

Sweet Love 3821

Chapter 3821: A Perfect Match (13)

Gong Jie stopped abruptly in his tracks. He furrowed his brow as he turned around abruptly, locking his vulture eyes on the person before him!

A look of danger!

“What did you say!?”

Hua Jin hunched his shoulders, but braced himself. “Well... remember we lost a game of cards once. Mu Yazhe made us play a game of paper napkins to screw us over...” Speaking of which, the actor felt horribly embarrassed, but he had to continue, “Well... at the time, we...” He was prepared to go into details.

Gong Jie’s stomach churned at the mention of the incident. Fighting the urge to gag, he turned ashen, covered his mouth and scowled. “Shut the hell up!”

The actor shut up obediently, not daring to say another word. Gong Jie stood rooted to the spot, studying the strange girl before him in disbelief.

Honestly, who would believe it when a strange girl suddenly appeared out of the blue and told him that she had swapped souls with Hua Jin. Even if Hua Jin managed to muster the courage to mention that incident.

Gong Jie remained incredulous. After all, once he believed it, and if this turned out to be a prank by Hua Jin, this matter would forever be a stain in his life that could never be erased!

The man raised his handsome face and studied the girl intently once more. “I’m going to warn you one last time,” he said suddenly, in a careful and deliberate manner. “Tell me the truth or I’ll really kill you!”

The actor was already shaking, being confronted in such a “friendly” manner. Even so, he squeezed his palms together and used the last of his courage to say, “I... I’m really Hua Jin... I’ll have many more opportunities to prove this to you. It can’t be faked, the truth will come to light! If I’m lying to you, you can do whatever you want! Others might not understand, but I know what kind of person you are... the future heir to the Hurricane Group. I wouldn’t dare offend you or make fun of you!”

With that, Hua Jin clenched his fists tightly and bit his lip aggrievedly and stubbornly! If he had any other recourse, he wouldn’t even be here telling such things to this man.

He wondered if he would have to live with this body for the rest of his life after the soul swap! If he really could not return to his past self, he would break down! Besides, he might even be mocked by others!

Furthermore...

Having lived as a man for more than twenty years, he just could not adapt to suddenly becoming a girl.

Gong Jie looked at him with a darkened expression. “You’d better be sure you’re telling the truth!” he warned. The actor nodded eagerly.

Gong Jie pursed his lips self-consciously and moistened it with the tip of his tongue. He looked around and said, "I've already paid for your medical bills."

"Well..." The actor stepped forward and asked, "Can you not mention this to Shishi for a while?"

"Why?"

"Because..." The actor looked a little embarrassed. "Let's not tell anyone about this for now!"

In the first place, he was reluctant to tell Gong Jie about this. He had originally wanted to find Shishi and ask her help to pay the medical fees. Then, he would decide what to do next from that point.

He hadn't expected Gong Jie to pick up the call. To think that the man had even made a point of investigating the matter before coming to the hospital. However, he had no choice but to tell him. Now that Gong Jie knew, Hua Jin had no intention of telling anyone else.

Chapter 3822: A Perfect Match (14)

Hua Jin was still nursing his headache when Gong Jie asked sullenly, "What about me?"

"What?"

The man raised an eyebrow and continued "I am not in the 'others' category?"

"..."

"Or am I special?" Gong Jie asked in a disapproving tone. "Why should I know such a thing?"

The actor was dumbfounded.

"I don't have the patience for this sort of thing." Gong Jie crossed his arms and said, "Now, I've paid for your medical fees. You're on your own!"

The actor was furious. "Hey! Don't you have any sympathy? I'm already in such a miserable state! A grown man turned into a woman, and you're still so cold?! Hey, have you no empathy at all?!" He was so angry that he clenched his fists tightly. His face was red, but his eyes were dark and flashing!

Gong Jie suddenly burst out laughing at that.

"Ha!"

For a moment, the actor couldn't tell if it was a sneer or a taunt. He was so angry that he couldn't care less about Gong Jie's status. He strode towards him and swung his fist at him.

Gong Jie caught his fist instantly and snorted with disdain. "Are you mad?"

He dared to fight him. Did this guy have a death wish?

He gathered strength in an instant, and Hua Jin felt his fist being wrapped tightly in Gong Jie's palm. Then his knuckles felt as if they were going to be crushed by Gong Jie's enormous grip...

"Hey, hey... it hurts... it hurts..."

