

# Super Son-in-law Chapter

## 701-703

### Chapter 701

The next moment White Scorpion walked up to Silver Wolf's car and waved to Silver Wolf, indicating that Silver Wolf should get out of the car. The man in front of Silver Wolf's car, turned to look at Silver Wolf and asked, 'Boss, it's the deputy chief, Lord White Scorpion, what should we do?'

Silver Wolf didn't say anything, but looked at the White Scorpion outside the car and nodded his head. Then Silver Wolf turned to Shen Yutong and said in a heavy tone: 'Miss Shen, please don't worry, the one in front is our man, you stay in the car. Don't worry, we have received Mr. Lin's money, we will keep our promise. It's just that there may be some trouble ahead, so please wait a little longer .....'

Shen Yutong opened her eyes and looked at Silver Wolf, her eyes were cold, but she did not say anything, just stared at Silver Wolf with such a calm death stare. Silver Wolf felt incomparably frustrated at this moment, but could only open the car door and get out of the car.

'Silver Wolf is here to greet your Excellency, I don't know why your Excellency is stopping us. We have important matters to go to the F country, which was explained by our Purple Scorpion army commander .....

The White Scorpion looked at Silver Wolf with a smile and said: 'Very good, just returned to the country, and made such a big list. You Purple Scorpion Corps is very good, our White Scorpion Corps has been working hard

for a whole year, but we can't earn so much money. But are you guys over the line? Hmm?

Cold sweat ran down the side of Silver Wolf's face, and he naturally knew what the White Scorpion meant. After all, in the organization, the Purple Scorpion Corps only carries out mercenary business, is responsible for the battlefield that part. And the business of assassinations, kidnappings, and the like is the White Scorpion Corps. So the White Scorpion said they crossed the line, and they are not wrong.

But the money has been collected, and it's a huge amount of money. Silver Wolf could only bite his teeth and said, 'Lord White Scorpion, rules are rules, but we have suffered heavy losses in the Middle East, and we are all brothers in the same organization. We just want to make some money, so don't be so hard on us, right? We at Purple Scorpion .....

Bang ..... In the next moment, before Silver Wolf finished his sentence, the top killer standing behind the White Scorpion appeared in front of him instantly and kicked him in the chest, suddenly Silver Wolf's body was kicked and flew out. After flying three or four meters away, he fell heavily to the ground. The Silver Wolf, who was lying on the ground, spurted out a mouthful of blood, feeling that the bones in his chest had been broken by the kick .....

'Cough cough ..... 'The silver wolf's mouth kept spurting blood out, trying to speak, but a mouthful of blood. It couldn't say anything at all.

The White Scorpion walked up to the Silver Wolf, squatted down, and looked at the Silver Wolf with disdain: 'What are you? How dare you threaten me with rules? Not to mention you, even your boss, Purple Scorpion, is not

qualified! And it's you purple scorpions who have crossed the line, and since you've crossed the line, you have to pay the price .....

As the White Scorpion said that, it suddenly stood up and stepped on the Silver Wolf's right arm with one foot. The bones of Silver Wolf's right arm were shattered .....

'The bones of Silver Wolf's right arm were crushed by the White Scorpion's foot, and he let out an incomparably miserable scream. The white scorpion's hand, his right arm will be completely ruined from now on, and he will become an invalid. He can no longer go outside to take on missions, so he will have to find a place to retire.

'Hello? Hello? Silver Wolf speaks .....

'While Silver Wolf was screaming, a puzzled voice came from Purple Scorpion on the phone that suddenly fell beside him. When Silver Wolf got off the bus just now, he had already dialed a phone number to Purple Scorpion. It is only now that it is connected.

The company's main business is to provide a wide range of products and services to its customers, including: a wide range of products and services, a wide range of products and services, a wide range of products and services, and a wide range of products and services. The White Scorpion's face went completely cold as he said that.

The purple scorpion on the other end of the phone was silent, and after a long moment of silence slowly said, 'White Scorpion, what do you want?'

## Chapter 702

‘Oh, what do you think? I’m now taking that Shen Yutong back to the headquarters, two hours later, you better be at the headquarters, let me see you .....’ White Scorpion said and hung up the phone. The White Scorpion hung up the phone after saying that he would hand the phone to the assassin behind him: ‘Take these people under the Purple Scorpion with you and bring them back to the headquarters, if they dare to resist, they will be directly killed .....’ The White Scorpion’s eyes have a murderous intent.

The White Scorpion’s eyes had a murderous intent to show up. ‘Yes .....’ the assassin nodded respectfully.

The White Scorpion never looked at the Silver Wolf, who was howling on the ground and was about to faint. Instead, he turned around and walked to the car that was escorting Shen Yutong back.

The White Scorpion walked to the door of the car, looked at the beautiful-looking Shen Yutong in the car and said, ‘She’s not bad looking. A beauty like you, even in the East, is considered top-notch. And there are actually people willing to pay a ransom of 2 billion US dollars for you. It seems that your value is really great, do you think I should ask for more from that person?’

Shen Yutong’s face was incomparably cold, and the cruel scene she had just witnessed had shocked her. But she was even more shocked after Lin Hao had gone through several life and death experiences, especially after she had witnessed Lin Hao wipe out the Gong family with a flip of his hand. This kind of scene no longer frightened her. But she, who was extremely smart, understood something at first glance. The people in front of her and the Silver Wolf who kidnapped her were from the same organization, but they belonged to different factions. ....

