

《Sweet Marriage: Smart Cute Wife》

Chapter 110

When Gu Nanchen came home, he loosened his tie and wrote lightly, "it's done. There won't be these things in the future."

"Really?" Xia Jinsheng is full of doubts. The calmer Gu Nanchen is, the more worried she is.

The Spring Festival came as scheduled. One morning, Xia Jinsheng was noisy by firecrackers. One side of the bed was empty and there was still some temperature left.

She opened the window to see who disturbed people's dreams so early in the morning. All she saw was the little guy wearing the fat doll on the New Year picture, covering his ears and standing next to a string of firecrackers. She was surprised and afraid.

Gu Nanchen provoked a string of firecrackers with a lighter in his hand. The frightened little guy ran all over the yard.

She immediately went downstairs. As soon as the little guy saw her, he hid behind her for help. Gu Nanchen threw away the things in his hand, smiled and hugged her waist, whispered: "wake up, why don't you sleep a little more?"

"What do you say?" Xia Jinsheng doesn't laugh. They set off firecrackers here to let her sleep?

You'd better sleep one and show me! He was tossed again last night, and now he is still in pain. Xia Jinsheng frowned.

He knew what was wrong and helped her rub her waist. As for the little guy who had stood far away, he stepped on a string of small footprints in the snow.

"Daddy and Mommy, shall we make a snowman?" Looking at the snow, the little guy remembered the textbook about making snowmen in winter. She is full of novelty about these.

"Not good." Xia Jinsheng was steaming. The temperature outside alone made her choke. If she still played with snow, she would rather die.

But Gu Nanchen walked away from her and went to the little guy. They began to roll the snowball seriously. Xia Jinsheng was so angry that she found that as long as she was with the little guy, he would become childish and always do some incredible things.

Usually people at this point have begun to prepare for the new year's Eve dinner

And now she is squatting in the snow watching the two clumsy snowmen.

"It's so slow. I can't help you." Xia Jinsheng walked slowly, she would not admit that she was moved.

The snowman they made was white and fat. Xia Jinsheng specially went to the kitchen and took two small tomatoes and a carrot to make eyes and noses for the snowman.

No matter how she obstructed, the little guy insisted on taking off his scarf and putting it on the snowman, and then taking a picture with the snowman.

"Daddy and Mommy, come with you." The little guy warmly asked the two people to take a group photo, but Xia Jinsheng made a mistake. There was no fourth person in the family. Who helped them take a group photo?

Finally, Gu Nanchen takes out a bracket and a digital camera from his study to take a group photo for the family. Gu Nanchen and Xiaobillon look through the photos with the digital camera as a treasure.

Xia Jinsheng went to the kitchen to prepare the ingredients for the new year's Eve dinner. He looked at the harmonious actions of his father and daughter, and the corners of his lips rose. "I really don't understand what's good?"

"This is the first group photo of our family." Gu Nanchen looked up at her with a smile on his face. In his eyes, Xia Jinsheng looked like wearing a broken flower apron.

A successful career and a happy family. At this moment, he has a wife. What does a husband want?

His indifferent words were like dropping a bomb in Xia Jinsheng's calm heart lake. The waves rippled and lasted for a long time.

Is it? It's a group photo of their family. It's so happy to be with him. Xia Jinsheng never dared to portrait before.

Her heart seemed to be filled with sweet sauce, and her whole body was warm. The smile at the corners of her mouth was deeper and deeper, "well, there will be more

after the group photo."

Gu Nanchen looked at her in surprise and answered after a while:

"Well, yes."

The soft voice makes people feel like a spring breeze, warming the ice and snow in this winter.

Although it was a new year's Eve dinner, Xia Jinsheng did not cook many dishes because there were only three people, but it was also extremely rich.

After eating and drinking, Gu Nanchen is responsible for washing the dishes. Xia Jinsheng and Xiaogong touch their stomachs, and Beijing slumps on the sofa.

"Go for a walk and eat." Gu Nanchen reluctantly blocked in front of the TV, but the two people didn't buy his account at all. The little guy moved a little nearby.

"Daddy, you're blocking me from watching TV."

"I want to watch the Spring Festival Gala."

The two people rejected him with one voice. Gu Nanchen directly pulled out the electric plug and seduced the little guy, "roll, there are fireworks outside to see."

Coincidentally, it seemed that in order to match his words, the sky outside the window made a dull noise, fireworks bloomed in an instant, and the light in the little guy's eyes flashed. She's already a little excited.

"We can also set off fireworks ourselves."

"Mommy, let's go out for a walk." The little guy jumped down from the sofa and forced Xia Jinsheng to go out for exercise.

Black belly! Xia Jinsheng gave him a hard blow, but when he saw the fireworks outside, he didn't complain, but was full of shock.

"Why did you buy so much?" There are four or five boxes of large fireworks on the ground, with different lengths. There are more small fireworks for children, dozens of bags.

