

Super Son-in-law Chapter 961-970

Chapter 961

In the past the military uniform heroic white tiger today wearing a celadon flag? The company's main business is to provide a wide range of products and services. The first thing you need to do is to get a good idea of what you want to do.

Looking at Jun Wu Regret's soft and affectionate gaze, Hou Yijun was a bit at a loss for words, then her pretty face was slightly red, although the two of them had already established their relationship as lovers, but because they had done too many things during this period of time, there was no leisure time for them to be in love, now in this closed room, Hou Yijun squirmed a bit, she was at least an elite warrior and had experienced all kinds of life and death images, for such things The first time I saw her, I was envious of Lin Hao's first female friend, but now it seems that I have a good female friend, but I've been too busy taking revenge and neglecting the people around me. Lin Hao was right, don't wait until you lose before you know what it means to cherish. He knows the pain of loss, let him choose, he definitely does not want to choose to lose in the

'No regrets, this time we have broken the middle as well as top strength of the ninja alliance in Eastern Japan, I am afraid that we will grow very fast in a hundred years. This tiny bullet of Eastern Japan has coveted us for hundreds of years, and now it has finally been cleared

Bai Hu shifted his gaze, embarrassed by Jun Wu Regret's hot gaze, and took the lead in speaking up.

'Hou Yijun

Jun Wu Regret took a deep breath and spoke heavily, this was the first time he had ever been so calm and even strained to call Bai Hu by his real name, which contained all his feelings and a strong sense of love.

‘Wuyuan I am so worried about you, so worried about you’ White Tiger Hou Yijun could no longer bear the pain of longing, a handful of arms around Jun Wuyuan, moving her eyebrows have been in tears, she is too Worried, follow Shen Xiyan two people comfort each other, encourage each other, but all the feelings in this, only the two of them understand, the kind of fear, fear, do not want to face the heart. Moreover, she has also experienced the East Ying one stop, moreover, she knows the danger inside, just that Jun Wu Regret is a person who does great things, she can’t come up like a little girl and jump into his arms and pour out her heart, good thing Jun Wu Regret gave her a chance

‘It’s okay, it’s okay.’ Jun Wu Regrets used his hand to stroke Hou Yijun’s short hair, only to hug her even tighter.

‘Do you know, when you were in Eastern Japan with the Lin family head I was really worried about you, really worried about you, I was scared, I didn’t even dare to look at Madam Lin at that time because I saw endless fear inside her eyes as well, but I had to comfort her, just that I knew the horror of Eastern Japan, and then the 100 Great Ascended Masters of the martial arts world came out, at that time I was excited and scared again, I was excited that we had such great power to help you, and scared that it would take so many people to save you’ Hou Yijun said while shedding tears, pouring out her thoughts, her worries, her feelings for him.

Jun Wu Regrets hugged Hou Yijun, once again moved by her deep feelings, and remembered Lin Hao’s talk of a grand wedding, Jun Wu Regrets felt that this was the best reply he could give to Hou Yijun.

‘Well, well, I’m not back safely, and I’ve even been blessed by the disaster and promoted to Grand Master.’ When speaking of Grand Master, Jun Wu Ren once again recalled that terrifying Extreme Dao state of Lin Hao, even Zu was no match for him in that state, if he lost his ego, would he really be able to subdue him? Then he shook his head again, what kind of person is Lin Hao, he would never lose himself, his love for Shen Xiyan is definitely not going to let him lose himself, he is over worried

After dinner, Jun Wu Ren invited Lin Hao, he had some things to ask Lin Hao, after all, to talk about such things as love, they are really the first time, inevitably some restraint, so to ask Lin Hao.

Lin Hao was in formal attire, and Shen Xiyan's beige blue dress looked like a river of stars in the night sky, dazzling. She was holding Lin Hao's wrist, and the two of them were passing out laughs from time to time.

On the first floor of the Qingfeng Xiaozhu, Jun Wuhuo was waiting for Lin Hao's arrival early, and when he saw Lin Hao and Shen Xiyan, he immediately got up and walked up to them.

A man and a woman waiter standing by the side serving saw that this big shot, who even his own boss had personally come to entertain, had risen to receive Lin Hao, and could not help but look at Lin Hao with shock in his heart.

Chapter 962

His own boss was also a dignified figure in Tianhai City, and this Qingfeng Xiaozhu had a rich heritage, with people from all walks of life coming and going. Many people had made appointments for half a year to see their boss's side, but they still couldn't meet him, yet they nodded to Jun Wu Ren and personally entertained him by serving tea and water.

'Brother Lin.' Jun Wu Regret said cheerfully as Hou Yijun greeted Lin Hao Shen Xiyan, 'Lin Family Master, Lady Lin.'

Lin family master, Madam Lin Could it be the Yanjing Lin family that has been making a lot of noise lately? This was a moment when their hands trembled a little, this kind of big person, they couldn't be neglected, no wonder the boss had to personally come to receive Jun Wu Ren, it turned out that he knew the Yanjing Lin family's family head, and the relationship was very close.

'Brother Jun.' Lin Hao replied with a smile as Shen Xiyan nodded her greetings to Hou Yijun and Jun Wuhuo, 'Good evening, Family Head Jun, Madam Jun.'

Jun Family Master Madam Jun The two waiters instantly felt their brains go into a trance, the heads of the two great families of Yanjing together are here now, no, can't breathe

'I don't know what brother Jun looking for me, on the phone talking mysteriously, did you get something? dyed grasping errrrrrrr? Remarkable news?' Lin Hao poured a glass of water for Shen Xiyan, who smilingly took the glass and whispered, 'Thank you husband,' causing Hou Yijun to be envious, she couldn't do what Shen Xiyan did so naturally and intimately.