Gong Jie felt as though he could flatten the tiny girl before him with one hand.

The actor chickened out instantly. "Let... let go!" he begged.

Gong Jie, however, sneered. "Why should I? Who just tried to punch me?"

"It... it was my fault..." The actor gritted his teeth and admitted defeat!

The man released his grip and snorted derisively. He put his hands in his trouser pockets and thought for a long moment. Then his thin lips suddenly began to curve.

Back then, when Yun Shishi had acknowledged Hua Jin, he was most annoyed. Why should she do that? She already had him as a brother, but she found herself another one. So what did that make him?

For a moment, he felt as if he had fallen out of favor.

But things were different now.

...

A wicked smile appeared on Gong Jie's face as he rubbed Hua Jin's head in a hostile manner. Looking at the girl in the eyes, he said, "So what do you want now?"

"I... I wish to get changed now, then, I'll make other plans."

"Uh-huh, okay." Gong Jie turned and walked away.

Hua Jin was still frozen on the spot when the man turned around again. "What are you waiting for?" Gong Jie demanded sullenly, seeing that Hua Jin was not moving.

"Uh... uh... alright." Only then did the actor hurried to keep up with him.

Outside the hospital, a sports car was parked.

The actor was shivering in a thin hospital gown as he got into the sports car.

"Raise the ... the ... the top!"

Seeing how thinly dressed the girl was, Gong Jie said nothing. He pressed a button and the hard-top of the convertible sports car rose quickly.

How shameful... Silently, the actor buried his face in his hands.

Gong Jie glanced at him and caught a glimpse of a strange bulge. When he focused on it, his handsome face flushed a strange red.

"You..."

The actor turned his head and saw Gong Jie staring at his chest.

He lifted his hands and touched them, but Gong Jie looked away awkwardly. "Why aren't you wearing any underwear?"

"Underwear?" Suddenly, the actor realized what Gong Jie meant by "underwear"!

Chapter 3823: A Perfect Match (15)

In the hotel.

Hua Jin stood in the bathroom, staring into the full-length mirror, wondering if he should lift his shirt.

Suddenly, there was a knock on the door.

Warily, he walked towards the entrance. At the same time, a woman's voice rang out, "Hello, room service. We've got the lingerie you ordered us to buy."

"I... I didn't ask you to buy it."

"It was ordered by the gentleman who shares your room. Mr. Gong."

"..." Hua Jin was taken aback briefly, he opened the door to find the service staff holding out two exquisitely wrapped packages.

As soon as he saw the two black lace-edged bras in the wrapping paper, a tempest surged within his heart and he went crazy!

How shameful...

Resisting the urge to squirm, he held the bra against his chest, but he couldn't bring himself to wear it.

/

After hastily changing into a fresh set of clothes, Hua Jin opened the door and walked out.

Perhaps it was because he had always been used to being a man. Even if he exposed himself, he would not feel ashamed at all.

After all, this wasn't his body.

The actor had just opened the door when a certain realization came upon him.

A constipated feeling.

After all, this was not his body... Then, would Liang Yin, whose soul now was occupying his body, not cherish his body and did as she pleased with it?!

The thought of that possibility made his chest ache with anger.

He turned back into the room and, despite his great discomfort, pulled the underwear on.

When he came back out, Gong Jie was standing in the doorway with folded arms, gazing at Hua Jin's ashen face and indulging in his own enjoyment of the other party's embarrassment.

Now, he really believed that this girl in front of him who acted like a man and spoke in a tone that was similar to Hua Jin's, was in fact the man.

He now believed that there was a thing such as a soul swap.

What a fantastical world.

Even now, there were many things that science could not explain.

Many people classified such things as “the supernatural”. In fact, many determined atheists firmly believed that there were no ghosts in this world.

Still, Gong had always been in awe of phenomena that science could not explain. One could choose not to believe, but one ought to be awed. Because humankind is so insignificant. Science is only a conclusion that humankind has developed. It is not so vast that it can encompass the entire world and the universe.

Perhaps many things that seemed absurd really existed.

Bracing himself, the actor stood in front of Hua Jin and held out his hand. “Can I borrow your cell phone for a moment?” he asked.

“Whatever for?”

“I’ll call my cell phone.”

Gong Jie dug around for his own phone and waved it in front of Hua Jin. The latter reached for it, but missed it as it was quickly raised out of reach.

