

# Super Son-in-law 617-623

## Super Son-in-law Chapter 617

At the moment, the time in Tianhai City was 11:00 am, while it was nearly three o'clock in the middle of the night in Western Europe on the other side of the ocean. At this time, almost everyone is resting, but in that one quiet villa, there is a room where the lights are still on, and there is a woman who is dumbfoundedly watching a live broadcast on her phone .....

The woman is Shen Yutong, who deep down has always regarded Lin Hao as a Gestapo hero, who has always loved Lin Hao, but ultimately chose not to destroy Lin Hao's marriage to Shen Ziyang and left on her own. Shen Yutong knows full well that she will feel bad and painful when she watches the live broadcast of Lin Hao and Shen Ziyang's wedding herself, but she still chooses to watch it. And still, she kept watching it all the time .....

The moment she saw Lin Hao in a handsome suit holding Shen Ziyang in a wedding dress, a tear fell from the corner of her eye, without warning .....

'Lin Hao, you really are a Gestapo, you are still so handsome and domineering. And Shen Ziyang can also really be called the world's red face, only she is the most worthy of you, you two together, really match, match .....' Shen Yutong watched Lin Hao and Shen Ziyang's wedding live streaming with tears in her eyes, her heart is both difficult and has the blessing of the two.....

Shen Yutong had never done anything wrong, and Shen Yutong had always been a good woman. She had once completely disregarded her own safety when Lin Hao was in a desperate situation, and when she was faced with dozens of assassins from Sakura's Tears, she resolutely chose to escape with Lin Hao, even though she was clearly scared to death, she still did that .....

And when in Tian Hai, Shen Ziyang personally told her to go and be with Lin Hao, on the night when Lin Hou annihilated the Gong family, when Lin Hao also personally asked her to stay and stay. But she chose to refuse. And in order to no longer let Lin Hao and Shen Ziyang have a grudge in her heart, she chose to go out to sea with Gong Ming, to this unfamiliar Western Europe, and chose to marry Gong Ming, Shen Yutong did everything, how can be called a good woman .....

Actually, if you put it that way, the three daughters in the three generations of the Shen family were not bad. Shen Yutong, Shen Xiyan, and even Shen Ruoxue, who had to be killed by Lin Hao, were the same. These three sisters of the Shen family are all top-notch, and Shen Ruoxue is also excellent if she didn't keep dying, but her path is crooked, unlike Shen Xiyan Shen Yutong who is so upright, she is more workmanlike .....

Maybe some things in the world is such a coincidence, regardless of Lin Hao is willing to return the dye steak service service zero yi closed dye is not willing, he has some relationship with the Shen family's three women .....

Shen Yutong was alone in her room, her heart incomparably complicated as she watched the live broadcast of the wedding scene. And at the same time, far across the ocean in Tianhai City, just a short distance from the Lin Hao wedding scene, a building outside, with a large advertising screen of more than ten square meters, at the moment that big screen, is live streaming the scene of the wedding, but at the bottom of that big screen, but at the moment quietly standing a man, a man with a long knife in his hand, all hostile ---- Lin Yan!

On the big screen above Lin Yan, the handsome and cool Lin Hao, who is now holding the country-dropping Shen Xi Yan, is walking step by step towards the priest in the middle of the stage .....

And right now, right in front of Lin Yan, there was a black sports car that had been forced to stop, these cars were forced to stop by Lin Yan! Lin Yan indifferently stared at those black vehicles parked in front of him, the entire man did not say a word, but the killing intent on his body was getting thicker and heavier .....

## **Super Son-in-law Chapter 618**

In the next moment, the black car directly in front of Lin Yan, the door opened, from the car came down a man with a black mask on his face and a black robe on his body, the masked man got off the car, soon he was around seven or eight cars, this moment also have people walking down, those people are wearing half a mask on their faces, the momentum of the body is icy cold abnormally, icy cold killing machine diffused. There weren't many people here today, even the surveillance facilities here had been destroyed, so no one knew about all that was happening here right now.

