## Chapter 649

The time went back to 5:30 in the morning, last night a private plane that was flying from Western Europe to Warsaw. Inside that luxurious plane, there was a high-grade soft bed on which Mo Lao was lying, he had been put on a plane to the sky and sea yesterday after being knocked unconscious by Lin Yan, Lin Yan would not let Mo Lao stay behind.

At this moment, Mo Lao's fingers moved and the next moment he was awake, only the moment Mo Lao opened his eyes, a tear fell from his cloudy eyes. He opened his mouth, but found the room empty, and when he looked out the window, he found that he had arrived in Warsaw. Mo Lao's heart was incomparably complex, and there was a hint of pain.

'Little Yanzi, I know you're doing this for my own good, but I'm staying, even though I'm not an Innate Master, I can somewhat help you, can't I? If it's just you and Doichi, are you really sure? Are you leaving me with the hope of survival? But if you guys die, even if I'm still alive, what's the point of ..... waiting for Lin Hao to break through that level? But, how long would that take ah, how long would that take ah, it took you several years to break through that layer, when Hao'er breaks through, then will I ..... still be alive? Will I be alive then? I'm getting old ah, death is not enough ah ..... 'Mo Lao looked out the window, his heart was incomparably complicated and sad.

How did he not know that Dao Yi joked with him sarcastically, just to make him retreat? And Lin Yan went even further, he directly knocked him out, and when he woke up again, he was about to arrive here in Tian Hai. And Lin Yan had already arrived at that secret base, no one knew when Lin Yan would act, neither did he, Mo Yuntian, and now he could only do nothing.

The Holy Mountain of Lin's branch, which was considered the second Lin, was when Lin Yan's father, Lin Zhantian, was in charge of the Lin family. That Sacred Mountain already existed and was massive, the Lin Clan's largest base outside of Yanjing. It was also the base for the Lin Yi Servant Wu Wu Shizhandi West Clan's foray into the Western World, and the heritage there was naturally extraordinary. And that had always been the Lin Clan's branch's home base. Over the years, the Lin Clan's main lineage had become weaker and weaker, especially before the founding of the country, and all the

great families of Huaxia had suffered the devastation of war. This led to the Lin Clan branch lineage growing overseas, and by Lin Yan's generation, those in the Lin Clan lineage finally had the ambition to turn against their guests .....

In fact, the people Lin Hao cared about in the beginning in Yanjing, Lin Zai Tian and Lin Jiuyin, weren't even considered the core of the Lin Clan branch. The core of the Lin Clan's branch had always been overseas, had always been in Western Europe. And this was the fundamental reason why Lin Yan had always let Lin Jaitian Lin Jiuyin go regardless, because Lin Jaitian and the others were just some small shrimps. Lin Xiaoyun Lin Xiaohu Lin Fengyun those branches old and immortal, the position of the Lin main lineage will not be solid, the inheritance of thousands of years of Lin's ancient valve will not go to the middle .....

So if you look at it from here, Lin Yan's horizons are much bigger than Lin Hao's. What Lin Yan cared about and had always targeted the layout had always been the Lin Clan branch that was far overseas. Of course this was why Lin Hao had left the Lin Clan since he was a child, this was not clear to him at all. And all these years, in order to stimulate him, Lin Yan had deliberately drawn his hatred towards himself. And similarly, Mo Yuntian, who had been secretly helping Lin Hao all these years, had not revealed the slightest bit to Lin Hao, so it led to the fact that Lin Hao had thought until now that all he needed to deal with was Yanjing's Lin Zai Tian and Lin Jiuyin and a few others .....

And now, Lin Yan had been in hiding for over a decade, even though he had advanced to Gestalt Innate ten years earlier. But he still hadn't launched, but had been laying out his plans and had been secretly building up his strength. And, when Lin Hao went north to Yanjing to fight him once. Only then did Lin Yan put his heart down somewhat. He had carried on for more than a decade, spurned by his own mother, despised by his own sons and daughters, and disdained by the world. He was already tired. So this time he brazenly went to the West after Lin Hao's wedding, ready to come to an end with those old undead of the Lin Clan branch!

Mo Yuntian was incomparably miserable at the thought. He hated, he hated that he didn't have the strength to help Lin Yan. He couldn't follow Lin Yan to kill his way up the Sacred Mountain. He was seriously injured in that battle over a decade ago, and although he recovered later, his body was somewhat deficient, and for so many years, although he kept sprinting towards that level, he was still unable to succeed.

And this time, the only innate warriors on Lin Yan's side were Lin Yan and Dao Yi. On the other side, there were at least as many as four or five Innate Clerics on that Sacred Mountain. Mo Yuntian's heart was incomparably anxious, after all, under an Innate

Master, even if it was a top killer or a top warrior, against the existence of an Innate Master, it would basically be hopeless .....

‘Hey ..... Lin Yan, Lin Yan, what are you doing with your life again? Don’t die, don’t die ah, live, I’ll wait for you to live, I’m old, I can’t keep Lin Hao, can’t keep ah ..... you said that the Yanjing’s Gestapo has no regrets. How can this old bone of mine resist, you really think too highly of me ..... I can’t carry it ..... ‘Mo Yuntian incomparably sighing, heart has endless loss, endless emotions .....

‘Have you reached the Heavenly Sea, O Heavenly Sea, I’m back again .....’ at this moment the plane had started to drop altitude, descending to several hundred meters, as it had reached the Heavenly Sea, and there were still more than ten minutes before it should land. At this moment, as the plane’s altitude decreased, Mo Lao was able to clearly see the well-known tall buildings in Tianhai City.

## Chapter 650

At that moment, Mo Lao’s private jet suddenly flew over the Tian Hai Group where Lin Hao was. Right at that moment, Mo Lao suddenly saw a figure standing on top of the roof of the Tian Hai Group, that figure was emitting a monstrous Qi rolling up all around him, of course that Qi was invisible to Mo Lao, but he could feel it, Mo Lao was as if he was seeing Lin Yan at this moment. The person right now his momentum is so much like Lin Yan, so much like .....

And the next moment Mo Lao saw the face of a human figure, it was Lin Hao!!! Boom ..... For a moment, when Mo Lao saw clearly that it was Lin Hao, he was in a state of shock!!! Because right now Lin Hao was giving him the exact same feeling as Lin Yan! Lin Hao has been promoted to Supreme Innate! And looking at that momentum, the path that Lin Hao was walking was not an ordinary innate path.

Buzz ..... Suddenly, without any warning, Mo Lao after seeing Lin Hao advance to Gestalt Innate. He couldn’t hold back the tears in his eyes. At this moment, the tears in Mo Lao’s eyes were wildly flowing down .....