And when I heard that the man in front of me, White Scorpion, was actually thinking of asking Lin Hao for more money. Shen Yutong's heart was also angry. She knew very well that two billion US dollars was nothing to Lin Hao. Even more than that, Lin Hao was able to get it. But her heart was still incomparably angry.

She stared at the White Scorpion and said slowly, 'I'm afraid you'll have the life to take it but not the life to spend it! And you should keep your word. Two billion dollars in ransom money, we've already paid. The uneven distribution within you is your business! Now send me back!'

The White Scorpion was silent for a while, then smiled and shook his head: 'Please don't be afraid and worried, Miss Shen. Don't worry, I will send you back, and I won't hurt you. But please come back with me again, and when I've solved the matter, I'll naturally send someone to send you back.....'

Shen Yutong no longer speaks, for the white scorpion such people, once he has made a decision, he will not change. Only Shen Yutong's eyes became colder and colder as he looked at the white scorpion. ....

'Take away!' When the White Scorpion saw that Shen Yutong no longer spoke, he didn't speak to Shen Yutong anymore, but spoke to the people behind him.

Shen Yutong didn't wait for those people to make a move and got out of the car himself, then got into another car of the other party. The car then started, and Shen Yutong was again led by the White Scorpion to the Black Scorpion organization's headquarters inside .....

At the moment when Shen Yutong was taken away, Gong Ming's convoy drove over the border of F country and broke through the border directly. This morning, Silver Wolf called Gong Ming and informed him that they had started to send Shen Yutong back. The worried Gong Ming instantly tangled up a few dozen men and rushed over here. He wanted to be the first to welcome Shen Yutong, but he never expected that he would come, but he saw this scene. Shen Yutong was actually taken away again right under his nose. ....

The next moment, just as Gong Ming wanted to catch up, the dozen or so heavily armed men left behind by the White Scorpion on this side of the H national border opened fire on Gong Ming's convoy with a dozen or so guns, still not killing anyone, but blowing out all the tires of Gong Ming's convoy.

'Ahhhhh!' Gong Ming, who had lost his mind, actually thought of running to catch up, only to be surrounded by the White Scorpion's men the next moment.

'Mr. Gong, don't worry, we said we would send your wife back, and we will. It's just that someone inside us crossed the line and did something that closed love love love closed Pa'er Pa'er Pa'er love that shouldn't have been done.

'When Gong Ming was still trying to say something, the assassin who was suddenly pointing a gun at his head fired a shot that naturally did not hit Gong Ming's head, but rather the bullet flew over the side of his face. The bullet made a large gash in the side of Gong Ming's face.

‘Mr. Gong, please be clear, you are not qualified to negotiate with us as an equal .....’. After firing one shot, the assassin placed the muzzle of the gun directly on Gong Ming’s head.

For a moment, Gong Ming no longer dared to speak, but his heart was filled with endless humiliation, anger, and killing intent, as well as deep helplessness and despair .....

### Chapter 703

At seven o’clock in the morning, at the top of the Lin Clan’s sacred mountain, Lin Hao stood on the highest platform of the mountain, received Lin Yan’s family head inheritance, and officially became the forty-eighth family head of the Lin Clan in the presence of all the representatives of the overseas forces of the Lin Clan. The inheritance ceremony of the Lin Clan Master was an internal ceremony, and there were not many outsiders present this time. All of them were from within the Lin Clan.

Lin Hao stood on top of the mountain, overlooking the square below, densely packed with several thousand, representatives of all the Lin Clan’s forces overseas, the overbearing aura that Lin Hao had after becoming the forty-eighth master of the Lin Clan was a little more intense.

Lin Yan’s gaze was deep, and he looked at his son Lin Hao standing in front of him, he was also filled with emotion, but even more so with pride. He, Lin Yan, succeeded as the head of the Lin Clan. He was hailed by all circles as the Lin Clan’s most outstanding generation of family heads in recent years. When Lin Yan looked at Lin Hao, who was standing in front of him with a domineering aura, he was incomparably sure that his son, Lin Hao, was definitely stronger than him.

Not only Lin Yan, but also Mo Lao, who was standing beside Lin Yan, was incomparably excited and emotional. He had watched Lin Hao step by step until now. He was the only one who knew how Lin Hao had struggled step by step all these years to get to where he was now. And now Lin Hao had finally become the Lin Clan co-owner within the inner and outer ring of the world! This was the biggest wish of Mo Lao for the rest of his life. Now that his wish has been fulfilled, what Lin Hao has done is much better than what he had imagined. And he believed that in the future, under Lin Hao's leadership, the Lin Clan would definitely go on to even greater glory. ....

After standing on top of the mountain and looking at the people below for a while, Lin Hao turned to look at Lin Yan. Lin Hao looked at his own father, who had hidden himself for more than a decade, and had even brutally driven himself out of the family when he was a teenager. But had been secretly protecting himself, and at his wedding, when the Tears of Cherry Blossoms hired by the Lin Clan branch attacked. One man wiped out the entire Tears of Cherry Blossom in one stroke, even though he himself was badly wounded .....

And this time, it was yesterday, when he was in trouble. Lin Yan passed on the Lin Clan's headship to him without hesitation. And without the slightest reservation, all the power of the Lin Clan, both in the sea and overseas, was given to him unconditionally, and he trusted him unconditionally.

And to think that he has been trying to defeat Lin Yan for so many years, even a month ago, when he went north to Yanjing, right in front of his ancestral home. He even shot Lin Yan directly without any hesitation, and no one knew that he really wanted to kill Lin Yan at that time! It was really going to kill him. It was just dodged by Lin Yan, and if Lin Yan hadn't dodged it, then Lin Yan would have died on that day.

