

Sweet Love 3061

Chapter 3061: The Love Of Your Life (32)

Mu Yazhe curled his lips and said coldly, "I don't want to use that donor because I feel that she's unclean. That's why I'm waiting for a good donor source. If all else fails, I'll consider using that person."

"That person?"

This made Hua Jin even more puzzled. "Who?"

Mu Yazhe decided not to hide it from him anymore. "Come with me somewhere, okay?"

"Okay..."

Mu Yazhe took him to Yu Long Bay.

Hua Jin followed him to the basement, where he made a call and someone immediately opened the shutter door. Two men came out and greeted him with smiles. "Chairman Mu, you're here.."

"How is she doing?"

"Same as always. She's eaten a little, but mainly relying on nutrient fluid to keep alive."

Hua Jin was baffled by their conversation. Mu Yazhe turned to look at him and said, "Come in."

The two of them walked into the warehouse that had been transformed into a dungeon. Through the iron gate, Hua Jin saw the skinny and filthy woman who was bound to the bed.

Yun Na had not taken a shower since the day she was brought in. Her clothes were dirty and stained with vomit and dust, hence she was filthy. Even though there would usually be someone to clean her up, she sometimes would throw up from reacting to the nutrient fluid drip.

"Who is this..."

"Yun Na."

A sense of realization hit Hua Jin!

He knew Yun Na's name and knew that Gu Xingze's death and Yun Shishi's blindness had something to do with this woman!

He immediately understood why Mu Yazhe had imprisoned her here!

She was a donor source for the corneas!

He could not help but sigh inwardly. This man really had a dark side to him. He had kept Yun Na imprisoned so that when Yun Shishi was ready to undergo surgery, he'd use her corneas for the transplant.

"However, I feel that her eyes are unclean. Unless absolutely necessary, I won't use her corneas."

Mu Yazhe furrowed his brows and said, "That's why I'm waiting for a suitable donor. The worst case scenario is to transplant her corneas to Shishi. So don't let your imagination run wild. I'm her man, and I want to spend the rest of my life with her! I'll be responsible for her!"

Having learned this, Hua Jin was finally relieved and nodded.

Yun Na got agitated when she saw Mu Yazhe. She immediately sat up and shouted at him, "Mu Yazhe! How long are you going to imprison me?! Tell me! What is your motive?!"

"Let's go. It's filthy here."

Mu Yazhe did not want to stay any longer, and Hua Jin nodded as well. The two turned around to leave.

Behind him, Yun Na screamed at the top of her lungs, "Mu Yazhe, be a man and kill me, if you have the guts! What's your motive for imprisoning me?! Tell me!"

Mu Yazhe acted as if he did not hear anything and walked away with Hua Jin.

When Yun Na saw Mu Yazhe and Hua Jin leaving, she screamed even more hysterically, "Mu Yazhe! Let me go! Let me go! I know I did wrong. I don't want to live like this anymore! Don't leave! I beg you! Let me go!"

However, the only response she got was the sound of the heavy shutter door slamming shut. She was once again isolated from the world. Yun Na fell back onto the bed in despair. She wanted to cry, but she could no longer shed any tears!

Her heart sank to rock bottom once again in despair!

Chapter 3062: The Love Of Your Life (33)

Her heart sank to rock bottom once again in despair!

In the past months, she had been speculating on Mu Yazhe's intentions. She did not know his purpose for imprisoning her. Why was he feeding her food and water and keeping her alive!

What exactly did he want from her?!

Yun Na lay on the bed limply and wailed at the top of her lungs. She wanted to grab her straw-like hair, but the handcuffs were locked tightly around her wrists.

Now, apart from breathing and closing her eyes, she could do nothing else.

The long imprisonment was mentally breaking her!

After sending Mu Yazhe off, the two men returned and heard Yun Na's tragic screams. They scolded her in disgust, "Shut up! What are you wailing for?!"

"Argggghh—!"

