

Super Son-in-law 634-638

Chapter 634

Mo Tianji didn't say anything, and the next moment Leng Qiu Ya's figure walked in through the door, and Leng Qiu Ya was also full of complexities. She had just heard Mo Tianji's words while she was outside the door, and she had witnessed those warriors that surrounded the Leng family, and at this moment they all started to withdraw, and when she came in, there wasn't a single person outside the door anymore. Lin Hao had really done it and spared the Leng family.

Leng Qiu Ya walked down the hall and looked at the crowd of Leng family members who looked exhausted to the point of exhaustion, but at the moment were all looking at her with hope in their eyes. The complexity in her heart grew even more, because, it was because she wanted to save these people, save this family. And having lost Shen Xiyan, I'm afraid that in this life, Shen Xiyan would never forgive her again. At this moment, Leng Qiu Ya didn't know whether it was worth it for her to do this or not

At this moment, after Leng Qiu Ya came in, Mo Tianji didn't pay any more attention to Leng Changjiang, nor did he look at the Leng family's crowd again. Instead, he turned to Leng Qiu Ya and said coldly, 'Leng Qiu Ya, we've done everything we promised you. But please, in the future, don't go looking for Miss Shen, I hope you will do it, if you go back on your word, even if my big brother won't touch you, I won't let you go, and those here today, all your family members that you care about! And all will die without a body!'

Mo Tianji pointed to a group of Leng family members in the hall to Leng Qiu Ya said, and when saying that they are Leng Qiu Ya's relatives zero steak Lu Yizha Yi Xi Ai two words, Mo Tianji deliberately increased the tone!

Buzz When Leng Qiu Ya finished listening to Mo Tianji's words, her body went limp and she almost fell to the ground. She now suddenly understood that after today, Shen Xiyan and Lin Hao would definitely never forgive her again. She had thought that the thing she cared about the most in her heart in her life was Shen Suyan, but when she learned that the Leng family crowd was facing death. She suddenly had more feelings for the Leng family than for Shen Suyan. Yes, she only had guilt and feelings for Shen Shi Yan, but after all, she hadn't even taken care of Shen Shi Yan for a single day in the past

twenty years. And the memories she had of being with Shen Shi Yan were only so many days

Leng Changjiang and Leng Feng, as well as the Leng family crowd, all looked up at Leng Qiu Ya. At this moment, they finally understood, understood why Lin Hao had let them go, it was all because Leng Qiu Ya had begged for it. And just now, they also heard Mo Tianji's last words, I'm afraid that Leng Qiu Ya had completely angered Lin Hao in order to beg him to let them go.

After Mo Tianji finished speaking, he turned around and left, but when he reached the door, he suddenly paused again, then turned around and returned to the living room, walked to the dumbfounded Leng Xue'er, squatted down and said to Leng Xue'er, 'Miss Leng Xue'er, you're different from the rest of the Leng family. Even if this doesn't happen today, we won't be embarrassed by your lineage. You are very kind, and Miss Shen likes you as a sister. But please don't contact Miss Shen again in the future, she has no connection with your Leng family from now on !Understand?'

Leng Xue'er's heart trembled at the news, as if she had lost some of her most important brothers. In fact, she had felt it before, the last time Lin Hao came over with Mo Tianji, Lin Hao and that glance of Lin Hao she knew that she would be fine.

So when now Leng Xue'er heard Mo Tianji's words, there was only complexity in her heart, deep complexity. These people of the Leng family are staying, but it would be better to destroy the Leng family on this and then build a new one, this family is too cold ah

Leng Xue'er incomparably complex nodded to Mo Tianji, 'Mm, I've written it down

'Mm

Mo Tianji nodded without expression, turned around and walked out.

'Mr. Mo, please wait a moment

Just as Mo Tianji was about to reach the door, Leng Xue'er suddenly called out to him.

