

Super Son-in-law Chapter 841-850

Chapter 841

‘I’m sorry,’ Night One once again said the words of apology in Gu Yue’s ears.

‘Don’t say anything, don’t say sorry to me, my Gu Yue’s man doesn’t need to apologize. I understand everything you did, I understand it all,’ Gu Yue said to Night One with tears streaming down her face.

Night One took a deep breath, he would not say comforting words, instead he said to Gu Yue after a long moment of silence, ‘Sorry, I still have to follow my big brother back to take revenge, we still have to make a trip to Yanjing,’

Gu Yue let go of the hand holding Night One, stood in front of Night One, wiped the tears on her face, reached out and tenderly straightened Night One’s collar, then said to Night One, ‘It’s okay, I’ll wait for you. My man you go and do what you need to do, I will wait for you at home. I only ask you, after you finish your business, will you stay in China or come over to Western Europe?’

Night One thought for a moment and said, ‘Will stay in China,’

Gu Yue nodded and looked at Lin Hao and Jiang Shaoming who were already in the car in the distance and said, ‘Good, then I will go back to Tianhai and wait for you. You guys go your own way, I’ll book my own ticket to go back and pack up and go back to Tianhai.’

‘Well’ Night One nodded with tears in his eyes, he, the most iron-blooded man, the most iron-blooded warrior, would not even frown even if he was under fire, but now in the face? Jie dy er er yi xi shan er? to Gu Yue, a red-headed woman. His heart was still deeply touched and filled with deep emotion. Not knowing what to say to Gu Yue, he could only nod his head heavily.

Gu Yue also knew the character of Night One, and during these three months of silence, she had learned many things through her father Gu Shengnan. She took a deep breath and asked Night One, ‘Night One, tell me how is Xiyan, where is she?’

Night One was silent at her words, and was silent for a while before saying, ‘I don’t know, three months ago before Lin’s huge change, sister-in-law had already suffered a serious injury, her life and death were unknown, her whereabouts were unknown, I don’t know where sister-in-law is’

Gu Yue looked again at Lin Hao who was sitting inside the car without expression and said, ‘Well, I believe you will find Xiyan. Night one you remember no matter what, help Lin Hao take revenge, I’ll wear a good wedding dress in Tianhai City and wait for you to come back. When you come back, we will go and get married’

Night One looked deeply at Gu Yue and nodded heavily and said, ‘Hmm good, when I finish my business this time, we will get married, we get married’ Night One said, two lines of tears fiercely flowed from the eyes of this iron-blooded man.

His heart had long been melted by Gu Yue, the magical girl, and Gu Yue had already entered his heart deeply. He would never let Gu Yue down in his life, let down this woman who used to bully him like a witch. This woman who was outwardly big-hearted, but once she fell in love with a man, she would pour out all her tenderness and all her touch to her partner.

Ten minutes later, Gu Yue turned around and left, not wanting to follow Night One Lin Hao and the others. The reason is that she knows that these men have important things to do, they have to go back for revenge, she as a woman of Night One, she can not drag her man's feet. Let him have scruples in his heart

Chapter 842

Jiang Shaoming looked at Gu Yue's departing back and nodded, 'Gu Yue is a good woman, she is not what she appears to be

Lin Hao also nodded with complicated eyes and said, 'Well, she is a good woman, Night One has found a good confidante. After we kill Cang this time, we'll hold a grand wedding for the two of them together.' Jiang Shaoming also nodded his head.

Lin Hao then saw Night One walking to the car, Lin Hao took a deep breath and looked at Night One and said, 'Night One

Night One's eyes were slightly red as he shook his head and smiled, 'Brother is fine, I still have to take revenge, whether it's helping you save your sister-in-law or killing Cang, I have a part to play, I grew up in the Lin Clan and too many of my brothers died in that battle. How can I, Night One, be a son-in-law when their bones are gone? Brother go, let's go back to China! Revenge!'

'Good

Lin Hao nodded heavily. No more words, yes, the blood feud in Yanjing had not been avenged, had not been avenged, father, grandmother, Lin Hancheng Mo Yuntian too many too many people had died in that battle. The first thing you need to do is to get back to China as quickly as possible, find Cang, and kill him... ...

Lin Hao said no more, and so did Night One. At the airport, Lin Qingcheng had already prepared the fastest private plane, and the three of them sped off in the direction of the airport

At the same time, in Yanjing, China, inside the secret room of the Jun family's ancestral home. The next moment Jun Wu Regret, who was sitting in the secret room, spewed out a spray of blood all over his body, but the aura on his body also rose violently? The next moment he was sitting in the chamber, a spray of blood sprayed out from his whole body, but his aura also rose violently? a large layer.

'Big brother

White Tiger heard the loud noise from inside Jun Wu Regret's secret room and rushed inside to check Jun Wu Regret's state. There was anxiety written in his eyes. And three months later, Bai Hu had broken through to that level, going ahead of Qing Long and the others, and was the first among Jun Wu Regret's twelve commanders to achieve Ascended Patriarch.

Jun Wu Regrets wiped the blood from the corner of his mouth and looked at the White Tiger in front of him in surprise, wearing a camouflage combat uniform, her long hair flowing, even more sexy and beautiful, and most importantly, the aura on her body was also stronger, reaching the level of an Innate Patriarch. So much so that Jun Wu Ren couldn't even think about himself and hurriedly asked Bai Hu, 'You have you broken through?'

The white tiger nodded also did not dwell on this issue, but hurriedly asked Jun Wu Regret, 'Big brother, are you hurt again? I'll hurry to rub your medicine

Jun Wu Regret however smiled and stood up, taking a deep breath, at once his body's aura rose up and he slowly said, 'It's a good thing, a breakthrough, I broke through to the peak of the Innate Patriarch in the fastest way possible. Now, even though I'm still nowhere near as good as Cang in his prime, I'm still able to fight a severely injured him... Still no clues?'

