

Super Son-in-law Chapter 901-910

Chapter 901

‘Yue Yue, my head hurts’ Shen Xiyan fainted directly after she finished, her body completely soft in Gu Yue’s arms.

‘Ah’ Gu Yue tilted her head and screamed soundlessly? Ai Shan Pao Pao Lu Xisan Yi? The original love to the depths, even if it is no longer remembered, just look at so again, it will still feel so familiar.

‘Buzz’ a fluctuation in the air, night one’s figure appeared in front of Gu Yue. Night One checked Shen Xiyan’s status, sighed, and carried Shen Xiyan out.

‘Night one, why don’t we tell Xiyan all the truth about what happened? Just now she just watched the video of our wedding with Lin Hao’s figure on it, and Xiyan just looked at Lin Hao and became like this. Don’t you think it’s too cruel for her if we hide it from her like this?’ Gu Yue’s eyes were red as she turned to Night One and said. There was a hint of prayer in her eyes, she didn’t want to hide Shen Xiyan anymore, so she wanted to tell Shen Xiyan the whole truth.

The night one eyes deep also a trace of complexity, silent for a good half a day before saying: ‘Big brother now life has not recovered, if now tell the Xiyan, then she wants to see big brother how? Her heart has to continue to treat it, wait a little longer, I believe that big brother must have a way to restore vitality, there must be’

‘No, you don’t understand, you don’t understand what we women need in the end. Like Xiyan and I, if we really love a man, is no matter what he becomes, we have to be by his side. You do not understand, you do this is too cruel, no, I do not tolerate. Night one when you and Lin Hao

killed on Yanjing, do you know how worried I was in my heart? Do you know when I was alone over in Western Europe, how I came through those three months after I got the news of your death? It's too cruel, too cruel’ Gu Yue shook her head.

The night one did not speak again, he owed Gu Yue, he was able to find a woman like Gu Yue in this life, is really the greatest happiness in his life, and Shen Xiyan and Lin Hao things, he knew from the beginning, even from the time Lin Hao and Shen Xiyan began to meet in high school, he knew. The food that Shen Xiyan gives to Lin Hao every time, Lin Hao also shares some of it with him.

When Shen Xiyan woke up again in the evening, she still felt some pain in her head, but the pain in her head, no matter what, could not beat the inexplicable pain in her heart, she is now filled with the figure of the man at Gu Yue's wedding, she always felt that the man was the most important person in her life.

Shen Xiyan is lying on the bed, Gu Yue is standing at the window looking at the moonlight outside, her eyes are red, inhaling deeply, her heart is torn in a struggle, whether to tell Shen Xiyan the truth. Suddenly she heard the movement behind Shen Xiyan woke up, then turned her head to look at Shen Xiyan, full of complicated look at Shen Xiyan. Wanted to say something, but could not say anything. On the one hand, Lin Hao's advice, on the other hand, Lin Hao and Shen Xiyan the pair of lovers miserable. She also did not know how to choose, how to do is right.

‘Yue Yue, tell me, do I know that man, the man named Lin Hao from your wedding, or not? Why do I feel that he is familiar? Why does my heart ache when I see him?’ Shen Xiyan raised her head to Gu Yue and asked.

‘Don't recognize’ Gu Yue held back her heartache and shook her head heavily at Shen Xiyan.

‘Well, also kind of know it, you and that Lin Hao is a high school classmate, night one told me, I do not know if you two have been in love in high school, or intercourse deep, that is why you see him, you will have that familiar feeling &’ Gu Yue to The company’s main business is to provide a wide range of products and services. She finally did not choose to tell Shen Xiyang all the truth now.

Shen Xiyang frowned deeply, thought carefully, a person silent for a while before she nodded: ‘Well, I remember, in high school, our class is indeed a transfer student named Lin Hao, but I really can not remember, I have not been in love with him or something’

Gu Yue twitched her nose and forced a smile at Shen Xiyang and said, ‘Well, don’t ask me about this, Xiyang, I don’t know anything about your high school, either. The two of us only met in college, and whether you had a relationship in high school or not, I do not know’

Shen Xiyang nodded, then asked, ‘Well, then since your husband also knew him, can tell me what happened to him? I see him very sad look ah?’

Chapter 902

‘He lost the person he loved the most the whole person is still alive now, but not much different from dead’ Gu Yue was just about to speak when Night One, who had been listening outside the door, pushed the door and walked in.

The night one finished and smiled at Shen Xiyang and said: ‘Hello Miss Shen, I am the night one, Gu Yue’s husband. I’ve been hearing Gu Yue talk about you, this is the first time we’ve met’

Gu Yue also walked to the side of the night one, hold the night one's arm, tightly pulling the night one's hand. Shen Xiyan sized up Night One, nodded politely at Night One, then said, 'Night One, can you tell me about Lin Hao?'

Night One nodded: 'Well, I've known him for a long time too, and he fell in love with a girl at a very early age, when he was in school, I think. Later he gave up the family business for that girl, went to their family as a son-in-law, and has been doing his best to take care of her. Later the girl also fell in love with him. The two got married in Tianhai City, just then Lin Hao's family had something happened, Lin Hao's favorite girl died, you see Lin Hao is six months ago, now he has disappeared, once with my video, I found that his hair has gone white, the whole person is like a walking corpse, very old, very lonely 'Night one red eyes, the voice is a little hoarse.

