

## Surprised Wife With Twins (Ivan and Jennifer) Chapter 360

Approachable?

Aubree rarely heard this word, but she disagreed with Pippa.

Pippa said, "In the past, Mr. Marsh was towering over anyone else. The mood around him was always subdued, so no one dared to approach him. He cared nothing but business. Madam, don't you think he used to be like a highly intelligent but cold robot?"

Aubree turned to stare at Pippa with wrinkled brows.

"Do you really like that?" Pippa said calmly, "But since Miss Brooks broke into his life, Mr. Marsh has changed a lot."

When Aubree heard this, she had mixed feelings in her heart.

"Madam, you cannot deny what you see." Pippa continued, "Since Miss Brooks appeared, Mr. Marsh has smiled more than before."

After Pippa finished her words, she found that Aubree was in deep thought.

Although Aubree didn't accept Jennifer, she couldn't deny what Jennifer did for Ivan.

"Madam, Mr. Marsh is a human, not a robot." Pippa asked in a low voice, "They have had a hard time getting married, so why not bless them?"

Hearing this, Aubree felt a little bit conflicted about Jennifer.

However, she still couldn't accept Jennifer.

As Ivan's mother, Aubree didn't even have a say in his marriage, which greatly disgraced her in the Marsh family.

What if Jennifer took the whole control of the Marsh family?

Aubree didn't find anything about Jennifer's background. She got along well with those villagers but was Rowan's master.

This was too bizarre.

"Madam..."

"Well, stop yourself right there." Aubree looked at Pippa unhappily and got up to go upstairs.

Looking at Aubree's back, Pippa still hoped Aubree could gradually understand and accept Jennifer.

Anyway, it was over between Ivan and Catherine.

In fact, after attending the wedding, Aubree realized that Ivan didn't like Catherine at all, so she began to wonder whether she had been too paranoid.

Nonetheless, Aubree found it hard to like Jennifer, who didn't have a clear identity.

Thus, Aubree thought, even if Ivan was bewitched, she must stay awake, in case the Marsh Group was taken away.

It was 10:00 pm.

Pippa was ready for bed. After finishing the housework, she decided to go upstairs.

Suddenly, a headlight shone in. Pippa stopped, turned around, and saw a car driving into the yard.

Who could it be at this late hour?

Pippa walked out of the living room in confusion and saw that it was a Lamborghini. As the driver's door opened, Ivan got out of the car.

Then the passenger's door opened, and Jennifer got out as well.

Closing the car door, Ivan and Jennifer walked towards the living room, hand in hand.

Pippa froze, realizing the dinner should be over.

"Good night, Pippa. You're still awake." Jennifer's voice was quiet.

"Good night, Mr. Marsh." Pippa recovered from the shock and hurriedly greeted, "Good night, Mrs. Marsh!" Then Pippa made way for them, "I'm just getting ready for bed."

"Is my mom asleep?" Ivan entered the living room with his arm around Jennifer's shoulder, not seeing Aubree.

"Yes, shall I wake her up?" Pippa asked.

Ivan said, "No. We will stay here today, so just make a room for us."

Pippa was shocked!

She couldn't believe what she heard for a while!

"What's wrong? Is there a problem?" Ivan looked over at Pippa.

Pippa calmed down and said with joy, "Okay, I'll do it right away!" With that, Pippa ran upstairs excitedly!