Bai Hu shook her head and was just about to speak when suddenly her phone rang. On it was an encrypted message, and after reading it, Bai Hu hurriedly said to Jun Wu Ren, ‘Big brother, Lin Hao has appeared and is now on his way to China

Jun Wu Regret’s eyes snapped open when he heard Lin Hao’s message, and his face lit up with joy, ‘Good! I break through and Lin Hao returns, then we’ll have more certainty when we face Cang next. This time we, the two strongest contemporary gaijin in Huaxia, will kill that bastard together

Jun Wu Regret’s body was surging with a crazy murderous energy, he was also an extremely ruthless person who had made a desperate breakthrough in just a few months, despite the damage to his body. The most ruthless way to break through to the pinnacle of the Innate Patriarch! Just to kill Cang, originally, if he had been on his own, he would not have been very sure. But now that Lin Hao had returned, he was twice as sure

‘Cang, this time, you will die!’ Jun Wu Ren had a monstrous hatred in his eyes

Chapter 843

Inside the president’s office of the Tianhai Group in Tianhai City at 6pm, Mo Tianji, dressed in a black suit, was frowning as he listened to his men’s reports. Recently, those top families in Tianhai City were getting more and more restless, except for the Gu family. The remaining Ye family, the Xiao family and the Bai family are all foolish and want to draw a new line on the division of interests in Tianhai City. And these three families had already begun to vaguely join forces. They naturally did not dare to when Lin Hao was around, but now that Lin Hao is no longer there, and as the three of them are long-established Chinese families, they naturally know more secrets than outsiders.

They all believe that the current Lin Clan has offended some people it should not have offended, leading to the near annihilation of the entire Lin Clan. Moreover, Lin's enemies are still around, so they are getting bolder and bolder. Mo Tianji sat down in his chair somewhat mentally exhausted, his mind feeling a tinge of powerlessness, just facing the oppression of three first-class families, he did not get angry, it was just human nature. Those people were also gambling on the decline of the Lin family's clan fortune. And he, Mo Tianji, was very clear in his heart about such a yang plot. In this world, people die for money and birds die for food.

If those families bet right, then their families will undoubtedly go to the next level, and if they bet wrong, then naturally they will have to pay the corresponding price.

The door to the office was pushed open, and Katy came in with an anxious face, walking up to Mo Tianji and saying: 'Mr. Mo is not well, the shipping companies in America that have been working with us, their orders have been transferred to the Ye family. Not only the shipping piece, but also some? According to closed closed ground according to the Wu pick up dye? High-tech outsourcing, our business is also being eaten up by the Ye family, the Xiao family and the Bai family

Katy hadn't finished speaking, Mo Tianji waved his hand tiredly and said, 'Well know, you go out, I'll think about it alone

Mo Tianji waved his hand and let Katy back out, these days, the several big families in Tianhai City they are moving more and more, and the three of them have formed an alliance, not only the three of them but also some of the second-rate families in Tianhai City, have joined that alliance. The only one who is still firmly on their side is the Gu family led by Gu Shengnan.

Mo Tianji sat on Lin Hao's seat, tapping his fingers on the desk one by one. Three months ago, Lin's sudden disaster, the death of Lin Yan and the disappearance of Lin Hao, had left all of Lin's forces in China without a head. Those ambitious people who were initially attached to the

Lin's underneath had all started to move. They didn't go to war with Lin directly, but they were becoming more and more masculine and submissive.

Mo Tianji thought for a while before picking up the phone and saying, 'Inform all the first-class families and second-class families in Tianhai City to meet at the Half Moon Bay Hotel this evening to talk about some things and the future distribution of interests. Don't they want to eat more meat? That's fine, anyone who wants to eat meat will go over tonight. I, Mo Tianji, will give them

Mo Tianji hung up the phone after he finished speaking, he had just returned from the Western European side today. He had already gotten the definite news that Lin Hao would be returning soon. Now then, he would like to see how many people would jump out. This is good, it's good

While Mo Tianji was thinking, he suddenly received a text message on his phone. The actual fact is that you can find a lot of people who have been in the business for a long time. Because that text message read, 'Tianji, Lin Hao has returned, the Black Scorpion Organization in Western Europe has been destroyed, I am in Western Europe to continue to deal with the aftermath and the annexation of the Black Scorpion Organization. Also, Lin Hao has returned to Tianhai and is expected to arrive this evening

The person who sent a text message to Mo Tianji was naturally Lin Qingcheng, who had returned to China after Lin Hao had destroyed the Black Scorpion Organization. It was the first time she sent a message to Mo Tianji's side. Let Mo Tianji be prepared, because Lin Qingcheng knew from Lin Hao's attitude of not accepting the Black Scorpion Organisation's pleas for mercy and choosing to exterminate them all instead. She knew that Lin Hao's mentality had changed, becoming more mature and decisive

Mo Tianji's heart beat faster and was filled with excitement. The Black Scorpion Organization was still rampant when he met Lin Qingcheng this morning, but only after such a short time apart, it was directly overwhelmed by Lin Hao. This showed the anger in Lin Hao's heart. Moreover, Lin Hao was able to exterminate the entire Black Scorpion Organization so quickly, that was definitely a thunderous tactic, from another analysis then it means that today's Lin Hao is definitely even stronger than before, stronger

A lot of things don't need Lin Qingcheng to tell him, Mo Tianji with his extreme mind and brain has already analyzed it. He slowly stood up, and the hostile aura that had been collected in his body for more than three months was slowly released