They can't put it all night.

"Chinese New Year." Gu Nanchen was not embarrassed at all. He looked calm, but

Xia Jinsheng was petty and haggard.

He arranged the fireworks box by box and lit them slowly. After the explosion, a circle of colorful eyes burst into Xia Jinsheng's sight.

She exclaimed and covered her lips. No wonder he urged the little guy to bring himself out. The originally customized fireworks spelled out a word.

All the words together are: Xia Jinsheng, I love you.

Such a romantic confession is too shameful. Xia Jinsheng doesn't dare to look directly into his hot eyes now. Fortunately, the little guy is still between the two, otherwise she should find a hole in the ground.

The little guy looked at the fireworks with amazement and excitement. "Mommy, daddy said he loved you."

"..." if you don't speak at this time, no one will treat you as a little mute. She is disgusted in her heart. Gu Nanchen picked his eyebrows and pinched the little guy's face. Sure enough, it was his daughter. How can she be so cute.

Well done!

"Mommy, daddy said he wanted new year's gifts, too." Got the same touch as Dad's praise, and the little guy made more efforts.

They stared at Xia Jinsheng with joking eyes. The temperature on Xia Jinsheng's face could already scald a raw egg. Gu Nanchen was getting closer and closer, looking like asking for a reward.

"Do you have my present?"

His handsome face suddenly magnified several times in front of him, and Xia Jinsheng's heart seemed to be broken, plopping, plopping and jumping.

Call the police. There's someone holding a beauty robbery, new year's gift or something. She's long forgotten it. In a hurry, Xia Jinsheng had an idea and pushed the little guy into Gu Nanchen's arms, brazenly saying:

"Here, happy new year."

Looking at the ignorant little guy in his arms, Gu Nanchen smiled deeply. Without saying a word, he put down the little guy, put Xia Jinsheng on his shoulder and threw him back to the room for business.

"Daddy, you forgot me." The little guy stood pitifully in the same place, and the dark in the yard set off the color of fireworks more brilliantly.

She consciously ran to her room, took out her mobile phone and started video chat with ER Chun. Unexpectedly, on the screen, er Chun looked bitter and bitter.

"Fairy, what's the matter with you?" Because Er Chun often claimed to be a fairy, over time, the little guy began to call her a fairy.

"Your video saved me like timely rain." Erchun is not grateful. The little guy suddenly asks for a video with her to help her ask for the "greetings" from the seven aunts and eight aunts on the table.

Yes, she was urged to marry. As a single young woman in her twenties, er Chun feels that she is still young and does not need to be disturbed by another partner for the time being. Now she has to work hard for her career.

The problem is that her mother doesn't think so. She shouts with her hips on her hips, "you're in your twenties. Look at your peers in town. Isn't that a mother already?"

"They are wrong. As the brain powder of my Chinese father, I must marry late and have children later, and have fewer and better children."

"Hey, you choked on me, didn't you? You have to go on a blind date in two years. "

If her father hadn't stopped her, the ER Chun the little guy sees now might not be so complete.

The little guy noticed that when he mentioned the word "blind date", er Chun unconsciously frowned and seemed very annoying, "little fairy, what is a blind date?"

"It's punishment. It's the same as beating your ass when you're not obedient. " Erchun frowned and didn't hurt the child's consciousness at all.

.....

After the eve of the year is the first day of junior high school. It is reasonable to visit relatives and friends, but these can be saved this year. Xia Jinsheng naturally stayed in bed, but Gu Nanchen's vision had been stuck on her flat abdomen.

When he saw it, he was very angry. The heating in the room would not be frozen. Xia Jinsheng wrapped himself tightly, "you, what are you doing?"

Gu Nanchen touched her hair and kissed her forehead, "Jinsheng, give me another child."

Oh, it turned out that he was just going to have a baby. Wait, what's just... Xia Jinsheng rolled away and thought of his gentle eyes just now. Now he just felt afraid, "no, don't."

Her resolute tone made Gu Nanchen cold. Why didn't she want to have another child for herself? Or was it just an accident that gave birth to rolling? She didn't want to be with herself at all.

Gu Nanchen was surprised to recognize her and get the certificate. He coerced Xia Jinsheng to get all this. He didn't ask her if she was willing at all.

"If you want to have a baby, go yourself." Xia Jinsheng quickly put on her clothes and was ready to go out. She didn't realize the emotional change of Gu Nanchen.

Suddenly, a strong pull behind her hurt her, and she was pressed on the bed again. Gu Mingchen looked gloomy and grabbed her jaw with one hand, which was surprisingly strong.

He approached, his voice like the cold wind outside the window, "I tell you, whether you like it or not, you will be my person all your life."

Xia Jinsheng found something wrong. Gu Nanchen's breath was too dangerous. He was crazy and cruel to die with others. She also lowered her face. "What are you crazy about?"
