

Super Son-in-law 751-753

Chapter 751

The first time I saw you, I thought that you would be the one to take care of me, but I didn't know that you would be the one to take care of me, so I did.

In the middle of Lin Yan's courtyard, there is a stone table in a pavilion with the best tea, and with the strength of Lin Yan and Youxue's bodies, it is impossible for the outside wind chill to attack them. Lin Yan and Youxue sat opposite each other on both sides of the stone table.

Lin Yan took a deep look at You Hades, with a smile on his face, and said to You Hades with a smile: 'Brother You Hades, congratulations, Concubine has finally returned safely.'

The company's main business is to provide the best service to its customers, and the company's products and services will be delivered to the customers' demands. I'm not interested in the people without Concubine by my side, even though I have great power

Lin Yan personally poured a cup of tea for You Hades, and then said to You Hades: 'Well, Brother You, I heard that you have long had the intention to return to seclusion. The three major warlords of Huaxia, the Jun family already has Jun Wu Jing, my Lin family also has Hao'er, and the You family now has Concubine back, and I just saw her body's breath, also reached that level, so what do you plan to do, Brother You?'

After thinking about it a bit, you smile, take a sip of your tea and say, 'What am I going to do? Oh, is it young now? I'm not sure if I'm going to be able to do that. The first thing you

need to do is to take a look at the newest models of the newest models of the newest models.’

Lin Yan also smiled and nodded his head and took a sip of tea, then he picked up the teapot and poured the tea for Youxu, after he finished pouring the tea for Youxu, Lin Yan fell silent and looked at Youxu as if he couldn’t stop talking. After he finished pouring the tea, the ghost became silent and looked at the ghost as if he didn’t want to say anything. The ghost frowned, took a sip of the tea and asked Lin Yan, ‘Brother Lin, what’s wrong?’

Lin Yan sighed deeply, then looked up at You Xi with an apologetic face: ‘Brother You, I’m really sorry, originally we should have been from the Qing family, and Hao’er and Concubine were also engaged to be married. It’s just that too many things have happened in the past few years. Soon after Hao’er and Concubine’s marriage was arranged, my father died in the war, and Master You’s whereabouts were unknown for so many years.’ As Lin Yan said that, he actually stood up and paid a deep obeisance to the underworld.

You know this is Lin Yan! The thousand-year old master of Huaxia’s Gate Warlord generation, but at this moment, he actually bowed and apologized to someone. Even if the person to whom he was apologizing was the head of a generation of gentry!

Chapter 752

You Hades listened to Lin Yan said, also silent, then sighed deeply, got up to help Lin Yan up, eyes incomparably complex look at Lin Yan: ‘Brother Lin, hey, you do not need to be so self-condemned, maybe this is fate, Consort and Hao’er two children after all, there is no fate, but since we can not be husband and wife, then we can be good friends, just like you and me, help each other, mutual support’.

The company's main business is to provide a wide range of products and services to its customers. The company has been in the process of developing the new product for the past two years. He also said that he has no idea what his daughter, You Zifei, is thinking.

Lin Yan listened to You Hei, with a complicated look in his eyes, and nodded: 'Hey, Brother You, this is something that the Lin family owes to your You family. In the future, if you have any requests, the Lin family will definitely do its best.'

The two of us have been in love for so many years,' he said, shaking his head with a bitter smile. We're old and can't manage anymore, and the development of our society is really too fast, the rise of my Huaxia is also too fast, too fast. It's so fast that we old guys can't keep up anymore.'

You said you suddenly paused, looked at Lin Yan and asked: 'Right Brother Lin, you've traced the matter of Master Lin for so many years, have you got any clues? Who was it back then? Not only Uncle Lin but also my father, what happened to their generation back then? So much so that you and I have actually broken off the layers directly?' You Hades deeply frowned, his eyes were more than a trace of gravity, originally he also wanted to pursue this matter, but after the accident of You Violet Concubine back then, he was no longer in the mood. Now that You Zi Fei is back, he has the time and energy to track down the truth again

'The thing that happened back then

Lin Yan was saying when? The company's main business is to provide a wide range of products and services, including The company has been in the process of developing the new product for the past two years, and has been working on the new product for the past two years. In terms of seniority, Jun Wu Jing is a junior, but in terms of status, Jun Wu Jing and the two of them are on equal footing.

