

Super Son-in-law Chapter 911-920

Chapter 911

‘Big brother, where are you?’ On the other end of the phone, Night One asked Lin Hao with red eyes and a hoarse voice.

‘I’m still in the Nine Heavenly Gates, something went wrong the other day and I stayed here for a while longer, but now it’s almost done, I’m able to move freely and my body has recovered a bit. Night One, what’s going on? Your tone is very wrong, tell me’ deep in the Nine Heavenly Gates cave, Lin Hao frowned at Night One and asked. He instinctively had some bad premonition.

‘Big brother, sorry, sister-in-law passed out again, you hurry over, sister-in-law’s state is very bad’ Night One hesitated for a while before saying to Lin Hao, this is the first time he lied to Lin Hao.

‘I’ll be right over!’ Lin Hao said and hung up the phone. Inside the cave, Lin Hao got up with a bang and went outside in a great hurry, Jiu Tian Xuan hurriedly followed behind him.

‘What’s wrong? Do you want to leave now?’ Jiu Tian Xuan hurriedly asked when he saw Lin Hao looking in a hurry.

‘Well, something happened to Xiyan, just now Night One called, I have to hurry over to see’ Lin Hao said while running outside, Jiu Tian Xuan also did not hesitate to follow behind Lin Hao, quickly running outside. Now Lin Hao’s body is still far from recovering to its peak state, she has to fulfill her promise to ensure Lin Hao’s safety. Soon the two arrived outside the mountain gate, and just as the two reached the top of the mountain, a helicopter flew over their heads. After

Jiu Tian Xuan dragged Lin Hao and leapt on it, the helicopter flew at a very fast speed in the direction of Autumn City

At two o'clock in the afternoon, the helicopter Lin Hao Jiu Tian Xuan took arrived at the place where Shen Xiyan lived, the backyard of the villa, Night One and a few secretly protecting Shen Xiyan's combat sequence, has long been waiting over there. After Lin Hao got off the plane, Night One rushed to welcome him. When Lin Hao saw Night One's eyes were red and his expression was low, his heart thumped: 'How is Xiyan doing now?'

'Find a doctor has seen, is unconscious, now in the second floor bedroom inside' Night one gritted his teeth and said to Lin Hao, then nodded with Jiu Tian Xuan.

'Go' Lin Hao body swayed quickly towards the villa door, all the way Lin Hao are walking in a special hurry, the footsteps fly, and so Lin? The Westland closed er er grasping Yi Wu? After Hao pushed open the door, he saw that Wang Shufen was walking upstairs with soup in her hand.

'Hao'er, you're back' Wang Shufen is also red-eyed, seeing Lin Hao arrive, especially when she saw Lin Hao wearing a bucket hat on his head, his face covered with a veil, through the veil, she was able to vaguely see, Lin Hao's very old face, Wang Shufen's heart Sadness surged wildly. The former hero of the world, the handsome and peerless Lin Hao, now has become this way. Wang Shufen, who had already treated Lin Hao as her own son, was also very, very distressed to see Lin Hao in this state today.

'Mom, we'll talk about it later, I'm going to check on Xiyan' Lin Hao nodded to Wang Shufen, then took the soup from Wang Shufen's hand and headed upstairs. Jiu Tian Xuan and Night One stayed in the living room and did not follow up, and Wang Shu Fen did not go up either.

Lin Hao reached the second floor and gently pushed open the door of the room, the first time he saw Shen Xiyan lying on the bed, her face was a little pale. There was also Gu Yue, who was standing by the window with Shen Xiyan, with red and swollen eyes. Gu Yue, like Wang Shufen, she also saw Lin Hao's present state at a glance, and then the sadness in her eyes became even more intense.

'Lin Hao, I'm sorry that I didn't take care of Xiyan' Gu Yue whispered to Lin Hao.

Chapter 912

Lin Hao's body gently trembled, a wave of grief welled up in his heart, shook his head and gently asked Gu Yue, 'What happened to Xiyan? Why did she suddenly fall into a coma again?'

