment, the three generations of the Leng family saw that someone had started a fight against Leng Feng. They couldn’t help it. One by one, they all took action and greeted Leng Feng .....

‘Oh, brother, is this the hundred-year plan you’ve designed for the Leng family? Hehe, you are wishing for our Leng family to die faster ..... ‘A group of young people in the living room are punching and kicking Leng Feng, and an old man who is sitting next to Leng Changjiang at the moment is not able to sneer at Leng Changjiang.

But everything has been finished, it is useless to say this now, everything is too late, their Leng family has done those things to Leng Qiu Ya and Shen Xiyan, done is done, will not disappear, and the next thing is that it is the turn of their Leng family to repay the debt .....

‘Oh ..... really ridiculous ah, originally placed in front of our Leng family a path to heaven ah. Leng Changjiang, it was cut off alive by your own hands ah, and also with your own hands you pouted the grave for the Leng family, Leng Changjiang, you really are the sinner of our Leng family ah, it doesn’t matter if you die, the Leng family will also be destroyed ah, Leng Changjiang, I’ll see what mask you have to go to meet your ancestors in the Nine Springs! Another bearded Leng patriarch split his head at Leng Changjiang and yelled at him, .....

At this moment, these old people of the Leng family, including people of Leng Feng's father's generation. After learning that Lin Tian was Lin Hao. Shen Siyan's husband, Lin Hao, was the most terrifying person in Hai Hai City like today, the one who controlled the Tian Hai Group and was so powerful. They all had endless regret rising in their hearts .....

Yes, if they hadn't forced Shen Xiyan so much when they took her back to the Leng family, then how far would their Leng family have developed by now? I'm afraid surpassing the Ye family and becoming the number one family in Tianhai City was not impossible, and the hope was very high.

But now it's all over, everything is over .....

The people of the Leng family are ashes, with no hope left in their hearts, their hearts filled with only despair, and the fear of waiting for the Leng family to fall and their deaths .....

## **Super Son-in-law Chapter 613**

At the wedding scene, Lin Hao stood on the stage, facing three to four hundred, the elites of Tianhai City, all walks of life, the big bosses of all walks of life, with all his domineering aura in full bloom, and one person's momentum blatantly overpowered the entire arena! Under Lin Hao's overbearing momentum, the crowd off stage was left with nothing but trepidation, they didn't dare to rise up at this moment at all like they did just before, they just remembered the man on stage at this moment. Whether he was Lin Tian or Lin Hao, he was a taboo existence in Tian Hai City! The terrifying existence that had wiped out the Gong Family in one night and was about to wipe out the Leng Family!

Well yes, Tianhai City's Leng family, the development momentum of these years, all the way up, has been faintly about to be promoted to second-rate family, tomorrow will be smoke and clouds dissipate. The Leng family, what the people know, Lin Hao in Tianhai City has wiped out three families, the first-class family a cover of dye whisk Paizhi closed West zero Lu, the top second-rate family one, and the third-rate family one.

Yes, until this moment when the crowd knew Lin Hao's true identity. Suddenly remembered, that night in the Half Moon Bay Hotel that banquet, Lin Hao targeted that evil woman, the crowd suddenly thought, that evil woman is not the original in the Leng family banquet, all kinds of taunting Shen Xi Yan's evil woman? After that night, no one

in Tian Hai City saw that wicked woman again anyway, and the family that that wicked woman married into completely disappeared that night!!!!

After everyone thought of this, when they were being stared at by Lin Hao at the moment, they all felt a chill down their backs, and there was cold sweat flowing down the sides of their faces.

But within the people present at the moment, there were also many people who thought differently, namely the top beauties in Tianhai City, the beauties from the small family's small company, to the Tianhai City's top debutante, Huo Yan, they were all looking at the domineering man on the stage with burning eyes at the moment! They were all incomparably revered deep inside, and they all incomparably longed for themselves to have such a domineering to the extreme man to protect them, Lin Hao just waved his hand to annihilate the three big families for Shen Shen's anger, just ask, what woman wouldn't like such a top domineering man?

'Shen Siyan, I really envy you, to be able to get his love ..... 'Huo Yan eyes incomparably complex eyes behind the dressing room where Shen Siyan is, yes, at this moment she envied, even though it has the name of the first red face in Tianhai City, so what? At this moment she was still deeply envious. Even though her looks weren't inferior to Shen Xiyan, she was still envious, deeply envious. Because none of those men around her could compare to Lin Hao!

