

# Super Son-in-law Chapter

## 731-733

### Chapter 731

More than an hour later, Shen Shiyan limped out of the secret room next to the president's office. She looked at Lin Hao with an incomparable grudge while walking. The company's CEO, Dr. Katy, said: 'The company has just been appointed to the position and Katy has just come in to see the ambiguity between her and Lin Hao. The company's main business is to provide a wide range of products and services, including: a wide range of products and services, a wide range of products and services, and a wide range of products and services.'

In her heart, although Lin Hao said that he didn't care about the Tian Hai Group, but this is the Tian Hai Group, knowing that this company alone is more powerful than the Ye family, the top-ranked first-class family in Tian Hai City.

It's not just a matter of time, but also a matter of time and money.

Don't worry, even if you don't care, there is still Mo Tianji, Jiang Shaoming and the others, with them, the group will not be in trouble, you can rest assured, don't work so hard, take a break .....'.  
'.

Shen Siyan was helpless, really helpless, and she sighed deeply in her heart. She wanted to reason with Lin Hao, and even wanted to resist Lin Hao's bullying in her heart. But she was unable to let go of her heart. I'm not sure if I'm going to be able to do that. The company's products have been sold in the U.S. and Europe, and the U.S. market is expected to grow by 2030.

..... When she thought of the words Lin Hao body good, her pretty face couldn't help but blush again, very shy. She bit her lip and looked at Lin Hao helplessly: 'Honey, I really need to see the information. Even if you don't care, I can't let you down. Go over there and wait for me for a while, okay? When I'm done, when I'm done, I'll go home with you, okay?' Shen Siyan begged and pleaded with Lin Hao .....

'Don't ..... material what's so great about it? The two of us can go home and cultivate our relationship .....

Lin Hao was very persistent in his refusal. The company's main business is to provide a wide range of services and products, including: a wide range of products and services, a wide range of products and services, a wide range of products and services, and a wide range of products and services.

It's not just about him, it's about Shen Suyan, and now it's all settled. The Lin Clan branch was completely exterminated, and his relationship with Lin Yan has been eased, and he knows the truth about that year. The relationship between Shen Suyan and Leng Qiu Ya and the Leng family's affairs are now all sorted out, and yesterday in Western Europe, Lin Hao even rejected Shen Yutong. So now there is nothing between the two of them. The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to customers.

The company's products and services have been recognized by the company for their quality and reliability. And in fact, Lin Hao is really a few months younger than her.

Shen Caiyan turned her head again and stretched out her hands, two small, white, slender and warm hands, and gently touched Lin Hao's face, saying coquettishly, 'Be good husband, after my wife finishes dealing with

these things, I'll go home to accompany you, okay? Okay? My husband is the most handsome, my husband is the best, okay, mmm .....

The company has been in the process of developing the new product for the past few years. Lin Hao, who was extremely reluctant, said: 'Er, that ..... Okay, then you quickly watch ah, wait until you finish, we go out to eat, I'll book the best restaurant, you do not go home to cook, strange hard work, well, after we finish eating, we go to see a movie! .....

Lin Hao smiled at Shen Siyan, and Shen Siyan nodded her head in a very well-behaved manner: 'Mm-hmm, thank you hubby, hubby is the best, then hubby you go sit over there and wait for me for a while ha, we'll go out after I finish .....

Lin Hao can only helplessly nod his head yes, then Lin Hao reluctantly walked to the side of the sofa to play with his phone, while Shen Xiyan was lying on the table to seriously read the documents, the Tianhai Group documents.

## Chapter 732

Time passed quickly when Lin Hao sat quietly on the sofa, and when Shen Shiyan quietly read the documents. The entire atmosphere of the office was completely silent for a time. Lin Hao had nothing to do, and after dealing with some things on his cell phone, he threw the phone aside. Then he looked at Shen Shiyan who was working seriously.

This is the first time that Lin Hao has looked at Shen Xiyan's office closely. Shen Xiyan is so serious that even though he is looking at her on the sofa at the moment, she is not reacting to his presence at all, as if he does not exist. At this moment, Shen Xiyan's whole spirit has been put into work.

Lin Hao looked at Shen Suyan, who was working hard, and couldn't help but look dumbfounded, Lin Hao suddenly remembered one thing, that is, more than ten days ago, when he gave Shen Suyan that order, that is, to let Shen Suyan design the wedding dress, at that time Shen Suyan shut herself in the office, for three days, eat and live in the company. The first thing that you need to do is to make sure that you have a good idea of what you are looking for.

It was from that moment that Lin Hao truly understood in his heart that his wife Shen Suyan is definitely not a vase, what Shen Suyan lacked all along was just an opportunity, a platform that would allow her to show her talents!

And Shen Xiyan has always been not lacking in ability, not lacking in talent. You know that when Shen Suyan, under despair, designed the Rouge series more than ten days ago, it blew up the entire clothing market in one fell swoop. So Shen Suyan is a talented woman, a capable woman. And this is his wife, his Lin Hao's all-time favorite redhead!

At the moment, sitting in the CEO's office seat, the body put on a white suit, two sleeves pulled up, the forehead in front of the hair, floating on the side of the face, Shen Xiyan holding the information in one hand, one hand with a pen continuously recorded the focus. It's very serious, and even under serious work, Shen Jiyan won't even lift her head for a long time.

It is said that the man who is serious is the most handsome, but the woman who is serious about her work, what is not the same? The serious work of Shen Shiyan, the body naturally has a special beauty, this serious beauty, so that Lin Hao can not bear to disturb her, Lin Hao so quietly watching Shen Shiyan, watching his own hard-working wife .....