Under the gaze of Lin Yan and You Hades, Jun Wu Jing walked up to them and gave them a bow: 'Senior Lin and Senior You are sorry for being abrupt, but I also have something to

ask the two seniors, originally I wanted to wait for them to finish chatting before coming in, but I just heard them chatting about the previous generation outside the door, so I couldn't wait to come in. I'm sorry for being so abrupt, but all these years I've been checking on the Jun family. But all these years, Regretless has been checking the secret storehouse of the Jun family and found that my grandfather also strangely disappeared a few decades ago, at about the same time as Grandpa Lin and Grandpa You, so Regretless also wants to know what happened back then, or what happened to them.'

Jun Wu Jing's eyes became incomparably deep, and he stared straight at Lin Yan and continued: 'Senior Lin, before you went to the Heavenly Sea half a month ago, you looked for me, and you said something to me before you left, you said that there are people in this world who are more powerful than the Innate Masters! What does Elder Lin Yan mean by this? The world knows that there are four millennium warlords in China, but I only know of three, namely, the Lin family of Elder Lin, the You family of Elder You, and my Jun family. Why can't I find a single clue even though I've searched the secret vault of the Jun family?'

After Jun Wu Jing opened his mouth, he asked a series of direct questions. He has a debt of gratitude to the Lin Clan, and he believes that we are all millennium gatekeepers, and Lin Yan will not hide anything from him in this matter. And these days, Jun Wu Jing hid the fact that there is a big problem with the three major gatekeepers in Yanjing. It is not only a matter of time, but also a matter of time and space.

This is the first time I've ever been to the U.S., and I've never been to the U.S., but I've never been to the U.S. before.

After Jun Wujing asked his doubts, Lin Yan and Youxue looked at each other, and both saw the heaviness in each other's eyes. The two of them knew about the Jun family for a long time, and the Jun family had a broken generation, just like them, but the Jun family was more ruthless, and Jun Wu Jing's father, who was just eating, drinking and having fun, didn't care about anything, and finally died on the belly of a woman.

The first time I saw him, he was in the middle of the night, and the second time I saw him was in the middle of the night. Because from the history of these generations of the three families, they have been tied together to a certain extent

Chapter 753

‘I don’t know

’ Lin Yan said this to Jun Wu Jing after being silent for a while.

‘Huh?’ Jun Wu Jing’s eyelids fluttered, and he looked at Lin Yan with some surprise, in his impression, Lin Yan, an extremely deep person like him, should have known about it. Jun Wu Jing, a peerless and powerful person, rarely admires anyone else, even Lin Hao, he has nothing to admire, the only person he really admires is Lin Yan!

‘Brother Lin, did you really not find out anything at all over the years?’ At this moment, not only Jun Wu Jing was surprised, but You Hades was also surprised.

Lin Yan was silent for a longer time this time, and only after a while did he take a sip of tea and slowly said: ‘I did find some traces, but that’s all. The other side hides too deep and too deep, and the other side is definitely not alone, I feel like a group of people, as for who you say the fourth gate of Huaxia is, you don’t need to know, because they were exterminated long ago, after the founding of the country, by that mysterious force

’.

Lin Yan did not wait for Jun Wu Jing and You Hades to react this time, and immediately said continuously: ‘I am sure that Huaxia has another deeply hidden power, and that is because I have seen them

’.

‘What? Have you seen it?’ You Hades stood up in a flash, his face changing wildly.

He looked at Lin Yan and said, ‘Is that the being you told me about last time? Existence beyond the Innate Masters? Does that kind of character really exist in this last age? The level of an innate master is, in the final analysis, the unification of one’s essence and spirit to break through one of the limits of the human body. Then is there really a way to go further?’

The first time I saw him, I thought he was a man of the world. Jun Wu Jing was shocked, and the underworld was no better.

‘Brother Lin, is there really such an immortal god-like figure?’ Youxue sucked in cold air and asked Lin Yan.