Picked up his phone and dialed Gu Shengnan's number: 'Gu family master, tonight I invite you to watch a big show

Super Son-in-law Chapter 844-846

Chapter 844

At this moment, inside the Gu family villa, Gu Shengnan had finished talking to Gu Yue on the phone before he received the call from Mo Tianji. During the phone call, he heard his daughter's joy and excitement and a hint of shyness. Gu Yue told him that Night One and Lin Hao would be arriving in Tianhai soon, and that she would be returning soon. So at this moment when he received the call from Mo Tianji again, he naturally understood Mo Tianji's meaning at the first time, so he smiled and nodded and said, 'Well, tonight we will wait to see a big show

After Mo Tianji and Gu Shengnan communicated some more details, the two began to prepare individually. Tianhai City was originally recognized by the major families in the country as the Lin's backyard, now don't those people in Tianhai City want to re-divide the benefits? Good, then let's give it to them, then let's see if they can eat it tonight

A trace of mockery appeared in Mo Tianji's eyes.

‘Gambling? Don’t you know that in most cases, the gambler’s fate is to lose? Oh …….’
The sneer in Mo Tianji’s heart intensified. These people who thought that Lin had suffered a great calamity and encountered a great enemy and wanted to bite a piece of flesh off Lin’s body, I am afraid that they would die without knowing how they died.

At the same time, after Mo Tianji had sent invitations to the major powers in Tianhai City, the four first-class families, a dozen second-class families and hundreds of third-class families for this night’s gathering. Those people soon couldn’t sit still either.

Inside the office of a high-end private club under the Ye family in downtown Tianhai. Ye Feiye, the head of the Ye family, Xiao Nuo, the head of the Xiao family, and Bai Hang, the head of the Bai family, were sitting there discussing. Although there were only the three of them in the meeting room, all three of them were silent at this moment, each of them looking somewhat gloomy.

The three of them had long ago reached a private alliance to fight against Lin together. Of course, if Lin had not been in trouble, they would not have dared to do so even if they were given a few guts. It was only after Lin was hit by a major disaster that they dared to make some small moves.

Ye Feiye closed his eyes, and after a while he opened them and looked at Xiao Nuo and Bai Hang and said: ‘The two of you tell us more, what are your opinions. Mo Tianji suddenly called everyone out this night out of the blue, saying that he wanted to redistribute the benefits. What do you guys think?’

Xiao Nuo said with his eyes downcast, ‘What conspiracy can there be, it’s just that he can’t hold out any longer. Lin Yan is dead, and many of the Lin elders died in that battle three months ago. Lin Hao is also seriously injured and missing. Now the Lin Clan his bottom are not

even ten, and on the Tianhai side, it's time to redistribute the interests of the Tianhai‘ Xiao ? 洱遮闭扒零珊洱侍? Although Nuo did not raise his head, his words were full of certainty.

Bai Hang also nodded and said, ‘Brother Ye, Brother Xiao is right, you have to know that those ambitious people who are fighting against the Lin Clan now are not just the three of us. The Lin Clan has been around for so many years, and their forces are all over the Ringworld. But now it has also become a heavy burden that accelerates the Lin Clan’s decline. All the forces within the Ringworld are now rebelling against the Lin’s as well. This cake is just so big, the more the Lin’s eat, the less the people below will naturally eat, as for the three of us, we are just a small group of them‘

Ye Feiye is still a little hesitant, just now Xiao Nuo and Bai Hang’s meaning has been very clear, the meaning of the words are to carry hard with Mo Tianji this night, just he is still a little hesitant.

Ye Feiye thought for a while before adding, ‘But Lin Hao is not dead after all, sooner or later he will still have to come back him‘

‘Brother Ye‘ Before Ye Feiye could finish, his words were interrupted.

The next moment Xiao Nuo’s eyes flashed with a fine light as he slowly said, ‘Brother Ye, Mo Tianji is not a fool, these recent months, our movements in the Sky Sea, do you think we can hide from him? And ah, some things have been done, we are all adults, not children anymore, those self-deceiving words should be stopped.’

‘There are some things that have been done, what’s the use of setting up a house of cards again?‘ Xiao Nuo said while looking down and playing with the teacup on the table in front

of him, his fingers slightly hard, a crack appeared on the cup of the teacup, Xiao Nuo's eyes had a trace of ruthlessness

Chapter 845

Ye Feiye's eyes narrowed as he clenched his fist and slowly said: "Good, we, the three great families of Tianhai City, have been oppressed by the Lin Clan for decades, if it wasn't for the Lin Clan's suppression, we would have become a top family long ago, unlike now when we are so slow to leave Tianhai. It's not like this we have always been a dog! A dog of the Lin Clan! Then tonight we will take on Mo Tianji, what do you two brothers think?" A glint of light also flashed in Ye Feiye's eyes, his ambition extremely swollen, he had waited for this day for a long, long time. On what basis? If it wasn't for the Lin's, his Ye family would be the ruling ear of Tianhai City!!!

The wind and water were turning, and now it was his family's turn! He wanted to make the Ye family the most powerful family in Tianhai City and show the Ye family in Yanjing that the Ye family that had split off was the real Ye family! One day he would kill his way back to Yanjing! Yes, Ye Feiye's ultimate ambition was to return to Yanjing, back to the centre of power, only in Yanjing could he be considered the top family in the country.

Xiao Nuo smiled down slowly nodded and said, 'Good', then Xiao Nuo looked at Bai Hang and asked, 'What does old brother Bai think?'