Jun Wu Ren glanced at Hou Yijun, and Lin Hao instantly understood. The two had fought side by side in the East and their tacit understanding had increased a lot. So Lin Hao instantly knew what Jun Wu Regret was preparing to ask, and the establishment of Jun Wu Regret and Hou Yijun's relationship had a lot to do with himself, which he had helped a lot, so Lin Hao instantly understood.

The wedding of his sister Lin Qingcheng and his brother Mo Tianji, and his wife's best friend Gu Yue and his brother Night One are being prepared, plus his own and Shen Xiyan's is also added, plus Jun Wu Regret and Hou Yijun's that is also added, might as well put it all together. What a grand and glorious wedding for the heads of the two great families of Yanjing to get married like this.

‘Brother Jun you’ve really arrived at a good time with this one, let’s go, let’s even talk outside.’ Since this was a surprise, Lin Hao naturally couldn’t talk about it in front of Shen Xi Yan in a proper manner, so he could only talk to others behind Shen Xi Yan’s back.

Jun Wu Ren rose again, lowered his head to Hou Yijun and followed behind Lin Hao with a command.

Hou Yijun was naturally still a little unnatural under such a formal scene, but now that her husband had gone out with the Lin family head, she immediately breathed a sigh of relief.

Shen Xiyan didn’t want to part with Lin Hao for a second, but she had no choice but to look at Lin Hao’s back with some loss. After the back disappeared out of sight, Shen Xiyan and Hou Yijun began to share a little bit about themselves and Lin Hao, meeting, falling in love, getting married and getting divorced.

‘Brother Jun, this is the right time for you to ask this question. My sister and my brother’s wedding is in the midst of preparation, so now that you’re asking, why don’t we put it all together then and have a superb wedding banquet? What do you think.’ Lin Hao stood on top of the balcony of Qingfeng Xiaozhu, looking at the night market of Tianhai, the lights and neon traffic, the city was still so beautiful, everything was so nice.

Jun Wu Ren frowned, although he also wanted to marry Hou Yijun, but such an abrupt marriage, is it not as touching as a stumbling marriage like Lin Hao and Shen Xiyan, and he always felt that something was missing. ‘Brother Lin, I haven’t even proposed and I’m getting married straight away, isn’t it a bit too soon?’

When Lin Hao heard Jun Wu Regret's concern, he thought it was something, but it turned out to be just this kind of trivial matter, explaining to Jun Wu Regret, 'Brother Jun, are there worldly mundane rites that are more precious than feelings? Think about it, if you were to directly invite Hou Yijun to marry you at the wedding. Think about it, if you were to propose to Hou Yijun as a groom in formal attire and get married at the same time, how moved and happy would Hou Yijun be at that time?'

Jun Wu Ren fell into a divine resemblance, after carefully analyzing Lin Hao's words, he felt that it was very reasonable, how can I put it, this solution of Lin Hao's just happened to be a proposal, a marriage and a surprise, it was simply a one-step solution, he felt that there was no better solution than this, he agreed in one breath, 'Then fine, when will we get married?'

'Haha, look at you in a hurry, no hurry is these days, let's talk about the details, after all, four pairs of lovers

Chapter 963

'What four pairs of lovers?' Jun Wu Ren mentally calculated, holding on to the fence, rather like a king's breath returning in one, he thought wasn't it just three pairs of lovers? When did another pair of lovers emerge? Himself and White Tiger, Night One and Gu Yue, Mo Tianji and Lin Qingcheng, could there be anyone else?

Lin Hao revealed a deep smile and said happily and dotingly, 'There's also Shen Xiyan and I. That's why I'm spending you here. Because I want to give her a real wedding.' After saying that Lin Hao looked at Shen Xiyan inside the window, she was chatting happily with the very white tiger Hou Yijun, but inside her eyes, from time to time, she showed an envious look.

Jun Wu Regret was immediately a little confused, Lin Hao and Shen Xiyan wedding held several times, and want a real wedding? Looking at Jun Wu Regret's incomparable puzzled and puzzled look.

Lin Hao explained, 'This is my surprise for her, as a kind of compensation for love.'

Jun Wu Regret instantly felt like he had eaten a handful of something inexplicable.

On the way home, Shen Xiyan held Lin Hao's arm and looked back at where Jun Wu Regret and Hou Yijun had left, before turning back enviously for a long time and saying, 'Madam Jun was so happy just now, I envy her so much. But then again, they have been together for a long time before they got together, you don't know how much Hou Yijun loves Jun Wuhuai, and now they are finally getting married, bless them sincerely

Lin Hao dotingly touched Shen Xiyan's hair, gently rubbed it, and did not dare too hard, now his strength is too strong, if slight force, I'm afraid the general recognition can not really withstand, of course Shen Xiyan is his wife, how will he lay hands on her, this lifetime will not lay hands on her, no matter what. Love is too late, how can cause harm to her

Under the warm white street light, maple leaves fluttered to the ground and hit Shen Xiyan's shoulders, Lin Hao very warmly took that fallen leaf away and threw it away, incomparable seriousness, eyes full of love inside, Shen Xiyan raised her head to look at Lin Hao, found Lin Hao again under such street light, in such a scene, more and more handsome, he is like a king in general, huge voice shadow, powerful aura, terrifying strength, all the time give her a sense of security. Just such a man, he himself had thought of letting go before, perhaps it was because he loved him too much, so he had such thoughts

Shen Xiyuan couldn't help but tear up as she fought her way to hug Lin Hao, 'Honey, we? The actual fact is that you'll be able to get a lot more than just a few of these. Let's have a child. That way, I will think of you when I see him, and you will think of me when you see him, he is our attachment and the fruit of our love

Lin Hao was surprised to pick up Shen Xiyuan and said happily, 'Wife, thank you, I love you

Lin Hao also felt that he was at the age of having a child, when Wang Shufen mentioned it at noon, Lin Hao's heart stirred a little, but at that time Shen Xiyuan was too shy, Lin Hao could not say much, now Shen Xiyuan opened up, Lin Hao was naturally moved and excited.