“What are you doing?”

“You haven’t answered my question.” Gong Jie replied, “I’ve asked you before, where is your body now?”

That was an awkward question!

The actor licked his lips and replied, ‘If I’m not wrong, I’m... no, my body should be at the filming location still!’

“Filming location?”

“Yes, we fell into the water together. Later, I was taken to the hospital. But in the process, I had a little consciousness. I saw her being escorted back to the hotel by my assistant. She should be fine.”

“I see!” Gong Jie came up with an important piece of information. “In other words, you switched bodies only after you fell into the water.”

Chapter 3824: A Perfect Match (16)

“Ooooooh...” The actor rubbed his nose, searching his memory, then nodded. “Yes.”

Gong Jie broke into a wicked smile and said, “That’s easy. Find the girl, and if you both fall into the water again, you might be able to return to your respective bodies.”

Hua Jin’s lips twitched. “I’m not a good swimmer, and that girl is even worse. She could easily kill someone!”

Looking unimpressed, the man remarked, “I’d rather be dead than become a woman!”

“All you ever do is gloat. Hmph.” The actor snorted and extended his hand. “Lend me your phone!”

“Grab it if you can.” The man was still holding the phone high above his head.

The actor looked at the phone overhead. Out of the corner of his eye, he caught sight of a stool. He walked over, brought the stool and placed it in front of Gong Jie. Climbing onto the stool, he snatched the phone from the man’s grip.

“Gong Jie, you’re so childish! Playing these tricks that only kids would play...”

Gong Jie raised his phoenix eyes slightly. When the actor wasn’t looking, he stretched out his long leg and hooked the leg of the stool gently with his toe.

The stool rocked and Hua Jin’s body swayed violently for a moment. He could not stabilize his center of gravity and actually fell backwards!

“Ahhhhh...” He flailed his hands dramatically, trying to keep his balance.

Seeing that Hua Jin was really about to fall, and with the corner of the table behind him, Gong Jie was worried that he might get seriously hurt. He reached out and put an arm around Hua Jin’s waist.

The actor followed the momentum and fell right on top of him.

THUD.

The actor fell hard against Gong Jie.

Even though his entire weight was on Gong Jie, the latter was steadfast as a mountain. He did not waver at all, and easily lifted Gong Jie to the side by his collar.

“Hurry up and make that call!” he growled at Hua Jin and sulkily kicked the stool aside.

Hua Jin was furious!

This Gong Jie was too evil!

Taking full advantage of the fact that he had become a woman to deliberately mess with him!

Damnation!

The actor fumed silently. All he could do was mutter and curse under his breath, then make a few snide remarks about Gong Jie before heading out to the balcony with his phone.

Hua Jin stood there in the evening breeze. The phone rang for a long time.

The call was finally answered. He heard a familiar voice coming from the other end of the line. It sounded somewhat timid.

“Hello?”

Hua Jin was stunned for several seconds.

Human beings are strange creatures.

One would usually be very used to hearing one's own voice. But hearing it as a third party, it felt rather unfamiliar. It was actually slightly different from the voice he usually heard.

"Liang Yin!" He called out her name, his expression full of fury. "Where are you now?"

"It's you!" On the other end, Liang Yin, who was now occupying Hua Jin's body, was clearly extremely angry as well. "You stole my body. Shameless!"

"Ha?!" The actor sneered. "Are you in your right mind? I stole your body? You have no breasts and a flat butt. You have no money and no looks. Why would I give up being a huge celebrity to become an unknown poor woman!"

On the other end, Liang Yin was infuriated. Any girl would be furious being criticized like this.

However, there was nothing terribly wrong with what he had said. She could not refute him. She only said angrily, "Pervert!"

Chapter 3825: A Perfect Match (17)

"Pervert!"

Pervert?! This woman actually dared to speak to him like that!

"Hey, watch your words! What do you mean by pervert?! I think you're the pervert! In order to get close to your idol, you actually pretended to be my fan to come on the visit. I think you're just a brainless fan who will do anything to get close to your idol! It's fine if you don't thank me for saving you, but you actually verbally abuse me? I should have given you a hard kick when I saw you fall into the water, and let you fend for yourself!"

The actor was already fuming because of this. He should have abandoned her when she fell into the water. Why did he even jump into the water to save her?! If he hadn't been such a busybody or tried to be a good Samaritan, perhaps such a ridiculous thing wouldn't have happened at all!

