

Super Son-in-law Chapter 971-980

Chapter 971

Wang Dewang was so frightened that he sat straight down paralyzed on the ground, then rebounded violently and jumped up, slapping Li Ling and Liu Huihui fiercely!

‘What the fuck are you talking about? How dare you threaten the president of the Kyushu Group here, how much of a bully do you have to be and how high must your social status be?’

Slap

The more Wang Dewang said, the angrier he got, offending the president of Kyushu Group, whether he wanted to live or not. That is the president of the Kyushu Group ah, how to say it, look at the original Tianhai four big clans now how many said left will know, how many family heads died, how many clans all under the jurisdiction of the Gu family, how terrifying hard power this must be to make the original Tianhai clans heartily convinced, no one dares to voice complaints

The actual fact that he, he actually offended the president of the Kyushu Group because of the people underneath his hand, isn't this just looking for death? And it's still yellow mud falling from the inside of his trousers, it's not shit.

‘Mr. Lin, Mrs. Lin, Mr. Jiang, this is a case of my men not knowing what to do, it is not what I have ordered, and it is not my business.’ Wang Dewang hurriedly explained, a man in his forties with a crying voice, which made people feel a bit funny, but none of the Tianhai locals present dared to make fun of this

The boss of the Jiuzhou Group, single-handedly reorganized the entire Tianhai order, is the family head from the eye hidden family, such a terrifying identity, not to mention the Oriental Pearl tiny ticket group leader, is the head of the Oriental Pearl to see Lin Hao also have to nod and bow to it

Who would have thought that these three people are actually the real people in charge of the Kyushu Group, originally thought to be impostors, everyone ridiculed, but now it is real

The rich man on the Jiangnan side before is at this moment rubbing cold sweat on his forehead, not even his female companion, hiding in the middle of the crowd and backing away in fear, only others do not want to let him go, and the conductor who spoke out against Jiang Shaoming before grabbed him with one hand.

She but knows that she has offended Jiang Shaoming, if not to please or otherwise, the consequences are unimaginable, the Leng family so big family, said to be gone, she a small conductor, if she has always been thought of, it would still be.

‘Jiang Jiang, this person...this person has been fanning the flames among the crowd before, if it wasn’t for him, I wouldn’t have been able to block you for so long, and I wouldn’t have let Mrs. Lin be slandered by our conductor, it’s all because of him, it’s all because of him saying something about how Jiang, the president of the Kyushu Group, won’t come personally to talk about business or something, I think he’s been flaunting his power just because he has a little money, otherwise there wouldn’t have been so many accidents, Mr. Wang, the cause is all because of this person’

As soon as Wang Dewang heard these words, his hand, which was still tingling after just slapping someone, grabbed this rich businessman from Jiangnan side, and went up and gave him a

fierce slap, 'Pa

, after the slap, Wang Dewang lifted his foot and just kicked, not caring which place he was a rich businessman, 'Mr. Lin, Mrs. Lin, it's all because my people listened to the slanderous words, which led to delirium, I'll take it out for you here

'Ah, oh, ah

 pain

The sound of wailing coming from the flesh and skin made people's skin tingle

Wang Dewang hurried to Li Ling Liu Huihui three people to make eyes, three people saw the appearance of Wang Dewang, no longer before the arrogant look, a face of panic and disorientation, suddenly all kneeling on the ground, fiercely slapped themselves, Wu Haibo has long been furious, went up to Li Ling and Liu Huihui fiercely slapped a few slaps.

'What these slaps tell you is that there are some things you can say and some things you can't, and who dares to impersonate the reputation of our Kyushu Group? Today here is to tell you people that no one dares to impersonate the reputation of our Kyushu Group, moreover, our president's and the president's wife are not something anyone dares to slander!' Wu Haibo looked at Lin Hao's gaze, the whole person was as if he had fallen into a cold kiln in the ninth heaven, he knew why the president was so angry, how much the president loved his wife, ordinary people could not understand, even those of them who had come over could not understand that kind of love. And he was drinking tea and chatting with Wang Dewang, on this matter, more or less himself is responsible, he has no reason not to take action

'Mr. Lin, Mr. Lin we were wrong! We were wrong, ah, it hurts, don't ah, we were wrong, we were wrong, oooh

'We apologise, Mr Lin, please let us go, ah, it hurts, my face

After Wu Haibo stopped, Wang Dewang didn't let go of his anger

'Forget it.' Shen Xiyuan is finally a little intolerant, these people have been punished as they should be, see Lin Hao did not say let them stop, Liu Hui Hui Li Ling three people heard Shen Xiyuan's words after originally with a bitter celebration inside, but Lin Hao's voice did not shout to stop, Wang Dewang also dare not stop

'Old? The ground Shan zero closed whisked to cover er Lu? Gong, forget it, I'm not angry

'Shen Xiyuan shook Lin Hao's arm and said petulantly.

Chapter 972

Lin Hao only then raised his hand to indicate to stop, Shen Xiyuan is not angry, he still has gas, only Shen Xiyuan repeatedly pleaded for them, Lin Hao also let it go, but still cold eyes said, 'I do not want to see these few people in Tianhai!'

'I'll get rid of them here

Wang Dewang said fawningly, his whole face screwed up in a smile

'You should be thankful that my wife is kind, otherwise, humph!' Lin Hao's eyes were once again icy cold, incomparably cold

Wang Dewang shuddered and his whole body trembled violently.

‘Take him to see your person in charge, if it wasn’t for the important things that need your Oriental Pearl, I would never come here again in my life!’ Lin Hao pointed at Jiang Shaoming and said to Wang Dewang, this matter didn’t need him at all.