After sending Shen Xi Yan home, Lin Hao had a hard time calming her down at home. He explained that if he had agreed on a wedding for his sister, Shen Xi Yan would have wanted to go too, but she thought that her own wedding was a scar that she couldn't get over, and now that the people around her were going to hold a big wedding, it hurt a little to think about it, so she didn't follow Lin Hao.

The view of the Bund was incomparably splendid and colourful, the lights and the cars and the horses, there was no taste of night at all, it was more like a nocturnal place, and his big brother was like a king overlooking the Bund.

He was called to the Kyushu Group by Lin Hao and did not over-question anything at the time, after all, his own big brother called out to him, he must have something to do.

'In my trip to the East, I saved Jun Wu Regret back. Of course it was Jun Wu Regret who gave me the medicine in the first place, and then was captured into the ancient prison by the Eastern Ying Ninja Alliance who issued a siege order. This action was both surprising and joyful, but there was also sorrow.' Lin Hao looked at the Eastern Ying side, as if talking to himself or sighing, and Jiang Shaoming just listened on the sidelines without answering.

Big brother was badly injured and his whole body was withered and old, if it wasn't for Jun Wu Ren finding the Eastern Ying Ninja Alliance Holy Pill for big brother to take, I'm afraid big brother would still be wearing a mask now, just that he also heard later that Jun Wu Ren was arrested by the Eastern Ying Ninja Alliance, he hated himself at that time for being powerless and unable to share some of the responsibility for big brother. Later on, big brother went alone, they all worried up, well in the end the ending is good, and later on the hundred innate clansmen banquet is also held very well, feel up should all be happy, big brother sorrow what is it sister-in-law's body

Lin Hao's sorrow is naturally in the ancient prison to see that with Shen Xiyan general appearance of people, but also that high martial world, these two days, that image from time to time recalled, Lin Hao also have shudder, after all, in that world of Shen Xiyan, to his eyes, is how cold, he did not dare to imagine if Shen Xiyan look at themselves like that, he should do

Super Son-in-law Chapter 964-966

Chapter 964

Shaking his head to shake these worries away, Lin Hao said with a smile, 'Shao Ming ah, this time I'm looking for you to come over to discuss my sister's wedding with Mo Tianji, and just Night One and Gu Yue, as well as Jun Wu Ren and Bai Hu, and mine, that's why I'm only looking for you alone. I just don't want more people, and this is my surprise for Xiyan.'

He knew that these worries could not be shared with others, because that image of the ancient prison was too magnificent and too real

Jiang Shaoming couldn't help but be happy for his big brother and feel very worthy for his sister-in-law after hearing this, everything that his big brother and sister-in-law manager, it was as if it was happening before his eyes, scene by scene, he felt thrilled when he thought back to it

‘Big brother, is your body alright... - ‘Mo Tianji asked worriedly, his eyes kept glancing at Lin Hao’s body, and only after finding that there were no injuries did he breathe a sigh of relief. Lin Qingcheng had been asking herself how Lin Hao’s body was, Mo Tianji hadn’t seen Lin Hao himself, so she didn’t answer too much at the time, but now she could go back and deliver. These days, Lin Qingcheng’s body is exhausted, now finally can have a good rest

‘What can I have going on.’ Lin Hao patted his chest, his tone was bright and his expression was plump, ‘Tianji, I asked Shao Ming to prepare for your wedding in a few days, this time there is also the Jun family head together, so when the time comes your limelight, may have to be stolen, I am here to say sorry to you and sister

‘Big brother, you are fine save good, I and Qingcheng’s wedding or not it does not matter.’ Mo Tianji was moved for a moment and hurriedly said.

Lin Hao patted Mo Tianji’s shoulder, this is his own brother, always thinking of himself, he does not want to let them also have a better life, only unfortunately his own identity, this experience, can not tolerate bland

‘This can’t be, must be held, and also has to be hugely blooming, because that day, I and Xiyang will also attend, I want to let Xiyang feel our love, this thing you have to give sister a good explanation.’ Lin Hao how do not want to go to see Lin Qingcheng, just afraid to see his sister will cry again, they have lost too much, too much, is something that ordinary people can not bear, he did not want to go to see his sister at this time, is afraid that his sister will not be able to hold back tears again, so he wanted to take this share of tears, left together at the wedding

‘Good.’ Mo Tianji is also a little excited.

Mo Tianji left and went directly to Jiang Shaoming's room, ready to collaborate with Jiang Shaoming to design and set up the wedding site.

Night one also came to Lin Hao's side at his summons, Lin Hao looked at Night one, the brother he was born into, who had blocked bullets for himself as a knife, hating the wounds he had endured, he wanted to taste them all over again.

'Big brother. I hate that I don't have the strength to accompany you to the East, to be by your side.' Night One blamed himself deeply and felt guilty, he had always been responsible for Lin Hao's safety, but now that he saw him so strong, he was incredibly happy for Lin Hao.

Lin Hao patted Night One's shoulder, these are his good brothers, always sharing for himself, Lin Hao said with a choked voice, 'East Ying is strong, I'll just go, you just need to protect Xiyan? The first thing you need to do is to protect Xiyan. The only thing you need to do is to protect Xiyan. Night one, this time you and Gu Yue's wedding, I will definitely hold an incomparably vast for you.'