An hour, two hours, three hours ..... passed, and it was already dark outside. When it was nine o'clock in the evening, Shen Scangyan finally lifted her head and stretched her waist, she had a heartfelt smile on her face, because she had finally finished reading, finally finished reading all the information that Katy had given her, and after reading this, she also finally had a profound understanding of the entire Tianhai Group's business.

The company's main business is the development of a new product, which will be introduced to the market in the near future, and the new product will be introduced to the market in the near future.

'Ah ..... 'Only in the next moment, Shen Xiyan screamed violently when she saw Lin Hao, she just thought that Lin Hao is still in the office has been waiting for her.

'Er ..... ' Shen Siyan looked at Lin Hao and then at the dark night scene outside the window, especially since Lin Hao's face was already a bit dark.

'Have you finished watching?' The company's main business is to provide a wide range of products and services to its customers. In fact, just two hours ago, Lin Hao, who was upset in his heart, had already taken out his cell phone and scolded all the top executives of the Tianhai Group one by one. The most scolded is Mo Tianji and Jiang Shaoming two goods, you know Lin Hao tonight, but in Half Moon Bay booked a private room, just waiting for Shen Siyan after watching, with him to go over to eat, but now, well, are nine o'clock, until they get there, can eat it? Is this supposed to be dinner or a midnight snack?

She could see that Lin Hao was either really angry or a bit childish. Yes, now Lin Hao's appearance, in her eyes, was really like a child. He was having a temper tantrum with her.

But for the angry devil king, our Xiyan classmate, naturally, has a way to deal with him. The next moment saw Shen Xiyan smile and go to Lin Hao, squatted in front of Lin Hao, put her head on Lin Hao's knee, a pair of pitiful small look said to Lin Hao: 'husband, I'm sorry, I was wrong, I made so long, did not look at the time, let you wait a long time, husband adult, let's go to dinner dinner dinner, okay? .....

'Hmph, I still have anger in my heart .....

She stood up and sat in Lin Hao's arms, wrapped her arms around Lin Hao's neck, and continued to pamper him: 'Honey, I know it's wrong, don't be mad at me, OK, my husband is the most handsome, my husband is the best, please, please Honey, don't be mad at me ..... smile, my husband smiles the best pull .....

'.....' Shen Xi'an kissed Lin Hao non-stop on the face, and her small hand was also on Lin Hao's chest, giving him a smoother breath. She was a good boy.

After a while, Lin Hao's heart gas really went down, he is really easy to coax, Shen Caiyan, he was coaxed, Lin Hao sighed to Shen Caiyan said: 'Humph, this time forget it, no next time .....

'Okay ....., I promise, it will never happen again .....

‘Honey, I’m hungry. Did you order dinner? Where are we going to eat? Shandi Lu Xi Pa Dye Shou Wu?’ The company’s main business is to provide a wide range of products and services, including a full range of products and services.

‘I’ve booked a private room at Half Moon Bay .....,’ said Lin Hao.

‘I’m afraid it will be after ten o’clock when we get there, but are they still open? Is there any food left?’ Shen Siyan asked Lin Hao in confusion.

‘I just bought the restaurant .....,’ Lin Hao said casually.

Bought it at ! ! ! ! !

### Chapter 733

At ten o’clock in the evening, at the entrance of Half Moon Bay Hotel, the highest class hotel in Tianhai City, Lin Hao and Shen Shiyuan just got off the car, a black lady suit, black stockings and black high heels, with a high bun on the back of her head, Wang Lulu smiled and welcomed them.

‘I watched your wedding several times and cried many times, and now you finally have a lover, congratulations Miss Shen .....’ said Wang Lulu with a smile to Shen Xiyan.

Shen Suyan was stunned when she saw Wang Lulu, and said to Wang Lulu: ‘Mr. Wang, aren’t you, aren’t you in Half Moon Bay Hotel in Nanjiang City? How .....’

Wang Lulu looked at Lin Hao with a smile, and then said to Miss Shen: ‘Of course, it was Mr. Lin who transferred me here, and now our hotel has all belonged to Mr. Lin.

It was only then that Shen Suyan understood, and her heart naturally warmed again, because Lin Hao knew that she and Wang Lulu knew each other, and Shen Suyan didn’t have many friends in Tianhai City. It’s just Yue Gu, Lin Hao naturally transferred Wang Lulu over, it’s just a matter of his words, and what Shen Suyan doesn’t know is that Wang Lulu was in Nanjiang City a few hours ago, and after getting Lin Hao’s order, she rushed over without stopping.

‘.....’ Shen Shiyuan said with a good hmmm, and took Lin Hao’s arm and followed Wang Lulu to the inside. It was the only two people in the hotel at Half Moon Bay tonight, and the only two people in the hotel were Lin Hao and Shen Suyan.

After entering the private room, a large table of dishes was naturally in sight. Shen Siyan some hesitation on Lin Hao said: ‘Honey, so much, we can not eat the two of us ah .....’.

Lin Hao is indifferent: ‘If you can’t eat it, you can’t eat it, as long as you’re full, don’t save me money, people only live this life, our money, this life to spend will never be finished .....’

The first time I saw her, she was very happy with the way she was treated, and she was very happy with the way she was treated. Wang Lulu had met Shen Suyan when she was in Nanjiang City, and even when Lin Hao proposed to Shen Suyan in Nanjiang City, she was the one who hosted the event. She knew that Lin Hao was the president of the Tianhai Group a long time ago, but of course Shen Siyan didn’t know that at that time.