Bai Hang smiled and took a sip? Dye Yi Yi Serving Ground Fushandi? tea, also nodded and said, 'Good

At nine o'clock in the evening, the Half Moon Bay Hotel was completely emptied, and tonight the heads of all the major families of Tianhai City, the four first-class families, a dozen second-class families, and hundreds of third-class families, gathered together again. The last

time they gathered was to welcome Lin Hao's arrival. But this time they gathered again to intimidate Mo Tianji.

Yes, Mo Tianji was, after all, an outsider to a group of forces in Tianhai City. And today when Mo Tianji he sent out the invitations in the afternoon, he only sent them to the three big families and the few second-rate families. But when the evening came there were many, many more people coming to the banquet, not only all the second-rate families came, but even all the third-rate families in Tianhai City came.

Inside a room on the upper floor of the Half Moon Bay Hotel, Mo Tianji, who was dressed in a black suit, and Gu Shengnan, who had half a head of white hair, were sitting here. Gu Shengnan was playing with two jade balls in his hands, squinting his eyes at the crowd that kept coming in at the entrance of the venue below, and slowly said to Mo Tianji: 'It seems they can't wait and want to turn on you tonight' Gu Shengnan's tone was like a smile, he already knew. The daytime, the Western European side of things that happened, naturally have a plan, if Lin Hao does not return tonight, then tonight the situation in Tianhai City will really be Ye Feiye those old foxes overturned the sky, but now ?

The city has always had four major families, nearly 20 second-rate families and hundreds of third-rate families, so it's too chaotic. So the Gu family master still has to prepare well

Gu Shengnan let out a bitter smile and said with a hint of melancholy in his eyes, 'Oh, I really didn't expect that, I really didn't expect that my Gu family would actually become the largest family in Tianhai City one day, Mr. Mo, if I were to tell you that Gu has never had such great ambitions, would you believe me ?' Gu Shengnan turned his head to look at Mo Tianji, there were some things that were clear in everyone's mind, but it was still necessary to say them out. Otherwise, this situation of liquidation tonight would probably be repeated one day. That would not be what he Gu Shengnan wanted to see

When Mo Tianji heard Gu Shengnan say this, he also froze for a moment. He then said with a sincere smile, ‘Don’t worry, Gu family head, I know what you have in mind, and so does our family head. Let the younger generation do what they want decades from now, we can’t manage it, we can’t promise anything else. I believe that as long as we are still alive, there will be no conflict between the Gu Family and our Lin Clan, will there not? Besides, Miss Gu Yue and the Night One brothers will be getting married soon, this is also a new wedding gift from our family head to them’

Gu Shengnan nodded with a smile and said, ‘Well, I understand. It’s just a bit hard to believe. Mr. Mo and the others are almost here, so it’s time for us to make our appearance, when will the Lin family head arrive?’

Mo Tianji nodded, ‘The family head has already got off the plane and is heading this way, I guess it’s still about half an hour or so away. In that case, let’s go down first and dig the pit, otherwise those old foxes will soon be unable to wait ah huh’ Mo Tianji said with a sneer, then he and Gu Shengnan walked down together

When Mo Tianji and Gu Shengnan appeared in the venue, the entire room of hundreds of people were completely silent. The three people sitting in the front row of the venue were Ye Feiye Xiao Nuo and Bai Hang. Others were shocked, but the three of them had their eyes half closed, not even looking at Mo Tianji and Gu Shengnan, not putting them in the slightest.

It was also true that if it wasn’t because of the Lin family, then the three of them wouldn’t have put Gu Shengnan in their eyes at all. Even though the Gu family’s strength had now advanced to the level of a first-class family, the time that the Gu family had been a first-class family was still too short and too short. It’s not even half a year. In terms of family heritage and influence in all sectors of Tianhai City, the Gu family is far inferior to the three old top-ranking families.

Gu Shengnan looked at the attitude of the three people in front of him and smiled without saying anything, then followed Mo Tianji to the main seat in the front row. In the front row of the venue was a large round conference table. Today they would be at this table, settling some matters.

After Mo Tianji and Gu Shengnan took their seats, the atmosphere inside the meeting room became even more eerie and quiet. The heads of the second and third-rate families behind the conference table, who were not qualified to sit in the front row, were all highly focused on the five bigwigs at the conference table in front of them.

Any one of these five people could cause an earthquake in all walks of life in Tianhai City with the stamping of their feet. And now these five most powerful and influential people in Tianhai City are completely face-to-face and starting negotiations. Everyone in the room knows that when this meeting is over tonight, a big change will come to Tianhai City

After Mo Tianji took his seat, Ye Feiye, Xiao Nuo, and Bai Hang were still half-smiling, silent and not speaking. This night is destined to tear the face, no, or now everyone has already torn the face. The three of them have called all the third-rate families in Tianhai City, knowing that this party tonight was not organized by them, but by Mo Tianji

The three men's reaction to Mo Tianji's heart sneered, but his face did not show it. After he sat down, he looked at the few people in front of him and slowly said: 'I ask the three of you what this means? I don't send out many invitations, do I? Can any of the three of you tell me why all the clans of Tianhai City have come? Or rather, what do the three of you want to do this evening?' Mo Tianji's voice was low and cold.

Ye Feiye looked down at the cup of tea on the table without speaking, and so did Xiao Nu. The Ye family was the largest family, so naturally they couldn't be the first to rush to the front, they still needed some face.

When Bai Hang saw that neither Ye Feiye nor Xiao Nuo said anything, he sighed in his heart, this was clearly for him to take the lead. But it didn't matter, he had already torn his face off tonight. So without waiting for Ye Feiye and Xiao Nuo to speak, Bai Hang took the lead and spoke to Mo Tianji: 'Mr. Mo, the market is like a battlefield, we admit that when the Lin Clan was still around, we naturally did not dare to do anything. But now that the Lin family is suffering, if you still want to eat all the cake, isn't that too big an appetite? We are here for no other reason than we want Mr Mo to give us a share of the profits

Bai Hang said without being condescending, but anyone could hear the aggressiveness of his words. Mo Tianji also nodded his head and said: 'Well, I understand what the Bai family master means, your Bai family just wants to take more benefits from Lin's banner, right?'