Later that day.

Tianhai as well as Yanjing a shocking news reported out, a grand and magnificent wedding, is about to take place! This announcement was so public that countless powerful people in Tianhai and Yanjing could not sleep tonight.

Mo Tianji directed the Ministry of Information to release this news, the Tianhai City Kyushu Group General? The wedding of Yiyen Yi Wu Shan Fu Yi Lu? The wedding of the ruling's sister to herself, the wedding of the Gu family's thousandaire to Night One, and the wedding of the head of the Yanjing Jun family, the news of this chain of explosions, can not the Tianhai Yanjing countless powerful people shocked?

The wedding of the Gu family's daughter alone was enough to shake the entire Tianhai, not to mention Lin Qingcheng and Mo Tianji of the Kyushu Group?

Who is Lin Qingcheng? She is the daughter of the Lin family, one of the three great families of Yanjing, and Mo Tianji is also a senior member of the Kyushu Group.

Not to mention the wedding of Jun Wu Ren, the head of the Jun family, which would be an incomparably grand and voluminous wedding, an announcement alone would be enough to shake Tianhai Yanjing.

Of course Lin Hao's wedding to Shen Xiyan was not reported out because Lin Hao said it was a surprise for Shen Xiyan.

Gu Yue looked at Night One, her eyes full of happiness, finally, finally this havoc was over, Xiyan's body had recovered, Lin Hao had returned, and everything was over.

'Night one, we are about to get married

Gu Yue said as she lay in Night one's arms, her voice tinged with sobs, which were cries of happiness

Night One wrapped his arms around Gu Yue, feeling Gu Yue's body heat, his eyes full of love, yes, they are finally getting married, big brother and sister-in-law will also be present, their blessing, is the biggest gift on his own wedding

‘Finally getting married, we will never be apart again’ Night One's voice was also a bit choked up, Night One is a strong and powerful person, but how can I say it, there are times when an iron man has tender feelings, Gu Yue gave him company, gave him encouragement, gave him everything, let him feel another kind of warmth from outside his big brother Lin Hao

Will recall the thoughts of drifting across the ocean in Europe, the past scene, watching movies and eating and shopping, the two together as if they were in front of their eyes, Gu Yue's heart was sweet beyond compare

Lin Qingcheng sat on the edge of the bed with the dim lights on, these lights were like her mood, dimly lit. The light hit her face, making an already haggard person even more haggard. Mo Tianji looked at Lin Qingcheng with incomparable heartache. Who would have thought that such a person would have gone through what she had gone through before, with her family in ruins, and even her brother, who was so dependent on her, almost leaving her... ..

‘Lin Hao said that at our wedding, he would appear and would bless us. Qingcheng, Lin Hao didn't want to see you because he was afraid that when he saw you, he was afraid that you would be sad, afraid that you would shed tears, afraid that you would miss him when you saw him’ Mo Tianji couldn't help but feel a pain in his heart when he said here that among the people who died in the Lin family, there was also his own father... ..but he knew that it was all willingly done by his father

‘He's so cruel.’ Lin Qingcheng said with a pained face, in blaming Lin Hao, just still incomparably worried asked, ‘How is Lin Hao's body, is he hurt, he told me he was not hurt, I don't believe it, one Cang made Lin Hao hurt so badly, let alone the whole Eastern Ying Ninja

Alliance Is he deliberately deceive me, Mo Tianji, you are true to me, Lin Hao is not injured, afraid that I will scold him, afraid that I see him injured and hard!!!' Lin Qingcheng then shouted, she no longer wanted to bear the pain of losing her loved ones, her face full of tears

Mo Tianji hugged Lin Qingcheng tightly, his heart was like a knife, but he also felt the pain, but he knew that his own hard feelings were nothing compared to the pain she was suffering, not at all one ten thousandth of the pain she was suffering with her big brother Lin Hao

'Qingcheng, I looked carefully, seriously and carefully, Lin Hao really doesn't have any injuries, and is even in a much fuller state of mind than before.' Mo Tianji explained with a hoarse voice, this time feeling Lin Hao's aura up close, he was able to clearly feel that Lin Hao's strength had become a lot more terrifying, which is one of the reasons why he believed that Lin Hao was not injured, this terrifying aura was even stronger than the terrifying pressure brought by feeling Cang before

'That's good, that's good then I'm relieved otherwise I'll be sorry that mum and dad didn't take care of my brother

Lin Qingcheng said half-heartedly, after finishing, finally was tired, exhausted fell into Mo Tianji's arms, contentedly slept, not much later came a slight snoring sound, Mo Tianji heartbreakingly put her on the bed, just aside, quietly watching her, taking care of her, sleepy her from time to time, violent frown, face horrified, delighted satisfaction

He knew that Lin Qingcheng's dream must have countless images appearing

Chapter 966

Jiang Shaoming Mo Tianji and Gu Nansheng are discussing the best place to hold the wedding, after all, these three, no four couples are extremely high status people, if casually placed in a general, general family marriage can hold a wedding venue location, inevitably some of their status, and

especially Jiang Shaoming and Mo Tianji will not agree, there are older brother and sister-in-law to participate in this.

Their own wedding can be a little more casual, but the older brother and sister-in-law's definitely not.

Gu Nansheng was in deep thought for a long time, and finally his eyes shone brightly, this wedding is not only attended by his own daughter, but also by Lin Hao's sister, their Gu family is now a respected family in Tianhai, all because of Lin Hao's terrifying strength, no matter for the sake of repayment or for himself, this wedding can not simply be held

What is the landmark of Tianhai, the Pearl of the Orient!

