## 721-723

### Chapter 721

‘But ..... but ..... sister Yu Tong she ..... she really likes you ..... you .....’ Shen Xiyan was stunned for a moment and then said to Lin Hao with tears streaming down her face, choking.

Lin Hao shook Shen Xiyan’s hand tightly and extended his hand to wipe away the tears on her face with great tenderness. You’ve done well enough, and the fact that you can say that you want me to bring back Shen Yutong makes my heart both happy and distressed. I’m not lying to you, I’m not lying to you. And I didn’t lie to you, I only have gratitude for your cousin, and no love .....’

Lin Hao took a deep look at Shen Xiyan, paused and continued: ‘Xiyan, from now on, the two of us will be together, okay? Don’t worry about anyone else, I only love you once in my life, so don’t do anything stupid, okay?’

When Shen Siyan wanted to say something else, Lin Hao directly took her in his arms and hugged her tightly, touching her hair and whispering in her ear: ‘Shen Siyan, you remember, you are my wife, I am your husband, without my permission, you don’t give me any trouble in the future!’

Lin Hao’s words were deliberately very heavy, but after Shen Xi’an listened, her heart was very warm and warm, in the cold wind under the night, at the gate of the villa, Lin Hao held Shen Xi’an tightly, while the car behind him, under the sign of Lin Hao’s eyes, silently left. Yes, there was no Shen Yutong on

that car, Lin Hao in Western Europe, has made it very clear to Shen Yutong, he and Shen Yutong will become best friends, but absolutely will not have any relationship, absolutely .....

And at this moment in the distance behind Lin Hao, the country-turned-city Lin Qingcheng, seeing this scene of Lin Hao and Shen Xiyuan embracing deeply, seeing this scene of Lin Hao not bringing Shen Yutong back, she smiled, laughing incomparably happy.

‘Brother ah, you are finally enlightened, don’t say, my Lin Qingcheng’s brother, really is peerless, do well to Xiyuan, my brother, my ..... Lin family master!!!’ Lin Qingcheng looked distantly at Lin Hao and Shen Xiyuan and murmured in her heart.

After being held by Lin Hao for a while, Shen Siyan suddenly saw Lin Qingcheng watching her from behind, Shen Siyan’s pretty face brushed red and quickly pushed Lin Hao away.

‘What’s wrong?’ Lin Hao is puzzled at? Ishandi zero love cover up? Shen Xiyuan asked.

‘Sister, sister is behind you, these days Qingcheng sister is also very worried about you, as well as Dad. You should quickly go back and talk to your sister .....’ Shen Siyan blushed and lowered her head, whispered to Lin Hao, this time she is also very, very shy. She said she was going to let go of Lin Hao’s hand.

But she wanted to let go, but Lin Hao did not want to let go and held it tighter. Let's go. ....'

'Hmm ..... 'Shen Xiyan nodded her head gently, although her face was still a little red, but still held hands with Lin Hao and walked over to Lin Qingcheng.

'Sister ..... 'When Lin Hao pulled Shen Xiyan and walked to Lin Qingcheng, his eyes were incomparably complex. Now Lin Yan's truth was revealed, and all these years, both he and Lin Qingcheng had been resenting Lin Yan in their hearts. Although Lin Qingcheng was not as extreme as Lin Hao, she was also disappointed in Lin Yan to the extreme in her heart. And this time as all the truth was laid out. Lin Hao believed that it wasn't just him, Lin Qingcheng's heart was probably even worse.

Lin Qingcheng looked at Lin Hao, and her eyes turned red. But she quickly held it back and said to Lin Hao, squeezing out a hint of a smile on her face: 'Brother, Xi Yan has been worried about you for a few days, we'll talk about it tomorrow, you quickly go inside, I won't be here tonight .....'

Before Lin Qingcheng finished speaking, Shen Suyan quickly let go of Lin Hao's hand, took Lin Qingcheng's arm and said: 'Don't, sister, you and Lin Hao talk first, I'm going back to the house first. I have nothing to worry about now that Lin Hao has returned safely. ....' Shen Suyan said, not waiting for Lin Qingcheng to speak, and ran straight back inside the house.

Yes, she waited outside for more than an hour at night in the cold wind, but after Lin Hao returned, she ran back to the house. But after Lin Hao came back, she rushed back to the house herself. Shen Xiyan was very sensible.

## Chapter 722

‘Xiyan, you .....’ Lin Qingcheng also wanted to call out to Shen Xiyan, but Shen Xiyan had already run into the house, and went straight to the second floor room. Lin Qingcheng could only stop.

Then Lin Qingcheng looked at Lin Hao and said, ‘Hey, brother, Xiyan is really a good girl, you did the right thing this time. You did the right thing this time. You didn’t bring Shen Yutong back, brother, in the future, you must cherish this relationship between you and Ciyan, okay?’ Shen Yutong gave Lin Hao a deep look.

Lin Hao looked at the figure of Shen Xiyan who disappeared inside the villa, withdrew his gaze from looking at Shen Xiyan, and then nodded to Lin Qingcheng, ‘Well, don’t worry sister, I will. I’ll never fail her in this life. I will only love her as a woman in this life, only one .....’