On the stage, under the gaze of three to four hundred people, Lin Hao stood alone in the middle of the stage with all the momentum on his body, quietly waiting for Shen Xiyan's reappearance, just that time, there were a lot of twists and turns, not counting the official wedding process between the two. It was next! Lin Hao will take the hand of the world's most beautiful woman in the entire Tianhai City today as a domineering and imposing figure, Shen Xiyan. ....

At this moment, inside Shen Xiyan's dressing room, Shen Xiyan had Gu Yue Lin Qingcheng waiting outside, she entered the dressing room by herself. When Shen Siyan was alone, she jumped up without any image, laughing silently and happily, today this was too much of a surprise, the arrangement Lin Hao gave her today was too shocking!!!

'Honey, I never would have thought that that forbidden existence in Heavenly Sea City would be you! You're so handsome, you're so domineering, you're so perfect, all those top celebrities in Tianhai City want to marry you and be with you, but that's not possible, you're only mine, only mine! I'm the one who's your wife .....'

‘Hubby, thank you, thank you for all that you’ve done for me today, and thank you, for all these years, all that you’ve been doing for me, all of this life, having today, being able to be your wife, being able to be your redhead, I will have no regrets in my life anymore .....’ murmured Shen Xiyan towards the exit, because opposite the exit, Lin Hao was standing there right now, standing there quietly waiting for her, waiting for her to make her appearance .....

After venting for a while, Shen Caiyan released all the emotions in her heart perfectly. All the depression in her heart these past few days. The despair she felt when she was guarding Leng Qiu Ya’s operating room, the despair she felt when she was forced by the Leng family, the despair she felt when she was scolded as a bastard by Gong Haiyang in public, the despair she felt when she learned the news of Lin Hao’s death, all of them dissipated into the clouds at this moment, dissipating in front of Lin Hao’s overbearing guardianship .....

She was forced by the Gong family, and Lin Hao directly annihilated the Gong family overnight! She was snubbed by everyone at the banquet, and the handsome, nearly demonic, domineering Lin Hao appeared in front of her to send her home. She was in the Fashion Designers Association selection results, was underhanded, Lin Hao one forced the entire industry to bow to her and apologize, she was driven out of the Leng family by Leng Changjiang, bearing the name of the abandoned son of the Leng family, wild seeds, Lin Hao gave her a Tianhai City, the first president of the wife of the top reputation, strong face of the Leng family, those snobbish, those cold-blooded relatives ..... All of this was done for her by Lin Hao, and Lin Hao has always been quietly by her side, watching over her .....

Thinking of this, Shen Caiyan’s eyes couldn’t help but moisten again and wanted to shed tears, but she was forced to hold back. Because right now her husband, her peerless husband, was still waiting for her outside at the moment, waiting to hold this most exuberant wedding with her today!

## **Super Son-in-law Chapter 614**

In the next moment, Shen Caiyan took a deep breath and put away all her emotions. Her hands began to move rapidly, first removing the already half-flowered makeup on her face, taking various makeup tools and beginning to reapply the makeup. She, Shen Xiyan, was originally a top-notch fashion designer, and at the same time, her own makeup skills were also top-notch. It was just that she used to be more used to appearing plain .....

But today was different, today was the most important day in her life, today there was an incomparable man out there, waiting for her, so today she not only had to put on her

makeup, but she also had to personally put on her best makeup, the most beautiful makeup. Then let herself present herself to that man in the most beautiful posture, in front of that man, in front of everyone in Tianhai City, so that she would not disgrace that man .....

Shen Xiyan's makeup was very fast but also very serious, Yue Gu and Lin Qingcheng were now listening to the noise inside the makeup room. They looked at each other and both smiled and nodded to each other.

'Oh, Xi Yan is afraid that she's putting on her own make-up, sister Qingcheng, you may not know that this lady friend of mine also has top-notch make-up skills, it's just that before, she never put on any make-up, just a foundation at most. I've been telling her one by one since yesterday that today is her happiest day, she must dress up beautifully, she didn't listen, you see now she's anxious herself, haha .....