Over the years, countless people wanted to hold a wedding on the Oriental Pearl, but unfortunately did not succeed, after all, this is the iconic building of Tianhai, ordinary people, ordinary families, how can they take the Oriental Pearl, but now his identity, perhaps he can go to try, even if it does not work, spend their own money, hire their own people, and beg in a low voice

'On the Pearl of the Orient! It is an iconic building in Tianhai, whether it can reflect status or show strength, as well as its own significance, it is worthy enough for this wedding

Gu Nansheng said solemnly.

When Gu Nansheng said the Oriental Pearl, Mo Tianji and Jiang Shaoming's eyes also lit up, if they chartered the entire Oriental Pearl for the wedding, it would simply be too perfect.

‘Good, that’s it then.’ Mo Tianji and Jiang Shaoming shouted excitedly.

Gu Nansheng also smiled and said again, ‘Then I’ll go to the Oriental Pearl now to talk about the time we’ll rent it.’

Lin Hao, who was just tired of shopping with Shen Xiyan, came to the Kyushu Group and heard him? The company’s main business is to provide a wide range of services and services. They were talking about the wedding venue, and when they heard about the Oriental Pearl, they also felt that this place was good, especially when they looked at Shen Xi Yan’s incomparable envious gaze, they even felt that this was the place to be.

‘Wow, a wedding on the Oriental Pearl? That’s just too happy, it’s the most iconic building in the whole of Tianhai. It can look around the entire Tianhai, to be able to get married on it is simply too happy husband, let sister and Gu Yue hold their wedding on it, it is also worthy of the status of the Jun family head’ Shen Xiyan said excitedly, her small face slightly red, a pair of eyes inside full of envy, just a sudden outflow of a trace of sadness, ‘just will it be rented to us, after all, he is the Pearl of the Orient’

Lin Hao gently rubbed Shen Xiyan’s head and said with a smile, ‘It can definitely be leased down. If I can’t, I’ll go ahead and talk about it myself, I still don’t believe it, the other party won’t lease it.’

‘Honey, you’re amazing!’ Shen Xiyan raised her head and looked up at Lin Hao, the whole person was very satisfied, there was worship inside her eyes, this moment she was too happy

‘Sister and Gu Yue will definitely feel happy because they got married in the Oriental Pearl, hehehe’ Shen Xiyan said the Oriental Pearl again, her tone aggravated.

‘If they don’t agree, then we’ll just take over the Oriental Pearl.’ Lin Hao said incomparably domineering, Xiyan likes this place, naturally he cannot let Xiyan down.

Gu Nansheng Mo Tianji Jiang Shaoming turned around and saw Lin Hao coming, Gu Nansheng hurriedly stood up with the intention of saying hello, Lin Hao waved his hand and told him not to curtsy. Gu Nansheng helped Shen Xiyan, he always put it in his heart.

‘Shao Ming you go and talk about it, so don’t let the Gu family head come out personally.’ Lin Hao instructed Jiang Shaoming, he was assured that Jiang Shaoming would do his job, if the tiny Oriental Pearl didn’t even agree to their lease, it would be too much to look down on Lin Hao.

‘Good.’ Jiang Shaoming nodded his head without a moment’s hesitation, and then packed up and left for the Oriental Pearl directly.

Gu Nansheng looked at Shen Xiyan and found that she looked much better, she also felt happy for her, she used to help Shen Xiyan for the sake of her daughter, and subsequently was even more taken care of by her husband, with the Gu family today, she had to be grateful to Shen Xiyan no matter what.

‘The Lin family master’s trip to the East and eradicated the East Japan Ninja Alliance, the Lin family master is simply a benefactor to the Chinese martial arts community as well as to China. The young Gaijin is so proud, Xiyan is simply too happy.’ Gu Nansheng said with a smile.

Shen Xiyan had suffered from Gu Nansheng’s care, helping her out for Lin Hao, and had always been grateful to Gu Nansheng, ‘Thank you godfather for the compliment.’

‘Good, good. My good daughter, Gu Yue must be very happy because she has a best friend like you,’ Gu Nansheng, as the head of the first family in Tianhai City, surprisingly also had to say such flattering words. How can I say this, Lin Hao’s current status is too terrifying, it’s almost like he saved the entire Chinese martial arts world with his own power, such a person, is the entire Chinese qi luck!

Lin Hao was also happy and contented as he watched Shen Xiyan and Gu Nansheng making nice friends. He enjoyed this kind of small talk very much, chattering about the parents, all feeling not so boring and monotonous but very wonderful and happy because of Shen Xiyan.

Super Son-in-law Chapter 967-968

Chapter 967

Tianhai Oriental Pearl, at the moment, is bustling with tourists wrapped in three layers inside and three layers outside. The extremely oriental now architecture of the tower, more than four hundred meters high, the technology of the conditions, from the top floor looking down, the people below is the same as people in the ten meters high floor looking down, completely invisible.

Jiang Shaoming did not call his secretary for an appointment because he was in a hurry to come, and he was non? The wedding is a very urgent event. The wedding was so intense that there was no time for him to waste, so he just came

‘Good day, sir, tourists like you who make requests like this are not 10,000 or 8,000, but sorry, the Oriental Pearl can not be rented, after all, do not look at the iconic significance of this Oriental Pearl,’ said the female ticket agent at the front desk with a contemptuous tone, she The company’s main business is to provide a wide range of products and services to the public. This is not to come over here to be funny.