‘Well, that’s right, when Dad was so powerful in Yanjing, he didn’t just love Mom? He .....’ Shen Yutong said to Lin Hao with a smile on her face, which she said completely subconsciously. But after she said it, she suddenly fell silent. It was so silent that a single tear fell from the corner of her eye.

Lin Hao took a deep breath, took a handkerchief from his pocket and handed it to Lin Qingcheng, slowly saying: ‘Sister, come in and talk. I’ll talk to you properly about these things .....’

Lin Qingcheng wiped her tears and nodded her head, ‘Well, good .....’.

Five minutes later, Lin Hao and Lin Qingcheng were sitting opposite each other on the sofa in the living room. Lin Qingcheng looked at Lin Hao with a hint of sadness in her eyes and asked Lin Hao, 'Brother, is Dad seriously injured this time? He .....

Lin Qingcheng asked Lin Hao, and a tear fell from the corner of her eye.

Lin Hao's face was incomparably complex, he was silent, in fact, until now his heart was also very confused and chaotic. After all, his hatred for Lin Yan over the years was not fake. The last time at the entrance of the Lin Clan's ancestral home in Yanjing, he even killed Lin Yan directly. And yet Lin Yan has been carrying all the pressure all these years. When he was getting married, Lin Yan killed all the incoming assassins of the Tears of Cherry Blossoms with serious injuries, when Lin Yan was about to go to Western Europe for a duel. But he still fought with serious wounds to escort him.

Until now, Lin Hao was thinking about the time when Lin Yan fought a duel to the death with Lin Xiaoyun at the foot of the sacred mountain of the Lin Clan branch. If he hadn't broken through to the level of an Innate Patriarch that day, and if he hadn't arrived in Western Europe in time, the consequences would have been unimaginable. According to Lin Hao's judgment, if he hadn't arrived with Jun Wu Jing, Lin Yan and Daoyi would have fallen. Lin Yan and Daoyi would have fallen. Maybe Lin Yan will pull Lin Xiaoyun to die with him, or Lin Yan himself will die. ....

So thinking about this, Lin Hao couldn't help but feel a bit scared at the moment. At this moment, Lin Qingcheng saw him silent and did not disturb him, she also understood how bitter Lin Hao's heart was at this moment.

'He ..... was very, very badly injured, but fortunately there is no danger to his life, and when Uncle Dao Yi wakes up, they will go back to Huaxia and go directly to Yanjing .....

Lin Hao paused, tears flowing silently from the corners of his eyes as he looked at Lin Qingcheng and asked, ‘Sister, do you think I am very ungrateful? Half a month ago in front of the ancestral home, I ..... almost killed him.’

Lin Qingcheng reached out and held Lin Hao’s hand tightly, tightly, and she looked straight at Lin Hao and said, ‘Brother! Remember, first, you can’t kill him, and second, the day he stopped you at the entrance of the ancestral home, it was definitely for Lin Xiaoyun’s benefit. Brother, all these years, we have been very, very bitter, father is very bitter, you are also very bitter. Don’t think too much, okay? And this time you saved your father, he is absolutely happy and relieved, and when he comes back, we will go home to see him too, okay?’

Lin Hao opened his mouth and didn’t say anything, but nodded his head, and for a moment he and Lin Qingcheng were silent again. And now I believe Lin Yan will also be proud of their pair of sons and daughters. ....

‘Dad, what? I’m sorry, I’m sorry. Sorry .....’

‘Dad, thank you .....’

Lin Hao said to himself, he made up his mind, after returning to Yanjing, he would give Lin Yan a good apology, and then talk to his father and have a good ..... talk with an open heart, the next time we meet, he will definitely open his mouth and call out at the first time: Dad .....

In Western Europe, in the secret base where Lin Yan and Dao Yi healed their wounds, a pale Dao Yi opened his eyes at midnight. After he opened his eyes, he informed Lin Yan the first time.

Ten minutes later, Lin Yan came to Dao Yi's side, and the two old brothers looked at each other, both seeing the complexity and relief in each other's eyes.

After a long time, Dao Yi sighed deeply and smiled forcefully: 'Not bad for a son of a redhead, really excellent. You are blessed to have a son who is a genius, and your Lin Clan will really have a successor this time. ....'.

Dao Yi was laughing, but Lin Yan did not laugh, but looked deeply at Dao Yi, and after a while, Lin Yan spoke to Dao Yi and said, 'Brother, Rouge's revenge has been avenged, what are your future plans?'

As Lin Yan spoke, there was a trace of reluctance in his eyes. When Dao Yi woke up and called him just now, he actually understood in his heart. The reason why Dao Yi has been following him all these years is just to avenge Fu Hongyan. To kill everyone in the Lin Clan. This is Dao Yi's obsession, and now the revenge has been taken. Lin Yan now also saw a hint of parting from Dao Yi's eyes.

