

Surprised Wife With Twins (Ivan and Jennifer) Chapter 357

"Finnley will do the handovers with you when he is available. You can talk to him about the salary," Ivan said seriously.

Finnley was lost for words. Although Mya was quite ladylike today, he knew her well. Thus, he didn't think Mya could be reliable at work.

He didn't understand Ivan's decision.

On the stage surrounded by flowers, Mya snapped her fingers happily. "Thank you!" Then she bowed deeply towards Ivan.

"From now on, I'm a member of the Marsh Group, so I'm going to enjoy what you offer to your employees!"

Ivan laughed and thought, she didn't lack that money at all.

"I mean it!" Mya looked at him.

Ivan nodded. "Okay."

Jennifer stood not far away. She raised her head and drank the wine to drown the shock.

The news that Jennifer was the new vice president of the Marsh Group quickly went viral and received much comment.

Ivan stepped off the stage and walked toward her.

Jennifer looked him in the eye, elegant and beautiful like a lily under the moon. Her shadow was stretched by the sunlight on the ground.

The reporters, amazed by her beauty, all fixed their cameras on her.

Ivan gently put his arm around her shoulder.

Jennifer remained calm. "You didn't even ask me if I agreed."

"I'll talk with you about it when we are back." With a gentle kiss on her forehead, Ivan reached out to adjust her hair.

Jennifer thought to herself, "You've announced it in public. It's a done deal now.

"Actually, I made the decision so long ago." Ivan said, "I was going to discuss it with you, but what Catherine did irritate me."

"I hope you will consult with me before announcing anything in the future." Jennifer looked Ivan in the eye with a serious look.

"Okay." Ivan nodded solemnly. "I swear I will."

Good humor reigned in the hall and everyone was happy, saying that a good marriage could really change a man.

Ivan always wore a smile when he was with Jennifer, which was rare in the past.

“Mr. Marsh, can we take a picture with you?” Two village women came over and asked bravely.

Ivan said without any hesitation, “Of course.” He seemed happy to do so.

“Miss Brooks, would you please move aside for a few seconds?”

Then they stood left and right next to Ivan and took out their smartphones for selfies.

Ivan had no objection to this at all. Instead, he even posed for photographs.

It was scarce to see such a handsome man, so both men and women were eager to take pictures with him.

Ivan treated all the villagers as Jennifer’s family, so he refused none of them.

The villagers also pulled Jennifer to join them. They lined up and felt very satisfied.

Seeing this, the other guests at the wedding were very jealous.

“Mr. Marsh doesn’t refuse them. Why? I remember he hates having his picture taken.”

“Yes, he hates it when people come near him. But look at them. They’re holding his arm!”

“I really envy them. I want to take a photo with Mr. Marsh.”

“So do I. Let’s go together.”

“Okay.”

Two fashionably dressed celebrities encouraged each other and began to walk toward Ivan.

Ivan was still surrounded by the villagers, who kept taking selfies.

After they finished, they left with satisfaction.

“Mr. Marsh, can we take a photo with you?” A celebrity asked expectantly.

Ivan said with a gentle look, “Sorry, I’m a little tired.” With that, he put his arm around Jennifer’s shoulder and took her away.