This meal, eat an hour, only Shen Caiyan and Lin Hao two people on the table to eat, but all kinds of exquisite dishes have dozens of portions. Shen Siyan ate elegantly, and Lin Hao ate happily.

After the meal, Lin Hao took Shen Suyan to see a love movie at the best movie theater in Tianhai City. When the two of them went home, it was already 1:00 in the morning, to the bedroom, Shen Shen Suyan was completely carried by Lin Hao to the bathroom inside, this night she naturally did not escape Lin Hao’s clutches, but her heart is also very happy, she and Lin Hao split up too many times, rare now fixed into a positive fruit, Shen Suyan used to Lin Hao when going out, every day is also on tenterhooks, but now Lin Hao does not have to go out, on the The company has been in the market for more than a decade, and the company has been in the market for more than a decade. The first thing you need to do is to take a look at the newest version of the book. ....

As a result, she felt like her entire skeleton was almost tossed apart by Lin Hao, and of course she was enjoying it. ....

The two don't know how many times they did it, but in the end Shen Xiyang didn't even know how she fell asleep, and the clothes on the floor were scattered all over the place as usual, and there were even a few private clothes on the floor, so that outsiders could see the kind of blush.

The first time I saw her, I thought that she would be a good candidate for the job. I don't have to think about anything, I don't have any pressure in my heart anymore, I don't have to think about the outside fight or kill, I just accompany Shen Xiyang, just hold her, have her .....

Shen Siyan lying on Lin Hao's body, deep sleep, slowly Lin Hao also smiled and closed his eyes, embracing Shen Siyan in his arms, nose sniffing Shen Siyan's body fragrance, the same very happy sleep over .....

The next morning, Lin Hao and Shen Suyang had breakfast and then went to the office, naturally the breakfast was made by Shen Suyang again. The company's products and services are made by the company's own suppliers, and the company's own suppliers are not only the company's own suppliers but also its own suppliers. So much so that Lin Hao once did not want to go to the company, but Shen Suyang is very strong and must follow Lin Hao to go.

The company's CEO, Mr. Chen, said: 'The company has been working hard for a long time, and it is very important for the company to have a good relationship with its customers.'

In the evening, after leaving the office, Lin Hao took Shen Caiyan to the largest and most high-end mall in Tian Hai City to pick out clothes. Because Shen Suyan, no matter her body or looks, is top-notch, the vast majority of high-end women's clothing, Shen Suyan wears beautiful, Lin Hao naturally bought them all, children only do choice .....

## Super Son-in-law Chapter

### 734-736

#### Chapter 734

In the evening after returning home, Shen Siyan looked at the living room inside a mountain of clothes, shoes, bags and cosmetics, a sweat, she said a little tangled Lin Hao: 'Honey, do not have to buy so many ah ..... so many I can not wear over ah .....'.

Lin Hao smiled and said, 'Of course we need to buy more, you forget, tomorrow we are going north to Yanjing, grandmother already wants to see you, don't you want to dress up?' Lin Hao sat in his seat and looked at Shen Xi Yan with a smile.

'Ah ! ! ! ! Right, right, right, right, tomorrow I'm going to Yanjing, I'm going to see my grandmother. I ..... can't, I'm going to try on clothes quickly, you quickly help me pick out, what kind of clothes would be the most suitable for me to wear to meet my grandmother?' After hearing Lin Hao's words, Shen Siyan reacted violently, only to be completely anxious when she did.

She just remembered what Lin Hao had told her, that he would take her to meet his family this time. She knew that she had never been to Lin Hao's house because Lin Hao and Shen Shiyan had been separated before. But this time she is going to go, Shen Xiyan's heart is apprehensive and nervous.

Lin Hao looked at Shen Xiyan's hands and feet, can't help but smile and shake his head: 'It's okay, you wear anything good-looking, and grandmother has already seen your photo, like you very much, you usually dress up, well, grandmother does not like heavy makeup, you draw a light makeup on the line, of course, my Xiyan, even plain face is very beautiful .....'.

Shen Shiyan stared at Lin Hao and said, 'How can that be? This is the first time I've been to see my grandmother, so how can I be so casual? And ..... and I haven't bought any gifts for my grandmother yet ..... 'Shen Xiyan left her mouth, and was even more anxious.

Lin Hao shook his head: 'It's okay, it's not like we're leaving early tomorrow morning, we'll leave again at noon, there's still time .....'.

But Shen Xiyan already took a pile of clothes? The first time I saw it, I thought it was a good idea to try it on. The company has been in the process of developing the new product for the past two years. The company has been in the process of developing the new product for a long time.

The first thing you need to do is to take a look at the company's website and make sure that you are aware of what is going on. Lin Qingcheng is really too beautiful. And there is also Lin Yan, although Shen Huiyan has only briefly seen Lin Yan at the wedding. But the dominance of Lin Yan's body at that time still left a deep impression on her.

The company's products have been sold in the U.S. and Europe. Lin Yan was standing, and the people from the top families in Tianhai City who were at

the wedding didn't dare to sit down at all and had to be extremely respectful to Lin Hao's father.

So this time, she followed Lin Hao north to Yanjing, in the final analysis, she was very weak in her heart .....

Shen Xiyan was changing clothes in the checkroom, and her beautiful face was filled with a tangled look. Lin Hao stood in the doorway leaning against the door frame and looked at her, slowly saying: 'Don't be nervous, my family is also human, just treat them as ordinary people, there is really no need to be nervous, look at you anxious, tomorrow noon to leave it ah .....'

