

《Sweet Marriage: Smart Cute Wife》

Chapter 107

The police soon took Lu Jun and Sijie away. This matter has alerted the school. Fortunately, Gu Nanchen came forward and the matter was successfully solved.

The students who abused Xia Jinsheng were given a severe warning, and the person who posted a post on the campus website was also found out. The credit was deducted, including cleaning the toilet for two semesters.

The white lotus flower was the original school flower of the music department. She was jealous that Xia Jinsheng robbed her name and had an affair with Ji Chi.

Xia Jinsheng, who learned the truth, touched his nose and sighed, "beauty is a disaster. It's also my fault to be so handsome."

Gu Nanchen looked at her quietly, turned and walked to the car, opened the door thoughtfully, "get in the car."

The people who haven't finished watching her look at her. It's called envy, jealousy and hatred. Xia Jinsheng feels like his back, and his body is stiff.

Sitting in the car, Gu Nanchen drove without distractions. Xia Jinsheng pretended to casually mention the pick-up and delivery with him, "in fact, you don't have to pick me up from school."

"I'd love to."

In three simple words, Xia Jinsheng beat back all the reasons for Xia Jinsheng's long speech. She could only retreat and ask for the second, "can we change a low-key car?"

Gu Nanchen pondered for a moment and thought that it might be today's matter that had brought her a shadow. After a while, he agreed to it and asked Qin Wen to start preparing.

The next day, Xia Jinsheng saw Toyota Corolla running all over the street in the underground garage. The general market price was about 100000 to 200000, excluding imports.

"Low key enough?" Gu Nanchen's eyes are bright and looking forward to something. Xia Jinsheng successfully understands this look for praise.

She stood on tiptoe, reached out and patted Gu Nanchen's head, "well, great, very satisfied." The tone was the same as that of the naughty little guy. Gu Nanchen's eyes moved. His hand had grabbed Xia Jinsheng's slim waist and pressed people on the body. The evil spirit was crazy to drag Ba Ku, "woman, you're playing with fire, you know?"

"Puff --" Xia Jinsheng laughed with the face giver, and couldn't stand up straight. The weight of her body leaned against Gu Nanchen. She said, "boss, this tone is not suitable for you at all."

"Oh? Really? "

The tone of senyou was dormant with a dangerous smell. Xia Jinsheng sat upright and retreated from his arms. With sharp eyes, he saw the police coming towards them. Xia Jinsheng's memory is superior. He can see that he is the dull little policeman yesterday.

Aware of her eyes on the man, Gu Nanchen's hand slowly moved to her waist... Xia Jinsheng looked back speechless. Is it necessary to eat this little vinegar?

"What's up?" Gu Nanchen's voice was full of unwelcome.

The smiling little policeman is dull. Why is his eyes so terrible? He doesn't seem to have offended anyone. Remembering his duty, the little policeman smiled, "well, the two people yesterday will be detained for three days. They want to see you."

"They'll see it when they come out." However, in court, this incident not only had an impact on Xia Jinsheng's campus life, but also almost involved the little guy. How could he let such a person go.

Love me, love me, and vice versa. Because the little policeman accepted Shang Sijie's entrustment, Gu Nanchen didn't like it with him. After talking, he said to the people, "now you can go."

"Oh, OK. I'll convey it. " The little policeman was stunned. He subconsciously did what he said. When he got out of the door, he found something wrong.

He clearly came to persuade peace. How can he go back like this? When he wanted to

turn back, the housekeeper had locked the door according to Gu Nanchen's instructions. The little policeman returned disappointed.

Three days later, outside Gu Nanchen's villa, two figures squatted early. They were Shang Sijie and Lu Jun. During the three days in the detention center, the two arrogant and domineering people were tortured. It was hard to come out and wait for them with court leaflets.

Their brains crashed at that time. Lu Jun first responded and took Shang Sijie to Gu Nanchen's villa to beg for mercy.

But it's still early and the people in the villa haven't got up yet. The security here is so tight that they dare not mess around. Shang Sijie was angry, so she spread her anger on the housekeeper who got up early to keep fit.

"Hey, who is that. Is your master still awake? Did you tell them? " She pointed rudely at the fifty year old housekeeper.

The other party was unhappy and glanced at her lightly, "can you control it? Just wait and ask for help. "

Shang Sijie wanted to curse angrily, but the housekeeper didn't give her this opportunity and turned back to the villa.

The two men waited another half an hour to see Xia Jinsheng. As soon as they saw them, Shang Sijie flopped down and knelt down to Xia Jinsheng. She regretted her tears and asked Xia Jinsheng not to sue her.

