741-743

Chapter 741

At the same time, just as Lin Hao was walking outside hand in hand with Shen Shiyan, in the cave deep in the Taihang Mountains in the mid-western face of China, suspended in mid-air inside the huge blood-red crystal coffin, the figure of that wonderful woman, You Zi Fei, her body now began to tremble violently, fluctuating more and more strongly.

‘Master, tomorrow is Brother Hao’s succession ceremony, and this time I’m going to go no matter what, okay?’ You Zi-fei’s hollow, unearthly voice echoed in the cave, knowing that she was Lin Hao’s fiancée, and that she could care less when Lin Hao married Shen Xiyan in the Heavenly Sea. Because in her heart, she always thought that Shen Xiyan was a mortal woman. She is the eldest daughter of the Huaxia You Family and the heir to this generation of the You Family, and as long as she recovers from her injuries, she will be the head of the Huaxia You Family the moment she leaves the house.

The You family is one of the four major warlords of Huaxia that have been inherited for nearly a thousand years, and the You family is even stronger than the Jun family, ranking second in Huaxia. It is also believed that her looks and temperament are much higher than Shen Xiyan’s. She is also the one who Lin Hao set up as a child. She is also the wife that Lin Hao has had since childhood, and she thinks that the reason Lin Hao married Shen Xiyan is because she has been sleeping all these years, and Lin Hao thought that she was dead. Now that she is going out to surprise Lin Hao, she believes that Lin Hao will definitely choose her.

The first time I saw her, she was a young girl, and she was always on Lin Hao's heels, and the two of them set up a child marriage when they were three or four years old, so from the time she was a child, she was convinced that Lin Hao was the one who was destined for her. The fated hero of the world.

So right now, when she learned that Lin Hao was going to hold his inauguration ceremony tomorrow at the Lin family in Yanjing, she was going to go out no matter what. Lin Hao is a world class hero, and she, You Zi-fei, who has been claiming to be Lin Hao's wife all these years, also believes that she is a peerless woman, and only a woman like her, who does not eat the earth's fire, can match Lin Hao.

And tomorrow at Lin Hao's inauguration ceremony, he will definitely bring his wife to the stage, and the woman who will accompany Lin Hao at his ceremony tomorrow can only be her! You Zifei!

Underneath the blood-red crystal coffin, the old man in coarse linen clothes frowned, a trace of hesitation appeared in his eyes, he looked up at You Zi Fei inside the blood-red coffin and slowly said: 'Little You'er, according to the conditioning program I gave you, there are at least three days before you can come out. The perfect condition will leave a slight hidden danger to your nine bodies. And if you come back out after three days, your body will no longer have the slightest hint of a hidden problem'

'Master, I've thought it over, please let me out, I must see Brother Hao tomorrow, Master, please let me out, this is Taihang Mountain, it's not far from Yanjing, please let me out! I'm not sure if this is a good idea. The inside sank violently, and it was certain that if the old man didn't let her out, she would come out herself.'

‘The old man sighed deeply and thought for a while before he looked up at You Zifei inside the blood-red crystal coffin and said: ‘Little You’er, then Master will let you go, but you must be careful, you must not follow anyone. Use force, and you’ll have to take care of yourself for the next month or so, promise me, okay?’

‘Master, you can let me out, I’m going to find Brother Hao, hurry up and arrange a plane for me ‘You Zi Fei’s body is inside the crystal coffin, floating even worse. Her eyelids are also beating violently, but her voice is full of joy

Chapter 742

Because she is about to meet her brother Hao. She is the jewel in the palm of the You family, a thousand years old, and she was very smart from birth. At that time, the You family was very proud of the birth of Concubine You Zi. And the spirituality of You Zi Fei, but also forced the Lin family and You family marriage, that is, Lin Hao and You Zi Fei, when the Lin family controller Lin Hao’s grandfather Lin Zhantian, and the You family controller believe that the combination of Lin Hao and You Zi Fei, the future will be two thousand years of warlords, a huge impetus, is a big advantage

Ever since the You family and the Lin family settled down by marriage, Concubine You Zifei has been going to the Lin family often to play with Lin Hao. At that time, when she was three or four years old, Concubine You Zifei was very young and very cute, just like a porcelain doll. But she was very intelligent, and the You family set her up as a bride, and she also liked Lin Hao very much. Because Lin Hao, who was five or six years old at that time, was silly and foolish, and always protected her. And she was just like a little follower following Lin Hao. The first thing that you need to do is to get rid of the problem.

At that time, the person you like to play with the most is Lin Hao. And she also spent more than a year with Lin Hao. The first thing you need to do is to get

rid of the problem that you are not going to be able to get rid of the problem. The first thing you need to do is to take a look at the results. for an hour or two every day. And even then, she still had to go to find Lin Hao.

