

《Sweet Marriage: Smart Cute Wife》

Chapter 103

The "director" who led the way immediately reminded Xia Jinsheng of the gentle and lovely young ladies who laughed in the ancient brothel.

The person who shocked her even more appeared. Who is not the woman who wants to turn into a soft, omni-directional and non dead angle pasted on the director?

By the way, who's that? It's the little star with Lu Jun.

"It's that annoying Shang Sijie again." Er Chun whispered in her ear. Xia Jinsheng suddenly looked like the third tier star who was not in the class.

It seems that she should have something to do with the play. It's really where she doesn't meet in life.

When the director saw two strangers suddenly appeared, he quickly pushed away GA Sijie. Xia Jinsheng was not familiar with him, but Er Chun was very familiar with her. She was the original author and screenwriter of the previous new moon.

Who doesn't have a good eye in this circle? After seeing her in the replay of the TV series press conference, he left a special mind.

"Hello, director Dong. I'm Er Chun. This is my friend Jin Sheng." When director Dong introduced himself a lot, er Chun already took Xia Jinsheng to introduce himself.

"Hello, director Dong." Xia Jinsheng smiled, which may be the common feature of most directors is severity, so Xia Jinsheng was a little reserved in front of him.

The domestic famous director's eyes turned to Xia Jinsheng. He was deep and could not see what he was thinking.

"Oh, it's ER Chun's screenwriter." There was a delicate fake smile on her face, and a dark light crossed her eyes.

Remembering her lost role last time, she couldn't help staring at them angrily. Xia Jinsheng turned her eyes and gasped with anger.

Three women play a play. The dark tide between them is surging. All of them fall into director Dong's eyes. The eyes as sharp as eagles linger on them, "do you know?"

"I don't know."

The three people almost invariably said this sentence, and when they found it, they stared at each other, making people believe that it was difficult for them not to know each other.

The atmosphere was very embarrassing for a moment. Director Dong smiled and rounded up the scene. A small figure ran towards this side, "Mommy."

It's her little guy. Xia Jinsheng picked her up with a smile. Director Dong was very surprised that Xia Jinsheng had a child so young, and he had a very good impression of her.

Young and playful. I don't know how much better than some stars with only face value. He intended to talk deeply, but the crew couldn't live without him. They had to leave the organization to shoot first.

Shang Sijie stayed, her eyes stopped on the little guy's hand and asked hypocritically, "Xia Yuxiu, right? Was the tea good yesterday? "

The little guy's eyes turned red. Yesterday, she joined hands with the deputy director and scalded her again and again with hot tea while the director was away.

The tight body in her arms made Xia Jinsheng immediately notice her abnormality. Her beautiful eyes narrowed slightly and glanced coldly, "what do you mean by what you just said?"

"Don't you know?" Shang Sijie pretended to be surprised. "Yesterday, the little guy played abnormally, ng for many times, which made me pour tea on her again and again. I'm really tired to death." With that, she slapped her hand in front of her, looking like something serious.

Xia Jinsheng's anger suddenly found a vent. Well, it turned out that this malicious woman bullied her daughter. Er Chun was also greatly surprised and raised his hand to fight her.

Last time, she was taught a lesson by Er Chun. Shang Sijie subconsciously protected

her head, but found that the expected headache did not come to her. When he opened his eyes, he found that Er Chun's hand was caught by someone, and that person seemed to be Xia Jinsheng.

She suddenly became proud and put her hands on her hips, "what's the matter? Dare not fight? I tell you, I'm a female sophomore now. I'm injured and delayed shooting. You'll wait for a lawsuit. "

Oh! It turned out to be a female sophomore. No wonder you have such a big tone.

"When I hit you, there are thousands of people waiting to replace you." Xia Jinsheng snorted coldly. She didn't hold Er Chun because she was afraid of Shang Sijie, but because she made trouble in someone else's place, and now the little guy still cooperates with them.

Shang Sijie couldn't spit out half a word because of her words, and her face turned red. Her eyes were poisoned and burning with dark fire. She wished she could burn the people in front of her.

It's going to be filming soon. Shang Sijie leaves angrily. It's said that she and the little guy will be on camera for a while. Xia Jinsheng is worried about whether the little guy will be bullied by her.

When the little guy was about to enter the studio after making up, er Chun suddenly asked, "where are you now?"

"Well, father and mother will come and save me." The little guy raised his eyebrows. He looked weird. He looked at Er Chun, and the two laughed together. Finally, er Chun told:

"If it's time to be cruel, I'll be cruel to death. Sister er Chun can't bear it and your omnipotent father. Not afraid. "

With this guarantee, the little guy walked bravely and in high spirits. People who knew knew she was going to shoot, but people who didn't know thought she was going to fight with someone.