Yun Na screamed even louder and hysterically, "Why don't you kill me?! Why don't you finish me off?!"

"F*ck! She's getting noisier!"

One of the burly men said, "Go and shut her mouth!"

The other nodded and immediately walked towards her with a dirty rag. When Yun Na saw this, she tried to retreat.

The rag had been used to clean the table and shoes, and now they wanted to use it to gag her?!

She continued to scream and shout, full of resistance.

The man tried to stuff the rag into her mouth, but she bit his wrist without hesitation!

He groaned in pain as his muscles tensed up. Reflexively, he raised his hand and slapped her across her face. "Are you a dog?! How dare you bite me?! Damn it!"

He grabbed her hair and stuffed the rag into her mouth.

Yun Na stared at them with tears in her eyes, but she could only give out muffled moans.

They looked at her as if they were sizing up a pest in a smelly ditch.

The man turned around and remarked, "I wonder why Chairman Mu came by today?"

The other man replied, "Probably to see how she's doing. After all, she's been imprisoned for so long, he's got to make sure she's still useful."

"Ha! How could she be useless? It's not like she'll starve to death."

"I heard that Chairman Mu's baby girl has arrived. After Madam Mu's confinement, she should be able to undergo surgery!"

As soon as he said that, Yun Na, who had her head lowered, looked up and stared at them in bewilderment.

The man, however, did not notice the urgency in her expression. Instead, they continued chatting.

All along, they had been watching over Yun Na, and it was extremely monotonous. Thus, they chatted casually to kill boredom.

"Didn't you hear? Chairman Mu's wife gave birth to a little princess! He's probably visiting because they are preparing for the transplant? Madam Mu is still waiting for the cornea donor!"

"Oh, I've almost forgotten about this. If it weren't for this woman's eyes, Chairman Mu wouldn't have kept her alive until now! Mdm. Mu is really pitiful, having gone blind because of what this little b*tch did. Of course she has to pay for it."

What?!

Yun Na's eyes widened in shock when she heard this, but she was so terrified that she did not even dare breathe. She held her breath as she listened to their idle chatter, but one of the men who had just arrived asked curiously, "I wonder why they didn't perform a cornea transplant earlier?"

"Isn't she pregnant? How can she undergo surgery when she's pregnant? In order to keep the baby safe, Chairman Mu had delayed the operation until now."

Chapter 3063: The Love Of Your Life (34)

The man sucked in a breath of cold air. "Corneas? Are you saying that we're going to remove the corneas from this woman's eyes?"

"How else?! Are you feeling pity for her? This woman is a low life form. She brought this upon herself and deserves to die!"

"Tsk tsk tsk!"

"No! He can't do that!" Yun Na suddenly leaned against the wall in fear. She could not believe that Mu Yazhe would be so cruel!

"What do you mean he can't do that?! B*tch, this is your debt and you should pay it back! Why did you do it in the first place?! Your sister is Madam Mu, and you could have lived a good life, yet you have to commit such a heinous crime! Why?!"

Yun Na's breathing suddenly quickened. She opened her mouth, but no words came out!

The realization hit her that Mu Yazhe was keeping her alive for the sake of her eyes!

She finally understood!

But, no way!!

It was not because she was afraid of pain, rather, she was most unwilling to accept it!

Why should that be?!

What right did he have to treat her like this?!

Did the heavens not think that she had suffered enough?!

She could give her eyes to anyone but Yun Shishi!

She hated that name to the core!

After Mu Yazhe's visit, Yun Na found out about this matter and could not regain her composure for a long time. Initially, she would create a ruckus, and even used unscrupulous means to anger the men guarding her, hoping that they would get angry and beat her to death!

However, after she had calmed down, she suddenly saw the light. She stopped arguing. She fell silent and her heart was like a stagnant lake without any ripples!

She had thought of something and was secretly planning how to execute it!

On this particular night, the few men prepared dinner. Just as they were about to start eating, Yun Na suddenly said, "I wish to eat."