Yes, he told the Lin Hao, is the Lin Hao with Shen Xiyan. Night a pause to continue the incomparably complex: 'He went through too much with that girl, just may not end up being destined for it. No one knows how heartbroken he will be after losing the love of his life, I know he worked as a beggar, I do not know, there is no chance of seeing him again'

Shen Xiyan listened to listen to the tears fell, so it is so, so that Lin Hao has experienced so many things, so there will be so sad eyes.

'? Earth zero love er love serve whisk closed? Well, quite sad, I hope he can come out' Shen Xiyan heartily blessed Lin Hao.

'Well, Miss Shen you get well, that year's car accident, in addition to your brain was damaged, your heart also suffered a lot of trauma, can not be too excited, you still have to continue to take good care of the' night a deep breath, seriously said to Shen Xiyan.

‘Well, thank you, thank you and Gu Yue for taking care of me I will take good care of it.’ Shen Xiyan nodded her head.

.....

Almost at the same time, inside the cave deep in the crypt of the Nine Heavenly Clans, Lin Hao was telling the same story to Jiu Tian Xuan, who had also listened to the story of Lin Hao and Shen Xiyan from beginning to end in the past few days.

Only the difference is that Shen Xiyan Gu Yue and the girls are in a quiet environment, beautiful scenery in a small city, while Lin Hao and Jiu Tianxuan are in this dark cave.

Jiu Tian Xuan said to Lin Hao: ‘Lin Hao, tomorrow is a month, tomorrow you can try to see if you can stand up, can you leave this cave, if you can, we will prepare for the matter of going down the mountain, you can rest assured that even if you travel around the world, I will help you find the treasure medicine to restore vitality’

Lin Hao smiled and said, ‘OK, this month, you have done a lot of a lot for me, thank you, I feel that although my strength has not returned to its peak, but also recovered most of’ this January, is the most weak time ever for Lin Hao, he could not even stand up, this month is the day and night guardian of Jiu Tian Xuan, constantly give him from within the division to take out treasure medicine treatment, Lin Hao’s body has only gradually recovered.

‘Oh, all right, did not say, we are now friends ah, since we are friends, those thank you words, do not say, well, to the dinner time, want to eat something, I go to get you’ Jiu Tian

Xuan smiled and stood up. In this month, only the two of them inside the crypt, the two of them naturally talked a lot a lot. From how to cultivate, mindset, to some things in the mundane world, the relationship between the two of them also became good friends.

Lin Hao's love for Shen Xiyan completely impressed Jiu Tianxuan, and a truly transcendent woman like Jiu Tianxuan was a true friend worthy of a deep friendship.

‘Whatever, by the way, bring some wine down, the usual rules I want to drink three bottles’ Lin Hao said to Jiu Tianxuan with a smile.

Jiu Tian Xuan paused in his steps and said, ‘Drink more, if you can go down the mountain tomorrow, I’ll drink with you tonight too’

‘Well, okay’ Lin Hao smiled.

Chapter 903

Time continues to pass, and in the blink of an eye, another half month has passed, and Shen Xiyan's health has basically improved, and her mood is also very happy. She even started to pick up her job as a designer, opening a studio of her own in Autumn City, and everything, except for her memories of the two years that had disappeared, was back on track. She was engaged in the business she loved.

It's just that everything in her life that was perfectly normal was just removed from Lin Hao.

‘Mr. Lin, what do you think of our design drawings? This is the we made last night working overtime,’ a young girl who had obviously just graduated from college handed a stack of hand-drawn drawings to Shen Xiyan who was sitting in the office.

Shen Xiyan, wearing a black suit, took the design drawings and looked at them seriously. Looked very carefully, while looking at also explained to the new staff.

‘We all feel that your level is comparable to those of the top designers in the big cities. Mr. Lin, why don’t you have a meal with us at noon? There is a very good music restaurant in the west of the city, with good food and good music.’ This small employee said to Shen Xiyan.

Shen Xiyan thought about it, she opened this studio until now, she has not gone out with the people under the gathering, so she nodded and said, ‘Well, okay, then let’s go together in the evening’

‘Yes, Mr. Shen you are definitely the most beautiful woman in that hotel tonight, as long as you go is definitely the focus then Mr. Shen you busy first, I go to tell colleagues the good news to hehehe, but tonight’s expenses Mr. Shen you have to reimburse oh’ the little girl looked particularly happy, and gave Shen Xiyan spit tongue.

When the little girl went out, Shen Xiyan show a smile, picked up the coffee on the table and drank a small sip, looked at their clothes, and smiled, wearing a suit to the party, should not be good, but she was too lazy to change, she liked this dress, can be single-mindedly spell career.

In the evening, Shen Xiyan and her studio group of young girls went to the restaurant they said. Sure enough the atmosphere is very good, inside the light is very good, very splendid, the

stage is the dining hall, the hall in front of a small stage, in that stage there is a small town singer singing there. Singing is also very good.

