Super Son-in-law Chapter 624

Half an hour later, at the edge of a private airport on the outskirts of Tianhai City, Dao Yi stood side by side with Lin Yan, who was still looking at the direction where Lin Hao was holding his wedding. He'd kept that motion for a long time.

Dao Yi smoked a rare cigarette, one after another, until a pack of China was more than half smoked. Dao Yi looked ahead and said to Lin Yan, 'Old man, it's really time to go now, the burial of the Cherry Blossom Tear has been killed by you, I believe those guys from Lin Xiaoyun have already gotten the message, if you don't want them to send someone to the Heavenly Sea again, then let's hurry over and hold them back

Lin Yan disdainfully shook his head: 'Heh, just those few old turtles of theirs, they don't dare to come to China, if they don't step out of that Di Yi Wu Jai service Yi Ai step, I'm afraid they won't dare to step into China again until they die

Dao Yi's pupils contracted sharply at the words, and he looked mighty and slow, 'The person you're talking about? He he's still in Warsaw?' When Dao Yi said something about that person, there was clearly a hint of fear in his appearance.

Lin Yan's face was also somewhat dignified as he nodded, 'Well, he's always been there, but he's just been recovering from his injuries all these years. In that battle more than a decade ago, although he killed that person in the West, that person was on the same level as him, and that person's dying backlash wasn't so easy to take. But these past few years I have a vague feeling that he's almost healed, maybe he'll be born again soon, hehe

But no matter, whether we can come down from the Sacred Mountain alive or not is still a matter of opinion, we'll talk about it later. And with me gone, there's still a Jun Wu Jing over there holding back Hao'er has a long buffer against that man

Dao Yi nodded deeply at the words, his eyes complex to the extreme, with both worry and a hint of longing and anticipation. The yearning for their next level, height. But he understood that he shouldn't be able to reach that height in his lifetime, it was destiny. He was proficient in the arrival concept, he understood it well. Lin Yan had that hope, and that was why he had just admitted it to Night One himself at Lin Hao's wedding. That was what made Lin Yan stronger than him. It was just that Lin Yan was dragged down by those

people from the Lin Clan branch, and it was more than ten years, and after this battle, even if Lin Yan was still alive, he was afraid that his foundation would be so damaged that it would be almost impossible for him to go further...

After Dao Yi was silent for a long time, he spoke to Lin Yan and said, 'Actually, if you hadn't chosen that way back then, you would have had a chance to hit that level, and once you reached that level, no one in this world would be able to restrict you anymore

Lin Yan laughed and shook his head, 'How meaningless it would be to choose that way. What's the point of cutting off all your feelings in order to reach that level. And in this world ah, there are always things that need to be done even if you know it's not the optimal choice ah

Once the Word was heard, it was silent

In the next moment, Lin Yan took a deep breath and said with a smile, 'Alright, stayed long enough, time to go

after saying that, Lin Yan turned around and got on the private plane above the tarmac, no longer a trace of attachment, and no longer looking back. Just after turning around Lin Yan, the old, tired color on his body all gone, a king's dominance straight to the sky

Dao Yi also once again looked deeply in the direction of Lin Hao's wedding, where there was his lifelong, most excellent disciple, Night One!

'Kid, if I die, remember to inherit my dao lineage ah, don't lose to Lin Yan's son, or else I won't let you go even if I were a ghost

Go away, behave yourselves in the future, the future will depend on you ah

Dao Yi said with a smile in the direction of where Night One was, and turned around and also got on the plane.

He was just like Lin Yan, and the moment he turned around again, there was no more turning back. After turning around, some of the emotions in his heart were cut right off, and his entire body was sharp and unrelenting

Super Son-in-law Chapter 625

The wedding was over, Lin Hao and Shen Siyan's grand wedding was over. The people who watched the live broadcast of the wedding, whether they were on the spot or outside, were shocked by the wedding and felt deeply happy for Shen Suyan.

After today, I'm afraid that Lin Hao and Shen Suyan's wedding will be imprinted in the hearts of the people of Tianhai City for a long time. And this grand wedding, but also to this year Tianwu whisk closed er service whisk Luhai City's New Year, adding a beautiful scenery.

At the entrance of the wedding site, Lin Hao and Shen Shiyan, personally stood there, smiling and seeing off the guests who came to the wedding today, Lin Hao also put his foot down and personally came to see them off. Lin Hao's personal send-off suddenly made the crowd of elite executives in Tianhai City feel flattered, and even their impression of Lin Hao's great demon king was a little better.