The man in the black mask, after getting off the bus, his eyes stared at Lin Yan, the eyes under that black mask were incomparably heavy, and the same was true for Lin Yan who was standing directly in front of the man in the black mask, his eyes were also incomparably heavy. Because the man with the mask standing in front of him at the moment was the leader of the world's top killer organization, the Tears of the Cherry Blossoms, with the strength of an Innate Master Burial!

The dozen or so assassins with half black masks by Burial's side were the first-line warriors trained by Burial himself, Burial Night! The leader of the Tear of Cherry Blossoms, Burial, was instantly furious after learning last night that all of the assassins under his organization had folded up in Tianhai City, and came over to Tianhai City from Europe in the middle of the night. He was sure in his heart that the person who killed the Tears of Cherry Blossoms assassins was the person behind Lin Hao, and he also wanted to see with his own eyes who was standing behind Lin Hao!

And now he saw that after he got off the plane, he felt a Qi machine pulling at this place, which was the breath of the same innate master. After he felt this pull, Burial immediately rushed over with the people under his command. Then here he saw Lin Yan! Lin Yan, who is standing in a piece of said under the screen, at the moment the screen is still broadcasting the live broadcast of Lin Hao and Shen Xiyan's on-going marriage of the ultimate wedding .....

At this moment Burial understood that the person standing behind Lin Hao was Lin Yan! In their intelligence, the biological father that Lin Hao hated the most in his heart, Lin Yan! Burial looked deeply at the screen above Lin Yan's head and then looked down deeply at Lin Yan, who was silent .....

A gust of cold, bone-chilling cold wind blowing, blowing the burial on the robe of the grin flying, blowing to stand on both sides of the burial, full of killers, the ten shan service shan land closed zero several top killers robes, fluttering with the wind .....

Lin Yan's eyes became incomparably heavy, the Burial opposite him was an existence on the same level as him, but today Burial was not alone, he actually brought more than a dozen top killers with him, the dozen top killers opposite him, none of them were weaker than the Silver ranked killers in the Tears of Cherry Blossoms organization. And now there were actually more than a dozen enemies comparable to silver-ranked killers, plus the most dangerous burial. This battle would be an unprecedentedly vicious battle .....

Burial was silent for half a moment and suddenly spoke to Lin Yan, 'If you don't retreat, you will die .....

Burial, the leader of the world's top assassin organization Sakura's Tear, a terrifying existence whose own combat power has reached the Innate Master, formerly and now, but every word contains a monstrous murderous intent! Lin Yan he recognized, the man of the hour from the same era as him, the Gestapo of Yanjing more than a decade ago, for such a person he didn't want to kill. As for the killers under his command who died, those were just killers who had joined the organization, not his direct lineage, he didn't care that much. And the agreement he made with Lin Xiaoyun was just to kill Shen Xiyan today, at Lin Hao's wedding, and then kill Lin Hao!

Lin Yan was silent for a while, he took a deep breath and didn't say a word, instead he slowly raised the long knife in his hand towards the dozen top killers standing directly in front of him as well as the burial .....

For a time, the qi of both sides fiercely clashed together, and the dozen or so top killers standing in front of Lin Yan's body had increasingly cold and murderous looks in their eyes .....

## **Super Son-in-law Chapter 619**

'Kill .....

Lin Yan shouted lowly, holding a long knife, with one person's body, he brazenly faced the opposite dozen top killers burst, one person's strength, one person's forward, although he is the only one, but at this moment the leader of the Tear of Cherry Blossoms Burial, but it seems to feel that there are thousands of horses across the street, rushing towards him .....

The gravity in the depths of Burial's eyes was once again a little more, but that was all, as the leader of the world's top killer organization. Burial who was himself another top figure who had been criss-crossing the western world for many years, was not yet shocked by Lin Yan's aura. Even the cold-blooded killers around him were the same.

Right now at the moment Lin Yan rushed over, the dozen or so top killers on either side of Burial moved at almost the same time, all sorts of cold weapons appearing in their hands as they charged towards Lin Yan. This was Huaxia, the country with the strictest control over hot weapons, even if Sakura Tear wanted to bring in a large amount of weapons and equipment, it wasn't that simple, at least it would take a long time to prepare, and to the extent that Burial was, hot and cold weapons were no longer that important to them, after

all, to a top assassin, anything that could become a weapon for them to kill their target!.....