Gu Yue bit her lips for a while before she said to Lin Hao: 'I showed Xiyan my wedding video with Night One, and on that video, Xiyan she saw you, and then she felt a special pain in her heart, although she could not remember you, but she saw your picture, the first time tears came down. Then ah, she asked me, who is this person? Why does she feel so familiar? I said you are her high school classmate Lin Hao, you should know each other in high school, so there will be that familiarity, and after that Xiyan nodded, and then just passed out'

Gu Yue said is false but also true, because Shen Xiyan first coma, is like she said, saw the picture of Lin Hao, and at that time Shen Xiyan's expression and attitude, are exactly the same as now Gu Yue described.

Lin Hao listened to Gu Yue's words, his eyes were sore, sitting on the side of Shen Xiyan's bed, reaching out to run his hand through the hair on the side of her face, the pain in his heart was even stronger.

‘Lin Hao, you and Xiyan have gone through too much, do not torture each other anymore, okay? You like her even if she is forgetting you, but as long as she sees your picture, she will be inexplicably familiar, will be heartbroken, will be comatose. You you just don’t go this time, okay? The doctor said, this time the coma of Xiyan, there is not much danger, faster, maybe tomorrow will be able to wake up, so this time you stay, she really misses you in her heart, misses you a lot’ Gu Yue tears snapped down. She is now saying these words, is just she and Shen Xiyan discussed.

Lin Hao listened to Gu Yue’s words, silent, after a while of silence, lowered his head and said: ‘I I can’t stay, what if I stay? Let Xiyan see me so a bad old man? I I am not the original me anymore. I even think that Xiyan later to start her new life, I can also be’

Lin Hao thought of his own old face, thinking of the withered body, he really did not dare to face Shen Xiyan with the current face, even if Shen Xiyan can accept it, he himself can not accept.

Lin Hao said, took out a mask from his arms, looked at the mask to Gu Yue said: ‘Gu Yue, I do not want to see my face now’ Lin Hao said on the mask on his face.

‘Qiyan doesn’t care’ Gu Yue shook her head and said to Lin Hao.

‘Sorry, I care’ Lin Hao stood up and gave Shen Xiyan a final affectionate glance before resolutely turning to Gu Yue and saying, ‘I’m leaving, please take care of Xiyan for a while longer’

Gu Yue raised her head and stared dead in the eyes of Lin Hao and asked, 'Lin Hao, you tell me the truth? Lu loves to whisk away the West Yi Yi Xi? words, are you going to find the drugs that can restore vitality? And what if you can't find it? What if you can't find it in your life? You will not come back? Are you going to never identify with Xiyan for the rest of your life? Ah?'

Lin Hao's body trembled violently, facing Gu Yue's questioning, he was silent, and he had thought about this issue for many, many years. After a long moment of silence he said: 'I don't know, but I definitely won't allow it, let Xiyan be with me like this. And she has now forgotten me, maybe so or or

After Lin Hao finished speaking, he wanted to lift his feet and walk out, only when he took a step, his hand was suddenly grabbed by Shen Xiyan who was lying on the bed.

'Lin Hao, don't go

Chapter 913

'Buzz

Just as soon as he took a step, Shen Xiyan jumped off the bed, very fast, and at once jumped on Lin Hao's body, hugging Lin Hao's waist from behind, using all his strength, hugging Lin Hao to death: 'Don't go don't go don't go

Lin Hao's body completely stiffened, two lines of tears flowed onto the mask, and his body did not move. Gu Yue silently retreated and locked the door to the room directly from the outside. If they hadn't lied to Lin Hao that Shen Xiyan was unconscious again, then Lin Hao would have left again even if he would have come. Now Lin Hao was unable to leave.

'Miss Gu, how is Mrs. Lin's condition? Is it serious?' Jiu Tian Xuan opened his mouth and asked Gu Yue when he saw her come out.