Shen Suyan was incomparably ladylike as she stood beside Lin Hao, she was tall and dumpy, even in the cold winter, Shen Suyan was wearing her most beautiful wedding dress, standing at the door with Lin Hao.

Just more often than not, Shen Suyan's sight is secretly looking at Lin Hao's side face, looking at the side face of the man who is incomparably deeply in love with her, Shen Suyan just feels that Lin Hao is so handsome, so domineering, making her feel so secure

After finally sending off the last guest at the last table, Lin Hao saw Shen Xiyan staring at him, so he couldn't help but turn and smile at Shen Xiyan, 'What's wrong? Why are you looking at me like that?'

Shen Si Yan smiled and held Lin Hao's hand in her delicate jade hand, holding it tightly, 'Lin Hao, thank you, thank you for giving me such a romantic wedding, for giving me such a magnificent wedding, thank you, husband

Lin Hao smiled and looked at Shen Shi Yan, his eyes filled with favor, and said to Shen Shi Yan, 'Oh what are you saying, you're my wife ah, although you're a little naughty and a little headstrong. By the way, will you accompany me to the Leng family later?'

Shen Shi Yan shook her head deeply at Lin Hao and said, 'Today, can we not go to the Leng family? I want to be with you, let's find a place where no one is around, just the two of us, and it's our wedding day, so let's not do anything unpleasant today. Let's just be together, okay?'

Lin Hao looked at Shen Xi Yan for a while, he felt that Shen Xi Yan was right, today's Shen Xi Yan was so beautiful, dumping the city, a top-notch beauty, whether it was her face or her body. Lin Hao then realized that no matter how he looked at it, he was somewhat unable to see enough of Shen Siyan, of his own wife, who was a magnificent beauty. His wife was really, really beautiful, beautiful unlike any woman on earth.

Lin Hao nodded to Shen Siyan and said, 'Mm, good. Then let's go to our wedding room, I still have a few villas in Tianhai City, I have prepared one of the best for you, listen to you, today is such a beautiful day, we don't want anything, it's just the two of us together

Shen Siyan nodded her head in happiness, reached out and grabbed Lin Hao's arm, half of her body was attached to Lin Hao's body, full of happiness, her smile was so sweet, she just wanted to stay quietly by the side of this man right now, this silly man who had always been silent to her, but never openly, her husband Lin Hao.

At this time, a smiling Wang Shufen, Leng Qiuya, Gu Shengnan, Gu Yue as well as Lin Qingcheng and Mo Tianji, all walked over. The few of them looked at the loving lovers in front of them, the happy couple, and they were all incomparably happy. The outcome of this wedding was far more successful and more shocking than what they had imagined.

Yue Gu smiled and said to Shen Xi Yan, 'Xi Yan, congratulations, I'm sure you and Lin Hao, the two of you must still have a lot to say, so we won't bother you then ah. I'm taking Auntie and the others, as well as Sister Qingcheng, to my house ah, you two youngsters can stay by yourselves hehe

Wang Shufen smiled and looked at Lin Hao, how she looked at him, she felt that Lin Hao, her son-in-law, was really excellent, very excellent, far more excellent than she had imagined. She was incomparably satisfied. It was just that her own daughter, Shen Siyan, had hurt Lin Hao so many times. When she thought of this, Wang Shufen couldn't help but open her mouth and say to Shen Siyan: 'Siyan, Lin Hao is your husband, you can't be so capricious in the future, such a good husband, but you can't even find him with a lantern

Wang Shufen's tone was incomparably serious. She was really afraid that Shen Siyan would do something stupid again in the future, after all, Lin Hao is such a good man, I'm afraid Shen Siyan will never meet another one in her life

Super Son-in-law Chapter 626

Shen Siyan saw that Wang Shufen was serious and she also put away her smile. She recalled that when she first came to Tianhai City, Wang Shufen constantly advised her, desperately trying to persuade her, but she didn't listen, thus leading to those things that followed. Thinking of this, Shen Siyan bowed deeply to Wang Shufen and nodded her head, 'Well, I know mom, don't worry, I will never do anything stupid again, I will always stay by Lin Hao's side and stay with him

Wang Shufen nodded her head with a smile, and Leng Qiu Ya also looked at the pair in front of her with incomparable emotion, how could one look at them and think that they were the most perfect match for each other. She, Shen Siyan's own mother, also incomparably agreed with Lin Hao. All of these things that Lin Hao had done for Shen Siyan were even more incomparably touching to her heart.

