

Super Son-in-law Chapter

711-713

Chapter 711

The Black Scorpion was silent, his eyes staring at Lin Hao, and his face was so dark that water was about to drip out. Lin Hao killed the Purple Scorpion in front of him, and that was his bottom line. The White Scorpion, after all, was the deputy leader of the organization, and his status was higher than the Purple Scorpion's. If Lin Hao's men had killed the Purple Scorpion, it would have been his bottom line. It would be fine if Lin Hao's men killed the White Scorpion, but Lin Hao forced him to do it himself, which is a bit too much, just to say, if he kills the White Scorpion himself today, how can he still lead the team in the future?

‘No action?’ Lin Hao is still looking at the Black Scorpion with narrowed eyes, his attitude is still not retreating one bit, and his killing intent is still climbing at its highest peak!

The next moment the Black Scorpion burst out with an extremely powerful Qi, he stared at Lin Hao and said, ‘Master Lin, don't forget, I am also an Innate Master! If you have to tear your face off today, a lot of you will have to die ‘The Black Scorpion's tone has darkened, and he can't take this kind of humiliation

For a moment, Lin Hao and the Black Scorpion's momentum was barred head-on, and neither of them retreated at this moment. The two leaders were facing each other in a cold confrontation, and the people below them felt incredibly tense and oppressed.

Lin Leng gave a wink to the thousands of warriors of the temporary gate behind him, and suddenly the thousands of warrior-killers, all of them released cold killing intent, and one by one, their black hole muzzles were pointed at the Black Scorpion's men in the distance. And similarly, the Black Scorpion's men, although his headquarters only a few hundred people exist, but those people also gripped weapons. The members of the Black Scorpion organization are either top mercenaries, active in the Middle East, Africa and other battlefields for a long time, or top killers, and all of them are also outlaws. Only these people looked more nervous than those under Lin Hao's command.

As time passed, Lin Hao and the Black Scorpion didn't give in to anyone. Lin Hao just looked at the Black Scorpion with a cold killing intent, locking onto the Black Scorpion. The cold sweat on the side of the Black Scorpion's face was dripping down.

At this moment, Shen Yutong, who was sitting in the bulletproof car behind, looked at the scene outside. I can't help but feel nervous and scared. She knew that Lin Hao had gone up against the Black Scorpion organization because of her. Of course, her heart was more shocked and touched.

Lin Hao had done enough for her, and she felt that she couldn't let Lin Hao be in deep danger because of herself anymore. When she thought of this, Shen Yutong wanted to get off the bus and go down to alleviate the situation. But just as she was about to get off, a female assassin in the car stopped her.

The female assassin shook her head indifferently at Shen Yutong and said indifferently: 'Miss Shen, the current situation is beyond your control, so please don't go down to give the owner trouble, the only thing you can do now is to stay in the car, stay well'. The female assassin said, even more stealthily pulled out a gun from the waist quietly aimed at Shen Yutong, eyes full of cold intent.

This is because the Black Scorpion organization is not a small organization in the world, and they are twice as powerful as the Tears of Cherry Blossoms. But today, the head of the family, Lin Hao, is going to start a war with the Black Scorpion because of a woman, which is irrational in the eyes of the cold-blooded killers below them Even though they are a bit uncomfortable, they absolutely obey Lin Hao's orders.... ..

The first thing that she did was to look at the coldness in the eyes of the female assassin, and for a moment she didn't dare to move. She looked at the cold mane in the eyes of the female assassin, and at this moment she seemed to understand something in her heart, Shen Yutong bit her lips, and looked outside through the window at Lin Hao, who was confronting the Black Scorpion, and began to pray to Lin Hao in her heart.

'Then let's go to war' Lin Hao looked deeply at the black scorpion and said slowly.

Boom The next moment the Black Scorpion's face changed dramatically when he heard Lin Hao's words. He quickly said to Lin Hao, 'Lin Hao, think carefully! Although there are few of us here today, there are many of us in the Black Scorpion organization all over the world! Even if you win today, your people will have to face our crazy revenge later!'

Lin Hao disdainfully said in a cold voice: 'Heh, you think too highly of you, your headquarters people exterminated, do you think your people outside will still avenge you? And even if they want to take revenge, they have to have the guts and the strength.'

The cold sweat on the side of the Black Scorpion's face increased and he stared at Lin Hao and said, 'Lin Hao! I'll tell you one last time! You've killed the Purple Scorpion, and the White Scorpion is useless, and they've done something wrong. But if you insist on going to war! What about me? If you can't kill me today, you'll be waiting for my crazy revenge. If you can't kill me today, just wait for my crazy revenge'

Chapter 712

Lin Hao's eyes narrowed, not taking the Black Scorpion's words to heart, and slowly said, 'Then killing you will solve everything, won't it?' Lin Hao looked deeply at the Black Scorpion with a disdainful sneer on his face, looking at the Black Scorpion as if he were dead.

..... Black Scorpion's face changed again, and at this moment he was deeply shocked, he didn't know where Lin Hao got his confidence. But at his level, he could feel that when Lin Hao said he could kill him today, he was really able to kill him!