Gu Yue shook her head and said, 'Thank you, Miss Jiu Tian Xuan, for your concern and for making you worry about following this trip, Xiyan is fine. And Xiyan has recovered her memory

Jiu Tian Xuan looked at Gu Yue incomparably surprised, then nodded again and said, 'Well, I understand, but please allow me to stay with you for a few days, Mr. Lin's body has not recovered well, he has little power at this time, I will leave again after his condition improves some more

Gu Yue bowed deeply to Jiu Tian Xuan: 'Thank you, Miss Jiu Tian

Jiu Tian Xuan nodded: 'It's okay, these days in the Nine Heavenly Gates, Mr. Lin also told me all the stories of him and Miss Shen. And now Miss Shen has recovered her memory, which is a good thing. Don't worry, I've already mobilized all the forces of our division to look for medicines that can cure Mr. Lin, I believe there will be more or less some harvest.'

'Well

Gu Yue once again gave Jiu Tianxuan a grateful glance, then the few of them all walked out. No longer stay here to disturb Shen Xiyan and Lin Hao, they the pair of bitter lovers have been separated for too long and too long. Counting down half a year's time. The people all retreated, also quietly closed the door to the room.

Steak Lu Lu Yi Shan zero flick west? Shen Xiyan's room, Shen Xiyan still deadly hug Lin Hao, do not let Lin Hao move, afraid that once he let go, Lin Hao again away from her.

Shen Xiyan hugged for a long, long time, head pressed against Lin Hao's back, tears are soaked Lin Hao's back clothes. Shen Xiyan did not care to wipe it: 'Honey, you do not go away, okay? No matter what you become, you are my husband, I love you, I am your wife, I am your wife, ah, please, don't leave me again, okay? I beg you

Lin Hao tilted his head, took a deep breath, raised his head and sighed long, he did not expect Shen Xiyan actually has recovered his memory, remembered all the things, but also in partnership with Gu Yue night one they tricked himself over. Now if you leave again, it is basically impossible

Super Son-in-law Chapter 914-916

Chapter 914

After a long time, Lin Hao nodded and said in an endlessly hoarse voice, 'Well, I am not leaving, I will stay by your side, stay with you, and I will not go anywhere

'Well

Shen Xiyan huffed, pulled Lin Hao, and made Lin Hao sit on the bed. She, in turn, came across to Lin Hao. When she saw Lin Hao's dry hand, she couldn't help but have her nose sore again and hurriedly covered her nose with her hand. She held Lin Hao's hand and put Lin Hao's hand on her face, her eyes looked at the masked Lin Hao's face: 'Lin Hao, I'm sorry, I'm sorry, it's all me, making you look like this, I'm sorry

Lin Hao face mask, and two lines of tears slipped down, Lin Hao shook his head: 'It's okay Xiyan, it's okay, it's okay

Shen Xiyan reached out to touch the mask on Lin Hao's face and said, 'Honey, I don't care what you become, I want you to stay by my side, you take off the mask, take it off, okay? Let me see what you look like now, okay?'

Lin Hao cried and shook his head, 'No, no, Xiyan, I beg you, please let me wear this mask and live with you, okay? Please don't let me take it off, okay? Please' Lin Hao pleaded bitterly to Shen Xiyan

'Ah ah ah' Shen Xiyan? Yiwu pickaxi yixi dyed pickaxi? Yan sat on his knees, his head buried in Lin Hao's lap, crying hysterically heart in severe pain, indescribable sorrow.

His husband was once the hero of the world, once the king of the world, handsome and dashing, but now in order to save her has become what it is now. Even he was begging himself, begging himself not to let him take off his mask.

'I'm sorry, I'm sorry, I'm sorry' Shen Xiyan hugged Lin Hao's legs and said sorry to Lin Hao over and over again.

Lin Hao took a deep breath, shook his head, reached out and wiped away the tear marks on Shen Xiyan's face: 'It's okay, it's okay, Xiyan, it's all in the past, there's always a way out of my body, don't worry, there's always a way out, as long as you can wake up, as long as you can wake up'

‘Xiyan, I really miss you, miss you very much’ Lin Hao touched Shen Xiyan’s face, there is endless longing in his eyes

This half year, too many things have happened, it’s like a lifetime ago. The two of them have experienced too many life-and-death separations in these six months. Already do not know how many times, Lin Hao feel that he may not last, may never see Shen Xiyan again in this life, may never come back, he himself does not know how he came through

The Lin family was destroyed, his father died in battle, his grandmother was shattered, Dao Yi, Mo Yuntian, and the countless Lin combat sequences, the combat sequences that grew up with him, one by one, all left him, and he alone carried too much. And now finally revenge, Shen Xiyan also woke up, he felt that there is hope in life again. Even if you can’t recover in this life, so what? As long as Shen Xiyan wakes up, it’s fine

‘Lin Hao, I also miss you, miss you, miss you very much’ Shen Xiyan pillowed on Lin Hao’s knee, the two of them had too much to say, but at this moment found each other could not say anything. At this moment just want to quietly accompany each other.