So after thinking of this, Lin Hao's eyes became even more complicated when he looked at Lin Yan. He had always thought that Lin Yan was greedy for

the position of the head of the Lin Clan, but now Lin Yan had given him all the authority without any reservation. He had always thought that Lin Yan liked Dong Xue. But the fact is, Lin Yan has not even touched Dong Xue a few times in all these years, and that Lin Yu is not Lin Yan's son, nor his brother. ....

In the next moment, Lin Hao took a deep breath and bowed deeply to Lin Yan with an incomparably serious face. This worship was incomparably sincere: 'Father, thank you, thank you for everything you've done for me all these years .....' said Lin Hao incomparably sincere to Lin Yan, at this moment his eyes were already red. He had wrongly blamed Lin Yan for more than ten years. For more than a decade, Lin Yan, who had been holding back and putting up all the pressure for him, didn't suffer?

Lin Yan listened to Lin Hao call him father again after many years, and his Yanjing directly moistened. But after all, Lin Yan is the Lin Clan's generation of maharajahs, and he forcefully held back his tears. He just heavily patted Lin Hao twice and said, 'Hao'er, you have suffered a lot these years.

After Lin Yan said a few words to Lin Hao, he turned around and left. Now all the representatives of Lin's overseas global forces were gathered here, and they had all come to pay their respects to the new head of the family! Then Lin Yan, the old master of the previous generation, is not fit to stay here at this moment, because this is the stage that belongs to Lin Hao alone!

## **Super Son-in-law Chapter**

### **704-706**

Chapter 704

'Lin's belongings, pay your respects to Lord Lin Hao!' Mo Lao shouted fiercely at the mountain.

‘Pay your respects to the master of the house!’ In the next moment, the two thousand people in the first row at the foot of the sacred mountain knelt down on one knee towards Lin Hao and declared their allegiance. No one cared about it, but they only felt that Lin Hao, the young and world-famous master of the Lin Clan, would be even more glorious in the future after becoming the forty-eighth master of the Lin Clan. At least they won’t be oppressed by Yanjing’s Jun family anymore. ....

‘Greetings to the Master!’ The next moment, at the foot of the sacred mountain, the second row of several thousand squares knelt down on one knee to Lin Hao and declared their allegiance.

‘Greetings to the Master! The square formation at the foot of the sacred mountain, row upon row, knelt down on one knee to declare their allegiance to Lin Hao, and the This voice announcing allegiance to Lin Hao’s words, under the continuous succession of thousands of people, is continuous, and when the voices come together, it is even more regrettable.

At this moment, Lin Hao, who was standing on the top of the mountain, faced the cold wind, his robe resounded, and his heart could not help but rise with a million zhang of lofty feelings, as if the invisible shackles in his heart had broken at this moment.

Boom ..... In the next moment, Lin Hao’s body suddenly burst out with an even more powerful momentum, and his momentum directly climbed double at this moment. The momentum on Lin Hao’s body at this moment was no less than that of Lin Yan. It was even a shade stronger than Lin Yan’s. This was a great momentum. This was a great momentum, a great momentum that the Lin Clan, which had inherited for thousands of years, had imposed on each

generation of family heads. And with this great momentum, Lin Hao's battle power will also rise again .....

The company is now the forty-eighth-generation owner of the Lin family, and when things are over here in Western Europe, Lin Hao will only need to return to Yanjing and go to the Lin family's ancestral home to pay his respects to the Lin family's ancestors.

The company's main business is to provide a wide range of products and services to the public, and to provide a wide range of products and services to the public. Did you get Yu-tong?' Lin Hao opened his mouth and asked Gong Ming.

But Gong Ming's side was silent for a long time after the phone call. When Lin Hao saw Gong Ming's silence, he frowned and asked Gong Ming again, 'What's wrong?'

This time Gong Ming's voice came over the phone, 'Lin Hao, I was about to receive Yu Tong, but Yu Tong was taken away by another group within the other organization, I .....'. .

'Where are they taking Yu-tong?' Lin Hao's voice was cold as he interrupted Gong Ming's words.

'He was far from qualified to face the huge Black Scorpion organization, but Lin Hao could, and at this moment, he pinned all his hopes on Lin Hao.

‘Hmm .....’ Lin Hao hummed and hung up the phone without saying anything else to Gong Ming. It was just that the killing machine in Lin Hao’s heart couldn’t be suppressed anymore.

He thought that after he paid the 2 billion ransom, the other party would let Shen Yutong return. And as long as Shen Yutong returned safely, he could also spare the Black Scorpion a horse, but now what? .....

In the next moment, Lin Hao walked back to the summit of the sacred mountain and said to the blackened Lin forces below, ‘Pass on my master’s order to mobilize all Lin Clan combat sequences within Europe and immediately head to H to annihilate the Black Scorpion .....’

‘The people below the sacred mountain shouted in unison, then dispersed to mobilize all the combat forces under their command and immediately went to the Black Scorpion base camp in H. This was the first order issued by Lin Hao, the forty-eighth head of the Lin Clan, after taking office. ....’

At this moment, with Lin Hao’s master’s decree, the huge Lin Clan warlord is in full operation, and this time, it is also the first time after decades of internal strife, the Lin Clan warlord is in full operation .....

## Chapter 705

‘The Lin Clan’s Warlord Flying Dragon Squad is on the move!’ .....