‘Well, well, well ..... when father met his greatest calamity, son biased to advance at this moment! Yes! Yes, yes, yes! Hahaha, hahahahaha ..... ‘Mo Lao suddenly laughed wildly with a snotty nose and tears. The momentum on his body was wildly stirring .....

And now Lin Hao, who was standing below the plane, vaguely felt a momentum fluctuation above his head. Then the momentum on his body was also violently drawn, and in the next moment, the Gai Qi on his body went straight into the clouds, and even the clouds above his head were scattered a bit. Lin Hao gazed up at a plane that flashed past his line of sight, Lin Hao frowned, he vaguely sensed a very familiar scent on that plane .....

At this moment, Mo Yuntian on the plane was thrilled beyond words and was teary-eyed with excitement. Lin Yan and Dao Yi were about to kill their way up to the Sacred Mountain, and this time, their lives and deaths were uncertain, and their future was dangerous to the extreme. And off to the side, at this moment, Lin Hao forcefully advanced to Gestalt Innate!!!! Is this a coincidence? No, it's not, it's a thousand years of Lin's luck!!!!

'Heaven will not die my Lin's ah .....' Mo Yuntian suddenly shouted excitedly at the sky outside the window. Old tears, how many years has it been, how many years has it been since he, Mo Yuntian, has not encountered such a touching .....

This is the will of God, this is the will of God .....

Mo Lao was shedding tears, his heart incomparably lamented.

The next moment Mo Lao hurriedly shouted at the door, 'Quick, quick, speed up the landing, after landing, just send me to the Heavenly Sea Group, with the fastest speed, quick .....

Mo Lao was anxious now, he quickly took out his cell phone to call Lin Yan. But he couldn't get through, Lin Yan's side had cut off all signal access. Mo Lao hurriedly contacted Dao Yi again, but found that he couldn't reach him either. Then he contacted the personnel he left inside the base, but found that he still couldn't get through, and Mo Lao saw that he couldn't get through to anyone, and he felt even more anxious.

Because the signal was cut off, it meant that Lin Yan and Dao Yi had entered the final countdown, and they cut off all communications to the outside world's Idi Dixi Yi Wu Pa, and began to prepare for battle. And Mo Lao now didn't know exactly when Lin Yan would start moving, maybe tomorrow, maybe the next moment. And to know that Lin Hao is still in Tianhai ah, even if he is now in a private jet to get there as fast as possible, it will take a few hours ah, time, it may not even be able to make it in time .....

'God, please, please help Lin once more, help them once more, let Lin Yan start later, let Lin Yan start later, wait for his son to pass, their father and son are too bitter ah,

too bitter ah .....‘ Mo Yuntian saw that the phone could not be reached, and at this moment he could only kneel down to the rising early sun outside the window, and in his heart, he could only silently help Lin Yan pray .....

Maybe there really was such a touching existence in this world, something mysterious and mysterious existed. While Mo Lao was on the plane praying to the heavens, at the moment far away in the underground base of the Andes Mountains in Western Europe, Lin Yan, who was discussing the battle plan with Dao Yi, suddenly felt a sharp pain in his heart, the next moment his face fiercely white, and the corners of his mouth all overflowed with a trace of bright red blood to .....

After Dao Yi saw Lin Yan’s situation, his face changed dramatically and he quickly held Lin Yan and asked, ‘What’s wrong? Why is your breath so disordered all of a sudden? Was it left over from yesterday’s battle?’

Lin Yan frowned deeply and closed his eyes, trying to calm the turbulent breath in his body. But after a while Lin Yan reopened his eyes and faced Dao Yi’s question. Lin Yan frowned with a gloomy face and said, ‘No, it can’t be cleared in a short time, I underestimated the burial, he left a trace of cold breath in my body. If I don’t eliminate it, it will have a great impact on the upcoming war .....

Daichi also nodded with a heavy face, ‘Well, let’s postpone the attack. How long do you need?’

Lin Yan frowned and said, ‘I’m afraid it will take a day .....

Dao Yi nodded, ‘Well, okay, it’s not that bad of a day anyway, so don’t worry about closing the door and adjusting. There’s me outside, I’ll keep an eye on the trash on the sacred mountain. You take good care of yourself, I won’t bother you .....

Dao Yi walked out after he exchanged a glance with Lin Yan .....

And when Lin Yan was the only one left in the secret room, his brows furrowed even deeper. He was a bit confused, according to common sense, when he was no longer fighting, the stroke left behind by Burial that was deeply hidden would not be touched ah. It was the fatal blow that Burial had left him, but why was it suddenly exposed just now?

‘Why is this .....

Lin Yan frowned deeply, but this was always a good thing. Although the duel would be a day late, he didn’t have any worries. If this was a duel and the breath buried in his body suddenly launched, the consequences would be something that even Lin Yan wouldn’t dare to imagine .....

Lin Yan then began to close the door to adjust to the duel, and the duel was naturally postponed by a day .....

## Chapter 651

What happened between Mo Lao and Lin Yan, Lin Hao naturally didn't know, but right now he was carefully experiencing the feeling of this level, and he wanted to completely control this state. He had to quickly digest this sudden surge in strength now that he had just advanced. Lin Hao left the roof and instead went to the cultivation chamber on the top floor, where he was going to completely control the state on his body .....

Almost as soon as Lin Hao returned to his chamber, a luxurious caravan arrived at the place where Lin Yan had fought against Burial. The car door opened, and the next moment Jun Wu Jing, dressed in black, got out of the car with the Black Dragon and White Tiger and nine others. With the appearance of ten of them, the area was blocked off. There was no need to blockade it because there was no one here at all.

Jun Wu Jing looked at the ground that had been cleaned up, but didn't care in the slightest, some surface traces were able to be removed, but the momentum of the life and death duel between the clansmen wouldn't dissipate in a short period of time. The next moment Jun Wu Jing squatted down, fingers gently slid on the ground a knife mark, this one is deeply hacked into the marble interior, look at this knife mark will know the other side of the deep force .....

Jun Wu Jing closed his eyes and carefully felt it, simulating and deducing it in his mind. Soon an image of Lin Yan wielding a knife and slashing a top assassin appeared in his mind. Jun Wu Jing then stood up and went to another trace and deduced it, followed by the next one, and then the next one .....

When finally Jun Wu Jing stood at the place where he was buried dead, he fiercely stared at it. There was a deep shock in the depths of his eyes!

'How ..... how is that possible!' Jun Wu Jing's heart set off waves of shock. Because in his perception, all the traces here were proving that it was Lin Yan who had taken action that day. And Lin Yan alone had directly annihilated the top killer squad under Buried Already. This kind of terrifying battle result, even he couldn't do it. Unless he brought a few of the Black Dragons with him. And even then, he didn't know if he

would be able to kill Burial. Jun Wu Jing had absolute confidence that he was much stronger than Burial. But defeating it was one thing, killing it was another .....