Wang Dewang nodded repeatedly, not daring to refuse, he even hated to go with Lin Hao, after all, when the time comes, his own top boss still speaks two words with for himself, but thinking that this is Lin Hao, suddenly felt, he better not go, it may happen again just now the scene of frame-up, after all, his own boss may not be able to withstand Lin Hao’s anger

Wang Dewang because of this idea just now, and feel numb, after calling people to dismiss the team, Wang Dewang is in front to Jiang Shaoming to lead the way, just as he thought, the head of the Oriental Pearl where he dared Lin Hao to go forward to him, heard Lin Hao in the ticket department angry, completely disregard for a tens of millions of dollars project they are talking about, rushed to the scene, he saw Lin Hao has not gone, this is a sigh of relief.

His name is Xiao Mingen and he is the general manager who manages the Oriental Pearl Tower, a middle-aged Mediterranean man in his early fifties who hurried up, panting more than

‘General Xiao

‘ Wang Dewang immediately went up to greet, Xiao Mingen lifted his hand is a slap, after hitting, to Lin Hao Lehua respectfully said, ‘General Lin, the men do not know how to do things, let you angry

He finished beating the person of people, that relaxed and easy expression? Lu Jie serving ground Lu Yi Xi Xi? The person who has been in the business for a long time, as if nothing has happened, after saying that it is with Shen Xiyan Jiang Shaoming greeted, attitude are incomparably respectful

Li Ling Liu Hui Hui looked at their own top boss was Xiao total over is slapped, the heart has long been no complaints, at this moment more shock and dare not look up Lin Hao

Even Wang was beaten, they were beaten, deserved, and fortunately Wang came out first, with the attitude of Xiao just now, I'm afraid that they are no longer simply a slap on the wrist thing, can not come to Tianhai in the future, but can not stand up in the future, or other, think about the fear

'The company's main business is to provide a service to the public. The first thing you need to do is to make a phone call, after all, the Kyushu Group is the face of our Tianhai, and I heard that it is still the sister of Mr. Lin and the Miss Gu family married such a big thing, rent the Oriental Pearl, is my safety can accept, this is in the Oriental Pearl advertising ah, this good thing, hit the lantern can not find, we signed this, this is signed, when the time not to say the Oriental Pearl, is

Xiao Mingen became more and more excited as he spoke, and finally pointed to the shore to catch.

But was Lin Hao to stop, the shore that piece he still need to then whole surprise, if Xiao Mingen said it directly, their own surprise has to be one less, which is not worth the loss.

'Shao Ming, later on you talk to Mr. Xiao specifically about the contract, how to count the money still need to count the money.'

Lin Hao interrupted Xiao Mingen and instructed Jiang Shaoming to say.

Xiao Mingen said repeatedly, 'General Lin, General Lin, you are not looking down on the Oriental Pearl of Tianhai, when you lease it, say hello to me here, what kind of money do you want, General Lin, the Qian's can't ask for it.'

Xiao Min is simply to give Lin Hao to make amends, he would not like Lin Hao do not want money, this Lin Hao said to give money, simply scared his guts out.

How to say, others social status is not high, can not approach Lin Hao in the past in the sky sea of domineering matchless, but he was able to contact ah, the closer, the more people feel to feel the fear from the depths of the soul, is the kind, the thought of a trembling horror

‘Let’s talk about it when the time comes.’ Lin Hao said indifferently, completely unconcerned, after all, renting the entire Oriental Pearl might cost millions and millions of dollars, but for him, all the money is just numbers now.

‘Okay, okay, never give money, never say anything about money’ Xiao Mingen still didn’t forget to say

‘I have some things I need to talk to you alone, wait for me.’ Lin Hao said to Xiao Mingen, then turned his head to look at Shen Xiyan, eyes inside the deep feelings with a little heart, after all, they talk about things but also circumvent Shen Xiyan, which for him, is to be unfaithful to his feelings, but this surprise, Lin Hao does not want to turn directly into a small gift small holiday so simple.

The fact that the company’s business is not only a good one, but also a good one, makes it a good one.

See Shen Xiyan’s loss, but Lin Hao felt it was worth it

Inside the Oriental Pearl Cafe, the interior is lightly decorated and full of sweet ambiance, perfect for couples to come here for a cup of coffee and a pounding of the legs when they are tired of playing.

Of course there is also a business area, otherwise how can I say it, it would look like the people who run the shop are in over their heads

Business area.

Xiao Mingen personally brought Lin Hao a cup of cappuccino, held it in both hands and said respectfully, 'Mr. Lin, I don't know what you're looking for from me.'

'Nothing really, it's just that those cruise ships on the shore that do or don't belong to the Pearl of the Orient, on the day of the wedding, I need to rent them.' Lin Hao nodded his head and said indifferently. As soon as he thought of this matter becoming a direct success, his mood, which was delayed because of the matter just now, instantly got a lot better.

'Mr. Lin, you just said it directly, why did you have to come here' Xiao Mingen said with a big smile, thinking that he thought something was wrong, only to say that he found Lin Hao's eyes a bit odd, which stopped

'Because my wife wanted to go on a cruise for fun, but she didn't tell me, but I knew again, so when my sister and them got married that day, I was going to give her a surprise.' Lin Hao said.

Xiao Mingen was suddenly enlightened, while looking at Lin Hao again. In his heart, he sighed, how much did the Jiu Tian Group's General Manager Lin love his wife, he had heard before that General Manager Lin loved his wife to death, now he saw that he was really much finer than the legend, such a deep and delicate man, did Shen Xiyan save a galaxy in her last life?

After all, there are only a few men in the world who are as young and wealthy as Mr. Lin, and have such a distinguished status, and there are only one or two of them in the whole of China, one being Lin Hao and the other being Jun Wu Ren. These two were great figures who had topped the sky, that patriarchal banquet a few days ago, that feeling of a great banquet, he had never seen it even after so many years in Tianhai, especially that one old god-like figure, so rare that he had only heard of it slightly after so many years of travelling in China, such a stunning and decisive event, but there was no one before, no one after... ..

