

## Surprised Wife With Twins (Ivan and Jennifer) Chapter 369

"I thought I owe him," Jennifer said, "He saved your life and I couldn't give him anything. I know just taking the job couldn't repay what he has done for me. But I still want to do him a favor."

For her, Spencer was like her younger brother, just like how Catherine treated Spencer.

And Ivan also knew his own attitude towards Spencer after his memory recovered.

Spencer, his younger brother, was so important to him and he had always kept an eye on Spencer. But Spencer didn't really appreciate that.

That's why the relationship between them seemed a little bit weird.

After all, Spencer was one of the few families of Ivan.

And what happened between their parents was not Spencer's fault. He was also a victim.

"Then take the job," Ivan had a sip of wine and said sincerely, "Don't think too much."

"Thank you, Ivan," she felt quite happy.

Ivan was afraid that she felt guilty towards him so he quickly changed the topic and said jokingly, "So, how many secrets are you still hiding from my, my dear?"

"That's not a secret. I'm just interested in dubbing. But I'll not keep any secrets that may hurt you," Jennifer said in a warm voice.

"I love you," Ivan said affectionately, "I love you so much. Our marriage... gives me so much."

Jennifer said, "You couldn't find my past because I am an orphan."

Ivan felt so sorry for her. How did she grow up?

What would she do when she missed her parents?

It was so cruel to abandon such a perfect girl.

Ivan put down the glass and took her hand, "You'll never be alone anymore. You have me, Alfie and Diana, Marry, Jordan and my mom. We'll be happy ever after."

She smiled and nodded.

Actually, it had surprised her so much after she knew that Aubree wasn't against their marriage anymore.

Things would be better.

"Then I would send an email back to accept his invitation," Jennifer took her fingers out of his palm and wrote an email back to Spencer.

On the shooting site.

Spencer received the email and he was stunned for a few seconds.

“StaRise sent an email back to me!” he said loudly, “She accepted!”

Silence. No one believed it would be so easy.

The producer asked, “You sure she is StaRise?”

“StaRise won’t accept the invitation that easily. She is very picky!” someone said doubtfully, “Maybe it’s an imposter.”

Then Spencer’s phone rang again. He quickly checked the email and said excitedly, “She sent a clip to us! Come here!”

The director and the producer quickly came over to him. So did all the cast.

Spencer listened to the clip she sent to him.

It was a clear voice and it was a conversation between a couple.

“It’s her! StaRise!” The director said confidently, “It’s her voice. I’ve heard that voice before. She used that voice to dub for her last TV show.”

Gradually, the producer also knew it must be StaRise herself.

Everyone began to smile surprisedly.

“She accepted?” someone still couldn’t believe and asked expectantly, “Without even checking the script?”

Spencer nodded.

The director was also shocked, and said calmly, “Be quick to meet her! Let her see our script!”