Only later, the most serious time for You Zifei was that she remained unconscious. The first thing you need to know is that you can't even open your eyes, and you can't even wake up. The You family could only announce the death of Concubine You Zifei at that time.

When the You family announced the death of Concubine You, Lin Hao was also sad for a long, long time. The reason is that Lin Hao, who was a macho man at that time, had always treated Concubine You as his own sister. Lin Hao has only one sister, Lin Qingcheng, and he has no sister. The appearance of You Zi-fei was the perfect way to compensate for the lack of a sister in Lin Hao's heart.

But then, just when the You family decided to bury Princess You Zi, an old man appeared and told them that he could cure her and that her constitution was one in a hundred million. The reason why Concubine You Zi Fei is sleeping is because her young body cannot withstand such a powerful bloodline reversal, but if Concubine You Zi Fei is cured, she will be able to fly to the sky. Directly standing on the pinnacle of this world

The old man then took away Concubine You Zifei, and for years, Concubine You Zifei lay in the blood-red coffin that the old man had crafted, her body soaked in all kinds of herbs to replenish her body's terrible consumption.

Slowly, under the old man's care, Concubine You Zifei's body began to recover, and from time to time she was able to wake up for a period of time. The old man also found for her all kinds of study materials, video files and so on in

the present world. The old man also found all sorts of study materials, video files, etc. for her, and carefully taught her. In the past twenty years, even though Princess You Zi-fei never went out, her growth did not lag behind at all.

The actual fact is that you will be able to find a number of the best way to get the most out of the product. It's just that although Princess You Zi-fei is no worse than anyone else in the outside world, she hasn't had any contact with anyone else in the past twenty years.

So in her heart, all she can recall is Lin Hao, only the happiest time of the year when she was a child with Lin Hao.

The first thing you need to know about the company is that the company's products and services are not only good for the environment, but also for the people.

During these twenty years, every time she woke up, you Zi-fei fantasized about going out to see Lin Hao, marrying him, and living a happy life with him. Lin Hao is her persistent obsession

.....

'Brother Hao, I'm consort, your consort, your consort, wait for me, I'm coming to you 'Deep in the cave entrance of the Taihang Mountains, a tall, perfect, long-haired purple-clothed woman standing pavilion in the moonlight, the woman's head wearing a purple hairpin, that was the original Lin family to the You family's engagement token

Under the moonlight in the depths of the Taihang Mountains, this night, there is an ancient style dressed up, tall and perfect figure, a woman with a beautiful face standing pavilion, the woman's eyes look deeply in the direction of the east

Chapter 743

The early morning sun rose, the sun was shining, and the rays of the early sun spread all over the earth, covering everything with a layer of golden light, it was a day that made people feel hope. The entire capital of Yan shook early in the morning, because today was the ceremony of succession for the forty-eighth generation of the temporary warlord, who had inherited the family name for nearly a thousand years.

Not only Yanjing, but also dozens of top powers from all over China came to Lin's ancestral home on this day. It didn't matter if they wanted to come or not, whether they were genuinely congratulatory or had a guilty conscience, they all had to come on this day. Because the Lin Clan's power and heritage was too strong. In ancient times, these were the four most powerful vassals, and the change of power often meant many things.

For example, after Lin Hao became the new head of the Lin Clan, what was his entire strategic direction and what did he want to do? It is not an exaggeration to say that Lin Hao, the head of a thousand-year-old sect, could influence countless people with a single thought, so that countless people could be influenced in a tangible or intangible way.

And today, all those who received Lin's invitation are the top powers around. These people are incredibly well-informed, and even before Lin Yan's abdication, they had detailed information about Lin Hao from various places.

But when they read Lin Hao's information, without exception, they all had a deep scruple in their hearts. A few days ago, when Lin Hao was promoted to the top of the world, he was able to compete with Jun Wujing of the Jun Clan, and he was three years younger than Jun Wujing. If Lin Hao is now on par with Jun Wu Jing, then Lin Hao must be even stronger in the future.

Not to mention that a few days ago, when Lin Hao went west, he completely purged the poisonous tumors of the entire temporary gate. It can be said that although the previous temporary gate valve was very strong and big, it was incomparably bloated and lacked political order, and even split internally. But now the temporary gate has been completely unified, which means that the temporary gate has ushered in a new life at this moment, and with Lin Hao as the new head of the family, everyone is sure that the temporary gate will usher in its mid-rise in Lin Hao's generation.

In the first half of the year, the company's first and second half of the year, the company's first and third half of the year, the company's first and third half of the year, the company's first and third half of the year, the company's first and third half of the year, the company's first and third half of the year, the company's first and third half of the year. The first time I saw it, I thought it would be a good idea for me to have it. In comparison, the Jun family is far from it. It's all because of those idiots of the Jun family who are arrogant and conceited, thinking that they are a thousand years old warlord, if it wasn't for them, my Jun family would not be here today.'