' said Yue Gu smiling at Lin Qingcheng, while Yue Gu's own eyes were also red and swollen at this moment, because just now she had watched with her own eyes Lin Hao's scene with Shen Xiyan, which moved her to sparse .....

Lin Qingcheng also smiled and nodded, 'Well, Xi Yan is a good girl, I can see that. I'm not sure how many tears I've shed for her, but I actually dared to cheat her, and he died himself.' Lin Qingcheng gnashed her teeth in anger.

She had met with Shen Shi Yan a total of two times, once when she ran into Shen once last time when she went to Nanjiang to take Lin Hao away. And the second time was now. She never would have thought that it was in between these two times that so much had happened to them in the past half a month or so .....

Just when the two girls were talking, Shen Xiyan's door opened, and when Shen Xiyan first appeared, Yue Gu and Lin Qingcheng looked at the exquisitely dressed Shen Xiyan, they were shocked and opened their mouths, their eyes were wide open, it was really the Shen Xiyan in front of her, wearing a white wedding dress, beautiful to the extreme.

'Oh oh oh, no no, Xiyan, Xiyan you're too beautiful, first let me hug, first let me hug .....

' Yue Gu excitedly wanted to pounce on Shen Xiyan, Lin Qingcheng was also deeply shocked, although she did not react as much as Yue Gu, but at this moment even she, a woman who is proud of her looks to the extreme, in front of Shen Xiyan face after wearing a wedding dress exquisitely dressed, this moment also felt ashamed of herself, this moment not only Yue Gu wanted to go hug Shen Xiyan, even she also had that urge in her heart .....

Shen Caiyan smiled and pushed Yue Gu away: 'Find your own man to go, I'm going to find my husband, I don't have time to mess with you ha .....

Shen Caiyan said, she no longer paid attention to Yue Gu's incomparably grumbling eyes, but smiled and nodded at Xiao Bai who was on the side of the stage in the distance.

At this moment, Xiao Bai who was standing at the edge of the stage, waiting for Shen Xi Yan to appear, when she saw Shen Xi Yan smiling at her and nodding her head. For a moment she was also deeply shocked by Shen Xiyan's looks, and only after a while did she react and quickly took the microphone, smiling and excitedly said to the entire audience, 'The bride has been dressed up, so let us now have the most beautiful bride in Tianhai City take the stage!'

As Xiaobai's words fell, the gazes of the entire audience looked towards the place where Shen Siyan was just standing, and at this moment Lin Hao also looked up in the direction where Shen Siyan was, waiting for Shen Siyan to appear .....

In the next moment, under the backdrop of the moving music, wearing a white wedding dress, feet on the white high heels, fair skin, face beautiful Shen Xi Yan, footsteps step by step up the steps .....

When Shen Siyan was walking up the steps, the whole audience had not yet seen Shen Siyan's full appearance, they had er yisan steak closed land shocked. Lin Hao's eyes were also fiercely bright .....

At this moment, all the lights in the arena were shining on Shen Shi Yan. Although at this moment the whole arena had three to four hundred people watching, and they were all the elite bigwigs of Tianhai City. But at this moment Shen Siyan, the heart is not the slightest bit of stage fright, and incomparably confident, with a happy smile on the face, under the focus of the lights, under the gaze of the audience, Shen Siyan confidently step by step to the stage, standing where she was just now, with Lin Hao relative look .....

Shen Caiyan's wedding dress back open back, low chest in front, that head of long hair was not coiled up, but scattered outside, Shen Caiyan was already tall, height 168, at the moment in the boat eight centimeters of high heels, more appears her legs long, and her waist is also particularly thin, the waist of the wedding dress, there is not a hint of tightness, and the back of the wedding dress tied with a belt, under the white thin rope, is Shen Caiyan that white. Smooth skin, and Shen Xiyan's face, eyes bright with a happy smile, melon face delicate and beautiful, this moment Shen Xiyan without any jewelry, just wearing this white wedding dress, this wedding dress called Qing Shi Hong Yan, her

whole person just standing there, it is natural to compare all the beautiful women in the audience.....

At this moment, in the hearts of the crowd, Shen Siyan was the worthy number one redhead of Tianhai City!!!

And likewise, the Lin Hao standing across from Shen Shi Yan was the unparalleled domineering and handsome near-demon man of Tian Hai City!!!!