'You still have business?' The next moment Mo Tianji frowned and turned his head, some disgusted stare at Leng Xue'er, the eyes do not have a trace of emotion, full of disgust with the distance

Leng Xue'er looked at Mo Tianji that kind of look, it was exactly the same as the last time Lin Hao came to the Leng family and looked at Leng Feng Leng Changjiang. Leng

Xue'er was stunned, and shook her head incomparably bitterly, 'It's fine, thank you Mr. Mo, I won't bother Sister Xiyan in the future, I promise

Mo Tianji didn't stop any longer and directly left the Leng family. On the way out, Mo Tianji's heart was also full of anger and rage

Leng Xue'er looked at Mo Tianji's distant back, and the complexity in her heart intensified. In fact, just now she wanted Mo Tianji to bring a message to Shen Xiyan, just three words, sorry. She, Leng Xue'er, wanted to say sorry to Shen Shiyan on behalf of the Leng family, it was what the entire Leng family owed her. But when she saw the disgusted look in Mo Tianji's eyes, she knew there was no need, from now on, their Leng family's biggest apology to Shen Suyan, if they wanted to apologize, it was to stop bothering Shen Suyan

Just wait until Mo Tianji left, when all the Leng family members, were incomparably grateful to look at Leng Qiu Ya. Leng Xue'er's eyes, however, had an extra hint of strangeness towards Leng Qiu Ya

Chapter 635

'Is it worth it? Auntie, is this really worth it? Is someone like Leng Feng worth saving for you?' Leng Xue'er looked at Leng Qiu Ya silently said, she is more than willing Leng Qiu Ya to the Leng family regardless, because the Leng family, this kind of family, this kind of profit-oriented family, where is there any affection ah, where is ah

'Aunt, aunt, thank you, thank you, thank you

crazy Leng Feng, after seeing Mo Tianji leave and knowing that Lin Hao had spared the Leng family, he hurriedly crawled under Leng Qiu Ya's legs and hugged Leng Qiu Ya with endless gratitude.

Leng Qiu Ya's body trembled a few times, but didn't say anything. She was currently enjoying the grateful eyes of dozens of people in the Leng family, and every single Leng family member who looked at her was grateful to her, all treating her like a savior. Only Leng Qiu Ya only had silence at this moment, no one knew what she had gone to in order to keep these people of the Leng family.

Leng Changjiang, who was sitting across from Leng Qiu Ya at this moment, looked at Leng Qiu Ya with incomparably complicated eyes as well. Who was Leng Changjiang? He has been floating in the heavenly sea city where shopping malls are like battlefields for hundreds of years. People are old and sophisticated. Other people could not imagine how much Leng Qiu Ya had paid to keep them, but he was the one who knew.

But it was precisely because he knew that Leng Changjiang's heart was even more complicated, he never expected that Leng Qiu Ya, who had been kicked out of the house and neglected by himself for more than twenty years, would actually come forward in the ultimate life and death situation of the Leng family! Having saved them, regarding Leng Qiu Ya's choice, it wasn't that he Leng Changjiang hadn't thought about this possibility. It was just that he deeply knew how he himself had been treating Leng Qiu Ya for so many years. That was why his heart was deeply shocked right now when Leng Qiu Ya had chosen so.

'I'm sorry, I was wrong

after Leng Changjiang looked at Leng Qiu Ya for a while, these words came out of his mouth, this was the first time in his life that Leng Changjiang said sorry to someone, and the first time he bowed his head to Leng Qiu Ya.

More than twenty years ago, Leng Changjiang had forcibly separated Leng Qiu Ya from Shen Congwen with one hand. Then he brought Leng Qiu Ya to Tian Hai City and imprisoned her for over twenty years! After finding Shen Xiyan some time ago, he even forced Shen Xiyan to marry into the Gong family! And it wasn't until this moment that he, Leng Changjiang, really knew that he was wrong

Leng Qiu Ya didn't say anything, just stared blankly at Leng Changjiang, looking deeply at him. This was her real father! Her own father, who had been very strict with her since she was a child! The indifferent father who instilled in her from a young age that the family's interests were above all else! She had been terrified of Leng Changjiang since she was a child, and even more so since she grew up and wanted to escape from Leng Changjiang's control all the time.