A wealthy man from Jiang Jiang could not help but laugh out loud, ‘Renting the Oriental Pearl? This is ridiculous, it’s like someone saying they want to rent the Forbidden City, ‘This brother, you look so funny when you talk big, you still want to rent the Oriental Pearl, why don’t you rent the Forbidden City? That’s where the emperor lived, it’s more meaningful, hahaha’

Jiang Shaoming frowned, from the beginning this conductor did not have the attitude to talk to him properly, kept sneering, if not for his own urgency, where would he have talked to her for so long.

Jiang Shaoming said, ‘I am Jiang Shaoming of the Kyushu Group, I would like to have a meeting with your head.’ He was actually quite helpless, if he was placed in Nanjiang City, all he had to do was give a name, where could he not go? Now that he had arrived in Tianhai, he had also revealed himself and said that he was Jiang Shaoming of the Kyushu Group, but the other party still ignored him, which made him a bit annoyed.

‘Brother, I heard that this Kyushu Group is now the number one group in Tianhai, I heard that it was the number one group in Tianhai after the merger of the three groups in Kyushu Tianhai Tian Yao. It’s just that you say you are Jiang Shaoming of the Tianhai Group, you have to show some proof, right? Besides, most of the visitors present are rich and powerful, we travel, we wouldn’t come alone like this at all, after all, usually rich people, can make a reservation first, then come to the door, you are coming directly to the front desk to pester, are you a pseudonym, ah?’ Jiangnan side of the tycoon a praise Kyushu Group, but at the same time to Jiang Shaoming’s identity to maintain suspicion strengthened a lot, how to say it, he is also worth several hundred million tycoons, he traveled before his own secretary to travel before the affairs of the arrangements, to any place, someone directly to receive on it, but like the one in front of you, it seems to make people suspicious, after all, the really rich, some even Even two meters away from a car not to mention the Kyushu Group’s Jiang Shaoming such a person of unparalleled value

Jiang Shaoming was this Jiangnan side of the rich man said the heart anxious, this person has been here and delayed time. And it has led to more and more onlookers and more people pointing fingers at him. If this delay continues, I’m afraid it will take up a lot of big brother’s time,

and by then big brother will definitely feel that he can't even handle such a small matter and needs him personally

After chatting with Gu Nansheng Mo Tianji for a while, Lin Hao was also unwilling to delay their discussion of setting up and designing the wedding site, and Shen Xiyuan especially wanted to come out and take a look at the Oriental Pearl.

The tour is originally suitable for couples, Shen Xiyuan one is their own want to come over to see, the second is want to come over to feel the feeling of getting married on top of the Oriental Pearl, after all, their best friend is about to get married on top of this iconic building, this is the Oriental Pearl eh, the most famous building in the entire Tianhai, more than with modern architecture, when it comes to him, many Chinese people are proud of, in such a place to get married, simply too happy

Unfortunately, himself

Chapter 968

Shen Xiyuan got out of the car and looked at the Pearl of the Orient in front of her, it was incomparably tall, towering into the clouds, standing majestically on the shore, gazing at a piece of the sea, and behind it was the bustling city, it was simply too perfect.

‘Husband, sister they are getting married here, it's simply too happy, I'm happy for sister Gu Yue and Madam Jun.’ Shen Xiyuan took Lin Hao's arm and said with a smile, while going on to say, ‘So many people, getting married in front of so many people and receiving their blessings, how happy and beautiful it is

The more people bless the wedding, the happier the couple will be, and the Oriental Pearl gathers so many tourists, when the time comes to wrap it up, it will certainly not drive the tourists away, but everyone celebrates together, and then when the wedding is going on they are blessing it, as for the top floor, it is certainly only those who receive the invitation can go up

Lin Hao also looked at the Oriental Pearl in front of him, remembering the first time he wanted to tell the world about Shen Xiyuan, the image of the rose floating city, now vividly he looked to the distant coast, a cruise ship ship like a child happy Mercedes, the heart can not help but have a wonderful idea

That day rose floating city wedding, is his gift to Shen Xiyuan flowers, now the romance at sea is in front of the eyes, the prelude to the wedding is not again? Luxury cruise ship holiday at sea, it is meant to have a romantic meaning, how many rich people with beautiful women on the cruise ship cheer just a little too much cruise ship on the coast this day, not special enough to have a special meaning

Others are able to send, he hopes that Shen Xiyuan have, but others can not send, Lin Hao he only feel special, because to give special Shen Xiyuan, not special how can dog represent their own feelings?

‘Honey, what are you thinking about?’ Shen Xiyuan raised her head? The first thing you can do is to look at the ground. Follow Lin Hao’s gaze looking at the distant sea of the cruise ship shadow, eyes inside some shining, she also want to follow Lin Hao on a cruise ship holiday, which is like a lover with a couple

‘Didn’t think anything of it, let’s go to the Oriental Pearl and have some fun.’ Lin Hao shook his head and said.

Two people came to the ticket office, Lin Hao and Shen Xiyan is two people out to play, and did not ask the secretary to do all the preparations, how to say, this is a sweet time for two people, he does not want to be like a responsibility, a board to plan, go out to play loose heart is originally loose and leisurely

‘Hello, two tickets.’ Lin Hao walked up and said loudly, because he saw that the ticket agent kept looking not far away and had to point loudly prompt.

‘Good, good.’ The ticket clerk didn’t even turn his head over and said back.

Lin Hao couldn’t help but frown, this service attitude made him uncomfortable, the ticket agent in front of Lin Hao said contemptuously, ‘He said he was Jiang Shaoming of the Kyushu Group, huh, and said he was going to rent out the entire Oriental Pearl as a wedding venue, don’t be ridiculous, this is the Oriental Pearl eh, who can rent it out? And don’t look at even if it is rented, how much it will cost a day, just the advertising cast screen don’t know how much money, and then the profit a day

Her colleague next to her also teasingly laughed, ‘also said he was Jiang Shaoming of Kyushu Group, Kyushu Group is the number one group in Tianhai, which has the top himself running over to talk about such things, and also talk to a receptionist, this is not self-deception, when we are fools?’