Lin Yan nodded his head with a solemn face and let out a long breath, ‘? A servant of the Land of the Servant? Well, yes, there are people like that. Because after I broke through to the Innate Master level ten years ago, I met him once’

As Lin Yan said that, a memory from ten years ago came to his mind. The rain was falling in the sky, but there was a layer of light curtain on the old man’s body, so that the rainwater would automatically slide down from both sides and would not stain his robe at all.

The first time I saw this, I thought it would be a good idea for me to have a little bit of time to get to know you. The old man was sitting there, as if he was one with the whole world.

The old man didn't even look at Lin Yan, but said, 'When you break through to the peak of innate talent, I will come to you. I'll give you two choices, one is the path after Innate, the other is death'. After the old man said that, his figure disappeared, and no matter how hard Lin Yan searched, he couldn't find any trace of it. And it was as if his body was imprisoned, and he couldn't move at all.

..... When Lin Yan finished speaking, the hearts of Jun Wu Jing and You Hades were filled with huge waves.

Super Son-in-law Chapter 754-756

Chapter 754

In particular, Jun Wu Jing he said to Lin Yan almost subconsciously, 'So you told me last time when you were leaving that maybe there would be a person who would come looking for me?'

'Mm, not bad'. Lin Yan nodded his head affirmatively.

Jun Wu Jing's eyes narrowed, and he slowly said: 'Does that mean that the last two generations of the heads of our three families have all encountered that mysterious person? Did their death or disappearance in battle have anything to do with that man?'

Lin Yan nodded and shook his head: 'There is no evidence, but my feeling is that it has something to do with that person. And that person seems to have some restrictions, at present he can only operate in China and can't go to the West, which Lin Xiaoyun also knows, that's why Lin Xiaoyun completely moved his home base to Western Europe'. .

You Hades frowned deeply and said, 'But Brother Lin, that person has never come to me

Lin Yan looked deeply at Youxue and slowly said, 'Brother You, are you sure that person really didn't go looking for you? I remember you told me more than ten years ago that Concubine's body was the one in a million, but no one in the world could cure it. Then an old man took her away, and today Concubine is back. Do you think that old man and the one I saw could be the same?' Lin Yan said meaningfully, after which he took a sip from his teacup.

'That old man?' A time when the heart and soul of the Underworld trembled.

In fact, even now, Jun Wu Jing is only superficially respectful of Youxue. If it comes down to it, Jun Wu Jing has absolute confidence in killing the Underworld. And since the old man looked for Lin Yan ten years ago, it's likely that he will come to him as well.

Jun Wu Jing's eyes looked straight at Lin Yan and said, 'Senior Lin, how are you going to fight that man? What would you do if he came to you one day?'

Lin Yan shook his head with a stern face and said, 'I don't know, but there's only one way to fight. Even if I lose, I don't think I'll make it easy for that person. We people have long been accustomed to living behind the scenes, manipulating the world and being chess players. But now there is someone hiding behind us and treating us as pawns, so even if I lose, I'll do my best. Even if I can't kill him, I'll hit him hard

Lin Yan said that the momentum in his body was enormous. In fact, he had already made a decision in his heart, if there really is such a day, he will definitely give the person behind the curtain a big gift, a very big gift, to pave the way for his son.

I'm not sure if I'm going to be able to do that, but I'm not sure if I'm going to be able to do that. But if that day comes, I hope we can fight side by side, Senior Lin we'd better not do fueling tactics‘.

After Jun Wu Jing finished speaking, he got up and left without waiting for Lin Yan to speak.

Lin Yan looked at Jun Wu Jing's distant back, suddenly he narrowed his eyes deeply, after Jun Wu Jing's figure completely disappeared in the courtyard, he slowly said: ‘This son is very strong, in just half a month's time, he has actually made a big breakthrough. He even hides something, interesting, it seems that Hao'er won't be lonely in the future‘

Youxue also nodded with a heavy face and said, ‘Well, that's right, this true dragon of the Jun family is very strong, I'm afraid that I'm not even a match for him now.‘

After Youxue finished speaking, he turned to look at Lin Yan and said, ‘Brother Lin, then do you think I should go and ask Concubine about that old man?’

