

Super Student 67-68

Chapter 67

“That’s too underhanded.”

“Yes, it hurts me to watch it, it’s too underhanded.”

“Where is this like a master!”

“Hey! What a black hand!”

.....

Seeing that the crowd was talking, Ye Lu clapped his hands with some irritation and said.

“I said what are you guys bleeping about? This is a fight, what is the purpose of a fight, to cripple the other person, right? How about now, he’s crippled, right, what else do you guys want?”

As a result, some people from the Zhang family said loudly.

“You are too despicable, our family gongzi is a decent gentleman and is having a decent sparring session with you, yet you are using such underhanded tricks, our family gongzi has fallen prey to you due to his decency, so this doesn’t count.”

As soon as he spoke, someone immediately echoed his words.

“That’s right, what kind of heroes are you if you hurt people with underhanded tricks.”

“If you have the guts, then fight openly and honestly.”

“I think he wouldn’t dare.”

.....

Having no choice, Ye Lu had to clap his hands again and said.

“Okay, I’m afraid of you guys, he’s taken the medicine anyway, I guess he’ll be fine soon, this time we agreed in advance that I won’t hit you in the vitals anymore, if you lose again you can’t deny it.”

Zhang Tian had just taken the medicine that the Taoist priest had given him and was now sitting there with a blue face, he didn’t say anything, instead the Zhang family said.

“Good, as long as the fight is fair, how could our family’s gongzi be afraid of you.”

Ye Lu smiled indifferently, and then waited quietly.

Through the exchange of blows just now, Ye Luo already had a better idea in his heart, although the other party did have a decent stance, he found that there was a gap between his opponent and himself in terms of speed and strength.

Just like that, he waited for another five minutes, before Zhang Tian then adjusted and re-stepped in front of Ye Lu.

“I’m going to waste you today.”

Zhang Tian looked at Ye Lu and said grimly, at the same time, he began to run his body's true qi, he suddenly thought that he was a "dark power" strong man, why should he fight with his opponent, just use his dark power to cripple him.

"Brush!"

He rushed forward again, but this time he had learned his lesson, no longer taking his opponent lightly and no longer using fierce stances, instead he adopted small and feminine stances.

"Boom!"

Then, his fist struck Ye Lu's blocking arm, and his dark energy was violently poured into Ye Lu's body at the same time, dark energy hurting people was exactly the masterpiece of a strong dark energy practitioner.

However, to Zhang Tian's surprise, nothing happened to Ye Lu, his own dark energy was like a mud bull entering the sea, not even a wave was made.

Ye Lu also felt that something was attacking his meridians, but the effect was minimal. He was worried that the so-called "dark energy" might injure him from within, but now it seemed that his worries were superfluous.

Without this worry, there was nothing to fear from Ye Lu.

Following this, Zhang Tian slapped his palm at Ye Lu's chest, not believing that Ye Lu would be alright even if his heart was attacked by the dark energy, but to his surprise, Ye Lu actually took the palm directly without dodging, which made him feel ecstatic.

Of course, Ye Lu did not take this slap for nothing, he simultaneously disliked it back with a punch.

"Slap!"

"Boom!"

One after the other, a man flew backwards.

Everyone saw that the one who flew backwards was the "Dark Power" Zhang Tian, while Ye Lu only swayed slightly after receiving the slap, and stood there without any trouble.

"This is a disaster for Ye Lu, he's dead."

"Yeah, that table was just smashed, let alone a flesh and blood body."

"Who let him die."

"But isn't it against the law to just kill someone like that?"

"The law! Are those cultivators of theirs still afraid of the law?"

"That too."

.....

The people below were talking and waiting for Ye Lu to die, even Zhang Tian, who was disliked to fly, sneered as he waited for this scene, he felt that Ye Lu was definitely finished this time, although he took a punch, it was worth it for his opponent's life.

However, after everyone waited for half a day, the scene of Ye Lu falling down with a bang did not appear.

"Cough!"

Ye Lu coughed, then spread his hands out and looked at the crowd and said with a smile.

"Seems to have disappointed everyone, I didn't die oh!"

This time everyone was surprised.

"How is that possible?"