But Shen Siyan didn't want to take care of Lin Hao. It was Lin Hao's family, so naturally Lin Hao wasn't in a hurry. But she was going to Lin Hao's house for the first time as Lin Hao's wife, so could she not be anxious?

Thinking of this, Shen Ciyan gave Lin Hao another hard look, pushed him out, then closed the door and started to try on clothes herself .....

## Chapter 735

And Shen Caiyang this try, straight to midnight, even after midnight, Shen Caiyang still did not choose, what to wear tomorrow, what to do to dress up, and then she was so worried about sleep.

The time soon came to the next day at noon, the next day at noon, ShenShanYan tried and tried, and finally wore a long black trench coat, black

high heels, a long hair also did not get any complicated hairstyle, just floating in the back of the head. The face was naturally beautiful, with red in white and no blemish on the face. She is very natural, but even if she is not seriously dressed, she is still beautiful.

Lin Hao, wearing a black suit and a long black windbreaker jacket, stood straight beside Shen Suyan. The two of them are Yue Gu and Yei Yi. Yeiyi was supposed to follow Lin Hao back to Yanjing, but was rejected by Lin Hao, and in the past few days Lin Hao found that Yeiyi and Yue Gu were developing very quickly. Of course, Yei Yi is a boring person who doesn't express his feelings much, but Yue Gu can, and Yue Gu is a first-class vixen. At this moment, Yei Yi, who was standing beside Yue Gu, looked at Lin Hao's face, which was a little red.

Yue Gu took Shen Xi Yan's hand and said with a smile, 'Xi Yan, don't be nervous, you're married to Lin Hao, sooner or later you're going to meet Lin Hao's family. And our Xi Yan is so beautiful, grandmother will definitely like you .....

Shen Siyan nodded her head as she pretended to be calm: 'Well, I know, don't worry, I won't be nervous, I'm sure I won't be nervous .....

'Well, that's right, come on, come on, .....

‘I’m not sure if I’m going to be able to do that, but I’m not sure if I’m going to be able to do that. But when he hadn’t finished speaking, Yue Gu, who was still wearing a skirt on a cold day, hugged Yeiyi’s arm and thanked Lin Hao: ‘Hey, you’re welcome then, I’ll take it for my man .....’.

Yue Gu’s actions and words made Ye Yi shyly lower his head. Lin Hao also couldn’t help but laugh. Yue Gu didn’t know, but he knew Night One very well. This was a fierce man who had come out of a mountain of corpses and a sea of blood. In the past, Night One had told Lin Hao countless times that he wasn’t interested in women or anything. But now that Ye Yi has met such a vixen as Yue Gu, it’s really a case of one thing leads to another. But don’t say that, Ye Yi and Yue Gu are a good match.

‘I’m not going to say anything about it, but I’m going to say something about it. I’m not sure if I’m going to be able to do that. The two of you prepare for the wedding, Yeiyi, don’t say that being a big brother is not enough, when you get married to Yue Gu, I’ll give you a big gift! Haha, let’s go .....’ Lin Hao laughed and turned around to get on the plane.

The plane was Lin Hao’s private plane, and it was only a two-hour flight from Tianhai to Yanjing. The plane will land directly behind the Lin family’s ancestral home, which has its own private airport.

## Chapter 736

After Lin Hao got on the plane, the plane soon took off. After the plane had flown for a while, Lin Hao saw that Shen Xiyan had been silent, and her small face was still a little tense, and her two small hands were squeezing each other nervously, taking two deep breaths from time to time.

The company's products have been sold in the U.S. and Europe. I'm not sure if I'm going to be able to do that. The company's main business is to provide a wide range of products and services to its customers. Then why is our Xi'an student still looking so nervous?' Lin Hao poked fun at Shen Suyan.

Shen Siyan bit her lip and stared at Lin Hao, 'You still say! Can't you comfort me, this stinky daughter-in-law meeting her in-laws for the first time? And it's all your fault, you didn't even tell me about your family's affairs before ..... 'Shen Xiyuan pouted her small mouth, a look like God's pity.

'The company's main business is to provide a wide range of products and services to its customers. Shen Siyan naturally can't sleep, she takes out the mirror from time to time, or tidy up her clothes, or get her hair done.....

And time passed quickly in the tension and struggle of Shen Xiyuan, and soon the plane flew to Yanjing, that is, more than an hour, until the plane landed, parked on the tarmac, Shen Xiyuan is still not mentally prepared.

'Well? What's wrong, Ji-Yan? Come down! We're here .....' Lin Hao walked to the door of the plane and saw that Shen Xiyuan was still sitting in her seat staring, so he couldn't help but call out to Shen Xiyuan.

'Ah? Is this ..... here yet? Is it that fast? I'm ..... 'Shen Xiyuan was called by Lin Hao, only then reacted, the original has arrived in Yanjing, and the thought of soon to see Lin Hao's family, Shen Xiyuan's heart beat even more powerful .....

But the plane had stopped, and Lin Hao was waiting for her at the door, so Shen Scangyan could only take a deep breath, walk to Lin Hao, the door

opened, and Shen Scangyan followed Lin Hao and got off the plane. As soon as she stepped off the plane, she was deeply shocked by what she saw in front of her.

It is because at this moment on the large airport, there is a fleet of Rolls-Royce vehicles, and both sides of the fleet are covered with bodyguards wearing black suits. And those people bowed their heads respectfully at Lin Hao's nod. As she looked at the scene in front of her, she felt that Lin Hao was like a prince returning from ancient times. Everyone was incomparably respectful everywhere he passed.