Jun Wu Jing was lamenting the flourishing of the Lin Clan on one side, and resenting the past inaction of the Jun Clan's top brass on the other.

Qinglong looked at Jun Wu Jing and spoke, 'Brother, shall we go then?'

Yes, the person who asked Jun Wu Jing was Qing Long, who was severely injured by Lin Hao's blow a few days ago in the Heavenly Sea. But now his injuries are not nearly healed, and Jun Wu-regret specially gave him precious medicine from the Jun family's treasury. And he had only admiration for Lin Hao, but not the slightest resentment. After all, he was the one who killed Mo Tianji first that day. If Lin Hao hadn't arrived in time, Mo Tianji would have been killed by him.

The company's main business is the development of a new product, which will be introduced to the market in the near future. Listen, you guys have to maintain good relations with the Lin family in the future, Qinglong, what do you think?' Jun Wu Jing said, and finally looked deeply at Qing Long.

Qinglong was silent for a while and said, 'Brother, I share your opinion. Don't worry, I really have no resentment towards Lin Hao, although I'm afraid that I'm hopeless to be promoted to Innate in this life, but I've had enough'.

Jun Wu Jing put away the smile on his face and looked deeply at Qing Long once again and said: 'Qing Long, you are my brother, I hope you will tell me the truth, if you are not willing in your heart, then we can stop cooperating with the Lin family. I hope you will always remember that in my Jun Wu Jing's heart, the twelve of you are my family members.'

The first time I saw this was when I was a child, I was abandoned by the Jun family, and it was only because these brothers followed me all these years that I was able to get to where I am now, three months? The first thing you need to do is to take a look at the new product. The first thing that you need to do is to make sure that you have a clear understanding of what you are doing.

Qinglong Yanjing was a little hazy, and he was touched by Jun Wujing's words, but of course he knew that Jun Wujing meant what he said. Thinking of this, Qinglong nodded heavily and said, 'Well, big brother I will go with you later'.

Chapter 744

The first thing that I want to do is to get rid of the old man's nerves. Qinglong you are right to think so, and it is likely that we will still be comrades with the Lin family in the future'.

'Comrades? Brother, what's wrong? Do we have a common enemy with the Lin family?' The valiant white tiger opened his mouth and asked Jun Wu Jing in confusion.

The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to the public. I'm afraid that the fact that the Yanjing family's generation is not as good as the next one has a lot to do with those things, those people, get ready. '

In the past few years, we have seen a lot of people who have been in China for a long time, and we have seen a lot of people who have been in China for a long time. And can't all those people, with the power of the Jun family and the Lin family, compete with them?'

Jun Wu Jing nodded with a heavy face, 'Well, I'm afraid so, these days as I know more and more things. I'm even more convinced that there is a force in

China that exists in addition to the four major warlords. Not to mention the fall of the Jun family, but the Lin family, why did Lin Zhantian die in battle? Who was it that killed him? No one is clear about this until now. And then there is Lin Yan, who has endured more than a decade, is it really just to fight against Lin's internal enemies? The first thing you need to know is that Lin Yan was the world's most powerful man more than a decade ago, and with his methods, if you really want to destroy Lin Xiaoyun, you'll have to wait more than a decade? Closed love to cover the land zero west love? Is it? You know he's been saving up for over a decade, and so has Lin Xiaoyun

Jun Wu Jing said and shook his head, 'Let's not talk about this now, you two should set off with me now, it's almost time for Lin Hao's inauguration ceremony

The white tiger also wanted to stop talking, and suppressed what she wanted to ask in her heart. It was the first time she saw that kind of emotion in Jun Wu Jing's eyes after following Jun Wu Jing for so long.

.....

At the same moment, in the council hall of the You family in Yanjing, the new head of the Lin family assumed the throne today, and they also had to take it seriously. And not to mention that the current generation Lin family head, Lin Hao, was their in-laws before. At the moment, the You family's head, You Hades, was sitting on the throne, his eyes very complicated.

'Big brother, is there any news about Concubine now? How is she recovering physically?' Just as You pondered, a family elder below spoke to him and asked.

After all, if Concubine You Zifei was still alive, it would be the splendor of the Lin family today, as well as the splendor of their You family. It's just that when the Purple Concubine You fell asleep, she was taken away by that mysterious old man, who would pass on the situation of the Purple Concubine You to them every few years. Of course, she didn't wake up. The You family also acquiesced to the death of You Zi-fei, after all, sleeping is no different from dying. After Lin Zhantian's inexplicable death in battle, the marriage contract between the Lin family and the You family ended in a dead end.

You Hades shook his head and sighed deeply: 'There's no news about Consort, hey, you and I will go to the Lin family later, Lin Yan is a person, all these years I thought he was really wasted. His son Lin Hao is even a generation of heavenly pride, let's go, let's go there, although we can't marry with the Lin family again, but we are both from the same family, still have to respect each other

You Hao said and stood up, with deep emotion in his heart, he had read all the information about Lin Hao in the past few days, and admired Lin Hao's back very, very much. If her daughter You Zi-fei was still around, then he would have been very satisfied. It's just that it's more or less a pity now.