‘Lin’s Gate Warlord Xuanwu Corps, out to war!’

‘Lin’s Gate Warlord Vermilion Bird Squad, out to war!’

..... At this moment, with Lin Hao’s order, all of the legions on the outskirts of the Sacred Mountain, which are dedicated to overseas combat missions, were mobilized and quickly advanced towards the Black Scorpion base camp. This is the first order of the forty-eighth generation of the Lin Clan warlord, all the Lin Clan’s overseas combat sequences, legionnaires, and top killers are now advancing towards the Black Scorpion’s home base. ....

If you look down from the high school at the moment, you can see a neat army, driving a truck speeding forward, and at the moment on the map of Western Europe, one of the top assassins under the command of the top, all crazy towards the direction of the Black Scorpion organization’s home base .....

A storm was approaching, constantly enveloping the base camp of the Black Scorpion organization.

Just ten minutes after Lin Hao gave the order, he received a call from a blank number. Lin Hao originally ignored it, but the other party dialed one after another, so Lin Hao picked it up.

As soon as he picked it up, a voice from the opposite side of the line came from a man who claimed to be the White Scorpion: ‘My name is White Scorpion, you may not have heard of me, but you can imagine that I am the deputy leader of the largest organization in Europe, the Black Scorpion .....

Lin Hao's eyes narrowed when he heard the Black Scorpion's words. He had just given the order, but the other party's people actually called him. Lin Hao's heart also felt that the white scorpion was interesting, did he really care about his life?

Lin Hao replied indifferently, 'My friend Gong Ming just called me to say you guys are going back on your word, are you guys that insincere? You want 500 million, but I gave you 2 billion, isn't that enough?'

The White Scorpion smiled and said, 'Oh, if it were Gong Ming, it would naturally be enough. But since you are able to take out two billion US dollars in an instant, the price is naturally less .....' said the White Scorpion's voice, which was very long and meaningful.

Lin Hao said back, 'Oh? And how much more do you want?'

The White Scorpion on the other end of the phone, after a moment of silence, said gloomily, 'Ten billion! If you still want Shen Yutong to live, then you must give me 10 billion!'

Lin Hao frowned deeply, the killing intent in his eyes had condensed into substance, and the temperature of the air around him seemed to have dropped by more than ten degrees at this moment. Lin Leng, who was standing beside Lin Hao, was covered in cold sweat.

After a long while, Lin Hao slowly said, 'Ten billion? I dare to give, you dare to take?'

When the white scorpion on the other side heard Lin Hao's words, it burst out laughing again and said, 'Oh, what do you dare not take? Remember, this is Western Europe, not your Warsaw! In this place, we're in charge!'

Lin Hao nodded and said, 'Well yes, my friend said you are now in the Black Scorpion base camp in country H. Okay, 10 billion is 10 billion.'

The white scorpion on the other end of the phone smiled and said, 'Well, yes, I'll wait for you here, remember the ten billion dollars worth of gold you bring over, the Chinese woman you take away .....'

'Okay .....' Lin Hao directly hung up the phone.

'Homeowner!' Lin Leng saw that Lin Hao had finished his phone call and quickly spoke to Lin Hao. He had just heard that Lin Hao wanted to give gold to the Black Scorpion group, and for a moment he didn't understand what Lin Hao was thinking.

Lin Hao stood up and said to Lin Leng, 'You go and mobilize ten billion worth of gold out, load it on a truck, and deliver it to the Black Scorpion Organization's front door within two hours! If they want it, let them have it!'

Lin Hao's body blossomed with killing intent, then he went down the sacred mountain, got in his car, and followed the Lin Clan's war band to the Black Scorpion's base camp .....

At the same time, in the villa manor of the Black Scorpion organization's home base, the White Scorpion smiled and looked deeply at Shen Yutong and slowly said: 'Miss Shen, I didn't expect you to be so valuable, ah, the Purple Scorpion kid with you to be less ah. The company's main business is to provide a wide range of products and services to the public. I'm a little confused, a man who can spend 10 billion for you, you should have a very important position in his heart, right? Then why did you marry Gong Ming? It's not worth it. ....'

I'm not going to say anything, just bite my teeth and die? The company has been in the process of developing the new product. The company has been in the process of developing a new product for the market for the past few years. It's just that Shen Yutong's heart right now was instantly filled with guilt towards Lin Hao.

'Lin Hao, I'm sorry .....

'Shen Yutong was filled with anger and guilt, and closed her eyes .....

## Chapter 706

'The first time I saw her was when I was a child, I thought that she was a woman. After doing this single, we can double the size of the Black Scorpion organization .....

The White Scorpion saw Shen Yutong closed his eyes and did not speak to him. The White Scorpion saw that Shen Yutong closed his eyes and didn't talk to him, so he gave a cold command to the person guarding Shen Yutong in the room, and then he left the chamber. He had to inform the Black Scorpion of such a big matter, the amount of ten billion US dollars.

The White Scorpion is not a fool, and the person who can take out two billion dollars directly, and now has agreed to take out ten billion dollars, is definitely not an ordinary person, and the other party's influence is not small. So he has to inform the Black Scorpion, in case the other party chooses to go to war with the Black Scorpion organization, they can also have a measure to deal with it. ....

Inside the secret room, after the White Scorpion left, Shen Yutong sat alone in the middle of the secret room, and in the four corners of this secret room, there were four heavily armed top assassins standing, and outside of this secret room, there were six assassins guarding, in short, just as the White Scorpion said, his guarding of Shen Yutong, has been tight to the extreme.