'The company's main business is to provide a wide range of products and services to its customers, including: a new car, a Rolls-Royce, a brand-new car, a Rolls-Royce, and a Rolls-Royce with a new logo. .... The company has a fleet of dozens of luxury cars in front of it, and all the other cars are empty except for the one they have with her and Lin Hao on it.

She thought that Lin Hao's family would be very rich, and this could be seen more or less from Lin Hao's family. The company's main business is to provide a wide range of products and services to the public. This treatment is extremely high.

So Shen Suyan's little heart couldn't stop jumping up and down. The company's main office is located at the front door of the Lin Clan's ancestral home, which is located at the rear of the building. But Shen Suyan was here for the first time, and as the wife of Lin Hao, the contemporary matriarch of the Lin Clan, so naturally she had to take the front door.

On the way, Shen Suyan looked at the huge Lin Clan ancestral home, and was even more shocked when she drove for ten minutes just to get to the front door from the back door.

When she arrived at the entrance of the Lin Clan's ancestral home, she just got out of the car and saw more than 200 people standing respectfully at the entrance of the Lin Clan's ancestral home, and after she got out of the car with Lin Hao, those people bowed their heads in respect to her.

When she got off the bus with Lin Hao, all those people bowed their heads in respect to her. Shen Suyan looked at the scene in front of her, and still couldn't help but ask Lin Hao the question in her heart: 'Old ..... husband, how rich is your family?'

After Shen Suyan asked this sentence, Lin Hao, who was about to walk forward, couldn't help but stop for a moment and said with a smile on his face to Shen Suyan: 'How much money does my family have in the end?'

When Lin Hao paused here, Shen Siyan subconsciously asked, 'Well, then what?'

Lin Hao thought about it: 'Well, if the Lin family were to be counted, it would be as big as dozens of Tianhai groups combined, so if you ask me how much money my family has, I really don't know, and I haven't counted it either .....'.

'Er .....' Shen Xi Yan heard Lin Hao's words, completely silly, the whole person is not good. One Tianhai Group has already made her incomparably

shocked, if she hadn't met Lin Hao, even if she had worked hard for several lifetimes, she wouldn't have been able to have a Tianhai Group, but the entire Lin family is comparable to dozens of Tianhai Groups?

This is the first time that she has a clear concept of Lin Hao's family, which is much more powerful than she had imagined .....

## **Super Son-in-law Chapter**

### **737-738**

Chapter 737

'Is this, is this real? Honey, is your family really that rich?' Shen Siyan was incomparably shocked when she asked Lin Hao.

Lin Hao turned back to her and smiled: 'Well, the Lin family's heritage is nearly a thousand years old, and the Lin family's heritage can no longer be described by money, so don't worry, no matter how you spend it, you probably won't be able to spend all of our family's money. ....' Lin Hao looked at Shen Siyan. The shocked little expressions and the sudden feeling of pride in his heart. It's like the mentality of a small child who has achieved a little success and is waiting for everyone to be impressed by him.

Shen Siyan's beautiful face was dumbfounded, and her big, sexy eyes were staring at her, especially her little heart was pounding.

After the shock, Shen Siyan's heart became even more nervous, knowing that Lin Hao's family is so strong and ruthless, while her family is not so good, even the Leng family of the Heavenly Sea is not good enough in front of Lin Hao's family. Not to mention the fact that she broke off her relationship

with the Leng family, if I had to use a metaphor, it would be like the ancient prince's union with a folk girl. Well, that's what she and Lin Hao are now.

'Hmm? What happened? Go, oh, to the door, you still want to go back on your promise .....

Lin Hao saw Shen Xiyan froze in place, for a long time not to move a bit, can't help but look back at her.

The company's website is a good place to find out more about the company's products and services, as well as its products and services.

Lin Hao was stunned at Shen Xiyan's reaction, and then he reacted. He almost instantly understood what was in Shen Xiyan's heart. Only now he was the forty-eighth generation head of the Lin Clan! If it were in any other family, those of the high families would never have allowed their head of the family to marry a brother commoner woman. But he was Lin Hao! He is the one who killed Lin Xiaoyun with his own hands and brazenly destroyed the Lin Clan in Western Europe with the most iron-blooded methods!

During the trip to Western Europe, his father, Lin Yan, was killed on the Holy Mountain, but you know that Lin Yan almost died at the last minute. And the person who finally completely wiped out the Lin's branch lineage was Lin Hao! In the past few years, the company's employees have been working hard to make sure that the company's products and services are in good condition. The first thing that I want to do is to tell you that I'm not going to be able to do anything about it.

'Boom .....

In the next moment, Lin Hao's body boomed with a monstrous momentum, and the unrivaled king's aura was all over the place! Lin Hao still had a smile on his face, but at this moment, none of the hundreds of people at the gate of the Lin Clan's ancestral mansion dared to move under the

pressure of Lin Hao's momentum. One by one, they were all overwhelmed by Lin Hao's monstrous momentum .....

She also felt Lin Hao's sudden rise in momentum, which was invisible and deliberately bypassed her when Lin Hao exploded his momentum. But at this moment she still? The first thing you need to do is to take a look at the product. The feeling was that Lin Hao was different.

Yes, at this moment Lin Hao, in Shen Siyan's eyes, is really like a worldly king. No matter what stands in his way, it will be crushed by the Lin Hao of this moment! For a while, Shen Shiyan forgot her nervousness and fear of the Lin Clan and looked at Lin Hao in a daze, feeling the strength of Lin Hao's body, and slowly her thumping heart calmed down. ....