‘What’s wrong with you, brother? Is there something wrong with this place?’ The Black Dragon saw Jun Wu Jing’s incomparably shocked expression and hurriedly walked up to Jun Wu Jing and asked.

Jun Wu Jing’s eyes were shocked as he looked at the surrounding battlefield and said, ‘Wrong, I’ve still underestimated Lin Yan ah. This place was all caused by Lin Yan, all by himself! There was no sign of Dao One’s participation in the battle here. In other words, Lin Yan alone had killed all the top killers of Sakura’s Tears, including their leader Burial! What an unprecedented battle that should have been, what a wonderful battle. It’s a pity that I didn’t see it, but Lin Yan is really strong, very strong, much stronger than the current me .....’ murmured Jun Wu Jing, who at this moment directly admitted that he himself was not like Lin Yan.

The Black Dragon and the other nine people also stared fiercely at the words with a strong sense of incredulity in their eyes. One by one, their hearts were horrified, knowing how terrifying it was when Burial led the Burial Night. The strength of that lineup was not at all inferior to the current ones. After all, there were only nine of them now, but the Burial Night squad made up of top killers had more than a dozen of them ah. Then since Lin Yan was able to annihilate them all by himself, did that mean that Lin Yan also had the strength to annihilate them? Thinking of this, a few people in the Black Dragon were deeply moved .....

In the next moment, Jun Wu Jing took a deep breath, his eyes became incomparably serious, and looked around and said seriously, ‘Take a good look at it all, there aren’t many Ancestors in this world, and every one of them is an existence capable of suppressing a domain. And beneath your feet is the place where a grandmaster has just died in battle, and also the place where a grandmaster proclaims his king’s return, experience it well, it will help you in your future martial dao .....’

After Jun Wu Jing finished speaking, the Black Dragon several people also forcibly suppressed the shock in their hearts, with the pi yi zero land west closed Shan Lu Cheng seriously look at the residual battle traces in front of the eyes, carefully experienced up .....

And just as Black Dragon and the others had closed their eyes, Mo Tianji’s figure appeared here, in fact, Mo Tianji had already gotten the news when Jun Wu Jing and the others arrived at the Heavenly Sea. The figure that came over this time, after all, was

Yanjing's Gestalt! Tolerate him to pay no attention, or should I say, make him pay no attention at all .....

'Monarch, what brings you to Heavenly Sea City, dare I ask?' After Mo Tianji appeared, he walked directly in front of Jun Wu Jing and opened his mouth to ask Jun Wu Jing.

Jun Wu Jing was surprised, this Mo Tianji actually dared to talk to him like that? Coming up here is questioning. Jun Wu Jing was all amused, he smiled and looked at Mo Tian Ji and said, 'Oh, is Lin Hao's right hand man, how come Lin Hao didn't dare to come see me, so he sent you over?'

Mo Tianji frowned deeply, he sensed a trace of hostility in Jun Wu Jing's body. At this moment, facing Jun Wu Jing's oppression, Mo Tianji said in a deep voice, 'Sorry, big brother has something going on right now. What does the Jun Family Master want to do in Tianhai City, naturally there is no need to report to me, I just want to ask the Jun Family Master, this time south, will he look for my big brother?' Mo Tianji stared at Jun Wu Jing with a deadly stare. Jun Wu Jing, on the other hand, looked at him with a seeming smile of interest.

In the next moment, the black dragon suddenly appeared in front of Mo Tianji and fiercely exploded a punch at Mo Tianji's head. This punch Black Dragon used his full strength, and Mo Tianji, who had been on guard, at this moment also swung out his fist and ruthlessly collided with Black Dragon's fist .....

## Chapter 652

After a violent roar ....., Mo Tianji's body suddenly retreated several steps back, he only felt a sweet throat, he wanted to spurt out a mouthful of blood, but he was pressed down to death by Mo Tianji, but Mo Tianji's face, at this moment, was white to the extreme, while the black dragon, on the other hand, stood in the same place and did not move.

Mo Tianji's face changed dramatically, his eyes became incomparably heavy, he did not dare to go forward, just a black dragon suppressed him to death. And yet there were nine such characters on the other side! And that's not counting the rumored breakthrough to that level long ago by the Yanjing Gestapo Jun Wu Ren! These days, Mo Tianji had also confronted Night One in private. The result of the confrontation was that Night One was a little bit stronger than him, but not much stronger. Night One gave him the feeling that no black dragon was more of a threat than he was .....

‘Trouble .....’ Mo Tianji looked at the few people standing opposite him, his heart was incomparably heavy. Under Lin Hao, he and Night One were the strongest, and right now he was feeling the momentum of those people across the street, and I’m afraid that any two people from the other side would be able to suppress him and Night One .....

The Qi Mo Tianji, however, didn’t inform Lin Hao about Jun Wu Jing’s arrival. Lin Hao and Shen Xiyan had just finished their wedding, and Lin Hao hadn’t broken through to that level either. Even if he had come, what could he do? Even though Lin Hao was stronger than Black Dragon, was he as good as Jun Wu Jing? And once Lin Hao was allowed to pair up with Jun Wu Jing now, would it affect Lin Hao’s future path? That’s for sure, the peerlessness in Lin Hao will be defeated by Jun Wuyoung, and the consequences will be unimaginable! .....

Jun unrepentantly smiled at Mo Tianji and said, ‘Oh ..... Mo Tianji is it, do you know what happened in this place, in the morning before yesterday, when your big brother Lin Hao got married? Aren’t you curious that we’re here?’

Mo Tianji frowned deeply as he listened to Jun Wu Jing’s words. Yes, just now, he was only focused on staring at Jun Wu Jing and the others, and didn’t take a careful look at the surroundings at all. And now when he took a closer look, he was suddenly shocked, there were battle traces here, and very, very fierce ones at that! Judging from the traces of those battles left here, the people who fought are actually not much weaker than him .....

‘This ..... here, how, how is it possible? I didn’t get any news. Monarch, are you saying that on my brother’s wedding day, Sakura’s Tears still had a silver assassin attacking? And being blocked?’ Mo Tianji quickly thought of something and quickly asked to Jun Wu Jing.

Jun Wu Jing nodded and shook his head, smiled and said, ‘Oh, yes and no. The people who came were indeed the Sakura Tears, and they were indeed blocked .....

Jun Wu Jing paused and continued, ‘And what about saying it’s not. It’s because the day your big brother got married, the assassin who came from the Sakura Tears was the Burial Night Battle Team, and the leader of the Sakura Tears Burial! And the person who stands in their way is not Dao One either, but ..... Lin Yan! No Regrets licked his lips with a smile and a strange glow in the depths of his eyes .....