Lin Yan thought about it and said, ‘Don't worry yet, Concubine just came back, let's talk about it later‘.

‘Well good ‘Underworld slowly? I'm not sure how much I'll be able to do. The nodding of the head.

And now, at this moment, just as the underworld was talking to Lin Yanjun remorselessly about things. In another quiet little courtyard of the Lin Clan's ancestral home. Lin Hao is standing inside waiting for the arrival of You Zi Fei, he is not stupid, You Zi Fei look at his eyes, he understands, there are some things, he must be clear with You Zi Fei

'Brother Hao, I'm here

Just after Lin Hao waited for ten minutes or so, the ethereal voice of Princess You Zifei, reached the courtyard, the next moment, a long purple dress, wearing a purple hairpin silhouette, footsteps walked in

Chapter 755

'Princess Zi

Lin Hao smiled at Princess You Zi and called out to her.

'Hm? Brother Hao, if you have any matter, just tell me directly, we don't need to be polite between

You Zifei listened to Lin Hao's address to her, her heart thumped, so many years of living alone, so many years of her character's sensitivity. Lin Hao just changed his name to her, and for a moment she thought a lot about it.

Lin Hao was silent for a while, he looked at You Zi Fei's eyes, very complex, for a long time Lin Hao let out a long breath, his face became a little more serious, said to You Zi Fei: 'Fei'er sorry, I am now married, and I love my wife very much. Our childhood marriage contract

Before Lin Hao could finish his sentence, Lady You Zifei nodded her head, forced a smile on her face, and said to Lin Hao, 'Lin Hao, let's put an end to our engagement, don't mention it again, but we're still good friends, okay?' You Zi Fei was silent after she finished speaking, and there was a trace of tears in the depths of her eyes.

When she heard Lin Hao's words about the engagement, she felt very, very bad. She originally thought that Lin Hao would change his mind when he saw her with his own eyes, but when she saw Lin Hao with Shen Xiyan today, she realized that she was wrong. She realized that she was wrong. First, she was a woman, and second, she was a very, very smart woman. Her intuition told her that Lin Hao's love for Shen Suyan was real and very, very deep.

In fact, what she really wants to do now is to find a place to be alone and to think about these things by herself. Her heart is very confused and chaotic right now.

Lin Hao looked at Concubine You's expression and felt incomparably apologetic, he was silent for a while before he spoke with difficulty: 'Concubine I'm sorry, and you're so beautiful, I believe your future other half is absolutely not bad.'

You Zi-fei nodded her head and said, 'Well, okay brother Hao, let's not talk about this matter, let's just forget about it. So many things have happened over the years, but I just got back today, and I want to talk to my father more. I'll come back to you tomorrow, okay?'

You Zifei didn't want to talk to Lin Hao anymore at this moment, she was very confused. She loved Lin Hao very much, but Lin Hao was now in love with someone else. But even so, even though Lin Hao has now married another woman, she still can't hate Lin Hao in her heart. All she wanted to do now was to be alone.

'Consort 'Lin Hao stared at You Zi Fei, and he saw sadness in her eyes. He just didn't know what to say now. Lin Hao wasn't afraid of anything, but he was afraid of emotions, and he had always been at a loss as to how to deal with things regarding emotions.

He knew that it would be somewhat cruel to Princess You Zifei to tell her about it today when she had just returned. But he doesn't want to drag it out, he has already failed one woman, he doesn't want to hurt another, and he really treats you as a sister in his heart, as his own sister. So no matter what, it's impossible for him and Princess You Zi Fei.

Just as Lin Hao was thinking of what to say, the voice of You Xi came from the courtyard door: 'Concubine, are you finished with your brother Lin Hao? If you're done, go home with your dad first, your mom misses you too

You Zifei smiled at You Xi and nodded her head: 'Well dad, I'm done, let's go back, I'm not leaving this time back, there will be plenty of time to find brother Lin Hao in the future

You Zi-fei said to You Hades and then turned to Lin Hao and said: 'Then Brother Hao, let's leave it at that, I'll come back tomorrow and play with you with Sister Xiyan

Lin Hao also smiled and nodded his head, then he turned to the phantom and said, 'Hello Uncle Phantom

You nodded and said, 'Well, Hao'er, I just finished talking with your father, and now that you're back, you can go to the house when you have time, and our two families will be closer to each other in the future

I'm sure I will visit you when I have time. I'm not sure if I'll be able to do that.'

