

Super Son-in-law Chapter 891-900

Chapter 891

Lin Hao was silent, so was the great elder, and the other two elders of the Nine Heavenly Clans, who had not said a word since the beginning, were obviously also aware of this result long ago.

Jiu Tian Xuan was completely anxious, because Lin Hao was brought by her, and if Lin Hao, the gaijin, had died in the Nine Heavenly Clan. She could not pass the hurdle in her own heart. She eagerly asked the Grand Elder, 'Grand Elder, tell me, what is going on here?' A cold aura had appeared in Jiu Tian Xuan's eyes when she asked these words.

She had grown up in the Nine Heavens Sect, and her feelings for the Nine Heavens Sect were incomparably deep, the education she had received, as well as her personality, would not allow her to stand by and watch her own division, pitted against Lin Hao, kill him! If that is the case, she will be completely out of the Nine Heavenly Clans today! From now on, she was at odds with the Nine Heavens Sect.

'Xuan'er! How are you talking to the old ancestor? Hmm?' At this time the second elder, who had not spoken since, fiercely opened his eyes and chided at Jiu Tian Xuan.

'Heh I just want an explanation as to why this is happening? Why! I don't know about anything else, if it wasn't for the Lin family master, then our Nine Heavenly Clan wouldn't have been able to come out until now!' Jiu Tian Xuan said in a cold voice, his heart already wary of these three clan elders around him. People's hearts are separated from their bellies, Lin Hao is the only one above the innate existence in the world today. It is possible that some people could not stand the temptation and wanted to eat the fruits of Lin Hao's victory.

‘You!’ The second elder’s teeth bared in anger and wanted to continue to berate Jiu Tianxuan when the grand elder waved his hand to stop her. Then the Grand Elder looked at Jiu Tianxuan and said, ‘I’ll give you an explanation

After the Grand Elder finished speaking, she took out a dagger and cut a slit on her wrist, and immediately a drop of crimson blood dripped down from her wrist. But those drops of blood even after falling to the ground, the Yin Shen Cao that emitted a halo of light did not pay any attention to, is still constantly gathered towards Lin Hao’s fingertips on that small opening

‘Now do you understand? Our vitality, the yinjin grass is not looking at. Only the ones above the innate, they look at, so even if you find more people, it’s useless. Xuan’er, it’s good that you have that suspicion, it means your original intention hasn’t changed, I’m very pleased, it’s just that there’s really nothing I can do, if it’s possible, us old undead, we’ll be one step ahead of you

‘The complexity in the Grand Elder’s eyes intensified.

‘No impossible’ Jiu Tian Xuan snatched the dagger in the hand of the Grand Elder and also cut on his own wrist, but? Shan Yi whisked er dyed picketing Yi Di? The result is the same as the great elder, the implicit god grass does not take care of the blood of the great elder, but also ignored her

‘But but Lin Hao’s realm is also only the late stage of the Innate Patriarch ah, his true realm also did not reach that level ah?’ Jiu Tian Xuan asked in a million different ways.

‘Extreme Dao, the blood of the Extreme Dao Patriarch is also the same Embodied God Grass, has its own instinctive senses, so if you look at the world today, there is and only one person, the Lin family head, to be able to ripen the Embodied God Grass,’ the third elder, who has not spoken, this time opened his mouth to give Jiu Tianxuan an explanation.

The great elder nodded slowly and looked at Lin Hao who had been silent and said: ‘So, Lin family head, how do you choose? If you choose to use yourself to feed the Implicit God Grass, then the results we really do not know, because no one has ever done so, above the innate, even in the ancient times, is the top of the battle power of’

‘Heh I have long felt that you three old immortals have a problem, and it is true that this is the case, and also branch me out, what? You still think of leaving us behind today?’ At this time the great elder just finished speaking, Jun Wu Ren walked down from outside. He had just stayed up there and had actually been paying careful attention, and when he was on the plane, he had also pressed a tracker on Lin Hao, just to prevent this kind of thing from happening now, and now he found out that this Nine Heavenly Clan, actually wanted to force Lin Hao to use himself to gestate these two grasses! If Lin Hao dies, then today’s Chinese land, it is their Nine Heavenly Clan is the biggest.