‘Mr. Lin, this matter is wrapped up in me, when the time comes we'll do this this‘

Xiao Mingen talked with Lin Hao for about half an hour or so, and after Lin Hao listened to his idea, he thought it was very good and told him to go back in and write the whole design properly into a document and send it to him.

In the evening of the same day, the Pearl of the Orient released the news that

Three days later, the Oriental Pearl will not allow anyone who has not booked a ticket to enter, but those who have booked a ticket will witness the wedding of Lin Qingcheng, the sister of Mr. Lin of the Kyushu Group, to Mo Tianji, a senior member of the Kyushu Group, the wedding of Miss Gu and Night One, and the wedding of Jun Wuhui, the head of the Yanjing Jun family, to Hou Yijun. Those who attend the wedding on that day will receive a mysterious gift pack and, at the same time, will be eligible to participate in the cruise activities!

The same: the cruise ship on that day in addition to the commercial cruise ship under the Oriental Pearl, other companies under the cruise ship also together on that day in order to participate in the wedding activities and stop the sea, for our deep apologies, in order to compensate, we give a lapse of time or compensation double the deposit.

Note: The cruise was an additional event to the wedding, set by a couple to congratulate the three lovers, and was as follows.

‘Event theme: love Venice by the sea This is a man to his lover’s love, but his lover does not know that there is such an event, in this artificial Venice by the sea, that day, she will Shi the whole sky sea the happiest woman, let us look forward together, this lady Please watch the following AI production scene picture’

Shen Xiyan, who was following this news, saw that the cruise ship she had her heart set on had come out with such an event, and looking at the introduction, it was a gift from a man to his wife, Shen Xiyan couldn’t help but think of Lin Hao’s previous rose floating city to herself, at that time, she felt she was the happiest person in the world, only now looking at others’ Venice on the sea, that rose floating city felt like it went up, compared to this, it looked a bit low grade

Her afterglow looked to Lin Hao, found Lin Hao for indifferent. Lin Hao of course indifferent, after all, this activity theme of men, then? I er yi xi zha xi lu shan? It’s him, it’s just that he can’t tell Shen Xi Yan, but after three days, Shen Xi Yan will know that this is his own doing, in deflate a few days will be fine.

Wang Shufen is also a woman and after seeing this, she was also envious, ‘Wow, so romantic, using a cruise ship to create Venice, how much does this man have to love his lover?’ But after Wang Shufen finished, she immediately looked at Lin Hao, ‘Good son-in-law, you’re better than him, hehehe’

It was okay if Wang Shufen didn't say it, after she did, Shen Xiyan's heart became a little more uncomfortable, sullenly not speaking.

Super Son-in-law Chapter 974-976

Chapter 974

This time, Gu Yue sent a message, 'Xie Yan did you see, this is which does not see the eyes of the people ah, and even said to celebrate us, is simply to steal the limelight of my wedding, Lin Hao how to say? That is his sister eh? That is his sister eh, hey, such a romantic thing, Mo Tianji can not do, your family Lin Hao has sat, but this time is certainly not, after all, this wedding has little to do with Lin Hao'

Gu Yue was complaining, talking about her own affairs, but Shen Xiyan felt very uncomfortable and depressed listening to her, she was originally stimulated by the wedding matter, and now she was again stimulated by such a romantic thing, and was also taken to task by Gu Yue, her mind directly collapsed

The actual fact is that you can find a lot of people who have been in the business for a long time. '

At this moment, Gu Yue, like a young girl waiting to get married, is talking to herself, and also like she is pouring out her feelings to her best friend at this moment, she has countless words to say, because this is the happiest moment of her life, she needs to share herself to someone at this moment

Shen Xiyan's hand that was squeezing the phone was a little pale, but Gu Yue did not stop talking.

‘Xiyan, I’m about to get married, on the Oriental Pearl, it’s the place Lin Hao chose for us to get married, it’s a place I’ve never heard of anyone having a wedding on it in Tianhai, it’s really special, very special, in the future if anyone comes to the top of the Oriental Pearl, they will definitely remember us, and anywhere I hear the Oriental Pearl in the future, I remember my The wedding, Xiyan, I’m so happy. I don’t think I’m any more unhappy than she is’

Shen Xiyan’s hands were trembling a little.

At this time, Wang Shufen, who was on video with Leng Qiuya, pushed the video to Shen Xiyan.

Shen Xiyan’s not-so-good mood instantly recovered a lot, Bi? The first thing you need to do is to get rid of the problem. After all, happy things can make troubles less, said this is the moment.

‘Mom.’

‘Eh, Xiyan, I heard your side talking about some Venice by the Sea event? That’s too romantic, isn’t it? But it wouldn’t be a surprise that Lin Hao prepared for you, would it?’ Leng Qiu Ya said with a smile, while her eyes kept glancing out of the view screen, she wanted to see Lin Hao, she was worried about Lin Hao every single day, after all, Lin Hao had gone through too much, no one would know what would happen to Lin Hao in the next moment

In fact, Shen Xiyan had something in her heart, a hint, so a little, that the woman would be herself, only Gu Yue said that the person was not her, and she died.

‘Mom, how could it be me.’ Having only been in a better mood, and then being irritated by her own mother, Shen Xiyan felt too painful to seek comfort, only to find her husband watching the television with great interest, the corners of her mouth couldn’t help but pout downwards.

Seeing her daughter’s sudden loss, Leng Qiuya got a little frazzled, ‘Xiyan, what’s wrong with you, are you not feeling well?’