Time passes, the sunset West Asia, the sunset outside the window shines into the house, Shen Xiyan pillowed on Lin Hao’s lap, quietly feeling the warmth of Lin Hao’s body

Chapter 915

‘Lin Hao, this time we will never be separated again, I will stay with you every day, cook for you and wash your clothes’ Shen Xiyan pillowed on Lin Hao’s knee, enjoying incomparably. The rest of her life in the future she will use all of her tenderness to treat Lin Hao. Give him the warmth of a home, make him happy, happy, happy. Be his wife well, not to leave not to abandon.

‘Well, no more separation, never again’ Lin Hao nodded his head. The dry palm of his hand slid down on Shen Xiyan’s long hair

That day Wang Shufen Gu Yue and the girls moved out, allowing Shen Xiyan to spend a quiet time with Lin Hao. They also did not move too far away, quite close, Jiu Tian Xuan also did not leave, also lived, always protect Lin Hao, to fulfill her promise.

The sunlight in a white dress Shen Xiyan trotted in front, all in black with a mask on his face Lin Hao, just chasing behind. ‘Giggle you can’t catch me, haha, you run faster ah, Lin Hao, hurry up’ Shen Xiyan in the front laughing forward and backward, Lin Hao in the back of the chase up and down the air, and This of course is Lin Hao pretend. This is to play with Shen Xiyan.

At night, Lin Hao did not dare to undress, or wearing a black dress, Shen Xiyan pillowed on Lin Hao’s chest, arms tightly hugging Lin Hao’s waist, sleeping very happy and sweet.

Shen Xiyan’s work also quit, that just opened the studio also directly into the Tianhai Group, she stayed at home all day to accompany Lin Hao, really like she said, no matter what she does, all want Lin Hao to follow around. Even to go to the toilet, she also wanted Lin Hao to wait for her outside, once Shen Xiyan herself are incomparably embarrassed, but the heart has a small sweet.

When the weather is good during the day, Shen Xiyan and Lin Hao will be in the autumn city shopping, streets and alleys, and those places with good scenery, roads and parks, etc. At night, the two of them will be in the villa courtyard watching the stars, Shen Xiyan listened to the stories told to her by Lin Hao. The life of two people, both calm and warm.

These days, Lin Hao has been with Shen Xiyan, standing behind her, watching Shen Xiyan's laughter. Only he never took off the mask on his face, and when he slept at night, he still wouldn't take off his clothes.

Shen Xiyan's villa far away, a long way away Jiu Tianxuan stood under a big tree, looking at the distant Lin Hao and Shen Xiyan that happy figure. Can't help but look dumbfounded, until Gu Yue walked behind her, she only came back to her senses.

'This is life, I'm afraid no one in this world can break them both up again, my sister lost not unjust I really can hardly imagine that there will still be such love in this world exists. Now looking at them, I also understand why Zi Fei made that choice at the time' Jiu Tian Xuan looked at the wooden flute in his hand, which is the only relic of You Zi Fei in this world.

Gu Yue took a deep breath and said: 'I have not seen your sister, but I heard the night one said, you purple consort? Zero Wu Lu Yi Ai Wu Xi Zero? Very beautiful, beautiful does not even look like a woman in the red dust. She is also a good woman, a good girl

Jiu Tian Xuan nodded, looking at the distant Lin Hao and Shen Xiyan said, 'But, the two of them can not live their lives like this. This kind of infatuation, the heavens should not let them so desperate. Whether it's Shen Xiyan or Lin Hao, they both went through a lot of hardships before finally coming together. So how could Lin Hao let him just wear this cold, icy mask forever?' Jiu Tian Xuan's heart was a bit intolerant, obviously Shen Xiyan had recovered her memory, and obviously the two of them had finally met. But there is still a mask between the two, a set of clothes that will never be taken off again

Gu Yue's heart trembled and her eyes were slightly red as she asked, 'Miss Jiu Tian, divine items like the Implicit God Grass are found in this world. Then there must also be something that can bring Lin Hao back, right?'

