

## Surprised Wife With Twins Chapter 472

Jennifer immediately realized that she had said the wrong words and explained, "I didn't mean that... I mean, you have always lived alone here, the kids must have been a lot of work."

Aubree took a deep breath and decided to let her go.

"Alfie, Diana, do you want to keep staying with grandma or go home with daddy and mommy?" Jennifer squatted down and asked the kids with a smile.

She was genuinely asking for the kids' opinion.

Of course, the kids missed their mother. They hadn't seen her in a long time.

And Jennifer raised them up, they loved her.

Alfie pursed his lips and turned to look at Aubree. "Grandma, we will come see you again soon."

"Grandma, bye!" Diana waved her hands at Aubree.

Aubree didn't insist on asking them to stay. Looking at their adorable looks and then thinking of the purpose of them coming here, she got mixed feelings.

They came to make peace between Jennifer and her?

Just like that, Ivan and Jennifer took the kids away.

Seeing the taxi drive away, Aubree was a bit at a loss.

When she returned to the living room, she happened to see the housekeeper, who had just carried the kids' suitcases down.

"Put them there," Aubree said, "They will come back."

"Yes, ma'am."

Somehow, Aubree began to miss the kids the moment they left.

She was always absent-minded staying in the house alone.

On the way back to the Emerald Bay, Jennifer didn't lecture the kids since Pippa was around.

The kids had their self-esteem, she respected them.

She always did.

After getting home, she called the kids into the study.

"Close the door."

She sat down at the desk and looked at the kids sternly.

Diana stood by the desk while Alfie went to close the door. After the door was closed, he walked next to Diana.

They looked into Jennifer's eyes and looked guilty.

"From now on, no matter what you do, you have to let us know first, got it?" Jennifer said in anger, "If you can't remember it, recite my words, now."

Alfie and Diana didn't answer but looked at her. There were tears in her eyes.

"You have done something wrong, why are you looking aggrieved?" Jennifer still looked serious.

"Mommy, why doesn't grandma like you?" Alfie pouted and complained.

Jennifer felt bitter. She didn't know how to answer him.

Diana spoke, "Grandma is a bad person. She doesn't like mommy!" Tears fell down her eyes.

Jennifer was touched.

She hurriedly said, "It's not like that. There will always be someone who dislike you in the world, honey. Grandma doesn't like mommy because there's something about mommy that is not good enough. She's not a bad person."

Jennifer didn't want the kids to call their grandma bad.

She was a bit anxious.

A lot of things had happened recently that she had ignored the kids. She hadn't had time to ask about their lives.

Diana was crying and it broke her heart.

Alfie was a big boy now and he was trying to hold back his tears.