Leng Qiu Ya nodded at Lin Hao and said, 'Hao'er, thank you, thank you for everything you've done for Xi Yan

Lin Hao smiled but his eyes were incomparably serious as he said to Leng Qiu Ya, 'Mom, I'm with Xi Yan, you don't need to say thank you, she was originally my wife, originally the wife I loved the most in my life. Don't worry, I will never let her suffer again in the future

Leng Qiu Ya nodded, looked deeply at Shen Siyan, opened her mouth but didn't say anything, but Leng Qiu Ya's eyes were moist, and tears were about to fall down.

The first thing you need to know is how to get rid of it. You are my own mother, although I hated you before, but this time when I came to Tianhai City, I realized that it's not easy for you for so many years. Don't worry, Lin Hao and I will take good care of you in the future

Shen Siyan said and pulled Lin Hao along with her and bowed to Leng Qiu Ya.

When Leng Qiu Ya heard what Shen Siyan said, she couldn't help but turn her head, tears still fell down. Wang Shufen hurriedly pulled Leng Qiu Ya towards the outside.

Lin Qingcheng was the last one to say goodbye to Lin Hao and Shen Siyan. The first thing you need to do is to take a look at the shoes you've been wearing. In the future, be sure to treat Xi Yan well and cherish this hard-won relationship of yours

Lin Hao nodded very seriously, 'Well, sis, I know, don't worry

'Well

Lin Qingcheng nodded and said to Shen Xiyan in a somewhat complicated manner, 'Xiyan, you'll know about our family later, it's very complicated, one or two sentences can't make it clear. But I, Lin Qingcheng, have only Lin Hao as my closest relative in this world. I'm sorry, but I'm not sure if I'm going to be able to do this. But he is kind-hearted and stubborn, that is, occasionally he will play some childish temper, such as this time, actually disguised as another person, to deceive you. Please don't take this to heart yet

Lin Qingcheng paused and continued, 'Lin Hao him, he has a very bitter heart. Our mother died early, and he's been growing up all these years by himself, so in the future, please, you, his wife, take care of him more, and take care of this fool who never thinks of himself, but only thinks of others, okay?'

Shen Xiyan's tears snapped as she listened to Lin Qingcheng's words. She had just met Lin Yan, Lin Hao's real father, at the wedding scene. It was just that scene, she only felt deep hatred from Lin Yan and Lin Hao, and that hatred was not like father and son at all.

And right now when she heard Lin Qingcheng's simple words about Lin Hao's past again, she felt very bad. Because the words that Lin Qingcheng said, Lin Hao had never said to her.

And now when she knew, only then did she truly understand that the man beside her, the man who had been going to pay for her, how bitter the heart should be, just like these two Ng Ng Ng Dyeing Shade Serving West times, Lin Hao was seriously injured every time, but never said it to her.

Shen Xiyan nodded heavily to Lin Qingcheng, seriously assured: 'Well, sister, I took note of it. In the future, I will stay by Lin Hao's side and try my best to be a good wife to him, to trust him and love him

Shen Xiyan said incomparably serious, her eyes red, tears in her eyes. Lin Hao turned his head and smiled at Shen Siyan, Shen Siyan held back her tears and smiled at Lin Hao as well, the eyes she looked at Lin Hao were filled with deep love, incomparably complex love, and a hint of heartache, the ultimate heartache

Super Son-in-law Chapter 627

At the entrance of the wedding venue, all the friends and relatives are gone at the moment. Only Lin Hao and Shen Shi Yan were left at the door

‘Hubby, let’s go too

’ said Shen Shi Yan who was incomparably happy to Lin Hao.

Lin Hao smiled and nodded his head: ‘Good, we are also leaving, going home, back to the home that belongs to us

’ Lin Hao’s hand, which was holding Shen Siyan, tightened some more, as if if he exerted too much force too lightly, this woman beside him would disappear, he really could not lose her anymore, after losing his wife, the woman he loved the most in his life

At the entrance of the wedding, Lin Hao held Shen Siyan’s hand and they slowly walked outside. When they came this morning, they were not holding hands, in the morning, it was Shen Siyan alone in her wedding dress, walking in front, with Lin Hao following behind. And this moment it was Lin Hao walking in front, with Shen Siyan happily holding Lin Hao’s hand and walking behind.

This picture was diametrically opposed to the picture of the two of them together in the morning. In the morning, Shen Siyan was desperate and sad, but now when they were walking, Shen Siyan was happy and joyful.