Bai Hang nodded and said, 'Well not bad, so I still hope that the Mo assembly will be complete, my Bai family does not want much, in the future we will still be friends in Tianhai, we continue to take the Lin family as our leader

'Mm, good

Mo Tianji nodded to show that he understood. Mo Tianji then looked at Xiao Nuo and asked, 'Master Xiao just now I understand the meaning of the Bai family master, what about your meaning? Since we are all here for a showdown today, let's not hide it, what do you think?' Mo Tianji said to Xiao Nu with a smile, only that smile was a little cold.

Xiao Nu raised his head and gave Mo Tianji a puzzled look, he instinctively felt that there was something wrong with Mo Tianji's attitude. But then he looked at the old god? The first thing you need to do is to look at the old god? In the presence of Ye Feiye, he was instantly energized, so he spoke to Mo Tianji and said, 'Mr. Mo, just now the Bai family head's meaning is my

meaning, like him, I also because recently the family deficit is great, so I also hope Mr. Mo will be more generous‘

Mo Tianji nodded and said, ‘Well understand, everyone is having a hard time now and money is getting harder and harder to earn. I understand‘

After Mo Tianji finished speaking, Xiao Nu stopped speaking. Because he understood that the next moment would be when Mo Tianji, the transgressive dragon representing Lin, would collide head-on with the biggest local dragon.

Mo Tianji gave Ye Feiye a deep look and said, ‘Master Ye, you are different from others, your Tianhai Ye family is originally a branch of the Yanjing Ye family, and the Yanjing Ye family has always been good friends with our Lin clan. So for so many years, your Tianhai Ye family’s lineage has also been considered good friends with us, and you and I have an even deeper connection. But I am also hiding the fact that three months ago my Lin Clan was hit by a great calamity, and there is not even one of its ten reserves left. I can understand that the Ye family has some thoughts in mind. But tonight, please tell me clearly, Master Ye, how much of the Tianhai City cake do you want to eat?’ Mo Tianji narrowed his eyes and looked at Ye Feiye.

However, Ye Feiye did not look up at Mo Tianji, but looked down at the teacup in his hand and after squeezing it a few times, he said indifferently, ‘Mr. Mo, my Ye family is very big, and there are even more people eating. Ye Feiye was directly lionizing, not putting Mo Tianji in his eyes in the slightest.

Bang! The next moment, before Ye Feiye could say anything, Gu Shengnan, who was beside Mo Tianji, slammed the table and stood up, pointing at Ye Feiye and roared, ‘Ye Feiye, you have a big appetite! Aren’t you afraid of breaking your teeth? You want half of what you say you want? Lin’s share of our benefits is only half, if you take it all, what will we eat and drink? What will we eat and drink if you take it all?’

Ye Feiye continued to fiddle with the teacup in his hand with his head lowered without a care, slowly saying, 'If my Ye family eats half of it, isn't that still half of it left The half that's still left, isn't it enough for everyone to eat?'

Boom Ye Feiye's words fell, and immediately the whole room's heartbeat sped up. Just now Gu Shengnan said very clearly, Lin's in Tianhai accounted for half, the remaining half is the four big families, a dozen second-rate families, hundreds of third-rate families to share equally. But now Ye Feiye wants one person to take half, leaving the rest to divide the remaining half.

He actually means to replace Lin's position in Tianhai City, how big is his appetite. Now Ye Feiye has finally revealed his fangs, his sharp fangs that have been hidden for decades are finally coming out

Super Son-in-law Chapter 847-848

Chapter 847

Mo Tianji was silent, not saying a word, only his eyes narrowed. The hundreds of people present also fell silent, Ye Feiye lowered his head and fiddled with his teacup, and neither side spoke anymore

The amount of information Ye Feiye said just now was so great that even Xiao Nuo and Bai Hang, who were sitting beside him and on the same front as him, were a little chilled, Ye Feiye's city was so deep that even the two of them had been deceived. When the two of them discussed with Ye Feiye before, Ye Feiye did not have such a big appetite. And now that Ye Feiye had said so, the two of them glanced behind them and saw that the second-rate and third-rate families of Tianhai City were all here tonight, and immediately the two of them felt a little chill in their hearts. Ye Feiye's real aim tonight was to replace the Lin family!

And they, the Xiao family and the Bai family, had both been used by Ye Feiye. Ye Feiye was wrapped up in the great power of the entire Sea of Heaven this night and was forcing his way towards Mo Tianji!!!

After a while, a family head of a second-rate family behind Ye Feiye suddenly stood out and said loudly, 'My Sun family supports Family Master Ye! Tianhai City is our Tianhai City, not an outsider's! Outsiders should go back to wherever they came from!'

Right after the first person stood out, a second person soon also stood out, 'That's right, my Li family also supports Family Master Ye to take charge of Tianhai

'There is also my Zhang family

'And ? er grasping Lu Zhaogao closed Yi Fu ? My Liu family

At once in the hall, the group of second-rate and third-rate family heads behind Ye Feiye stood up one by one and made their attitudes clear to Mo Tianji. As time passed, more and more people stood up. The power to intimidate Mo Tianji also became stronger and stronger.

Mo Tianji narrowed his eyes and looked at Ye Feiye and said, 'Master Ye, hasn't this gone a bit too far today? You have wrapped yourself around the forces of Tianhai City to pressure my Lin Clan, do you think you can succeed? Oh what if I don't agree?'

