

《Sweet Marriage: Smart Cute Wife》

Chapter 134

When Gu Nanchen got up refreshed and dressed, Xia Jinsheng lay in bed with back pain, "if you are like this, I will die in bed and in your hands sooner or later."

He shamelessly turned back and kissed her, "thank you for your praise."

Thank you, sir! She stared angrily. Gu Nanchen put his hand into the quilt and gently rubbed her waist. Xia Jinsheng hummed comfortably.

"Has my technique improved again?" His remark pierced her mind.

"It's all my credit, okay?"

She waved her hands with open teeth and claws, but when she got up, she fell back to bed with a pain in her waist. Gu Nanchen knew that making fun of her at this time was asking for trouble. He rarely said a word and quietly rubbed her waist.

It was really too comfortable. Xia Jinsheng fell asleep again. When he woke up, he was exposed to the sun for three rods. The pointer on the bedside table jumped to the position at noon. Needless to say, he couldn't go to school.

But she didn't expect that Jing Zhu would suddenly call him to let her pay attention to the results after the publicity release. She worked tirelessly to open the computer. Once the propaganda song was released, it attracted high attention, especially the long-awaited "childe Jun Zhu" on the Internet was left with messages one after another.

Unexpectedly, her attention is also very high. Many netizens leave messages that she is very beautiful. After reading the sentences praising her, Xia Jinsheng calmly drank a cup of tea. She knew this without them.

Suddenly, a netizen commented that "two people are easy to match, together" broke into her sight, and there are many follow-up messages below.

She continued to drink tea calmly. Jing Zhu suddenly called and asked her how she felt. Xia Jinsheng gave him a very official and polite answer: "the picture has a strong sense, the artistic conception is very beautiful, and the human design is great. The insertion of the advertisement is very harmonious and refreshing. A thousand

compliments are omitted below. "

"Hypocrisy."

I can't hear his emotion, but I can feel it from those two words... Xia Jinsheng took out his ears, as if he didn't hear it, and continued to tell him his feelings: "I also saw that people who eat melons want us to be together."

Suddenly there was no sound at the other end of the phone. This situation lasted for a long time. If the time was not still displayed on the screen, Xia Jinsheng almost thought he had dropped the line, "talk?"

"Well, you two may really want to be together..."

Poof!

Xia Jinsheng sprayed the tea in her mouth on a computer screen. She was too late to love the computer. She was busy confirming to Jing Zhu, "were you just kidding?"

"What do you think?" The sound of Jingzhu is faint and scattered in the wind.

She was speechless at once. Until he called himself a document, Xia Jinsheng found that she and Shen Jun were chosen by a singer to play the male and female protagonists of MV in his new album. After seeing that the singer's name was mo Nanfeng, Xia Jinsheng wiped his eyes twice to make sure he was right.

How does it feel that everything is premeditated?

Before she could think deeply, Wei Qing interrupted her thoughts with a phone call. After answering the phone, she was hit hard again and her mind was clouded.

Chu nianwan was beaten? Why didn't she tell them herself?

Remembering the embarrassing things that had happened a few days ago, she seemed to understand why Chu nianwan refused to tell them. She was ashamed. After learning the news, she told Gu Nanchen for the first time.

Hearing the news of her accident, Gu Nanchen was also surprised and immediately asked Qin Wen to investigate. He couldn't leave because he still had a meeting later. He had to ask Xia Jinsheng to take a look at the situation.

Xia Jinsheng didn't refuse the plan. She found Chu nianwan's house alone. She was the only one in such a big room.

It's extremely embarrassing to meet your rival. Chu Nian greeted her unnaturally in the evening, and Xia Jinsheng was no better.

"There's only boiled water at home, okay?" Chu nianwan asked her with a water cup. Because just moved here, many things are newly bought, and she does it herself, many details will be ignored.

"Cough." Xia Jinsheng cleared his throat and put his hand in front of his lips, "I don't mind."

They sat face to face. Xia Jinsheng kept drinking with a water cup in her arms, while Chu nianwan was empty handed and restless. Both of them were very nervous. Their eyes suddenly turned on, electric light and flint

Pooh.

They looked at each other's embarrassment, and then they couldn't help smiling at each other. This smile resolved no small embarrassment.

"On your face..."

"Remember when I first saw you?"

Xia Jinsheng wanted to ask her about her injury, but she suddenly mentioned that before, Xia Jinsheng tried to recall the first meeting between the two people. After a long time, she couldn't remember. At that time, she was still young and had just experienced painful things, and she was more reluctant to recall them.

"I'm sorry to remind you of something unhappy." Chu nianwan's mind was delicate and found her slight emotional change. Xia Jinsheng shook her head. She didn't feel anything.