Chapter 756

You Hades nodded without saying anything else, and took You Zi Fei with him. Lin Hao looked down at the back of You Hei and You Zi Concubine as they disappeared. He was still standing in the same place after the two disappeared.

‘In fact, the consort has been very bitter over the years, her illness has taken so long to heal, and I just met with you today, you shouldn’t have said those words to her today, it’s quite hurtful I don’t know when, but Shen Xiyan’s figure appeared behind Lin Hao, she also followed Lin Hao’s gaze and spoke to Lin Hao.

Lin Hao bowed his head and slowly said: ‘Well, I know, but I can only do this, Concubine is very bitter, so I can’t hurt her any more, right’.

Shen Suyan nodded her head with complicated eyes, and didn’t say anything else. The first thing you need to do is to take a look at the newest addition to the newest version of the newest product. The most important thing to do is to make sure that you have a good idea of what you are doing. Gong.

The first thing you need to do is to take a look at the company’s website. The first thing you need to do is to take a look at the new product.

.....

When You Zi-fei returned to the You family with You Hades, it instantly caused the entire You family to shake. The You family, which had been silent for more than ten years, was bustling with excitement today. That day, the entire You family had the grandest and most

grand banquet held by You Zi-fei. You Zi-fei was completely held in the middle of the crowd, just like a princess. Everywhere she went, she was the center of attention. This was completely different from when she was just in the Lin family. And this is how a girl who is the favorite of the You family and all the people is only a sister to Lin Hao.

It was only at eleven o'clock in the evening that You Zi-fei was relieved of the enthusiasm of the whole You family, and after bidding farewell to her parents, she returned to her own room.

As soon as she returned to her own house, all the smiles on her face disappeared. In an instant, a great sadness sprang up in her body.

You Zi-fei stood by the bedside, and after turning off the light, she covered her chest, and tears started to fall. In the darkness, You Zi-fei did not make the slightest sound. She just covered her chest and kept on dropping tears, until now, the sadness in her heart was released. In her own room, in the darkness, alone, she quietly felt her pain.

It's only now that you know what heartache is and what sorrow is The only hope that has supported her in her desperation to live all these years, the only hope that has supported her in her fight against endless loneliness, is that one day you will be able to see Lin Hao again, and you will be able to see Lin Hao who has been protecting her since she was a child. And now she is finally out, but it has come to this, the man she has been waiting for has fallen in love with someone else.

‘..... ‘Princess You Zifei is crying alone in a dark room, what she didn't notice is that in the shadows behind a big tree in her doorway, her father You Hei is looking at her with incomparably complicated and worried eyes

Super Son-in-law Chapter 757-758

Chapter 757

You ZiFei stood alone in the darkness all night, and thought about it all night. Although she was asleep most of the time, she was incomparably intelligent and her mind was also incomparably mature. The feeling of liking Lin Hao has long been deeply engraved in her mind. It would be impossible to forget it for a moment. But if she were to force Lin Hao to abandon Shen Shiyan, then she would also be unable to do so.

One night's thought made her decide not to think about Lin Hao and Shen Suyan's matter. She had been alone for so many years, and she had thought countless times about what she would say after meeting Lin Hao. She also didn't want to use her identity and family to force Lin Hao, and if she did, she and Lin Hao would only end up becoming enemies.

'Lin Hao, I will always love you, but my love is not selfish, as long as you are happy and happy. When the first rays of sunlight rose in the morning, Princess You Zifei made a decision in her heart, a very helpless and sad decision. The man she had waited more than twenty years to see, has become someone else's groom.