When the men heard that, they were surprised. This woman had never been willing to eat without kicking up a fuss. Most of the time, they relied on the nutrient solution to maintain her health.

Sometimes, they would force feed her, knowing that it wouldn't do her any good to be put on a nutrient drip for a prolonged period. However, she wasn't cooperative at all.

Now that she had taken the initiative to ask for food, the man felt that it was extremely deliberate.

One of the men replied angrily. "Why are you asking for food all of a sudden? Didn't you refuse to eat in the past?!"

"I'm hungry and I want some food. Can't I?!" Yun Na was aggressive and her gaze was fierce.

Her attitude annoyed the men even further. "You b*tch, we're talking to you nicely. Why are you acting like a mad dog?!"

Yun Na, on the other hand, sneered and said, "I won't eat then, since you're not allowing me to!"

The men looked at each other, feeling suspicious and even more wary.

"You're not planning to play any tricks, are you?"

Yun Na laughed scornfully. "You guys have got my hands and feet tied, what kind of tricks can I play? Moreover, look at you guys. You're such big-sized men. Are you really worried about not being able to manage an almost crippled woman?"

"You sure have a sharp tongue! Alright, got it!"

The man filled her bowl with rice, some vegetables and meat, then walked over to the bed with the intention of feeding her.

Yun Na snapped, "I'll feed myself!"

"What?!"

"Untie my hands, I'll eat on my own!"

As she said that, she glared at him fiercely. "I will not be fed!"

The man finally lost his temper and ran out of patience. "What are you up to?! I'll feed you! Don't play any tricks!"

"I won't eat what you feed me!"

Chapter 3064: The Love Of Your Life (35)

"I won't eat what you feed me!"

The man almost threw the bowl of rice onto the ground and asked angrily, "Woman, are you eating or not?"

Yun Na insisted, "I want to eat on my own!"

"What? Is this woman trying to slip away?"

Yun Na pressed on. "Do you think I can slip away?! Even if my hands are not cuffed, my feet are. Where can I slip off to?!"

When the man heard this, he was still skeptical but unlocked her handcuffs with a wary expression.

With a click, the handcuffs were released.

Yun Na's hands finally regained their freedom. When she raised her head, she saw the man staring at her like a tiger eyeing its prey, as if he was afraid that she would mess around. She sneered, "Why? You've got my feet cuffed. What are you so worried about?! Even if I have wings, I won't be able to fly out of here! It's just that I've thought things through and want to get on with life!"

.

"Thought things through?!"

The man snorted. "Whatever, as long as it serves you!"

As he said this, he was no longer as vigilant. He sat by the side but did not go too far away from her. His gaze was fixed on her.

Yun Na did not look at him. She picked up her bowl, held her chopsticks, and took a mouthful of rice and wolfed it down.

Seeing that she was eating obediently, the man relaxed and remarked, "Wouldn't it have been better if you were like this earlier? If you had been willing to eat by yourself earlier, you wouldn't have had to suffer so much!"

Yun Na did not even lift her head. She did not look at him as she continued eating.

This rice was fragrant, but also a little bitter. It turned out that tears had unknowingly slid into her mouth and gave it the bitterness she was tasting.

She furiously wiped her tears away and thought of how Yun Shishi would have been surrounded and pampered by so many people at this very moment. A stark contrast to her own situation.

Everyone wished they could step on her, she was lowly as mud!

And that Yun Tianyou!

She could almost see his smug face before her!

When she was thrown into the sea, she was filled with despair. However, the heavens gave her a chance. She clung onto a piece of driftwood and floated on the sea for a whole night. Just when she thought she was about to freeze over and sink to the bottom of the sea, a fishing boat finally passed by and pulled her onto the boat. It was a new lease of life for her.

After that, she got acquainted with firearms and knives, and tried her best to erase any traces of her existence because she felt that Yun Na was dead, and she was a ghost that rose from hell, a malicious spirit born for revenge!