Everyone will have their own pain that they don't want to think of but are unintentionally offended by others. Chu nianwan's next words distracted her attention:

"I remember you were small, quiet and afraid of strangers. He always looks carefully at the world around him with a pair of eyes. His eyes are a little like Bambi. "

She narrowed her eyes and recalled carefully, with an expression of falling into the past. Xia Jinsheng tried to make up for the scene at that time. She couldn't help being startled with goose bumps. How did she think of such terror when she was a child? Looking at her suspiciously, Xia Jinsheng said, "you shouldn't have lied to me?" Chu nianwan was amused by her, and her tone was much happier. "Yes, at that time, we all thought you were a gentle and elegant girl. Who knows that the more you grow up, the

more unreliable you are and the more nonsense you are." A nonsense, a pun. Xia Jinsheng not only changed her temper, but also climbed into Gu Nanchen's bed at the age of 18. Things are changeable. Who can think of this result now? Chu Nian's eyes drooped at night. It's time for her to accept the reality. Gu Nanchen doesn't belong to her. She never did. "Are you okay?" Xia Jinsheng's hand shook lightly in front of her. She was most afraid of the sudden silence of the air, especially when she felt a sad atmosphere just now. She teased Chu nianwan with a meat joke, blushing and pointing angrily at her forehead, "you are still so shapeless." "As the old saying goes, "food and color are also good." She swayed her head and looked frivolous. Having known each other for so long, they are all sarcastic about each other's embarrassing stories from the past to the present. After talking for a long time, they have some feelings and naturally sympathize with each other. When Xia Jinsheng was about to leave, Chu nianwan suddenly reached out and touched her chest. Then he touched his own with his other hand and said to himself, "it's really softer than mine. I wish you happiness." "Before she could recover from the shock of being attacked on her chest, her fragile nerves snapped because of Chu nianwan's last half sentence, her brain was blank and lost her ability to think. Why didn't you find Chu nianwan so wild and unrestrained before? Did she just wish her and Gu Nanchen happiness? Xia Jinsheng suspected that there was something wrong with his auditory system. He was stupid. Chu nianwan couldn't help laughing. She covered her lips and looked at her with a smile, but soon she couldn't laugh. Her smile stagnated on her face... Just because Xia Jinsheng's hand fell on her chest and grabbed it badly. A face changes from white to red, from red to green... It is endless and wonderful. Xia Jinsheng, who had been far away for a long time, licked his lips and did a good squint. "It's very big and full. I can't hold one hand." Chu nianwan became more and more ashamed and angry. He grabbed the big broom to clean the yard and rushed to Xia Jinsheng. The latter ran away. He still shouted happily, which made people ashamed and angry: "I'm obviously reciprocity. In addition, your hand feels really good, ha ha..." stimulated the people who followed, and she had to speed up her escape speed. Gu Nanchen soon got results. Chu nianwan was beaten. His cousin Song Lian was behind the scenes. He was dissatisfied with Gu Nanchen's maintenance of her, so he found someone to do it. The old man soon knew about it. He called Song Lian back to his house and smoked severely. Song Lian's parents cried and screamed, "why do you treat Xiao Lian so much? Isn't that woman an adopted daughter? Are you really a treasure?" "Shut up." The old man always had a clear distinction between public and private. This time, it was clear that Song Lian made mistakes first and beat people later. How could there be no sand in his eyes? Although Chu nianwan was only the adopted daughter of his family, he had treated her as his own daughter for so many years. Again, to be fair. Chu nianwan is more than a little better than Song Lian. The latter is neither low nor high. It is a fact that he has no ability. Otherwise, how could he not give him an important position? With a black face, Gu Jun asked the housekeeper to send people out. Gu Jun remembered that Chu Nian hadn't come back for a long time. He was a little sorry. He asked Gu Nanchen to give her two big businesses and add a set of real estate to her name. There are many more family members who envy and hate Chu nianwan, but no one dares to put themselves

in danger with the example of Song Lian. When Xia Yuxiu was playing at her grandparents' house, she suddenly remembered the advertisement made by mommy and pestered Chu Yu to find it for her, "grandma, I'll tell you it's good-looking. You must find it for me. " "Good, good. " Although she was over 60 years old, Chu Yu, who was not satisfied with her old age, kept up with the trend, knew electronic products like the back of his hand, and soon turned to the advertisement that the little guy wanted to see. The old and young sat on the sofa watching with interest. Gu Jun saw such a picture when he walked in from the outside. He specially bought toys for the little guy. She didn't even look at them. She continued to watch the advertisement with Chu Yu. Although the duration of Junzhu's promotional film is longer than that of ordinary advertisements, it is better than the vivid story and beautiful characters, which is easy to attract the attention of the audience. Not only the little guy, but also Chu Yu completely ignored the old man. Gu Jun was very dissatisfied, especially after seeing Xia Jinsheng's face on the screen. This dissatisfaction was magnified a lot, and inadvertently said, "isn't it performed by a performer? What's good? " Snap. The little guy's iPad fell to the ground and looked at Gu Jun with small eyes. "Mommy is not a actor, grandpa is a bad man." With that, she jumped off the sofa and ran out