When she didn't go back to Yanjing before, her mentality was ruthless and resolute. It is the only way to break up Lin Hao and Shen Shiyan, but now after she has talked to Lin Hao face to face once, she changed her mind, she can't do it, in the end she is not that kind of black woman.

After dawn, Princess You Zi-fei followed her parents to eat some food, and after staying for a while, she went directly to the Lin family, still wearing an ancient style dress, with a purple hairpin, just like her name has a purple character, Princess You Zi-fei especially likes purple. When she wears the ancient style clothing, she will be a first-class top redhead in ancient times.

The first time she went to the Lin family, she didn't look for Lin Hao, but went to Shen Suyan's side. She wanted to take a closer look at this woman, the woman who was able to steal her brother Hao.

The company has been in the process of developing the new product for a long time. The company has been in the process of developing the new product for a long time. The fact that you can't find any other way to get a good deal on your own is the fact that you can't find any other way to get a good deal on your own. After all, she is Lin Hao's serious fiancée, in a sense, if it wasn't for her, you and Lin Hao would probably be together.

It's just that feelings are something that can't be surrendered, and you can't let go of them,' she said. The first thing you need to know is that you can't be a part of the family, and you can't be a part of the family,' she said. This is not because of her background, but because of her experience and her feelings for Lin Hao. The first thing that she noticed was that she was very happy with Lin Hao.

In a quiet lakeside pavilion behind the Lin family's ancestral home, Shen Suyan looked at Concubine You Zifei and nodded: 'Zifei, you've come'.

You Zifei looked deeply at Shen Xiyan and said after a long silence: 'You know what? Before I went back to Yanjing, I thought of no less than hundreds of ways to get Lin Hao to dump you'

Shen was stunned at the words, then nodded, 'Well, I can guess, sorry'

You Zi-fei took a deep breath and shook her head: 'There is nothing to be sorry for, after all, that disease of mine, the hope of a cure is very, very small, and I have been gone for more

than twenty years, to be frank, I have no interaction with Lin Hao, except for a marriage contract with him when he was a child. So there's nothing to be sorry about

Shen Suyan was silent, she could hear her sadness from the words of Princess You Zi, who said: 'I also love Lin Hao. After thinking for a while, Shen Suyan said, 'I also love Lin Hao very much, can you believe it?'

You Zi Fei looked back at Shen Xi Yan, and then said affirmatively, 'Well, I believe.'

Shen Siyan nodded and continued, 'Well, I thought about it all night yesterday, and you're right, a big family like the Lin Clan doesn't have to be bound by the world, you can come to the Lin Clan and return to Lin Hao's side.'

Shen Jiyan said what she had been thinking about all night, and she hadn't told Lin Hao about this decision. She didn't know if it was right or wrong, but it was her true heart.

Chapter 758

You Zi Fei looked at Shen Xi Yan in surprise and said, 'You're saying that you agree that I should also marry Lin Hao?'

I'm not going to say anything, just nodded my head seriously.

The breeze blew across the side of You Zifei's face, blowing her long hair flying, she laughed and shook her head: 'No thank you, I like Lin Hao, so I won't make it difficult for him.'

I'm not going to let him get away with this, but I'm going to let him get away with this,' she said. But now I understand, I finally understand why Lin Hao only wants you, you are a good girl

The company has been in the process of developing the new product for the past two years. The company has been in the process of developing the new product for the past few years, and the company has been working on the new product for a long time.

'Fei'er, I

Shen Siyan suddenly raised her head and wanted to say something to You Zifei. But in the next moment, she was interrupted by Concubine You Zifei.

You Violet Concubine turned back and looked at Shen Xi Yan with a smile, 'Don't say it, Xi Yan, although I've given up now, I still like Lin Hao in my heart, I will still come to Lin Hao often in the future, but I promise that he and I will only maintain a brotherly relationship in the future, will you agree?'

Shen Shi Yan was stunned for a moment, then laughed and would smile as she held out her hand to You Zifei, 'Of course, but I think the two of us can also be best friends in the future, okay?'

Shen Siyan held out her hand to Concubine You and smiled sincerely. You Zifei was stunned, stunned for a while, after she reacted, she also quickly reached out her hand to shake Shen Siyan's. 'Well, we'll be good friends from now on,' You Zifei said with a smile.