Sure enough, the smile on Dao Yi's face disappeared after he heard the words, and he was silent. He stretched out his hand and lit a cigarette, although he still had many tubes of infusion in his body at this moment, but he didn't care much anymore. He took a deep drag on his cigarette and said to Lin Yan: 'Twenty years ago, when I went down to the mountains, my master once told me that I was impure and could not pursue the Great Tao. I chose the most difficult path, to be certified in the red dust. Well, as a result, I have only now

discovered that my master was right, and that I will never be able to break through to that level of terror in my lifetime. ....‘

Dao Yi said incomparably sobbing and lamenting, Lin Yan did not speak, just quietly listening on the side. In the past, it was basically him who was talking and Dao Yi who was listening. But now the two of them have changed positions, it is Dao Yi who is talking and he is listening. ....

Daoichi coughed violently twice, threw away the cigarette butt, and said with some annoyance: ‘Grass, what’s this stupid cigarette? So choked? I don’t know why those people like smoking so much. It’s hard? Love Dye Yi Yi Serving Zero? Smoke it to death .....‘

Dao Yi complained, while Lin Yan got up and walked over to where he had left the cigarette butt, and stomped out the butt with his foot. But at that moment, Dao Yi’s words reached his ears: ‘I’m leaving, you should go back to Yanjing too. Let’s say goodbye here .....‘

Lin Yan is still maintaining the action of stepping on the cigarette butt, although he already knew the answer in his heart, but at this moment when he really heard Dao Yi say this, he was still a bit upset. All these years, he lost all his friends and relatives in order to paralyze Lin Xiaoyun and the other Lin Clan branches. Only Dao Yi stayed with him, yes, during these ten years. Dao Yi had spent the most time with Lin Yan. And now that the obsession in Dao Yi’s heart is gone, it is indeed time for him and Dao Yi to part .....

Although Lin Yan was very upset, he still respected Dao Yi’s choice and nodded, ‘Well, I knew you would leave. I’ve transferred ten billion yuan to your account, so you can spend it however you want, just tell me if it’s not enough. So ..... where are you going to go next?’

Dao Yi was silent again, and after a while, he said with great emotion, 'Go back to the mountain, visit my master's grave, inherit his mantle, and maybe go around .....

Lin Yan nodded: 'Well good, if there is anything you need in the future, just let me know .....

#### Chapter 724

'Well, I will, you leave tonight, go back to Yanjing, and acknowledge your mother's mistake, it's not easy for her these years. Old Lady Lin is considered to be a generation of women, she is old, she may not have a few years, you accompany her well .....

Dao Yi looked deeply at Lin Yan, there is endless complexity in his eyes.

'Okay .....

Lin Yan replied with a trembling voice.

'Well .....

Dao Yi also hmmed, then stopped talking, the meaning of sending guests is already obvious. Lin Yan nodded to Dao Yi, and turned to walk towards the door.

But when he reached the door, he stopped and turned to Dao Yi and deeply worshiped: 'Brother, these years, thank you .....

Maybe you were right back then, Hong Yan should have been better ..... with you.'

Buzz ..... Dao Yi heard Lin Yan's words, tears directly flowed down, two lines of clear tears streamed downwards. He stared blankly at Lin Yan, and his voice was hoarse as he roared, 'Get lost .....

Dao Yi was scolding Lin Yan, but Lin Yan wasn't angry at all. Just because he didn't live up to the promise he made to deal with Rouge, he didn't live up to the promise he made to Daoist One. This caused Fu Hongyan to perish early in her fragrance .....

Dao Yi was weeping, and Lin Yan's eyes were red. The image of his wife Fu Hongyan floated in his mind. That more than twenty years ago, a generation of Yanjing wondrous woman, gentle and kind, daring to love and hate, so much in love with him, so much in love with Lin Hao and Lin Qingcheng two children .....

.....

The night in Warsaw is when Lin Hao returns to the sky. The same night in the Yanjing Lin's ancestral home. In the past few days, he has been in the company of a number of people, and he has been in the company of a number of other people.

After receiving this news, Old Lady Lin couldn't sleep. She sat alone in the Lin Clan Hall, yes she was alone, she sat here alone, staring at her husband Lin Zhantian's ranking.

Once upon a time, she was incomparably desperate for Lin Yan, believing that after he became the head of the Lin Clan, he became vain and unmotivated, not daring to wage war against Lin Xiaoyun. For this reason, she did not give Lin Yan a good face at all in the past ten years. And she even told Lin Yan countless times that she wanted to break off relations with him.

But when she now knows the truth of everything, she was shocked, deeply shaken. It turned out that her son was always excellent, always excellent. He wasn't inactive, he was just waiting, and when the time came, he would just wipe out the entire Lin Clan branch in one fell swoop! And Lin Yan even in the end, he took all the consequences on himself. He purged the entire internal contradictions of the Lin Clan and left Lin Hao a strong and unified Lin Clan warlord!

And at this moment, Old Mrs. Lin recalled in her heart, Lin Yan's face when she said goodbye to her that day. The old lady's eyes became a little moist as she thought about it.