'I'm sure you'll find that the boy you liked the most when you were young has grown up and become a generation of pride. Since you can't go today, I'll take your place and go to see for myself the man you almost spent your whole life with

Chapter 745

At nine o'clock in the morning, the gate of the Lin family's ancestral home in Yanjing was opened, and with the opening of the gate, guests, who had been

waiting outside quietly for a long time, began to enter one after another. Every one of these people outside the gate was a big shot, but at the moment they were all very quiet and orderly, and did not dare to go in at all.

In the center of the Lin Clan's ancestral home, there was a huge open space where Lin Hao's succession ceremony was held today. The first time I saw him, he was in the middle of the night. The first time I saw it, I thought it was a good idea. The first time I was in the room was when I was in the room with my wife, and I was in the room with him. It's a good idea to use a little bit of the same old 'I'm not going to be able to do that.

The seats on the open ground slowly began to fill up with people, and the blackness was overwhelming, nearly a thousand people came here today to attend the ceremony, but at the moment the thousand people were silent below.

'Lin family master congratulated A black suit, Jun Wu Jing, walked in front of Lin Yan and arched his hands to Lin Yan.

Lin Yan also smiled and nodded his head to Jun Wu Jing: 'Jun family master please sit down, you can sit on the stage, Jun family and Lin family for generations of friendship, friendship' Jun Wu Jing is young, but he is now the master of the Jun family, identity and status are equal to Lin Yan, naturally can not let Jun Wu Jing to sit down.

'Well, good' Jun Wu Jing nodded his head with a smile, and then sat down on the seat of the important guests.

As soon as Jun Wu-regret left, Youxue led the people to Lin Yan. The first time I saw him, he was in the same era as Lin Yan, compared to Jun Wu Jing. Lin Yan is a worthy generation of barons, and he is not inferior to Hades. Originally, these two people were able to become in-laws, but now there is only a long sigh.

But on the surface, Youxue still arched his hands towards Lin Yan, smiling, and sincerely said to Lin Yan: 'Brother Lin, congratulations, Hao'er is really good, you have given birth to a good son, you have someone to succeed you'.

Lin Yan looked at the head of the You family, You Hades, who was the same age as himself, but now You Hades had a lot of gray hair. Lin Yan understood that this was due to the heartbreak of You Hades after losing his daughter.

Lin Yan sighed deeply, and also looked at You Hades with an incomparably complicated expression: 'Brother You, please sit down quickly, sit down.'

Youxue nodded and said: 'Well good, then drink some.' Youxue said and walked to the side, but he had just turned around when Lin Yan still called out to him. Lin Yan felt the sorrow in his heart on the body of the Phantom. Youxue had lost his own daughter, and he had lost the love of his life. In a sense, Lin Yan and the Underworld, the two world masters, have a lot in common. The same Youxue and Lin Yan were also good friends. Their generation is just like the present Lin Hao and Jun Wu Jing.

If you're still alive, you'll be the only daughter of the You family, and you'll be the head of the You family today. Now the Lin family and the Jun family have both produced true dragons, but his You family has no

The more ancient the big family is, the more it values the family's inheritance, and the You family's generation is considered to be broken. Thinking of this, Lin Yan incomparably complicated to You Hades said: 'Brother You, Hao'er is already married, that incident, I'm sorry, it's my Lin family's fault'.

When you heard Lin Yan's words, you didn't turn around, but shook your head and said: 'It's all right, it's all in the past, I believe that the Princess will be happy for Hao'er when she sees what he has accomplished now'.

'Hasn't the consort heard from him yet?' Lin Yan couldn't help but ask a question out to the Underworld.

After hearing Lin Yan's words, the Underworld trembled and was stunned for a moment, but he didn't say anything, only his back seemed to be bent a little more

'Hey 'Lin Yan looked at the back of You Hei and sighed deeply. You Hidu is also a generation of barons, more than twenty years ago, after the birth of Princess You Zi, You Hidu was very happy, his love for his daughter, incomparably deep. For example, after the birth of the Purple Concubine You, You Hei, the head of a thousand-year-old family, every day even if busy, will take half a day to accompany the Purple Concubine You, his love for the Purple Concubine You, really to an extreme, he can be called a best father.

After the accident of You Zi Fei, You Xi was completely silent, until now, the matter of You Zi Fei, in his heart is still a deepest wound, a most difficult to untie the knot

The ghost silently took a seat, no longer speaking, and a trace of reminiscence appeared in his eyes. At that moment, someone else came to Lin Yan's side and greeted him. Lin Yan didn't look at the phantom's side anymore

Chapter 746

Lin Yan greeted in the front, and in the back Lin Hao's room. Lin Hao was also dressed in a black suit. Shen Shiyan was sitting in front of the dressing table, still tidying up her clothes nervously, fearing that there might be a flaw on her body. She has now completely understood how powerful Lin Hao's family really is. Not to mention, none of the guests who came today are any less powerful than the Leng family. And today her position is much more powerful than those people.