Xia Jinsheng shook his head. I really don't understand what medicine is in the gourd of these two people? But she soon realized that the character played by Shang Sijie seemed to have made a mistake and was knelt on the ground by a group of men in black.

The little guy dressed in ancient costume ran up with a bamboo board and gave a crisp "pa" to Shang Sijie's face. Her face turned white and then red at a rate visible to the

naked eye. Everyone who knew the script was stunned. There was no such play at all. She was improvising. The deputy director looked at Shang Sijie's sad look for help and was about to call card. The next director made a gesture to shut him up. And motioned to continue shooting, he saw the little guy quickly and ruthlessly hit Shang Sijie in the face with a bamboo board. The latter's eyes burst into tears. He only heard the voice of the indignant child teach him: "bad woman, ask you to rob my father." She is filming. Yes, Xia Jinsheng is in shock, but he can't get back. Why does he think the little guy is taking revenge for public and private affairs? This means... I really don't know what to say. Er Chun stood beside her with a smile, "Yuxiu has a good temper. It is estimated that Shang Sijie is angry. And she doesn't want you to worry. " Xia Jinsheng knows that a woman is like a mother. How can Xia Jinsheng not know the reason why the little guy does this? It's just that her child who is reluctant to teach is bullied by others. She can't swallow the evil spirit. She turned and leaned over Er Chun's ear and whispered, "do me a favor, let's do this..." with the director's order, the shooting was over. Shang Sijie struggled to stand up from the slate with her swollen face in pain. The agent hurriedly ran over to see the traces on her face, "let's first..." before she finished, she was pushed away by Shang Sijie, "where's the little bitch?" There was no cover under her mouth. The little agent looked at the reaction of the people around her nervously and said weakly: "come on, follow her mother and ER Chun's screenwriter." When she got the answer, Shang Sijie ran out to catch up without taking into account the redness and swelling on her face. The sarcasm of several staff members sounded behind her "Are you looking for the little actor?" "No, it's called the good reincarnation of heaven. Yesterday so bullied a child, so don't think about today?" "Her face is expected to toss for a while. " Everyone can only applaud her experience, fall into a well, and have no sympathy at all. When Shang Sijie came out, Xia Jinsheng was holding Xia Yuxiu to take a seat in a taxi on the side of the road. She quickly stepped forward to pull Xia Jinsheng out of the car and said fiercely, "when you finish beating people, you want to run?" "Let go, where's the madman?" Xia Jinsheng shook off her hand and looked at Shang Sijie's face for a long time. She couldn't help laughing, "Oh, it's Miss Shang. Sorry, I didn't see it just now. " This lie could be spread more wisely. Shang Sijie twitched at the corners of her mouth, held her hands in front of her chest, and was arrogant, "you must make an apology to me. Otherwise, that little bastard won't want to appear in the entertainment industry again. " Oh, what a big breath "Cut. " Xia Jinsheng deliberately snorted coldly, looked down at Shang Sijie from top to bottom with the same attitude, and said calmly, "just you? A little star who was kept. By the way, you also kept a little white face, didn't you? That's great. " Such provocation made Shang Sijie angry and shameless, which was reflected incisively and vividly at this time, "so what, as long as I move my fingers, I see who else dares to let the wild child film." Oh, I'm so scared. Xia Jinsheng looked at the crowd, quickly pushed Shang Sijie to the ground, quickly got into the taxi and left. Wearing high-heeled shoes, Shang Sijie fell solidly and chewed the mud. She was angry and swearing. She was about to get up from the ground. Reporters who didn't know where to come from crowded her. The flash focused on her, and the flashing person couldn't open his eyes. The same is true of the superstar emperor. Shang Sijie

was flattered by the unexpected situation. Before she could be proud, the reporter's questions broke her dream - "Miss Shang, did you just admit that you were kept by a big money, didn't you?" "Is there any reason why you can take over director Dong's play this time? It is said that she is still a female two." Shang Sijie was sweating all over. She quickly covered her face and shouted that she would not accept the interview. She always wanted to be red, but she didn't attract attention in this way. It must be Xia Jinsheng. She designed to frame herself. But there was no shadow of Xia Jinsheng at the scene. Shang Sijie was gnashing her teeth with red ferocious eyes. She must avenge this revenge! Xia Jinsheng and ER Chun, who had been hiding in the taxi with the little guy for a long time, couldn't stand up with laughter. Er Chun patted her on the shoulder, "I find you are too cruel and the most poisonous woman." Xia Jinsheng didn't care and accepted it as a compliment.