At this moment Burial didn't make a move, it was the dozen or so top killers under his command who were under the innate sky, brazenly charging towards Lin Yan without fear of death. And Lin Yan was the same, a duel between experts like them couldn't have any distractions in their hearts, once there was even the slightest thought of fear, the opponent would seize the opportunity to seriously injure themselves. And right now, not far behind Lin Yan was his son Lin Hao's wedding, how could he, a father who had held back for so many years, be retreating right now on the day of his son's wedding?

At this moment, on the big screen behind Lin Yan, the incomparably handsome Lin Hao was holding Shen Xi Yan's hand and walking towards the priest. And below the big screen, there was Lin Yan wielding a long knife full of murderous intent, blatantly charging towards the dozen or so killers in front of him .....

Puchi ..... Lin Yan directly slashed one of the front of the killer, but the remaining dozen top killers, but without the slightest fear still burst towards him, Lin Yan also did not have any retreat, waving his long knife is straight forward, forward, forward again .....

Burial looked deeply at the screen above Lin Yan's head and then looked down deeply at Lin Yan, who was silent ..... A few wounds were scratched out. Just that he didn't care and continued to charge forward with his long blade in hand .....

The Cherry Blossom Tears leader Burial, who was standing motionless at this moment, watched as his first-rate war team members, who were constantly falling under Lin Yan's blade, fiercely disappeared and his entire body turned into a black afterimage, rushing towards Lin Yan at an extremely fast speed .....

At this moment Lin Yan just cut down a killer again, the figure of Burial fiercely appeared in his line of sight, boom ..... next moment Burial fiercely swung out a punch, fiercely hit the unprepared Lin Yan's chest .....

Lin Yan's body exploded out, and Burial with the remaining nine top killers did not chase after him, but on the cold ground intention steak Cishan Lu Xi coldly looked at Lin Yan who kept backing up.

Poof ..... was buried a blow, hit back five or six steps Lin Yan, after stopping, fiercely mouth a mouth of blood to spurt out. He had just killed six top killers with all his strength, but just when he was changing his breath, he was attacked by Burial, and yes Burial was

the one who found the moment when Lin Yan changed his breath and struck out to wound Lin Yan.

And right now, Lin Yan not only had blood spilling out of his mouth, even his body had seven or eight wounds, a deeper wound on his abdomen was inflicted on him by a top assassin before he died, and right now half of Lin Yan's body was stained with blood.

He took a deep breath, gripped the long knife in his hand again, and stood up straight, and he didn't even look at the wound that was bleeding outwards on his body. ....

Burial, who was standing in front of him, saw that Lin Yan had reached this level and was still fighting to the death, but he couldn't help but narrow his eyes, just as he was about to lead his people to continue rushing up.

Suddenly on top of a thirty meter building in the distance, there was a person rushing over along the glass curtain wall outside the building, countryside. It was Dao Yi! At this moment Dao Yi's body is also full of killing intent, he was not with Lin Yan before, this is the only time he rushed over, after rushing here, when he saw that Lin Yan was seriously injured, his killing intent continued to climb, at this moment Dao Yi's momentum is in full bloom and landed with a bang .....

'With the position of an Innate Master, and still performing a sneak attack! You ..... are great! Now this fight, you either do it yourself! Or let the dogs under your command come and die! Try it if you get caught in a crowd and sneak up on me again?' Dao One narrowed his eyes and locked on to Burial with a deadly glare.

The Tears of Cherry Blossom's face against the leader Burial, when he saw Dao Yi appear, the color under his mask couldn't help but change. He wasn't even a hundred percent sure of taking down just one Lin Yan, not to mention that Lin Yan was now injured. But in that short contact just now, a small half of his side had already died in battle! If this fight went on, the most elite squad under his command would probably soon be killed by Lin Yan, which is why he just had to sneak attack Lin Yan .....

