

《Sweet Marriage: Smart Cute Wife》

Chapter 125

Junzhu's short film advertisement is about to enter the next step, but there are differences in the use of the original. Jing Zhu advocates changing one part, but Wenya firmly disagrees.

Because once adapted, it will destroy the most spiritual part of the story and become commercialized. She argued with Jing Zhu, but this is the manuscript selected for commercial marketing, which needs to meet the requirements of the market in order to have better sales.

Most people are on the side of Jingzhu, even Xia Jinsheng.

Wenya refused to sign the next contract in anger, because her short story only listed an outline and was not complete, so Jing Zhu only purchased part of the copyright.

"No, do you think it's children playing chess? No regrets. " Jing Zhu was very indignant at her behavior. Originally, she was dissatisfied. At this moment, new hatred and old hatred mingled, and the two quarreled.

Finally, the Court went to court. The result of the judgment was that Jing Zhu had the right to use the purchased manuscript, but not with those who did not sign the contract. Wenya achieved her goal and protected her story.

But at the same time, she lost a huge sum of money, which is said to be twice her income since she began writing.

These are the words Xia Jinsheng heard from others. She has rarely come to the company in the recent school examination. Unexpectedly, she heard such a thing. Jing Zhu looks very grumpy.

"What are you going to do now?" Although speaking at this time was like plucking hair from a tiger's ass, Xia Jinsheng raised his hand to speak. After all, the silence was so strange.

It's right to shoot the bird out of the head.

Jing Zhu on the main seat of the conference room shot at him with a sharp eye. He

snorted, "hum, what can I do? It's been eight lifetimes since I met such a person. The personnel department reissued the draft for me. I don't believe that the online literary circle is so big that there is no better existence than her gentleness. "

"It's nothing to ask for high prices. We have money now! The gentle compensation is enough for us to maintain several network contacts. "

I'm really mad at elegant behavior. Jing Zhu looks crazy. It seems that it's not only the problem of advertising shooting, but also a gamble with elegance.

Tell her the truth that we can do it without your manuscript!

"What shall I do?" Xia Jinsheng is a lazy man. He is not used to working hard all day. "Can I go back to school?"

Busy with his career certainly has a sense of achievement, but that's not all. He also has to take time to enjoy the time with his classmates and the warmth with his family.

These seemingly ordinary things are actually precious.

"Back to school?" Jing Zhu sneered and repeated what she had just said. Her tone suddenly became fierce and fierce. "Don't even think about it when you go back to school. Get out of here and study hard and improve your acting skills."

At first, it's just a simple action, and then it will integrate facial expressions and some key features. Some places even need to highlight the details. It's really difficult to support without some acting skills.

It seems that the gentle stimulation to Jing Zhu is not light, which has forced him to squeeze the employees at the bottom every minute. After the meeting, Jing Zhu left first. Some people stretched out in relief and complained to each other.

Although there are complaints, we should still do our work seriously.

After learning about this for the rest of his life, Xia Jinsheng warmly invited Xia Jinsheng to their crew to watch and observe, and said that he had said hello to the director. It was difficult to be gracious, so Xia Jinsheng was invited.

Before leaving, Gu Nanchen said in a strange way, "Mingming drove him out and found an excuse to ask you out."

She explained in tears and laughter, "is that my job?" After receiving the certificate, Gu Nanchen likes to stick to her. He wants to turn into her little tail, or tie her to her waist with a rope.

The smell of his vinegar jar drifted ten miles away.

"I'll pick you up at night."

"OK." Xia Jinsheng understands his mood. The other party's jealousy obviously cares about her performance. She won't stop it. It's good to stimulate it when necessary. Life needs seasoning.

The theater happened to play the opposite play with the little guy for the rest of her life. Although it was only a glance, Xia Jinsheng felt different. She was not familiar with the two people in front of her, but like a stranger.

She is very familiar with them. They bring themselves into the feelings of the characters, and even play the original characters. She watched quietly, and from time to time she couldn't help applauding them in her heart.

The director shouted "card". Xia Jinsheng looked away from his acting just now. The little guy ran to her happily and came forward for the rest of his life.

He just sat down in his exclusive seat. A actress in the play looked at him with a food box and watched Xia Jinsheng without trace. The woman was petite and charming, with a pure and shy face.

"You haven't eaten for the rest of your life. This is my lunch. Take it if you don't mind."

What she did was a luxurious Japanese Bento. The plate was good-looking, and the food color was attractive. Her index finger moved greatly. For the rest of her life, she just hated it. She glanced at it and didn't want to see it again. She said, "I hate it very much. This color makes me have some bad associations, very like excrement. This kind of thing really suits you best. Keep it for yourself."

