

# 《Sweet Marriage: Smart Cute Wife》

## Chapter 119

"Roll, do you want to act all the time?" It's not easy to talk about the future with a three-year-old child. Gu Nanchen racked her brains to let her understand the impact of the choices she makes now on the future.

The spoken language is so plain and powerless.

"Yes, I want to be the first actor seriously." The little guy's tone was full of firmness.

"Yes." Gu Nanchen touched her little face, turned to Xia Jinsheng and said, "if you meet a suitable signing, it's not impossible."

Xia Jinsheng tried to stop talking and couldn't say anything. But fortunately, she didn't sign the contract immediately. She still has some time to tangle with it slowly.

On the other hand, cool and dry things have also had results. Jing Zhu came back angrily and lost his temper with the people in the company. It also asked people to review some new and appropriate manuscripts.

Everyone was confused. Finally, assistant Yang followed him to uncover the real veil of the mystery.

It turned out that Liang Zao didn't shirk it. After seeing a real person, she found that she was a minor girl. She has been signing a contract with the website with her friend's ID card.

So she thought it was the same as before, but Jing Zhu didn't agree. After being scolded, she came back with a black face.

From beginning to end, they didn't even know Liang Zao's real name. They only knew that her manuscript had always been released in the name of Qian Shuangshuang.

It is not easy to re select manuscripts. At this critical juncture, Liang Zao suddenly called to express his willingness to cooperate.

"My real name is Wenya. Here is my ID card. Now you can trust me?" Xia Jinsheng accompanied Jing Zhu to the second meeting and looked at the domineering gentle little princess.

She remembered from countless impressions that the girl always showed her tenderness in front of outsiders. Now she doesn't know whether her character has been disabled recently or has been hidden well.

Under the table, the veins on Jing Zhu's hand wrinkled. He still smiled, stretched out his hand and handed her the contract. He was just a girl who relied on her to be open-minded. If he couldn't find a suitable manuscript in a short time, he would ignore her.

After signing the contract, the publicity began to shoot. Inexperienced Xia Jinsheng was sent to the training class and lay on the sofa as soon as he came back from the set every day.

The burden of carrying her back to the bedroom fell on Gu Nanchen. Now they have released some shooting gags on the Internet, but they have received unprecedented praise. Many people said they are looking forward to it.

It was half a month after Xia Jinsheng finished shooting the advertisement. When she had a rest time, she had a good sleep first, and then went to the company to find Gu Nanchen.

As soon as her figure appeared in the field of vision, Gu Nanchen joked, "come to check the post again?"

"Hum." She looked at him coyly and angrily, and then found that he was not the only one in the office, but also a Chu Nian night.

It was estimated that the scene just now fell into her eyes. Xia Jinsheng blushed awkwardly, and the other party left with a shallow smile.

Now there were only two of them left. Xia Jinsheng touched his nose and complained, "why didn't you tell me there was someone else?"

"You didn't tell me you were coming. Are you satisfied this time? " Gu Nanchen smiled in his eyes, vaguely asking for praise.

Satisfied, I can't be more satisfied! She was so satisfied that now she wanted to pinch him into a ball and cook it in the pot.

"Next week is my mother's sixtieth birthday." Gu Nanchen mentioned it to her. Chu

Yu called him a few days ago to urge him to go back. Chu nianwan mentioned it again just now.

After all, it is Gu Laozi who doesn't want to see them. Gu Nanchen can't bear to classify her as the indifferent pair.

"Then go back." Xia Jinsheng also came for this, because Chu Yu called her not long ago.

Their opinions coincided, and Xia Jinsheng set about preparing gifts.

At Chu Yu's request, Gu's old house held a party to celebrate her birthday. The invitations were sent by famous families in city a, or friends who had contact in ordinary life.

With an outsider present, Gu Jun could not drive people out in public even if he was angry. Knowing that Chu Yu was well intentioned, the old man could only turn a blind eye.

On the day of the banquet, the cute little elf received a lot of attention as soon as she appeared. This was her first appearance as a family member, and many people were full of curiosity.

"Happy birthday, grandma." The little guy slowly came to Chu Yu with a gift box that was out of harmony with his body. The latter was worried that it would crush her and hurriedly took the gift.

Xia Jinsheng took Gu Nanchen's wrist and came to the front and gave them their gifts. Chu Yu smiled happily, "just come back. The little guy wants to die grandma."

Now Chu Yu threw herself on her lovely granddaughter, and the little guy kissed her warmly and said, "I also want to grandma."

The cold faced old man quietly gnawed his teeth when he saw this scene. He was not envious in his eyes. He deliberately "coughed" and attracted the attention of others.

The little guy looked at him for a while, walked slowly to him and said, "I miss grandpa too."

The old man's face improved, but he was disappointed that the little guy didn't come up to kiss her just now. The little guy just said she wanted to see herself, but she never came back. Xia Jinsheng must have instigated it in private.

Outsiders do not know his mental activities, but they see some clues from the good

model they just get along with, and some people begin to lose heart.