Ye Feiye still didn't bother to look at Mo Tianji when he heard this, but continued to look down and play with the teacup in his hand. Slowly said, 'Mr. Mo, some things are not whether you are willing or not, not whether you answer or not can be ah

'Ye

Mo Tianji was saying when suddenly a series of footsteps sounded outside the door, and the next moment a team of the Ye family's heavily armed men and horses rushed in, directly surrounding the entire hall, and likewise having snipers locked on Mo Tianji.

The next moment a team of heavily armed people rushed in and surrounded the entire hall. Or are you so sure that with the strength of your Ye family, you can eat up the share of Lin's in Tianhai City? Aren't you afraid of bursting your stomach?'

At this moment, Ye Feiye lifted up his voice, and he gave Mo Tianji a deep look and said, 'Mr. Mo, your Lin's has dominated Tianhai for too long, I've put up with it all my life, if I don't do something, this life will be over. Success or failure, now is always a chance, right? And it's not like my Ye family doesn't have any Patriarchs

Chapter 848

After Ye Feiye finished speaking, an old man in grey slowly stood up at the end of the hall, and as he did so, a powerful aura of an Innate Patriarch was released from him. In an instant, it overwhelmed the entire audience! This inconspicuous old man was an Ascended Master, and a very old one at that!

This! This was Ye Feiye's strength, yes an Innate Patriarch, the only Innate Patriarch of his Ye Family, the one who had been holding back! Previously, when Lin Yan was alive and Lin Hao was still alive, his Ye Family's Innate Patriarch did not dare to venture forth. But now Lin Yan was dead, and Lin Hao was even seriously injured and missing. And with Ye Feiye, who had the support of an Innate Patriarch, why wouldn't he dare to take a chance?

‘Ye Wu pays respects to the family head!’ The old man, who was an Innate Sovereign, released the aura on his body and bowed and cupped his fist at Ye Feiye.

Ye Feiye turned to that old man and nodded and said, ‘Well, it’s hard work for the fifth elder

Ye Wu did not have any expression on his face, ‘All for the sake of the Ye family, I only hope that you, family head, remember your promise to bring the Ye family back to the top!’ Ye Wu said firmly, his voice resounding. Ye Feiye nodded his head.

Then, after Ye Feiye finished speaking to Ye Wu, he turned to look at Mo Tianji once again and said, ‘Chief Mo, do you think that’s enough now? Does my Ye family now have the strength to eat up your share in Tianhai City? Since ancient times in China, an Ascended Master has been able to suppress a domain! So is my Ye family now qualified to rule Tianhai? And I don’t want much, I just want you to withdraw from Tianhai City. How about if you retreat tonight, then we will not make a move?’

Mo Tianji sneered with hatred, Ye? er shan lu yi close dye er fei night? This old fox, Feiye, had never really shown his tail until tonight. All along, he, Mo Tianji, had suspected Ye Feiye, but Ye Feiye was simply too able to hold back. So Mo Tianji had never been able to catch the handle that weakened the Ye family. But now after Ye Feiye’s incident at Lin’s, he who had held back for another three months or so, finally stopped holding back. And the consequence of his lack of patience was that the one move that exploded was to fire with full force.

Mo Tianji gave Ye Feiye a deep look and did not pay him any attention, but turned his head to look at Xiao Nu and Bai Hang again and said, ‘I understand what Family Master Ye

means, then Family Master Xiao and Family Master Bai have also determined what they mean right ?‘

Xiao Nuo and Bai Hang looked at each other, things had come to this point, the two of them had been helped onto the same chariot by Ye Feiye tonight, now even if they wanted to backtrack again, they could not, so they could only nod their heads stiffly.

Then Mo Tianji laughed, a very cold, cold laugh, he took a deep breath and stood up and said, ‘Oh, very good, everyone is very good? Quite interesting, really quite interesting, it seems that tonight’s Tianhai City is really going to change the sky ah‘

Ye Feiye listened to Mo Tianji’s laughter and suddenly felt as if something was wrong. Because he did not feel a trace of panic from Mo Tianji, he raised his head and frowned at Mo Tianji and said, ‘Mo Tianji, things have come to this, do you still want to turn the sky upside down? Even if Lin Hao comes back now, there is nothing he can do about this situation, right? This is the common intention of all the families in the entire Tianhai City, everyone!‘

Ye Feiye thought about the crowd of people from all the major clans in Tianhai City sitting behind him, and grew a little bolder.

Only Mo Tianji was still laughing: ‘Ah Ye Feiye, I laugh at your true ignorance‘

Ye Feiye gave Mo Tianji a deep look, ‘Mo Tianji you don’t pretend to be a god! Even if Lin Hao comes back tonight, you can’t turn the tide, if you are sensible tonight your Lin’s will get out of the Sea of Heaven! Otherwise, don’t blame me for killing you!’ At this moment, Ye Feiye had already torn his face completely, so he simply stopped pretending. Only the next moment a voice made him scared to the point of cold sweat

‘Oh? Are you so powerful, Ye Feiye? Even if I come back, we can’t turn the tide?’ Lin Hao’s voice full of murderous intent sounded in vain behind Ye Feiye, along with another sound of a desperate muffled grunt came out

‘Family head, go quickly,’ Ye Wu desperately tried to use the last ounce of strength in his life and sent a warning towards Ye Feiye.