## **Super Son-in-law Chapter 620**

In the killer's dictionary, they only valued the result of killing their opponent, they didn't care about the process. It was just that at this moment, Daoist One's appearance made

Burial's heart extremely scrupulous. Although there were only two people on the opposite side, those two people were top-notch combatants that were not weaker than him! Two preternaturally vicious masters of the world!

'Don't interfere .....

Lin Yan took a deep breath and said to Night One without looking back. Then he took his long knife and walked step by step towards the dozen or so assassins across the street with heavy eyes, yes, just walk! But right now Lin Yan didn't take a single step, and his aura climbed once, it was powerful .....

'Kill .....

Burial saw Lin Yan coming over, and right now he didn't want to retreat, his pride wouldn't allow him to retreat. When he debuted in EGL, he was called the closest to God in the Endurance World, after that when he sentenced out of the Endurance World and went to the underground world of Europe to make his way, he even went through countless life and death crises before he finally advanced to the position of Innate. He had his pride, and Lin Yan had just said that he wouldn't let Daoist One interfere, so an existence at their level, Daoist One really wouldn't interfere!

So Burial would rather wait to fight Lin Yan to the death after he killed all the killers under his command. And would no longer make a sneak attack. Because he was sure in his heart that if he made another sneak attack right now, Dao Yi would also sneak attack him! At their level, it would be an absolute nightmare if they were attacked by an expert of their level!

On the big screen, wearing a black suit, Lin Hao, has begun to pour the country's Shen Xiyan, under the pastor's question, began to say the oath to each other, and now under the big screen, Lin Yan also began to cherry blossom tears, that the remaining nine top killers, crazy battle in a whisker cover zero Lu Yi Wu Yi Shan up .....

Lin Hao's wedding was going smoothly, and in front of Lin Yan, one top-notch assassin after another was being cut down by his sword! By the time the on-screen Shen Siyan had finished her tearful and deep vows to Lin Hao in this life, the nine top killers in front of Lin Yan had all died, and there was no one left alive!

It was just that right now Lin Yan's body was covered in blood, both his own and those killers on the other side. Lin Yan was staring at Burial with blood all over him, and although he was already badly injured at the moment, and his breath was even starting to fall, Burial's heart was instead even heavier and more fearful because he saw in Lin Yan's eyes, a kind of determination he had never seen before .....

Stab la la la ..... Lin Yan held the long knife, on the granite ground, a series of sparks, Lin Yan's footsteps firmly towards the burial step...

'Kill ..... 'In the next moment, Burial suddenly drummed up his full strength, his chest was expanding like a blower at this moment, and his breath was hunting between his breaths, his entire body turned into a shadow and exploded towards Lin Yan, his right hand was covered with a black claw made of black gold, and he grabbed at Lin Yan's chest .....

Lin Yan looked at Burial who was now bursting at him, his figure also suddenly accelerated, his entire body without the slightest evasion to meet Burial's attack, rushing head-on, and just when Lin Yan was close to Burial's distance of one meter, Lin Yan's body suddenly burst out a monstrous domineering Qi, a kind of overpowering domineering Qi, under the impact of this monstrous domineering Qi, Burial's figure retarded for a moment, really just a moment, I'm afraid not even 0.01 second, but just such a short moment, his body and Lin Yan's body had already crossed .....

In the next moment, Lin Yan appeared at the spot where Burial had just stood, his chest had five blood shimmering wounds, the wounds were so deep that they were just a few millimeters away from his heart, I'm afraid. Beyond the five deep blood wounds was tumbling flesh, the buried weapon had just that moment ripped even the flesh from Lin Yan's chest! Scalding hot, bright red blood was constantly coming out of Lin Yan's chest, but it was as if Lin Yan didn't even notice it .....

And right now, Burial, whose body had rushed to where Lin Yan was just standing, was filled with incredulity! In that moment of life and death just now, he was shocked by Lin Yan's covered aura and was slow to strike for just a moment. But in that short moment, it was already a matter of victory and life and death .....