And just yesterday, after she learned that Lin Tian was Lin Hao, she understood, she understood everything, why the Gong family that had suppressed the Leng family for so many years would be wiped out overnight, and she also understood what would happen to the Leng family that had forced and humiliated Shen Xiyan. She had thought that the annihilation of the Leng Family was what she wanted to see. But in the end, she realized that she couldn't just stand by and watch the Leng family wiped out, watch Leng Changjiang die! Even if she has hated Leng Changjiang in her heart all these years, even if this

Right now when Leng Qiu Ya looked at Leng Changjiang's apologetic eyes, she was incomparably complicated. It was in front of her that the closest man to her, her own father, had given her life and ruined her life. In fact, there were times when Leng Qiu Ya also thought that if she hadn't been so capricious twenty years ago, but had listened to

Leng Changjiang's words and gone to marry Gong Haiyang, if she had actually married Gong Haiyang in the first place, then would her life definitely not have been happy?

In the beginning, she was the number one beauty in Tianhai City, and Gong Haiyang loved her to his bones. Otherwise, she wouldn't have grown to hate her later out of love, and suppressed the Leng family for over twenty whole years after Gong Haiyang took charge of the Gong family! So maybe if she did marry Gong Haiyang in the first place, maybe a lot of the things that followed wouldn't have happened. And was Leng Changjiang wrong? Although Leng Changjiang is unsympathetic, but all of his efforts are laid on the development of the Leng family, the interests of the Leng family above all else, he can give up everything, even his own life, as long as the Leng family can grow and develop

And now the stubborn Leng Changjiang, who had been stubborn for a lifetime and was all proud, said to her right now that he was wrong. Leng Qiu Ya stared at Leng Changjiang: 'No, you're not right, the one who might be wrong is me. If I wasn't so capricious in the beginning, then Xi Yan's childhood would not be so miserable everything was my caprice

Leng Qiu Ya said, tears snapped and fell, now when the Leng family members in the hall saw Leng Qiu Ya's look, they also quieted down, none of them spoke again, just quietly looked at Leng Qiu Ya and Leng Changjiang.

Leng Qiu Ya didn't know that she would attract the resentment of Shen Xiyan and Lin Hao by pleading for the Leng family today, how could she not know ah. She knew all along in her heart ah.

There was actually another most important reason in her heart that she hadn't told Lin Hao and Shen Xiyan at Lin Hao's villa today. That was when she had learned yesterday at Lin Hao's wedding that Wang Shufen had been able to go to the Tianhai Group alone for the sake of Shen Suyan, to go to her death against the then Lin Tian! Wang Shufen's approach made Leng Qiu Ya deeply moved. Because she didn't even do what Wang Shufen did to that extent

But Wang Shufen this Shen Xiyan's adoptive mother, but also has been bad for Shen Xiyan's adoptive mother, are able to do that step for Shen Xiyan go

Chapter 636

At that time ah, Leng Qiu Ya understood that the role of Shen Xi Yan's mother ah, Wang Shufen was more suitable than her. She, Leng Qiu Ya, no matter what the reason was, had perfectly missed Shen Xi Yan's upbringing anyway. And now that Shen Suyan has grown up and married the powerful Lin Hao, then how can she, the sudden appearance of her mother, have the face to deprive Shen Suyan of the mother-daughter love of Wang Shufen, her own mother just gave birth to Shen Suyan, but not a day to raise her ah

Leng Qiu Ya understood and if it wasn't for her appearance, it wouldn't have brought such a great calamity to Shen Xi Yan. Because of her appearance, she almost ruined Shen Xiyan's life as if it was a magic spell. The moment she got close to Shen Xiyan, she would bring pain and disaster to Shen Xiyan