Why would he even want to put up with it!?

This Liang Yin was actually humiliating him like this!

She actually turned the tables on him. Hua Jin said gloomily, "What a brainless fan!"

Liang Yin retorted, "I'm not a brainless fan!"

"If you're not a brainless fan, what are you?! Of all people, you choose to be the fan of Tang Yu who just debuted? Ha! You're blind."

"Shut up!" Liang Yin was so angry that her face turned a bright red. She said angrily, "Don't you dare insult Tang Yu!"

/

"I insist on insulting him. So what?" Hua Jin clearly did not take her seriously.

When Liang Yin heard this, she said in a huff, "Hua Jin, I'm warning you. Now, in the eyes of others, I'm the real 'Hua Jin'. Your reputation and status are in my hands! If you dare say nasty and hurtful things again, I'll create a lot of gossip for you tomorrow."

The actor's lungs nearly exploded at that!

"Don't you dare!"

"We'll see if I dare!"

Hua Jin smiled. "Sure. If you try to create a lot of gossip for me, of course, I won't take it sitting down!"

"What do you mean by that?"

The actor said smugly, "I'm with a man right now."

"..."

"If you try anything funny, I might as well show you what real mischief looks like!"

Liang Yin was speechless.

Instant terror.

Seeing that there was no response from the girl, Hua Jin expected that Liang Yin had caved.

After all, girls are timid. A word or two would scare them.

The actor took a deep breath and gripped the phone. "Where are you now?" he asked Liang Yin.

'I don't know. In a hotel, I think.'

"Did the assistant drive you back to the hotel?"

"Uh huh."

"Good. I'll go over and meet you." Rubbing his chin, he told her, "Be a good girl and stay in your room. Don't go anywhere."

"Why should I do what you say?"

The actor chuckled at that. This girl seemed to be unusually stubborn.

Leaning against the railing, he asked meaningfully, "Do you like my body that much?"

On the other end, Liang Yin was sitting on the bed. For some reason, when she heard Hua Jin's words, her face burned. "I... I don't!"

Up till this point, she hadn't found the courage to take a shower. She had no idea how to confront... this body!

The actor said, "That'd be right, then. Wait for me, and when I arrive we can discuss what we should do!"

"Got it..." Although she was unwilling, Liang Yin agreed.

After the call, Hua Jin returned to the house to find Gong Jie sitting elegantly on the sofa, idly puffing away on a lit cigarette.

Chapter 3826: A Perfect Match (18)

Smoke lingered in the air, reminding one of a misty mountain and stream landscape.

He walked over and said to his Gong Jie, "Lend me your car."

The man threw him a glance and asked, "Do you have a license?"

"Yes..."

"Are you sure?" Gong Jie looked at him intently. "If you don't have this girl's driver's license on you, it means you're driving without a license."

Hua Jin was speechless.

He was silent for a moment and was about to say something when Gong Jie, anticipating what he was about to say, immediately vetoed him. "Don't even think about it."

"... You know what I'm going to say?"

"Nothing more than asking me to be your chauffeur for free."

Gong Jie snorted arrogantly. "Who do you think you are? Why should I do what you say?"

"..."

The actor begged him nicely, "Please, Gong Jie. This is very important to me."

"Are you worried that Liang Yin will mess around?"

"Yeah." That was part of it. "Just drive me this once. The rest of the time, I'll handle it myself."

The man remained unmoved, putting on his best "we're not exactly buddies" expression.

Hua Jin got fed up and huffed, "Never mind! I'll take a cab myself!"

Then he turned and headed for the door.

Behind him, Gong Jie remarked quietly, "Do you have any money on you?"

"..."

"And are you sure you can even get into the hotel if you went to the filming location now?"

"..."

That was enough to stop the actor in his tracks. His head throbbed. Frustrated, he turned to the man with a look of utter despair. "But you're not helping me!"

Upon hearing this, Gong Jie replied, "I can help you, but it's conditional."

Hua Jin took this with trepidation. Not everyone could afford to owe this man a favor. Hua Jin didn't expect the conditions to be easy. Nevertheless, he steeled himself. "Tell me."

Gong Jie got up and walked over to him. "From now on," he said unhurriedly, "you're not to address Shishi as 'Sister' in my presence."

The actor was dumbfounded.

Gong Jie didn't like the look on his face. "What? Can't do it?"

Was that all?