She is going to accompany Lin Hao, and at Lin Hao's succession ceremony today, I believe that all the top powers in Huaxia will be aware of her existence.

Shen Xiyan sat in front of the dressing table still finishing up, Lin Hao stood by the door with a smile on his face and looked at her: 'Oh, Xiyan can do it, you're already beautiful, you've been sitting there for two hours.'

Shen Xiyan bit her lip and said nervously, 'That's not okay, but today is the most important day for you. I can't lose face to you

Shen Siyan was silent and said to Lin Hao, 'Lin Hao, or I won't go out, I'll wait for you in the back. Those people who came today are all big shots, and if I I accompany you, it might affect those people's opinion of you

Lin Hao smiled and shook his head: 'No, you think too much, those people outside you just treat them as employees of the Tianhai Group. After today, you will officially become Mrs. Lin, and no one will dare to say anything to you when they see you.'.

'But

 Shen Shiyan wanted to say something else, but was interrupted by Lin Hao waving his hand.

'There is nothing but, you are my wife, the future is the mistress of the entire Lin Clan, I have everything, you do not have to worry about

 said Lin Hao very firm and domineering.

The company's main business is to provide a wide range of products and services, including a full range of products and services, and a wide range of products and services. It is the sweetness of the heart? Zero land Wusan Wusan land? Honey, a little more.

The first thing that you should do is to take a look at the newest products that you can find in the marketplace. She sat on the second seat next to the head of the family, the same seat where Old Madam Lin had sat fifty years ago. That was the position that the wife of the head of the Lin family should have occupied in every generation.

Naturally, when Old Madam Lin smiled and pulled Shen Suyan into that seat, the eyes of nearly a thousand big shots below all looked at Shen Suyan. The vast majority of people looked at Shen Suyan with respect, but there were also many people with a lot of jealousy in their eyes, especially a young and beautiful woman who was jealous to death of Shen Suyan.

Shen Suyan was a little nervous when she was looked at by those below, but Old Mrs. Lin, who could not be traced, gently patted her hand and whispered to Shen Suyan: ‘Don’t be nervous, girl. Look, Hao’er is coming out’.

As soon as Mrs. Lin finished speaking, a voice was heard from the huge square: ‘Please welcome our Lin Clan, the forty-eighth head of the Lin Clan, Lin Hao!!!’

As the emcee’s words fell, the audience thundered with applause. In the middle of the square, there was an avenue covered with a pure purple carpet. The starting point of the avenue is the Lin Clan’s main gate, and the end point is where Lin Yan sits on the platform at the back of the plaza, which is also the seat next to Shen Shiyan. At this point Lin Yan was already sitting on the other side of the throne. Now Lin Hao is going to sit down on that seat.

The next moment, a black suit Lin Hao appeared in everyone’s eyes, Lin Hao did not say anything, the whole person is incomparably solemn, the seat in front is the Lin Clan’s head of the family, and today Lin Hao will officially sit in that seat. After today, Lin Yan will be completely decentralized and will no longer care about the Lin Clan’s affairs, and after today, all the decision making power of the Lin Clan Warlord will be owned by Lin Hao.

After seeing Lin Hao with his own eyes, all the guests were deeply shocked by the recognition of Lin Hao. It’s one thing to hear about it, but it’s

another to see it with your own eyes. Now these big shots and giants from all over China, after seeing Lin Hao with their own eyes, their hearts were only more shocked. The shock in their hearts only grew stronger and more intense.

Lin Hao was in the limelight, his eyes were firm, and his steps were strong as he walked step by step toward the position of master of the Lin Clan. Lin Hao walked very, very slowly. On the way, wherever Lin Hao passed by, the crowd looked at him with respect.

Slowly, Lin Hao finally reached the top of the platform and walked in front of Lin Yan, the previous master of the Lin Clan. Lin Hao bowed to Lin Yan.

Lin Yan looked at Lin Hao solemnly and took off the Ring of the Family Head, which symbolized the status of the family head of the Lin Clan, and handed it to Lin Hao: ‘Lin Hao, from now on, you are the forty-eighth generation family head of my Lin Clan. I hope you will strive to lead your family to greatness in the future and lead your family to greater heights’.

‘Yes, Lin Hao will remember!’ Lin Hao received the Ring of the Head of the Family with great seriousness. Lin Yan turned to sit in his seat after Lin Hao finished speaking.

‘I now announce that Lin Hao, son and grandson of the Lin Clan, has officially become the forty-eighth generation head of my Lin Clan!’ After Lin Yan handed over the Ring of the Family Head to Lin Hao, the solemn and loud voice of the Master of Ceremonies was heard again.