‘Impossible, how could Lin Yan help big brother? You’re lying to me, that’s never going to happen!’ Mo Tianji said out loud without even thinking, Lin Yan and Lin Hao’s affair, he knew better than anyone else, half a month ago Lin Hao was seriously injured by Lin Yan himself and was unconscious in Tianhai City for several days. So how could Lin Yan, in order to help Lin Hao, kill Burial? It just doesn’t make logical sense .....

Jun Wu Jing smiled and said, ‘Heh, I’m not sure about their Lin family’s father and son’s affairs, and I’m not interested in knowing. And with your identity, there is no need for me to lie to you, to be honest, let alone you, even your big brother Lin Hao, I didn’t put it in my eyes. Alright, now that I’ve seen the battlefield, call your big brother over, if you don’t call him over, don’t blame me for going after him ah .....

‘Jun Wu Jing lost the patience to say more to Mo Tianji, and his tone became icy cold... ..

Mo Tianji was incomparably struggling in his heart, in his heart, at this moment, it was impossible to let Lin Hao meet with Jun Wu Jing no matter what. And what Jun Wu Jing had just said, reason told him that there was indeed no need for Jun Wu Jing to lie to him. But that was how he was even more shocked in his heart, Lin Yan actually helped Lin Hao .....

‘Sorry, big brother .....

is no longer in the Heavenly Sea, and please ask the Jun Family Master to return to Yanjing, I will certainly convey today’s matter to my big brother, and my big brother will go north to visit the Jun Family Master .....

on his own day’ Mo Tianji refused to Jun Wujiao.

‘Hehe .....

‘Jun Wu Jing sneered disdainfully, a hint of coldness had spread out in his eyes .....

‘Shame on you, shameless thing, who the fuck do you think you are? Did I give you a face? Since you want to die, then I’ll fulfill your wish and then go find that so-called big brother of yours .....

‘The Black Dragon, who had just punched Mo Tianji, became furious when he saw that Mo Tianji was so ungrateful, and his body exploded at Mo Tianji... ..

Bang .....

This time, Mo Tianji was not prepared, the whole person was kicked backwards, after landing Mo Tianji crazy backwards, face white, the corner of the mouth also spilled blood, soon Mo Tianji retreated to the back of the alley, and the black dragon also brazenly chased .....

‘Kill .....

‘The black dragon’s speed was incomparably fast, attacking Mo Tianji punch after punch, Mo Tianji was able to fight back twice at first, but soon he couldn’t

fight back and could only be beaten passively, while the blood in his mouth was spitting out more and more .....

‘Finished ..... ‘After Mo Tianji blocked two punches from the black dragon again desperately, he only felt that his arms were dislocated. And the next moment the black dragon’s fist had blasted at his head, Mo Tianji was a bit desperate and closed his eyes .....

Boom ..... But just when Mo Tianji was desperate, he suddenly landed on and was caught by someone, and the next moment that person kicked hard on the black dragon’s chest, and there was a sound of bone cracking in the black dragon’s chest, and the whole person flew out in the air. In the middle, it has been crazy Yi Dye closed Yi Yi Xun service closed to spew out blood .....

In the next moment the imposing Lin Hao appeared in front of Mo Tianji, opposite the distant Jun Wujiao .....

‘How ..... is it possible, Gestalt Innate, he ..... has broken through to that level!!!‘ Jun Wu Jing, who just acted as if he didn’t care, is now deeply shocked .....

## Chapter 653

Puff ..... hum ..... The black dragon was kicked by Lin Hao and flew to the feet of Jun Wu Jing, the black dragon was trying to endure, but he found that he couldn’t endure at all, the ribs in his chest had been broken several times, and the broken bones were already lodged in his internal organs. The Black Dragon couldn’t help but muffle a grunt, blood spurting from his mouth, his face instantly pale as paper, no need to consider just Lin Hao did not hold back, a blow is a sure kill, if not timely treatment, the Black Dragon may only be able to hold on for a few more minutes .....

‘Heilong, Heilong hold on ..... ‘The White Tiger saw Heilong was dying, one by one they were in a complete panic, and hurriedly stuffed a big handful of unknown pills into Heilong’s mouth, after stuffing the pills, the White Tiger even faster to carry Heilong to the car, and they faced Lin Hao, who had just injured Heilong, without daring to say a word, they hurriedly took Heilong to the best hospital in Tianhai City .....

The white tiger took away the two men, and now there were still six people left beside Jun Wu Jing, Jun Wu Jing didn’t look at his six men. He was staring at Lin Hao with a deadly stare, and the battle intent in his eyes was rising. It was just that he

originally thought that battle would be a long, long time away, but he didn't expect that his first meeting with Lin Hao would already be this situation.

'Big brother ..... cough cough .....

Mo Tianji, who was covered in a mess, wiped the blood from the corner of his mouth and stood beside Lin Hao. He had also just been severely injured by the Black Dragon, but right now he was standing right next to Lin Hao instead of retreating .....

'Big Brother .....

In the next moment, Night One and a dozen of the most elite combat sequences also arrived behind Lin Hao. The people and horses on their side were able to suppress the people and horses on the opposite side of Jun Wu Jing.

Lin Hao ignored Night One and Mo Tianji, but continued to take a step forward and silently stared at Jun Wu Jing slowly and said, 'You want to start a war?'

The smile had long since disappeared from Jun's face, and just now the black dragon hadn't closed in on Mo Tianji at the last moment. And just now if Lin Hao hadn't arrived at the last minute. That Mo Tianji would be dead by now. And just now, Lin Hao didn't hold back at all, that kick was completely aimed at killing the Black Dragon. The speed of that kick, even he wouldn't be able to save it in time. Even if the Black Dragon could save his life after this time, he wouldn't be able to go any further in his life, and in a way, the Black Dragon was already crippled.

Jun Wu Jing frowned and was silent, he didn't go back to Lin Hao's words the first time. And just quietly looked at Lin Hao, if he were to start a war, he wouldn't be afraid. But there wasn't any real point in him going to war with Lin Hao, and he didn't have any hatred with Lin Hao either. He felt that there was bound to be a war between him and Lin Hao, and the purpose of that war was nothing more than to split the difference. And right now he could tell that Lin Hao had just broken through, but Lin Hao was walking a very strange path, and he sensed an extremely dangerous atmosphere from Lin Hao! And right now, Lin Hao's aura was actually no weaker than it had been in his prime!

In other words, as soon as Lin Hao broke through, his battle power was equal to his!!!! Thinking of this Jun Wu Jing's heart was once again shocked, he hadn't expected Lin Hao to be this strong with a shock breakthrough!