She wanted Yun Shishi and Yun Tianyou to pay with their lives, so she spent a long time planning a series of actions to take revenge.

Especially a few months later, when Li Qin's body was hauled ashore and she saw the rotten corpse, she became even more determined!

Yun Na suddenly wiped away the oil stains on her mouth and looked up coldly. "Is Mu Yazhe going to use me as a donor of the corneas for Yun Shishi's cornea transplant?"

"This is not a question for you to ask!"

Yun Na became agitated. "He is spending so much effort keeping me here just for this purpose?"

The man snorted but did not answer.

After taking her last bite of rice, she placed the bowl on the bed and smiled sadly. "How hateful. I feel that I'm probably the most pitiful person in the world! Ever since I was young, that b*tch called Yun Shishi suddenly appeared in my world and took everything away from me! I should have been happy and doted on, but for whatever reason, my father doted on her as if she was his real daughter! What about me then? Where is my place?!"

Chapter 3065: The Love Of Your Life (36)

No one paid any attention to her, but she continued talking to herself, as though she needed to get that load off her chest!

"And now she wants to take my eyes from me? Why? What gives her the right to do this? How much more does she want to take from me?!"

...

"Huh! Mu Yazhe wants to have my corneas transplanted to her, yet he thinks that I'm filthy! He's using me while hating me at the same time! This is the most hateful thing!"

At this thought, Yun Na finally made up her mind. She lowered her head and smiled sinisterly. "However, I won't let him succeed!"

"What do you mean by that?"

Yun Na lowered her head as she gripped her chopsticks tightly with both hands. Her grip was so tight that it seemed as though she wanted to break the chopsticks. Her hands trembled as she suddenly laughed bitterly!

"Ha ha ha! Mu Yazhe, I will not let you succeed!"

The man was startled by her laughter. He suddenly turned around and shouted angrily, "What are you laughing at!? Quieten down..."

His words came to an abrupt halt as he saw Yun Na gripping her chopsticks tightly with a savage and miserable gaze, and her entire body started trembling violently. When she raised her head once more, her bloodshot eyes were filled with monstrous hatred and rage!

She raised her hand and stared at the chopsticks. A certain conviction in her eyes grew stronger!

The man shouted, "What are you doing?"

Yun Na suddenly screamed hysterically, "I won't let you have your way!"

The shrill voice broke!

The man seemed to have guessed what she was going to do. He immediately stood up from his chair and lunged at her. However, in just that few seconds, Yun Na did not hesitate as she used the sharp end of her chopsticks to aim at her own eyes and ruthlessly stabbed them!

It was a forceful stab that was extremely ruthless. The man did not have the time to stop her. In the next second, he saw the two chopsticks pierced her eyes and blood splattered everywhere!

A once, Yun Na screamed in pain!

"Ahhhhh!"

A heart-wrenching shriek almost broke through the roof and reached through the clouds!

Yun Na suddenly pulled out the chopsticks, covered her eyes, and fell onto the bed. Because of the immense pain, her body kept twitching!

The pain was unbelievable!

It was excruciating!

The sharp object pierced viciously through her eyeballs. Her head seemed to explode as pain engulfed her, and she let out an agonized shriek!

Her body rolled around on the bed as blood flowed from the corner of her eyes onto the dirty bedsheets. She was so overwhelmed by the pain that she almost passed out!

As Yun Na screamed, she thought of how she had ruined her own eyes and lost her status as a cornea donor. Feeling smug, she let out a shrill laugh!

"Hahahaha!"

She was crying, laughing, and screaming at the top of her lungs. She looked so crazy that it was scary. The scene was terrifying. One could imagine how much pain she was in!

The men in the room were stunned. They had never seen such a horrifying scene before!

Before long, Yun Na passed out from the pain!

...

In the hospital, Mu Yazhe received a call saying that something had happened to Yun Na. He raised an eyebrow but did not appear too nervous. Instead, he said coldly, "I'll be right there."

He drove to Yu Long Bay. As soon as he entered the basement, he was greeted by the smell of mold.

