

## **Surprised Wife With Twins (Ivan and Jennifer) Chapter 349**

Jennifer, dressed in a white wedding dress, appeared like an angel.

She smiled slightly, her eyes shining. Her mere presence stunned everyone.

"Not Ms. Collins."

"Strange, it's not Ms. Collins."

"Mr. Marsh has good taste, this girl is so beautiful. What a perfect!"

"Did you see that? Mr. Marsh looked at her with love in his eyes."

"Yes, Mr. Marsh loves her."

At this time, the villagers also got off the cars. Everyone was excited to see such a beautiful venue for the first time.

Even a woman in their forties and fifties could not suppress the joy in their heart and jump up like kids.

"That's pretty! It's like a movie!"

"It must cost a lot of money, right? There are so many reports!"

An old man put his hands on his waist, looked around, and professionally estimated, "At least a hundred thousand, otherwise it won't work."

"No less than a hundred thousand!" David also chimed in.

"It's so beautiful! This flower is so beautiful! Mom!" A little girl of five or six years old smelled the lily on the side.

The woman quickly picked up her daughter, "Don't pick it up now. After the wedding, Jennifer will give it to you!"

Everyone from the village was happy, paying no attention to the reporters that were shooting photos of them.

They were honest and confident.

Jennifer smiled sweetly. She let go of Ivan's hand and walked toward the villagers. Ivan followed her.

"Guys, tell the waiters if you want anything." Jennifer was very happy to see them there. "Feel at home and help yourselves."

The ten waiters standing next to them saluted respectfully, "Please tell us if you need anything."

The villagers were both surprised and delighted. They had never experienced such treatments.

“Don’t worry about us, chief!” David said, “We will help ourselves. You can go to the red carpet!” I wish you all the best!”

Ivan’s face was mild as he said, “Thank you for your blessings, feel at home here.”

“Mr. Marsh, you’re so nice!” The villagers gave them a thumbs up, “We’ll hand Jennifer to you! You must take good care of her!”

Chief?

The reporters were shocked. So, the rumors were real?

Jennifer was from a poor village.

Even if these villagers were wearing new clothes that didn’t match this grand wedding, they looked happy and confident.

There were good vibes around them.

That’s a transmission of positive energy.

“I will!” In front of dozens of villagers, Ivan put his right fist on his chest and solemnly promised, “You are welcome to supervise, my love for Jennifer will never end.”

In the bright sun, he put his arm around Jennifer’s shoulders and kissed her forehead deeply.

People applauded.

The villagers also took out their phones, trying to capture this beautiful moment.

Ivan was not against this behavior. He kept smiling, letting people take pictures.

The reporter saw respect in Ivan’s eyes. Jennifer loved those villagers, so Ivan did too.

“Take care of them.” Ivan said to the waiters standing in a row, “They are important guests!”

“Yes, Mr. Marsh.”

“Jennifer and I are going to the red carpet now, excuse us.” Ivan greeted politely to the villagers.

“Help yourself.”

This surprised everyone present, including the guests and reporters around them, as well as Aubree, who had just stepped out of the Lincoln.