'Well, we will also be good friends in the future

You Zi-fei also smiled and said to Shen Siyan.

‘Eh? What are you two doing here? It’s cold outside, why don’t you go back inside? What are you guys talking about, so happy?’ As soon as Lin Hao walked in, he saw Shen Siyan and You Zifei laughing and chatting. The two women are also very harmonious, which is definitely not for him to see.

‘I’m not going to tell you, I’m chatting with Concubine Qi’er, you’ve just become the head of the family, go and get busy’ Shen Xiyan glared at Lin Hao, and then took the hand of Concubine You Zi Fei and walked to the other side.

‘I’m not going to be able to do anything about it, but I’m going to be able to do something about it,’ she said.

Just the way you look at Lin Hao’s eyes, they are full of blessings, heartfelt blessings

Super Son-in-law Chapter 759-760

Chapter 769

‘You just came to Yanjing, and I just got back, let’s go shopping?’ You Zifei took Shen Xiyan’s hand and said with a smile.

‘Well, well then our two beauties will go shopping!’ Shen Siyan also smiled and nodded her head.

The two beauties then happily went to the mall to go shopping, this day they went to several of the largest shopping malls in Yanjing, to buy a large number of clothes, shoes, cosmetics, and they are both the kind of top beauty, one is a modern style of beauty, the other is an ancient style of beauty, so no matter where they go along the way, they will become a most beautiful scenery.

It was only when it was very late that You Zi-fei and Shen Xi-an returned to the Lin family with their big bags and small bags. The company's main business is to provide a wide range of products and services, and to provide a wide range of products and services to the public.

In the next few days, you will often spend time with Shen Xiyan, and occasionally you will chat with Lin Hao alone. Of course as she said, she just talked to Lin Hao, and even when she talked to Lin Hao, she didn't say anything that would make it difficult for Lin Hao to choose.

After the past few days, Lin Hao could feel that You Zifei had really let go of her feelings and truly blessed him and Shen Suyan. She genuinely thought of Shen Xiyan as a friend. The way that Consort You Zifei did it made Lin Hao feel a lot of guilt as well.

'Consort, thank you 'In a pavilion, You Zi Fei stood there with Lin Hao, chatting. A breeze blew, and Lin Hao heartily said thank you to Princess You Zifei. This thank you was very sincere and genuine.

You Zifei You looked at the cold lake, the lake under the sunlight, shimmering luminous, she smiled, this smile beautiful and beautiful: 'No need to say thank you to me, you and Sister Xiyan really quite suitable, she is not worse than me, you can find your own happiness, brother Hao, I truly wish you, truly, do you believe?'

Lin Hao nodded seriously, ‘Well, I believe’

After that, Lin Hao fell silent and said to Concubine You Zifei, ‘Then Concubine, should you also start looking for your other half? There are a lot of good boys around me, Mo Tianji, Jiang Shaoming, Jun Wujing, each of them is very good, do you have any idea?’

You Zifei smiled and said: ‘Hehe, that depends on the feeling ah, I also believe in fate, I believe I will also meet a good and love me man, just like you love Sister Yan excellent man cover hero’.

‘Lin Hao nodded his head, and then looked at the lake in front of him with Princess You Zi.

In the evening, You Zi-fei said goodbye to Lin Hao and Shen Shiyan, and headed back alone, only to suddenly stop the car when she reached the halfway point, and an old man appeared in front of her, an old man in rough sackcloth.

‘Master, what are you doing here?’ You Zi-fei quickly got off the car, surprised at the sudden appearance of the old man in front of her.

The old man’s eyes were complicated as he looked at Princess You Zi: ‘Concubine, do you regret this result? You desperately rushed back, but he became someone else’s bride’ said the old man in a somewhat complicated manner to You Zi Fei.

You Zifei was silent for a while, all these years, know that she has always liked Lin Hao in her heart, love Lin Hao very deep, very deep people, besides herself, there is only her master who has always accompanied her, her master knows everything. At this moment, listening to her master's words, she knew that she could no longer hide it, she could hide it from everyone, but only from her master.