When Lin Hao was walking in front, Shen Siyan held his hand and followed behind with incomparable happiness. Being held by the hand of the man in front of her, Shen Siyan was looking at Lin Hao’s side from behind, incomparably happy

They held hands and walked to the wedding car parked at the entrance, and the car started, and they drove towards the villa that Lin Hao had bought. And the two people sitting in the car, their hands are also holding all the time, holding tightly

An hour later, Lin Hao brought Shen Siyan to the wedding room he had already prepared. The suburbs of Tianhai City, a particularly good scenery, where there is a white European-style villa, which is also very simple decoration, but at the moment the interior of the villa is very romantic, white romantic balloons filled the room, as well as white carpet.

After entering the door, Shen Siyan incredibly looked at the romantic and warm scene in front of her. Her fair fingertips slid a little bit over every arrangement in the house, and Shen Siyan was sizing up the house, while Lin Hao was standing across from her, smiling at Shen Siyan.

‘This will be the home of the two of us from now on, there is another villa behind this villa, Mom and the others will live there in the future, this house will be our private space from now on, it is our home, do you like it?’ Lin Hao chatted to Shen Xi Yan.

The first thing you need to do is to take a look at the house and see if it’s a nice house.’ Shen Ciyan said, suddenly her eyes turned to Lin Hao, looking at him with great affection. Shen Siyan’s eyes just reddened again.

‘Hm? What’s going on?’ When Lin Hao saw that Shen Xiyan was about to cry again, he quickly asked her worriedly.

Shen Xi Yan took a deep breath, the emotions that had just calmed down at the wedding scene, now rose again. All this Lin Hao had done for her behind her back, she couldn’t just forget so easily and just go over and not think about it. When she was at the wedding scene before, she had been holding back, but now when it was just her and Lin Hao, she couldn’t hold back any longer, she especially wanted to cry, but she just didn’t want the man in front of her to worry about her anymore, that’s how she held back.

Shen Xiyan looked deeply at Lin Hao, her eyes were filled with complexity. In this life she was able to meet this man, she felt that all the suffering she had endured in the past was worth it, as if her happiness today was a reward, a heavenly reward, for all the suffering she had endured when she was a child. When she was very young, her father Shen told her, don’t be afraid of the suffering in front of you, one day you will get a greater happiness, and now she believes

Shen Siyan stared blankly at Lin Hao and inhaled deeply, she could never have imagined that this man in front of her would be able to do that for her to such an extent that she didn’t even dare to imagine. How much should this man in front of her love himself? And now she thought, right in front of this man, at the very moment of Yanjing’s life and death, she had actually mentioned divorce to him! And this man in front of her also endured for her sake, I’m afraid that after that time he met with her, the man in front of her passed out

But when he woke up, for her sake, he destroyed the Gong family overnight. And when her own reputation in Tianhai City was stinking, it was again this man in front of her, who appeared behind her again and again. Gave her glory again and again, cleansed all the stains from her body, and then gave her the most exuberant wedding in front of the entire Tianhai City He did too much for her

At this moment when Shen Siyan heard Lin Hao's question, she moved her feet lightly and walked up to Lin Hao, reaching out her hand to undo Lin Hao's clothes, she wanted to see Lin Hao's injuries, her hand was trembling because this man's injuries were not even complete when he left from Nanjiang City.

Shen Siyan wanted to look at Lin Hao's injuries, but this moment was denied by Lin Hao. Lin Hao held Shen Siyan's hand and said with a smile, 'Don't look at it, it's all better, it's fine now

Lin Xi cover closed whisk er Lu Wu Shan hao not to speak okay, he this sentence has been said, Shen Caiyan's tears popped down. Shen Xi Yan stubbornly shook her head at Lin Hao: 'Let me see, I am your wife

Shen Xi Yan's eyes were filled with determination. Lin Hao took a deep look at Shen Xiyan, and when he saw that Shen Xiyan was stubborn, he could only nod his head. Shen Siyan incomparably carefully unbuttoned Lin Hou's shirt after receiving Lin Hao's consent, only for the next moment, after she saw with her own eyes the hideous scars and bruises on Lin Hao's chest. She was so frightened that she tightly covered her mouth. The heart was in distress to the extreme

Super Son-in-law Chapter 628

Shen Caiyan's tears couldn't stop falling, she looked up at Lin Hao with tears streaming down her face and said, 'You were so badly injured, why didn't you tell me that day? Why? It hurts, I'm sorry, sorry

Lin Hao was silent, closed his clothes, smiled at Shen Xi Yan, and stretched out his arms and hugged Shen Xi Yan, letting her head rest on his chest.

Lin Hao smiled and shook his head, 'It's okay Xi Yan, it's all in the past. And didn't we have a grand wedding today? Let's not talk about the unhappy things, so how did you like the wedding?'