Because he had trouble with Mo Nanfeng, he had a hot temper recently and was good at poisonous tongue skills. The man left in shame and anger, and gave Xia Jinsheng a hard blow before leaving. As soon as she left, she felt her stomach and shouted hungry for the rest of her life. The little guy imitated his appearance. After his training, the two people tended to be synchronized. Xia Jinsheng chuckled, "someone gave you something to eat just now. Don't you eat it. Isn't this asking for trouble?" "No way." The little guy shook his head. "The teacher said that you can't eat the food given by strangers, and the aunt was unfaithful to my master just now." "Have a bad heart? You know? Also, they are sisters, not aunts." Xia Jinsheng poked the little guy's forehead. When he poked harder and harder, Xia Yuxiu dodged. He ran behind him for the rest of his life with an expression of "see what you can do with me" "Not an aunt?" The

rest of her life seemed to hear a joke, "a 30-year-old woman doesn't call her aunt, does she call her sister?" 3、 Thirty? Xia Jinsheng was shocked. The woman looked like a 19-year-old girl. Unexpectedly, she was already 30. There are a lot of magic in the entertainment industry. Xia Jinsheng took the little guys to dinner for the rest of his life and kept them to watch them play. The actress who haunted the rest of her life found the opportunity to surround her and asked, "what do you have to do with the rest of your life?" "Ah, closer than you." Xia Jinsheng laughs bitterly. She sees that this person is probably interested in the rest of her life. If she really wants to look the same, Xia Jinsheng, at the age of 18, feels that a little girl can tolerate her willfulness. But the fact is not that she is already thirty, and the rest of her life is only twenty-four. Isn't this an old cow eating tender grass? And for the rest of her life, there are people she likes. She will guard the position of Mo Nanfeng's main palace. Her words stimulated the actress, who was angry and stared, "you talk nonsense. There is no one you like for the rest of your life." "Is it none of your business? Anyway, we are closer than you. His clothes are still on my bed." Xia Jinsheng's remark was extremely imaginative, and then hit the other party hard, "by the way, you don't know he cooks very well? You must not have eaten it." The actress has been praised by the stars. Where can anyone dare to treat her like Xia Jinsheng? As a result of her habit, she raised her hand and was about to hit people. The remaining light in the corner of her eyes suddenly caught a faint light. Her action slowed down. She gently touched Xia Jinsheng's face and said with an angry smile: "Oh, I don't pay attention. There are dirty things on her face." The warm tone of the spring breeze made Xia Jinsheng tremble and goose bumps almost fell to the ground. What wind did she suddenly smoke? Then she smiled and said to one side, "come out, or I'll call security." When Xia Jinsheng was wondering, a reporter with black framed glasses came out from behind the original studio. It turned out that someone was secretly taking pictures here. Well, he probably heard what he said just now "Sister Yajun, good eyesight, hey hey." The reporter smiled and touched the back of his head. He was forced to secretly shoot under pressure. Unexpectedly, he was found just after discovering the exclusive news "Don't give me a careless eye. Hand in the negative." Huang Yajun stretched out his hand to him, the meaning could not be more obvious. She has been in the entertainment industry for so many years. She doesn't know how to deal with this little thing. Xia Jinsheng is already sweating. You know, there is no other gossip news except a gossip man CP for the rest of her life. If she pokes out what she just said, I don't know what impact it will have on the rest of her life. Fortunately, Huang Yajun found out in time that the reporter left the set sadly after handing over the negative. Xia Jinsheng looked at her awkwardly and said, "thank you." "Hum." Huang Yajun estimated that they would be back soon for the rest of their life. After a proud snort, he warned Xia Jinsheng, "please pay attention to your words and deeds in the future and don't bring additional trouble to the rest of your life. By the way, I don't care what you have with him. In the end, this person must belong to me." The last sentence was an overbearing declaration of ownership. Xia Jinsheng is ashamed. Her words will also cause a sensation. Also let oneself pay attention to words and deeds, what needs more attention is definitely her! Only state officials are allowed to set fire, and people are

not allowed to light lights. She told the rest of her life about the unexpected episode. Unexpectedly, what he asked first was, "are you sure that reporter really handed in the negative? And the photos were deleted in front of you? Is there a recording? " When asked, Xia Jinsheng suddenly became worried, "I don't know. What should I do? Will it affect you? "“ Forget it, it's okay. " I can't help my forehead for the rest of my life. "You're so stupid that you can only hype it as a new play." "... " No matter what time he doesn't forget his poisonous tongue, Xia Jinsheng's stomach Fei: I tell you, you will be retaliated by me.