‘No, no, I just went out shopping with Lin Hao today, I was rather tired from walking, my feet were a bit raw and sore, and I accidentally irritated the sore spot just now.’ Shen Xiyan looked at Lin Hao and found that Lin Hao was still indifferent, at this moment, Shen Xiyan’s heart was dead, already desperate for this matter

‘Xiyan, your feet hurt, why didn’t you say so earlier, I’ll rub them for you.’ When Wang Shufen heard Shen Xiyan say her feet hurt, she immediately went over and tried to help her rub her feet, but even if she was fast, she wasn’t as fast as Lin Hao.

Lin Hao heard Shen Xiyan’s conversation and held his strength in his heart, although he could not bear it in his heart, but thinking of the surprise surprise, he could only grit his teeth and look at Shen Xiyan’s uncomfortable expression, now when he heard Shen Xiyan say that her feet hurt, Lin Hao could not sit still, he ran up directly and grabbed Shen Xiyan’s feet.

‘Is it uncomfortable here? Is it this foot? Or this one?’

‘It tickles~’ Shen Xiyan couldn’t help but exclaim.

She also didn't expect that she just gently said a word, Lin Hao rushed up, once she thought that she was so important in Lin Hao's heart, Shen Xiyan also slowly put down the matter of the Venice by the Sea event, her eyes looked at Lin Hao with pure love, this is her husband, no matter how good Venice by the Sea is, it's not as good as Lin Hao

'Honey, I love you.' Shen Xiyan looked at Lin Hao with deep affection and could not help but speak.

Lin Hao was full of anxiety, 'Xiyan, where do you hurt, I'll rub it for you, you quickly say it.'

Looking at Lin Hao's incomparably eager appearance, Shen Xiyan smiled softly, 'Honey, I've already gotten better!'

'Huh?' Lin Hao scratched his head in some confusion, but still held Shen Xiyan's foot, Shen Xiyan did not have to blush, Lin Hao heatedly laughed, got up and said something in Shen Xiyan's ear, Shen Xiyan's face was red as she greeted Wang Shufen and Leng Qiu Ya and said good night, Lin Hao also went along with her.

'Mom, the two of us are tired of playing today, we're going back to the house to rest

Said to go back to the house to rest, but in fact, want the baby

Three days later

The advertising screens around the attention-grabbing Oriental Pearl were all filled with congratulatory messages for Lin Qingcheng Mo Tianji, Gu Yue Night One and Jun Wu Regret Hou Yijun, who, got married today!

Chapter 975

Not only this side, but all the outdoor projection screens in the whole of Tianhai were celebrating the three couples who were about to be completed.

The top floor of the Oriental Pearl, at this moment is very lively, Shen Xiyan stood behind the main stage, looking at the couples who came to congratulate one after another, can't help but remember the previous scene of her own wedding, also like this, countless social bigwigs came to congratulate, just a pity

‘Kyushu Group Li Jianghai came to celebrate the wedding of Lin Qingcheng of the Yanjing Lin family Kyushu Group Mo Tianji, Gu Yue of the Tianhai Gu family Yanjing Lin family Night One, and Jun Jun family head of the Yanjing Jun family Jun Wuhuo Hou Yijun, happy wedding, congratulatory gift Southern Song Southern kiln celadon jade vase, worth 64 million

‘Happy wedding to Lin Qingcheng of the Lin family of Yanjing, Mo Tianji of the Kyushu Group, Gu Yue of the Gu family of Tianhai, Night One of the Lin family of Yanjing and Hou Yijun of the Jun family of Yanjing, with a gift of a pair of landscape paintings from the Tang Yin Palace Collection, valued at 64 million

‘Xiao Yuanshan of Kyushu Group came to celebrate the happy wedding of Lin Qingcheng of Yanjing Lin Family Mo Tianji of Kyushu Group, Gu Yue of Tianhai Gu Family Night One of Yanjing Lin Family and Jun Wu Regretful Hou Yijun, the head of Yanjing Jun Family, with a congratulatory gift of a pair of Southern Dynasty Jade Goddess of Mercy, valued at sixty-four million

‘The secretary department of Kyushu Group has come to celebrate the happy wedding of Lin Qingcheng of the Lin family of Yanjing, Mo Tianji of Kyushu Group, Gu Yue of the Gu family of Tianhai, Night One of the Lin family of Yanjing, and Jun Wuhuo Hou Yijun, head of the Jun family of Yanjing, with a congratulatory gift of a top-quality version of Rolls Royce Cullinan, worth forty-eight million

‘All the staff of Kyushu Group came to celebrate the happy wedding of Lin Qingcheng of the Yanjing Lin Family Mo Tianji of Kyushu Group, Gu Yue of the Tianhai Gu Family Night One of the Yanjing Lin Family and Jun Wu Regretful Hou Yijun, head of the Yanjing Jun Family, with a congratulatory gift of a Tang Cheng Yi Pin Villa, worth 320 million

This is a congratulatory gift from within the Kyushu Group, look at the price of the congratulatory gift, simply shocking, adding up to more than five hundred million, you can imagine how rich the Kyushu Group is, the secretary department plus all the staff on three hundred and sixty million, of course, this naturally has the planning of the Kyushu Group, otherwise how can the staff plus the secretary department shell out so much money, these are representatives of the large companies inside

After the end of the Jiuzhou Group, then naturally from the Tianhai Gu family.

‘Tianhai Gu family came to celebrate the Yanjing Lin family Lin Qingcheng Kyushu Group Mo Tianji, Tianhai Gu family Gu Yue Yanjing Lin family night one, Yanjing Jun family head Jun Wu Regret Hou Yijun happy wedding, congratulation gift three sets of Tang Dynasty style phoenix

crown and cape, purely handmade, thousands of craftsmen, three days and three nights processing rush out, the value can not be estimated in money, of course if you use money estimate, each set no less than one hundred million yuan

‘The Sea of Heaven

Every person who came to congratulate the gift, the value of no less than ten million, not to ten million, even embarrassed to bid, and are fifty million up, you can imagine, this is how important a wedding, after all, each identity status, are very very terrifying, single take out, are let the sky sea and Yanjing shake a, such a scene, grand but so rightfully so

Mo Tianji and Night One stood behind Lin Hao, looking at Lin Hao, who was wearing a body, a happy look, eyes smitten with Shen Xiyan he, the two of them feel like today’s protagonist Lin Hao, not the two of them, of course they do not have a single complaint.