'The next moment when the Black Scorpion was thinking of saying something else, Lin Hao's body suddenly appeared in front of him, and his right palm slammed into his head. Lin Hao used his full strength in this strike, and didn't hold back at all. Coupled with Lin Hao's sudden burst of speed, there was even a small sonic boom under this strike!

The Black Scorpion hurriedly raised his hand to block, but of course he had been staring at Lin Hao with his eyes fixed on him, his body keeping the highest vigilance at all times. The moment Lin Hao moved, he was ready, and the Black Scorpion met Lin Hao's palm with a fist. He also had anger in his heart,

and he wanted to see where Lin Hao, a newly promoted Grandmaster, got his confidence from.

The next moment he knew, because he couldn't block Lin Hao's attack, just a brief encounter, he? Pai Pai Pai Wu zero closed dye zero? It was clear that Lin Hao was stronger than him, and not just a little bit stronger.

After a fierce explosion, along with the cracking sound, the black scorpion's right arm bones are broken, the black scorpion mouth overflowed a trace of blood, face instantly pale white, the body wildly exploded back. But Lin Hao was faster than him, just as he was retreating, Lin Hao's figure appeared in front of him again, a fist directly printed on his chest, this fist is so fast that the black scorpion did not even have the opportunity to block

Bang The next moment the black scorpion's body fell hard to the back of the steps, Lin Hao stood five meters away from him, not to chase after him, but just looked at him coldly. Lin Hao's right hand is bursting with blood vessels, and drops of blood are flowing down from his arm and dripping onto the ground

The blood dripping down, coupled with Lin Hao's cold eyes, made the Black Scorpion's heart more and more fearful. Because Lin Hao's fighting method was completely defenseless, a lose-lose method, of course, the effect was that he suffered far more serious injuries than Lin Hao

..... Black Scorpion covered his chest in death, but he still couldn't hold back, and a large mouthful of blood spurted out. He was already seriously injured, while Lin Hao was only lightly injured. At this moment he believed, Lin Hao said that he would kill him today, he really couldn't resist

Lin Hao stood five meters away from the Black Scorpion and looked at him silently, not saying another word

And at this moment, the Black Scorpion understood, even if Lin Hao didn't say anything, he understood what Lin Hao meant. In the next moment, the Black Scorpion endured the severe pain in his body and slowly stood up.

'Bring the knife!' The Black Scorpion stared at Lin Hao, gasped for air, and shouted to one of his men at his side,

Chapter 713

'Brother' Kneeling on the ground, White Scorpion saw Black Scorpion pick up a knife in his hand, he couldn't help but look at Black Scorpion with some despair, Admittedly he already knew that he would die today, but just now when he saw Black Scorpion and Lin Hao turn against each other, when they fought, he still had a little hope in his heart, but now this hope that has just risen is obviously all shattered again.

The Black Scorpion held a shiny black carbon steel dagger, and walked up to the White Scorpion, his eyes were incomparably complex, and his heart was deeply humiliated. Who is the White Scorpion? That's the deputy head of their organization!!!! And now he will be forced by Lin Hao to kill the White Scorpion himself, in front of hundreds of people in the organization! If there was a choice, the Black Scorpion would never do this, but the problem is that there really is no choice now.

The Black Scorpion walked up to the White Scorpion, took a deep breath, and slowly said to the White Scorpion, 'Remember not to mess with the Chinese in your next life.'

After the Black Scorpion finished speaking, the dagger in his hand directly slashed the White Scorpion's neck, and instantly blood spurted out of the White Scorpion's neck. The black scorpion cut off the white scorpion's trachea, and the white scorpion couldn't even speak anymore, so it could only cough.

The white scorpion died a painful death, and struggled for more than ten seconds before completely swallowing his breath. Those members of the Black Scorpion organization were watching their deputy leader die before their eyes, and Lin Hao had forced their boss to do it himself. There was no anger in their hearts right now, but only fear. There was only fear. They were endlessly afraid of Lin Hao.

'Is that enough?' The Black Scorpion clenched his teeth and stared at Lin Hao. At the moment he had been forced by Lin Hao to kill his deputy with his own hands, but of course for people like Black Scorpion, for an organization like the Black Scorpion, the word brother basically didn't exist. The only thing that exists is profit. He was forced by Lin Hao to kill the White Scorpion himself, and the anger in his heart was about to explode. But he could only suppress it in front of Lin Hao.

Lin Hao squinted his eyes, looked deeply at the black scorpion, and slowly said, 'Not enough

‘Master Lin, don’t go too far ‘The Black Scorpion is now listening to Lin Hao and is going crazy. He had already killed the White Scorpion, but Lin Hao actually felt that it wasn’t enough!

‘I can’t say enough, can’t you understand?’ Lin Hao fiercely and coldly looked at the Black Scorpion, still not giving in in the slightest!

The Black Scorpion stared at Lin Hao for a while, then suddenly seemed to remember something. It suddenly turned to the Red Sher behind him and shouted: ‘Red Sher, go check it out! Who was involved in the kidnapping of Miss Shen! All those involved, bring them here to me! Ten minutes, I’ll give you ten minutes at most! Bring everyone who was involved in this to me!!!’

‘Yes!’ When Redshay heard the news, his face changed dramatically, and he quickly ordered a few dozen men and horses to run back to headquarters to clear the area. After Redshay left, the Black Scorpion stopped talking, and ? The company has been in the process of developing the new product. The company is also not talking. The company has been in the process of creating a new product, and the company is now in the process of creating a new product.