Half an hour later, the White Scorpion arrived at the Black Scorpion's office. As soon as the White Scorpion entered, he saw that the Purple Scorpion was also inside. When he entered, the Purple Scorpion stared at him, and the Black Scorpion also looked extremely gloomy.

'Tell me, is what the Purple Scorpion said true? The other side has already paid 2 billion, and you're on the other side of the border and you're cutting them off again? And didn't I ask you to be notified to visit the new head of the temporary gatekeeper? Do you take my words at face value? Hmm?' The Black Scorpion has a hint of anger in its eyes, and does not give the White Scorpion, its deputy leader, a good look!

The White Scorpion smiled and said to the Black Scorpion: 'Brother, don't be angry, this time it's Lao Liu's unethical way of doing things, we agreed, I am in charge of assassination and kidnapping missions, full responsibility for the Western European generation. He is not doing his job properly as a mercenary, and is devoting himself to the war in the Middle East, but instead wants to rob me of my benefits. There are 13 of us brothers, and if all of us are to behave like this with Old Six, will there be any rules for us to follow in the future?'

The white scorpion said in an orderly manner, and the sixth person in his mouth was naturally the purple scorpion.

At this moment, the Purple Scorpion heard the words, the fire in his heart became even greater, and said to the White Scorpion: 'White Scorpion, if you want a share of the money, I can give it to you, do not say so grandiose! And you took people away as you pleased, but the Silver Wolf under my command was badly wounded by you, and even lost an arm, and is still being rescued, life and death unknown! Even his brothers on the team, all of them passed out ..... Isn't it too much to ask that you do that?'

'White Scorpion, you must give me an explanation for this! You're undermining the credibility of our organization! If you don't give me an explanation today, don't blame me for turning my back on you!' The black scorpion stared at the white scorpion in front of him, narrowed his eyes and said slowly.

'The white scorpion didn't explain at first, but smiled. After a while, the white scorpion lit a cigarette, took a deep puff, and said slowly: 'Do you want to explain? Will the 10 billion be enough? I have just made a deal with the other side, if you want to ransom the hostages, then bring over 10 billion, and the other side has agreed. Watch, two hours at the most, two hours later, the other side will send over ten billion dollars worth of gold .....'

'Ten billion?' The Black Scorpion stood up straight away, with a hint of shock on his face, and the Purple Scorpion also sucked in cold air. He didn't expect the white scorpion's appetite to be so big, and most importantly, the other party actually agreed to it.

The next moment the purple scorpion frowned deeply, and said to the black scorpion: ‘Brother, don’t be impulsive, the other party can take out more than 10 billion dollars, the origin must be not small, this money is not so easy to take .....’.

‘Oh ..... is naturally not easy to take, but we are the Black Scorpion ah, the other side is just a Chinese, and this is Western Europe, is our territory ..... Is it true that we are in Western Europe, this territory, but also can not eat ten billion dollars! Dollars?’ The White Scorpion also narrowed its eyes, with endless greed and confidence in the depths of its eyes. ....

The Black Scorpion was silent, after thinking for a while, slowly nodded his head, but just as the Black Scorpion was about to say something, suddenly his office door was pushed open, and the next moment, a nervous and scared-looking Chih-Chieh ran in.....

‘Big Brother is bad, bad, the forty-eighth generation master of the Lin Clan in Warsaw has just issued the highest order of the Lin Clan’s family! Now all of the Lin Clan’s overseas battle sequences, legionnaires, and top assassins are on their way to us, and have completely blocked all entrances and exits to the borders of H! Brother, the Lin Clan is going to war with us, what’s going on? What’s going on?’ The cold sweat on Chih-chi’s face continued to flow down, and he said to the Black Scorpion with great anxiety.

‘What?’ The Black Scorpion’s face changed drastically, looking shocked to the extreme.

‘How is it possible, it’s impossible, although we didn’t get along with Lin Xiaoyun before, but in recent years we’ve also been well water, why would the Lin Clan’s master suddenly start a war against us? The reason? What have we

done to offend him? Do we kill his Lin's people or kidnap his wife ah ..... and so on! Kidnapped his wife? Zero WuXanDi WuZhou?' The Black Scorpion was mumbling to himself when he suddenly froze. Then he fiercely looked at the Purple Scorpion and White Scorpion.

The White Scorpion and the Purple Scorpion tied Shen Yutong, who is now in the headquarters here. The White Scorpion and the Purple Scorpion, who heard the Black Scorpion's words, also had a thumping heart, and their faces changed dramatically. The next moment the white scorpion is turned around and ran in the direction of the detention of Shen Yutong, the purple scorpion is also a big change of complexion to follow .....

## **Super Son-in-law Chapter**

### **707-708**

#### Chapter 707

Five minutes later, in the secret room where Shen Yutong was being held, the panicked White Scorpion opened the door and rushed directly to Shen Yutong, asking Shen Yutong incomparably nervously: 'I ask you, is the person who gave you the 2 billion ransom money surnamed Lin? Is it a temporary gatekeeper?'

Shen Yutong heard the White Scorpion ask so urgently, then looking at the cold sweat that was all over the side of the White Scorpion's face, she couldn't help but take a deep look at the White Scorpion, but she didn't say anything.

'Rub, speak! I'll kill you if you don't!' The White Scorpion was anxious because now Lin Hao, who had just destroyed Lin Xiaoyun in Western Europe, was the forty-eighth generation head of the Warsaw Lin Clan! He was coming towards them with a large army. At this moment, Shen Yutong's silent attitude

towards his anxious questioning made him furious, and he raised his hand to hit Shen Yutong on the side of her face.