The surgery had just been completed and a few doctors surrounded the bed as the anesthesia wore off and Yun Na slowly came to.

Mu Yazhe asked in a quiet voice, "What's the situation?"

Chapter 3066: The Love Of Your Life (37)

Mu Yazhe asked in a quiet voice, "What's the situation?"

Standing by the side, the few men in charge of watching over Yun Na replied at once with great unease, "This woman said that she wanted to eat on her own. We've already been very careful, but we didn't expect her to be so ruthless. She stabbed her own eyes with the chopsticks..."

The man's voice trailed off.

Yun Na gradually regained her consciousness. When she heard Mu Yazhe's voice, she suddenly laughed coldly. "Mu Yazhe, just give up! Hahaha! You want to use my corneas to restore Yun Shishi's sight?! Dream on! I won't let you succeed!"

Hearing this, Mu Yazhe's face remained expressionless as he calmly asked, "What gave you such a misunderstanding to think that I'm going to replace Shishi's eyes with yours?"

Yun Na was stunned. She suddenly reacted and sneered, "Stop lying! I heard what they said! They said that you're using me for my corneas!"

Mu Yazhe said in a flat tone, "Your eyes are so filthy; do you think your corneas are really good enough for Shishi?"

"Then..."

Yun Na was at a loss suddenly and she asked angrily, "Why are you keeping me imprisoned here?!"

.

"My father-in-law said that he wishes to spare your life. He will deal with you properly when he returns."

At this point, Mu Yazhe looked regretful. "Why do you think I kept you? You said that I coveted your cornea. Yun Na, are you even worthy?"

When Yun Na heard this, blood rushed to her head. She had never thought that she'd spend the last of what she had to destroy Yun Shishi, even if it was only to break her hope and cause her despair, she did not expect that Mu Yazhe had never thought of using her eyes to restore Yun Shishi's vision. She refused to believe it!

Because, if he did not think that way, what was the point of her destroying her own eyes and enduring such unbearable pain for nothing?!

She broke down and shouted at him, "You're lying!"

Mu Yazhe stared at her coldly, but she could no longer see him. She could only shout fiercely, "You must be doing it for my eyes! You must be doing it for my eyes! You must be very disappointed that I destroyed my eyes! It must be very painful for you! Hahaha!"

After a long silence, Mu Yazhe curled his lips coldly and said, "Yun Na, you're so pathetic."

Then he turned around and left without looking back!

Yun Na, on the other hand, could not stop smiling as she tried to maintain her pathetic dignity. However, after he left, her smile turned even more desolate!

Then her smile turned into laughter, which turned into tears of despair!

"Mu Yazhe! I hate you! I curse you; you'll die a horrible death! A horrible death!"

"Yun Shishi, your retribution will come! Even if retribution doesn't fall on you, it will fall on your child! Let your child pay your debts! Hahaha!"

Yun Na did not hesitate to use the most vicious curse she could think of. However, everyone looked at her as if she was a pitiful beggar, and no one cared!

As Mu Yazhe left, Min Yu followed behind, hesitating to speak.

The man turned to look at his assistant. "If you have something to say, just say it."

Min Yu pondered for a moment before probing, "Boss, have you really never thought of using Yun Na's cornea?"

Chapter 3067: The Love Of Your Life (38)

"No."

"Well then..."

Min Yu said, "That's not what you said before!"

"I intentionally revealed this information because I was sure that if she knew about it, she'd try all ways to destroy her own eyes."

Mu Yazhe continued coldly, "And if she were to destroy her own eyes only to find out that we had never wanted her corneas in the first place, she would feel a despair more painful than anything."

Min Yu shuddered involuntarily, however, this was very much his boss's style!

"I thought you'd torture her!"