People in the performing arts circle once told Xia Jinsheng that Shang Sijie's acting skills were not good, but Xia Jinsheng thought she could perform crying drama easily.

"Don't sue you?" Xia Jinsheng sneered, "do you know how to regret now? At the beginning, you bullied the small and insulted and cursed people in the street. Aren't you very powerful? "

"Sorry, I know I'm wrong now. Please don't remember the villains, my Lord. Please forgive me. Don't sue me. I don't have the money to file a lawsuit now, and I don't have the money to compensate you. " She pretended to be pitiful and completely disappeared from her arrogance. What she said is also true. Since the last time she was kept, the contractor broke off the relationship with her. The director was unwilling to use her at all. After the scandal, he lost all his money. Now she even has a problem with basic food and clothing. Where can she have spare money to file a lawsuit. And Xia Jinsheng has a 99% chance of winning the lawsuit. If she can't afford to pay back, it's estimated that she will go to jail? At the thought of going to prison, Shang Sijie

was really afraid. Her great youth must not be buried in it. Lu Jun was not idle and asked for help. "Jin Sheng, it's our fault this time. You see, in the past, the friendship has become big and small. How about it?" As soon as the voice fell, a sharp eye knife scraped on him, and Gu Mingchen's eyes could spray fire. He didn't mention this. Fortunately, when he mentioned Gu Nanchen, he remembered that if the engagement banquet had not been stopped, this guy might have been Xia Jinsheng's husband. Thinking of this layer, Gu Mingchen's eyes became colder and colder. How could Xia Jinsheng not notice his change? Although he was unclear, he guessed a little. He quickly got rid of his relationship with Lu Jun, "I don't have any feelings with you." Lu Jun's face was pale. He wanted to retort. The coldness in Gu Mingchen's eyes seemed to freeze his voice "No money, right? Well, I may not sue you, but you must be my servant for two months. " The first half of her words made their faces shine, and the second half immediately made them look like frosted eggplant. Whether they agree or not, it is certain that they will stay as servants for two months. unwilling? Yes, I'll see you in court " Why do you keep them? You won't be interested in Lu Jun? " The two were handed over to the housekeeper for training. Xia Jinsheng was going to sleep back on a hard weekend, but Gu Nanchen tossed and refused to sleep. Xia Jinsheng gave him a white look, "Why have you been suspicious lately?" " Don't change the subject. " She was left speechless. What did she mean to change the topic? make trouble out of nothing! Xia Jinsheng didn't want to talk to him, but he knew that if he didn't explain clearly now, the man behind couldn't be a demon, he patiently explained: "I didn't mean to him from beginning to end. I was angry with you at the beginning." If you can, Xia Jinsheng only needs to explain to him with that classic old song. I only have you in my heart. Without him, you should believe that my affection is true... Before the idea can be put into practice, Gu Mingchen has blocked her lips and is full of emotions. He just wants to convey his enthusiasm to each other. I thought it would be better for those two people to be servants. After listening to the housekeeper's report, Xia Jinsheng sincerely felt that he was too naive. These two people were completely useless and fought five dregs. Washing dishes and falling dishes can break the washing machine. Cleaning a sanitary glass breaks two. Whether it is intentional or not, she can be sure that the things in the family will be destroyed by the man sooner or later, and... The two people's dinner today is not ready. Back in the two people's living room, Shang Sijie was dizzy with hunger. She devoured most of the bowl of instant noodles left yesterday, and didn't even leave the bottom of the soup. After filling her stomach, she felt her strength gradually return to her body. She thought of the comfortable room, luxurious configuration and servant service she saw in Xia Jinsheng during the day. That was her imaginary life. no That's the life she had. Shang Sijie had boundless jealousy in her heart, which burned her reason completely, leaving only the most primitive desire of plundering. When Xia Jinsheng didn't know, the jewelry on the dresser in her room and other precious things in her family would always be lost for no reason. Because there are so many such things, Xia Jinsheng has never paid attention to them. Until one afternoon, er Chun suddenly ran from the crew to borrow props " I remember you have a diamond necklace. Lend it to me. I'll give it back to you after I give it to the crew. " Er Chun came in a hurry. It seems that he is

really in a hurry. Xia Jinsheng went upstairs without saying anything to get something for her, but he couldn't find it everywhere. Er Chun took a cup of tea and said with a smile, "you've been stolen?" "Maybe I forgot where I left my broken memory. " Rich and willful. " Er Chun gave her a white look. If she had such a precious necklace, she would collect it well. How dare she put it around. Finally, Xia Jinsheng found a valuable necklace to replace her, and ER Chun paid the job. Xia Jinsheng didn't think much, but asked the housekeeper to let someone look for it. She didn't find that Shang Sijie nearby trembled slightly.