The next moment the White Scorpion's movement was stopped by the daring Purple Scorpion, who grabbed the White Scorpion's arm and said, 'Are you crazy? Don't be impulsive!'

The Purple Scorpion then quickly said to Shen Yutong: 'I'm sorry, Miss Shen, but we had some internal problems that caused you to be invited back this morning. And just now we have adjusted internally, I will now send someone to send you back ..... The purple scorpion swallowed spit with difficulty, and now his back has flowed with cold sweat. His face was incomparably tense.

But Shen Yutong still didn't say a word, just calmly looked at the purple scorpion and white scorpion in front of her. In fact, she also wondered in her heart if Lin Hao's forces could still reach Western Europe.

'White Scorpion, Purple Scorpion, the boss wants you to hurry to the front door, hurry, hurry! Lin Hao, the head of the Lin Clan of China, has arrived. .... Just as the White Scorpion and Purple Scorpion wanted to continue asking questions about Shen Yutong, an incomparably anxious voice came from Chihé at the door.

When Shen Yutong heard the word 'Lin Hao', her heart trembled with guilt and complexity. The White Scorpion and the Purple Scorpion couldn't care less and quickly ran outside with Chih-Chieh.

At this moment, at the entrance of the Black Scorpion's headquarters, there were several thousand people around, and the area around their headquarters was also completely blocked off by the Lin Clan's battle sequences and countless top killers. Every single combatant under the Lin Clan was fully armed and covered in icy killing intent. They were locked onto the personnel standing across from them, confronting them with tremendous fear.

At this moment, the leader of the Black Scorpion organization, the Black Scorpion, who has the ability to fight at the clan master level, has stepped out, standing at the gate with a heavy face, looking at the densely packed legions and squads standing in front of him at this moment. At this moment, even the Black Scorpion, a top-notch master, the leader of the largest underground dark force in Western Europe, was numb. His Black Scorpion organization has thousands of personnel around the world. But that doesn't mean they have so many people in their headquarters. In fact, their Black Scorpion headquarters had just over three hundred elites.

And the Lin Clan across the street had how many people? There were already more than a thousand or two thousand people surrounding their headquarters at this moment alone. In the distance, there was a constant stream of combat teams, with top killers speeding this way. The Black Scorpion's eyes were heavy to the extreme, and he was surrounded by dozens of top killers and warriors, but they didn't give him even the slightest sense of security. ....

'It's over, the woman that Purple Scorpion and White Scorpion kidnapped, the woman called Shen Yutong, has a very unusual relationship with Lin Hao. It's over ..... 'The Black Scorpion looked at the gathering of Huaxia Lin's combatants, and he couldn't help but feel a great deal of jealousy. He has just gotten the news that Shen Yutong and Lin Hao are related to each other. In fact, the Black Scorpion is still able to break through with his people because Lin Hao hasn't arrived yet, and neither has the Lin Clan's innate clan master. If he wanted to run now, he could definitely run away. But would he dare?

No, before Lin Hao came, he didn't dare to run. If he runs away today, the Black Scorpion organization will be completely destroyed ..... At this moment, the Black Scorpion's heart wants to kill the White Scorpion and the Purple Scorpion. Especially the White Scorpion! It's just that now, he can only wait for Lin? The first time I saw him was when he was in the hospital. The first time I saw it, I was so nervous that I waited for Lin Hao's arrival.

The next moment, the Black Scorpion's front suddenly appeared a number of seven or eight hundred people as many as the elite squad. In the middle of the squad, there are several black cars, and soon those several black cars, stopped. A black trench coat Lin Hao walked down from the middle of the car.

The moment Lin Hao appeared, all of the Lin Clan's warriors on both sides of the road, standing next to a vehicle, bowed to Lin Hao: 'Greetings, Master

Chapter 708

'Greetings to the Master of the House .....

'How do you do? How do you feel about this? Lord .....

'With the appearance of Lin Hao, a sudden burst of voices paying their respects to Lin Hao was transmitted, and when the voices of these thousands of people came together, the impact force formed on people's hearts was too strong. As strong as the Black Scorpion's innate master, he couldn't help but feel a bit of fear in his heart as he faced Lin Hao, who had monstrous power and great battle prowess. The killers and mercenaries in the organization standing

beside the Black Scorpion were even more frightened by the scene in front of them, and their faces were pale and their bodies began to tremble. ....

Lin Hao nodded to the surrounding warriors under Lin's command, and then, with a gloomy face, walked straight towards the Black Scorpion in the distance, with Lin Leng and a dozen other top warriors following behind Lin Hao.

When the Black Scorpion saw Lin Hao walking towards him, his throat moved. Just by feeling Lin Hao's strength, he understood in his heart that he was no match for Lin Hao. He himself was no match for Lin Hao, and Lin Hao had brought so many people with him today. Even though he himself had the strength of an Innate Master, he wasn't sure that he could escape .....

'The Black Scorpion's head was covered in cold sweat, and he spoke to Lin Hao, who came forward.

The first time I saw him, he was interrupted by Lin Hao waving his hand: 'I've brought the 10 billion gold you wanted. .... 'Lin Hao's face was incomparably gloomy, with a trace of extreme killing intent on his face. As his words trailed off, the canvas on the three trucks behind him was lifted. Then a large piece of shining gold was dumped directly in front of the Black Scorpion's eyes.

