

# 《Sweet Marriage: Smart Cute Wife》

## Chapter 120

In the quiet night, the old man's roar was particularly clear and hit everyone's heart.

Xia Jinsheng's ear is buzzing, and he will keep putting what he just said. Listen to this meaning. Has the old man admitted her relationship with Gu Nanchen?

She used her eyes to verify. The old man seemed to be slow to realize what he had just said. He was uncomfortable and didn't want to admit it. After ordering Gu Ge's parents to educate his daughter, he turned back to the house.

Fortunately, those who stay are usually close people, and no one will find it boring to say it. Gu Ge's parents brought their disgraced daughter home early for education.

This time they have made up their mind to marry Gu Ge before she stinks her reputation. Otherwise, you don't want to step into this old house.

"Get up, the ground is cold." Gu Nanchen reaches out to Xia Jinsheng. If he doesn't pay attention to the season exchange, he may get sick. He doesn't want Xia Jinsheng to do the same.

She confidently handed out her hand, and her body was gently bumped into his arms by him. With strong strength and warm chest, everything was so reassuring.

Gu ya'er came up with a smile, "sister-in-law, can you keep the clouds open and see the moon?"

There was also a funny sound of joy around.

She glanced at the originator angrily, and shyly pointed to her forehead, "you talk a lot."

Gu ya'er immediately sobbed like Gu Nanchen, but was ruthlessly treated. He said, "it's all right. Bully hard. If you're in a bad mood, beat it up."

"Are you still my brother?" Gu ya'er tearfully accused, but Xia Jinsheng King Kong pointed at her forehead.

At that time, the little guy dragged his small round body and rushed out murderously with a toy knife. "Where is the person who bullied my mommy? The 40 meter knife in my hand is ready to move. "

She was playing with Chu Yu in the toy room just now. The servant came in and reported that Xia Jinsheng was pushed by Gu Ge. As soon as the words fell, the little guy rushed out with a toy knife.

There is this scene in front of us.

Xia Jinsheng looked at the so-called "forty meter knife" in her hand with a smile. It was about forty centimeters. She suddenly pointed to Gu ya'er unscrupulously, "here it is."

"Immoral! Lie with your eyes open. " Gu ya'er pointed to her and complained. Before he could explain to the little guy, the little guy stabbed her in the waist.

She couldn't help crying. It hurt a little.

In the end, Xia Jinsheng and Gu Nanchen continued to see off the guests, while the little guy ran after Gu ya'er all over the yard. The little happy atmosphere infected everyone present.

Before long, Gu Ge's parents recruited a son-in-law for Gu Ge. It is said that the other party is a weak scholar with soft and waxy personality. He is the favorite student of Gu Ge's father's old friend.

How could Gu Ge agree? He resisted, but his parents beat him half to death. He washed it and sent it directly to the scholar's room. He cooked raw rice.

Her wedding invitation was quickly sent to Gu Nanchen. He handed over the choice to Xia Jinsheng. "You can go if you don't want to. I'll give it to the assistant."

"Well, No." She didn't hesitate about it. Although she wanted to see what would happen to people who were unfaithful to her men, she just wanted to think about it.

Anyway, this marriage is probably Gu Ge's most embarrassing moment. She doesn't want to fall at this time.

Forgive and forgive.

These two days, Lu Songhuo ran to Gu's house diligently. If he hadn't been worried about Xia Jinsheng, Gu Nanchen would have been tempted to drive people away.

"I still intend to develop in the field of music." After a shameless meal, Lu Songhuo picked his teeth and talked about it with Xia Jinsheng.

In an instant, Xia Jinsheng stole the words "thief's heart will not die" in his eyes, which made the other party angry, "I'm serious, okay?"

"Good, good, serious." Xia Jinsheng just listened to his words and didn't take them seriously. At the beginning, he wanted to develop music entirely because of Jinglu.

Later, she got married. His music business ran aground for a long time. Now the old story is brought up again. I'm sure there's no other purpose.

While his music company was completed, good news came from Jingzhu. Their advertisement has passed the audit and will be broadcast soon.

No one expected that this short film would soon have a boom in this city.

The forwarding volume on the network is tens of millions, and the number is still rising, which has attracted countless people to come and watch.

In her spare time, Xia Jinsheng turned on her computer to watch it. She was looking forward to seeing the post-processing video for the first time.

The opening is the black and white bamboo forest, quiet and silent, and the world in the picture is quiet.

Zheng!

A quiet Guqin sound sounded, and the world immediately had color and became vivid. The small bamboo forest became active, birds sang and insects sang, the warm wind and the rushing water. These sounds were intertwined but did not appear abrupt.

The piano sound appeared again and played a beautiful melody. There was a green lake in the bamboo house. There was a faint green shadow on the small platform in the middle of the lake.

But to be sure, he was the one who played the piano. When the lens is pulled in, what is presented in front of us is a beautiful back, which makes people can't help but explore their true face.