Shen Xiyan as the boss of the company, ordered a large table of dishes, followed by colleagues down to eat up. Just like the employee under Shen Xiyan said before, Shen Xiyan tonight as long as she came, naturally became the focus of the place. Shen Xiyan is really too beautiful, no matter the figure or face, under the colorful lights, even if she is wearing a formal dress, Shen Xiyan still looks so sexy and charming.

‘Miss, how are you, can I have the honor to get to know you? I’m sorry, I’ve never seen a woman as elegant as you in Autumn City, my name is Wang Yu’ a man wearing a silver suit with gold-rimmed glasses, walked up to Shen Xiyan and said politely to Shen Xiyan.

Shen Xi Yan also very educated smile said: ‘Well hello, my name is Shen Xi Yan, you praise, I just came here not long’

Wang Yu was holding a glass of red wine, his eyes stayed on Shen Xiyan’s body, and in fact he had been observing Shen Xiyan since the moment she entered the door. His eyes never moved away from Shen Xiyan, Shen? The company’s main business is to provide a wide range of products and services to its customers. Wearing formal wear are so beautiful, if you change into a dress, do not know how beautiful it will be

Wang Yu feels like his heart is beating all the time, he is also considered a successful person, open clothing company. Seen a lot of beautiful women, but Shen Xiyan such he really have not seen.

Wang Yu took a deep breath and said to Shen Xiyao: ‘Hello Miss Shen, I’m a clothing company, I’m serious, I’ve seen many models, but none of them can match your temperament. Can I make a friend with you? This is my business card

Wang Yu finished and handed Shen Xiyao a business card, the small assistant beside Shen Xiyao immediately covered her small mouth and exclaimed: ‘Oh my God, you

you are the president of Tian Yu company Wang? I also went to your company for an interview, but did not pass. Oh yes, Mr. Wang, our Mr. Shen is also a clothing designer, since you want to make friends with our Mr. Shen, then you should cooperate with us more in the future, our studio has just opened

Wang Yu smiled and nodded: ‘Well, no problem, Shen such a temperament beauty, I believe that Shen designed the work, that is also absolutely top

Oh, did not expect to meet peers, then we will cooperate more in the future ah

Shen Xiyao listened to the words of the assistant beside her, and also understood what the man in front of her was doing. She is also surprised to actually come here to eat a meal can meet a peer. Shen Xiyao stood up and extended her hand to shake Wang Yu’s hand and said, ‘Well, then thank you, Mr. Wang.’

Shen Xiyao shook hands with Wang Yu, although Wang Yu had the intention to shake for a little longer, but he still hurriedly drew back. Because even though he did not want to pursue Shen Xiyao like other women in his heart. That would be a blasphemy to Shen Xi Yan.

Wang Yu smiled and said, ‘Mr. Shen, since we are friends, we should not call Mr. Shen Mr. Wang, you can call me Wang Yu, I will call you Xiyao, okay?’

Shen Xiyan nodded and said, 'Well, okay, have you eaten yet? Do you want to eat some more on our side?'

Wang Yu hesitated and said, 'Well, then I'll be brazen enough to eat some more'
Wang Yu just finished, the little assistant beside Shen Xiyan had the good sense to give Wang Yu a seat, and Wang Yu also called the waiter to add many more expensive dishes.

Super Son-in-law Chapter 904-906

Chapter 904

'There are too many dishes, we can't finish them, don't waste them' Shen Xiyan saw Wang Yu ordered so many dishes again, so she couldn't help but say.

Wang Yu shook his head and said, 'It's okay, I'm one of the shareholders here, and our first meeting, how can I, the host, neglect the guests, Xiyan, what do you want to drink?'

'I I drink water is fine, ' said Shen Xiyan, somewhat embarrassed.

Wang Yu spoke to Shen Xi Yan, behaving like an incomparable gentleman, in fact, what he is showing in front of Shen Xi Yan is his inner most real thoughts. He doesn't know what to think, he just doesn't want to leave a bad impression on Shen Xi Yan. He was sure in his heart that a woman like Shen Xiyan was a top woman even in Tianhai, in a big top city like Yanjing, and in this small town, it was even rarer. Even after just a few words, he was deeply attracted to Shen Xiyan

Shen Xiyan felt Wang Yu's hot gaze and felt her cheeks turn a little red. Wang Yu's temperament is also very good, and Wang Yu this person is an elite, usually also very

self-disciplined, regardless of dress or speech and mannerisms are very gentleman. And Wang Yu's eyes are also very sincere, which Shen Xiyan can also feel, so chatting, she also has a touch of good feeling for Wang Yu in her heart

Just Shen Xiyan and Wang Yu they did not find is that in the corner of this hotel, the night look to that Wang Yu's? The shade Shan Wu Yi grasping zero dye Yi? The eyes, has more than a trace of cold killing machine

The meal continued, Wang Yu's profound knowledge also let Shen Xiyan chat pleasantly, unknowingly this meal was eaten until 10:30 p.m., Shen Xiyan studio employees are gone, Wang Yu said to drive Shen Xiyan back, Shen Xiyan also did not refuse, because she felt that Wang Yu will not do anything to her. So she agreed.

'Xiyan, you are so beautiful, your beauty is not just looks, more is the kind of temperament in your body, I can't figure out how you have such a temperament in your body' said Wang Yu to Shen Xiyan while driving in the car, and what he said was all true.