The time slowly passed, not to ten minutes, red rest from the headquarters with a few people walked out, and in the distance there are two black Mercedes-Benz commercial vehicle was driven over, the door open, from the top down the people, is seriously injured silver wolf several people, and silver wolf several people at the moment is also red rest forced to wake up. There were thirteen people in total, and these thirteen people were led by Redsheep and escorted to Lin Hao.

When Shen Yutong, who was sitting on the bulletproof car, saw the Silver Wolf people, her heart also trembled, and she recognized them immediately.

These are the people who kidnapped her. Now these people in Lin Hao's strong force, the Black Scorpion can only hand over, the two military leaders under the command of the two killed, the Purple Scorpion and White Scorpion of these men, also kill a few, to the two of them to go down with the funeral, the Black Scorpion also does not care

The black scorpion's eyes instructed the red rest to press these people in front of Lin Hao, and even more directly broke their legs, so that they all have no longer the strength to kneel in front of Lin Hao. Lin Hao was sitting quietly in his seat, and behind Lin Hao, there were dozens of top killers and warriors, including Lin Lenghe. This scene today completely ignited the blood in Lin Leng's heart! They were able to force the largest underground organization in Western Europe to personally kill two of their own military leaders, one of whom was also the deputy leader. And now to kill again!

The Silver Wolf, who was kneeling on the ground, saw Lin Hao sitting in front of him, his face changed dramatically and turned pale. Ever since he saw Lin Hao on the video yesterday, he had been terrified of Lin Hao in his heart. And now he finally understood that his fear was real. Lin Hao is really not an ordinary person, really strong, and at this moment, Silver Wolf also saw the bodies of his boss and the White Scorpion lying around him. For a moment, Silver Wolf closed his eyes in despair.

Super Son-in-law Chapter

714-716

Chapter 714

'Hey' Silver Wolf sighed deeply in his heart. The next moment when he opened his eyes again, he saw his own body in the distance, a body without a head.....

The Black Scorpion is now chopping off the heads of these men one by one, all those who were involved in the kidnapping of Shen Yutong, none of them spared, all chopped to death.

When the Black Scorpion killed the thirteen men himself again, he looked at Lin Hao again, his eyes were red, and he said to Lin Hao with his teeth clenched in death, 'Master Lin, is enough now?'

Lin Hao didn't say anything, still looking at him in silence, the Black Scorpion was stunned for a moment, then turned to Chihé again and shouted: 'Transfer, 24 billion US dollars to the account of the Lin Clan Master! Turn! Turn now!

A minute later, Redshay said to Black Scorpion: 'Brother, 24 billion US dollars has been transferred to the account of Huaxia Tianhai Group

Redshay said, and respectfully retreated

And the next moment, without waiting for the black scorpion to speak, Lin Hao stood up, Lin Hao did not pay attention to the black scorpion, but said to Lin Leng, 'Go to work, on the way to do what I told you to do! Anyone who dares to stop me will be killed.'

'Yes!' Lin Leng was incomparably excited and shouted, leading a few hundred people to the base camp behind the Black Scorpion. Lin Leng sneered as he passed in front of the Black Scorpion and said, 'We're going to blow up your headquarters, you're welcome to resist

After Lin Leng finished speaking, he didn't wait for the Black Scorpion's reaction, he rushed in with several hundred people, just a dozen seconds later, a huge bang came from behind the Black Scorpion, then filled with smoke and fire. The Black Scorpion's headquarters was blown up, flattened in an instant, and no matter how much information and supplies were inside, it was all gone at this moment.

When Lin Leng went to blow it up, the Black Scorpion's hidden assassins were also the first to escape. At this moment, they, who were once rampant in Western Europe, North Africa, and the Middle East, didn't dare to have any anger at this moment, and only had boundless fear. They don't dare to put up any resistance at all, and right now they can only watch their headquarters being bombed.

Chih-Chieh's body trembled violently, and he quickly lowered his head, at the moment when Lin Hao had their entire headquarters blown up. He didn't even dare to look at the banner that blew up their pride. He just lowered his head, lowered his head

..... The Black Scorpion's mouth spurted out a mouthful of blood again, and he didn't look back, but behind him was his years of hard work. This headquarters represents a lot of significance. And there were countless precious data in there, as well as various reserves. It's just that now it's all gone, all gone.

In the next moment, Lin Hao picked up a long knife and struck at the Black Scorpion with one fierce stroke. The Black Scorpion didn't dodge, nor did he resist

He knew that to resist was to die, and it would implicate hundreds of brothers behind him, and even the survival of the entire Black Scorpion organization

..... After another loud bang, the black scorpion's right arm was cut down by Lin Hao's knife, and the knife momentum was unceasing, the blade directly and deeply into the ground behind the black scorpion's feet, and the thick asphalt ground, this moment also by this knife cut a deep crack

The wound on the right arm of the Black Scorpion was now dripping blood continuously, and the Black Scorpion's face was completely white. The right arm was severed, and that too while he was awake! The excruciating pain is simply indescribable.