'Child, mother now understands that you came to say goodbye to me with the intention of not coming back, right? My son, I was wrong. I was wrong to blame you. I should have believed you. You are my son, my only flesh and blood, how could I have doubted you? I'm sorry, Yan'er, I'm sorry ..... 'Old Mrs. Lin was talking to herself in the ancestral hall, tears flowing down her face .....

Old Mrs. Lin took a deep breath and said to Lin Zhantian's tablet, 'Zhantian, do you see, our son is very game, very good, our grandson is also very good, your lifelong wish, I believe it will be realized soon. Our Lin will absolutely flourish in the hands of Hao'er, and you ..... can rest in peace under the nine springs, you can .....

Old Mrs. Lin has been talking to herself for a long time this night in the ancestral shrine of the Lin Clan's ancestral home. She is old, but she has not slept a single night, just like when she gave birth to Lin Yan, she used to hold him night after night. And this night when she learned that her child, her own flesh and blood, had suffered for more than a decade, she didn't sleep this night either.

At six o'clock in the morning, Old Mrs. Lin went to the gate of the ancestral home and waited there for Lin Yan to return. ....

## Chapter 725

The first rays of sunlight hit the horizon at seven o'clock in the morning, scattered in front of the gate of the Lin family's ancestral home in Yanjing, and also on the white-haired, expectant old lady Lin.

When she opened her eyes again, she saw the figure of a man in front of her, her son, Lin Yan.

Lin Yan's face was pale and he was wearing a black military coat, and although he was able to walk now, his wounds were still not completely healed. Still in a seriously injured state? Yi zero whisked Xi'er Er? It's just that after he learned that Old Lady Lin had been expecting him to return, he rushed back as soon as he could after saying goodbye.

The first thing that I want to do is to tell you that I'm not going to be able to do anything about this. Bang ..... The next moment Lin Yan knelt down in front of the old lady, looking at the old lady, looking at the mother who gave birth to him, he said in a hoarse voice: 'Mom, I'm sorry, these years is my son is unfilial, let your old man disappointed, sorry.... ...'

In the past ten years, apart from being sorry to Lin Hao and Lin Qingcheng, the one thing he was most sorry for was his mother.

Old Mrs. Lin listened to Lin Yan's words and looked at his incomparably pale face, and her tears couldn't stop flowing down. But she quickly approached Lin Yan trembling, reached out her hand to wipe away the tears on his face, squeezed out a smile, and choked out a sob, saying: 'Son, I don't blame you, I don't blame you. You have done well, good, child, you have suffered all these years, it's mom's fault that she didn't believe in you, I'm sorry, my Yan'er .....'.

Old Mrs. Lin herself helped Lin Yan up and reached out to wipe the tears off his face, just like she did to Lin Yan when he was little. It was getting sunny outside, and in the sunshine Old Mrs. Lin was holding Lin Yan's hand, and behind the two of them, hundreds of people appeared at the gate of the Lin Clan's ancestral home, all of them from the Lin Clan's gatehouse. Right now they were all quietly watching the scene in front of them.

The Lin Clan would eventually rise to power, after Lin Yan killed the branch's sacred mountain and exterminated Lin Xiaoyun and the others. All of them knew that the high gate that had been inherited for thousands of years had been completely unified, and there would no longer be any opposition within the gate, and the Lin Clan would definitely prosper again in the future. Not to mention the fact that the Lin Clan nowadays is a complete successor to the Lin Clan.

Lin Hao, the proud owner of the Heavenly Sea, the forty-eighth generation master of the Lin Clan, has also promoted himself to the level of an Innate Master. Lin Hao is the first in a thousand years of Lin Clan heritage. That's why everyone in the Lin Clan now has absolute confidence in the Lin Clan's future.

The new head of the temporary clan is very strong and has great potential, and even now he is on a par with Jun Wu Jing of the Yanjing Jun Family. And Lin Hao is much younger than Jun Wu Jing. Although Lin Yan has abdicated, he had already solved the biggest problem of the Lin Clan before he abdicated. I believe that after Lin Hao took office, the Lin Clan will definitely take off at a high speed.

Now that Lin Yan has returned to Yanjing, as for when Lin Hao will return? That's three days from now, three days from now, Lin Hao will ascend to the position of head of the family at the Lin Clan's ancestral home in Yanjing, in the presence of all the members of the Huaxia Lin Clan, and take complete control of the entire Lin Clan! And Lin Hao's succession ceremony in three days will be an absolutely unprecedented event! At this moment, everyone in Yanjing is waiting for Lin Hao's trip to the north .....

Lin Hao goes north and directly succeeds the head of the Lin Clan .....

Lin Yan followed the old lady into the ancestral home, and it was believed that mother and son had too much to talk about. The sorrow of the Lin Clan in the past ten years, and the future direction and path of the Lin Clan. Three days later, Lin Hao will go north and return to the ancestral home to hold the succession ceremony, and Lin Yan and the old lady must get all aspects right this time. It can't be like the one in Western Europe a few days ago, which was hastily and dazily announced directly. It is not fair to Lin Hao.