After the master of ceremonies finished speaking, Lin Hao also turned around and faced the crowd, he took a deep breath, and behind him was the seat of the Lin Clan's master, at this moment, after he had really reached this step, and inherited the Lin Clan to become the forty-eighth master of the Lin Clan, Lin Hao was also very excited and proud. The thousand-year old gatekeeper, endless heritage, and now it will all be his, at this moment he has the power that ordinary people dare not imagine.

As the saying goes, the world is in control, and the beauty is drunk. Lin Hao at this moment is truly in the mood. Champion of the Ringworld

Lin Hao's momentum was still rising at this moment, he took a deep breath, looked at Shen Xiyan, and then said to the crowd below, 'Thank you all for coming to my succession ceremony, below

The crowd below was listening intently after Lin Hao opened his mouth, but when Lin Hao hadn't finished speaking, from the back of the crowd, at the doorway directly in front of Lin Hao, suddenly came an incomparably soft and nice, unearthly girl: 'Brother Hao

The first thing that happened was that Lin Hao, who had been speaking, suddenly raised his eyes to the front, and everyone in the audience also looked backwards at this moment. The first thing I noticed was that the woman's eyes were glued to the doorway of the Lin family's ancestral home, and the next thing I noticed was that two lines of tears welled up in the eyes of Hades: 'Fei'er

At this moment, in front of Lin Hao, at the entrance of the Lin Clan's ancestral home, there was a woman wearing a purple long skirt, a purple

hairpin on her head, a tall, perfect figure, fair skin, a beautiful face, and a waterfall of long hair.

Chapter 747

‘The company’s main business is to provide a wide range of products and services to its customers, and to help them to make the most of their opportunities,’ he said. So Lin Hao recognized her at a glance.

At this moment, after more than twenty years, Lin Hao saw you again, and his heart was trembling. Because as far as he remembered, Concubine You had been dead for more than twenty years, but now she suddenly appeared in front of him. How could he not be shocked?

Lin Yan looked at the sudden appearance of You Zi Fei, also stunned, Shen Suyan when she saw You Zi Fei’s eyes, her eyes darkened, she saw from You Zi Fei’s eyes her deep love for Lin Hao. The company’s products have been sold in the U.S. and Europe.

The company’s products have been sold in the U.S., Europe, and Japan. When Princess You Zi-fei and Lin Hao set up the baby’s wedding, she also remembered it clearly. But today, at the most important moment of Lin Hao’s life, the sudden arrival of Concubine You Zifei, if she had normally come to the Lin family, old Mrs. Lin would have been very happy. But only now, because now Lin Hao is already married, and Shen Suyan is sitting next to her, in the seat of the Lin family’s main mother. She personally also likes Shen Suyan very much, and now the sudden appearance of Princess You Zifei, a time as strong as the old lady Lin’s city, also feel that things are a bit difficult to do

At this moment, at the entrance of the gate, You Zi Fei looked at the shocked look in Lin Hao’s eyes, listening to Lin Hao call her, she smiled even more happily, her smile came out, as if the whole world lost its color, very, very beautiful.

‘Mhmm, brother Hao, I’m Concubine, I’m back, brother Hao, I’ve missed you so much all these years, Concubine really missed you

‘ You Zi

Concubine's face was smiling, she also tried to keep herself smiling, but at this moment after she saw Lin Hao, she still couldn't help but shed tears.

'Concubine!' As soon as Princess You Zi Fei finished speaking, a roar of extreme excitement suddenly rang out from the square. The roar came from the head of the You family, You Xi! You Hades was trembling with excitement at this moment when he saw You Violet Concubine, he simply couldn't control his hot tears, he trembled and stretched out his arms towards You Violet Concubine.

And at this moment, with the sound of You Hei's voice, and You Hei's reaction to You Violet Concubine, all the top guests from all sides of the room suddenly understood that the beautiful woman who suddenly appeared in front of them, she also had such a powerful background! She is the princess of the You family, a thousand years old! There were some older people in the room, and they almost instantly thought of the marriage between the You family and the Lin family more than 20 years ago. Now Lin Hao has a wife, but his fiancée, who was supposed to be dead, is suddenly resurrected

When they thought of this, those big bosses who knew about the incident more than twenty years ago, all of them hurriedly bowed their heads and shut up, even with the sternest eyes, indicating their own people to be silent.

When she heard the shouting of You Hei, her body trembled, and she almost subconsciously followed the direction of the voice and saw You Hei. When she saw You Hei's sideburns, You Zi Concubine's heart instantly swelled with a sharp pain.

The first thing you need to know is that you can't be sure that you're going to be able to do anything about it, and you can't be sure that you're going to be able to do anything about it. The first thing you need to know is how to make sure you're getting the right amount of money for the job.