Zhang Tian was also dumbfounded, he couldn't figure out why this was the case, he knew very well that he had done his best with the blow he had just made, and there was really no fluctuation of true qi in the other party's body, but why was there nothing wrong with the other party? It didn't make sense, and it wasn't scientific!

Also frowning were his senior brother and the Zhang family's new bodyguard.

Ever since Zhang Tian had become a baby, the Zhang family had taken him extremely seriously, and had made a lot of connections to hire this expert bodyguard.

"A dark jin powerhouse?"

The Daoist priest in the moon white daoist robe asked in a low voice.

Zhang Tian did not answer immediately, but thought for a moment before slowly shaking his head and saying.

"I don't know, I don't feel that he has true qi, but my attacks are as good as mud and oxen into the sea, as if they can't do any damage to him."

Hearing Zhang Tian's words, that Daoist priest's brow furrowed even more.

This was because he too was confused by the situation in front of him.

It was only after a long time that he rubbed his chin and said.

"Could it be an evil cultivator? You go and try?"

He said to the bodyguard who had hired him.

That bodyguard did not hesitate, because in his opinion, this Zhang Tian was nothing more than a fancy fist and leg, it was of little use for a rich kid to learn as much as he could, a truly strong person was honed from fighting.

So, this guy then took a few steps forward to Ye Lu and said.

"My name is Wolf's Tooth, I would like to ask for a few strokes with Lord Ye."

As a result, Ye Lu looked this guy up and down and skimmed his lips and said.

“Who are you? Why should I fight with you? Go rest where it’s cool.”

Ye Luo is not addicted to fighting, besides, come to a person to fight, tired and no use, fart meaningless, Ye Luo is lazy to fight.

Hearing Ye Luo’s words, this bodyguard then froze for a moment, following which he narrowed his eyes and said.

“Are you afraid?”

Ye Luo said disdainfully.

“It’s none of your business if I’m afraid or not, hurry up and hide away, don’t delay me from marrying my daughter-in-law.”

Now this bodyguard was a little embarrassed, he didn’t expect Ye Lu to be so unconventional, however, his head turned quickly and he quickly said.

“Ye Gongzi, you just made a sneak attack on our family gongzi first in the first place, if it wasn’t for your sneak attack that made our family gongzi make him lose his battle power, how could you be his opponent, so the fight just now wasn’t fair, do you all think so?”

He looked at the people around him and said.

Because, he knew very well that these people who were watching were the most uncomfortable, and they could not wait for two people to fight so that they could have a lively time to watch.

As a matter of fact, they all clamoured loudly.

“That’s right, it’s not enough to win, let’s have another match.”

“What kind of man is a sneak attack!”

“If you have the guts, just fight openly.”

.....

The more people shouted, the more energetic they became, which made Ye Lu somewhat cry and laugh, while the bodyguard standing opposite him showed a scheming smile, there was no way out, Ye Lu clapped his hands again and said.

“Okay, okay, let’s say it, this time we fight fairly, no one is allowed to say anything nonsense afterwards.”

Ye Luo said as he looked at the bodyguard opposite him.

Through the fight with Zhang Tian just now, he felt that the so-called “dark power strong man” was just a little.

When he saw Ye Lu agree, the tall bodyguard gave a cruel smile and then, without any nonsense, said directly.

“I’m coming!”

Following that, it was a fist that came blasting towards Ye Luo.

Seeing the fist blasted over, Ye Luo didn’t even think about it and directly disliked it back.

“Boom!”

The bodyguard took a few steps backwards before he could stand still, while Ye Luo took a step backwards.

However, at the same time, a cruel smile appeared in the bodyguard’s eyes.

Ye Luo felt a tingling sensation coming up his arm, followed by the sight of blood all over the front of his fist.

“F\*ck! No wonder this kid keeps wearing black gloves.”

Only then did Ye Luo understand why the other party had a pair of gloves on his hands, it turned out that there was a concealed weapon hidden in the gloves, and obviously the concealed weapon had poison quenched on it.

“I keep saying that I am sinister, but it turns out that this one is the most sinister.”

Ye Lu muttered in his heart, and then he stumbled, as if he was about to lose his footing.