Hua Jin frowned. "Is that all?"

"Uh huh. Not as though I can make you break off your relationship with Shishi."

The man had been upset over this matter for a long time. Especially when the actor would affectionately call her "Sister" in his presence. He'd been brooding over that ever since.

The actor nodded. 'OK, deal.'

"It's a deal!" Gong Jie's tone was sinister. "If you violate this agreement, I'll make you pay!"

"Alright... alright..."

The great Young Master Jie!

Inwardly, Hua Jin could not stop rolling his eyes. However, Gong Jie was satisfied to see that he had agreed so readily.

Half an hour later, Gong Jie dropped him off at the hotel. The place was heavily guarded, but for someone like Gong Jie, no amount of security meant anything. He made good on his promise and walked the actor to his room before leaving.

The actor stood at the door and rang the bell.

After a while, he heard Liang Yin coming to the door. Through the door, she asked warily, "Is that you?"

The actor rolled his eyes inwardly. Couldn't she just look through the peephole?! Was the peephole in the door for show?! This idiot had never stayed in a high-end hotel, had she?

"Yes, it's me! Open the door!"

There was obviously a moment's hesitation before Liang Yin opened the door. Hua nimbly ducked into the room, shut the door and locked it behind him.

Chapter 3827: A Perfect Match (19)

When he locked the door behind him, Liang Yin seemed alarmed. She hunched her shoulders and asked, looking vigilant, "Why did you lock the door!?"

Frowning, he turned to give her a disgusted look. "Why, you look like I'm going to do something to you."

Liang Yin instinctively took half a step back and clutched her chest. It seemed like a subconscious response for a woman. Because she had been soaked in water, she was worried that it would expose everything underneath. She clearly had not yet accepted the reality of her soul swap.

The actor kindly reminded her, “For goodness’ sake, you’re in my body now. I’d have to be crazy to do anything to my own body!”

“Ahhhhh...”

He took another look at her body—his own, to be precise—and saw that she was still dripping wet. Her hair was almost dry, but her clothes clung to her.

He raised his eyebrows suspiciously. “Don’t tell me... you haven’t had a shower yet!?”

This was simply... a disguised abuse of his body!

Liang Yin immediately reacted. Her gaze fell on Hua Jin and her eyes instantly flashed! “You! You showered!?”

She rushed over to him and grabbed him by the collar.

However, Liang Yin was now in Hua Jin’s body, and Hua Jin had shrunk from his 1.8-meter towering frame to a sweet young thing. When Liang Yin grabbed his collar tightly, he looked like a little white rabbit that had been lifted by his scruff, completely weak and helpless!

The actor didn’t have any strength to fight back. He struggled and gasped, “What are you doing!?”

“You... Don’t tell me you saw everything?” Liang Yin was furious. She glared at him and roared, “Don’t tell me you saw my body?!”

The actor thought that was a ridiculous question!

“Have you ever seen anyone taking a shower with their eyes closed!?”

“You...!!” Liang Yin broke down in anger and said in despair, “Then you’ve seen everything on me!?”

“Nonsense! How else? Stay drenched and catch a cold!?”

The actor bristled. “To say the least I despise it. You don’t have a good body, you don’t have any attractive features. It hurts the eyes!”

“You...” Liang Yin could not retort. Her attractive eyes burned with anger, and were immediately filled with tears. She was extremely aggrieved.

The actor was dumbfounded to see “himself” crying.

“What are you crying over!?”

“You saw me naked!” Liang Yin fell to the ground in anger, snot and tears streaming down her face. “In all my life, I’ve never been taken advantage of this way!”

Most importantly, this vile man actually said that her body was an eyesore!

Eyesore?!

Unable to bear the humiliation, she began to bawl.

“???” The actor looked utterly dumbfounded!

Did she think he wanted to?!

“Stop crying!”

It would have been better if the actor hadn't tried to console her. When he did, Liang Yin began to bawl even harder. Startled, the actor instinctively glanced toward the door, worried that her cries might be heard from outside.

He knelt down in front of Liang Yin and begged for mercy. “Okay, okay, stop crying, okay? You have a beautiful body. You have big boobs, long legs, and a thin waist... I've never seen a woman with such a good figure...”

It would have been better if he hadn't tried to .

What's the saying... it only made things worse.

Chapter 3828: A Perfect Match (20)

Liang Yin's tears fell even more violently. She hugged her shoulders and cried miserably.