'Thank you, you praise me too much, I am a little embarrassed' Shen Xiyan some embarrassed said.

'It's true, I mean what I say, I've seen too many women, like you I really see the first time' Wang Yu said seriously.

'Shy Yan, I know we are meeting for the first time, I say some things may be very inappropriate, but really, I really like you at the first sight of you, you you can give me a chance to pursue you?' Wang Yu said incomparably nervous.

Shen Xiyan froze, do not know what to say good, thought for half a day was thinking of refusing when suddenly the car directly in front of a person, looking at Wang Yu is about to drive into it, she was so scared that she hurriedly yelled to Wang Yu: ‘careful, someone in front, hurry up and brake’

‘What? Ah!!!’ Wang Yu was stunned, after Shen Xiyan’s reminder, he saw a person standing ten meters in front of his car at the moment, ten meters! He knew it was too late to brake, but still subconsciously put the brakes directly on the bottom.

Bang next moment a loud sound came out, Wang Yu saw the most shocking thing in his life, his car hit the man in front of him, but the man simply did not hit the fly, but a slap on the hood of his car’s predecessor, the next moment his high-speed car, it really stopped.

Bang car to the ground, and the front of his car on the hood, leaving a large pit. He and Shen Xiyan shocked and hurried to get out of the car.

‘Night one?’ Shen Xiyan saw that the person who had just been hit was actually Night One, and frowned in confusion.

Wang Yu beside her was looking at the hood of his hood that was slapped down with a big crater in fear, and then he looked at Night One with fear in his eyes, knowing that this horrible man was coming for him.

Night One did not pay attention to Shen Xiyan, but looked at Wang Yu and said, ‘If you dare to appear next to her again, I will kill you!’

‘I I’ Wang Yu was shocked by the murderous aura on Night One, his face turned white with fear, and his back was instantly drenched with cold sweat.

Shen Xiyan frowned deeper, this night night one’s behavior is very strange, and now night one is even more began to interfere with her private life, she stared at night one and asked: ‘Night one, you are Gu Yue’s husband, I also consider you a friend. But isn’t it too much for you to treat my friend like this?’

Night One turned his head to look at Shen Xiyan, took a deep breath and said, ‘You are not allowed to get too close to any man!’

‘By what!’ Shen Xiyan was also on fire. Because she felt that Night One did not have the qualification to say this to her.

‘Nothing, Gu Yue should not have told you, in addition to being a soldier, I also worked as an assassin, in the future, let me find you close to a man, found one, I kill one’ Night One finished, and stared at Wang Yu said, ‘You can try’

Night One gave Wang Yu a deep look, then turned around and left

‘Who are you! Night One, I tell you, you don’t have that qualification!!!’ Shen Xiyan violently smashed the bag in her hand onto Night One’s back and yelled at Night One. But Night One simply stopped paying attention to her and quickly disappeared into the darkness.

Shen Xiyan angry teeth gnashing sound, deadly stared at the direction of the night one disappeared, the heart secretly said, later she will go to find Gu Yue, a good complaint this night one, let Gu Yue give himself an explanation

Chapter 905

‘Xiyan, this

Waiting until Night One completely disappeared, Wang Yu only looked at Shen Xiyan in fear and asked Shen Xiyan in doubt, he had never seen someone so terrifying as Night One in his life. And just now he really, really felt a great terror from Night One, he had a hunch that if he really dared to go against Night One’s words and continue to pursue Shen Xi Yan, he might really die. Wang Yu million horror looking at the front of the car by the night one smashed down that big pit, this is not normal people can do it

Shen Xiyan clenched his fist, angry chest are violently heaving, said to Wang Yu: ‘Wang Yu, sorry, this is not far from where I live, I walk back just fine, you go back first

‘Well, okay

Wang Yu did not even dare to drive that car, pulling his legs and running to the back. Shen Xiyan looked at Wang Yu that crazy escape, there is no reason to feel a burst of disappointment in the heart, very very disappointed, the heart of Wang Yu just a little good feeling, is now gone, she felt that such a man can not be relied on. Not what she wants, she wants the kind of man who can protect her, no matter how big the hardship, can go to protect her man.

The very angry Shen Xiyan, huffing and puffing back to the villa where she lives, as soon as she entered the door, she found Gu Yue sitting on the sofa in the living room waiting for her, and Gu Yue’s face was also very unpleasant, apparently Gu Yue already knows what happened this night. When Shen Xiyan came in, Gu Yue gave Shen Xiyan a deep look.

Shen Xiyan frowned and asked Gu Yue: 'Just now a man sent me back, your husband scared people away and threatened him to kill him if he approached me again, is this something you already know?'

'Yes, Night One has just told me, ' Gu Yue nodded her head.

Shen Xiyan was stunned, then asked: 'Gu Yue then what do you mean by this? Don't you think your husband is going a little too far? What right does he have to interfere with my life? He is your husband and not my husband!'

Gu Yue nodded and continued to stare at Shen Xiyan and said, 'He's doing the right thing, I mean the same thing as him, Xiyan, your body is just right, you are not allowed to have intercourse with other men!'