Miso Jun Wu Regret directly pulled out a long sword, the tip of which was aimed directly at the Great Elder, and said in a cold voice: ‘Old immortal, don’t you think your appetite is a little too big?’

After that, Jun Wu Ren said to Lin Hao, ‘Lin Hao, let’s slaughter this Nine Heavenly Clan together today! Even if you want to use your own body to nurture these two plants of the Implicit God Grass, it will have to be after you destroy the Nine Heavenly Clans!’ Jun Wu Regret’s aura burst forth and locked onto the Grand Elder in a deadly manner. He believed that under his and Lin Hao’s combined hands, no matter how many Ascended Masters were inside this mysterious Nine Heavens Sect, that would have to be slaughtered

‘Jun family master, we have no malicious intent, this is the truth’ said the great elder to Jun Wuhuai with complicated eyes. After saying that, he raised his hand and nodded wildly on his own body several times, sealing his meridians. At once the qi on her body dropped rapidly, and soon dropped to the level of an ordinary person. The third elder also gave Jun Wu Regret a deep look, and then, like the eldest elder, also sealed himself at first.

Chapter 892

‘Heh, do you think I believe it or not?’ Jun Wu Regret still had a cold glint in his eyes

‘Brother Jun, stop, I believe them’ Lin Hao finally withdrew his finger at this time, raised his head and looked at Jun Wu Regret and said.

‘Brother Lin, people’s hearts are separated, if you lose your battle power after that, I can’t resist them alone, they have been sealed by Cang for a hundred years, who knows how many innate sect masters they actually have?’ Jun Wu Ren frowned deeply.

Lin Hao twisted his head to look at Jiu Tian Xuan, looked deeply at her and asked, ‘Today is also the first time you and I meet, but you said you are the senior sister of You Zi Fei, I believe you, so now I ask, if in the future there is the day that Brother Jun said, I I can still believe you?’
‘Lin Hao means that if something goes wrong with him and after he loses his battle power above the Ascendant, can he still be a new Nine Heavenly Xuan.

‘Can! If there is that day, I will return out of the Nine Heavenly Clans because then the Nine Heavenly Clans will no longer be the division I remember’ Jiu Tian Xuan nodded heavily.

‘Hmm’ Lin Hao nodded his head. Then looked at the three elders in front of him, slowly said: ‘You have not gone out for a hundred years, today’s world, the force of battle is no longer absolute, there are too many weapons in today’s world, able to exterminate the innate sectarian. ? The pick whisk wu pick zero er pick love? As long as you have not reached above the Innate, then you do not have the certainty of victory, I hope you do not do something stupid, otherwise my Lin’s thousands of combat sequences, will not die with you’

‘Please rest assured, Lin family master Nine Heavenly Clan will not do that kind of silly things’ the grand elder bowed his head to Lin Hao.

‘Humph’ The second elder coldly snorted, Jun Wu Ren’s words made her upset, but this would be to remove the other party’s guard, she also directly blocked the meridians of her whole body.

Finally Lin Hao looked at Jun Wu Regret again and said: ‘Brother Jun, you know, I have no choice, even if there will be that day in the future, I want to see Xiyao wake up, even if she forgets me, even if I die, I am willing to’ Lin Hao’s eyes were red, the endless sadness in his heart could no longer be suppressed.

‘Grass grass grass grass! You damn!!! I!!!’ Jun Wuhuai instantly stormed out, his long sword slashed wildly several times on the cave next to him. And Lin Hao had already paid a deep obeisance to him, ‘So brother Jun, I ask you again, if I die, in this life also please protect the life of Xiyao’

‘I fucking stumbled on such a friend as you, that is, the old man is unlucky in eight lifetimes of blood! Damn!’ Jun Wu Regret’s chest rose and fell violently in anger, cursing at Lin Hao. But no matter how much he cursed, no matter how he stormed, Lin Hao maintained the action of bowing down to him, not moving.