And she couldn't be too selfish, she hadn't appeared by Shen Rengyan's side before, so she wouldn't appear by Shen Rengyan's side in the future, and she was satisfied that she had seen Shen Rengyan gain happiness with her own eyes

Leng Qiu Ya didn't go to talk to Leng Changjiang about all of this, and Leng Changjiang didn't ask. At this moment Leng Changjiang even if he knew that the Leng family would not be destroyed, but the spirit in his heart has been extinguished, looking back on this life, Leng Changjiang suddenly found that in the end he had nothing, yes, nothing, no matter how much power, no matter how much money, in the end it was all an empty

Yes, the Leng family's foundation has all been lost, and I'm afraid that those people from the Ye family and the Xiao family will come to the door later. Lin Hao spared his Leng family, but all of his Leng family's foundations had already been divided up among the big families in the Heavenly Sea

The Leng family crowd in the hall were all rejoicing, all celebrating the robbery. It was just that Leng Changjiang was in a daze, he was regretting, truly regretting, that he had given up on family and love in his life, he had even deprived his children and offspring of their lives, but in the end, he found it to be a void, an empty

Leng Changjiang looked at Leng Feng, who was lying on the ground, looking like a madman. He suddenly felt that this grandson, the heir to the Leng family, the future head of the Leng family, whom he had cultivated with all his might, was so strange, so strange that he felt frightened.

‘Am I wrong? Yes, I was wrong, and if there was an afterlife, I wouldn’t have chosen that, but is there still a chance? Any more?’ Leng Changjiang incomparably pained and closed his eyes, two cloudy tears flowing from the corners of his eyes

Tapping Just at this time, suddenly outside the door of the Leng family hall, a group of people walked in, the first family of Tianhai City, Ye Fusui, the head of the first family, Ye Fusui, the second family, Xiao Xiao, the head of the second family, Xiao Nuo. The fourth family Bai family’s head, Bai Hang. There was also Gu Shengnan of the second-rate top family, Gu Shengnan, and they four people joined forces to come before Leng Changjiang. The one worth mentioning here was Gu Shengnan, now the Gu family had been recognized by the Ye family, the Xiao family, and the Bai family, as the new fourth top-tier family of Tianhai City!

And just now it was Gu Shengnan that Ye Feiye personally went to find, and then called Xiao Nuo and Bai Hang to come to the Leng family together, looking for Leng Changjiang. Some things that Lin Hao can’t do, they have to come and deal with

And originally heart also to Leng Qiu Ya this, at the moment when he came to the Leng family hall, when he saw Leng Changjiang and Leng Qiu Ya, he suddenly frowned deeply

Because he looked at Leng Qiu Ya, he sensed that this morning’s matter was probably not that simple

Chapter 637

‘Leng family master, we are here, as for what we are here for, you should understand
‘Ye Feiye took a deep look at Leng Changjiang who was sitting on the throne, and there was also a hint of complexity in the depths of his eyes. Leng family ah, if it is not Leng Changjiang go ground zero love to pick up the west to love the wrong step in that step, but to welcome Shen Shiyan back to the Leng family, more affectionate words, then in the future, the first family in Tianhai City is definitely not his Ye family, but the Leng family

After all, behind Lin Hao was the thousand-year-old warlord Lin Clan located in Yanjing! Lin Hao was going to leave Tianhai eventually, and this place in Tianhai was not Lin Hao’s home, so if the Leng family was good to Shen Shiyan, then the Leng family’s future position in Tianhai City was definitely not something that his Ye family could compare to. It was just that in the end, Ye Feiye was also incomparably sobbing. So right now he looked at Leng Changjiang, his eyes filled with complexity.

Such as Leng Changjiang, Gu Shengnan such as the great barons from the outside, those who can fight in the Tianhai to such an extent, are top figures, true barons, while like his Ye family, Xiao family, Bai family, as well as the exterminated Gong family, are all local families born and raised in the Tianhai, they must naturally gain more advantages than these foreign families. Ye Feiye himself admitted that if not for the accumulation of several generations of the Ye family, with his own words, he wouldn't have the slightest confidence that he could win against such characters as Gu Shengnan and Leng Changjiang

So at this moment, after witnessing the end of Leng Changjiang's generation of barons, he, Ye Feiye, was also incomparably saddened and sobbing.