'After today, you can come for revenge, and I welcome it. But if you kill one of my brothers, I'll completely destroy your entire Black Scorpion organization! You can try

Lin Hao raised his hand and threw the hilt of the long knife to the foot of the black scorpion, and said to the black scorpion, '.....

'No don't dare 'The Black Scorpion took a deep breath, and at this moment lowered his head towards Lin Hao. This time he had a confrontation with Lin Hao, so that he? The earth land raking land er closed? completely understood, understood Lin Hao's terror. Lin Hao today was able to a Shen Yutong, directly entangled people to fight to his headquarters, but also collapsed his headquarters building, and before he also heard that the holy mountain of the Lin Clan branch were collapsed. At the moment, in his heart, Lin Hao is a madman, a madman with unparalleled battle power and great power! He is not to be messed with at all

The Black Scorpion has made up his mind that he will never set foot on the land of China in this lifetime. In this life, he will not go to make an enemy of Lin Hao

‘You can also try’ Lin Hao didn’t pay any attention to the Black Scorpion anymore and looked up to the hundreds of mercenaries and killers behind the Black Scorpion. Lin Hao and the other several hundred people looked at each other. The result was that the hundreds of top killers and mercenaries of the Black Scorpion organization lowered their heads, and none of them dared to meet Lin Hao’s eyes, even the top ruthless people in the world, and most of them were trembling with fear

As the dust cleared, an epic scene was revealed to the public. If you look down from the high school, you’ll see a grand scene

The Purple Scorpion and White Scorpion of the Black Scorpion organization was killed, more than a dozen mercenaries involved in the kidnapping of Shen Yutong was killed, the Black Scorpion organization’s leader Black Scorpion was cut off an arm, including the Black Scorpion himself, the Black Scorpion organization’s hundreds of members, are deeply bowed head, not to breathe, behind them, was completely razed to the ground, the Black Scorpion organization’s home base

Chapter 715

When Lin Hao was in Western Europe H country, he perfectly helped Shen Yutong to solve the matter of the Black Scorpion organization, he returned with all his people, this time can be said to be a complete victory. Lin Hao, with his monstrous momentum and his own unparalleled battle power, forcibly forced the entire Black Scorpion organization to bow down, and even the leader of the Black Scorpion organization, the Black Scorpion, who had the power of an innate master, had to bow before Lin Hao.

On the way back, Lin Hao didn’t sit in the same car with Shen Yutong, but Shen Yutong’s car was in the front and he was following behind. Now that Shen

Yutong had been rescued, and the direction in which Shen Yutong was moving forward was the direction to find Gong Ming

On this journey, Shen Yutong sat in the car in front of the silence, in fact, she has been looking through the rearview mirror, looking at the car behind, she knew that Lin Hao is sitting in the back of the car, at this moment her heart incomparably complex. This time Lin Hao still saved her with the appearance of a Gestapo hero. This created endless ripples in her heart again. But now she didn't know what to say to Lin Hao. Her heart was incomparably complicated.

And the same goes for Lin Hao, who is sitting in the back of the car at the moment. Before he came to Europe, his wife, Shen Suyan, had told him to bring back Shen Yutong. Shen Suyan even told him that she could accept Shen Yutong and that she would rather stay with Lin Hao. Previously, Lin Hao didn't think it through, after all, it was his first time experiencing something like this, and he had never been in love before. But now, after he saved Shen Yutong, he thought clearly about a lot of things.

And now as he sat in the back of the car, looking at Shen Yutong's car in front of him, his thoughts became even more determined. Lin Hao slowly raised his head and looked through the front glass at Shen Yutong, who was sitting in the back seat of the car in front of him, and the color of determination in his eyes became even stronger.

'The company's main office is located at the front of the car, which is located at the border between H and F. Gong Ming is waiting there. In his heart, he also believes that it is normal for a man like Lin Hao to have more women around him, so his heart is inclined to let Lin Hao receive Shen Yutong by his side. So at this moment, he couldn't help but open his mouth to remind Lin Hao.

Lin Hao nodded his head hmmm: ‘Inform the fleet and stop at the gas station in front’

‘Yes!’ Lin Leng nodded respectfully, then picked up the car radio and gave Lin Hao’s orders to the entire convoy.

Three minutes later, Lin Hao’s convoy stopped at the gas station not far from the national border. After their arrival, Lin Leng blockaded the entire gas station at the first time, and the gas station was surrounded by hundreds of top soldiers on martial law. In a pavilion inside the gas station, Lin Hao and Shen Yutong were sitting opposite each other, and they wanted to talk here.

The pavilion inside only Lin Hao and Shen Yutong, while outside is always on alert hundreds of soldiers, inside the pavilion Lin Hao looked at Shen Yutong, Shen Yutong is also looking at Lin Hao, the two are silent for a time. The relationship between the two of them has become very complicated since Shen Yutong poked through the window paper when she was in China. And in the middle of this, there was also the presence of Shen Xiyan.

After a while, it was still Shen Yutong who took the lead in opening her mouth, her eyes incomparably complex as she looked at Lin Hao and said: ‘Lin Hao thank you for saving me, this time again you saved me’

Lin Hao nodded: ‘Don’t take it to heart, you know it’s a hand up for me’

Shen Yutong also nodded and after a moment of silence said, ‘Well, Lin Hao between us’

Only this time, before Shen Yutong finished her sentence, Lin Hao interrupted her: ‘Sorry’.