‘Yes, yes, this person is both stupid and bad.’ The ticket agent in front of Lin Hao sneered and then punched the tickets for Lin Hao.

Lin Hao listened to the conversation between the two, and instantly knew that it was Jiang Shaoming who was in trouble, this Oriental Pearl not only did not rent down, but also fell in front

of the day before yesterday, if this was heard by other group bosses in Tianhai, I'm afraid Jiang Shaoming would be laughed at for a long time

Shen Xiyan is also covered her mouth lightly laugh, Jiang Shaoming simply too funny, was so many conductors mocked, she looked at Lin Hao can't help but look, can't help but say, 'husband, why don't you go to Jiang Shaoming to relieve it.'

Lin Hao rubbed Shen Xiyan's head and smiled sweetly. The conductor in front of Lin Hao heard Lin Hao's Shen Xiyan's conversation and looked deeply puzzled, these two were talking in a decent manner, it couldn't be that person was really Jiang Shaoming, right?

When she was wondering, another conductor sneered and said, 'What's going on today, there are those who impersonate the senior management of Tianhai Group, and now there are those who help out, is this a full set of acting?'

Super Son-in-law Chapter 969-970

Chapter 969

'The two of them talking like that, it's really infuriating!' Shen Xiyan was a little angry glaring at the two conductors, originally she did not want to be catty, but these two people kept talking non-stop, not only about Jiang Shaoming, but also about Lin Hao's Kyushu Group, that is her husband's group, the most bullish group in the whole day sea, besides, who dares to impersonate people from the Kyushu Group, not afraid of being found accountable by people from the Kyushu Group? What an abomination.

'Yo-ho, still angry, we are speaking the truth, the senior management of the Kyushu Group even to find the front desk to make an appointment with the senior management of our company, if a random person is able to find a meeting with the senior management, will not our Oriental Pearl become a joke? When the time comes that micro cats and dogs all say they are from the Kyushu Group, won't our Oriental Pearl become a rubbish place? Everyone can enter!' The first ticket agent

snorted coldly, his tone was harsh and his attitude was incomparably poor, angry at Shen Xiyan's chest floating, Lin Hao was a little angry

The other conductor fiddled with his fingers, his demeanor contemptuous, his afterglow drifting towards Shen Xiyan, 'Isn't it just because of good looks? What's the big deal, how many big bosses are there in here? Love zero love Wu Yi closed flick? The woman who brought it, also do not know who to follow today with who

Lin Hao this time can't hold back, the two of them not only scolded Kyushu Group is a cat and a dog, and now the spearhead against Shen Xiyan, said Shen Xiyan is a foreign aid girl, this how he can bear? How much he loved Shen Xi Yan, he didn't even dare to talk about her and scold her, but these two little conductors were good, they kept talking about her and humiliating her, they were simply slapping his face

This is simply intolerable!

Lin Hao walked up and domineeringly slapped the second conductor directly in the face, her name is Liu Huihui, she is a local of Tianhai, her family also has some small money, she is also somewhat pretty herself, she works here to catch really rich kaiju, after all, how many pairs of people who come to the Oriental Pearl to play are couples? This no one knows, dewy-eyed lovebirds thing, others can do, she can also do

The actual fact is that you can find a lot of people who have been in the business for a long time, and you can also find a lot of people who have been in the business for a long time. What gives you the right to beat people up!'

‘Fine, you foreigner, how dare you hit Hui Hui, do you despise us at the Pearl of the Orient!’ The first female conductor was furious and pointed at Lin Hao and Shen Xiyan, she had never encountered such a thing before, then took out her mobile phone and reported directly to her leader.

‘General Wang, Hui Hui has been beaten up.’

‘What, how dare someone make trouble at the Oriental Pearl, it seems this is in defiance of the authority of Tianhai! I’m going over there, Li Ling, don’t let anyone get away, I won’t let him break an arm, my surname isn’t Wang’

The phone was on external amplification, and the people who came over to the crowd could hear it clearly.

The wealthy businessman from Jiangnan who mocked Jiang Shaoming earlier came over and asked what was going on here, and when he learned that it was related to the Jiuzhou Group, he couldn’t help but sneer.

‘This is the end, I’m afraid that even if these people are really from the Kyushu Group, they can’t escape, this Oriental Pearl is famous, not less famous than the Kyushu Group’ he said to the person next to him.

Li Ling pinched her mobile phone and said with a brutal face to Lin Hao smugly, ‘Don’t you run away, when our President Wang comes over, he will definitely scrap your hand, daring to hit someone in the Oriental Pearl, it’s just looking for death!’

‘Humph, I’d like to see how arrogant this Oriental Pearl’s people are!’ Lin Hao said with incomparable anger, someone in China actually said that they would scrap his hand, if this was heard by Jun Wu Regret, I’m afraid he would have to laugh at him for the rest of his life

It was simply ridiculous to the extreme.

Jiang Shaoming pushed the crowd away in anger and found that the person making trouble over here was actually Lin Hao, and remembered that he had been mocked, and suddenly his face was shameless, he thought Lin Hao should already know, and then he was a bit chagrined, he could not even do this little thing now, he was simply ashamed of his big brother’s trust

‘Big brother, I

‘Jiang Shaoming walked to Lin Hao’s side shrugging his head down with a guilty look on his face.