After a while, Jun Wu Ren pointed at those elders of the Nine Heavens Sect and said: ‘I have marked the coordinates of your mountain gate, and the combat troops of my Jun family in the outside world have completely surrounded your mountain gate, and there is a weapon in this world that can instantly move and level the hundred thousand mountains near your mountain gate! I advise you better not move, others I do not care, but in your division, in addition to Jiu Tian Xuan, and

then dare to have the peak of the Innate Sovereign down the mountain, you are waiting to die without a burial place!!!'

After Jun Wu Regret finished, finally turned to look at Lin Hao and said, 'I'm too damn lazy to take care of you, don't die, you owe me a lot' Jun Wu Regret finished and walked out, guarding the entrance to the cave, and after Jun Wu Regret went out, the three elders of the Nine Heavenly Clan, and Jiu Tian Xuan also walked out

When everyone had finished, Lin Hao kept his bowing posture for a while before slowly standing up. Then his body flashed and appeared on the stone in the middle of the cold pond, in front of the two plants of the God Containing Grass, and sat down on his knees.

And at the moment he sat down, the two God-containing grasses' corona of light suddenly released, instantly enveloping Lin Hao's whole body.

Poof Lin Hao closed his eyes after spacing out his wrists and a dozen more slits on his body. And when his blood flowed out, the halo of the God Containing Grass that enveloped him was like a complete madness, instantly skyrocketing, and the height of the two God Containing Grasses, also soared up

'Nine days, I can't wait Xiyan also can't wait, 'muttered Lin Hao, who had his eyes closed.

In the cold pool, the embodied god grass halo, the two embodied god grass began to grow wildly, as if the long drought to meet the sweet rain. And the relative is Lin Hao's face began to aging at a rate visible to the naked eye aging down

Chapter 893

Three days later in the afternoon, Jun Wu Regret appeared alone at the gate of the Nine Heavenly Gates, he had an exquisite, yet tightly sealed box in his arms, Jun Wu Regret looked deep into the Nine Heavenly Gates with a complicated expression, then turned around and got on the helicopter that came to meet him, after the helicopter picked up Jun Wu Regret and flew towards Tianhai City

Yes, this time it was only Jun Wu Regret who left, no Lin Hao. At six o'clock in the evening, Jun Wu Regret arrived at Tianhai City and arrived at Shen Xiyan's residence.

'No regrets, where is the Lin family head? What? Wu closed the land and land and land whisk? You're the only one who came back?' White Tiger took the lead and opened his mouth to Jun Wu Regret and asked.

'Jun family master, where is my brother?' Lin Qingcheng also felt that something was wrong, Jun Wuhuai's eyes were complicated at the moment, there were bloodshot branches in his eyes, his expression was depressed and in a very bad state. Jun Wu Regret handed the box that had been protected in his arms to Gu Yue, then called the crowd to a room, said in an incomparably complex tone: 'Let Lin Hao personally talk to you, you wait a moment, I carry out a satellite link

Jun Wu Regrets did not say this is okay, when he said this, Lin Qingcheng, Gu Yue, night one, Mo Tianji and others naturally feel that something may be wrong. Another thing to say is that Wang Shufen and Leng Qiuya also rushed over these days, following the crowd to take care of Shen Xiyan. So the people in this room at the moment are the most important people to Shen Xiyan.

‘Jun family master, can you tell us, what happened to my big brother? He why he didn’t come back ah?’ Night one eyes are a little straight, that bad feeling in his heart is getting thicker and thicker. When asking questions to Jun Wu Regret, there was some stuttering.

Jun Wuhuai body paused, but did not speak, but set up the equipment, retreated behind the crowd. The next moment a projection of a person wearing a black robe with a cap on his head and his head bowed appeared in front of the crowd.