'You are my wife, the only love of my life, with me here, no one dares to say anything to you, go .....

Lin Hao smiled and said to Shen Xi Yan, and then stepped forward.

She walked to Lin Hao's side with her head held high, and followed him inside. ....

The scene was the same as the day before yesterday at the entrance of the Tianhai Group, where everyone had to respectfully bend down and hold the deepest respect for Shen Suyan as she walked by. Shen Suyan's confidence grew, and she followed Lin Hao step by step toward the innermost part of the Lin Clan's ancestral home.

At this moment, in the main hall of the Lin Clan's ancestral home, Old Mrs. Lin, Lin Yan, Lin Bancheng, and Mo Yuntian were sitting inside with smiles on their faces, having received the news that Lin Hao and Shen Suyan had gotten off the plane ten minutes ago.

## Chapter 738

Old Mrs. Lin smiled and said to herself, 'Oh, my granddaughter-in-law is coming, and my Hao'er is finally coming back. Well, well, it's been a good year, I'm very happy. ....'

Old Mrs. Lin looked at Lin Yan and said, 'Lin Yan, although you are Hao'er's father, you must not embarrass Hao'er and Xi'an when they come in later. And not only can you not embarrass the two of them, but you have to prepare gifts for my granddaughter-in-law, and this is the first time she's come to our house! We can't be so superior and disrespectful! Got it?'

'The first thing you need to do is to take a look at the website of the company, and you'll see that it's not a big deal, but you'll see that it's not a big deal at all.

'After Lin Yan said that, Mo Yuntian and Lin Bancheng, the two most loyal elders of Lin Clan, laughed out loud.

The two of them are the two most loyal elders of the Lin Clan. Mo Yuntian said to Mrs. Lin, 'Old sister, don't worry, I don't think Lin Yan would dare to show his face to Hao'er and Xi Yan.

Lin Bancheng also smiled and nodded, then smiled at the three of them and said, 'Well, don't talk about it yet, those two kids have arrived .....'.

After Lin Bancheng finished speaking, Lin Hao and Shen Suyan walked in from the outside. Shen Siyan, who had just calmed down, couldn't help but feel nervous again the moment she stepped through the door. In the next moment, Lin Hao quietly held her hand tightly. Only then did Shen Siyan dare to look up at Lin Hao's family.

As she looked at Old Lady Lin, she noticed that she had a head full of white hair, was full of energy, and had a unique and noble air about her. Although she was old, she was not a simple old lady at first glance.

Shen Siyan was looking at Old Mrs. Lin, and Old Mrs. Lin was also looking at Shen Siyan carefully. With Mrs. Lin's eyesight, she naturally saw at a glance that Shen Siyan was not wearing any makeup, and that she was basically coming over with a plain face. Even so, in her eyes, Shen Siyan was incomparably clear and beautiful, and she knew at first glance that she was a good girl, a truly good girl. The more Mrs. Lin looked the more she liked it, the more she looked directly at Shen Suyan's face was red, and hurriedly Weiwei's lowered her head.

'Oh .....' Lin Hao pulled Shen Siyan to the front of the old lady Lin, introduced to Shen Siyan: 'Siyan, this is the grandmother .....'

Then Lin Hao introduced to old Mrs. Lin, 'Grandmother, this is Siyan, I have brought her to you, we are spending New Year's Eve with you this year .....'.

After Lin Hao's introduction, Shen Shiyan, without waiting for the old lady to speak, hurriedly and politely called out to the old lady, 'Hello, grandmother, I've been hearing about you from Lin Hao, and I've long wanted to come and pay my respects to you, but only now, I'm sorry grandmother, I'm .....'.

When Shen Xiyan didn't finish her sentence, Old Mrs. Lin held her hand and shook her head: 'Oh, good child, needless to say, I'm very happy that you came, what a good girl, not bad, really good, Xiyan, come come come come, sit next to the grandmother, don't be restrained and don't be nervous, in the future ah here is your home .....' Old Mrs. Lin is naturally very satisfied with Shen Xiyan, said to pull Shen Xiyan to sit next to her.

'The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to take a look at what you have prepared .....'.

Lin Yan smiled and took a folder from the table and handed it to Shen Xiyan: 'Well good boy, Dad is also a rough man, Hao'er mother left early, then today I have full powers to represent, the last time you and Hao'er wedding, I didn't prepare any gift for you, quite sorry. I'm sorry I didn't get you anything for your last wedding. I found out you're a fashion designer, so I bought the top fashion design company in Milan and gave it to you. I hope you'll like it .....'.

Shen Siyan's heart was incomparably shocked, Lin Yan actually sent her a top design company directly. Is Lin Hao's family all so generous? Shen Siyan's heart was so shocked that she forgot to pick up the folder for a moment.

Old Mrs. Lin took the folder from Lin Yan and handed it to Shen Siyan, then said to Lin Yan: 'Well, this gift is not bad .....'. Then Old Mrs. Lin said to Siyan: 'Your father gave it to you, you take it and pursue your dreams.

Shen Siyan's heart beat very fast, knowing that Milan International's design company is her lifelong pursuit. However, here in the Lin family, it was so easy to get .....

'Well, thank you, grandmother, Siyan knows .....'. Shen Siyan hurriedly said thank you very nicely to the old lady Lin, and then bowed to Lin Yan to thank: 'Thank you dad, I will work hard .....'.