Lin Hao knew that Jiang Shaoming was blaming himself and shook his head, ‘It’s okay, these people are just dog-eyed, when their stewards come, I’d like to see who dares to clean us up! Moreover, this man even insulted Xiyan, he’s just looking for death!’

‘What? How dare he insult his sister-in-law! Damn, big brother you don’t even dare to talk about sister-in-law, how dare he be insulted, I’m calling someone, today

‘Jiang Shaoming was trembling with anger in his liver and guts, how dare she insult big brother’s heart, she doesn’t know how much big brother loves sister-in-law, she’s just looking for death!

The actual fact is that you can find a lot of people who are not only in the market, but also in the marketplace. When our President Wang comes, we will definitely arrest you and throw you into the Huangpu River!’

Chapter 970

‘What did you say! Damn it, you’re looking for death!’ Jiang Shaoming exploded in anger and went straight up to slap Li Ling on the face. She dared to say that she had thrown Big Brother into the Huangpu River, how could she stand that? Who was big brother, he had saved the entire martial arts world of China, he was the president of the Kyushu Group, the head of the Lin family, one of the four great families, and the pride of Tianhai and even China, how could he just be called a drink?

Li Ling was dumbfounded, and they dared to hit someone! It was so arrogant, they simply didn’t put the Oriental Pearl in their eyes!

Over there, Wang De Wang, the General Manager, was having afternoon tea with one of the project team leaders of the Kyushu Group, and after receiving the call, he stood up somewhat embarrassed.

‘Brother Wu, some embarrassment, someone is causing trouble outside the Oriental Pearl and has beaten someone up, I’m going over there to deal with it’ Wang Dewang said with some embarrassment, this is simply a slap in the face, he himself is still bragging in front of him how good the Oriental Pearl is and how supreme its status is, before he can say anything, he is being slapped in the face, he is very annoyed, he would like to see if this person can withstand the wrath of the Oriental Pearl

Wu Haibo also smiled, did not laugh at Wang Dewang’s intention, followed him and said, ‘Mr. Wang, let’s go and see together, the Kyushu Group is superb in Tianhai, and we have a good chat as brothers, if we need help at that time, I can also give a hand

‘Then I’ll be grateful to Brother Wu.’ The first time I heard the words of Wu Hai Bo, the heart of the false heart instantly reduced a lot, at the same time after the light to look at Wu Hai Bo, is this the people of the Kyushu Group, I have to say that the status of the Kyushu Group in Tianhai, simply too high, a project team leader is some such a powerful aura, then those senior management, is not even more terrifying... ..

The two walked one after the other towards the ticket hall, and it could be seen that Wang Dewang was quite respectful of Wu Haibo, and had been leading Wu Haibo forward, like an underhand reporting to a leader, respectfully

Liu Huihui had already cried red eyes, when seeing Wang Dewang, already cried hoarse throat once again moved to cry, Wang Dewang is also angry, Liu Huihui face slap of the red mark has not yet dissipated, Li Ling’s face also has a scarlet slap.

‘Who the hell was that!’ Wang Dewang’s round eyes glared as big as copper bells, and it was evident that he was really very angry.

Wu Haibo was shocked in place as he stared at Jiang Shaoming and then saw Lin Hao, instantly his whole body was shaking with excitement, this was the president of their Kyushu Group, the head of the Lin family, one of the four great families of China, Lin Hao!

‘President Wu, President Wu, what’s wrong with you?’ Wang? West zero cover picketing whisked the ground meant to picket? After De Wang finished roaring in anger, he saw his respected friend, his eyes were trembling with tears in excitement, how a big man was excited, that must be seeing his idol, and looking at his look of awe, it was like he was praying to the gods

Wang Dewang for a time the bottom of the heart is a little bottomless, began to be a little vain, these two could be more than Wu Haibo's identity is more honored? He is the boss of the ticketing front day, the manager of the ticketing department, facing Wu Haibo a project team leader's heart is a little weak, if facing other senior management of the Kyushu Group, completely do not know how to face

'Mr. Wang is the three of them, the beating is two men, but this woman looks like a vixen! Mr. Wang, arrest them and return them tenfold!' Li Ling saw that her backer had come, Mr. Wang was also a person of some status in Tianhai, these outsiders could not win against Mr. Wang at all, hey, she suddenly felt no pain in her face, even very cool, thinking that Lin Hao was so handsome Shen Xiyuan was so beautiful, if she gave them both a dozen slaps, or even more if she broke their phase, it would be even more perfect... ..

The only thing is that Mr. Wang looked so respectful to the person he brought over, could it be an existence with a superb status in Tianhai? Instantly her eyes lit up, not to mention her, Liu Huihui likewise began to organize her dressing, while lowering her head to look in the mirror, and found that her grooming was quite good, before she raised her head and smiled flirtatiously and lightly at Wu Haibo

A look at it is obvious, is again flattering to please

But the next moment

Wu Haibo's voice trembled and he shouted incomparably in awe, 'General Lin, General Jiang, Madam

What?!!!

The whole room began to fall silent

Wang Dewang felt that his ears were a little bad, looking at Wu Haibo with fascination, he asked Wu Haibo with the same trembling voice, ‘Mr. Wu, these three

‘This is the president of our Kyushu Group, Mr. Lin, next to him is his wife, and the other one is his brother! Your men even said they were going to arrest him, and I heard they were going to sink him into the Huangpu River! Wang Dewang, you’re so hung up at the Oriental Pearl, you don’t even have the president of our Kyushu Group in your sights!’ Wu Haibo shouted angrily, he was so angry when he heard the gossip just now, these two little conductors wanted to sink the CEO of their Kyushu Group into the river or break his arm? It was unimaginable how arrogant people would dare to say such things