'What? Even you said so?' Shen Xiyan was stunned, how could she have thought that Gu Yue actually meant the same thing as Night One. And also very resolute.

Shen Xiyan continued to ask the consultant with some disbelief: 'Gu Yue, did I not express myself clearly just now, I mean your husband, Night One, was just threatening my friend! And also smashed someone's car!'

Gu Yue stared deeply at Shen Xiyan, took a deep breath and said, 'I heard you very clearly, I know that just now Night One smashed your friend's car and threatened him, if he dares to appear in front of you again, then he will kill him!'

‘Then then why are you still protecting Night One? Even if he is your husband, but also has no right to interfere with my life, right?’ Shen Xiyan’s heart became even more puzzled.

The next moment, Gu Yue Teng stood up and stared deadly at Shen Xiyan and said, ‘I said, that is also my intention, don’t ask me why, your life in Qiu Cheng, you can do anything, you can go out and play, you can also enjoy developing your career, but if you want to fall in love in Qiu Cheng, that is absolutely not okay!’

‘Why not! That’s my life!’ Shen Xiyan yelled at Gu Yue.

‘If I say no, then no! Don’t ask me why, anyway, now it just won’t work’ Gu Yue’s eyes protruded? Love Lu steak serve intentionally Yi Yi? The red, fierce to Shen Xiyan yelled out.

‘Yue Yue Yue’ Shen Xiyan saw Gu Yue so excited, even more excited than the night one several times when she suddenly froze, she had never seen Gu Yue this way.

‘Yue Yue, you what’s wrong with you?’ Shen Xiyan, who had calmed down, asked Gu Yue cautiously.

Gu Yue’s eyes were even redder, tears were in her eyes, she wanted to tell the truth to Shen Xiyan, but could not, and finally turned around and walked away.

Shen Xiyan did not get the explanation she wanted from Gu Yue, after Gu Yue left, Wang Shufen also came out of the bedroom, poured Shen Xiyan a glass of water, handed it to Shen Xiyan

and said, 'Xiyan, you drink some water, rest for a while, Gu Yue is also for your own good, you listen to her some things later you will understand

Chapter 906

Shen Xiyan looked at Wang Shufen in surprise, she didn't expect even Wang Shufen to have that kind of attitude. She looked at Wang Shufen suspiciously and asked, 'Mom, why are you also like this? The first thing you need to do is to get a new one. Haven't you always wanted me to find a boyfriend to marry?'

'Ai

 Wang Shufen sighed, her eyes were incomparably complicated, she looked at Shen Xiyan, finally did not say anything, turned around and went back to her room.

When everyone had left, Shen Xiyan was even more puzzled, she didn't know what was wrong with all these people around her, how come they all had such an attitude towards her, one and all. The look at her is so complicated, are a look of want to say but do not look.

Shen Xiyan she is not stupid, intuition tells her, night one, Gu Yue, and Wang Shufen, they definitely have something to hide from her again! This point she is more and more sure in her heart, and this makes her sure of the point is Wang Shufen's attitude! The actual fact is that Wang Shufen is her stepmother, before Wang Shufen almost always asked her for money, never treated her so well! If you say that you are unconscious, Wang Shufen found conscience, which is not quite justified.

The first time I saw her, I was in a coma, and she was in a coma.

Wang Shufen heard Shen Xiyan suddenly asked, immediately eyes panicked, look also some panic said: 'No ah, Xiyan too late, you do not think too much, hurry back to rest, I also want to sleep' Wang Shufen said and pushed Shen Xiyan out, and locked the room door, do not let Shen Xiyan go back in.

And was pushed out of Shen Xiyan, the mind thinking of Wang Shufen just that panicked state, suddenly more and more sure of the suspicions of the heart, these people definitely have something to hide from themselves.

This night, Shen Xiyan thought a lot, but Gu Yue they do not tell her, she also have no other way, so she did not sleep well this night, can only wait until later. The next day Shen Xiyan went to the company in a somewhat tired spirit. Because of what happened last night, she was not in the mood to work, so she sat in the office and froze.

'Mr. Shen, there is a new interviewer, I feel okay, why don't you go and see for yourself?' At ten in the morning, Shen Xiyan's assistant knocked on the door of Shen Xiyan's office, asking her to interview a new employee.

'Oh, good' Shen Xiyan then came back to her senses, and then followed the assistant to the room where the interview was held. After Shen Xiyan went in, that assistant went out, and Shen Xiyan looked at a girl with glasses and long beautiful hair sitting opposite her and asked, 'Tell me more about your situation, with your experience'

Just when Shen Xiyan asked the words, the girl sitting opposite, did not speak for a long time, is frowning at her, looking very carefully and carefully.

‘Well, what’s wrong? Is there something on my face?’ Shen Xiyan said with some bad mood.

That little girl hurriedly waved her hand and said, ‘Oh no no, I am feeling that you are particularly familiar, may I ask, are you Shen Xiyan, the chief designer of last year’s Red Face series?’

‘Hmm? What did you say? I am Shen Xiyan yes, but what is the Red Beauty series?’ Shen Xiyan frowned at the little girl and asked.