Right now, Jun Wu Jing was looking at Lin Hao, and Lin Hao was also looking at Jun Wu Jing. Even Lin Hao, at this moment, felt the overwhelming and incomparable momentum of Jun Wu Jing's body and was shocked. Jun Wu Jing looked just two or three years older than him. But the feeling Jun Wu Jing gave him was no weaker than Dao Yi.

It was worthy of being this generation of Yanjing's Gestalt. Lin Hao had the ultimate battle intent rising in his eyes, if Jun Wu Jing wants to fight, then fight!

Boom ..... At this moment Lin Hao and Jun Wu Jing, one Yanjing Gai Shi and the other Tian Hai Gai Shi, all the momentum on their bodies exploded, and their momentum heatedly clashed in midair! Neither of them backed up, no one spoke again, it was a simple momentum clash, but at this moment the people standing beside them. All of them with heavy faces kept backing up and backing up again, simply unable to withstand the oppressive momentum of these two. Soon no one existed in the few dozen meters around Lin Hao and Jun Wu Jing .....

After the two of them faced each other for a long time, the momentum in Jun Wu Jing's body was collected, his eyes were incomparably heavy and he nodded to Lin Hao, 'I'm sorry for what happened just now when the darkness flicked the love dragon, the black dragon was a bit too impulsive. But now is not the time for you and I to start a war, your father left a dark energy on me, I need three months to completely dispel it, and you have just been promoted, with your savings, these three months is also the time for you to advance by leaps and bounds. Three months later, Yanjing, I'll be waiting for you to come .....

Jun Wu Jing looked at Lin Hao incomparably seriously, and this time, no matter his tone or demeanor, he treated Lin Hao as an equal, and no longer had the slightest hint of being superior to him. Simply because the Lin Hao at this moment was no less than him!

After a moment of silence, Lin Hao nodded his head and said, 'Okay, I'll come to you in three months!' Lin Hao also took a deep look at Jun Wu Jing.

'Mm .....

 Jun Wu Jing nodded, there was no point in staying any longer. He turned around and wanted to leave, only the moment he turned around, Lin Hao called out to him.

'Wait, why would Lin Yan go looking for you? And hurt you?' Lin Hao stared at Jun Wu Jing's back with a deadly stare, frowning and opening his mouth to ask.

Jun Wu Jing's body, did not turn back, but continued to walk forward, but his voice came over: 'To you clear the obstacles to the north .....

 Jun Wu Jing said this sentence again, and then got into the car. Those few of his men, also to Mo Tianji and the night point of the head, and drove away .....

## **Chapter 654**

When the few people of Jun Wu Jing left, Mo Tian Ji and the Night's eye was surging with blood. That man just now was Jun Wu Jing ah, Yanjing's generation of greatness, originally the Jun family abandoned son, abandoned in the end of the world, but he rose against the trend, soaring all the way to the top, and finally with his men and horses to kill Yanjing, in just one month made the Jun family change the world! He's been hailed by all circles in Yanjing as the greatest of all time! But it was such a strong character that had just been suppressed in front of Lin Hao.

Of course it wasn't that Lin Hao had just suppressed Jun Wu Jing, it was that Jun Wu Jing wasn't in peak physical condition, and neither was Lin Hao. It wasn't time for them to go to war yet! And the reality was that the current Lin Hao was now able to rank alongside Jun Wu Jing! One is from the sky and the other is from the capital! It just didn't matter what the actual situation was, but in the eyes of Night One and Mo Tianji, Lin Hao was just better than Jun Wu Jing! Because Lin Hao is younger than Jun Wu Jing!!!!

Lin Hao stared at Jun Wu Jing as he walked away, just now Jun Wu Jing's words had caused a great impact in his heart, he would never have thought that Lin Yan had gone to find Jun Wu Jing to clear the obstacles to the north for him. After Jun Wu Jing left, Lin Hao looked at the surrounding battlefield and frowned deeply.

With his current battle perception, he could clearly sense that a battle had occurred here just a short while ago. And it was still a top-notch battle between two clerics, Lin Hao could imagine how brutal the battle was just by looking at the traces around him that were deeply embedded in the marble floor.

When Mo Tianji saw Lin Hao staring at the traces around him with a deadly stare, his face kept changing and he opened his mouth, but he stiffly gave it up because he didn't know what to say at the moment.

'Say! What the hell is going on here!' Although Lin Hao had his back to Mo Tianji, he still felt as if he knew something.

Mo Tianji's eyes became even more complicated, because the truth was something that he was not willing to believe. And he didn't know how to tell it to Lin Hao. Just as he was silent, suddenly he felt an extremely strong momentum pressing down on him, and he knew that Lin Hao had moved [jxpxxs.com](http://jxpxxs.com) to anger.

Mo Tianji fiercely clenched his teeth and simply said what he knew, 'Brother, just now Jun Wu Jing told me that he came south to the Heavenly Sea this time to come here. This place is where Lin Yan fought with Burial and where ..... also Burial died, besides

Burial, the leader of the Sakura Tears, there was also the most elite killer battle team under Burial, Burial Night. All of them were killed here by Lin Yan, and the war happened at the exact time that you and your sister-in-law held your wedding, the battle was almost simultaneous with the wedding .....

Boom ..... Lin Hao's heart was ruthlessly shaken as he listened to Mo Tianji's words, and there was a deep shock in his eyes! He never would have imagined that Lin Yan would go and injure Jun Wu Jing for him, and at his wedding, Lin Yan had shielded him from the burial of the Tears of Cherry Blossom! Lin Hao closed his eyes and an image appeared in his mind of the time when Lin Yan went to his wedding scene with Dao Yi. At that time, Lin Yan, he seemed to be a little pale and his breath was a little weak ..... On the other hand, Dao Yi was not!!!!

And right now, when you thought about what Mo Tianji had said, the truth was right in front of you. Even if Lin Hao didn't want to believe it in his heart, it was still true! The truth is that Lin Yan helped him! Helped him in his most important moment!

'But how can that be? How could that man help me? Hasn't he been trying to kick me out of the family? Wasn't he bent on putting that bastard Yanjing in power? But what's up with this to xgchotel.com bottom!!!' Lin Hao's heart was roaring madly, he really didn't want to believe that it was Lin Yan who had helped him. But the truth was this zyxta.com .....

'Lin Hao .....

just as Lin Hao was deeply confused, a voice suddenly came over from behind. When Lin Hao turned around, he saw an incomparably anxious but complicated-looking Mo Lao, who was walking over with a group of people. He had seen Lin Hao on the plane, and after he got off the plane, he kept calling Lin Hao, but no one answered. Then Mo Lao was ready to go to the Tianhai Group to look for Lin Hao, only when he was halfway there, he got a report that Lin Hao had confronted Jun Wu Jing here .....