Jiu Tian Xuan nodded: 'Well, there is definitely something, even if right now I? s not able to find it. We can't find it, but one day we will find it. My division is mobilizing all its forces to look for it, and the Jun family master's side is also starting to look for it in the secular world. And your Lin's side is also looking, wait, I believe it will always be found, the heavens will not let them suffer again

Gu Yue nodded deeply, what Jiu Tian Xuan said, she also believed in it. The two of them looked at Shen Xiyan and Lin Hao, who were laughing and talking in the distance, and then returned to the villa where they lived.

In the evening, after Shen Xiyan and Lin Hao had dinner, the two of them sat on the lawn in the courtyard and watched the stars, Shen Xiyan still had many, many things in her heart to ask Lin Hao.

'Lin Hao, wait for some time, you take me to Yanjing, okay? I want to go to pay my respects to my father and grandmother, they are good people, they are good to me. There is also Zi Fei, I also want to go to her incense, she is a good woman, but also a bitter woman

Shen Xiyan wrapped her arm around Lin Hao, head resting on Lin Hao's shoulder said somewhat sentimentally.

Lin Hao nodded: 'Well, okay, wait a few days, we will go to Yanjing trip, pay respect to grandpa, grandma, dad

‘Lin Hao, I think it’s all my fault, if you didn’t stay with me at first, but chose Zi Fei, then that dad and grandma would not have died? Wouldn’t so many people in the Lin family have died? Lin Hao, in fact, these days, I’ve been blaming myself, blaming myself, I think it’s all my fault. I am the third party, you and Zi Fei obviously had a marriage contract at a very young age, and she is so beautiful and likes you so much. Lin Hao me me’ Shen Xiyan said, her emotions were already very unstable.

Yes, these days, she has not dared to talk to Lin Hao about this matter, but she has always been quite self-conscious in her heart. She just felt that the devastating blow to the Lin family was caused by her, and if she hadn’t appeared, then nothing would have happened

‘Hmm? Xiyan, how can you think that? Xiyan, calm down!’ Lin Hao suddenly felt that Shen Xiyan’s emotions were out of place, and her mood swings were very strong and violent. Lin Hao hurriedly put his hand on Shen Xiyan’s back to calm her agitated emotions. But it was as if Shen Xiyan’s mind had fallen into a spell, and it simply could not be calmed down.

‘Xiyan!’ Lin Hao’s eyes were fixed on Shen Xiyan’s eyes, and he let out a low shout at her, and only then did Shen Xiyan’s eyes wake up and have a hint of spirituality. Just now Shen Xiyan was in that state as if she was about to go off the rails. But even though Shen Xiyan recovered, she still had tears streaming down her face.

Lin Hao looked deeply at Shen Xiyan, shook his head at her and said: ‘It has nothing to do with you, Lin’s calamity was calculated by Cang decades ago, my generation is a hard calamity people. No matter what, you can’t hide, Xiyan you don’t know, even if you don’t appear, even if I marry the purple concubine, the purple concubine will die, my father will also die, I will also die. It’s all the same, the same ah’

Lin Hao’s heart welled up with deep sadness, yes, all dead, they are all dead, the people who were once the best to him, the closest to those people, all dead, all dead ah

Super Son-in-law Chapter 917-918

Chapter 917

The sadness in Lin Hao's eyes was getting thicker and thicker, before he was able to hold on because he still had the obsession to save Shen Xiyan in his heart. So no matter what he could not despair, he had to persevere, and now Shen Xiyan finally woke up, also recovered his memory. So the wound in his heart can no longer be hidden, can not be suppressed. Many times he feels very lonely, living a very tired and tired, the three generations of the Lin family, full of heroes, whether it is Lin Zhantian, or Lin Yan, all dare to pull the knife to Cang when they know they can not fight Cang, and now the three generations of the Lin family is left with him and Lin Qingcheng