Lin Hao stared at Shen Yutong’s eyes with a serious face, but he didn’t let Shen Yutong finish. He didn’t let Shen Yutong finish. He was afraid that after Shen Yutong finished speaking, there would be no more room for him to speak.

When Shen Yutong heard those two words from Lin Hao’s mouth, she was stunned for a moment. She understood almost instantly that Lin? The first thing you need to understand is that you have to be a good person. The company has been in the process of developing the new product. In her heart, she couldn’t help but marvel at her Gestapo, who was really very smart and clever. It’s because she has felt that Lin Hao knows what’s in her heart.

Yes, she just wanted to say to Lin Hao that she will not marry Gong Ming again, she wanted to be interrupted by Lin Hao before she could say it.

Chapter 716

Lin Hao looked deeply at Shen Yutong and said: ‘Before I came, Xiyan told me to bring you back to Huaxia, she told me that she was willing, she was willing for the three of us to live together in the future. I believe that what she said is true, the words on her lips are the true thoughts of her heart.....’

..... After Lin Hao said this, two tears suddenly fell from the corner of Shen Yutong’s eyes. She looked at Lin Hao blankly, full of complexity, with a hint of hope in her eyes, and asked Lin Hao: ‘What about you, you have a

decision in your heart, right? You’ Shen Yutong did not finish, but there were even more tears in her eyes.

Lin Hao looked at Shen Yutong’s tears that kept falling, he felt very, very hard in his heart. The first thing you need to do is to take a look at the product. The first thing you need to do is to get rid of it. Nodded his head.

After a while, Lin Hao took a deep breath and said to Shen Yutong: ‘Yes, I have made a decision in my heart. I’m sorry, Miss Shen, but I can’t agree to what Xi Yan said, and there was a misunderstanding between us from the beginning. I have only deep gratitude for you in my heart, but no love. I’ve been thinking about this for the past few days as well’

Lin Hao paused, looked at Shen Yutong with great seriousness, and said in a more determined tone: ‘I’m sorry, but I only have Huiyan in my heart. I should never be able to accommodate another woman in this life. The meeting between you and me was a mistake. So, I’m sorry, I can’t hurt Xi Yan, I will never let her be hurt again in this life, sorry’.

Lin Hao stood up and bowed deeply to Shen Yutong, this bow was his gratitude to Shen Yutong. He knew that he had hurt Shen Yutong, but this was what was in his heart, the truest thoughts of his heart.

Shen Yutong listened carefully to Lin Hao’s words, and as she watched Lin Hao get up and bow deeply to her, she had even more tears on her face. She reached out and wiped away the tears on her face, nodded heavily to Lin Hao, forced a smile on her face, and said to Lin Hao, ‘It’s okay, you don’t have to apologize to me, I told you that when I left Tianhai’

Lin Hao's body trembled slightly at the words, and he raised his head and looked at Shen Yutong, but he didn't say anything. In fact, he didn't know what he should say to Shen Yutong now. Whether he did it intentionally or unintentionally, he has already hurt Shen Yutong. Maybe just like he said, his meeting with Shen Yutong was a mistake, a wrong start, a doomed ending

Shen Yutong looked at Lin Hao, smiled and slowly said, 'Lin Hao, go back, go back and have a good life with Xi Yan. You don't have to worry about me, and you both don't owe me anything. Love is a selfish thing. The two of you are both too kind-hearted and too good. And also that silly girl Xi'an, her husband is her own, how can she share it with another woman? I really don't know what's going on in that little girl's mind, huh?

Lin Hao remained silent, just quietly looking at Shen Yutong, this time he will be determined to the end, in front of Shen Yutong, can not show the slightest bit of hesitation. If you want to break it, then you have to break it completely! Otherwise, what will be hurt later is three people, he, Shen Xiyang, and Shen Yutong

So Lin Hao didn't say a word, just silence.

The company's main business is to provide a wide range of products and services, including a full range of products and services, and a wide range of products and services. I'll make it clear to him, and then I'll plan to travel around the world, see more, and then work hard to build my career. Okay, that's it, let's go. You should also hurry back home, Jiyang is waiting for you at home, don't make her anxious and worried

Shen Yutong walked out of the pavilion after saying that, and waved her hand with her back to Lin Hao when she went outside

Shen Yutong's spontaneous walk outside, when she went out, Lin Leng was stunned, Lin Leng quickly turned back to look at Lin Hao. But it was found that Lin Hao was still standing in the same place, did not have the intention of chasing out, that is, watching Shen Yutong from behind, watching Shen Yutong continuously walking away

Super Son-in-law Chapter

717-718

Chapter 717

Shen Yutong walked away, without turning to look at Lin Hao again, and without taking a car, just walking alone towards the distant border, and Lin Hao also did not go after her, just behind her, watching her from a distance. At this moment, Lin cooling is sent dozens of the top warriors, all the way behind Shen Yutong, to protect Shen Yutong.

In fact, after this battle, I'm afraid that no one in the entire Western European territory would dare to do anything against Shen Yutong anymore! After all, Lin Hao directly destroyed the headquarters of the Black Scorpion organization for her. If she has the backing of a ruthless man like Lin Hao, who would dare to hurt her again?