‘Hello everyone, I am Lin Hao’ a hoarse voice came out from the projection in front of him. Yes, that was Lin Hao’s projection, and as Lin Hao spoke, the people in the villa, finally saw Lin Hao’s current situation. Lin Hao Panxi was sitting in the middle of a cold pool, surrounded by dark water, and beside Lin Hao there was a grass that was emitting a shimmering light.

‘Sister, I entrusted Brother Jun to bring back the Embodied God Grass, just give it to Xiyan and take it, there are instructions on how to take it inside the box. After Xiyan takes the grass, she will wake up within twelve hours. And so now before Xiyan wakes up, I have something to say to everyone, I’m afraid I can’t go back in a short time, so please be prepared’ with his head down and hat on, Lin Hao’s hoarse voice continued to reverberate inside the villa’s living room.

‘Brother for why ah? Why don’t you come back by yourself ah?’ Lin Qingcheng heart that bad feeling is getting thicker and thicker, some stammering to Lin Hao asked, and from just connecting to now, Lin Hao has been lowering his head when talking to them. She instinctively felt that something might have happened to Lin Hao.

‘Because I can’t go back now’ Lin Hao said with his head down, sighed deeply, and then slowly raised his head, his face showing in front of the crowd for the first time.

Boom When the people inside the villa, when they saw Lin Hao's current face, everyone couldn't help but take a step back, with a strong sense of disbelief in their eyes. Because at this moment Lin Hao, face incomparably old, just like an old man of 70 or 80 years old, the face of the muscles sagging, full of wrinkles, the whole body is permeated with a strong fatigue and weakness

'Brother how how can this happen? What happened to you? In the end what happened ah? You say ah, you say ah!!!' Lin Qingcheng couldn't help but reach out her hand to touch Lin Hao's face. But after all, this was Lin Hao's projection, not a real person, so she couldn't really touch Lin Hao's face. Her hand passed over Lin Hao's projection, and Mo Tianji hurriedly held Lin Qingcheng, who was a bit broken. The same Mo Tianji's eyes turned red.

'Ai' Jun Wu Regret sighed deeply, standing behind the crowd, he spoke in a complicated manner, 'After Lin Hao and I arrived at the Nine Heavens Gate, we realized that the two Embodied God Grasses at the Nine Heavens Gate were not ripe at all. And there is only one way to let the Implicit God Grass mature quickly, using Lin Hao's vitality to feed, and only Lin Hao's vitality can feed. Lin Lin Hao used his own vitality to feed the Implicit God Grass for three days three nights, Jun Wuhuo's voice was also a little hoarse.

Buzz people listened to Jun Wu Regret's words, the women in the room tears all fell down. The company's main business is to provide a wide range of products and services to the market. And now, the world's greatest talent has turned into such an old man.

Super Son-in-law Chapter 894-896

Chapter 894

'Can you still recover?' Lin Qingcheng's tone was filled with sadness, and her eyes stared deadly at Lin Hao.

‘I don’t know, there may be a way to recover. I will look for it in the future, sister, don’t worry, I I will certainly not give up. Today to talk to everyone, I mainly just a request, also hope that you promise me’ Lin Hao lowered his head again, he also did not want to let the loved ones around him, brothers to see himself in this state today. He did not want to

‘Brother, you say, no matter what it is, we all promise, you say’ Lin Qingcheng bit her lips hard, her eyes red and said to Lin Hao.

Lin Hao was silent for a while, keeping his head down, and after a while his voice echoed in the crowd’s ears: ‘Xiyan’s brain is severely damaged, and a dozen top doctors have told me that when Xiyan wakes up, she may forget many things. The Yun Shen grass can repair the damage to Xiyan’s brain patch, but the recovery of her memory may not be effective. So so I would like to ask you all to promise me that after you give Xiyan the Yun Shen Herb tonight, you will take her to a city in the Midwest with a better environment and let her take her time to recuperate there. And and please make sure you all promise me not to not to tell Xiyan the story of what I used to do with her’

Lin Hao paused and continued, ‘If if Xiyan wakes up and really, really forgets about me, then so be it, please everyone don’t don’t let her remember this sad thing again’

‘Boom’ The crowd in the villa hall, the mind blasted, Lin Qingcheng frantically shook her head and said, ‘No, no way! Brother, I’m sorry I can’t do it’

‘Sister, I basically have not begged you since I was a child, this time, count me begging you, but can?’ Lin Qingcheng just finished speaking, Lin Hao’s old and hoarse voice, reached her ears. Lin Qingcheng covered her mouth and forced herself not to cry out, but her tears still couldn’t stop snapping down.