Originally, I thought Xia Jinsheng would not be recognized. Sooner or later, she and Gu Nanchen would be separated by Gu Jun, but now that her daughter is so favored, it will be sooner or later for her mother to rely on her son. My daughter is dead.

I don't know how many turns the on-site human spirit has made. Xia Jinsheng was pulled by Gu ya'er to contact feelings. Gu Wensheng also came late. The female companion accompanying him was a woman she didn't know. Qiao qiuruo followed behind them.

"Happy birthday, mom." Gu Wensheng gave gifts and blessings. Everyone praised and envied Chu Yu. People at her age have no good intentions, just for a little vanity.

"Do you know that when you come back, you go out for months and your mind is full of painting. Do you still pay attention to me?" Chu Yu was angry on the surface, but the smile at the corners of his mouth bloomed greatly. People with clear eyes could see his duplicity at once.

"I trust you. I hope you are healthy and happy. " Long time no see, Gu Wensheng became greasy.

The woman beside her soon attracted the attention of the old man. She pushed and knocked to ask her identity. It must be different to bring it to the birthday party.

But Gu Wensheng only shirked that he was a friend, but the meaning of closeness in his words made people daydream and dance, which once again hit those who wanted to get married with their daughter.

Rao is so. There are still people coming to Gu Wensheng's side. Mr. Gu is very fond of it. After all, Gu Nanchen has already got the certificate that he can't be a brother without taking action.

"Qiu Ruo, you're here too. Come and play together." No one noticed Qiao qiuruo's loss. Except Xia Jinsheng, Gu Wensheng was accompanied by his female companion. Qiao qiuruo was particularly embarrassed.

Gu ya'er also knows something about Qiao qiuruo. She knows that she has been taking care of her brother. She is very fond of her and is willing to be close to her.

Just chatting, she was obviously absent-minded. Xia Jinsheng secretly asked Gu Nanchen, "do you know who the woman next to brother is?"

"Don't worry, it doesn't pose a threat." Others may not know, but Gu Nanchen saw the

truth at a glance. That woman was just asked by Gu Wensheng to be a peach blossom.

Why is he so sure? Gu Nanchen didn't explain the reason. Xia Jinsheng could only find the reason from the woman. Slowly, she really found the difference.

That woman has a good figure, tall, big eyes, high nose and beautiful red lips. But when you look carefully, you will find that she has no obvious characteristics of native people, but looks like a neighboring country

It was as if she had instantly discovered the truth of the world. No wonder the old man didn't speak just now because he saw that Gu Wensheng was a female companion and a foreigner.

The old man has an unwritten rule. To get a wife, first of all, he is a native, and second, he must be a good match.

"Big brother is too cunning." She has not been recognized because of the second article. Now it is even more difficult for the old man to agree that his eldest son will marry a foreigner.

"Why do you think our father has so many terrible rules?" Xia Jinsheng whispered Tucao, and Gu Nan's index finger pressed on her lips and make complaints about shiss.

She found that she had forgotten to control the volume just now, and the old man's killing eyes had been cast over. She sat upright and pretended that nothing had happened.

Gu Tan and Wei Qing were also present. Because they came with their parents, they were always around them. After greeting Xia Jinsheng, there was no intersection.

"See the man at the third table?" Gu Nanchen came to his ear and said such a sentence. She followed her reputation and accidentally saw the gentleness of the Wen family.

She only knew that the owner of the Wen family came again, but she didn't know that his little daughter followed. Wenya noticed her eyes and trembled fiercely.

As if she had been stared at by some snake or scorpion, she glared at Xia Jinsheng when people didn't pay attention. She said a few words to her silently, but she didn't guess what it meant.

With enough food and wine, the guests left slowly. Xia Jinsheng and Gu Nanchen were responsible for seeing off the guests. When the people scattered, a figure suddenly ran out of the darkness and directly fell on Gu Nanchen.

Xia Jinsheng was accidentally pushed aside. When she fell to the ground, she smelled a choking smell of wine. She was a little confused. A familiar voice suddenly sounded in her ear:

"Nan Chen, Nan Chen, I like you so much. Why don't you want to look at me?"

It's the tone a drunk should have, and that voice... Is Gu Ge!

"Go away." Gu Nanchen pushed her away with a calm face. Gu Ge, who was drunk and unconscious, stuck to him like an octopus and firmly coiled his legs.

Gu Jun, who sent his old friend out, just saw this scene. When the people had no time to respond, he had knocked a crutch on Gu Ge's back and scolded, "what a disgrace. Are others dead? Don't separate them! "

The stunned man woke up as if from a dream. Gu Ge's parents came late. Several people joined forces to subdue Gu Ge. Her father slapped her in the face, and her mother cried.

The old man's sight from these bad scenes, crutches stamped on the ground angrily. He hated iron and steel and pointed to Xia Jinsheng to teach him a lesson: "his men can't see it. Next time Gu Ge comes and beat me to death."