And Lin Yan's heart is very, very sorry for Lin Hao after all, so this time, he wants to hold the best for Lin Hao in Yanjing.

At the same time, in Tianhai City, China, in Lin Hao's villa, a ray of warm sunlight shone through the window and onto Lin Hao's bed. It is the first time in the history of the company that the company has been involved in the development of the company. The two of them naturally went crazy again last night, and the two of them threw their clothes all over the floor under the bed.

After a few more moments, Lin Hao opened his eyes, and when he opened his eyes, he saw Shen Caiyan, who was wrapped around him like an octopus. Lin Hao was incomparably satisfied as he felt Shen Caiyan's temperature on his body and smelled Shen Caiyan's fragrance on his nose. The first thing you need to know is that you can't be too careful when you're not in the market.

'The next moment, she opened her eyes, and then her big, blinking eyes met Lin Hao's. 'Hubby, you're awake.

'I'm going to cook for you at .....' Shen Xiyuan opened her mouth and kissed Lin Hao on the face. Then she smiled and wanted to get up and go out to make breakfast for Lin Hao.

It's just that she wanted to get up, but Lin Hao didn't want her to move, so he rolled over and put her underneath him. Shen Caiyan was shocked, and her beautiful face reddened a bit. In the next moment, Shen Huiyan bit her lips and whispered to Lin Hao, 'Honey, what do you want?' in a shy voice.

Lin Hao lowered his head and kissed Shen Shiyuan on her red lips and said, 'Oh, what do you think I want? My greatest happiness is to open my eyes in the morning, and you and the sun are there. Lord Wife, it's so sunny, why don't we do it again?' When Lin Hao said that, the hand inside the quilt was a bit dishonest.

Shen Shiyang's pretty face became more and more red, and her breathing became a little quicker, and she quickly said to Lin Hao: 'Don't, sister is still here, don't let her hear .....

Lin Hao smiled and shook his head: 'Silly girl, do you think my sister is ignorant? Sister left last night after talking with me. She also needs to be alone for a while. These days she stays with you and now gives her a few days alone time.

Lin Hao said that his whole body was on top of Shen Suyang's body, and then a soft humming sound was heard from Shen Suyang in their room. ....

## Chapter 726

As the saying goes, a small parting is better than a new love, especially since Shen Xiyang has been worried about Lin Hao outside. Especially she knows in her heart how much the man on her body has done for her in her life, so she is trying to cooperate with Lin Hao.....

Well, the result was that by the time they got out of bed, it was already after two o'clock in the afternoon. In fact, Lin Hao's temperament still did not want to get up, but the two of them were really hungry.

In the living room, Shen Scangyan's footsteps were unnatural as she walked to the kitchen, and her two long legs were trembling as she walked. The first thing you need to do is to take a look at the company. The expression is both happy and shy, and there is a hint of shame and anger.

Shen Xiyan turned to stare at a certain big pig's hoof and bit her lip: 'You still say! It's not all about you. Are you a machine? Don't stop doing it! I, I can't even walk. What if someone comes home later? I don't care, if someone does come later, you're in charge and I'll go back to the house. ....'

'Haha, hmmm, well, well, I will obey my wife's orders!' Lin Hao smiled and gave Shen Xiyan a military salute. But the expression on his face was still very annoying, as if he particularly liked to see Shen Xiyan's expression of shame and annoyance.

Shen Siyan bit her lip, clenched her small fist tightly, did not pay any attention to Lin Hao, but turned around and started cooking. ....

Lin Hao stood behind, leaning against the escalator, from afar, incomparably happy, looking at Shen Xi'an, looking at his wife who was bullied by him like that, but also incomparably well-behaved to cook for him, he was incomparably happy and touched.

I'm sure you'll be able to find a way to make it work,' she said. If you count from last year, we have been married for a year and a half now, I ..... want to take you to meet my family, my father, my ..... grandmother ..... and my mother. .... 'Lin Hao took a deep breath and said to Shen Xiyan incomparably seriously.

Buzz ..... Shen Caiyan was directly stunned by the action of cutting vegetables. In fact, these days, and even these months, ever since she remarried to Lin Hao in Nanjiang City, she has been thinking of going to meet Lin Hao's family. It's just that Lin Hao didn't mention it, so she didn't ask again.

And then, as Lin Hao's identity continued to be revealed to her, first as the president of the Jiuzhou Group in Nanjiang City, and then as a taboo existence in Tianhai City, the grand president of the Tianhai Group, especially Lin Hao's energy that he alone had shown in Tianhai City. It's already much more powerful than any of the major first-class families in Tianhai City.

So many times, Shen Xiyan already had a bit of fear in her heart. Lin Hao's identity was too terrifying, so terrifying that even if he was the president of the Tianhai Group, Shen Siyan guessed that this president's identity was just a small identity of Lin Hao. Now she didn't even dare to guess Lin Hao's true identity!

When in Nanjiang City, Lin Hao revealed that he was the president of the Kyushu Group, Shen Suyan was happy. When Lin Hao revealed that he was the president of the Tianhai Group when she was in danger in Tianhai City, Shen Xiyan was actually a little scared. Because marriage is something that, in fact, in Huaxia, to a certain extent, still depends on the household. When Lin Hao's identity background was too powerful, she was worried in her heart that her origin would not be accepted by Lin Hao's family. ....