The Black Scorpion just took one look at the small mountain of gold on the road in front of him, and he knew that the gold was really worth ten billion, not less, but even more. The problem was that he didn't dare to take the gold that was in front of him.

Thinking of this black scorpion quickly organized the language, in broken Chinese to Lin Hao said: ‘mistake ..... misunderstanding, Lin family master this is a misunderstanding, my people will not do things, arrested the wrong person, the gold does not need, you yesterday hit our account of two billion dollars I also let people return, people then, I will release now, now release .....’.

Lin Hao stared at the Black Scorpion as he stood in front of a mountain of gold that was much higher than him. Stare at the Black Scorpion .....

‘Where are the people? Let her fucking go! Hurry up and let Miss Shen out! No, please come out, please come out, please come out ! ! ! !’ The Black Scorpion felt Lin Hao’s rising killing intent, and he didn’t dare to hesitate at all. He just wanted to send Shen Yutong out quickly, because Lin Hao, he really can’t afford to offend .....

At this moment, in front of Lin Hao’s tremendous pressure, the Black Scorpion’s own body cold sweat came down, and now he quickly and violently kicked on the body of the rushed over to the red rest, let red rest kicked back. And Red Xie is also bloodless, pale face, crawling and crawling back again .....

The next moment, when the white scorpion and purple scorpion rushed out to see the scene in front of them, the two scared legs are soft, the purple scorpion is directly on the ground with a butt, heart filled with endless fear .....

## **Super Son-in-law Chapter**

### **709-710**

Chapter 709

Soon, in just a couple of minutes, Shen Yutong was escorted out of the Black Scorpion's headquarters under the leadership of Chihé. When Shen Yutong came out, she saw Lin Hao standing in front of the Black Scorpion with a small mountain of gold piled up behind him, and the thousands of soldiers Lin Hao had brought to save her.

From the moment she was kidnapped, she knew that her kidnapper was the biggest underground force in Western Europe. She was desperate, but she saw Lin Hao, who showed up at her house, and without hesitation paid a ransom of 2 billion US dollars to the kidnappers. Today, Lin Hao came with ten billion dollars worth of gold.

Shen Yutong's eyes were moist, and she looked deeply at Lin Hao. She had countless words she wanted to say to Lin Hao, but at the moment she couldn't say a single word. If a conflict were to break out now, the Black Scorpion was sure that the few people under his command would not be enough for Lin Hao's charge.

The Black Scorpion's face was streaming down with cold sweat, as Shen Yutong had already started to walk towards Lin Hao's side. The Black Scorpion directly ordered all of his men to put down their weapons to prevent any problems.

Shen Yutong walked step by step away from the Black Scorpion and towards Lin Hao's direction. She walked very, very slowly, and soon she appeared between Lin Hao and Black Scorpion. One person stood alone in the middle of the two top forces. Shen Yutong's heart tightened, she took a deep breath and walked over to Lin Hao's side. When Shen Yutong was walking, the Black Scorpion's people didn't make any movements, and Lin Hao's people didn't make any movements, even now both sides were completely quiet, except for the sound of Shen Yutong's walking, there was no other sound. ....

Soon Shen Yutong came to Lin Hao, and after he nodded to her, she was escorted to a bulletproof car. Lin Hao has two top soldiers behind him, escorting Shen Yutong to a bulletproof car in the back.

After Shen Yutong got into the car, Lin Hao waved his hand, and with Lin Hao's movement, more than a hundred soldiers moved the small mountain of gold behind him to the Black Scorpion in the shortest possible time. Lin Hao remained silent as he watched the golden hill being transported to the Black Scorpion's feet.

It was only at this moment when the Black Scorpion watched the ten billion dollars worth of gold being transported to its feet. Especially when he looked at Lin Hao's gloomy face, not only was there no joy in his heart, but he was highly nervous and scared.

Until the gold that Lin Hao had brought was delivered to the Black Scorpion's feet, Lin Hao said to the Black Scorpion. Lin Hao spoke to the Black Scorpion and said, 'I'll give you a minute to check if this gold is worth 10 billion .....

Faced with Lin Hao's words, the Black Scorpion's cold sweat grew even more, and without looking, he quickly said to Lin Hao: 'Mr. Lin, this matter is our fault, I apologize to you on behalf of the Black Scorpion, we don't want the gold, we don't want .....

'I'm asking you if this is enough for 10 billion dollars? Don't worry, I've always kept the rules, and since I promised to ransom people with 10 billion, I'll

give you 10 billion. I'm only asking you now, is this enough?' Lin Hao continued to ask gloomily to the Black Scorpion.

The Black Scorpion listened to Lin Hao's words and knew that there was trouble, and after a moment of silence, he fiercely clenched his teeth and had a decision in his heart. The next moment the Black Scorpion slowly nodded his head and said, 'Enough, enough .....'.

Lin Hao also nodded his head and said, 'Good, now that the deal is done. Now let's talk about your Black Scorpion group's kidnapping of my friend, and your disobedience to the rules. How do you want to give me an explanation for this? Or you can start a war with me, a duel .....' Lin Hao looked deeply at the black scorpion in front of him. Lin Hao's killing intent continued to climb upward. The domineering momentum directly pressed against the black scorpion.

There was even more cold sweat on the Black Scorpion's body. He was a little better, but the Purple Scorpion and White Scorpion who were behind him at the moment were scared to death of their guts. The two of them were one of the twelve military leaders of the Black Scorpion organization, each of them had an enormous amount of power in Western Europe. But they were still far inferior to figures like the Black Scorpion and Lin Hao. Only now, the Purple Scorpion and the Black Scorpion knew what regret was.

