

## Surprised Wife With Twins (Ivan and Jennifer) Chapter 299

As the host, Ivan did not greet her.

Jennifer was also too embarrassed to say anything. From the moment she saw him at the door, her mind went blank.

Finally, she couldn't take his gaze anymore. Jennifer dodged and withdrew her gaze.

"Ms. Brooks!" Marry showed up just in time. "Good morning!" She walked over with a smile on her face

"Marry, good morning." Jennifer smiled.

Ivan also took a step downstairs again.

Jordan's face also turned mild.

Marry said, "Breakfast is ready, Alfie and Diana are still upstairs, I will call them down for breakfast, you can wait in the dining room."

"I'll go get them." Jennifer can't wait to see Alfie and Diana. She held Marry's arm and smiled, "Thank you, you must have been in the kitchen for a while."

"I'm so happy that you come here today." Marry's joy could no longer be concealed.

Jennifer smiled and walked upstairs, passing by Ivan, deliberately not looking at him, but she could still feel his low cold aura.

Ivan put his hands in his pockets, standing in the middle of the living room, slightly raising his chin, his eyes betraying no feelings.

"Mr. Marsh, good morning," Jordan and Marry greeted him, not knowing what he was thinking.

Wasn't he happy that Jennifer came?

Last night he told Marry to prepare a wonderful breakfast.

Upstairs.

Jennifer was about to press the doorbell of the children's room when the door opened

Alfie and Diana appear in front of her. "Mommy!!" the little ones were so excited that they threw themselves into Jennifer's arms.

"Alfie, Diana..." Jennifer was also happy, a little tearful. She crouched down in front of Alfie and Diana, reached out, and hugged them. "Did you sleep well last night?"

"I missed you so much that I had insomnia."

"Me too." Diana rubbed her eyes.

Jennifer was sad to hear that. She kissed lightly on Alfie and Diana's forehead. "Let's go down for breakfast."

Then she led Alfie and Diana downstairs

"Mommy, are you staying here tonight?"

"No." She could feel Alfie and Diana's anticipation. "But I can stay with you a little longer."

"Then would you have dinner here?"

She didn't answer. It depended on Ivan.

"Daddy! Jordan! Marry! Good morning!!" Alfie was excited

Ivan turned to look at them. What a happy family!

Diana asked, "Can we have breakfast now? I'm hungry!"

Alfie and Diana were in a good mood. They kept chattering. The atmosphere of the living room was not dull.

Marry replied happily, "Good morning, Alfie, Diana, breakfast is ready!"

Going downstairs, Alfie took Ivan's hand!

The little guy holds Ivan in one hand and Jennifer in the other. "Let's go have breakfast!"

Jennifer was a little embarrassed about staying so close to Ivan. She couldn't ignore his cold aura.

The family of four walked toward the dining room.

Ivan smelled a faint scent from her. It was a very special smell that brought him peace. He had a déjà vu.

He couldn't help but glance at her, her face was fair, and her long eyelashes were hanging low. She was like a cold rose in the middle of the night.

It made him feel sad, and he couldn't help but want to take care of her.

His hate for her reduced a bit again.

The family of four entered the dining room, Alfie let go of Ivan's hand, and he stood in front of Jennifer, looked up, and said, "Mommy! I want Daddy to eat with us! Can you make pasta with meat sauce?"

Hadn't his stomach recovered?

Jennifer looked at the table full of hearty food and turned to look at Ivan.

Their eyes met. He was very calm, but she was inexplicably a little distressed.

Didn't he take the medicine on time?

Why?

If he had taken the medication on time, his stomach should have been cured before the car accident.

Ivan couldn't read the meaning in her eyes. He could not remember that he broke the medicine bottle at the night he missed her as hell.

He forgot that she had made medicine for his stomach.

Marry's expectant gaze also fell on Jennifer. She whispered, "Ms. Brooks, the tomatoes have been blanched and peeled, while the pasta and other ingredients are also ready. You... may start."

Jennifer looked back and saw the ingredients on the kitchen table.