Half an hour later, Shen Yutong crossed the border of country F, and Gong Ming was waiting for her there. Gong Ming still had a trace of blood on his face, and the moment Shen Yutong appeared alone, he couldn't help but be stunned. The warriors that Lin Leng had sent to protect Shen Yutong, after seeing that Shen Yutong and Gong Ming were going to make up, gave Gong Ming a fist hug, and then they all withdrew.

The next moment, Gong Ming rushed to Shen Yutong's side with great excitement, and looked at Shen Yutong with incomparably complicated eyes and said, 'Yutong, you're fine, great, great

When Gong Ming said that, he inadvertently looked behind Shen Yutong, his eyes seemed to be searching for something.

'Don't look, Lin Hao didn't come over, he should be returning to China soon

When Gong Ming saw what was in his heart, it was directly revealed by Shen Yutong, and he was a little embarrassed, scratching his head and smiling down at Shen Yutong: 'Oh, Yutong, that, in fact

'Gong Ming, let's cancel our wedding

After Shen Yutong said this, Gong Ming directly silly, silly looking at Shen Yutong, he was stunned for a while before stammering and said to Shen Yutong: 'Yutong, I'm sorry, I'm sorry, I was wrong. When they asked me for a billion ransom yesterday, I didn't want to refuse, I was just thinking about how to get enough money, really, I swear, I was really just thinking about those things

Tomorrow is the day of his and Shen Yutong's wedding, and now Shen Yutong has suddenly gone back on her word. For a while, he was incomparably anxious, because he really loved Shen Yutong. One billion assets is all he has now, and although he didn't agree to Silver Wolf's request yesterday, he definitely didn't hesitate when Silver Wolf said he wanted 500 million. Just him? Closed the intention to lovingly whisk zero whisk? I'm not sure if I'm going to be able to do that, but I'm not sure if I'm going to be able to do that.

It's not just a matter of time, it's also a matter of time. He can pay 500 million, half of his entire fortune, to save his lover without hesitation. This kind of tycoon is also worthy of people's respect. After all, there are many things in this world other than love that need to be guarded.

Shen Yutong looked at Gong Ming's incomparably tense face, and she shook her head and said to him, 'Gong Ming, you are a good person. Even when I left Tianhai City half a month ago, I truly decided to marry you. At least that's how I decided at that time. But after this incident, I'm sorry, I realized that I still can't fit you in my heart. I only have gratitude for you, not love, so I'm sorry, Gong Ming, you are really good, very good, there are many good women in the world. Forget about me, you will meet a better one'

Shen Yutong took a deep breath, and in an incomparably resolute tone, she told Gong Ming her deepest and truest thoughts. Then after she finished speaking, she walked off into the distance, without looking back.

Chapter 718

The tone of voice and attitude with which Shen Yutong spoke to Gong Ming just now was just like what Lin Hao said to her in the gas station in the back, and both of them were so resolute and without the slightest hesitation.

‘I don’t want anyone else, I want you! I want you! Shen Yutong, I want to marry you for the rest of my life, I only want to marry you! Only you!!!’ Gong Ming fiercely turned around and shouted at Shen Yutong’s back

A gust of cold wind blew by, rolling up some delicate white snow on the ground, those white snowflakes pounded on Shen Yutong’s body, on her face, she naturally heard Gong Ming behind her, the hysterical shrieking, but she did not stop for a moment

Gong Ming saw that Shen Yutong did not stop, and for a moment he was suddenly stunned. Some cold snowflakes also pounded on his face at this moment, and he stood there stunned, while behind him were more than a dozen luxury cars and the people he had brought with him to protect Shen Yutong.

After Gong Ming was silent for a while, he suddenly took a deep look at Shen Yutong’s back, opened his mouth with difficulty, and said in a normal voice: ‘You tell me, is it because of Lin Hao? He’s already married, with a grand wedding for your sister in Tian Hai City, and you still like him, right?’

This time? The first thing that you need to do is to take a look at the following The first time I went to the front ten meters away Shen Yutong, the body suddenly froze, just Gong Ming so hysterical call her, she did not stop, but this time she is stopped.

After a while, Shen Yutong nodded her head, without looking back to Gong Ming, or to herself, and said: ‘Well yes, I still love him in my heart, even if he’s married. Even if he will never have anything to do with me again in his life

‘Shen Yutong! You’ll suffer for the rest of your life if you do that! A lifetime!!!! ‘When Gong Ming heard Shen Yutong’s words, he couldn’t hold back any longer and shouted at Shen Yutong with tears in his voice, as if he wanted to wake Shen Yutong up.

The cold wind on the national border became even stronger, and the snow on the ground that was swept up by the cold wind also became more and more. The white snowflakes that fell on Shen Yutong’s body were also more numerous, such as her long black hair, which was now covered with a layer of white snow, delicate white snowflakes.

At this moment, after hearing Gong Ming’s words, Shen Yutong stretched out her hand and caught some white snowflakes in her hand. She looked at the white snowflakes that were slowly melting in her hand, opened her mouth and slowly said, ‘Yes, I know, I know, but so what? Do I have to be with him just because I like him?’