‘Tianji, take care of my sister, you and my sister will stay in Tianhai, don’t bother Xiyan, my sister she looks very much like me, it may irritate Xiyan, Tianji, my sister is counting on you. Take care of her, can you?’ Lin Hao’s voice reached Mo Tianji’s ears.

‘Yes, big brother! Big brother, we’re waiting for you to come back! I, I’m waiting for your return in the Sky Sea!’ Mo Tianji’s eyes were red as he fiercely gritted his teeth and promised to Lin Hao.

‘Well’ Lin Hao nodded with a hmp, then spoke again to Gu Yue, ‘Gu Yue, after Xiyan is awake, I have to trouble you to take care of it, you are Xiyan’s best bestie, you knew each other a long time ago. But don’t mention anything about me in front of him, okay?’

‘Good’ Gu Yue’s heart was incomparably hard, but she understood that what Lin Hao said was right, and no matter how much they tried to circumvent it, it was something that could not be changed.

‘Night One, please also continue to help me protect Xiyan’ Lin Hao said to Night One again.

‘Big brother, rest assured, even if I die, I will not let my sister-in-law suffer the slightest harm!’ Night One assured Lin Hao in a resounding tone.

‘Hao’er’ just as Night One finished speaking, Wang Shufen could no longer hold back and spoke to Lin Hao: ‘Hao’er, will Xiyan really forget about you? You are her husband, I Wang Shufen only recognize you as a son-in-law in my life, Hao’er, what should we do in the future, if Xiyan likes someone else, what should we do?’ Wang Shufen’s tears fell down.

For Wang Shufen, Lin Hao now also has feelings, Wang Shufen is now really changed, completely changed, become a very good mother-in-law. Very good to Shen Xiyan, and incredibly attentive to him.

Lin Hao was silent for a while, smiled and said, 'Oh mom, if if there is really that day, you do not stop Xiyan, let her go to pursue their own happiness is good, well, that would be good ah'

Lin Hao finished and continued to say to Mo Tianji: 'Tianji, later you will proceed to erase my traces in this world, erase the traces of me and Xiyan have been together, all the news on the Internet, okay?'

Mo Tianji noiselessly dropped a tear in his eyes, and after a long moment of silence, he nodded painfully and said, 'Okay'

Then Lin Hao was completely silent, no one in the crowd spoke again, Lin Hao also did not speak, and just stayed silent for a long, long time after.

The last sentence of Lin Hao's voice came from the projection, Lin Hao's head lowered even lower, as if he paid his respects to everyone: 'Then please, please'. After Lin Hao finished, his projection completely disappeared

An hour later, Gu Yue, whose eyes were red, accompanied by the crowd, took the soup made from the Yun Shen grass and handed it to Shen Xiyan's mouth, the soup that emitted a milky white glow, flowed into Shen Xiyan's mouth a little

Five minutes, ten minutes, half an hour later, Shen Xiyan's fingers began to move, the eyeballs under the eyelids, also moved a few times

'There are fluctuations, and it's getting stronger, tomorrow morning, Miss Shen will be able to wake up completely' a female doctor in the room said excitedly to everyone. This is a miracle, a miracle that she simply cannot explain.