Super Son-in-law Chapter 849-850

Chapter 849

Ye Feiye’s heart thudded, and the next moment he slowly turned around, then he saw that his Ye family, the only Innate Patriarch, who had been painstakingly cultivated with vast resources for so many years, had been snapped by Lin Hao and was dead. The corpse was like a dead dog in Lin Hao’s grasp. Eyes wide and dead? Zero Ai Di Shan closed er Shan Di? Not in peace

A monstrous fear rose up in Ye Feiye’s heart, and his entire body began to tremble violently. And those family heads of the lineage families that followed Ye Feiye’s betrayal in the hall, especially the fifty or so second-rate lineage family heads of the first-rate lineage families who stood up to support Ye Feiye, all sat down on their asses in fear, knowing in their hearts that it was over. The result of Ye Feiye’s decades of concealment and his sudden outburst was completely unbearable in front of Lin Hao, who was a mere chicken and a dog.

Ye Feiye’s lips were trembling as he looked at Lin Hao in horror, in fact he knew that tonight his Ye family was finished, completely finished, originally he had the intention to carry on with Lin Hao in this situation, even before he, in his heart, was prepared. But when he saw Lin Hao with his own eyes and faced him in person, he couldn’t help but tremble with fear, and he didn’t have the courage to resist in front of Lin Hao.

‘Nobody move, crouch down!!! Get down!!!’ In the next moment, Jiang Shaoming brought hundreds of top Lin’s combat sequences, and in a flash, he controlled all the Ye family combat forces, both inside and outside the venue. And disarmed those people at the first opportunity.

Bang Bang Bang Bang Those Ye family people had no ability to resist when they faced the Lin combat sequence, one by one, they were all kneeling on the ground with guns pointed at their heads.

Jiang Shaoming even put over the leader of the Ye family’s combatants with one blow and pointed the gun at the man’s head and said, ‘Try moving again?’

That Ye Family’s combat leader, with blood dripping from the corner of his mouth, still forcefully tried to raise his head, but finally sighed deeply. After their Ye Family’s deepest heritage, that Elder of the Ascended Patriarch, had just been killed by Lin Hao, the end of their Ye Family was already predetermined.

‘Ai Lin family master, the winner is the king and the loser is the knave, I have lost, can I ask you, to leave a trace of bloodline to my Ye family?’ Ye Feiye sighed deeply and pleaded to Lin Hao with complicated eyes.

‘Hehe’ Lin Hao sneered and said, ‘Ye Feiye, it’s not good to do well you dog, your Ye family is also the number one family in Tianhai City? Since you blocked it, it’s natural to accept the fate of losing the bet, isn’t it?’

‘Lin bang’ Ye Feiye was about to open his mouth to Lin Hao to plead for mercy when suddenly his voice came to a kaput. A gunshot sounded, announcing that his life would

soon come to an end. Ye Feiye looked down at his chest that had been shot through. With difficulty, he turned his head back and then he saw Mo Tianji, who had stood up and was holding a gun in his hand.

Mo Tianji looked at Ye Feiye and shook his head, 'Sorry, Master Ye, if you don't die, we won't be able to re-integrate the entire Tianhai, and you don't need to beg for big brother, your Ye family will surely die, I said so!'

A monstrous look of resentment appeared in Ye Feiye's eyes as he stared deadly at Mo Tianji, wanting to open his mouth and curse him a little at the end of his life, but in the end he didn't say a word, his heart was shot through and his mouth was full of blood. In the next moment, this generational lord of Tianhai City slowly collapsed with endless resignation.

When Ye Feiye was dead, Mo Tianji looked at Lin Hao excitedly and bowed deeply to him and said, 'Big brother sorry, the Ye family cannot stay, if you want to blame me, I will bear the blame, but the Ye family must die'

Lin Hao waved his hand indifferently and said, 'You did the right thing, the Ye family, you decide for yourself, no matter what, you are my brother'

Mo Tianji, who had his head down, had a trace of moisture in his eyes, these three months, like Lin Qingcheng, he was under tremendous pressure every day, Lin Qingcheng Western Europe was under pressure from the Black Scorpion Organization, and how was he not the same in Tianhai?

With two loud thumps , the family heads of the other two first-class families in Tianhai City, Xiao Nuo and Bai Hang, knelt directly on the ground and begged Lin Hao, ‘Lin family head, we were wrong, please forgive’

Lin Hao gave Xiao Nuo and Bai Hang a disdainful glance and said in a cold voice, ‘Ye Feiye is gambling, why aren’t you two the same? Ye Feiye lost his gamble and the Ye family was destroyed. But do you think that I will let you off easily after what you have done tonight?’

After Lin Hao’s words, Xiao Nu and Bai Hang looked at each other and both sighed deeply, they knew what they should choose. The next moment the two said in unison, ‘Xiao Family, Bai Family, move out of Tianhai City and give up all the foundations of Tianhai City’

Lin Hao slowly nodded and then stopped paying attention to these two people. One had to bear the consequences of doing the wrong thing. That is, tonight he, Lin Hao, came back, what if he hadn’t come back? It was another matter whether the Mo Tiandian could get out alive tonight, and all the Lin Clan’s forces in Tianhai would have been torn to pieces by this group of red-eyed dogs. So for the three leaders, the Ye Family, the Xiao Family and the Bai Family, Lin Hao naturally would not be merciful.

Lin Hao walked up to Mo Tianji, looked at him with incomparable complexity, patted him heavily on the shoulder and said: ‘It’s been a hard time, we Lin’s owe you and Mo Lao, thank you’ Lin Hao said and his eyes got a little red. Three months ago Mo Lao was killed in battle in Yanjing, his bones were not left, and Mo Lao’s grave was still built with the help of Jun Wuhui, and Mo Tianji, who had always treated Mo Lao as his own grandfather, had not made a trip to Yanjing until now, just staying in Tianhai and guarding the foundation of Tianhai City for Lin Hao. These were the things that Jiang Shaoming told Lin Hao on the plane, and when Lin Hao heard them, he was only deeply moved in his heart.