Leng Changjiang slowly opened his eyes and nodded to Ye Feiye, 'Well I understand, the Leng family is bankrupt, the rest of me will not be strong and there is no need. Then I'll let people fully cooperate with the handover of all of you, and the four of you can rest assured that I will cooperate' Leng Changjiang said calmly, as if it wasn't his family's property that he was talking about. The company has been in the process of developing the new product for the past two years, and has been working on the development of the new product for the past two years.

When Ye Feiye heard Leng Changjiang say this, the complexity in his eyes became even stronger. Leng Changjiang this character, and a few of them have fought all their lives, although they are enemies in the mall, but after all, we have all dealt with half a lifetime, at the moment, looking at the end of Leng Changjiang, personally handed away their own life's hard work to fight for the industry, Ye Feiyue incomparably complex.

The next moment Ye Feiye took a deep breath and said to Leng Changjiang: 'Leng family master you can rest assured, your project we will absolutely carry on. And you personally, including the rest of the Leng family, I will each leave you ten million, so that you will not be embarrassed in the future

After Ye Feiye finished speaking, Xiao Nuo and Baihang also nodded with a glance, 'Well, we also offer 100 million

Leng Changjiang's eyes fluctuated slightly, well, just slightly that much. He looked deeply at the few people in front of him and said with some gratitude in his eyes, 'Thank you

After Leng Changjiang finished speaking, after a moment of silence, he said to Ye Feiye, 'Master Ye, then may I ask, will we still be able to stay in Tianhai City in the future ?

After all, we've been here for almost our whole lives ah can we still stay?' Leng Changjiang's voice was incomparably hoarse as he uttered these words

Ye Feiye was silent at the news, he hadn't received any instructions from Lin Hao. But he was the one who understood, Lin Hao absolutely did not want Leng Changjiang and the Leng family to still be in Tianhai City in his heart! It would also be awkward if they ran into each other later.

Ye Feiye didn't say anything, but just silently looked at Leng Changjiang, and now Leng Qiu Ya was still standing on the side. Leng Qiu Ya's identity was also very sensitive, after all, even if Lin Hao hated Leng Qiu Ya now, Leng Qiu Ya was also Shen Shi Yan's own mother. And who could say what would happen in the future? What if Lin Hao forgave Leng Qiu Ya again? So at this moment Ye Feiye didn't say anything.

Leng Qiu Ya saw Ye Feiye's silence and she understood in her heart. She was a bit reluctant, and finally took a deep look at the Leng Family's hall, opened her mouth, and was just about to speak when she was interrupted by Leng Changjiang.

'Master Ye, our Leng family has no foundation in Tianhai City anymore, there were too many enemies made in the past, I'll pack up and leave tomorrow and go back to our southern hometown, hey people are getting old ah, I guess I won't come back in the future

Leng Changjiang took the initiative to speak, he also realized that the question he just asked was very sensitive, so in order not to embarrass everyone, he simply opened his mouth himself to set the tone.

The Leng family's crowd was incomparably complicated at the news. The words that Leng Changjiang had just said were meant for Ye Feiye and a few others, as well as for Lin Hao. But even more so, it was said to them, the children of the Leng family, meaning that if they lost the Leng family's protection, they would no longer stay in Tianhai, and Tianhai City would no longer have a foothold for them from now on!

