

《Sweet Marriage: Smart Cute Wife》

Chapter 112

Even though he was called to the company by Jing Zhu, Liu Ru'an didn't show any panic. He walked into the office and photographed him on his desk, preempting: "Mr. Jing, I think you accused me of plagiarism, which is completely insulting my personality and my works. What do you mean?" When the table shook violently, Jing Zhu also stopped working and looked up at her. He put his hands together and lazily supported his chin. "Is it plagiarism? You can talk to Miss Xia." She suddenly turned around and saw Xia Jinsheng sipping tea gracefully on the reception sofa in the office. Seeing her eyes cast over, Xia Jinsheng put down the tea cup. The slight sound of the slight collision between the teacup and the base makes Liu Ru'an's heart shrink. She can't see Xia Jinsheng at school. Now she thinks she's putting on airs "You said I copied, didn't you? What about the evidence? Be careful I sue you for slander." She stared at Xia Jinsheng angrily. People who didn't know thought she was the real victim. Xia Jinsheng was also angry. She took a deep breath to restrain her impulse to quarrel with Liu Ruan, "don't worry, I have submitted an application to the court. It was intended to be settled privately, but now it seems unnecessary." For the first time, she saw that she stole other people's achievements and took them for herself. Other plagiarists are like a guilty thief, eager to hide. This Liu Ruan really makes people scratch their eyes. She didn't talk nonsense. She picked up her bag and went out. Jing Zhu got up from her seat and hugged her with a flattering tone: "Miss Xia, we can talk about it slowly. Going to court is also a trouble." This matter has not been found out. He very much hopes that Liu Ru'an did not plagiarize, but the evidence in Xia Jinsheng's hand shows that it is not so. Even if they buy plagiarized works, they are also victims, which is not good for the company's reputation and the launch of new products this quarter. Liu Ruan insisted that she was innocent. Jing Zhu's practice was to hit her directly in the face. She walked over angrily with a sharp voice, "Mr. Jing, what do you mean? I said I was original, she copied me. Why did you believe her?" "A week ago, I lost a design drawing in the library on the second floor of the school." Xia Jinsheng said this sentence calmly, and the salty tone formed a strong contrast with Liu Ruan. The temperament of the two people is quite different. It is clear at a glance who is right and who is wrong. Liu Ruan turned pale when he heard the words "library". When he saw the USB flash disk she took out, his eyebrows twisted into a twist. At the beginning, she accidentally saw Xia Jinsheng's design in the library. She was impressed by the content of the above design. She remembered the recent heavy recruitment activities of Junzhu company and had a measurement in her heart. There is "I'd better go back first." Xia Jinsheng twitched at the corners of his mouth. The moment he turned his back, Gu Nanchen grabbed his wrist. Afraid of losing his popularity, Gu Nanchen dare not joke too much. Xia Jinsheng sat down on the sofa and enjoyed his service. A cup of freshly brewed coffee with milk sugar was mellow

and delicious“ Why did you come all of a sudden? ” Gu Nanchen sat down opposite her and put aside the documents on the desk. It was clear who was heavy and who was light at a glance. Xia Jinsheng sipped his coffee and said naturally, "surprise inspection, see if you have any flirtatious little lover behind my back."“ What about the results? ” Gu Nanchen looked at her with a smile, affectionate. She pretended to look around once. The office was large, simple and generous, and everything was clear at a glance. She pondered for a moment, and Gu Nanchen quietly waited for the following“ Barely satisfied. ”“ Reluctantly? ” Gu Nanchen's eyes suddenly became fierce. As a result of his habit, Xia Jinsheng smiled, shook his hand and held his face embarrassed, "isn't this the first time to come? Where can I find anything? ”“ You can come a few more times. ” Gu Nanchen suggested faintly. After a while, he seemed to think of something ambiguous and pitiful. He recalled the corners of his lips, "I just want to try something." His expression and the content of his speech suddenly made Xia Jinsheng's brain fill up many pictures that were not suitable for children. Her back cooled and she pretended to smile. Don't try those things“ By the way, you don't know how hateful Liu Ru'an is. She refused to admit it after she took out the evidence that she stole me. ” Xia Jinsheng changed the topic in time. At the mention of Liu Ruan, she was a little angry. "She even threatened me with Jiang Li."“ Jiang Li? Jiang Fangping's daughter? ”“ Um. ” Xia Jinsheng subconsciously answered his words, but... Ai Ai, why do you suddenly laugh so horribly?