'Can I ..... me?' Shen Xiyan didn't turn back, she didn't turn back to look at Lin Hao, she just whispered a question, asking the doubt and fear in her heart.

‘You can do it! You are my wife, there is no one in this world, dare to say that you are not, Xi Yan, don’t worry, I know what you are worried about, I can only say that your worries are unnecessary. And I’m sorry, I’m sorry, I hid it from you for so long, Xi Yan, believe me, I didn’t mean to hide it from you, there are many, many things in between, I can’t explain to you, I only said one thing, I promised you, I will give you a lifetime of glory, believe me, three days later I will give you another great glory ..... okay? ?’

Lin Hao stood behind Shen Suyan, looked deeply into Shen’s back and said in an incomparably firm tone, .....

#### Chapter 727

Shen Xi Yan turned around slowly, her eyes incomparably moved as she looked at Lin Hao. Lin Hao looked at her with a smile and heavily nodded his head: ‘Xi Yan, don’t let the Heavenly Sea World of half a month ago happen again.

Lin Hao finished his speech and looked deeply at Shen Xiyan.

‘Well, good .....’ Shen Caiyan took a deep breath and also nodded her head heavily to Lin Hao. The company has been in the process of developing the new product for the past few years, and the company is now in the process of developing the new product.

The first thing she did was to start dressing up, picking out the best clothes and putting on the best makeup. Since she and Lin Hao met at the wedding a few days ago, she hasn’t gone out these days. She hasn’t gone out

these days. She is now known as the number one woman in Tianhai City. Lin Hao is the most powerful person in Tian Hai City, so she, as Lin Hao's wife, can't lose face to him no matter what.

In the past, no matter if she was in Nanjiang City or Tianhai City, she didn't dress up much. But now it's different, she kept telling herself in her heart that she must not embarrass Lin Hao. So Shen Shiyan started to dress up carefully in the house, and this plan was to spend more than half an hour. But when she came out of the house again, even Lin Hao was shocked by the well-dressed Shen Suyan.

It's not just a matter of time, it's also a matter of time before you get a chance to see the world. The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to customers.

'What are you looking at? Why are you looking at me like that?' The company's main business is to provide a wide range of products and services, including a full range of products and services, including a full range of products and services, and a full range of products and services.

The first thing I noticed is that there are a lot of people who are not in a position to be able to do anything about it, and I'm not sure if they are. Is it done? Let's go to ..... tomorrow.' Lin Hao finally said, swallowing hard and looking at Shen Xiyuan greedily.

You can't stay at home all the time, and why are you always thinking about doing that kind of thing?' Shen Siyan's tone was incomparably grumbling when she said it last, knowing that both of her thighs still hurt a bit.

When Lin Hao heard Shen Suyan's words, a look of loss appeared on his face.

When she saw this, she quickly came forward and hugged Lin Hao's arm, and leaned half of her body on Lin Hao's. Then she said to Lin Hao with great tenderness. Then she said to Lin Hao incomparably gently: 'Honey, go out, you're so busy, there must be a lot of things waiting for you to deal with. In the evening, when we come back, will it be okay if we do that?' Shen Siyan said finally, her pretty face blushed, and she felt her body heat up, incomparably shy.

Lin Hao nodded his head, although he still didn't want to go out, but Shen Suyan said so, he also nodded his head and agreed: 'Okay, then you still wear this set at night, when you go home at night, you can't change your clothes, okay?'. Lin Hao's eyes were very reluctant to take a look at Shen Caiyan.

'Well, well .....

Shen Xiyan lowered her head with a red face, and said in a very small voice, very small. The company's main business is to provide a wide range of services, including I'm not sure how much I'll be able to do. The company has been in the process of developing the new product for a long time. It's because she really felt Lin Hao's infatuation with her.

In fact, in the past few days when Lin Hao went to Western Europe, Shen Xiyan was alone at home and thought a lot about it. In addition to her worries about Lin Hao, she thought most about how she should get along with Lin Hao in the future. After all, just the identity that Lin Hao has revealed to the public is already very scary. And Lin Hao himself is so handsome, Shen Xiyan doesn't need to think about it, she knows that there will be a lot of voluptuous women out there who want to be with Lin Hao.

She will not agree to it, so she decided that in addition to being nice to Lin Hao, she will also give Lin Hao freshness often, so that the two of them can continue their passionate love affair. ## Chapter 728

After Lin Hao and Shen Suyan went out, there was naturally a full-time driver to pick them up. Half an hour later, Lin Hao and Shen Suyan arrived at the gate of the Tianhai Group.

When the car pulled up to the gate of Tianhai Group, Lin Hao said to Shen Suyan, 'Suyan, you came here three months ago. It's your second time here, isn't it? But this time, you're the mistress of the place.'