Of course, the bodyguard couldn’t let Ye Lu fall on his own, then the poisoning would be exposed, so he quickly rushed over to give Ye Lu an extra punch.

However, he didn’t know that this was actually only Ye Lu’s plan to bait the enemy.

Seeing the bodyguard’s confident strike, Ye Luo then disliked the guy’s chest with a swift punch, sending him flying straight out.

Then, Ye Luo shook off his bloodied fist and said.

“Unbeatable!”

After saying that, he then turned his head to look at Gu Yanqiu and said.

“Mr. Gu, what do you think of my talent display?”

However, before Gu Yanqiu could say anything, another voice said.

“Hold on, I would like to ask for a few moves with Sir Ye.”

## Chapter 68

When he heard this voice, Ye Lu clenched his fist, but he still took out an “antidote pill” and put it into his mouth first. This bodyguard didn’t know what kind of poison he had gotten, but it was hard to get rid of it, and his right hand tended to get numb.

The bodyguard was so shocked that he didn't know what to say. He couldn't figure out how Ye Lu had just thrown such a powerful punch.

He was very confident in his poison, even a "dark power" would definitely be trapped, because this poison was made by a single door for a dark power.

That was why he had attacked Ye Lu without any precautions, but the other party seemed to be fine.

After Ye Lu took the "antidote to poison", he turned around and saw that the person who spoke was the Daoist priest wearing the moon white Daoist robe.

This Daoist priest looked quite young, probably in his twenties, with clear eyebrows, but with a cold face.

"Which temple are you from? What are you running here to mind your own business?"

Ye Luo said with a frown.

He found that these people seemed to have a tendency to be endless, so it seemed that it was not possible to teach them a lesson without being ruthless.

"I'm sorry, poor Daoist Daochen, a Daoist not a monk."

Daoist Daochen said seriously, a stereotypical and uninteresting guy at first glance.

Ye Lu skimmed his lips and said.

"I don't care if you're a monk or an old Taoist, anyway, I'm too lazy to fight, I just agreed to have a fair fight, I've already won what other reason do you have to fight me?"

Can not fight, Ye Luo also do not want to fight, this Taoist monk certainly seems to have a Taoist temple, perhaps the Taoist temple there are still brothers and sisters, master or something a nest of old Taoist, they have messed with one, and then a nest, annoying all annoying.

When Ye Lu finished speaking, the crowd also looked at Daoist Master Heidu, because everyone couldn't think of any suitable reason.

As a result, Daoist Master Daidou said coldly.

"There is no reason, if you don't fight me, you won't be able to beg for this kiss today."

After saying that he looked at Gu Yanqiu who was in the main seat.

Gu Yanqiu did not dare to offend the Zhang family at all, let alone this Daoist Master of Dust who was said to represent a certain power of cultivators, so he looked at Ye Lu and said.

"Sir Ye, he's right, you'd better communicate with Daoist Master Daidian."

Seeing this virtue of Gu Yanqiu, Ye Luo understood that he was afraid of the Zhang family and this old Daoist, it looked like if he didn't harden himself, he really didn't dare to reject the Zhang family, so he changed his mind.

Ye Lu turned his head to look at that Daoist Master He Chen and said.

“Okay, then I promise you, but if you lose, let the Zhang family never harass the Gu family again, do you promise?”

Daoist Master Daochen nodded and said.

“Good.”

Following that, he raised his hand and gave a salute and said.

“I’m sorry.”

As soon as the words left his mouth, his man had already dashed over, and looking at the speed and stance, he was indeed much more powerful than that security guard just now.

“How fast!”

Ye Luo also noticed, the other party’s speed was faster than imagination, he hurriedly raised his hand to deal with it carefully.

Then he felt the oddity of Dust’s attack, every time Dust’s palm landed on his arm, his arm would have a sore and numb feeling, as if he had been electrocuted.

But what he didn’t know was that Dust was a hundred times more surprised than he was, because he was already using his full strength at the moment.

However, despite his two major techniques, his opponent was able to block them with his fists as if they were fighting in the street.

Moreover, after the exchange of blows, it became very clear to Daoist Master Yuechen that Ye Lu really did not have any true qi in his body, but his strength was surprisingly great, even greater than that of a practitioner who used dark energy, which made Yuechen extremely puzzled.