Just for her words, the people in the room, but not? West cover pick wu pick wu ground wu? None of them could be happy

Chapter 895

Inside the deep cave of the Nine Heavenly Gates, in the middle of the cold pool, Lin Hao, who was draped in black robes, sat there in silence. He had just kept this posture after speaking to his relatives in Tianhai City. And Jiu Tian Xuan, who was dressed in white, had actually been sitting across from Lin Hao. The only reason why Jiu Tian Xuan appeared here was that her only purpose was to be here with Lin Hao, or rather to protect him. The current Lin Hao had almost no combat power. She was also afraid that some of the people in her division would make a move on Lin Hao. After all, Lin Hao is the only one above the innate battle power in the world today. A division like hers with a long heritage has too many secret methods to extract and devour Lin Hao's power

This is also the reason why three days ago, Jun Wu Regret almost dueled with them. Those things Jun Wu Regret understands, she Jiu Tian Xuan naturally also understands, the most difficult to measure in this world is the human heart. If before meeting Lin Hao, Jiu Tianxuan does not believe in many things. An existence with the battle power above the innate heaven, how could he waste most of his realm for a mortal woman? But now that this example was happening alive right in front of her eyes, she couldn't help but believe it.

‘Is it worth it?’ Jiu Tian Xuan asked Lin Hao in an incomparably complicated tone. She now understood in her heart why her so excellent senior sister, You Zi Fei, had lost, because Lin Hao was really able to give up everything about himself for the sake of that woman named Shen Xiyan

‘There is nothing worth it, she is the meaning of my life in this world, without her words, more than ten years ago I may not last, more than ten years ago our family was Cang calculations, my father had no choice but to drive me out of the Lin family, at that time, I was alone, but also facing the Lin branch of the constant pursuit

‘Lin Hao said slowly with his head down.

‘But but you just also said, Shen Xiyan woke up, will forget you, ah? Lu Shan dyed love pickpocketing Yi Yi? If she even remember no longer remember you, then you do all this, there is no point?’

Lin Hao was silent, silent for a long, long time before continuing, ‘Maybe, but even if I had to choose again, I would still choose this way.’

Lin Hao paused and continued, ‘Moreover, if she completely forgot about me, also is quite good. She followed me around, has always been to encounter all kinds of trials and tribulations, perhaps, perhaps she left me, is the best choice for her

Chapter 896

‘Buzz

Jiu Tian Xuan’s body trembled viciously, her eyes opened wide as she looked at Lin Hao in disbelief. Opened her mouth, wanted to say something to comfort Lin Hao, but found that she could not say anything at all.

After a while, some sound came from the cave entrance, Jiu Tian Xuan got up and said to Lin Hao: ‘The division sent down food, I’ll eat first, then you’re eating, don’t worry, with me in, this Nine Heavenly Clan no one can touch you

‘Jiu Tian Xuan, I’m sorry ah, before I misunderstood you with Jun Wu Ren. And thanks’ Just as Jiu Tian Xuan was heading out, Lin Hao suddenly opened his mouth and said sincerely sorry to her, as well as thanking her.

Yes, Lin Hao now he himself knows his own state, originally nine days and nine nights to be able to promote the ripening of Yun Shen grass, he shortened twice the time. So this also led to the fact that he can barely stand up now, and now he can be said to be the weakest time in his life. And such a state is going to last for a month. If Lin Hao he wants to go to recover later, this month’s time, it must be here to recuperate

Well, Lin Hao can still recover to the previous state, after a month of recuperation, and then later into a variety of genius treasures to slowly recuperate, perhaps a long time, a year, two years, three years or even longer time. But he will be able to recover after all

After hearing Lin Hao’s words, Jiu Tian Xuan’s body paused and turned his back on Lin Hao and said: ‘It’s okay, you can leave it to me in this month, I brought you here, naturally I will send you out intact. Moreover, this world can make a friend like you, well worth

Jiu Tian Xuan continued after a pause: ‘Lin Hao, you are the most reliable person I have ever seen in my life, the best person. Come on, everything will pass, I believe

‘Well, thanks, you’re right, everything will pass’ Lin Hao bowed his head, his voice slowly echoing in the darkness inside the cave

Nine days Xuan went out to get food, the dark cave was left with Lin Hao a? I love er er er love steak zero love? Personally, the boundless darkness engulfed his figure. Lin Hao draped in a black robe, head down, holding a picture of him and Shen Xiyan together

.....