Feeling a headache coming on, Hua Jin put a hand to his forehead. “Does it matter so much when someone looks at your body?”

“Of course it matters a lot!” Liang Yin came from a traditional family. Her parents had always taught her that girls had to have self-respect and self-love. Especially, her first night should only be given to her husband!

As for her body, it would become worthless after any man, other than her husband, looked at it!

“Now that you've seen my body naked, I'm worthless...” Liang Yin cried sadly, “My mother said that if another man saw my body that wasn't my husband, my body would be defiled...”

“What era is this?” Hua Jin was unimpressed. “We're not in a male-dominated society, and your mother still uses such backward ideas as dogma?”

Tears streamed down Liang Yin's face.

Frustrated, Hua Jin had no choice but to humor her. “All right, stop crying.”

As he helped wipe away her tears, he said, “Who says that a girl's body isn't worth anything if someone sees it? A girl is only beautiful if she's confident. Who says that a girl's self-worth depends on this concept you mentioned? Besides, it was an accident. Can you imagine, if I refused to shower and caught a fever as a result, it would only hurt your body in the end.”

Liang Yin immediately stopped crying and looked at him in surprise. She was stunned because she had not expected him to console her so seriously.

/

Hua Jin added, "Besides, if you ever have a boyfriend and give him your first time, and eventually he doesn't want you anymore, you're not going to kill yourself just because you lost your virginity to him, are you?"

Liang Yin listened to him in silence.

"I've seen many people who value their chastity end up marrying a man who was clearly not suitable for them, just because he was their first man. In the end, they lived unhappily ever after."

He continued, "Girls are better off on their own. They don't have to depend on anyone to live. Why restrict yourself to such dogma?"

Liang Yin gradually stopped crying.

The actor stroked her head. Except that it felt really odd. After all, he was stroking his own head.

Liang Yin's expression did not change, but her heart was stirring. She had not expected Hua Jin to be saying such things to her. All this time, her family had always taught her that a girl had to exercise restraint.

Yet the actor was telling her that girls had to be more independent. They had to know how to protect themselves, but they also had to know how to pursue their own happiness. There was no need to restrain themselves too much...

When the words sunk in and she thought about it logically, he wasn't entirely wrong. Indeed he had no reason to want to see her body. However, he had no choice in this situation.

Liang Yin pursed her lips, feeling rather guilty. She felt that she had made a mountain out of a molehill! Although she still felt a little awkward, she gradually calmed down.

"From now on... if you want to shower, I'll do it for you." Liang Yin said.

Hua Jin's lips twitched at that. "Why?"

"Because ... it's my body."

"Oh!" He nodded, then asked meaningfully, "Shall I bathe you from now on?"

"Why?!" Liang Yin looked like she had seen a ghost and subconsciously became even more alert.

Chapter 3829: A Perfect Match (21)

The actor, however, was very serious. He pointed at her and said, "Because this is my body."

"No way!" Liang Yin immediately rejected the idea!

The scenario of having a grown man bathe her, no matter how she thought about it, was too strange!

The man was at a loss for a reaction. "Miss, isn't this double standard of yours a little too much?"

Liang Yin turned a bright scarlet and said, "A woman bathing is... is different from a man bathing!"

"Different in what way?"

"There ..." Liang lowered her head, her face flushed. "Girls have to wash their private parts!"

"Rubbish." The actor said awkwardly, "Men have to wash their private parts too!"

"..."

"..."

They were both silent.

Liang Yin glared at him. Hua Jin looked awkward as well.

"Ahem... well then..." The actor cleared his throat and said solemnly, "At most, when I wash, I won't give it such a serious wash... I mean, not so deeply..."

He spoke extremely vaguely.

Liang Yin's face turned even redder. "Hey!"

"What?"

"You... you're not allowed to touch places you shouldn't!"

"Do you think I want to touch it?"

"Who knows?"

The actor's face reddened with embarrassment. "Although I've always wondered what it would feel like being a woman, I'm not happy at all that I've become one! I'm a victim, too. Don't make it look like I've brought a disaster upon you!"

Liang Yin got angry as well, "If you dare to touch something you shouldn't, I'll do it too!"

"Go ahead then."

"Fine!" Liang Yin crossed her arms and grunted matter-of-factly. "I used to wonder what it was like for a man to have his balls crushed."