Lin Hao is definitely a person of great affection and righteousness, and just half a year's time, their loved ones but all died in a battle, he carried too many things, too much to lose. Many times he felt that he could not hold on. Shen Xiyan jumped into Lin Hao's arms, hugging him tightly, giving him warmth and using all her tenderness. She felt that her husband was very bitter, very bitter, very bitter

Three days later, Lin Hao and Shen Xiyan went north to Yanjing, and Lin Hao took Shen Xiyan to the place where the Lin ancestral home was for the second time. This place has been sealed off for a ten-mile radius. The outside of the Lin ancestral home was built with a high fence, while inside the fence is a huge tomb, this more than a month, this place has been filled with tombstones, the most central is the tomb of the Lin ancestors, surrounded by thousands of tombstones are also the Lin family guards, so many years, with the Lin ancestors to die together with the guards.

Rumble big iron door opened, changed a black dress Lin Hao and also changed the black dress Shen Xiyan, walked in. Lin Hao and Shen Xiyan walk very slowly, Lin Hao every step, pause, to the surrounding tombstones a deep bow. Shen Xiyan as Lin Hao's wife, Lin Hao worshiped, she naturally also bowed down. Shen Xiyan followed Lin Hao through each tombstone, and finally came to the most central location at the bottom of the deep pit, where is the tomb of the Lin clan.

Lin Hao pulled Shen Xiyao to pay a deep obeisance to the ancestors of the Lin Clan, and after getting up, ? Covering the picketing dyed ground according to the service er whisk ? Lin Hao looked at the tombstone in front of him and said in a hoarse voice: ‘Grandpa, Grandma, Dad, Mom, Xiyao has woken up and I have brought her back. Today, I brought Xiyao back to see you, Xiyao also misses you, Xiyao and I will never be separated again’

Shen Xiyao tears fell down, Lin Hao’s grandparents, father, mother are dead, she can not even go to imagine Lin Hao’s heart in the end how bitter.

‘Grandpa, Grandma, Dad, Mom, don’t worry, I will take care of Lin Hao in this life, stay by his side, I will be a good wife, teach my husband and children, and leave our Lin’s descendants’ Shen Xiyao sincerely told the Lin’s ancestors.

After worshipping the tomb of Lin’s ancestors, Lin Hao took Shen Xiyao to the other side, which is also considered the scope of Lin’s ancestors’ tomb group, and there is the burial of Princess Yuzi. Because from the ancient ritual, you purple consort in that last moment before death, she still married Lin Hao, and she died for Lin Hao, naturally her tomb was relocated over.

Lin Hao looked at You Zi Fei, heart also incomparable emotion and complex, there is a trace of heartache. Because although you purple consort’s tomb, eventually moved over, but her tomb is very bleak, in a corner, if you do not look carefully, basically can not see. The tomb group here was built by Lin Qingcheng and Mo Tianji, You Zi Fei had killed Lin’s people in her lifetime after all, even if her heart was for the good of Lin Hao, so eventually Lin Qingcheng decided that you could let You Zi Fei into Lin’s ancestral tomb, but the location was put a bit out of the way. Can not be the main family

For Lin Qingcheng's decision, Lin Hao can not say anything. Because people are already dead, and still dead without a burial place, even if even some limb fragments in that earth-shattering explosion, are swept away. Then a grave only, it does not seem so important. Lin Hao does not believe that there is any ghosts and gods in this world that said.

He felt sorry for You Zi Fei, this life for his own woman, actually even after death of the tombstone is so bleak

Chapter 918

Shen Xiyan bent down and plucked out some weeds in front of You Zi Fei's tomb, stood up and paid a deep obeisance to You Zi Fei's tombstone: 'Zi Fei, I believe you, I believe that when you said you were leaving Yanjing, you really put it down, you are also sincere to bless me with Lin Hao. This life is actually wrong is not you, but me, I robbed you of the love of your life, I'm sorry, I'm sorry' Shen Xiyan eyes red, looking at the desolate tombstone of You Zi Fei, eyes full of desolation and complexity.