The long dark night finally passed, the first rays of the morning sun rose slowly, in a small city with a beautiful environment in western central China, the outskirts of the city is located in a villa with a quiet decoration. At this moment, in a bedroom on the second floor of the villa, the sunlight outside the window shone into the bedroom and shone on a big white bed, and Shen Xiyan, who was lying on the bed, slowly opened her eyes. She suddenly felt that the sunlight outside the window was a bit blinding, and could not help but reach out and block it in front of her eyes

Super Son-in-law Chapter 897-898

Chapter 897

Gu Yue, who came here with Shen Xiyan from last night, has been sitting by Shen Xiyan's side, waiting for Shen Xiyan to wake up. When she saw that Shen Xiyan had really opened her eyes, Gu Yue, whose eyes were slightly red and swollen, said to Shen Xiyan with a smile, 'Awake? Did you sleep well?'

Shen Xiyan froze for a moment, then frowned, and after a while, she looked at Gu Yue and asked, 'Yue Yue? Me? What happened to me? Why do I feel like I've been asleep for a long time?'

Gu Yue hesitated for a moment, looked deeply at Shen Xiyan and asked her in a whisper, 'Xiyan, you had a car accident and were in a coma for a long time, so now tell me, what do you remember now? We met in college, and then after graduation you worked, do you still remember?'

'The things about working after graduating from college?' Shen Xiyan frowned deeper, after she tried hard to think for a while, she shook her head and said, 'Yue Yue, I just remember that my father had terminal cancer, I can't remember anything else

Snapped

Gu Yue corner of the eye with a drop of tears falling, Shen Xiyan father Shen Congwen terminal cancer at that time, and is in Shen Congwen is dying, Lin Hao just came to Shen Xiyan side. And now, well, Shen Xiyan is completely forgotten all the memories about Lin Hao.

'Your memory stays at the time of Uncle Shen's four chemotherapy treatments, or was it five?' Gu Yue asked Shen Xiyan again, undeterred.

'The fourth time, Yue Yue you mean my father, my father he has died?' Shen Xiyan tears fell down as she spoke.

Gu Yue nodded with red eyes: 'Well, sorry Xiyan, Uncle Shen has been dead for almost two years

'My father has been dead for almost two years, that means I've been in a coma for almost two years?' Shen Xiyan asked to Gu Yue in shock.

After Gu Yue was silent for a while, she lowered her head and did not speak, according to the script they discussed last night to conceal Shen Xiyan together. Long ago thought of a countermeasure. After Lin Hao hung up with them last night, they also asked the doctors who treated Shen Xiyan the first time, asking if Shen Xiyan would forget about Lin Hao after she woke up. Those doctors said there was a great possibility. Because her feelings with Lin Hao are too deep, too deep, after the extreme, it will form a backlash, the deepest memory of the person before the coma, but is the most easily forgotten. And now Shen Xiyan's state, apparently all right. She remembered almost everyone, but only forgot Lin Hao

Gu Yue's heart was very complicated, she wanted to tell Shen Xiyan what had happened in the past two years. But when the words came to her mouth, she swallowed them. Lin Hao is now incomparably old, it is impossible to go down the mountain, and Shen Xiyan is just now awake, and most importantly, the current Shen Xiyan has really forgotten about Lin Hao.

'Yue Yue, is there something else you want to tell me?' Shen Xiyan looked at Gu Yue and asked.

Gu Yue lifted her head and shook her head and said, 'No, there is no more, Xiyan you are just now awake, you have been in a coma for too long, the doctor said you have to recuperate for a few months, promise me that when you are completely well, then go back to pay respect to your father can you?'

'Mm okay

Shen Xiyan nodded her head and agreed. Then it fell into silence, her memory still stuck in Shen Congwen before he died.

At this time, Wang Shufen, whose eyes were also red, came in and went to Shen Xiyan's bedside, took Shen Xiyan's hand and advised, 'Xiyan, it's good to wake up, it's good to wake up, don't be afraid to have mom by your side, mom is here

‘Mom? Well, mom I’m fine, I I’m hungry’ Shen Xiyan said to Wang Shufen.