"A woman like Yun Na is already a living dead. Hatred has been carved into her bones, and the torture on her physical body can no longer affect her! Even if she were to be tortured till she was riddled with scars, she won't be able to feel anything. Do you think a woman who doesn't hesitate to burn off her own fingerprints just so she can take revenge will have much awareness of physical pain? Moreover, just

torturing her in itself is not going to resolve the hatred. It wouldn't matter even if such a person dies ten thousand times!"

Min Yu recalled Yun Na's mournful look and shuddered.

Mu Yazhe stopped in his tracks and returned to his senses. He sneered meaningfully, "Don't you think that destroying a person mentally is the cruelest way?"

Min Yu agreed.

A few days later, another piece of news came. Yun Na had gone completely mad!

The long period of imprisonment had already tortured her mind to the point of collapse. Coupled with the sudden mental trauma, she had completely broken down. Mu Yazhe sent someone to take her away to the mental hospital, but news of her death followed not long after.

She had gone up to the top of the 7-story building by herself and jumped off.

The nurses could have stopped her, but Yun Na was crazy. If they tried to stop her, she might hurt the innocent. Hence, when they had called Mu Yazhe to ask how to deal with her, he said, "Let her be if she wishes to die."

After Yun Na had fallen off the building and died, her funeral affairs were hastily settled. Such a life had finally come to an unbearable end.

Naturally, Mu Yazhe did not tell Yun Shishi about this. However, the news of Yun Na falling from the building was still reported by the media. Hua Jin accidentally saw the headlines in the newspaper and dashed off to look for Mu Yazhe.

"Didn't you say that you wanted to keep Yun Na and give her corneas to Shishi? You never intended to use her eyes, right?"

"Uh huh."

"Well then..."

Hua Jin sucked in a cold breath. "What about Shishi?!"

Mu Yazhe looked up into his eyes and said in a low voice, "Before the wedding, I will find a source of the donor as quickly as I can for the operation."

"Isn't this chance too slim!?"

Hua Jin continued, "The wedding is imminent. What if we still can't find a cornea donor before the wedding?"

"You don't have to worry about this! As for her, she doesn't have to worry about this either. I'm her man. I'll handle it!"

Hua Jin was doubtful, finding it hard to believe that the man could bring the matter to a perfect closure.

Upon returning to the villa, he pushed open the door and saw Yun Shishi sitting on the sofa with Yueyao in her arms. There was a tender look on her face as she focused her attention on the baby.

Yueyao had just finished her milk. Yun Shishi was holding the child as she patted her gently and coaxed her to sleep. Lowering her head, she kept kissing Yueyao's forehead. Hua Jin was especially upset when he saw this.

Chapter 3068: The Love Of Your Life (39)

He bit his lip and seemed to have made a serious decision. When he returned to his room, he searched for a phone number in his cell phone directory. After hesitating for a long time, he dialed the number...

"Doctor Cheng?"

...

"Yeah, it's me."

...

"Can we arrange for the surgery immediately? Yes... I've made up my mind..."

...

This doctor was the authoritative expert that Hua Jin had contacted. Although removing corneas from a living person is prohibited, but he was probably touched by Hua Jin's persistence. He vaguely said that he knew of a way to remove the cornea of a living person.

However, as this was illegal, he spoke in an extremely obscure manner.

Hua Jin spoke with him over the phone and roughly agreed on the surgery fees and time before hanging up.

He sat on the bed and pondered for a long time. It would be a lie to say that he was not afraid of the operation, but if it were for Yun Shishi, he would feel blessed to be able to be her eyes!

Most importantly, his patience had run out after more than ten months of waiting.

He did not know how long they would have to wait for a suitable cornea donor, so he decided to use his own cornea.

Hua Jin stood up and walked to the door. Just as he opened it, he saw Yun Shishi standing at the door. Her eyes were blank and unfocused. Hearing the sound of the door opening, she frowned and asked, "Hua Jin..."

Her voice was trembling with fear.

Hua Jin was stunned for a moment. He did not know how long she had been standing at the door or how long she had been listening to his conversation with the doctor through the door!

"Sis..."

Just as he said that word, she raised her hand and slapped him.