'Dad

You Zi-fei eyes with tears in her eyes to look at You Xi, called out to You Xi: 'Dad, I'm sorry, these years I did not? I'm sorry, I didn't? Have accompanied you, I'm sorry

In the next moment, after Princess You Zifei said that, she ran towards the direction of You Hades, she missed Lin Hao and her father very much in these years.

‘Concubine’ You Hades tightly embraced the daughter who jumped into his arms, who has not seen him again for more than twenty years. The first thing you need to know is how to get the best out of your child. Then the father and daughter embraced each other on stage.

Chapter 748

The first time I saw this was when I was in the middle of the night, and I thought I’d be there for you. The first time I saw this, I thought it was a good idea. The porcelain doll that was frail and sickly since childhood, but followed him like a little sidekick, the porcelain doll that followed him every day and always called him with a smile, the little consort, You Zi Fei, his own fiancée, You Zi Fei!

The first thing you need to know is that you can’t be a good boy, you can’t be a bad boy, you can’t be a bad boy. The first thing that you need to do is to make sure that you have a good understanding of what you are doing and how you are doing it. Now go over and bless him The smile on You Hei’s face is even stronger.

The company has been in the market for more than 20 years, and you don’t know if you still like Lin Hao or not, but it’s impossible, right? After all, at that time, Princess You Zi-fei was very, very young. In fact, this time you are wrong, and very wrong, you are not only like Lin Hao, but also deep love, after all, you are very precocious. In the past few years, she has had no contact with outsiders at all, so the deepest impression in her heart is that of Lin Hao, in addition to Youxiu.

You Zifei nodded her head and stretched out her white jade hand to wipe the tears of You Hei, then turned around and looked at Lin Hao, who was not far away, and said to him with a smile: ‘Brother Hao, it’s been a long time’.

The first time I saw you, I was so happy to see you, and I was so happy to see you. The first time I saw her, I thought of her as a young woman, and I thought of her as a young woman, and I thought of her as a young woman, and I thought of her as a young woman, and I thought of her as a young woman.

In the heart of Lin Hao, he has always treated her as his sister, as his own sister. But now when he saw that you are alive in front of him, Lin Hao’s heart

was incomparably complicated. At this moment, he also felt a trace of weakness from Concubine You's body. It was the same as the weakness of her childhood body.

At this moment, he was listening to the former little follower who had become an ancient beauty talking to him. Lin Hao incomparably complicated to look at You Zi Fei? The first time I saw it, I thought it was a good idea to have it on my list. A glance, slowly said: 'Little consort, long time no see

At this moment, Jun Wu Jing, who was sitting on the other side of the stage, looked at You Zi Fei and Lin Hao and slowly frowned. He felt a momentum from Princess You Zi Fei that was not weak in the slightest.

'The first time I saw her, I thought that she had been a member of the family for a long time, but she was also a female clergyman. It's also a phoenix that has a marriage contract with the Lin family

Oh, Lin Hao, how do you choose it? Your former fiancée may not be able to become the head of the You family soon

Jun Wu Jing looked at Lin Hao and murmured in his heart. The corners of his mouth rose, revealing a faint smile.

If she had been faced with the Heavenly Sea Leng family before the incident, she would have retreated in her heart if she had been faced with the heavenly beauty of a top big family like Princess You ZiFei. It was because it would be to Lin Hao's advantage to get on good terms with Concubine You Zifei. But after she has experienced so much with Lin Hao, no matter what happens again, she will not retreat, not in the slightest!

Lin Hao looked at You ZiFei and was about to say something when suddenly Shen ShiYan stood up, reached out and put her arm around him, smiled at him and said: 'Hubby, who is this sister?'

Buzz

When Shen Shiyan asked this question, there was silence in the room. At this moment, there was Lin Hao's fiancée, the jewel in the palm of the millennium's gate. The other is the current Lin Hao's first wife.

At this moment, two stunning beauties, You Zi-fei and Shen Suyan, looked at each other

Super Son-in-law Chapter

Chapter 749

‘I’m Brother Hiro’s fiancée, who are you? Why do you call Brother Ho husband?’ You Zifei narrowed her eyes and looked at Shen Xiyan and asked.

‘Oh sister, I’m sorry, Lin Hao is already married to me, I’m his wife, don’t you know?’ The company’s products have been sold in the U.S. and Europe.

Buzz With the conversation between You Zifei and Shen Suyan, the whole audience quieted down again, and the atmosphere was incomparably heavy and depressing. It is important to know that the two women on stage, they can not afford to provoke, one is Lin Hao’s official wife, and the other is the only daughter of the Millennium Gate, the future may even become the existence of the head of the You family.

He knew that he was wrong. He originally thought that his daughter had forgotten about the marriage with Lin Hao when she was young, but he didn’t think that she still remembered, and listening to her tone, she was also very insistent in her heart.