Lin Hao tightly pulled Shen Xiyan's hand, Lin Hao is still wearing a mask, but through the mask, it is not difficult to see his eyes that also became red

'Xiyan, save your grief, they have gone to the other world, and the living, and continue. Don't let them give, become unworthy' Lin Hao slowly said, his heart rose endlessly complicated. Shen Xiyan nodded painfully.

Looking down from high in the sky, you can see in the center of a huge cemetery below, Lin Hao and Shen Xiyan standing there, a glance around, all rows of tombstones. Slowly, Lin Hao Shen Xiyan around, seems to appear a lot of smiling figures, Lin Hao's grandparents, father and mother, Mo Lao, Lin Half City, Dao Yi, You Zi Fei, they are smiling looking at Lin Hao and

Shen Xiyao, that smile, all with a strong blessing, from the heart of the blessing, sincere blessing

.....

At the same time, the east of China's land within the country of East Japan, where although it is daytime, but the sky is gloomy, the sky is thick dark clouds, covering the sky, pouring rain crazy pour down, the wind is howling, although it is daytime, but it is no different from the night.

'Tap tap tap

 and in the sky under the torrential rain, Jun Wu Ren and white tiger is frantically running forward wildly, and behind them in the distance also has a rapid air-breaking sound rapidly approaching.

'Poof

 Jun Wu Regrets spurted out a mouthful of blood, his body swayed, but he still did not stop and continued to run forward rapidly and furiously. He was in a bad state, already badly injured, with three bone-deep wounds on his back, and the white tiger beside him was not much better, with blood flowing out of his abdomen and his face pale to the extreme.

The next moment, Jun Wu Ren fiercely stopped the white tiger, put a delicate jade box in his hand into the hands of the white tiger, said urgently: 'You go first, I will break the back! You hurry back to China to find Lin Hao, give this to him, this is his only chance to recover his peak! Go quickly

White Tiger's complexion changed greatly, shaking his head, his face decisive, 'No? I want to wu yishan wu yi di xi? I'm not going, I'll break the back, you go! You go!'

Jun Wuhuai wiped the blood from the corner of his mouth to the white tiger smiled: 'I Jun Wuhuai conquered China for millions of miles, not to die in this bullet point! White Tiger, listen, they can't kill me, but I'm also very troublesome, you hurry to send this thing back to Lin Hao, let him come to save me in the East. Although those bastards can not kill me, but I guess they will not let me leave here easily, you are different, they will not be so obsessed with you, and there is still me to break your back, that's it, you hurry up and go, no more nonsense, you can not save me, let Lin Hao come!'

'grass, Lin Hao, I know you in this life, is the biggest mistake of the old me! Hurry the damn recovery, to save me, Laozi and white tiger still not married, my Jun family has not yet left after it, Lin Hao your master, you better hurry to come!' Jun Wu Ren finally cursed, fiercely pushed away the white tiger, then he turned around brazenly, the breath of the body all burst, towards the rear of the chase back to kill

The reason why Jun Wu Regret has provoked the entire ninja world of Eastern Japan to come after him is entirely because he stole the most important treasure of the Eastern Japan Saint Ninja Alliance for Lin Hao, a divine object capable of restoring vitality and battle power

'Boom boom boom boom' soon far away in the rain, there is a burst of violent fighting sounds, white tiger ruthlessly clenched his teeth, holding the jade box, and swept away to the distance, she knew that with her strength can not save Jun Wu regret, Jun Wu regret is right, can save him only Lin Hao

Super Son-in-law Chapter 919-920

Chapter 919

In Eastern Japan, although Jun Wu Ren gave White Tiger a break, but White Tiger want to completely escape, but also not a simple matter, after all, Eastern Japan is the land of those saint ninja, all the sea port to China's airport has been tightly blocked off. The most important thing is that the East is an island country, surrounded by endless sea.

The second day of his escape, White Tiger finally arrived at a desolate seaside. White Tiger looked at the endless sea in front of him, had no choice but to take a deep breath, jumped into the sea, and after swimming in the sea for half a day, climbed on a cruise ship going to the country of the stick. By the afternoon of the next day, White Tiger, who had successfully arrived in the country, found the Jun family's base there and flew to China's Autumn City with the fastest speed.