After Shen Siyan finished speaking, she was dragged by Old Mrs. Lin to introduce Lin Bancheng and Mo Yuntian to her. The two of them are not Lin Hao's relatives, but they are more like relatives, after all, the Lin's main lineage withered badly, Lin? The first thing you need to do is to take a look at the new product. Hao's grandfather died a long time ago, and his mother also died .....

After Shen Siyan was pulled away by Old Madam Lin, only Lin Hao and Lin Yan were left in the same place. Lin Hao looked at Lin Yan and Lin Yan also looked at Lin Hao.

But after all, there is a misunderstanding between their father and son for more than ten years, when Lin Yan is face to face with Lin Hao again, his

heart is still a little embarrassed and complicated, after all, the last time they were in this hall, the last time Lin Hao went north, the two of them almost fought. ....

‘Ahem, Hao’er, you .....’ said Lin Yan with two awkward coughs, somewhat complicated to Lin Hao.

The first time I saw him was when he interrupted Lin Hao, who paid a deep obeisance to Lin Yan: ‘Dad, I and Xi Yan accompanied you to spend the New Year with your grandmother this year, Dad, thank you for these years, really thank you, I have no resentment towards you in my heart, thank you .....’.

‘Thank you .....’ Lin Hao looked up, took a deep breath, and looked deeply into Lin Yan’s eyes, and the next moment Lin Hao’s eyes turned red .....

Buzz ..... After Lin Yan heard Lin Hao’s words, two lines of tears flowed from the corners of his eyes. Lin Yan nodded heavily as he shed tears, reached out and patted Lin Hao’s shoulder vigorously: ‘Good boy, my son is good, good boy! Good job .....’

## **Super Son-in-law Chapter**

### **739-740**

Chapter 739

Since she entered the house with Lin Hao, Mrs. Lin has been holding her hands and chatting with her, and Lin Hao’s grandmother has become more and more fond of Shen Siyan. The old lady Lin even saw in her the shadow of her own youth.

She was also the first woman to be invited by the Chinese government to a meeting with the Chinese government, which was held at the Beijing International Convention Center. The old lady was over seventy, and although she was in good spirits, she was much older after all, so Shen Xiyan supported her all the way. She was very impressed with Shen Suyan's good manners and understanding, and she liked her even more.

After staying in the bedroom with Shen Xiyan for a while, Old Mrs. Lin took Shen Xiyan's hand and looked at her with complicated eyes, looking suddenly with some emotion to Shen Xiyan said: 'Girl, don't blame Hao'er didn't tell you about our family before, he has suffered a lot these years, his mother died early, when he was ten years old, after that his father even more for the sake of the family had to endure, and Hao'er he has been in exile all these years, you know he is my own grandson, our Lin family's first heir, but he was in exile, all these years he doesn't know how much he has suffered, how much he has suffered .....'.

Lin? The first time I was in the hospital was when I was in the hospital. The old lady said that her eyes were moist, perhaps because she was old, a little reminiscent of some of the previous things, she was incomparably saddened.

The company's products and services have been sold to a wide range of clients, including the U.S., Canada, Europe, Japan, Korea, and China. Lin Hao is fine, he is my husband. Grandma, I am also an orphan, don't worry, I will be able to take care of Lin Hao in the future. ....'

'The first thing I noticed is that there are a lot of people in the world who are not familiar with the world's most important technology, and they are not afraid of it, but they are not afraid of it. Basically, he came alone. Her husband died early, Lin Hao is in exile, and Lin Yan is in hiding.

‘Hmph! Good girl, grandmother was right about you, grandmother knew you were a good girl, Xi’an, grandmother truly wished you and Hao’er a happy life .....’ said Mrs. Lin, holding Shen Xi’an’s hand, to Shen Xi’an.

At five o’clock in the evening, in front of a quiet cemetery in the western hills of Yanjing, Lin Hao brought Shen Suyan with him. They were both dressed in black, and the cemetery was the grave of Lin Hao’s mother, Fu Hongyan. Lin Hao hadn’t been back for a long, long time to escape the calculations of the Lin Clan. When he had left from Yanjing, he had secretly vowed in his heart that he would annihilate the Lin Clan branch and avenge his mother’s death!

He killed Lin Xiaoyun with his own hands, and ordered a thorough and bloody purge of the Lin Clan’s entire staff. And now he has become the forty-eighth generation head of the Lin Clan, and he has even married Shen Suyan. Today he brought Shen Shiyan to his mother’s tomb. ....

The area around Fu Hongyan’s tomb was very clean and tidy. Every month, Old Mrs. Lin would send someone to clean this tomb, and every month, Old Mrs. Lin would come here to stay quietly and see her former good daughter-in-law.

Lin Hao looked at his mother’s tombstone, the smiling photo, the photo of Fu Hongyan is so beautiful, atmospheric, gentle and elegant, Lin Hao could not help but wet his eyes.

‘The company’s main business is to provide a wide range of products and services to the public. Fu Hongyan was indeed a stunningly beautiful woman. Fu Hongyan’s looks and temperament are even higher than hers. When Lin Hao

went to Western Europe to fight a duel with the Lin Clan branch before. In the few days that Shen Xiyan stayed with Lin Qingcheng, Lin Qingcheng told Shen Xiyan many, many things about Lin Hao's mother.

Fu Hongyan, the most beautiful woman of the Yanjing generation more than twenty years ago, was the object of chase for countless proud figures. For example, Dao Yi, Dao Yi willingly fell to the earth for Fu Hongyan, or Lin Hao's father, Lin Yan, who was the most beautiful woman in the Yanjing generation for more than twenty years.