That's why Mo Lao hurriedly accelerated over here, he was afraid that Lin Hao would start a war with Jun Wu Jing. After all, Jun Wu Jing had been famous for a long time and Lin Hao had just been promoted, but when he first arrived here, he saw the scene that shocked him immensely, after Lin Hao and Jun Wu Jing had confronted each other. Jun unrepentant actually retreated, so what did that mean? That means that the current Lin Hao is no weaker than Jun Wu Jing! Thinking of this, Mo Lao heart incomparably excited, but right now when he heard Lin Hao and Mo Tianji's Yixisan Serving Whiskey dialogue, his heart incomparably complex again .....

Lin Hao looked at Mo Lao's incomparably complicated look, and the dried tears on his face. For a moment, he seemed to understand something. That this old man in front of him should know something that he didn't know. Soon Mo Lao walked up to Lin Hao, Lin Hao looked at him, he also looked at Lin Hao incomparably complex, after Mo Lao looked at Lin Hao for a while, he sighed deeply, endless sadness appeared in his eyes .....

'Grandpa Mo, what's going on with that man? Is there something you're not telling me?' Although Lin Hao had guessed something in his heart, he still didn't show it on the surface, but now he was already a Gestalt Innate, the pinnacle of existence in today's world. His demeanor was incomparably calm, because the Lin Hao of this moment already possessed the power to suppress everything!

Mo Lao felt the strength of Lin Hao's body as if he was seeing Lin Yan, and even now Lin Hao was not much worse than Lin Yan. Mo Lao's heart was both excited and saddened. Mo Lao sighed complexly and said, 'Lin Hao, there are some things that it's time for me to tell you, Lin Yan...your father, he...he's in great danger, you must go save him .....

## Chapter 655

An hour later, inside the lower room of a secret base in Tianhai City, Mo Lao told Lin Hao about the plans he had made with Lin Yan over the years, telling Lin Hao all the truth at this moment. Including that rainy night consignment of Lin Yan for more than ten years, as well as the matters of the Western Lin Clan's branch of the Holy Mountain, and all the matters of the Huaxia Lin Clan's branch .....

Mo Lao was tearful and looked at Lin Hao with a hoarse voice, 'Hao'er, I swear that what I said is true, and if I say a false word, I will be told to die a horrible death. Hao'er, it was really too dangerous within the Lin Clan back then. That's why your father had to send you and your sister out. What you've seen all these years is what Lin Yan made you see. And the darkness, the pressure that you couldn't see, he was carrying it for you behind your back. Including the time you were attacked in the Heavenly Sea a month ago, in fact, your father and I have been sending people to follow you, and if Night One doesn't make it at the last minute, then our people will take action .....

Lin Hao's eyes reddened immensely as he took a deep breath, and he didn't shed any tears. Just after hearing all the truths told by Mo Lao, his heart set off waves of shock, and he couldn't calm [www.jsshcxx.com](http://www.jsshcxx.com) 不下来 down.

‘Lin Yan, what gives you the right to give me what you think is the best life? What gives you the right to set me up like this? What do you dare .....’ Lin Hao’s eyes were red, and his tone was incomparably sad.

‘Hey ..... child, in this world, many things are out of one’s control. We didn’t want that back then, but Lin’s was just too dangerous, and those Lin Xiaoyun guys kept messing around outside the country. It’s been that way since your grandfather’s death, when the Lin’s were already in danger. Son, don’t blame your father in your heart, okay?’ Mo Lao sighed deeply. The eyes were incomparably complex.

Lin Hao sat across from Mo Lao and asked in a daze, ‘What about Lin Jiuyin, Lin Zai Tian those people?’

‘Dead, all dead, not just the two of them, everyone in the Lin Clan’s branch in Huaxia, all dead. It was all purged by your father before he left, don’t worry when you return to Yanjing, there will absolutely be no more of those flies in the Lin Clan .....’ said Mo Lao with incomparable emotion.

Mo Lao paused and continued, ‘Dong Xue gave birth to that child, is not your brother, and has nothing to do with you, and that child, in the middle of this conflict, also died, that child was induced by Lin Zai Tian since he was a child, and eventually he hit the knife of Dao Yi ..... and up Dong Xue also died .....’

Buzz ..... Lin Hao looked up sharply after hearing that that Lin Yu was dead, and his eyes burned as he looked at Mo Lao. It turns out that Lin Yan has never had feelings for Dong Xue, it turns out that that Lin Yu has never been Lin Yan’s child .....

Lin Hao was silent again for a while before he continued to speak.

‘Well ..... fits his style, he’s leaving, so why would he still keep those people? Kill good, kill good, my mother’s revenge, finally avenged .....’ Lin Hao murmured with red eyes.

Then Lin Hao said and fell silent, he lowered his head, the moment he lowered his head, there was still a tear that didn’t hold back and fell down. Lin Hao didn’t speak anymore, the amount of information that Mo Lao had given him this time was just too big. He had to digest it well. He didn’t speak, and Mo Lao didn’t rush him. After all, anyone who had an experience like Lin Hao’s and then now suddenly knew the truth. It turned out that his father had done zyxta.com out of all this for his own good. Anyone would not be able to handle it. It was as if that goal in his heart had suddenly disappeared .....

A full ten minutes passed, Lin Hao's eyes were equally complex, he had no more tears, he raised his head, his eyes equally complex looking at Mo Lao, his voice somewhat hoarse asked: 'Then... then I go to Western Europe now, is it still... is it still urgent?' Lin Hao's heart was incomparably complicated, he used to hate Lin Yan to die, he had even shot Lin Yan more than half a month ago at the entrance to the Lin Clan's ancestral home in Yanjing, a shot that he did not hesitate to take, that was to cause Lin Yan's death! And now that he knew these truths again, Lin Hao's heart was incomparably complicated and regretful.

He knew that what Mo Lao had said was true, that Lin Yan had been holding back all these years, and that the things Lin Yan had apparently done were also done to those in the Lin Clan branch. And even that biggest mustache in Lin Hao's heart was a lie. That was when Lin Hao's mother's bones were still cold, Lin Yan sought out Dong Xue. And the truth is that Lin Yi Shan Yi Xi Dye love Yi Yan has no feelings for Dong Xue. It's been acting, acting to those in the Lin branch to see .....

Inside the underground chamber, Mo Lao listened to Lin Hao's question, the pain in his eyes intensified as he shook his head, 'I don't know, I really don't know. I was knocked unconscious and sent back by Lin Yan, and just now I kept calling Lin Yan Dao Yi and the others. But I couldn't get through, so I don't know when they'll act, maybe now, maybe tomorrow, the day after tomorrow, they've already cut off contact ah .....