Just when they were in great fear, they stood in front of? I'm not sure if I'll be able to do that. The Black Scorpion suddenly turned his head and stared at the two of them with a deadly look in his eyes: 'Do it and pay the price .....' After the Black Scorpion finished speaking, the killing machine on his body fiercely flashed.

The White Scorpion and the Purple Scorpion felt the killing intent of the Black Scorpion, and looked at the Black Scorpion's incredibly determined eyes. The next moment, without saying a word, they turned around and fled madly, but could they escape?

Lin Hao slightly lowered his head, looking gloomily at the two people behind the Black Scorpion, who were fleeing wildly outside, without saying a word. He has the absolute strength to wipe out the Black Scorpion organization and kill the two people who kidnapped Shen Yutong's Purple Scorpion and White Scorpion today. But it would be better to let the Black Scorpion do it himself. If the Black Scorpion does it, then the visitors will be more able to feel the despair.

The Black Scorpion's legs were broken when he kicked them, and then he threw a hidden weapon out, and the White Scorpion, who was running in front of the Purple Scorpion, fell to his knees. The black scorpion waved his hand, and suddenly there were several mercenaries around him, carrying the half-crippled purple scorpion and white scorpion to Lin Hao.

'I'm sorry, I'm sorry, I'm sorry, I'm sorry, I'm sorry, please let me go, let me go ..... 'The Purple Scorpion, whose legs were broken, quickly kneeled in front of Lin Hao, and prayed to Lin Hao. Zhang. If he had known about the relationship between Shen Yutong and Lin Hao, and that Lin Hao was the forty-eighth generation head of the Huaxia Temporary Gate, he wouldn't have dared to kidnap Shen Yutong even if he had been given a hundred guts. ...

'Kill ..... ' said Lin Hao without a trace of emotion.

After Lin Hao said that, Lin Leng, standing behind him, smiled cruelly and appeared behind the fearful Purple Scorpion, and in the next moment, directly

in front of the Black Scorpion, grabbed the Purple Scorpion's hair with one hand, and slit the Purple Scorpion's throat with the dagger in the other hand. In order to let the Black Scorpion and the people under the Black Scorpion's command to see more carefully, but also to let the Purple Scorpion's death more slowly. ....

‘Cough cough cough ..... ‘As Lin Leng's dagger sliced through the neck of the purple scorpion, the scorpion fell to the ground with endless reluctance in his eyes, his hands dying over his neck, trying to stop the blood from flowing out, but what he did was useless, no matter what he did! It was unable to stop the blood from flowing out. Then the purple scorpion covered its neck and slowly fell to the ground, twitching all over, and only after several tens of seconds did the scorpion completely die .....

The Black Scorpion on the other hand could only watch in these few tens of seconds. The Black Scorpion's face was also very unpleasant, after all, the Purple Scorpion was one of the twelve military leaders under his command, followed him for many years, and in recent years, even in the Middle East battlefield, made great contributions to the organization, but right now, right under his nose, the other party brutally killed, the Black Scorpion although he knew in his heart that the Purple Scorpion will die today. But he still couldn't help but clench his fist.

But this is not the end, Lin Hao since? The first thing you need to do is to take a look at the results. The company has been in the process of developing the new product for the past two years. At this time, Lin Leng took the bloody dagger again and walked up to the white scorpion. Lin Leng waved the dagger at the white scorpion: ‘Oh, White Scorpion, you're the one who called our master for 10 billion, right? Do you regret it? Is it easy to get our Lin's 10 billion?’

The White Scorpion stared at Lin Leng with a deadly stare, and was tempted to fight back, but he couldn't do it anymore. He was the deputy leader of the Black Scorpion Organization! At this moment he stared up at Lin Hao and roared, 'It's okay to kill me, but don't just send someone to insult me!'

'You shut the fuck up, you fucking .....

Lin Leng saw the white scorpion actually yelled at Lin Hao, and then he kicked the white scorpion, even more one hand grabbed the white scorpion's hair, and the dagger in his hand was about to cut against the white scorpion's neck, but was waved by Lin Hao to stop.

'Family Master?' Lin Leng asked to Lin Hao, confused, not knowing what Lin Hao meant.

Lin Hao looked deeply into the eyes of the Black Scorpion standing across from him with a deadly fist and said to Lin Leng, 'The other party is their deputy leader, and since it's the leader, then the other party's big leader should be the one to kill it, shouldn't he .....

Lin Lengton understood Lin Hao's words, and the next moment Lin Lengton smiled coldly and released the white scorpion's hair, while throwing the dagger directly at the black scorpion's feet, he turned around and returned to Lin Hao's back.

Buzz .....

When the Black Scorpion and the members of the organization behind him saw the dagger being thrown over. They all trembled, and the Black Scorpion's face was as gloomy as water. He understood Lin Hao's meaning as well, Lin Hao wasn't afraid to kill the White Scorpion today, but also to make him do it himself! Let him personally kill the vice-president of his own organization!

The Black Scorpion's face was gloomy to the extreme, and those members of the Black Scorpion organization behind him, one by one, also turned pale, with endless anger welling up in their eyes.

'The Black Scorpion stared at Lin Hao and said almost word for word, 'Master Lin, you have gone too far .....

Lin Hao still did not have the slightest expression, just quietly looked at the black scorpion, slowly said: 'To kill ..... or not to kill .....'.