Bang ..... In the next moment, the upper half of Burial's body, from the right side of his neck all the way to above the left side of his chest, was directly separated from his lower body, and his body was sliced in two by Lin Yan! In fact, Burial's body was still wearing hard, defensive alloy soft armor, which was also the reason why he dared to confront Lin Yan just now, but he didn't expect that even the soft armor on his body would be cut in half by Lin Yan's slash .....

Puff ..... It wasn't until after the burial had completely fallen that the breath mentioned in Lin Yan's heart was let out. Just as soon as this breath was released, Lin Yan's entire body began to burst out with injuries, and he stumbled, almost falling, and hurriedly leaned on his long knife and half-kneeled on the ground, gasping violently .....

The blood and sweat on his body had now soaked through Lin Yan's entire body, Lin Yan's face was pale to the extreme at this moment, and his entire body was beginning to tremble uncontrollably .....

Dao Yi looked at Lin Yan's eyes, incomparably moved and deeply shocked. If Lin Yan had agreed to help him out just now, Lin Yan would never have suffered such a heavy on, he and Lin Yan would have been buried and died long ago! But Lin Yan refused. With just himself against the entire Sakura Tear's top battle power! Just to escort not far behind, Lin Hao's wedding .....

Dao Yi looked up at the sky and then turned to look at the big screen overhead, where Lin Hao and Shen Xiyan were already nearing the end of their wedding .....

## **Super Son-in-law Chapter 621**

But compared to the happy wedding between Lin Hao and Shen Shiyan on the screen, Lin Yan who was half kneeling on the ground below the screen, his back was incomparably sluggish, the originally domineering and unrivaled Gaiji Lin Yan was really like an old man with a weak breath at this moment.

Although Lin Yan's breath was faint and covered in blood, his eyes had a hint of a smile in them. The battle knife that was stuck on the floor in front of him was still bleeding fresh blood downwards, and the blade was emitting a cold, deathly cold mane .....

'Oh ..... my son's wedding, how can you puny people come and mess with it ah. With me here, no one can disturb my son's big wedding!' Lin Yan's mouth was bleeding as he laughed, yes he was laughing, the generation of the lord of the world, this is the moment to laugh, laugh rampantly, laugh indulgently .....

'And what's your problem? You were a rare and good father in this world, so why did you have to go to such lengths?' Dao Yi walked behind Lin Yan, took out a medicine bottle from his bosom and sprinkled a special powder on Lin Yan's body, this powder was very powerful, after sprinkling it on Lin Yan's wounds began to stutter and the bleeding stopped, only Lin Yan's face was still white.

At this moment Lin Yan smiled at Dao Yi's question but shook his head: 'You don't understand, you don't understand ah, in recent times, we Lin Clan three generations, my father, me, my son, which one is not the world's proud? Do you really think it's that easy to take charge of a great clan? Every generation of the control of a great family has to go through thousands of hardships. Just like that Gestapo of the Jun family today, Jun

Wuyou, he suffered no less than Hao'er, but he achieved Gestapo, killed his way up to Yanjing, and in just one month, took control of the entire Jun family, becoming the Gestapo of the Yanjing generation!

Dao Yi frowned deeply and said with a bit of disapproval, 'You're all crooked, it's true that encountering hardship makes one stronger, but aren't you afraid of letting Lin Hao encounter too many difficulties and crushing him? Well, you know, half a month ago, in front of your house, he shot you directly, and there was no hesitation in that shot, was there?' Dao Yi trailed off.

Lin Yan smiled, not caring in the slightest and said, 'Crush him? Oh, he's my father Lin Zhantian's grandson, he's my Lin Yan's own son, he's bound to be the best family head in modern times! Not one I believe in him, you'll just have to wait and see, of course, if you live to see that .....

Lin Yan was laughing, and Dao Yi laughed when he heard Lin Yan's last sentence, laughing and shaking his head: 'Oh, yeah, then I have to be able to live until then ah ..... This time to go to Western Europe, who knows if I can survive .....