The little girl was also surprised and looked at Shen Xiyan suspiciously and said, ‘Sister Xiyan, you wouldn’t forget, last year’s best-selling Huaxia Wind’s Red Face series, right?’

Shen Xiyan frowned deeper, she was silent for a while, looked up at the little girl and asked, ‘You give me that red face series to see’

‘Well, I have a backup in my phone, and your photos, but I do not know what happened afterwards, now online can not find the report about you, hehehe, fortunately I have a backup, last year I have not graduated, my graduation design is to analyze your red series’ the little girl is very happy, quickly opened a PowerPoint from the phone and handed it to Shen Xiyan.

Shen Xiyan looked at the PowerPoint on the phone, when she saw her standing on the podium to show the crowd the red face series of clothing design, her whole body was shocked, it also wrote the specific time, that is, six months ago!

‘That that means that the time I was in a coma was not two years, but less than half a year?!?!’ Shen Xiyan’s heart and soul trembled at this moment!

‘Hee hee, Sister Xiyan, you have not only designed the top explosive models such as red face, you also have a work, called the absolute matchless and pouring red face series, you open the next PowerPoint, red face series, although good, but it is far from your one ah, you hurry to see fortunately last year I saved, really too beautiful’ the little girl excitedly continued to Shen Xiyan said.

Shen Xiyan subconsciously listened to the words of the little girl, fingertips down to quickly slide, she felt that she had been about to come across some truth, some Gu Yue they had hidden the truth from her. Soon, Shen Xiyan turned to the next PowerPoint, the PowerPoint opened, the first thing that caught her eye was a picture of her wearing a white wedding dress, standing next to Lin Hao in a suit

‘Boom’ When Shen Xiyan saw this picture of her and Lin Hao in their wedding clothes, her whole brain seemed to explode, a picture, a fragment of a scenario, began to fill her sea of consciousness

Super Son-in-law Chapter 907-908

Chapter 907

‘Shen Xiyan, meeting you is the greatest happiness in my life’ said Lin Hao to her with a smile at the wedding.

‘Xiyan, I’m going to go to Western Europe for a trip, I’ll be back in a few days’ the day after the wedding Lin Hao said goodbye to her when he was going to rescue Lin Yan in Western Europe.

‘Xiyan, my home is in Yanjing, come back with me, go back and spend the New Year together’ Lin Hao said to her when he came back from Western Europe.

‘Cang! I will kill you? Zero closed wu wu whisk er cover love? Pfft’ This is when Lin Hao spat blood and roared in anger when he dueled with Cang at Lin’s gate.

..... a fragment, a picture of her and Lin Hao together, this moment constantly filled Shen Xiyan’s brain. Shen Xiyan’s body had completely stiffened, tears snapping down.

‘Sister Xiyan, you what happened to you?’ The young girl who came for the interview looked at Shen Xiyan with incomparable worry.

Shen Xiyan shook her head: ‘You were accepted, you go out first, I’ll be alone for a while’ Shen Xiyan drove the girl who came for the interview out, and did not return her phone, so she continued to stare at her phone, her wedding photos with Lin Hao. At this time she finally understood why she saw the photo of Lin Hao before, the heartburn, from where it came. At this moment she also finally understood why she was with other men, night one and Gu Yue and Wang Shufen, are unanimously opposed to the fundamental reason.

A full half hour later, Shen Xiyan completely remembered everything. About six months ago she was badly injured and fell into a coma, and after she fell into a coma, she never saw Lin Hao again. She also had no idea what had happened to Lin Hao after she fell into a coma. But something must have happened, for sure, because when she woke up, Lin Hao wasn’t by her side.

The next moment Shen Xiyan put down her phone in a panic, and the whole person flew out of the office and ran outside. She wanted to go find Lin Hao, only she was confused again, looking at the people coming and going on the street, the traffic was not shy, she was confused, she simply did not know where to go to find Lin Hao.

‘Lin Hao I’m back, where are you’ Shen Xiyan, with tears in her eyes, stood alone on the street. All she felt was endless loneliness.

‘Gu Yue? The first time I saw you, I was in the middle of a conversation. On the way she was incomparably anxious, she had been sober for almost fifty days, but there was still no Lin Hao in her life. This made her incredibly worried, very, very worried. And the most important thing was that now she had no news about Lin Hao at all.

‘Master faster, faster’ Shen Xiyan kept urging the driver master.

In the villa on the outskirts of Autumn City, Gu Yue Wang Shufen Night One was sitting in the living room talking about things. The faces of the three people are very unattractive, the circles under the eyes are dark, obviously last night the three people did not sleep well.

Wang Shufen is more calm, so she asked Gu Yue: ‘Yue Yue, make up your mind, now what should we do ah? Should we tell Xiyan the truth? If this goes on, Xiyan herself can feel that we have something to hide from her’

Gu Yue sighed deeply, rubbed her temples and said, ‘Auntie, I don’t know what to do, Lin Hao has not contacted us for a long time, if we tell Xiyan all the facts now, what if she goes to Lin Hao?’

Chapter 908

‘I’ll contact big brother again, if I can’t contact big brother again, I’ll look for that Jiu Tian Xuan, or I’ll go directly to the Nine Heavenly Clans’ Night One pondered with a deep frown, when he contacted Lin Hao in the past few days, Lin Hao hadn’t given him a response.