A tear fell silently from You Zi Fei's cheek, she stared blankly at the old man, forcibly holding back the sadness in her heart and smiled: 'Master, I want to go back to Taixing Mountain'.

Chapter 770

You Zifei shed tears, smiled and said this to the old man. Yes, she wanted to go back to Taixing Mountain, didn't want to stay in this prosperous city anymore, even though she had monstrous power and incomparable status here, the most important thing in her heart was no longer there, and she now had no reason to stay here anymore.

Yes, in fact, even if her master didn't come looking for her tonight, she still had the idea of going back. Her purpose of going down to the mountain was to be with Lin Hao, to be Lin Hao's wife, and to make Lin Hao happy for the rest of his life. But now she found that she didn't need to, Lin Hao has Shen Suyan beside her, Shen Suyan is also a top woman, is also true love to Lin Hao, very good to Lin Hao. Lin Hao also loved Shen Suyan very much. She felt that it would be superfluous for her to stay.

It was just such a most ordinary and unremarkable sentence, but the old man's heart was deeply touched. The old man was silent, and under the dim neon lights, the old man was silent, and You Zifei was silent.

After a long, long time, the old man nodded to You Zi-fei: ‘Well, then we’ll go back tomorrow morning’. After the old man said this, his figure slowly faded, and soon disappeared into the boundless darkness, his figure retreated, completely violating the common sense of human cognition.

Until a long time after the old man disappeared, Lady You Zi-fei was still standing there stunned. When she returned to the house, it was already past one in the morning, and when she entered, You Hades was still waiting for her in the living room.

‘Concubine, you’re back, do you want to have some snack?’ After seeing You Zifei’s return, You Hades quickly asked her a concerned question.

You Zifei smiled and shook her head: ‘Dad, I’m not hungry, Dad you have to pay attention to your body. I have to go back to Taixing Mountain tomorrow, there are some things I need to do’

The book is a good example of the kind of work that can be done to help you get back to your work, but it’s not until you’re done that you’ll be able to come back.

‘You Zifei nodded her head and went back to her own bedroom after talking to You Hades for a while. The first thing you need to know is that you can’t be a good boy or girl without a good reason. It’s just that he didn’t know how to deal with the emotional aspect of the relationship between you and Lin Hao, after all, Lin Hao is already married, and all he can do now is to hope that his daughter can come out faster.

‘It’s good to go back, it’s good to’ You murmured

At the same time, on a mountain top in the west of Yanjing, You Zifei's master, the old man dressed in sackcloth, stood there alone against the cold night wind, overlooking the entire land of Yanjing. The old man had a hint of death spreading over his body, his dao name was Cang, and he had survived for so long that he couldn't even remember.

'Is it still finished? Can I go back to now that the next generation is getting worse? Or maybe it's time to take some extreme measures' Cang muttered to himself on the summit of the western mountain, his eyes stared blankly at the Yanjing land in front of him. No one could understand that in his eyes, he was not looking at the night scene of Yanjing at the moment, he was looking at the changing times of Yanjing for so many years.....

While Cang was overlooking Yanjing, Lin's ancestral home, Lin Yan's residence, Lin Yan, who was reading a book in his study, shuddered, and he remained motionless while still reading, but his eyes could no longer read a word

Almost at the same time, in the ancestral chamber of the Jun family's house in Yanjing, Jun Wujing, who was in closed-door cultivation, suddenly opened his eyes, then he hurriedly lowered his head to hide his line of sight, but deep inside his heart had already set off shock waves

'Well?' Although Jun Wu Jing's movement is very fast, he stayed in the deep underground secret room of the Jun family, and restrained his whole body, but at this moment, far away from the top of the western mountain, Cang, still confused to look at him, Jun Wu Jing hid very quickly, Cang's line of sight after a little stay, and then moved elsewhere to Lin's The ancestral home, never to be removed

If the map could be instantly and infinitely enlarged, and if all the space between Cang and the Lin ancestral home were eliminated, you would find that at this moment, at the end of Cang's line of sight, there is Lin Hao standing by the window, looking at him