However, she had meant for this slap to wake him up. Although she was not heavy-handed, her whole body was trembling, and her eyes were bloodshot. “Did you just say that you wish to have your cornea removed? Are you planning to donate your cornea to me?”

The man’s expression darkened. His fringe fell over his eyes. He kept silent. Perhaps because he was feeling a tinge of guilt and didn’t know how to respond to her anger!

“I won’t take your eyes!”

Yun Shishi was determined and said resolutely, “Even if I have to be blind for life, I won’t take your eyes! I don’t want them! If you did anything like that for me, I’ll cut off all ties with you!”

“Shishi!”

The man was terrified and panicked. He immediately grabbed her hand and coaxed her. “Sister, I know I was wrong. Please don’t be angry.”

She flung his hand off, still furious!

The man became even more anxious and quickly said, “I just... I just want your sight to be restored as soon as possible!”

Yun Shishi froze. Knowing that she was really angry, Hua Jin immediately tried to pacify her gently. “Shishi, I was wrong. I’m sorry, okay? Please don’t be angry with me! I promise you that I won’t mention this matter again! I will drop the idea. But... my heart really aches for you. I’ve told you before that if one day you should lose your sight, I’ll be your eyes! But I didn’t expect this to become reality!”

Hua Jin walked up to her and said nervously, “Do you know how guilty I felt when I found out that you had lost your sight? I thought, it must have been something I said that has made it come true!”

Chapter 3069: The Love Of Your Life (40)

“Do you know how guilty I felt when I found out that you had lost your sight? I felt that I must have said something bad to make it come true! I thought, God must have felt that I was too fortunate to have found a sister like you, hence there had to be some sort of retribution, but you ended up getting the brunt of it! And I thought, since God wanted me to fulfill my promise...”

Yun Shishi pursed her lips. Seeing that he had repeatedly guaranteed that he would stop pursuing the idea of a surgery, she could not really bear to remain angry.

She turned around. Although she could not see him, she still tried to widen her eyes to look at him. She said angrily, “Hua Jin, why are you so silly? Do you understand the despair of not being able to see anything?”

Startled, Hua Jin nodded. “Yes... I know.”

“Then why do you want to do such a silly thing?”

Hua Jin smiled. “Because... you’re my closest kin. Besides you, who else can I dote on?”

Yun Shishi had mixed feelings when she heard this. Initially, she had thought that he was only paying lip service, she did not expect him to really do such a thing!

She reached out and fumbled to hold his hand, saying, "Hua Jin, Xiao Jie said that he will do his best to help me find a suitable donor! I believe him, and you must believe him. Please don't do anything foolish again!"

"Uh huh!"

"Promise me that! Otherwise, I'll never speak to you again!"

Hua Jin smiled and nodded with tears in his eyes.

Thus, the matter of the surgery was left as it stood!

It was not as if there was no progress with the cornea issue. Hurricane Group had a wide network of connections, which far surpassed even the Mu Group's.

Mu Yazhe and Gong Jie split up the task and each looked within their network.

In fact, it was not that they had no source of corneas, just that these were not ideal donors. Mu Yazhe was very picky and did not want to just settle for any donor.

Most of them were prisoners on death row. The man believed in karma very much, so he absolutely would not take the donations of prisoners on death row.

During this period of time, Gong Jie did not return to the Gong family once. This came to the attention of a certain man.

The Gong family residence.

Gong Shaoying summoned his most capable subordinate, Vermillion Bird, to ask after Gong Jie's whereabouts.

When Gong Jie left the Gong family previously, he did not take Vermillion Bird with him. However, even then, Vermillion Bird had good knowledge of Gong Jie's whereabouts. Only, the man had repeatedly instructed her not to mention his whereabouts if his father were to ask.

Therefore, when Gong Shaoying asked about Gong Jie's whereabouts, Vermillion Bird kept her mouth shut and did not say a word.