'Mhmm, let's go, we're leaving, we're leaving tonight, we're leaving overnight, that Uncle Ye, when will the money you gave us arrive ah? I'll take the money and leave right away, I swear, I swear, I'll never come to Tianhai again in my life, I swear

Leng Feng listened to the conversations of several people in the hall and understood the seriousness of the situation. He now wanted nothing after experiencing a few days of despair and waiting for death, what Leng family, what family, what power? He doesn't want it all, he just wants to live, live, he really doesn't want to die, he doesn't want to die

Just the next moment, Ye Feiye's words made Leng Feng fall like an ice cave. Ye Feiye looked at Leng Feng like a fool and slowly said, 'No, Young Master Leng, you may have misunderstood, all the people in the Leng family can leave, they can leave, but you can't you can't leave

Leng Feng's face changed dramatically at the news, and cold sweat instantly flowed down his body. He somewhat frantically asked to Ye Feiye, 'Why? Why? Why can't I be the only one? Why can't I be the only one? I swear I don't want the Leng family anymore, I'm going to hide far away from here, I'm going abroad, right I'm going abroad, I'm not coming back for the rest of my life, okay?' Leng Feng was incomparably afraid, he was afraid, he really didn't want to die, he really wanted to live

Don't say that Ye Feiye and the others left any money for the Leng family, even if they didn't leave any money for the Leng family, but he, Leng Feng, was originally a highly talented student, wanting means, heart and mind, and ability. As long as he was still alive, then he would be able to make a comeback again, and he was still alive, he even had dozens of plans in his heart for a future comeback just after Mo Tianji had left, and as long as he was alive, there was nothing he couldn't do

Ye Feiye looked deeply at Leng Feng and sneered, 'Heh Leng Da Shao what you have done yourself, don't you know? Do you still want me to point it out to you?' Ye Feiye thought of what Mo Tianji had just said to him at the Leng family's front door, anyone in the Leng family could leave, but only Leng Feng couldn't, Leng Feng had to die!

Chapter 638

After Ye Feiye finished speaking, Leng Changjiang who had wanted to open his mouth to plead with Leng Feng. At this moment, some despair closed their eyes, Leng Changjiang, Leng Feng did those things. After Leng Qiu Ya went to Nanjiang City, personally chased to Nanjiang City and captured Shen Xi Yan, and then later went to Shen Xi Yan's company when it opened, and then went to Shen Xi Yan's company to make trouble, at the Leng family banquet all kinds of insults Shen Xi Yan, and finally even released a reward on the dark web, so that people can throw dirty water etc etc, so to speak, Shen Xi Yan suffered so many injuries in the Heavenly Sea, even if it's not all because of Leng Feng, but he Leng Feng is the one who has been performing on the front line

With Lin Hao's anger, he was able to annihilate the entire Gong family overnight for Shen Xiyan! That now, even with Leng Qiu Ya's plea, Lin Hao let the Leng family go, but he Leng Feng was not able to. If Leng Feng didn't die, the anger in Lin Hao's heart,

and all the grievances that Shen Xi Yan had suffered in the Leng family, wouldn't be released! So Leng Feng must die!

At this moment, Leng Feng listened to Ye Feiye's words and took a few crazy steps backwards, he naturally knew what Ye Feiye was talking about. It was just when Ye Feiye said that the Leng family could all leave. He thought that Lin Hao had forgotten about him. But he didn't think that Ye Feiye had forgotten him at all

Leng Feng hurriedly looked towards Leng Changjiang to ask him to plead for mercy, but he realized that at the moment Leng Changjiang was closing his eyes and not paying any attention to him. In the next moment Leng Feng looked at Leng Qiu Ya again, and he understood that the only one who could save him at this moment was Leng Qiu Ya.