Snapping Mo Tianji's tears fell straight down and his body all trembled gently. But soon he stopped his grief and looked up at Lin Hao and said, 'It's not hard, it's good that you returned safely, big brother! We still have a lot of things to do next

Lin Hao took a deep breath and nodded in a complicated manner and said, 'Well, you come with me

Chapter 850

Lin Hao then said to Jiang Shaoming, 'Shaoming, you are responsible for taking full charge of things here tonight, and let Night One cooperate with you.'

'Yes, big brother,' Night One nodded with Jiang Shaoming. Lin Hao then took Mo Tianji out of the venue and went to the ? Shan Xi'er Yi Yi grasped the service? an open space.

Lin Hao looked up at the western night sky and after looking at it for a while, he looked at Mo Tianji again and slowly said, 'Tianji, this time I'm going back to Tianhai and won't stay for long, tomorrow morning I'll go north to Yanjing with Night One to seek revenge on Cang

Although Mo Tianji understood that since Lin Hao had returned, he was naturally going to seek revenge on Cang. But he didn't expect it to be so soon, Lin Hao was going to Yanjing tomorrow morning to seek Cang's revenge. For a moment Mo Tianji's heart and soul gathered trembling, he hurriedly advised Lin Hao: 'Big brother, think twice, Cang is too strong, sooner or later revenge will have to be taken, but Cang can be said to be the strongest existence in the world today, his personal battle power is far beyond the level of Innate Patriarch, not to mention people like Cang, there are still forces under his command, there must be. Big brother don't be impulsive ah

Lin Hao shook his head and looked firmly at Mo Tianji and said, 'I know, but I can't wait any longer, my Lin ancestors used countless lives to beat Cang into serious injury, this is an opportunity I can't give up, otherwise when Cang recovers to his peak, then those of our ancestors will have died in vain

Mo Tianji still didn't want Lin Hao to seek revenge on Cang right now, he thought about it and continued to advise Lin Hao, 'Big brother, then if you take on Cang now, what are your chances of winning? I'm talking about adding Jun Wu Ren, Night and the others

Lin Hao said with a complicated look in his eyes, 'A 50/50 chance of winning or losing, or even a little less

Mo Tianji's face changed greatly and he fell to his knees with a bang: 'Big brother, think twice if anything happens to you again, Lin's will really be lost

Lin Hao took a deep breath and said, 'Tianji, my mind is made up, you don't need to persuade me anymore, I have reasons why I have to go. And I fight to come back alive, I also have reasons why I must come back alive

Mo Tianji was silent for a while before gritting his teeth and saying, 'Big brother, then I will go with you! At the critical moment, I can also break through to the battle power of an Innate Sovereign! I know the method!

The method that Mo Tianji said out of his mouth was naturally something that Elder Mo had taught him, just to use at the most crucial moment. It was just that once he used it, his life would be ruined, and he might not even have his life left. But at this moment, Mo Tianji was about to decide to go north with Lin Hao without even thinking about it.

Only the next moment Lin Hao shook his head at him, 'You can't go.'

Mo Tianji asked in confusion, 'Big brother, I just said that I have a method to quickly break through to Innate Sovereign combat power!'

Lin Hao nodded, 'Well, I know that, but you still can't go

'Big brother, why? Why?' Mo Tianji's eyes were tearing up. Tearfully, he asked to Lin Hao.

Lin Hao patted Mo Tianji's shoulder and said, 'Because I only have a fifty percent certainty, even if you go, this certainty will not increase much, stay and go to Western Europe to find my sister. If I said if, if we fail this time, then you and my sister, but also for our Lin's after, of course is to condescend to you to be our Lin's doorstep son-in-law ah

After hearing Lin Hao's words, Mo Tianji's body gathered trembling and he looked at Lin Hao incredulously and said, 'Big brother, I, I am innocent with Missy, there is nothing between the two of us

A trace of panic flashed in Mo Tianji's eyes.

Lin Hao said indifferently: 'Tianji, you know my character, I don't follow the ancient law like Mo Lao, what an age it is. Besides, now that I am the head of the Lin family, I will give you the family head order to marry my sister, and my sister also likes you very much. It's settled, Shao Ming I will stay in Tianhai and let him handle the matters in Tianhai, I have already exterminated the Black Scorpion over in Western Europe. My sister is consolidating over there

alone, she can't be busy alone, you go over there tomorrow morning to help her, then after the news of me going north doesn't get out, you and my sister don't come back

'Big brother, I'm not going, I want to go with you to Yanjing! Please

Mo Tianji shook his head one after another with tears streaming down his face.

Bang The next moment Lin Hao struck Mo Tianji with a palm, sealing the blood veins of his entire body. Lin Hao said, 'This is an order, remember, if in case we all die, you and my sister should never come back in this life, never in this life

Lin Hao continued after a pause, 'Well, if we all die, then your and my sister's future children should not be surnamed Lin, let the Lin family just pass, you and my sister just live a good life

'Hmm

Mo Tianji was sealed by Lin Hao, he couldn't even speak if he wanted to. There was just a refusal embedded in his eyes.

Lin Hao gave Mo Tianji one last look and said to the place behind him, 'There's no need to wait for tomorrow either, send Tianji to Western Europe now, you guys keep an eye on him, within three days, you can't let him come back to China! Or you will cut yourselves off to thank him!'

'Yes!' In the shadows, several of the Lin Clan's top warriors said respectfully. Two heavily armed warriors then stepped out of the shadows and took away the ten thousand reluctant Mo Tianji

When Mo Tianji was sent away, Lin Hao didn't go back to Half Moon Bay, instead he went back to his and Shen Xiyan's home, the home of the two of them their home