Gong Shaoying knew that Vermillion Bird had a tight lip. It would be difficult to pry open her mouth to reveal Gong Jie's whereabouts.

However, the fact that Vermillion Bird did not mention Gong Jie's whereabouts at all was, conversely, a relief for Gong Shaoying. This told him that the kid must have run off somewhere to have some fun, so he didn't really have to worry that something bad had happened!

In the past, Gong Jie would always keep him informed wherever he went. But during this period of time, he was secretive and he deliberately hid it from him.

Gong Shaoying felt that there was something fishy about this. He wondered if the lad was finally in some sort of relationship and was spending time with a woman, indulging himself in it all and just could not bear to come home?!

With that thought in mind, Gong Shaoying became somewhat excited!

The fact was, this son of his was very slow-witted. He did not seem to be very enlightened about women. At his age, he did not even have a steady date.

Chapter 3070: The Love Of Your Life (41)

How should he put it? As a father, he had been looking forward to his son bringing a woman home, settling down and eventually having babies. Imagine how proud he'd be as a grandfather!

So even if the kid was deliberately trying to hide it from him, he had his own ways to deal with this!

Even though the entire Gong Family was divided, most of the authority was still in his hands!

Hence, when Gong Jie acted behind his back, Gong Shaoying naturally sent a few men to investigate his whereabouts.

That night, news got back that Gong Jie had not left China, he was within the country.

Had not left?

This confused Gong Shaoying all the more. Where had this brat been for all that time!

What was going on!?

The more he thought about it, the more mystified he became. Hence, he sent his subordinates to investigate.

He would have been better off not investigating the matter. The subordinates, who were all Gong Jie's trusted aides, actually came back with a few videos.

For the past few days, Gong Jie had been paying full attention to Yun Shishi and his adorable niece, so he was unaware of their presence.

In the video, he saw more than ten bodyguards creating a path and lining it, at the entrance of the hospital. A woman, carrying a child and smiling like a flower, got into a nanny van with some support.

She was surrounded by several men and two adorable boys.

Gong Shaoying immediately recognized one of the men standing by the side as Gong Jie.

As for the other man, he was no stranger to him. He was Mu Yazhe, Chairman of the Shengyu Group, who had caused a stir some time ago and left the Mu Group.

He looked extremely careful as he protected this woman. He placed his arm protectively around this woman who was carrying the baby, as if this woman and the child were extremely important to him.

However, there seemed to be something wrong with this woman's eyes, so much so that her gaze was fixed in one direction all the time, without any focus. However she was smiling, and the happiness that was radiating from her face was indescribable.

But what came as the biggest surprise to him was not that Gong Jie was with an unfamiliar woman who was carrying a child in her arms. Rather, it was the fact that this woman's face was very similar to Gong Jie's, and there was a hint of Mu Qingcheng about her!

Mu Qingcheng...

A name that was deeply etched in his mind, a name that weighed heavily in his heart!

This woman left a scar in his life that he would never be able to mend. Things were once beautiful, but now, she had become a pain that he could never forget.

Although he wanted to forget it, this name had left an indelible mark on his heart.

Who was that woman?!

Gong Shaoying narrowed his eyes and sized up that figure carefully.

The woman was pretty as a picture, and her smile was elegant. Her beautiful and refined face was completely bare. Even the high-definition video captured no flaw on that naturally beautiful face.

She seemed to have just gone through labor, but her complexion was excellent. Her fair face was suffused with a healthy glow.

As for her figure, it was not too out of shape. Even though her belly was still a little bloated from her pregnancy, it was obvious that she was recovering very quickly and well.

After watching a few videos, Gong Shaoying was greatly disturbed for a long time. He clenched his fists tightly, unable to sort out his thoughts.

He questioned his subordinate, "Who is this woman?!"

The subordinate lowered his head and replied respectfully, "This woman's name is Yun Shishi. She is Mu Yazhe's wife, and they have two sons and a newborn daughter. She has just been discharged after giving birth. This is all the information we have at the moment!"

"She—"