For a time, the male handsome demon, the female beauty more unlike the people of the earth, a time the whole field, including at the moment at home outside, are watching, the people of this live broadcast, the heart is incomparably agree, this is a match made in heaven!

And right now on the stage, Lin Hao and Shen Shi Yan were looking at each other, and they both saw the sense of shock in each other's eyes.

'This is my wife, Tianyi ..... Rouge!' Lin Hao's shocked heart thought to himself .....

'This is my husband, the Ultimate ..... Peerless!' Shen Siyan looked at Lin Hao and was shocked in her heart as well .....

## **Super Son-in-law Chapter 615**

On the stage Lin Hao quietly looked at Shen Xi Yan, and Shen Xi Yan quietly looked at Lin Hao as well. The next moment, the two of them looked at each other and smiled, both saw the deep affection in each other's eyes, with satisfaction, with the most suitable, yes, right now, there was only one common feeling in both of their hearts. That was that each other was the most right person in this life!

The beautiful host, Xiao Bai, who was standing to the side at the moment, was also shocked and stunned when she saw this, she also felt that the two people in front of her were the perfect fit, and there was no other person who could replace them. It was as if if Lin Hao married someone else, it would be imperfect. Likewise if Shen Shi Yan married someone else, it would also be imperfect. This world is only the two of them the most suitable, there is that west whisk west closed love er service it a word, called the most suitable.

The first thing you need to do is to take a look at the newest version of the newest version. The first thing you need to do is to take a look at the newest version of the newest version. But now her heart was only filled with shock, shock at Lin Hao's true identity, and happiness for her own daughter, that miserable daughter, who had found such a suitable and desirable husband!

'From Man, did you see that? Regret is married, and today she is beautiful, really beautiful. She is even more beautiful than I was back then, from Wen, our daughter has found a most reliable man. Before you died, you recruited Lin Hao to be your son-in-law, did you have it all planned out? From Wen, it really is still you who is powerful ah. I'm sure you'll be able to find the best way to get the most out of this, but I'm sure you'll be able to find the best way to get the most out of this. The heart murmured.

Shen Siyan's biological father Shen Congwen, is also the man she loves the most in her life Leng Qiu Ya, but back then their love affair did not work out, and now Leng Qiu Ya believes that Shen Siyan and Lin Hao, will never make the same mistake as the two of them .....

'Well ..... these two kids are finally together, this wedding is really perfect, it's perfect, it's so nice, it's so happy. To be able to see the two of them happy with my own eyes, my whole life is worth it ..... hehe.' At this moment, Wang Shufen, who was sitting in the front row next to Leng Qiu Ya, said with a smile as she laughed very, very happily.

Hearing Wang Shufen's smile, Leng Qiu Ya was suddenly stunned, as if she had thought of something, and the next moment she turned her head sharply to look at Wang Shufen, 'Shufen, tell me the truth, did you already know that Lin Tian is Lin Hao?'

No wonder Leng Qiu Ya was suspicious, because since last night, Wang Shufen seemed to be in a good mood, constantly persuading Shen Xi Yan to dress up today and hold this wedding in the most beautiful manner. Just before, Leng Qiu Ya didn't think about Wang Shufen because her heart was worried and anxious, but now, when she heard Wang Shufen's laughter, she suddenly understood .....

Wang Shufen smiled and waved her hand and said, 'Oh ..... it wasn't much earlier, it was last night. Didn't I go out for a bit, I went to the Tianhai Group. I went to find Lin Tian and asked him to delay the wedding with Xi Yan, if he didn't agree, I would jump in front of him, but I didn't think that Lin Tian was actually my good son-in-law Lin Hao ah, hahaha, when Lin Hao uncovered the mask on his face, you didn't even know, at that time I gave a silly look, hahaha .....

Wang Shufen grinned greatly, as if she was telling a joke. But after Leng Qiu Ya heard it, her heart was fiercely shaken, deeply moved by Wang Shufen's approach. The truth of the matter was that Lin Tian was Lin Hao, so that's why Wang Shufen was laughing at this moment, then ..... What if Lin Tian wasn't Lin Hao? What would be the consequences of that? Leng Qiu Ya understood her own best friend, although the surface love money, more snobbish, but deep inside is a good person, Wang Shufen said last night she plans to jump off the thing, she really did it .....