Shen Jiyan nodded, then shook her head, biting her lips to keep her tears from falling, she looked up incomparably complex, with deep eyes and said, 'I like it, I like it very much. But why didn't you tell me earlier, in the morning when you went to pick me up, I didn't let you hug me ooooooh..... other people's husbands carry their brides to the car when they go to pick them up, and I haven't let you carry them yet, so it must be hard for you in the morning

Lin Hao shook his head, and after a meeting of silence, he put away the smile on his face and said seriously to Shen Xi Yan, 'Xi Yan, you're also very silly, and I know that you feel very, very badly. You put everything you want to fight on your own. Before I met with you that day, Night One told me everything. Actually it's me who should say I'm sorry, it's because I didn't protect you that you had to go through so much, so much, I'm sorry, wife

Lin Hao also took a deep breath and said incomparably complexly to Shen Xiyan. This silly woman in his arms, this silly girl, she obviously didn't have that much strength, but she still had to carry all the pressure on her own. This caused Lin Hao to be incomparably distressed as well. He had made many vows with the person who gave him a vow many times that he would never allow Shen Shiyuan to be wronged again in the future, and he would carry everything. But the reality turned out to be that every time, Shen Rengyan would be hurt, greatly!

Shen Xiyan, who was tucked into Lin Hao's arms, shook her head and stretched out her hand to wipe Lin Hao's tears. Smiling down at Lin Hao, he said, 'Honey, no matter how difficult it is in the future, I will never let you leave me again, I swear I will never separate from you again, never again

'Well, me too, I'll never part with you again in this life

 Lin Hao also nodded heavily to Shen Xi Yan.

In the next moment, Shen Siyan smiled and left Lin Hao's embrace and stood two meters away in front of Lin Hao. Smiling, she looked at Lin Hao and said, 'Hubby, am I beautiful?'

Lin Hao smiled and nodded his head, 'Well, beautiful, you're beautiful, very beautiful, you're the most beautiful woman in the whole world in my heart

 Lin Hao's words were incomparably affirmative.

Shen Xi Yan smiled incomparably happy, she was really very beautiful when she smiled, very beautiful, especially Shen Xi Yan who was wearing a white wedding dress today, her beauty was not even enough to describe it. And she was more than willing, more than willing to show her most beautiful side in front of Lin Hao, in front of the man she loved most in her heart.

'Honey, I miss you, will you carry me upstairs?' Shen Siyan was emotional, and a blush of happiness and a little shyness rose on her stunningly beautiful face.

Lin Hao smiled as he walked up to Shen Xiyan and bent down to pick up Shen Xiyan, who was wearing a white wedding dress, in a princess hug. The next moment Lin Hao hugged Shen Siyan, step by step to the upstairs, walking very, very slowly, Lin Hao a black suit, Shen Siyan that white wedding dress, on the ground dragging far, far away, Lin Hao hugged Shen Siyan, Shen Siyan is outstretched hands hugging Lin Hao's neck, incomparably happy

Pushing open the bedroom door, Lin Hao put Shen Siyan, who was wearing a wedding dress, gently on the bed, while Shen Siyan was still hugging his neck, and the next moment Lin Hao's body was on top of Shen Siyan, who was under Lin Hao, hugging Lin Hao's neck, and took the initiative to kiss Lin Hao's lips, incomparably deep

The first thing you need to do is to take a look at the newest addition to the list, which will be the first thing you need to do.

An hour later, Shen Xiyan, who was wearing a white nightgown and had long, bare white legs, was sitting next to Lin Hao. The Lin Hao beside her was now deeply asleep

Lin Hao fell asleep, he was so tired and exhausted these days, both physically and mentally. Now after everything was over, Lin Hao fell asleep. But even though Lin Hao was asleep, his face was still smiling and happy

The sleeping Lin Hao, his hand suddenly moved, as if he was looking for Shen Xiyan. When Shen Siyan saw this, she smiled incomparably happily and took Lin Hao's hand in both hands and placed it on her face, and when Lin Hao's hand touched Shen Siyan, his hand didn't move, and the smile on his face was even more

'Hubby, in this life, it's so good to have you here, sleep, you're too tired, sleep well, I'll stay here with you, stay with you, this life will never leave again' Shen Xiyan actually she is also very, very tired, these days she has experienced a lot of things. She was also very sleepy, but at the moment, she was more than willing to open her eyes and watch Lin Hao sleep, just quietly watching him

In the next moment, Shen Caiyan tenderly bowed her head and gently kissed Lin Hao's lips

Shen Caiyan's kiss was incomparably affectionate...