‘Mm-hmm, I’m going to cook for you, this will go? Aiyi zero dyed ground west steak?’ Wang Shufen said and hurried towards the inside of the kitchen to cook for Shen Xiyan.

‘Yue Yue, where is this?’ When Wang Shufen left, Shen Xiyan opened her mouth to Gu Yue again and asked.

‘This is Autumn City, a small city in central China, the environment here is beautiful, the year down to four seasons like spring, and very quiet and clean. The time you were in a coma, you have been recuperating here’ Gu Yue smiled at Shen Xiyan.

Chapter 898

Shen Xiyan and looked around down the room, also looked out the window, the scenery here is indeed very beautiful, she nodded and said, ‘Yue Yue don’t worry, the money I owe you I will definitely pay you back later, also thank you for taking care of me when I was in a coma’

Gu Yue shook her head incomparably bitterly looked out the window and said, ‘It’s okay, it’s all trivial, just get better quickly, after you eat later, let’s go for a walk in the yard, you also move around and get some fresh air’

‘Mm’ Shen Xiyan nodded her head.

Soon within the kitchen Wang Shufen made the meal ready, boiled clear soup for Shen Xiyuan, and a bit of bun, Shen Xiyuan ate some, then walked outside to the courtyard in the company of Gu Yue, walking.

The air in the courtyard is very fresh, there are several large trees in the courtyard, the morning breeze blew, blowing the turquoise leaves buzzing, coupled with the bright sunshine, Shen Xiyuan took a deep breath

Shen Xiyuan walked in the courtyard, from time to time asked Gu Yue something, and Gu Yue is also in accordance with Lin Hao's instructions, selective to give him answers, slowly, Shen Xiyuan's steps more and more powerful, the body's weak state also began to cut

Shen Xiyuan wearing a long white dress under the sun, very beautiful, very beautiful

.....

At the same time deep in the cave under the Nine Heavenly Gates, the wall in front of that cold pool, the projection of Shen Xiyuan's activity appeared on it, Lin Hao looked at Shen Xiyuan who had come to his senses and was able to walk around outside, and there was a smile at the corner of his mouth. That is his favorite person ah, now she finally woke up, really good, very good.

'It seems that the worst has come to pass, your wife does not remember you, and it seems that her memory goes back to two years ago, that is, before you came into her life, she? Woo woo woo land closed I love land? she will probably never remember you again to' Jiu Tian Xuan's voice sounded behind Lin Hao, she, like Lin Hao, silently watched the projection of Shen Xiyuan's every move, before Shen Xiyuan and Gu Yue's conversation. She and Lin Hao also heard all of them in their ears.

Lin Hao said with an indifferent smile: ‘Isn’t this good? I have now become a bad old man, if Xiyan remembered me, then she will certainly again desperately come to me, her body is too weak, although the head is healed, but the heart trauma is still there’

Jiu Tian Xuan said after a moment of silence, ‘I mean, if she can’t remember you in the future, what will you do?’

This time it was Lin Hao’s turn to be silent, after a while Lin Hao looked at Jiu Tian Xuan and said, ‘If she can’t remember me in the future, then so be it, she can start her new life, she was with me in the memory, I say that most of that time and experience is sad, do you believe it?’

‘I believe’ Jiu Tian Xuan nodded without hesitation and said. Then after she and Lin Hao stared at the projection on the wall for a while, Jiu Tian Xuan said to Lin Hao: ‘It’s time for breakfast, I’ll get the food, do you want wine?’

Lin Hao froze for a moment, then smiled and nodded and said, ‘Good, then more, you guys are quite cold here, some wine can also warm you up, it should be stronger’

‘Okay, then you wait, I’ll go’ Jiu Tianxuan nodded and walked out.

Lin Hao is still sitting alone in the middle of the cold pool, looking at the projection of Shen Xiyan’s figure, looking at the love of his life