‘Even if we contact Lin Hao, so what ah this kind of thing, he also has little idea.’ Gu Yue was torn.

‘Then what to do ah?’ Wang Shufen asked anxiously.

‘Now it is better to pretend that nothing has happened, many times, the more you know, the more pain. The other day I was thinking of just telling everything to Shiyang, I really had that impulse. But now I think it’s better to wait, wait’ Gu Yue’s eyes were a little red.

‘Hey’ Wang Shufen heaved a sigh and lowered her head, she could not help anything, Shen Xiyang and Lin Hao’s matter is too complicated, she a country woman, she heart incomparable self-condemnation. Wang Shufen sighed, Gu Yue complicated, night one also bowed his head and did not say anything

And at this time, just when the three just finished discussing. The door of the room was suddenly opened from the outside, and the next moment Shen Xiyang, wearing a black suit, walked in. The moment Shen Xiyang came in, Gu Yue, Wang Shufen, and Night One all turned their heads in unison and looked over at Shen Xiyang. Then the three were worried, because Shen Xiyang’s current state is very wrong, the whole person seems to have lost his soul.

Gu Yue hurriedly stood up and asked Shen Xiyan: 'Xiyan? Why are you back? You what happened to you? Is it somewhere uncomfortable?'

Wang Shufen also incomparably worried to Shen Xiyan asked: 'Yes, Xiyan, what happened to you, tell mom ah, you do not scare mom ah?'

Night one also frowned at Shen Xiyan and said, 'Xiyan, if you are for the matter that I beat your friend last night. I apologize to you, last night was I did too much, I'm sorry, you do not take it to heart' Night one felt it was Shen Xiyan still thinking about last night's events.

But no matter how the three of them asked, Shen Xiyan is indifferent, not moving to answer the three of them. Shen Xiyan's eyes were red, the whole body was suffused with a deep sadness, eyes incomparably complex.

Gu Yue took a deep look at Shen Xiyan, and immediately had a bad feeling in her heart. She took a step towards Shen Xiyan and walked in front of her, but she had just taken two steps when she was stopped by Shen Xiyan waving her hand. The bad feeling in Gu Yue's heart became more and more serious, and she tentatively asked Shen Xiyan: 'Xiyan, you are you remembering something again?'

When Gu Yue finished asking this, Night One and Wang Shufen both fiercely? The ground looked at Shen Xiyan, waiting for Shen Xiyan's answer.

Shen Xiyan was silent, no matter how anxious the three were, she stopped talking, after a long, long time. Shen Xiyan took a deep breath, swept a glance at the three and said, 'Mom, Yue Yue, Night One, I'm back'

‘Mm-hmm, Xiyan we know you’re back ah, we know ah, child you do not scare mom ah? Do you have another headache ah? You hurry to go to the hospital with mom go, let’s go now’ Wang Shufen hurriedly went up and took Shen Xiyan’s hand, and went outside, just not pulling.

And unlike Wang Shufen, Gu Yue and night one’s body at this moment but are booming a tremor. They both heard the meaning of Shen Xiyan’s words. The corner of Gu Yue’s eyes snapped and tears fell down, looking at Shen Xiyan in a daze and said, ‘Xiyan, did you even remember?’

When Wang Shufen heard this, she finally felt that something was wrong and looked back at Gu Yue, then hurriedly looked back at Shen Xiyan again.

‘Well, remembered, all all remembered’

Super Son-in-law Chapter 909-910

Chapter 909

Wang Shufen’s mouth was wide open and she pulled Shen Xiyan’s hand tightly. Shen Xiyan smiled at Wang Shufen and said: ‘Mom, don’t worry, I’m fine’ and then pushed Wang Shufen’s hand away.

Shen Xiyan took a step forward and stared straight at Gu Yue and said, ‘Gu Yue, you are my best friend and sister, the next thing I ask, you have to tell me everything, do not have any hidden, okay?’

Gu Yue after a moment of silence, looked deeply at Shen Xiyan a little, nodded: 'Good, you want to know, do not want to know, I will tell you, but you have to be prepared for the heart, you can hold up?'

'Can' Shen Xiyan nodded, then opened his mouth to Gu Yue and asked, 'First, where is Lin Hao now?'

Gu Yue shook her head: 'Sorry, I don't know, half a year ago he? Serving whisk Lu Wu Shan Wu Serving Shan? should be in the Nine Heavenly Gates to recuperate, and now we do not know exactly where he is, just before you came back, Night One was about to go to contact him'

Night one also looked at Shen Xiyan affirmed nodded: 'Good, sister-in-law I was about to prepare to contact big brother a little, if you can not contact big brother again, then I will go to the nine heavenly gates.'

Shen Xiyan body Wei Wei trembled, voice a little hoarse asked: 'Tell me, Lin Hao why he was injured, is the injury serious?'

After Shen Xiyan asked this question, Gu Yue, Night One, and Wang Shufen were silent. On this issue the three did not know how to explain to Shen Xiyan. Shen Xi Yan face to face with the silence of the three, she thought for a while, her heart rose a sharp pain, eyes with hot tears said: 'He he was injured to save me, right?'