Lin Hao's words were somewhat emotional, yes, the last time he and Shen Suyan met here, Shen Suyan came back to him from Yanjing, and that time was after their first divorce. When she saw Chen Shanshan with Lin Hao across the street, she left in despair, but Lin Hao, who was angry that time, didn't go after her. And now thinking about the original scene, Lin Hao's heart is also very unpleasant, must be a few months ago, that night, Shen Siyan heart must be very bitter, very bitter it .....

Lin Hao is looking at the scenery outside the window, and Shen Shiyan is also looking at it at this moment. The first thing you need to do is to take a look at the company's website. The first thing you need to do is to take a look at the company. I'm not going to say anything more. It's just that she didn't expect that when she came to the door of the Tianhai Group for the second time, as Lin Hao said, she was already the mistress of the place, the mistress of the largest

enterprise in Tianhai City, the absolute Tianhai City inside the noble circle, the top people!

‘Well, come on, let’s go see our company! There are a lot of people you’re familiar with inside .....’ Lin Hao took a deep breath, held Shen Suyan’s hand, and pulled Shen Suyan out of the car the next moment.

Everyone lowered their heads and made a wide path in the middle after Shen Xiyan and Lin Hao walked in.

This scene was very shocking, in fact, Shen Siyan had thought that, after all, with Lin Hao’s identity, when she appeared outside again in the future, there would be many people who would respect her. But when she saw such a scene at this moment, her heart was still incomparably shocked .....

Lin Hao smiled sideways at Shen Xiwei and said, ‘Let’s go .....

‘Well, good .....

Shen Siyan nodded and whispered. Then Lin Hao pulled Shen Xiyan inside, and every time Lin Hao and Shen Xiyan walked through a few dozen meters, the employees of the Tianhai Group on both sides of them would respectfully bow their heads and shout to the two of them: ‘Hello, Mrs. Lin, hello .....

‘Hello, Mr. and Mrs. Lin. ....’

‘Hello, Mr. and Mrs. Lin. ....’

The company’s main business is to provide a wide range of products and services to its customers, and to ensure that its products and services are of the highest quality.

If you look down from above, you will be able to see the hundreds of people in the huge plaza underneath the Tianhai Group building, with Lin Hao and Shen Suyan at the center. Only Lin Hao and Shen Shiyan are standing straight. The rest of the people were bending down .....

‘Three days later, I will no longer have anything to hide from you. Three days later, I will take you north to Yanjing and tell you everything I have to tell you. I am the forty-eighth generation master of the Lin Clan, and you are the wife of the master of the forty-eighth generation of the Lin Clan. Don’t have any fear in your heart, because you are Shen Suyan, just because you are Shen Suyan .....’ Lin Hao held Shen Suyan’s hand tightly and pulled her step by step, under the attention of thousands of people, towards the inside of the Tianhai Group.... ..

Chapter 729

At the entrance of the Tianhai Group, Mo Tianji, under Lin Hao, and the executives of the Jiuzhou Group, who completely moved from Nanjiang City to Tianhai City half a month ago, Jiang Shaoming, Xiao Yuanshan, Li Jianghai, and

Scarlet Six, all stood in a row at the entrance of the Tianhai Group, smiling and greeting Shen Xiyan. These people are different from ordinary men, these people are all Lin Hao's backbone, and Jiang Shaoming and Mo Tianji even know Lin Hao's true identity, is Lin Hao's right hand man.

'The company's main business is to provide a wide range of products and services to the public, and to ensure that the company's products and services are well received by the public.

Shen Suyan looked at Jiang Shaoming with a pale face and slowly said, 'Jiang, your acting skills are really good, and I believed it at the time. ....' Shen Suyan looked at Jiang Shaoming longingly after she finished.

Jiang Shao Ming incomparably embarrassed smile said: 'sister-in-law joking, hehe, hehe, hehe ..... this is not the end is not good, you and my brother is a lover to end up married.'

The company's main business is to provide a wide range of products and services to its customers. The first thing she did was to break up with Lin Hao, who had just returned from Yanjing. Lin Hao then posed as Lin Tian, the forbidden existence of the most powerful man in Tian Hai City, and then also has been with her side. The company's products have been sold in the U.S. and Europe.

The company's main business is to provide a wide range of products and services, including a full range of products and services, and a wide range of products and services. The company's main business is to provide a wide range of products and services, including a full range of products and services, and a wide range of products and services. All of this was given to her by the man

beside her, and Lin Hao has been quietly accompanying and protecting her. Shen Suyan's heart was filled with sweetness.

When she arrived at the CEO's office on the top floor, it was the first time Shen Suyan came here. She stood by the window and looked out the window at the scenery of half of Tianhai City, and she couldn't help but have a slight unreal feeling in her heart. Shen Suyan looked back at Lin Hao who was sitting in the chair and said, 'Lin Hao, I ..... still feel like it's all a dream. I never thought that one day I would become the wife of the strongest man in Tianhai City .....

Lin Hao smiled and said: 'Oh, this was originally yours. What's not true, and Xi Yan, this Tian Hai Group I also intend to give you, you have your dream, then you go to realize. From now on, the sky sea group's everything, are you in charge, I also do not bother to care, well, so, from now on, you are the president of the sky sea group, I will announce the order later .....