‘I didn’t lose to Xiyan, I didn’t‘ In the wind and snow, Shen Yutong mumbled to herself, and then walked away without stopping, her figure slowly disappeared in Gong Ming’s sight

Yes, this is the short ending for Lin Hao, Shen Yutong, and Gong Ming. Lin Hao did not choose to take Shen Yutong away, and Shen Yutong did not marry Gong Ming out of gratitude. Under the sunlight, in the snowstorm, the empty border between Western Europe and the United States, where the three people stopped, seemed to form a sad scenery

It's just that many times in this world, many things, it may be the end, but no one can say what will happen afterwards. Shen Yutong was not able to be with Lin Hao in the end, but she has no regrets, nor does she have any regrets in her heart.

As she said, if you like someone, do you have to be with him? Lin Hao saved her twice at the most critical juncture of her life, in the manner of a great hero! And she, Shen Yutong, also took Lin Hao with her in the moment of life and death!

At least this kind of memories, memories between life and death, is what Shen Xiyao does not have. So from this point of view, Shen Yutong she felt that she at least did not lose! This kind of memory, in a sense, is much better than two people simply being together.

The white snowflakes on Shen Yutong's long hair and body were completely melted under the warm sunlight at this moment, and a smile from the bottom of her heart appeared on her face.

And Shen Yutong's face, at this moment also revealed a trace of a smile from the heart, a very real smile without pretending

Yes, she didn't lose didn't

Super Son-in-law Chapter

719-720

Chapter 719

After Lin Hao finished dealing with the matter in Western Europe, he flew back to Tianhai City at the first time, but because of the distance, it was already 9 o'clock at night when Lin Hao arrived at Tianhai.

Lin Hao stayed in Western Europe for a total of three days and experienced a big battle. At the final moment of the duel between Lin Yan and the Lin Clan, he arrived and succeeded in saving Lin Yan and killing Lin Xiaoyun, his main goal was a great success this time. He also resolutely decided to make a choice between him and Shen Yutong.

Lin Hao knew that his choice might be cruel to Shen Yutong, but that was his heart's truest thought. Maybe it's the old saying, 'Better to be in pain for a long time than to be in pain for a short time.'

Now that Lin Yan's matter was resolved, Shen Yutong's matter was also resolved, and he had a grand wedding with Shen Xiyan in Tianhai City, when Lin Hao was sitting on the plane back to Tianhai City, he finally felt a bit of relaxation in his heart. True relaxation, the chaos and hatred within the Lin Clan had been suppressing him for over ten years. This time it was finally resolved, and he and Shen Shiyan also had a grand wedding. Lin Hao's heart was greatly relieved. He now had the full strength to protect Shen Shiyan.

But in Western Europe, which was yesterday, Lin Yan passed on to him the position of head of the Lin Clan, because the inheritance ceremony was held in Western Europe at that time. That Lin Hao also needs to go back to Yanjing to hold another one, stand inside the Lin Clan Hall, and hold another succession ceremony again, and Lin Hao also promised Lin Lao Tai more than half a month ago? The first thing you need to do is to take the time to make a decision. The first thing you need to do is to take a look at the new year. This time, Lin Hao planned to rest for three days in Tianhai City, and then he would take Shen Xiyan all the way north to Yanjing to return to his home.

As for Lin Yan, Dao Yi and Mo Lao, the three of them would head to Yanjing after Dao Yi had sobered up. According to Mo Lao's estimation, Dao Yi's injuries were very serious, but he would be able to come to his senses within three days. After three days, they would meet up with Lin Hao in Yanjing to hold a succession ceremony for him.

No matter whether it was Mo Lao or Lin Yan and Dao Yi, they all believed that this Lin Hao's succession ceremony was definitely the grandest in the thousand years of the Lin Clan's succession, simply because Lin Hao was the only one who had advanced to the level of an Innate Master at the beginning of his succession, and he was also a world-beating heavenly pride!

While on the plane, Lin Hao sent a message to Shen Jiyun, saying that she would be home at ten o'clock tonight. When she received Lin Hao's message, she was waiting at the door a little after nine o'clock. Even though it was a winter night, even though it was cold outside, Shen Suyun stood at the front door and waited for Lin Hao to return.

In the past few days when Lin Hao went out, Shen Xiyun was incomparably worried, first about the civil war in Lin Hao's family, and then about Shen Yutong. Now that Lin Hao has finally returned, safely, Shen Jiyun is incomparably happy, and the big stone hanging in her heart has finally landed on the ground.

Shen Xiyun's eyes were obsessively looking into the distance, and she always had a smile on her face.

‘Lin Hao, we will be happy together in the future, I will be a good wife, stand behind you, accompany you, and love you’ Shen Suyan murmured in her heart, these days, in addition to her worries about Lin Hao, the most that came to her mind was the other day. Lin Hao gave her a magnificent wedding. Especially at the wedding, when Lin Hao tore off the mask on his face to reveal his face, that scene she Shen Shiyuan will never forget.

‘Lin Hao, I just want to be by your side for the rest of my life. Sister Yu Tong loves you very much. I really don’t care, don’t worry, I will definitely get along with Yutong sister, I will definitely not let you embarrassed, definitely not’ Shen Caiyan face laughing, heart said to herself, at this moment she is well prepared to wait here for Lin Hao’s psychological preparation, the same is also well prepared. See her cousin Shen Yutong’s preparation later.