“What kind of monster is this kid?”

He couldn’t help but mutter in his heart, however, this distraction of his gave Ye Luo the opportunity.

Ye Luo hadn’t learnt any moves, and as Dust had a thousand different moves, it was like a strong man with immense strength sparring with a martial artist, there was no use for his strength, which made him feel extremely depressed, but, for some reason, his opponent suddenly froze for a moment.

Taking advantage of this opportunity, Ye Luo “bang!” He grabbed Dust’s arm with a bang.

He felt as if his hand was in an iron grip and it was too late for him to break free.

As a result, Ye Luo’s reaction was completely unexpected.

Ye Luo actually grinned, then didn’t dodge either, but instead disliked him with a punch.

“Boom!”

“Boom!”

Both of them took a hit at the same time.

“Holy f\*ck!”

Ye Lu felt that the kick was really heavy, but it was still bearable, but not so for Dust.

One of his arms was held by his opponent in a death grip, and he couldn't dodge it even if he wanted to, so the magnificent fight had completely turned into an unattractive exchange of blows.

“Boom!”

“Boom!”

“Boom!”

.....

A few rounds down, the dust can not stand it, if the fight continues like this he must be crippled.

“I ..... I admit defeat .....”

He said somewhat helplessly.

He suddenly realized that he hadn't actually posed any substantial threat to his opponent from the beginning to the end of this fight, and it had to be said that it was a complete failure.

The audience was also dumbfounded, the battle started off quite nice, the fight was dazzling and magnificent, it looked like a martial arts blockbuster, but then suddenly the picture all changed, it turned into two people beating each other savagely, not much different from a street fight.

“Hey, hey, just admit defeat.”

Ye Lu smiled, then let go of the Dust Daoist, following which, he then patted the dust on his body looking at the people around him and said in a loud voice.

“Who else? Anyone else who is not convinced, come and try.”

Of course no one dared to go over and try, the whole venue was silent, before Ye Lu clapped his hands and said.

“Alright, I've finished introducing myself.”

After saying that, he went straight back to his seat.

“Let's go!”

The Zhang family all quickly left towards the outside of the courtyard after Dust wiped the blood from the corner of his mouth, then waved his hand coldly.

However, before they reached the entrance of the courtyard, Zhang Tian “poof!” A mouthful of fresh blood spurted out.

“Young master, what's wrong with you?”

“Young Master .....”

“Young master, don't scare me.”

The others anxiously held onto Zhang Tian and shouted worriedly, but, right after that bodyguard also suddenly covered his stomach and collapsed on the ground, the scene was a bit chaotic for a while.

This was of course all thanks to Ye Lu, although he didn't know any gongfu, he knew the art of healing, so it was easy to create some trouble for them by injecting spiritual qi.

Seeing this scene, the face of that Daoist Master He Chen also changed, he didn't think this was a coincidence, he hurriedly ran his true qi to follow, he also noticed the difference.

"Poof!"

At the same time as he discovered the difference, he also spat out a mouthful of blood.

However, Ye Lu did not hit him too hard, although this Daoist priest was a bit arrogant and cocky, it seemed that there was nothing serious wrong with his moral character.

"Did you meet someone high today?"

Just now, Dusty was still slightly indignant, but now his thoughts had completely changed.

Seeing the Zhang family walking in such a mess, the others looked at each other before someone took the lead and stood up and said.

"Boss Gu, since this is already the case today, we, the Huo family, will leave first and wish you a good son-in-law."

After saying that, he led his people away.

Now that Elder Su, Elder Shen and Elder Hua were all on Ye Lu's side, and the Gu family's lord, Gu Mingyue, was also clearly on Ye Lu's side, and Ye Lu was so savage and tough, and seemed a bit vindictive, it was better to mess with such people less.

Seeing a family take action, everyone else followed suit, and soon, all the outsiders in the entire courtyard were gone, leaving only Ye Lu's people and the Gu family's people.

"Well? Boss Gu, how are you thinking about it? Tell us about your decision."

Ye Lu looked at Gu Yanqiu and said with a smile.