Dao Yi Kai said with a smile, without putting life or death in mind in the slightest. No matter the tone of voice or look, all the west service cover love to pick dye Lu'er is so easy. For a time, Dao Yi and Lin Yan, these two extremely strong and terrifying characters, just stand side by side, in the cold wind of the recession, the cold wind blowing their robes, blowing their half-white hair, but not blowing their determined hearts.

After standing for a while, Dao Yi looked at the big screen in front of him, the wedding that was about to be completed, and after a while of silence, he still looked at Lin Hao's handsome and domineering figure on the big screen, and asked Lin Yan, 'Old brother, the wedding is about to be over, and you, as a father, don't you really want to take a look at it? Aren't you going to say hello? This time, it's likely to be goodbye forever ah, maybe later, it's really never going to be seen again ah ..... really, not going?'

This time, Lin Yan listened to Dao Yi's words, but he was silent, deeply silent, and didn't say a word for a long time. Before, he didn't go because he knew that Burial would kill him and he would block the last attack for Lin Hao. And now all the killers, including Burial, had already been destroyed by him.

And what Dao Yi said, he agreed in his heart. Maybe this trip to the Sacred Mountain was really just like what Dao Yi had said, there was no return. It was likely that he would never see it again in this life .....

Lin Yan looked at Lin Hao on the big screen, who was now holding Shen Xiyan's hand and standing in the middle of the stage. He said: 'How can I go, what will happen if he sees me? You want to fight me? Another duel between father and son?'

Dao Yi was silent, frowning and thinking for a while, 'It's better to go, even if it's just to say a few words. If we don't make it back alive this time, do you think Lin Hao will break down later when he finds out the truth? Will it be uncomfortable? The last time he met you was the time you two dueled at the Lin's ancestral home. Do you want to fill his heart with guilt? I'm in charge, go ahead and don't scar the child psychologically .....

Dao paused and continued, 'And, after all, today is his wedding day ah .....

Lin Yan was silent, a generation of desperate barons, a generation of Yanjing's gestapo, at this moment his eyes moistened, for a long, long time, Lin Yan slowly nodded his head and said, 'Good .....

.....

At this moment within the wedding scene, Lin Hao, who was holding Shen Xiyan's hand and giving a toast to Gu Shengnan, Wang Shufen, and Leng Qiuya, suddenly trembled in his heart, and he didn't know why, but his heart was suddenly very uncomfortable at that moment just now. Lin Hao involuntarily covered his chest, and his face turned a little pale.

## **Super Son-in-law Chapter 622**

Right now, the people sitting at this table were all the most important people Lin Hao and Shen Xiyan. When they saw Lin Hao like this, they couldn't help but look over with concern, and Shen Siyan, who was standing beside Lin Hao, also quickly held Lin Hao's hand tightly, 'Honey, what's wrong? Not feeling well or your injuries?' Shen Siyan's eyes were incomparably worried.

Lin Hao slowly exhaled and smiled at Shen Siyan, 'It's fine, I don't know what happened just now, I just felt a bit uncomfortable, but it's fine now, come let's toast to Mom and Dad together .....

Shen Xi Yan was still a little worried about Lin Hao because she knew that Lin Hao had been badly injured and unconscious for several days after he returned from Yanjing last time. She didn't want to lose Lin Hao again now, she would have to go crazy if she lost him again. But it was their wedding now, so she couldn't ask anything.

At this table, there were many relatives of Shen Xiyan, including Gu Shengnan, Wang Shufen, and Leng Qiuya. And Lin Hao's relatives were the only ones standing here.

Shen Siyan poured a cup of wine for Lin Qingcheng and followed Lin Hao and raised the cup to Lin Qingcheng, 'Sister, Lin Hao and I toast to you, I wish my sister will also find her husband as soon as possible .....

Lin Qingcheng smiled and drank the wine down, then spoke to Lin Hao and Shen Xiyan. It was just that their table was strange because Lin Hao's parents weren't present, but today, on Lin Hao's wedding day, only one sister was here. Everyone in Tian Hai City was a little confused .....

'Hao'er, congratulations .....

just as Lin Hao and Shen Qingyan were talking to Lin Qingcheng, a high pitched voice suddenly came from the doorway. Lin Hao turned around in confusion, and then saw Dao Yi who was smiling at him. But the next moment, when Lin Hao saw Lin Yan standing beside Dao Yi, his face went cold .....