"You..." Hua Jin widened his eyes and pointed at her and said sternly, "You'd better not mess around with it! It could cost me my life!"

"Cost you your life?"

"Really, really... That place is the most vulnerable part of a man!" Just imagining it gave Hua Jin goosebumps, as if he was experiencing it himself.

That was where a man was most vulnerable!

Previously, when he was filming a scene where he had to be suspended by a wire, the crew member in charge got careless and almost plunged him into the lake. He accidentally crashed into the railing by the lake. Although it did not hit the bullseye, it very nearly cost him his line of descendants. And even

though it caught him slightly off-center, it still hurt like hell. In front of the visiting media, he had to force a smile and pretend that nothing had happened.

That feeling was simply unforgettable.

“Well then...” Liang Yin suddenly said, “Let’s make an agreement.”

“What?”

“You’re not allowed to use your hands where you can just rinse with water.”

The actor agreed.

Liang Yin added, “Oh, by the way, try to wash in the bathtub less often.”

“Why?”

“Showers are better for women.”

“Got it.” He shot her a sudden glance. “When exactly do you plan to shower?”

“Now... now then...”

“What are you waiting for?” The actor urged, “It would be bad if I caught a cold! My constitution has always been poor.”

On this, Liang Yin slowly got to her feet. She stood by the bathroom door, seemingly undecided. Hua Jin came up behind her and gave her a kick, saying, “Wash me properly! Come out only when I’m clean and fragrant!”

“You actually kicked...”

Without waiting for her to protest, the man shut the door and walked to the sofa, where he lay down in a relaxed manner.

Chapter 3830: A Perfect Match (22)

In the bathroom.

Liang Yin looked at the overflowing tub and took three deep breaths.

Just then, when she got into the water and her clothes floated up, it shocked her so much that she almost fell out of the bathtub.

Honestly, she’d never seen the body of a mature man. So she did not expect a man’s body to be constructed like this!

Honestly... it looked odd!

The first time she saw a man’s body, Liang Yin felt that a woman’s body was more pleasing to the eye. She endured the awkwardness and finished her bath. However, she finally got to enjoy the bathtub for once and soaked to her heart’s content without any burden.

Once she was done showering, she pushed open the door and walked through the cloud of steam. In the cold room, she saw that Hua Jin had fallen asleep on the sofa!

She walked over quietly. Perhaps it was because of her body. At a glance, it was as if she could see herself from god's perspective. She approached cautiously, careful not to wake him.

Liang Yin crouched in front of the actor and studied him calmly. Or rather, she sized herself up!

So that's what she looked like!

It felt... different! It was different from what she would see in the mirror, or when she took selfies with her phone. She seemed... thinner, and... prettier.

She did not dress up often and rarely used skincare products. When she was in school, the other girls in the same dormitory used a lot of skincare products for some reason. She only washed her face with water and did not even use a basic moisturizer. However, the condition of her skin was actually better than those girls who used thousands of skincare products. Therefore, she had never believed that skincare products were effective.

She sat on the bed without waking the actor. After a crazy day, she was tired. She lay quietly on the bed, pulled the blanket over herself, and actually fell asleep.

The heater was on in the room.

The actor and Liang Yin were both asleep, one on the sofa and the other on the bed.

In the early hours of the morning, the doorbell suddenly rang.

Liang Yin did not wake up. She had covered her head with the blanket, so she was not woken by the doorbell.

Hua Jin, on the other hand, was instantly alert. He sat bolt upright on the sofa, then got up and walked to the door. Through the peephole, he saw his assistant standing there, looking nervous.

"Hua Jin? Hua Jin..."

He was just about to speak, when he noticed his hand on the doorknob. He suddenly realized that he had just woken up and had forgotten that he had swapped souls with Liang Yin!

In a dilemma, he frowned and paced around on the spot. He returned to the bed and shook Liang Yin awake!

"Wake up! Wake up!"

Liang Yin was still dreaming when Hua Jin shook her. It felt like there was an earthquake in the dream. She woke up with a start and opened her eyes to see a magnified face bearing a fearful expression.

"Liang Yin! Wake up!"

As she came to her senses, Liang Yin rubbed her eyes and sat up warily, looking around. "What is it?"

Before the actor could say anything, she heard a knock on the door. She became alert and asked, "What's going on?"

“Listen... I have an event this morning. Right now. My assistant is outside. This event is quite important. You can't miss it. You have to go in place of me.”