‘The first thing that you need to do is to make sure that you’re not going to be in a position to be able to get a good deal of money. Can’t my brother Hao marry two? The first time I saw you, I thought you’d like to see me, but I’m not sure if you’ll be able to do that. I’m not sure if you’ll be able to do that. Do you still care that Brother Hao married me again?’ You Violet Concubine said to Shen Xiyan with a narrow smile.

She didn't expect Princess You Zi-fei to actually contradict her from such a perspective, and more importantly, what Princess You Zi-fei said was absolutely right. The first lady of a thousand years' worth of doors don't even care, do you want to insist on it yourself? I'm afraid the whole Lin family will look at her in a different way.

But Shen Xiyan is also a peerless woman, and she quickly adjusted her mentality over. The next moment, she also smiled and extended her hand to You Zifei: 'Well, you have a point, but I'm really older than you, oh, you call Lin Hao brother, you know I'm still a few months older than Lin Hao. Then since my sister is engaged to my husband, I won't care about the world's view for the sake of my husband's career, then in that case, welcome to join, sister

When she finished speaking, her pupils couldn't help but contract violently, and she felt for the first time that Shen Xiyan was not a simple woman.

The two smiling women in front of him, Lin Hao, listened to their conversation, and for a moment he felt that his head was big. He is not stupid, he knows that the two women in front of him, don't look polite on the surface, and still maintain a smile, but deep inside, there is absolutely no tolerance for anyone. In fact, this is not a difficult issue for him to choose at all.

The first reason is that his marriage contract with Princess You was made when he was very young, and it was broken by default because of her illness. The second is that he and Princess You, even though they had a deep affection when they were young, in his heart, he has always treated Princess You as his sister. The third and most important point is that he, Lin Hao, only loves Shen Shiyan, the only woman in his life, which he already figured out when he

rejected Shen Yutong in Western Europe. The first thing is that it is not a question of how many women he wants, but of how many he can't have.

Chapter 750

At this thought, Lin Hao smiled and held Shen Shiyan's hand, explaining to Shen Shiyan: 'Shiyan, I forgot to introduce to you, this is Concubine, my childhood best playmate, only her health is not good, since she went to treatment when she was very young, this is the first time we meet. Concubine is very nice.'

'Well, Concubine is very beautiful and lovely' Shen Xi Yan smiled and said to Lin Hao, at the moment when she saw Lin Hao's firm eyes, she had a bottom in her heart.

Then Lin Hao smiled again and said to You Zifei: 'Oh, Concubine don't joke with your sister-in-law, your sister-in-law is very nice, after you more contact contact, we haven't seen each other for a long time, just as my ceremony is also finished, then let's go to the back and have a good chat'.

When Princess You Zi Fei heard Lin Hao's words, her heart swelled with endless disappointment. She looked at Lin Hao's smile and listened to Lin Hao's words, but she couldn't tell if Lin Hao was joking with her, or if this was what she really thought. Then, when her eyes fell on Lin Hao and Shen Xiyan's hands, she understood at once.

You Zifei is incomparably clever, and she understood at once that Lin Hao was enchanted by Shen Xiyan. So much so that Lin Hao had taken the childhood pact as a joke. When she thought of this, Princess You Zifei's heart became even more lost.

But she was also clear that at this moment, she could no longer mess around and force Lin Hao to choose between her and Shen Shiyan. That would leave a bad impression in Lin Hao's heart, and it would be even more difficult to do. She had been alone for more than twenty years, not missing these few days. And with her heart? The fact that she loves Wu Yi Yi? Chi, she believed that she would definitely let Lin Hao accept her.

When she thought of this, You Zi-fei threw out her tongue at Lin Hao and said with a smile: 'Humph, brother Hao, I just didn't trust you, so I just tested my sister-in-law. That now I'm relieved, and I'm happy to see you two so sweet

I'm sorry, I was just joking with you. The marriage contract I had with Brother Hao when I was young was cancelled a long time ago. I just got back from

You Zifei said to Shen Xiyan in a gentle tone.

I'm not sure how long it's been since I last saw you and Lin Hao, but I'm sure you'll talk more about it later, and I'll personally cook for you

She said with a smile to Concubine You Zi-fei, but she sighed deeply in her heart, this husband of hers is so good that there are constantly very good women around him. The first time I saw her, I felt that it was too difficult for her to be Lin Hao's wife, as she looked at You Zi-fei, who was even more beautiful than herself. The first thing that I want to do is to tell you that I'm not going to be able to do anything about it. Wouldn't a beating make it better?

The two women walked all the way to the back and laughed, this scene, suddenly let everyone shocked, just rattled the two women, this is the reconciliation?

It's just that Youxue and Lin Yan looked at the back of the two women and frowned deeply. Is it really a joke what you just said, Princess You Zi-fei?

If another woman had said that, they would have been fine with it, but the identity and status of Princess You Zifei is too important, and if Princess You Zifei is not joking, then what will happen?