Leng Feng hurriedly kneeled in front of Leng Qiu Ya with a bang, one after another, he gave Leng Qiu Yan a fierce kowtow, the force was so great that just the first time he knocked his head out of blood, but Leng Feng was in front of death, he simply couldn't care about the pain in his head, he just frantically kowtowed to Leng Qiu Ya while praying to Leng Qiu Ya, 'Aunt, Aunt save me ah, I really know it's wrong ah, Aunt save me, save me, I beg you, I'm your Feng Er ah, I'm your Feng Er that you grew up watching, I really know it's wrong ah, I really know it's wrong ah, please, save me, save me

The blood on Leng Feng's face mixed with the tears flowing downwards, the whole person was miserable to the extreme. All the people in the entire Leng family could live, but why not him? He's the best person in the entire Leng family, he's the ah, and he's also known as the heavenly sea pair that can compete with Ye Wushuang in Tianhai City ah, he doesn't want to die like this ah

Leng Qiu Ya looked at the incomparably pitiful Leng Feng, and the softness in her heart also moved slightly. She knew exactly what Leng Feng had done, and she also knew how much harm Leng Feng had brought to Shen Xiyan. But right now, looking at Leng Feng like this, her heart was a little intolerant again, Leng Feng was right, she really had watched Leng Feng grow up since he was a child. Because her child wasn't around in the beginning, so many times she had even treated Leng Feng as her own child.

Right now, watching Leng Feng will die, watching Leng Feng begging her like this. Her heart was touched, and in the next moment Leng Qiu Ya turned her head to look at Ye Feiye and opened her mouth just as she was about to speak and open her mouth to plead for Leng Feng's mercy.

Gu Shengnan sighed deeply and walked directly opposite to Leng Qiu Ya, blocking the sight of Leng Qiu Ya, blocking the sight of Ye Feiye, the next moment Gu Shengnan's eyes were determined to look at Leng Qiu Ya and shook his head at Leng Qiu Ya

Er dye whisked to shade the ground West Zero Leng Qiu Ya watched Gu Shengnan shake his head at her, and she instantly understood. Gu Shengnan was all out, then she knew that she really couldn't keep Leng Feng.

Leng Qiu Ya turned her head to look at Leng Feng who was kneeling in front of her, her face incomparably complex and shook her head: 'Feng'er, I'm sorry, you did something wrong, even if aunt can forgive you, but others will not forgive. Also blame me for not teaching you well

When Leng Feng heard Leng Qiu Ya's words, he despaired, his entire body was dazed, and he didn't kowtow to Leng Qiu Ya at this moment. He was dumbfounded for a while, suddenly he got up and ran madly outside, just now he has discovered that the people who surrounded the Leng family outside have already withdrawn, he is still in a hurry to run, just what he did not find is that for his escape run, whether it is Ye Feiye or Gu Shengnan, did not go after him, just let him run out.... ..

Leng Feng saw no one coming after him, he was relieved, and accelerated again to run outside, there is an underground garage of his, there is a limited edition sports car, he only needs to run there, he will escape out of the heavenly sea in his car, although he will face the hunting of Lin Hao's men later, but he Leng Feng still has his own forces outside, he is confident that he can escape

Soon, three minutes later, Leng Feng ran to the underground garage inside, he also saw parked in front of him, always filled with gas sports car, his face ecstatic

'Lin Hao, Shen Xiyan, you guys wait, when I escape from here, you won't be able to find me again, and then you'll wait for my endless revenge!!! I will kill you all, definitely, definitely!' Leng Feng was screaming hysterically in his heart, the resentment in his eyes was getting thicker and thicker, the tyrannical killing intent in his body was getting stronger and stronger, but just as Leng Feng was about to open the door and get into the car, suddenly poof, a black dagger stabbed in from his back, the shining black tip of the dagger with red blood, coming out of his front chest... ..

'Er poof 'Leng Feng stopped reaching for the door and opened it, but was stunned and filled with incredulity as he looked at the dagger that penetrated through his chest. He was filled with incredulity and disbelief, because just now when he was running

away, there was obviously no one behind him to chase him, so now how could he, how could he be killed ?

In the next moment, when Leng Feng turned his head in great confusion, he saw a face he was somewhat familiar with, it was the same Lin Hao's driver he met half a month ago when he was chasing after Lin Hao after he forced Shen Xiyan to divorce Lin Hao, and also the terrifying killer he feared the most these days who was protecting Shen Xiyan's side ---- Night One!!!!
