

## **Surprised Wife With Twins (Ivan and Jennifer) Chapter 249**

“How is he doing?” Jennifer asked expectantly, and couldn’t wait to hear the answer, “Is he awake?”

Catherine stood still in front of her, and raised her hand, wanting to slap Jennifer. But Jennifer grabbed her wrist.

“Jennifer! I’ve always wanted to slap you. How dare you ask?! Does it matter to you whether he’s awake or not? When will you let go of him? I’ve been putting up with you for a long time!”

Jennifer didn’t want to argue with Catherine, especially not at the company.

“Do you think you can marry into a rich family just because you managed to give birth to his children?” Catherine looked down at Jennifer. She sneered, “You’re nothing but a tool that Ivan used against his mother!”

Jennifer saw the victorious smile on Catherine’s face.

Catherine asked with interest, “If he knew you are with Spencer and you promised to be Spencer’s woman, what do you think he would think of you?”

“If I were you, I wouldn’t show up again. I have no face to see him.” Catherine provoked, “Jennifer, I can tell you that he has woken up. He is fine.”

Jennifer could not see a trace of lying in her expression.

Catherine was happy from the bottom of her heart. So, Ivan must have woken up and should be recovering well.

That was great!

She finally smiled in relief.

Jennifer hadn’t been so happy for a long time. She could finally stop worrying all the time.

“He lost his memory.” Catherine couldn’t bear seeing Jennifer happy. “Ivan doesn’t remember you anymore.”

Jennifer winced slightly, staring at Catherine, her smile froze.

“The first person he saw when he opened his eyes was me.” Catherine declared proudly, “By the way, we’re getting married.”

Jennifer stared intently at Catherine, and although her look was calm, she couldn’t believe it.

Catherine smiled and walked past Jennifer, leaving the office.

He lost his memory...

He no longer remembered her...

He was going to marry Catherine...

Jennifer tried to calm herself. What did it have to do with her?

Marriage was good.

All she wished was for him to be alive.

Footsteps came from behind. Jennifer looked back and met Finnley's gaze.

Finnley was also a little surprised to see Jennifer here. He walked toward her.

"Did he lose his memory?" Jennifer's voice trembled slightly as she confirmed with pain, "Is this true?"

Finnley sighed lightly and nodded. "Well, it's true."

Tears pooled in her eyes. Jennifer was really sad, unspeakably sad.

"He remembers some people and forgets others." Finnley said regretfully, "You're one of the forgotten ones."

"Is he back in Arkpool City? Or in New York?" She asked softly.

"Arkpool City." Finnley told her, "Except for losing some memory, he is fine. He remembers all things of the company, all the projects."

Jennifer nodded, subduing her pain. "Does he remember Catherine?"

"No." Finnley shook his head, "He doesn't remember her."

Jennifer felt puzzled. But then she understood. Aubree wanted to take advantage of it.

"What about Alfie and Diana? Does he remember them?" That was what Jennifer cared about.