At this moment Shen Siyan was standing outside waiting, and there was another woman standing behind her, Lin Qingcheng, Lin Hao’s own sister. This time when Lin Hao was leaving, he entrusted Shen Siyan to her. Lin Qingcheng is also taking care of Shen Shiyuan seriously. In the past few days, Lin Qingcheng and Shen Suyan talked a lot together, and as she got to know Shen Suyan better, Lin Qingcheng felt that Shen Suyan was really a very, very good girl.

I’m not sure what kind of woman in the world would allow the man she loves to be in love with another woman. Lin Qingcheng thought about it differently, and she couldn’t even do it, but Shen Xiyan thought so, and with Lin Qingcheng’s wisdom, she was completely sure that Shen Xiyan really didn’t care in her heart. The only thing this silly girl cares about is that she will be able to accompany her brother Lin Hao in the future.

‘I’m not sure how much I can do for you, but I’m not sure how much I can do for you. But I really hope that you won’t do anything stupid, brother, I know you are very good, but I hope that you will never stop hurting her, okay?’ At the moment Lin Qingcheng looked at Shen Xiyan standing at the gate, waiting

for Lin Hao in the cold wind, her heart ached, she really didn't want Lin Hao to do anything to hurt Shen Xiyan

Because even if Shen Ziyuan accepts it in her heart, it's not fair to her, not fair

Chapter 720

And Shen Xiyan is very, very sensible, these days, although Lin Qingcheng lives with her, all the time together. But Shen Caiyan has never taken the initiative to ask Lin Qingcheng about the Lin family. In other words, Shen Xiyan really doesn't care about Lin Hao's family background or anything else. She just simply wants to be with Lin Hao, simply wants to be with Lin Hao

Time passed slowly, and soon it was 10:00 p.m. At 9:55 p.m., a black Bentley drove in her direction in front of Shen Mingyan's eyes, and the car stopped when the headlights shone on her. The next moment Lin Hao, wearing a long black trench coat, pushed the door from the car and walked down

Lin Hao looked at Shen Shiyuan quietly in the night, and Lin Hao smiled, and Shen Shiyuan smiled and looked at Lin Hao. The two didn't embrace each other at the first time, they just looked at each other from a distance of four or five meters. Lin Hao saw happiness and joy in Shen Suyuan's eyes, and Shen Suyuan saw guardianship and affection in Lin Hao's eyes.

The next moment, Lin Hao stepped in front of Shen Suyuan, reached out his hand and touched Shen Suyuan's small face, which was already cold and red, and said with great distress: 'Just wait for me at home, why do you need to come out, look at your frozen face is cold, don't catch a cold, go back to the house quickly' 'Lin Hao was a little distressed but also a little reproachful to

Shen Xi Yan, because he was really distressed. Judging from Shen Suyan's cold face, he instantly understood that Shen Suyan had been standing here for a long, long time.

Shen Jiyan smiled and said to Lin Hao: 'It's fine, I won't catch a cold. I just wanted to wait here for you. Let me be the first one you see when you walk in the door. You have to tell me the truth.' said Shen Xiyi, looking at Lin Hao's face with some worry, she was really afraid. She is really afraid. Lin Hao went out twice and returned with serious injuries.

Lin Hao was so spoiled by the news that he hugged Shen Xi Yan directly into his arms and held her tightly without speaking. Lin Hao took a deep breath, incomparably greedy and inhaled the smell of Shen Caiyan's body. Only now, when he was holding Shen Suyan in his arms, would he feel at ease, would he feel that there was no more emptiness, would he feel that his life had meaning.

'Mmm' Shen Caiyan was waiting for Lin Hao to reply, then she was suddenly held so tightly by him. She didn't react for a moment, and Lin Hao held her very, very tightly. Shen Siyan couldn't help but cry out in a low voice. When she subconsciously tried to speak, she felt Lin Hao hug her tighter. So she stopped talking and hugged Lin Hao tightly, hugging the man who had been silently paying for her, the man who had suffered so much over the years, and the man who was willing to protect her for the rest of her life.

'The first thing that I want to do is to get rid of the old man's body, and I'm going to do that. Yes, the Lin Hao in her arms at this moment is like a child who is tired of being outside and coming home

Lin Hao and Shen Xiyi held each other for a while before separating, Lin Hao kissed Shen Xiyi's cold, pretty face: 'Well, we'll hold each other like this

for a while, every day, every day, let's go, go back to the house, it's too cold here’ Lin Hao said and pulled Shen Xiyan to go inside.

It's just that Shen Xiyan pulled Lin Hao, she looked back at Lin Hao to stop? I'm not going to be able to do anything about it. The company's main business is to provide a wide range of products and services, including a full range of products and services, including a full range of products and services, and a full range of products and services. She’

Lin Hao's body froze at the news, and he turned to look at Shen Shiyuan silently

‘What what's wrong?’ I'm sorry, I only love you one person in this life, except for you, I can't live in any other woman's heart.

‘I'm sorry, I only love you one person in this life, besides you, I can't live in my heart any other woman’ Lin Hao said calmly and seriously to Shen Suyan

The cold wind blew, blowing the long hair behind Shen Shiyuan's head to the front of her face, as if this cold wind also blew to the corner of her eyes, so she directly dropped a tear down