‘Big brother, thank you.’ The two said in unison, such a big show, such an imposing venue, if it wasn’t for Lin Hao, even with their status, it would have been absolutely impossible for almost the entire Tianhai’s big groups to come and congratulate them, after this wedding, the entire Tianhai would have their deeds in circulation

Lin Hao patted Mo Tianji and Night One’s shoulders, his eyes were very serious, he also felt happy for Mo Tianji and Night One, ‘We are all brothers, what to say thank you or not, besides, you all know that I will also make an appearance

Two people shook their heads, full? Italian Xilu Chashan pick up love er? The eyes are touched, this is perhaps the brotherhood it.

Jun Wu Regret is dressed in formal wear, looking fresh throughout and also very handsome, today he is also the main character, he walked towards Lin Hao's side, 'Brother Lin, lend a step to talk.'

Lin Hao nodded and walked with Jun Wu Regret to the night view balcony. When Jun Wu Regret saw that no one was around, he spoke with a grave face, 'Brother Lin, news has come from the East Japan side. A group of strong people from Europe and North America have gone to the ancient prison to explore, not knowing what they are looking for. Is there some secret hidden inside the Ancient Prison of Eastern Japan?' Speaking here, Jun Wu Ren paused and began to contemplate everything he had encountered inside the Ancient Prison before.

When they had captured him, they said that no matter what kind of strength martial artists endured, they would not be able to stay inside the Ancient Prison for more than three days. At that time, he felt that the Ancient Prison was not ordinary, and afterwards, he even felt the mystery from the Ancient Prison, but at that time, he was so angry that after he was saved by Lin Hao, he slaughtered the ninja alliance's saint ninja and left the matter behind. The only thing is that, after the Eastern Japan Saint Shinobi were purged, how did the European and American sides send people there all of a sudden? Could it be that the European and American sides had known about the existence of the ancient prison in Eastern Japan for a long time?

Lin Hao also fell into a deep thought, the world that he saw inside the ancient prison, he couldn't explain it clearly, he also couldn't explain it to Jun Wu Regret, after all, it was about Shen Xiyan's safety, he knew what Jun Wu Regret's concern was, from the 100 Great Ascended Masters banquet, to rectifying the entire Chinese martial arts world, these things Lin Hao didn't care much about, but Jun Wu Regret did his best, once he learned that he saw another world inside the ancient prison with a woman like Shen Xiyan, he didn't know what kind of things Jun Wu Regret would do

‘You knew how my state was that day, so your memory is rather vague. Didn’t your people send news from over in the East? It was just so brief and didn’t have any useful information at all?’ Lin Hao asked rhetorically with a frown.

After hearing Lin Hao’s words, Jun Wu Ren’s brows twisted into a thread, the movements on the European and American side told him that there was a terrifying secret inside the Ancient Prison of Eastern Ying, and this secret had made the European and American side calculate for a long time

Chapter 976

Jun Wu Ren shook his head, his expression became more and more grave, no news is the worst news, he has urged the people over there to feel a bit of accurate information to wear back as soon as possible, and even ordered the European and American side of the dish to get information about the Eastern Ying Ancient Prison from the church side or the military base side at all costs.

‘After the big wedding, I will mobilize the seniors in the martial arts world and ask if they know any secrets about the Ancient Prison of Eastern Japan.’ Jun Wuhui said helplessly.

Lin Hao could only nod as well, but in his heart, he had already buried this matter deep in his heart, everything he saw inside the Ancient Prison gave him a huge sense of crisis, a sense of crisis that was not much less than when he faced Cang. Because this is also a matter that concerns the safety of Shen Xiyan’s life

Although the matter of the ancient prison is very important, the immediate big wedding is the most important matter at the moment and cannot be delayed.

The first time he left, the wedding celebrant was in a hurry, and Hou Yijun was even pale with worry. She thought that Jun Wuhui was going to run away from the wedding, and when she saw Jun Wuhui appear, and when she saw Lin Hao following her, Hou Yijun knew without thinking that there must be some problem with Jun Wuhui that needed to be discussed with Lin Hao

The first thing you need to do is to take a look at the actual hand of Hou Yijun, who instantly looked much better and then immediately got a happy face.

Lin Qingcheng was looking for Lin Hao's figure as soon as he came out, seeing Lin Hao well and healthy, Lin Qingcheng's anxious face, instantly his eyes were red, Mo Tianji put an arm around Lin Qingcheng and whispered to comfort, 'The family head will be fine.' After all, calling Lin Hao big brother in front of Lin Qingcheng would really mess up his seniority, he was now Lin Hao's brother-in-law. But in private how to call it is still how to call it, in the open really can not, especially after married

Gu Yue stood beside Shen Xiyan, Gu Yue had a happy face as she whispered to Shen Xiyan, 'Xiyan, I heard that the lovers from Venice by the Sea were also at the wedding venue, I just don't know who it is

No need for Gu Yue to say, Shen Xiyan already heard it, after all, the shore so big array, the guests present, in addition to talking about the wedding is talking about the Venice of the sea, every woman looked at the shore with envious eyes, mouth said the words of envy.