And as Lin Hao's face turned cold, the entire arena, which was incomparably lively just now, suddenly became completely quiet. At this moment, there was a vague chill that spread out on Lin Hao's body, and Shen Xiyan, who was standing beside her, was shocked, and followed Lin Hao's line of sight, and then saw the two middle-aged people who appeared at the entrance at this moment.

'Lin Hao, today is the day of your wedding to Xi Yan, don't be impulsive!' The moment Lin Qingcheng saw Lin Yan, fearing that Lin Hao would be impulsive, she quickly stood up and grabbed Lin Hao's arm with a very strong force .....

In the next moment, Night One, who was dressed in a black strong suit, and Mo Tianji, who had been guarding the venue, also appeared behind Lin Hao at the first time, and both of them looked at Dye Ai Zero Yi whisked Dye West dyeing Lin Yan who appeared in the doorway as if they were enemies.

'What are you doing here?' Lin Hao stared at Lin Yan, who was standing at the door, with an icy tone, and as Lin Hao spoke, the momentum in his body continued to rise!!!! If Lin Yan dares to fight at the wedding today, he will die with Lin Yan!

At this moment, as Lin Hao's words fell, the gazes of the entire audience were all looking at Lin Yan who was standing at the entrance. Some of the old people from Tianhai City who were sitting in the front row of the venue at this moment, such as Ye Family's head Ye Feiye, Xiao Family's head Xiao Nuo, and Bai Family's head Bai Hang, all of them turned pale at this moment and quickly stood up, cold sweat dripping from their bodies.

Because they were acquainted with Lin Yan, who had also spent some time in Tian Hai City when he inherited the Lin Clan more than a decade ago. And at that time, Tianhai City was completely Lin Yan's era, and Ye Feiye and his group were the ones who were living under Lin Yan's shadow and trembling in the beginning. They had never expected that now, after more than a decade, they would actually run into Lin Yan again.

And the next moment, they were shocked to discover that Lin Hao was also surnamed Lin, and then combined the gossip they had received. It suddenly became clear that Lin Hao's father was Lin Yan!!!!

At this moment, Lin Yan, who was at the entrance, slowly stepped in, he had a brand new set of clothes on, and other than his face being a little pale, from the looks of it, Lin Yan looked like nothing.

As Lin Yan approached Lin Hao step by step, Lin Hao's aura climbed more and more powerfully. The same was true for Night One and Mo Tianji who were standing behind Lin Hao.

'Night One, back off for me!' Suddenly Daoist Yi shouted fiercely at Night One. He was Night One's master, and now seeing that Night One actually had signs of making a move against Lin Yan, he quickly shouted at Night One. Night One's body trembled at the words, a struggle flashed in his eyes, but he didn't take a step back .....

Lin Yan didn't care but waved his hand and didn't even look at Night One and Mo Tianji, but walked to a stop two or three meters away in front of Lin Hao. Lin Yan smiled and looked at Lin Hao, 'You're my son, you're getting married, why can't I come?'

Boom ..... Shen Shi Yan's mind set off waves of shock, her eyes widened and she looked at Lin Yan, who looked very similar to Lin Hao's face, and then opened her mouth wide to look at Lin Hao .....

'Lin Hao, this ..... he...he's your father?' Shen Xiyan couldn't believe it and asked Lin Hao .....

## Super Son-in-law Chapter 623

Lin Hao stared at Lin Yan with a deadly stare, the last time he had dueled Lin Yan in front of the Lin Clan's ancestral home in Yanjing, he had realized that he was no match for Lin Yan at the moment! And Lin Yan was currently accompanied by Dao Yi, who was also Night One's master. And here in Tianhai City, which was also one of Lin Yan's old nests, Lin Hao now suddenly realized that Lin Yan was hiding very, very deep.