"A gentleman should be like a bamboo, and the child is very elegant."

When the piano stopped, an ethereal and pleasant female voice came uninvited. Her appearance broke the tranquility of the bamboo forest.

The picture turns to the man in green. He can't see the whole face, but he gives him an angular chin. The arc of the corners of his mouth is slightly upward, tempting to move, plop, plop.

"I'm Jun Zhu. Could you please show your true face?"

The crisp and pleasant voice confused people's hearts and souls. He got up and seemed to meet the woman behind him. The wind blew away the green belt tied to his hair and danced in the lake.

The picture was frozen at the moment he turned around, forming an unspeakable beauty and grace. He was clearly dressed, but he couldn't be seen above his neck.

The trademark of Junzhu company is printed on the screen.

From beginning to end, there was no advertising word, but everyone who saw it remembered Junzhu's trademark.

Because it damned blocked the faces of the characters in the picture, angry video messages scared people to scratch their ears and cheeks to see the front, and even threatened to send blades to Jingzhu.

Xia Jinsheng couldn't calm down for a long time after reading it. Knowing what the results are below, he couldn't help but feel itchy.

She also wanted to know what the people in the picture looked like. She took out her mobile phone and looked at it and felt comfortable. This is the advantage of being a staff member.

And she believes that once the person on the mobile phone is shot, it will definitely glow red.

Interestingly, Junzhu's official microblog has just released photos of the men wearing clothes in the video. The low number of comments brush up. The hot comments are:

In XXX by xiadaming lake, could you please show your true face.

It was not easy for a professional in the circle to comment on clothes. As a result, Xia Jinsheng was bombarded with crooked buildings. Facing this result, Xia Jinsheng really couldn't cry or laugh.

Did netizens grow up eating keaido?

The light in the living room was suddenly turned on. Gu Mingchen came in full of wine. Xia Jinsheng subconsciously frowned when he smelled the smell.

Although she knew that Gu Nanchen had entertainment, she couldn't help complaining: "are you talking about business or drinking?"

The worry in his heart is that his body can't stand it, but his words have changed again.

Gu Nanchen went over and kissed her lips, "what do you say?"

The smell of wine came into her nose. She patted him on the face. "Go away, it smells terrible."

He also sniffed and found that it didn't smell very good. His sight suddenly fell on Xia Jinsheng. With a smile, he picked up the person horizontally and hobbled towards the bathroom.

Worried about falling down, Xia Jinsheng tightly hugged his neck and recovered. The man had been taken into the bathroom. He was in a hurry, "I washed it, just yourself."

Gu Nanchen stopped her chattering little mouth, "good, wash together."

She breathed out like LAN and looked at Gu Nanchen angrily. She chose to compromise in the end, although she knew that it was not as simple as taking a bath together for a while.

Soon, Xia Jinsheng hated his decision. Gu Nanchen, who has drunk wine, is crazy and makes endless brutality.

The next day she was lying on the bed in pain, but Gu Nanchen was refreshed. Such comparison once made him grind his teeth.

"I drank too much last night, not next time." Gu Nanchen apologized by massaging him. Now this technique is more and more skilled.

"Do you have another time? Kneel down. " Xia Jinsheng turned his back and waved his hand.

Gu Nanchen laughed. He said silently, "well, there's no next time. I'm too lazy to take care of Lu Songhuo."

Goblin? Why is it related to him? Is it difficult that Gu Nanchen's so-called entertainment last night was with Lu Songhuo? Thinking of his unreliable character, it must be he who brought bad Gu Nanchen behind his back.

In a short moment, Xia Jinsheng has made up a lot of brain.

Fortunately, Gu Nanchen didn't know her thoughts, but said, "didn't he start a music company? A few somersaults. "

He said it lightly, but Xia Jinsheng felt the difficulty.

In recent years, the music industry has developed unprecedentedly. Everyone wants to take a share, but how can it be so easy to do it well?

Moreover, in shopping malls and battlefields, how can big companies that originally had a position in music allow themselves to have one more enemy? Dug a pit and gave Lu Songhuo a jump, and lost a lot of money.

After hearing this, Xia Jinsheng strangely fell into silence. Gu Nanchen touched her hair and asked, "what do you think?"

"I think he did it himself. Who made his motives impure. " The reason for starting the company is because of Jinglu, so I don't care. It's normal to be cheated without experience.

After all, Gu Nanchen has known Lu Songhuo for many years and knows him very well. He can't be a lecherous who is confused for a woman.

"I don't think so. After the music company is made, it is still very profitable. "

"Do you want to do this, too? Or do you want to cooperate with him? " Xia Jinsheng seemed to approach the truth of the world in an instant. No wonder he would help Lu Songhuo socialize. It turned out that he paid attention to this.

Really, every business engages in fraud. Gu Nanchen rubbed her hair, glanced out of the window, the sky was blue, and his magnetic voice was scattered in the air: "why not?"