That kind of romance is what every woman looks forward to

‘Thank you very much for coming to the scene today to bless the Yanjing Lin family Lin Qingcheng Kyushu Group Mo Tianji, the Tianhai Gu family Gu Yue Yanjing Lin family Night One, the Yanjing Jun family head Jun Wuyi Hou Yijun, we are about to witness the birth of these three happy couples, this is a beautiful thing, here, once again, thank you all for coming’

After the wedding officiant finished, thunderous applause rang out from below the venue

‘Friends, marriage is about mutual understanding and trust, and it is about entrusting each other

and cherish each other. Marriage is the mingling of love and love, the exchange of love and love, but also the collision of heart and soul, life and life connected. A beautiful love story is celebrated and a beautiful vow of love is woven. At this moment I think the bride and groom will have a word to say to each other, so now please turn around, stand opposite each other and look into each other’s eyes, the groom please take the bride’s hand and say this confession of love in front of everyone.

‘

Jun Wuhui took Hou Yijun’s hand and looked at her sincerely. When Hou Yijun faced such a sincere look from Jun Wuhui, for a moment, her eyes went hazy. She was thinking about such a moment all the time, and now, it has finally arrived

Mo Tianji trembling hands pulling Lin Qingcheng, Lin family, this is the woman of the Lin family, since childhood under the teachings of his father, knows his mission, but now he is going to be with the woman of the Lin family, this is his own honor, is also his own honor, more big

brother's trust in himself, he will definitely not fail his big brother's trust in himself, will definitely not let Lin Qingcheng suffer a trace of harm!

Gu Yue took Night One's hand, she also this man has experienced a lot, from Nanjiang to Tianhai to Europe to Yanjing, point by point, are reflected inside their own minds 'Sir, when your hand is fixed her hand, from this moment on, no matter poor and rich, health and disease, you will care for her , care for her, cherish her, protect her, understand her, respect her and care for her, humble her and accompany her, for the rest of your life and forever, do you wish to?'

'I do.' All three shouted in unison, their voices ringing out.

'Lady, when your hand is set on his, from this moment on, for richer or poorer, in health or in sickness, you will be faithful to him, support him, help him, comfort him, and be with him, all the days of your life and forever, will you?'

'I am willing.' Lin Qingcheng Gu Yuehou Yijun hissed in a choked voice? 遮拂遮意陆遮侍遮?

'Applause witness, let us witness the birth of these three couples together!'

'Clap' thunderous applause once again.

'Only, today witnessed the wedding of not just three, but four pairs of lovers to the birth process of a couple!' Suddenly the MC picked up the microphone and shouted excitedly.

At this moment, all the people froze for a moment, after all, this was the biggest wedding line-up in Tianhai as well as Yanjing, who else could attend and make an appearance as the grand finale?

Shen Xiyan looked at Lin Hao and asked in shock, 'Husband, who has such a big background to make a grand finale appearance at a wedding with his sister and also the Jun family head?'

Lin Hao smiled heatedly and looked at Shen Xiyan with deep emotion.

Super Son-in-law Chapter 977-978

Chapter 977

Not only could she, Shen Xiyan, not believe it, but the whole audience was beginning to be shocked!

Wang Shufen couldn't help but ask to Leng Qiu Ya, 'Qiu Ya, who do you think could make a finale appearance with such a big show? I, I've been following Lin Hao for so long, and I really, really haven't heard of anyone with more background than Jun Wu Ren!'

Not only was Wang Shufen shocked, Leng Qiuya's voice was also hoarse, she was at least the previous young lady of the Leng family, her status was extremely high, and the upper class she had come into contact with, she didn't know how much higher than Wang Shufen, but after seeing Lin Hao's true status, as well as Jun Wu Regret, she felt that in China, there shouldn't be anyone with a higher status than the two of them, right?

Now, to step on Jun Wu Regret for the finale, who exactly was it!

Gu Nansheng was also looking at the host in horror, he would rather believe that this was a misspoken statement by the host than to believe that this would actually exist.

The real terror on the stage was the head of the Jun family, the head of one of the four hidden families of China, who would dare to be the finale of a wedding where he was present, this, this was not afraid of death?

Lin Hao only hand to rectify the entire Tianhai family order, that is only one of the four great families of China's terrifying power? This kind of hand can destroy the order of the family of such a powerful economic city like Tianhai, and now give others to support the scene?

This

This is too unbelievable

Xiao Mingen looked at that Jun family head, and then at Lin Hao, at this moment, terrified at Lin Hao's strength, even the Jun family head is willing to give him a dowry, such a terrifying existence, fortunately, fortunately, fortunately the attitude was good that day, fortunately, fortunately that day, Mr. Lin did not really get angry with him, otherwise himself, I am afraid there is no one in Tianhai to protect himself

Wang Dewang was trembling violently, after hearing more and more discussions about Lin Hao, about Jun Wu Ren, his heart became more and more chaotic, more and more afraid, to his

own words that day, deeply felt that it was on the road to death without leaving any room for error

Was Lin Hao's sudden deep feeling to give a shock, Shen Xiyan body shaking violently, wide eyes, some disbelief looking at Lin Hao, is it the two of them?

Gu Yue was also shocked, she looked at Night One and slowly opened her mouth to ask, 'No, wasn't it us three pairs? What, how come there's someone else and, and it's the finale?' After saying that Gu Yue looked at Jun Wu Regret and Hou Yijun, and found that Jun Wu Regret did not mean to get angry, that is to say, this person's identity? Let Jun Wu Regret folded?

Just, this world,? Dyeing and dyeing the closed ground to flick Yi Yi flick? Apart from Lin Hao, who else is comparable to Jun Wu Regret?

Could it be Lin Hao? She couldn't help but look at Lin Hao, only, the next moment, the host then said, 'Look at the big screen!'

On the huge screen, the sky, which was gradually getting dim after all, suddenly lit up in the next moment, it was illuminated by the light that came from the cruise ship! The sound of the engines of the cruise ships that greeted us on the shore reached every ear, and for such a moment it was deafening!