Gu Yue opened her mouth and finally nodded: 'Well, you were unconscious for a long time, your brain was badly injured, and with the medical conditions of today's society, it is no longer enough to wake you up. Only the Nine Heavenly Clan's God-bearing Herbs can repair the damage

in your brain. But the Nine Heavenly Gates there is immature, Lin Hao Lin Hao had no choice but to feed with his own vitality, and finally the grass was fed by him to mature, and as a price, he also paid a lot of vitality, and now he is incredibly weak, old, the night before you woke up, he once told us that if you forget him, then absolutely no longer in front of you, mention things about him, all things, not‘

Shen Xiyuan body once again back a large step, clenched fists, her beloved turned out to have paid so much so much for her. And all this she actually did not know at all. Shen Xiyuan’s tears were spinning in her eyes. She took a long, long time before continuing to ask: ‘Yue Yue, what about the Lin family?’

Gu Yue bit her lip and said, ‘After you fell into a coma, the Lin family was destroyed by Cang. Xiyuan you were in a coma for too long, nearly half a year. And there are too many things that happened in these six months, you sit down, I’ll tell you from beginning to end‘

Shen Xiyuan shook his head: ‘No, Yue Yue, you just say it, I can bear it, tell me the truth, tell me everything that has happened, everything about Lin Hao‘

Chapter 910

Gu Yue nodded: ‘Well, after you were in a coma, Lin Hao was forced by Cang to hold a wedding with You Zi Fei, only at the wedding You Zi Fei mutiny, at the cost of her own death to Cang poisoned, and then Lin Yan and other Lin ancestors, launched a showdown against Cang. Only that battle they lost, lost very badly and tragically, Lin Hao seriously wounded by the night a sent to Western Europe. As for those ancestors of the Lin Clan all died in battle! Lin’s ancestral home was also in that monstrous battle, was shifted flat, Lin Hao’s father, grandmother all died, and only his sister Lin Qingcheng was left.’

‘Fleeing to Western Europe, Lin Hao, disappeared for three months, these three months, no one knows where he went, three months later Lin Hao returned, with the night a joint Jun Wuhuo and others to chase Cang, that a big battle, Lin Hao chased Cang for three days and three nights, chasing and fleeing ten thousand miles away, and finally killed Cang. Also found you in a valley, it turns out that you in those three months, was entrusted to her mistress to take care of, and when Lin Hao found you, the mistress of the mistress also died. Lin Hao then brought you back’

‘But at that time, Lin Hao used all kinds of methods, but also can not wake you up, one day a woman called nine days Xuan found Lin Hao. Told Lin Hao that their division has the herbs to save you, Lin Hao followed her, when Jun Wu Regret also went. Just three days later, Lin Hao but did not come back again, Jun Wu Regret sent Yun Shen grass, you were also sent here overnight by us to recuperate’

Gu Yue finished in one breath all the things that had happened in the past three months. Shen Xiyuan has been listening carefully, very carefully remembered. Just about every sentence Gu Yue said, can be in her heart, set off monstrous waves. The actual fact is that every single word of Gu Yue contains a huge amount of information, Shen Xiyuan even? The actual fact is that you can find a lot of people who are not able to get a lot of information on the subject. To simply do not dare to think, this half year, Lin Hao alone is how to come over, how to hold up

Shen Xiyuan listened to the end, has long been tears full of face. She was silent, and after a long, long time, she turned her head to look at Night One and said, ‘Help me find him and let him come over here, okay?’

Night One nodded heavily, his eyes also red: ‘Well, good sister-in-law, then to tell big brother that you also woke up thing?’

Shen Xiyuan shook his head, thought for a while and said, 'You just tell him that I fainted again, do not tell him that I have regained my memory, I am afraid that he does not dare to come to see me, never confidential, okay?'

Night One took a deep breath, nodded and said, 'Well'. Then Night One walked out and looked for a place to contact Lin Hao. Wang Shufen also did not know how to persuade Shen Xiyuan, so she gave Gu Yue a wink, she herself went to the kitchen to prepare food for Shen Xiyuan.

Gu Yue went to Shen Xiyuan's side, held her arm and said: 'Xiyuan, your emotions can not fluctuate too much, you have to hold back, the worst moment has been overcome, although your head trauma is almost healed, but your heart is also seriously damaged, there are still great dark injuries, do not get too excited, I believe that Lin Hao after getting the news, will certainly be the first time to come over. No matter where he is, as long as something is wrong with you, he will definitely come. You do not want to see you really faint again after he returns ah'

Shen Xiyuan nodded and took a deep breath and said, 'Well, don't worry, I can hold up. Yue Yue let's go upstairs'

After reaching the room upstairs, Shen Xiyuan could not hold back again, buried her head into her knees, forcing herself not to cry out, but her shoulders were still shaking constantly, Gu Yue looked incredibly heartbroken, sitting on the side of the bed and wrapped her arms around Shen Xiyuan's shoulders, gently patting her back

And when Gu Yue comforted Shen Xiyuan, went out to contact Lin Hao's night one, after contacting him dozens of times again, finally contacted Lin Hao.

‘Night one? What’s the matter so anxious to contact me, is something happened to Xiyan?’
Inside the phone came Lin Hao’s voice