There, Jun Wu Regret is dying for Lin Hao, while White Tiger is also desperately trying to get back to China. On the Chinese side, Lin Hao and Shen Xiyan paid homage to the Lin ancestors, stayed in Yanjing for another day, and then went back to Tianhai City together. Lin Hao Shen Xiyan returned to Tianhai City, after all, it is really counted as the two of them home, and the two of them back, Wang Shufen, night a Gu Yue, Jiu Tianxuan also naturally from the autumn city up, together back to Tianhai City.

After returning home to Tianhai City, Lin Hao is still wearing a mask, the body is also wrapped tightly wearing a black robe, after two months once again standing at the villa gate, Lin Hao is also emotional, the villa's perimeter this time has been cleaned up. It is no longer the overgrown look before Lin Hao left. Because now Shen Xiyan was awake.

'This is our home

' Shen Xiyan was also incomparably emotional when she returned here again. Lin Hao nodded: 'Well, this is our home, let's go, Xiyan let's go in

Lin Hao and Shen Xiyan then walked in, and when they pushed open the door of the villa, Shen Xiyan froze. Everything inside the house was exactly the same as when she followed Lin Hao to Yanjing half a year ago, all untouched, everything was kept as it was, in order to not let her have a trace of strangeness.

‘I’m going to cook’ Shen Xiyan looked dumbfounded for a while before smiling at Lin Hao and turning around to go to the kitchen to cook for Lin Hao, well, just like the old days, as a wife cooking for her husband. Lin Hao smiled at Shen Xiyan and went to the sofa and sat down. And when he sat down alone, he suddenly frowned, somehow he suddenly had a bad feeling in his heart, and his eyelids under his mask were beating wildly. Lin Hao twisted his head and looked again, inside the kitchen began to busy Shen Xiyan, and then he shook his head again, he could not think clearly, the heart of this uneasy feeling from where to come

The time slowly passed, the Chinese evening, the west of China’s autumn city, Shen Xiyan before recuperation villa there, suddenly the figure of white tiger appeared there, white tiger’s face was white, with a trace of blood, she staggered knocking on the villa’s door, but no one responded, white tiger deeply frowned.

Before she returned to China, the Jun family’s intelligence personnel had informed her that Lin Hao and Jiu Tianxuan had already descended from the mountain, according to her deduction, Lin Hao must have come to Shen Xiyan, but why was there no one here? She is now carrying a heavy treasure, she does not dare to easily use electronic devices to contact with Lin Hao, she is also afraid of exposure

Buzz the next moment, the air around the white tiger suddenly fluctuated, four full-body strong suit Lin’s combat sequence appeared around the white tiger. The leader of the Lin’s combat sequence, his aura instantly locked onto the white tiger and asked in a cold voice, ‘Who are you? What are you doing here?’

After seeing the Lin Clan Combat Sequence, Bai Hu’s face eased slightly and hurriedly said, ‘I am the wife of the contemporary head of the Yanjing Jun Clan, Jun Wuhu, Bai Hu, I am here to find Lin Hao to discuss an important matter, quickly tell me, where is Lin Hao? Poof’ white tiger said, mouth once again spurted out a mouthful of blood to look more depressed.

Lin Hao stood up and looked out the window, frowned and said to Shen Xiyan: ‘Xiyan, you stay at home, do not go out, I will go outside to see, I feel that someone came in but it’s okay, do not worry, I am here’

‘Mm, good’ Shen Xiyan nodded, she didn’t know what was wrong, but she chose to trust Lin Hao unconditionally, and as long as Lin Hao was there, she wouldn’t be in the slightest danger.

Lin Hao nodded and walked out of the room, at the moment Lin Hao went out, he activated the strongest defense system of the entire villa, at once a thick explosion-proof steel plate blocked the doors and windows of the villa. This set of defense system, even if the strongest of the innate master, want to attack and kill in, it is not a short time to do it. The whole villa here has been transformed. After doing this, Lin Hao took a step and walked out.