Each cruise ship, seemingly driving in a haphazard fashion, but, as the careful observer will notice, it is driving in some sort of trajectory

One by one, the cruise ships come together, more and more, changing squares, from initially side by side, to now being arranged in words.

Not much later, the first words appear!

‘I!’

A single I character appeared, a vast undertaking, as it required too many too many cruise ships.

Once the word I was arranged, all the lights on the cruise ship flickered on and off, and thirty seconds later, a sky-rushing beam of light came on, followed by thousands of roses being fired from the salute, and a rain of flowers falling from the sky, incomparably romantic.

Inside the wedding venue, apart from giving a visual shock, was the moving

Within a short time, there were choking sounds of moving, a sound, higher than a sound, countless people were touched

Shen Xiyuan was also moved by such a scene, her eyes were red she had seen such a picture, Lin Hao for her rose floating city over, that is how romantic feat, she will never forget

After the word 'I', the cruise ship once again changed its formation, the lights on the cruise ship, weakened, weakened to the point that it was like the light of a lighthouse, and the screen went dark.

Only, no one in the room made a sound, and three minutes later, the rushing beams of light came on again, and a large 'Love' appeared on the screen

Chapter 978

'The next word must be 'you', it must be you, so romantic, so romantic, whoever does that to me, I'll marry him for sure! I'd follow him for the rest of my life!' Countless women said in low choked sobs.

Jun Wu Ren looked at the scene that was almost all out of control, and also looked at Lin Hao with a shocked face, this, what kind of operation is this? Why did even he feel that this was full of love that was overflowing out of the screen?

Looking again at Jun Wu Regret, he also fell into moving

'The word 'you' has appeared!'

When the word 'you' appeared, the whole room burst into screams and applause.

‘Next, it’s the name of the mistress! I can tell you here that for this event, this hostess didn’t know she was the hostess! Because the man said that this is his love for her, this is the love of his life, and this is his regret, so, today, he is ready to tell her, ready to make it up to her!’

The host suddenly exclaimed.

‘Ah! The hostess doesn’t know she’s the hostess? Does this, does this not mean that it could be anyone?’ Someone shouted in confusion.

‘Yes, it could be anyone! Or it could be you!’ The host said with a smile.

‘Ah, ah, ah’ she fainted in excitement

‘There it is, the surname has appeared!’

On the big screen, a plane appeared, and the plane scattered roses below, a familiar scene that Shen Xiyan had seen before

‘It’s so romantic, how much love does this have to be to have such a placement?’

‘I’ve witnessed a miracle of love!’

A cruise ship began to move, the man who maneuvered them was incomparably serious, not daring to be the slightest bit sloppy, the planes in the sky made a whirring sound, a piece of rose hit the deck of the cabin or the house of the cruise ship, or on top of the observation deck, or floated down to his operating room, each petal of rose was love, then this sky full of love, how much love was it?

The sea is full of red rose petals, romantic as it is, but at the same time it seems to tell the world that my love for you can fill the whole sea

On the bridge, the commander was giving orders, his forehead was covered in sweat, this was the first time he had ever manipulated such an unrehearsed scene, but he knew that this would be a romantic event that he would never encounter again in his life, a sky full of roses filling the entire sea, a cruise ship writing and pouring out its love, such a picture, no one had ever thought of it, but someone had done it, and it was himself who was controlling the changing square

‘153 Left cabin move, left cabin move, your position has gone cheap!’

‘186 You’re slowing down, you’re slowing down

Finally, a word came up

‘That’s, that’s the word ‘Shen’.’

‘All the women present, whoever is surnamed Shen, chances are you’ll be the happiest woman tonight!’

All the women present with the surname Shen, their eyes incomparably red, had people standing up, asking those around them, pouring out their love, but their male companions were shaking their heads.

Shen Xiyan, whose eyes were red, looked at Lin Hao, looked into his eyes and was asking him, 'Is it you?'

Lin Hao did not say anything, but let the cruise ship writing, roses roaming the sky

This sea, filled with the roses of his love, his love was like a petal of roses that would float in every corner of this sea

'Shy', is the word shy, Shen shy? Who is Shen shi?' After the word 惜 came out, someone shouted!

At such a moment, Shen Xie Yan could no longer be calm, the whole person squatted down and hugged her legs and began to cry, she knew that this person was her, that woman who was the envy of the whole Tian Hai was, and the person who did all this for her was Lin Hao!

Wang Shufen was already in the midst of moving, so at this moment, directly hugged Leng Qiu Ya two people cry bitterly up, Lin Hao, Lin Hao in the end for Shen Xiyan what kind of love?

Thinking about the confusing things she had done before, Wang Shufen hated to slap herself twice, Leng Qiuya was so happy for her daughter that she wept, what kind of love was this that could be so ?

Such a love, how many people would never meet it in many lifetimes, I'm afraid ?

‘Shen Xiyan, it's Shen Xiyan!’

‘Ah, that's not Lin ? Shan Serving Closed Grasshopper Xi'er Wu ? Isn't that the chief's wife ?’

‘Could it be, could it be Mr. Lin who is doing all this!’

Super Son-in-law Chapter 979-980

Chapter 979

‘Wife, I love you!’ Lin Hao shouted to Shen Xiyan with deep love, and in a flash, the sea was filled with roses, and the cruise ship, after the formation of ‘Shen Xiyan’, turned into a big love, in the perimeter of the love, surrounded by a circle of cruise ships, the lights on these cruise ships flickered, like a concert support light sign, the scene was very spectacular and incomparable Romantic

The scene was instantly plunged into a large scene of witnessing love, everyone was incomparably touched, Wang Shufen and Leng Qiuya squeezed each other's hands to death, the squeeze was white, they were too excited, they sincerely felt happy for their daughter, such love, who would not bless

Gu Yue looked at Lin Hao and Shen Xiyan with fascination, she was the one who witnessed their love all the way, and now at her own wedding, the one who witnessed the love was still them, before she swore that it wasn't her in Venice by the sea, but now think about it, besides Lin Hao, who has such a great deal of money?