'.....' Shen Xiyuan was dumb on the spot, she stared at Lin Hao, her voice was a bit stammering and said: 'Er you, you're not serious, right? How can I ..... manage such a large company? You know this is the Tianhai Group, the most powerful company in Tianhai City, how can I be the president here?'

Lin Hao nodded his head indifferently: 'I'm serious, I'm not interested in managing the company. The company's main business is in the area of the construction of a new building, which will be completed in the second half of 2012. Well that's it, and you have also opened a company, you also have management experience, so let's do it, I will now hold a group meeting, the Tianhai Group to you .....

I'm not sure if I'm going to be able to do that. I'm not sure how much I'll be able to do. The company has been in the process of developing the new

product for a long time. She used to have a business and a company in Nanjiang City. But her company was so small, and now Lin Hao has asked her to be the president of the Tianhai Group? Shen Ciyang was dumbfounded on the spot and didn't know what to say.

The company has been in the process of developing the new product for the past two years, and has been working on the development of the new product. Well that's it, let me know when everyone arrives.'

'Er ..... 'Shen Ciyang was completely stupid, Lin Hao said and did, and directly gave her the Tianhai Group. She just realized that Lin Hao was not joking at all, but was serious.

When she thought of this, she quickly and anxiously said to Lin Hao, 'Lin Hao, don't, I can't. I really can't, and you're going to give it to her. I really can't, and you've given me the Sky Sea Group, what are you going to do?'

## Chapter 730

Lin Hao stood up and walked behind Shen Xiyan, gently hugged her slender waist and said: 'It's just a company, and my wife is very powerful, my wife is a strong woman, so the company should definitely be given to you. Why should I take the company? Wife, you will be the CEO of the company from now on, you can develop it as you want .....' Lin Hao smiled and kissed Shen Ciyang's slender white neck.

The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to the public. And Lin Hao is also right, she Shen Xiyan is a strong woman, the heart has her own ambitions, she wants to open a company, before in the South River City

Ten minutes later, at the highest level of the Tianhai Group headquarters meeting, Lin Hao directly pressed Shen Suyan to his throne, and then he seriously announced to all the senior executives of the Tianhai Group: 'From now on, my wife Shen Suyan will be the president of the Tianhai Group, and I resign from all positions and authority of the Tianhai Group. Well, that's it, the following is the new president of the Heavenly Sea Group, Miss Shen Siyan to continue the meeting for everyone, I withdraw first, in the future, all matters of the Heavenly Sea Group, no matter how big or small, no one should report to me again, all report to the new president can be .....'. .

After Lin Hao signed an agreement to transfer the position of president, he left directly.

After Lin Hao left, the dozens of top executives in the conference room were all dumbfounded. .... They never thought that Lin Hao, the actual owner of the Tianhai Group, would actually hand over the entire company to his wife in his first meeting with them.

'The company's main business is to provide a wide range of products and services to its customers. And at this moment those female employees in the conference room, the heart of the Shen Xiyuan are envious to the extreme! She felt Lin Hao's trust, and Lin Hao was able to hand over the Tian Hai Group to her without reservation. This caused her heart to be deeply moved again. ....

In the conference room, Mo Tianji and Jiang Shaoming were the first to report on Shen Suyao as the new president. The two of them looked at the shocked expressions of Shen Shiyao and the executives in the meeting room, and they couldn't stop laughing. The Tianhai Group is very powerful, but compared to Lin Hao's actual assets, it's a far cry from the group.

As the meeting progressed, Shen Shiyao also slowly adapted to her new identity, the meeting was a full two hours, and Shen Shiyao was also incomparably serious about understanding the entire Tian Hai Group. After the meeting was over, the official microblog of the Tianhai Group released the news that Shen Suyao was officially appointed as the president of the Tianhai Group, and the news was naturally a sensation throughout the city .....

Two hours later, when she returned to the CEO's office, she looked at Lin Hao, who was lying on the sofa with a carefree face, with complicated eyes. She went to Lin Hao's side, squatted down, and kissed Lin Hao on the face: 'Honey, thank you, thank you for giving me such a great opportunity, don't worry I will definitely try to do a good job, I won't embarrass you, I give you my word .....'. .

Lin Hao indifferently nodded his head: 'Well, I believe you, don't be afraid, let go and do it, it's fine if you lose it, if you really want to lose it, we'll go back to Nanjiang City and nest at home, money is not the most important thing, the most important thing is that the two of us can be together .....'. .

After hearing this, Shen Siyan was incomparably moved and nodded her head heavily.

‘Hubby, I’m going to do something ah .....’ Shen Xiyan said to Lin Hao and was about to go to look at those documents, but the next moment she was pulled into Lin Hao’s arms.

Lin Hao smiled and said, ‘Let’s do our thing first .....’

The first time I saw her, I was so scared. The first thing I noticed was that I was not able to get a hold of her. The first thing that happened was that Lin Hao pulled her into his arms. ....