Lin Yan knew full well that Tianhai was now his Lin Hao's territory, and the combat sequence that Lin Hao had secretly trained for so many years was also in Tianhai City. But even so, Lin Yan dared to come and brazenly appear above his wedding! This caused Lin Hao's eye holes to shrink slightly, his eyes were incomparably heavy.

It was as if Lin Yan sensed the tension in Lin Hao, so he smiled at Lin Hao and said, 'Don't be nervous, you're getting married, you're my son, I'm here to see, how can it all make sense, right? Or do you want to talk to me here?'

Lin Hao took a deep look at Lin Yan and said, 'Lin Yan, you better be clear about what you're doing right now .....

Lin Yan laughed indifferently, and then he saw his eyes on Shen Xi Yan, Lin Yan carefully looked at Shen Xi Yan for a few times, and then nodded, 'Girl, you are beautiful, you are also excellent, welcome to marry into our Lin family.'

Faced with Lin Yan's words, but Shen Siyan didn't know how to reply for a moment, she also saw that Lin Hao's attitude was right at the moment. And just now, Lin Yan himself had said that he was Lin Hao's father, and Lin Hao hadn't denied it. So at this moment, facing Lin Yan's words, Shen Xi Yan could only smile awkwardly and nodded her head.

The eye Woody closed love steak service Lu looked at Lin Hao and Lin Yan is already rattled, people within the venue, all feel incomparably depressed. If Lin Hao is so strong, then how strong should his father be? Most of them were the ones who didn't know Lin Yan. But right now Ye Feiye Xiao Nuo a few of the top-tier families in Tianhai City were scared white, others didn't know, they knew ah. But they had been living in Lin Yan's shadow back then.

Lin Yan also smiled and nodded to Shen Xiyan, then looked deeply at Lin Hao and said disdainfully, 'Now you, you are still far from being able to bring me down ..... Work hard, I'll wait for you to surpass me .....

Lin Yan looked deeply at Lin Hao once again after he finished speaking, then turned around and walked away directly. Lin Hao looked at Lin Yan's attitude of leaving after he finished speaking and couldn't help but frown deeply.

Lin Yan came as he said and left as he said, as if it was really just like he said, today he was getting married and Lin Yan was just coming over to check it out, and no longer had any other purpose. It was just that Lin Hao instinctively felt that something was wrong, that Lin Yan was very wrong today, and there was not even a trace of hostility in Lin Yan's eyes when he looked at him just now. This was simply not possible in the past.

And right now it wasn't just Lin Hao, Lin Qingcheng was also the same, frowning deeply at the distant Lin Yan now. A month ago, she broke up with Lin Yan and was driven out of the house, and she had never seen Lin Yan again. And this time, she didn't expect to see him at Lin Hao's wedding, to see the father she now incomparably resented in her heart. Just her heart also felt a hint of something wrong, and suddenly Lin Qingcheng's mind recalled what Mo Lao had said to her last night, asking her how she felt about Lin Yan.

For a time, Lin Qingcheng watched Lin Yan's distant back and fell into contemplation.

Lin Yan left, but Dao Yi hadn't left yet. Dao Yi walked up to Lin Hao, looked deeply at Lin Hao and said, 'You are still a step away from us, this time I can help you, when you remember, there is no second time, you are not at that level, there are many things you will eventually feel powerless .....

Lin Hao bowed deeply to Dao Yi, 'Lin Hao, thank you for Senior Dao Yi's aid last night .....

Dao Yi waved his hand indifferently and didn't speak to Lin Hao anymore, but walked up to Night One and said, 'You're not even close, don't embarrass me! I'm no match for that old man Lin Yan. You can't even compete with his son? A humiliating contraption, hmm ..... 'Daoist One mercilessly scolded Night One in public.

Night One, however, lowered his head without daring to say a word, not even daring to look at Dao Yi. He was deeply aware of the terror of his master in front of him, a peerless ruthless man who was no less than Lin Yan.

Dao Yi also turned around after saying that, but after taking two steps, he paused his body and said to Night One without looking back, ‘Hehe, but your attitude of just daring to confront that old thing Lin Yan head on, I like it, keep it up and move forward, from now on, this world belongs to you young people .....’