Mo Lao's eyes were incomparably complex. Lin Hao was also incomparably complex after hearing that. He looked at Mo Lao and murmured, 'Lin Yan can't die now, he doesn't want to just die, why should he want me to be grateful to him after arranging my life, and then feel guilty after he dies? I'm going to Western Europe now, hopefully it's still urgent .....

## Chapter 656

Lin Hao decided to go to Western Europe to find Lin Yan, he wanted to talk to Lin Yan in person, if he didn't know then so be it, but when he found out all about it, how could he not go?

Lin Hao stood up with red eyes and was ready to walk out of the secret room. But at this moment, Mo Lao's phone suddenly rang, Mo Lao took a look at the caller's number on his phone and quickly called out to Lin Hao, 'Hao'er you wait, it's a call from Western Europe .....

After Mo Lao called out to Lin Hao, he hurriedly picked up, Mo Lao listened to the report from the person on the other side of the phone, and soon his face was overjoyed. After hanging up the phone, Mo Lao said to Lin Hao excitedly, 'Heaven's will, heaven's will, heaven's will ..... The secret wound on Lin Yan's body has seized, it is a secret wound left behind by the burial, so he and Dao Yi killed the Upper Sage [www.zyxta.com](http://www.zyxta.com) 山的时间 will be delayed for at least a day! , at least for a day, Hiro, you've come in a hurry .....

Lin Hao also shivered at the news, and he took a deep breath, feeling like this was heaven's plan. Lin Yan had fought to the death to escort him to his wedding, and now he had the time to go to Lin Yan's rescue. Lin Yan's side already had a fifty percent chance of winning with two top-notch innate clansmen fighting on his side with Dao Yi, so what about adding him now? Especially since he's still in the dark!

Lin Hao took a deep breath and nodded heavily, 'Grandpa Mo, then I'll make the arrangements and go over there .....

'Hmm ..... 'After nodding deeply, Mo Lao thought about it and said to Lin Hao, 'Then Hao'er, should I tell Dao Yi the news of your past? You're also at the top of the battlefield right now, and your presence will definitely play a big role in their final showdown .....

After thinking about it, Lin Hao shook his head and said, 'Forget it, don't tell them. My secret past, my past Lin Yan and the others won't know, that natural Lin Xiaoyun and the others won't know either. It's better this way instead, it's better this way .....

Mo Lao thought about it and felt that what Lin Hao said was also reasonable, so he nodded: [www.jxpjxx.com](http://www.jxpjxx.com) 'Well, good, then listen to you, then Hao'er you go Yi Yi Dye West Closed Service West arrangements, I'll give you the fastest plane, and then the Western Europe side of all the information to prepare a copy of you. You'll see it again on the plane [jsshcx.com](http://jsshcx.com) .....

Lin Hao nodded, 'Okay, then Grandpa Mo, time is running out, so I'll go ahead and make arrangements .....

Mo Lao nodded his head, then Lin Hao left. Mo Lao looked at Lin Hao's distant back, his heart was incomparably excited, and at this moment he just felt his blood boiling, Mo Lao's eyes showed a bright glow, looking at a world map hanging on the wall,

looking at the plate over in Western Europe while, he said to himself, ‘Lin Yan, Lin Yan, you will be surprised this time. Your son can be far better than you ever imagined ah .....’

Lin Hao, who had exited the underground chamber, was standing on a high ground facing the cold wind, looking distantly in the direction of the west. Looking in the direction where Lin Yan was, he couldn’t calm his heart for a long time, and the cold wind blew his hair and his thoughts. Once upon a time, he had always considered Lin Yan as his greatest enemy, and even those people from Lin Jie Tian Lin Jiuyin, he had never put them in his eyes. It was because Lin Yan was too strong and was the generation of Yanjing’s generation of the world’s greatest heavenly pride more than a decade ago.

That’s why Lin Hao had been working hard and desperately trying to become stronger for so many years, just to one day be able to defeat Lin Yan. And then bring Lin Yan to his mother’s grave so that Lin Yan could repent. For so many years, Lin Hao had always felt this way in his heart, and he had always done so.

All these years he hated Lin Yan to the bone and wanted to kill Lin Yan. And now he couldn’t hate anymore because he had experienced so much pain and deeply understood that Lin Yan hadn’t had an easy life all these years. The revenge of killing his wife was not common, but Lin Yan let his enemy live for more than ten years, right under his nose, and watched, how much pain would that be in his heart? Many bars .....

‘Lin Xiaoyun, Lin Xiaohu, Lin Fengyun ..... You guys deserve to die, you guys really deserve to die ah .....’ Lin Hao faced the wind and muttered to himself, the killing intent in his heart getting thicker, heavier and stronger .....

This time, Lin Hao would absolutely not let another one of those people from the Lin Clan’s branch still be alive, this time it was a decisive battle, more than a decade ago he didn’t have the strength to participate, but this time, he wouldn’t let Lin Yan fight alone, he would join Lin Yan and completely purge this sky of the Lin Clan’s Gate Clan!

## Chapter 657

At eight o’clock in the morning, Lin Hao returned home, and as soon as he entered the house, he saw that Shen Siyan was already up and rice was ready, and it was being served on the table at this time.

When Shen Siyan saw Lin Hao return, she had a smile on her face and said to Lin Hao with a smile, ‘Where have you been in the morning? When I got up, I saw that you

weren't there, and I couldn't reach you on the phone ..... haven't eaten breakfast yet, so hurry up and wash your hands and eat breakfast together.'

Lin Hao leaned against the door frame and looked at Shen Xi Yan somewhat complicatedly. He really had no way out. It was like this last time after proposing with Shen Xiyan in Nanjiang City, and just when he was about to spend a few days of happiness with Shen Xiyan, he had to go to Yanjing. And it was like that again this time, and even this time was much more anxious than the last time. Although Lin Yan's side had postponed the duel with Lin Xiaoyun, no one knew exactly when Lin Yan would be on the move. So he had to rush over as fast as he could.

It was just that this time he had just finished holding a wedding with Shen Xiyan, and really Lin Hao didn't want to leave in his heart. It was just that he had to go. When Lin Hao saw Shen Siyan looking over at him in confusion, he just smiled and nodded and said, 'Well, good, eat, my wife's cooking is the best .....

Lin Hao smiled and went to wash his hands, then he sat quietly at the table with Shen Xiyan and ate. Lin Hao was smiling and eating, but Shen Siyan still felt that Lin Hao had something on his mind, yes, the feeling of a woman.

After Shen Siyan lowered her head and took a small sip of porridge, she asked Lin Hao, 'Hubby, are you up to something? Don't keep it to yourself, tell me. What's wrong? Actually, I knew that last night when you left.'