Lin Hao, just how deep is your love for Shen Xiyan? Shizi Yan, once again I envy you

Gu Nansheng suddenly some for their own daughter feel aggrieved, so romantic Tianhai night, so romantic lifted the world in the scene, and in their own wedding, but the most dazzling is not yet her, she is now the first family of Tianhai thousand Miss ah Of course Gu Nansheng also just think, do not even dare to think more, because, in the wedding stage, which background is not a big scary, even the Jun family head did not speak, their own even if it

Lin Qingcheng tears again, Lin Hao lost as much as she lost, she is incomparably worried about the state of Lin Hao, she can no longer stand the feeling of losing her loved ones, so I hope everyone around me is well, incomparably well, seeing Lin Hao so so happy, so happy, she is simply too happy, happy to tears

Mo Tianji put his arm around Lin Qingcheng and lent her his shoulder so that she had a very good place to release her emotions

Hou Yijun looked at Shen Xiyan enviously, her eyes a little red, this valiant woman, today's tenderness to the bone, Jun Wuhuo felt Hou Yijun's mood swings, looking at the moving picture of Lin Hao and Shen Xiyan. Lin Hao kneeled on one knee, Shen Xiyan covered her lips, the next moment, four welcoming women dragged out a white wedding dress, in the wedding dress is about to draped on Shen Xiyan, the lights of the whole field, turned a dim hue, someone screamed, thought she saw Shen Xiyan's wedding dress, became dazzling

A colorful colored gemstones set on the dress, the colour of the gemstones is bright and full, at a glance, it is very, very expensive gemstones, in the weak light, sparkling up, a flash, like a river of stars, luxury, but not so much as if the vulgarity of the money piled up, it is like a non-heirloom empress? The steakwood shan serving er to cover the ground? The wedding dress, when it becomes one with Shen Xiyan, the whole of the Pearl of the Orient, or, the whole of Tianhai! and even the whole of China, she radiates a dazzling light, she is the empress within this time! She is the empress of this time!

Chapter 980

She had seen Shen Xiyan's beauty without covering her body, but that kind of beauty was the most primitive, unprocessed, purest beauty. But at this moment, after the artistic processing of Shen Xiyan, it was as if Lin Hao had seen the Shen Xiyan he saw in another world inside the ancient prison, so stunning that for a moment, Lin Hao felt as if the two worlds of Shen Xiyan had overlapped he was a little worried But only for a short while, this feeling disappeared after a short time, because he loved Shen Xiyan too much

In the envious eyes of countless people, Shen Xiyan reached out her hand to rest on Lin Hao's hand and gently bent down to kiss Lin Hao's forehead, and in an instant, applause was like thunder, and the shrieks of countless beautiful women rang out again.

‘It's so romantic! Ah, ah, happy to death

‘Give me a kiss, give me a kiss

The lighting technician put the spotlight on Lin Hao and Shen Xiyan, Lin Hao got up and hugged Shen Xiyan, silently gazing into her eyes, Shen Xiyan had long since turned into tears. How can I say it, but in any situation like this, is a woman will be moved to the point of losing her voice, let alone Lin Hao so to Shen Xiyan, she can not bear it at all

The body of Shen Xiyan, who was all soft, was hugged? The ground Shan Lu closed the grill to cover the erwu? , Lin Hao went to kiss her fiercely

‘Xiyan!’ Wang Shufen shouted with Leng Qiu Ya, happy for him.

Driven by Wang Shufen and Leng Qiuya, the whole room was chanting Shen Xiyan’s name

At the same time, a strong invisible fluctuation came from the East Japan side, Lin Hao, who was kissing Shen Xiyan, frowned violently, and Jun Wuhuo’s pupils widened, something was wrong in East Japan!

What the hell is weird over there.

‘Old husband, something happened over there in Eastern Japan?’ Hou Yijun hurriedly asked, her strength was not enough to reach that level, but she was able to slightly feel the huge fluctuations.

Jun Wu Ren nodded, just now when Hou Yijun shouted his husband, he saw Hou Yijun’s face was delicate and blushing, and himself, he also trembled his body, after all, the first time he heard this kind of intimate and incomparable name, really some hands and feet, at the same time also put back the attention to the Eastern Ying side of the heart, because he felt, this is Hou Yijun’s happy moment, can not let the work delayed

‘It’s okay, today is our big wedding day, no need to think about this matter, today you are my leading lady. Sorry about earlier.’ Jun Wu Ren said with an apologetic tone.

Hou Yijun was not envious of Shen Xiyang for a while, because the simple words of Jun Wuhuai just now were better than countless sweet words. Because she incomparably knew Jun Wu Regret as a person, whether it was preferences or habits or philosophy, wasn’t his willingness to put aside things he cared about so much for himself the best expression of love?

‘I love you’ Hou Yijun was moved to tears as she hugged Jun Wu Regret, her body trembling. Jun Wu Regret also felt a little incredulous for the first time, did he move Hou Yijun to tears by just slightly putting down his work?

She was an iron-blooded bride, but this felt really good, ahaha, no wonder Lin Hao made such a big show

‘Please have the last pair of bride and groom on the stage, everyone applause welcome’ the host saw Lin Hao Shen Xiyang after the kiss, excitedly shouted, her eyes were red, this is her life is unforgettable wedding emcee activities, too shocking the soul, in the future if colleagues are talking about what wedding shocking shocking, she came up with this wedding, completely can crown the whole field, let others directly dumbfounded.
