

Surprised Wife With Twins (Ivan and Jennifer) Chapter 284

Spencer looked Ivan in the eye, and both sides were preparing for combat.

Ivan said to his man, "Take the injured to medical attention."

"Yes, Mr. Marsh."

Soon, Spencer's people were carried away, leaving a puddle of blood on the ground, which made Jennifer, who rushed in, suddenly pale. She saw the car carrying the injured man drive away.

Ivan and Spencer faced off against each other in the courtyard, respectively having hundreds of men behind. They were ready for a group fight.

Jennifer hurriedly ran between them, "No! Let's slow down and talk!"

Both Ivan and Spencer were shocked by her arrival.

Seeing Jennifer through the window on the top floor, Alfie and Diana were surprised. "It's Mommy!" Then Alfie took Diana's hand and rushed downstairs.

In the courtyard, Spencer grabbed Jennifer's wrist and pulled her behind him. "Why did you come over?"

From Ivan's perspective, what Spencer did was declaring his ownership.

"I heard gunshots!" Jennifer said, her chest heaving violently, still in shock.

Ivan held back his fury and stared at Jennifer coldly. He could tell that she was worried about Spencer. She almost fixed her eyes on Spencer.

Jennifer slowly turned her eyes and was scared that Ivan's eyes were like chips of ice.

"You're getting married. Then give us the children!" Jennifer offered.

The word "us" made Ivan feel extremely annoyed.

Spencer added, "Anyway, you didn't do anything for them in the past few years! Let the children live with us, and we'll stay out of yours."

Ivan ignored what Spencer said, but stared at Jennifer coldly, which sent a chill down her spine.

"Mommy!"

Alfie and Diana shouted in a crisp and excited voice.

Everyone in the courtyard was attracted by Alfie and Diana, who rushed out of the living room!

Jennifer's eyes grew moist and almost cried.

The children rushed over and held her tightly!

“Mummy! You finally come!”

“Mommy, do you know how much we miss you?”

“Mommy, let’s never be apart again!”

“Mommy, come back.”

“Mommy, I love you!”

Jennifer squatted down at once and hugged them tightly with tears in her eyes. “Mommy misses guys too. I’m sorry for being so late.”

Jordan and Mary came out of the living room. They were moved and couldn’t help crying when seeing this.

At the same time, Aubree was told what happened in Emerald Bay.

She was on the way back, panicked and worried.

Two minutes passed.

In the large living room, Spencer and Jennifer sat together, Ivan sat opposite, and the children sat on the other side, forming a triangle.

After serving them the tea, Jordan turned around and left.

Seeing Spencer and Jennifer sitting together, Ivan unconsciously frowned.

“Mommy, sit over here with us!” Diana noticed Ivan’s emotion and reached out to Jennifer.

Jennifer’s mind was blank. She got up and sat down between the children.

“Daddy, can you marry Mommy?” Alfie asked, “This wedding was originally prepared for mommy! It’s been a long time in preparation! If you don’t remember, you can go ask Finnley for confirmation!”

Before Jennifer could stop Alfie, he had finished his words.

Hearing this, Ivan was hit inside.

However, Spencer said, “Long story short, whomever you marry, we want to take the children with us. You don’t need to pay any alimony, and we won’t interfere with your life in the future. Yes, or no?”

“I’m not leaving!” Alfie protested, “I want to stay with both Daddy and Mommy!”

Diana echoed, “So do I!”

Words failed Spencer.