Lin Hao was stunned, then smiled and said, 'It's nothing, let's eat, eat .....

When Lin Hao's words fell, Shen Shiyan put down her chopsticks, looked up incomparably seriously and said, 'Lin Hao, I'm your wife, I'm not stupid, I know how much power people have, how much responsibility they have to take on. If you have anything to say, just talk to me directly, okay? I don't want it to be like last time when I didn't know anything .....

Lin Hao heard Shen Xi Yan say that, for a moment he was stunned, after looking at Shen Xi Yan quietly for a while, she said: 'Xi Yan, I ..... might have to go to Europe, there is something very important that has to be done .....

'Hmm .....

Shen nodded at the words and after thinking about it asked, 'So how long do we need to go this time?'

Lin Hao frowned and said, 'I'm not sure, short is three or two days, slow is seven or eight days right .....

Shen asked again, 'Well, when do you want to leave?'

Lin Hao took a deep breath and looked at Shen Xiyan. He had only just returned to Shen Xiyan's side after a full day of happiness with Shen Xiyan. But now he had to leave again. And this time was far more dangerous than the last trip to Yanjing, the holy mountain of the Lin Clan's branch! The lair of the Lam branch! A person as strong as Lin Yan Dao Yi didn't have the conviction to win, and Lin Hao had to do his best to go this time as well.

'I understand, then I will go and prepare clothes for you .....

Shen Siyan took a deep breath and stretched out her white, soft hand and held Lin Hao's large hand, her eyes staring into Lin Hao's and said, 'Hubby, you go and take care of yourself! I'll wait for you at home. Don't worry this time, I'll be waiting for you to come back, and this time I won't do anything stupid. I promise!'

Lin Hao opened his mouth, took a deep breath, and finally nodded his head heavily. Just as Lin Hao was bowing his head to eat er zero ground service west zero love cover, Shen Xi Yan suddenly asked to him, 'Lin Hao, I don't mind, Night One has told me all. You bring Yu Tong sister back, I also don't want her to marry someone else, we will live together, don't let her stay there alone, you bring her back .....

Shen Xi Yan bit her lip, incomparably sure.

Yes, she had already asked Night One yesterday, questioning Night One about her cousin Shen Yutong's affair with Lin Hao. And Night One's one-track mind all came out before Shen Xi Yan's face. Including the fact that Shen Yutong had fled with the seriously injured Lin Hao on that rainy night in Tianhai City a month ago, and also, the night before the Gong family had forced her to go and wake up the unconscious Lin Hao .....

And Shen Siyan, who knew all this, was incomparably shocked. Especially since she had learned again yesterday that Shen Yutong was going to hold a wedding in Western Europe next week to marry Gong Ming, to a man she didn't even love. It was just that Shen Siyan, who had gotten the news, had called Shen Yutong the first time to inquire, but Shen Yutong had said no, that she wouldn't marry Gong Ming! Shen Xiyan actually understood in her heart after hearing Shen Yutong's words, all of them, Shen Yutong that was just for her to hear. Let her not have a grudge in her heart, let her rest assured that she won't bother her and Lin Hao's life again .....

## Chapter 658

And the more Shen Yutong was like this, the more difficult it was for Shen Xiyan to feel. Actually, Shen Xiyan had thought about it for a long, long time. A covered hero like Lin Hao, there would definitely be a lot of women who liked him, so instead of worrying about Lin Hao being tempted by the demonic sluts outside later, it would be better to pull her cousin over. Also, Shen Yutong truly loved Lin Hao. Two months ago, on that night in the Purple Bamboo Boundaries in Nanjiang City, Shen Xiyan could tell from the expression on Shen Yutong's face, but at that time, Shen Xiyan didn't know that the man Shen Yutong loved deeply in her heart was Lin Hao!

Now after going through so much in the Heavenly Sea, Shen Xiyan figured it out. There was nothing more sad now than losing Lin Hao and hearing the news of his death. As long as Lin Hao was still alive in this world, it was good. Yes, after experiencing the grief of Lin Hao's one fake death. Shen Xiyan's greatest wish now was to be able to see Lin Hao still alive and able to laugh and talk by her side ..... So when she just heard Lin Hao's words that he was going to Western Europe, she instantly thought that Lin Hao was going to find Shen Yutong .....

It's just that at this moment Lin Hao was silly, he looked up at Shen Xiyan in confusion and asked, 'Er, Xiyan, what are you talking about? I'm going to Western Europe for something, I didn't say I was going to see Shen Yutong ah?'

Shen Xiyan was dumbfounded for a moment when she saw Lin Hao's reaction like this, and looked at Lin Hao in confusion and asked, 'Er, Sister Yu Tong is getting married to Gong Ming next week, aren't you going to look for her?'

Lin Hao was even more confused, frowning and saying, 'Are you saying that Shen Yutong and Gong Ming are getting married next week? Is she really going to marry Gong Ming?' Lin Hao felt some unhappiness in his heart, and he didn't know why. It was just that it was uncomfortable to hear the news.

Shen Xiyan understood at once, looking at Lin Hao's reaction like that, she knew that she guessed wrong. Lin Hao didn't go to Europe to find Shen Yutong, but had other things to do .....

Shen Xiyan thought for a moment, took Lin Hao's hand and looked deeply at Lin Hao and said, 'Lin Hao, you bring Sister Yu Tong back. I don't want her to marry Gong Xi Lu er whisk love dyeing Ming, okay?'

Lin Hao was silent, a question he had been forcing himself not to think about. Not to think about anything about Shen Yutong. He just knew that he owed Shen Yutong, but he already had Shen Xiyan in his life. It was impossible to marry Shen Yutong again. Not to mention the fact that Shen Yutong was still sisters with Shen Shiyan and the two of them were sisters, sisters by blood!

After Lin Hao was silent for a while, he looked at Shen Xi Yan and said, 'Xi Yan, I will never marry another woman in this lifetime, and we're already married. I .....

Before Lin Hao finished speaking, he was interrupted by Shen Suyan's words. Shen Siyan shook her head at Lin Hao and said, 'Lin Hao, listen to me, bring back Sister Yu Tong, or else I will feel bad in my heart in this life, she is too bitter, bring her back, okay?' There was already a hint of tears in Shen Xiyan's eyes.

Shen Yutong is her sister, since she was a child, she has been particularly good to Shen Xiyan, truly good to Shen Xiyan. And Shen Yutong's character is also very similar to Shen Suyan, are voluntarily put all the pain and all the pressure, to fight themselves, but to make others happy .....

Lin Hao looked at Shen Xiyan's resolute attitude, and for a moment the complexities in his heart intensified .....