The first time I saw her, I wanted to see Lin Hao's mother's face, but Lin Qingcheng didn't say so, and Lin Hao and Lin Yan were in Western Europe at that time, so I didn't ask Lin Qingcheng for more, but now that I have seen Lin Hao's mother's photo, I am even more shocked.

She is a very emotional woman, with a very low tear point and a heart full of emotion. At this moment, when she looks at the photo of Lin Hao's mother, she can't help but think of Lin Yan, Daoyi, and Fu Hongyan more than 20 years ago. .... It's just that the results of their generation were very sad, with Fu Hongyan dying, Lin Yan carrying a heavy load and withholding it for more than 10 years, and Daoyi killing her in a fit of rage. Sacred Mountain, a branch of the Upper Lin Clan, fell from grace and went into hiding .....

She took a deep breath and felt Lin Hao's deepening sadness, and quietly held Lin Hao's hand.

The moment Lin Hao was gripped by Shen Xiyan, he came to his senses. He nodded his head and said to Shen Xiyan, 'Yes, my mother was very beautiful, she was the most beautiful woman in the world, and she was also the best

mother in the world .....’ Lin Hao’s eyes were red, and he smiled at the picture on his mother’s tombstone, holding back the tears that were about to fall.

‘Mm .....’ Shen Xiyan softly hummed, holding Lin Hao’s hand a little tighter.

## Chapter 740

I’m here to see you, and I’ve brought your daughter-in-law with me. Her name is Ji Yan, and she’s a very nice girl who treats me very well. It’s also the head of the Lin family. You ..... don’t worry .....’

Lin Hao endured his grief, tried to squeeze out a smile, and said slowly, only his sadness intensified. Shen Suyan stood beside Lin Hao and moved her feet slightly, standing closer to him.

Lin Hao took Shen Siyan and together they paid three deep respects to Fu Hongyan’s tombstone. The photo of Fu Hongyan on the tombstone, the smile on her face, seems to be more beautiful at this moment, and there seems to be a trace of comfort and blessing in her eyes. ....

.....

After Lin Hao and Shen Xiyan went back, Lin Hao didn’t talk on the way back to the Lin family, Lin Hao took Shen Xiyan with him? The first thing you need to do is to take a look at the newest products. The first thing you need to

do is to take a look at the website of the company, and then you'll see that it's not just about the way it works. ....

If he had a choice, he would rather not be the young master of the Lin Clan, and he does not want his family to be rich, just enough to spend, he just wants his mother to be alive, yes, he just wants his mother to be alive, alive and well, nothing else .....

Yes, if one could choose. It's just that there is no choice in this world, and time doesn't go backwards. What Fu Hongyan left in Lin Hao's heart was more of a regret and a miss. The first thing that I want to do is to say that I'm a man who wants to make the people around me happy, even if I suffer a lot. This is what Fu Hongyan always taught him when he was a child, and he has been doing the same all these years.

'Just mother, your Hao'er has always followed your teachings, all these years, your Hao'er for your expectations, and also did all, he did not grow up into a big family dude, he succeeded in becoming a world class pride. It's just that your Hao'er has done it all, but you're not there anymore, you don't see .....' Lin Hao looked at the room in front of him, which is filled with memories of his memories with Fu Hongyan, and murmured in his heart.

Although Lin Hao didn't say a word, Shen Xiyan could feel it at this moment. She now also knew how powerful Lin Hao's family was, and that Lin Hao was the head of such a powerful family. It can be said that Lin Hao is the best man in every aspect, and the power in his hands is monstrous.

Lin Hao is not a good speaker, and his identity and status will not allow him to talk about his grief. The only thing he can do is to bury all the pain deeply

in his heart, and wait until the deepest part of the night, in the silence of his own experience .....

Shen Siyan wanted to say something to Lin Hao, but when the words came to her mouth, it was as if nothing could come out. Her man was a world class hero, and world class heroes did not need her to use words to comfort them, even though she was his wife. So in the next moment, Shen Shiyan didn't say anything, she just sat by Lin Hao's legs, rested her head on Lin Hao's lap, and took Lin Hao's hand and covered her cheek. In this way she was silently accompanying her lover, the love of her life.

In the room, Lin Hao and Shen Shiyan did not speak, not even a sound, the outside sky slowly darkened, the sun slowly set, the setting sun's afterglow shone in through the window, the dusky afterglow scattered on Lin Hao and Shen Shiyan.

Lin Hao was sitting on a chair, and Shen Shiyan was sitting on the floor, her head resting on Lin Hao's lap, quietly accompanying him, this picture is very beautiful, very beautiful .....

Lin Hao, who was very sad in his heart, felt a warmth when he touched Shen Shiyan's cheek, a warmth that warmed his heart, and slowly the sadness in his heart dissipated.

He caressed Shen Xiyan's cheek and long hair, with a smile on his face: 'Thank you Xiyan, wife .....

Shen Shiyan gently hummed and said to Lin Hao with infinite tenderness, 'Well, my husband will always be with you, always be with you .....'.

Lin Hao took a deep breath and pulled Shen Shiyan to stand up, looking out the window at the scenery that has been darkened and said to Shen Shiyan: 'Shiyan, tomorrow is the ceremony of the forty-eighth generation of the Lin family, tomorrow you will walk with me to the highest position, I have your company in my life, and as long as you accompany .....'.

Shen Jiyan smiled and nodded gently .....