## **Super Son-in-law Chapter 616**

Thinking of this, Leng Qiu Ya paid a deep obeisance to Wang Shufen, 'Shufen, thank you, you're more like Ji Yan's own mother than you are! From now on, Ji-Yan will be our daughter! For both of us!'

Wang Shufen also took a serious look at Leng Qiu Ya and nodded heavily, 'Well, good, we'll both be her real mothers from now on! All of them!'

'And now, here comes the father of the bride! Put our most beautiful bride of the day into the hands of the groom!' Just as Wang Shufen and Leng Qiu Ya were speaking with Leng Qiu Ya Yi Shan land closed, the beautiful host on the stage, Xiao Bai, once again spoke up. When Wang Shufen and Leng Qiu Ya listened, they looked at Gu Shengnan who was sitting on the side, dressed appropriately, and at this moment not only the two of them, the eyes of all the people in the audience, also looked at Gu Shengnan .....

Gu Shengnan was dressed in a black stiff suit, his originally half-white hair, all dyed black by him last night, Gu Shengnan had deep eyes and a national face, he was originally the head of the top second-rate family in Tianhai City, the Gu family. Over a long period of time, he had naturally developed an unruffled air of superiority! At this moment in time, Gu Shengnan's domineering color is even more soaring on this occasion .....

Because today he was the father of Shen Xiyan! It had been two years since Shen Siyan's real father had passed away, then he, the godfather, the one who had strived to protect Shen Siyan at the banquet where the Leng family had married the Gong family, he was Shen Siyan's real father today! There's no one better than him! And today he was the number one president of Tianhai City, father-in-law of Lin Hao, the forbidden existence of Tianhai City! If he is today, he will be tomorrow! Gu Shengnan hadn't wanted to make

the Gu family bigger after his wife's death a few years ago, but after today, it was only natural that the Gu family would automatically be promoted to the fourth largest first-class family in Tianhai City! And he, Gu Shengnan, would smoothly become the head of a first-class family!

At this moment, Gu Shengnan slowly stood up, the color of dominance on his body was fully visible, he slowly walked up the steps, walked to Shen Siyan, Shen Siyan put her hand on Gu Shengnan's outstretched arm, under the beautiful music, Gu Shengnan brought Shen Siyan, step by step towards Lin Hao, to hand Shen Siyan over to Lin Hao .....

At this moment, the group of second-rate family heads sitting under the stage in Tianhai City, as well as the three first-rate family heads, Ye Feiye, Bai Hang, and Xiao Nuo, they were all incomparably envious of Gu Shengnan at this moment. Because they all knew that this Gu Shengnan, this cross-river dragon who had come to Tianhai from a small place, after today, he would stand above the top class of the entire Tianhai City, on equal footing with the three of them, no, even with Lin Hao's help, Gu Shengnan's future status would definitely be above the rest of them!

Lin Hao smiled quietly as he watched Shen Siyan, led by Gu Shengnan, walk towards him step by step, watching the woman inside of him, who he had loved for almost ten years, dressed in the most beautiful wedding dress, walk towards him happily .....

Gu Shengnan was walking slowly, and so was Shen Siyan, but as slow as they were, they were still getting a little closer to Lin Hao.

Finally Gu Shengnan walked with Shen Siyan to Lin Hao, handed Shen Siyan over to Lin Hao himself, while Lin Hao held Shen Siyan's hand, and together they paid a deep obeisance to Gu Shengnan .....

Gu Shengnan didn't stay too much longer, today this stage belonged to Lin Hao and Shen Siyan. That's why he walked off early .....

On the stage, Lin Hao, who was incomparably handsome and exuded a domineering aura, and Shen Siyan, who was incomparably beautiful, were standing together. The moment the two of them stood together, it was the most beautiful picture of the entire wedding scene today, the man is top handsome, the woman is also top beautiful.

A time when the two of them actually stood together, and gave the crowd off stage at the moment, another wave of visual impact! Everyone's hearts were in awe, amazed at these two perfect newcomers!

On the stage, Lin Hao held Shen Siyan's hand, domineering and gentle. The next moment Lin Hao held Shen Siyan's hand and walked a few steps to the front of the stage, with Shen Siyan to the audience slightly lowered his head, as a thank you to all the people under the stage today to wish them .....

And then Lin Hao took Shen Siyan's hand and turned around and slowly walked back towards the priest who was now on stage and standing behind him .....
