

《Sweet Marriage: Smart Cute Wife》

C14 That's My Child

"Shame?"

Hearing this, Gu Nanchen looked at Jin Sheng's current appearance. In her arms, he was holding a child's timid and fawning look. He was clearly just a little over 20, yet he was already a child's mother.

With such a childish face and childish behavior, it wouldn't even be an exaggeration to say that Xia Jinsheng was a child herself.

"Speak clearly, what happened to the child?"

Even if he had believed that the sow would climb the tree, he wouldn't have believed her bullshit. Saying that, he generously let go of the shackles on her.

After finally being liberated, Xia Jinsheng boldly and confidently straightened her back, "second uncle, have you forgotten what my dream is?"

The corner of Gu Nanchen's mouth twitched, he remembered when he was little Xia Jinsheng, who did not know what shame was, pat his chest and said with a face full of pride in front of him, "I want to control all the beautiful men in the world in the future ..."

From his changing expression, Xia Jinsheng knew that he must have thought of her own great achievements, and the corners of her mouth curled up into a sly smile, "second uncle, you know that walking on the riverside often, how can you not wet your shoes? I fell for it if I wasn't careful. "

After she finished speaking, Xia Jinsheng raised her eyebrows and gave Gu Nanchen a "you know" look, as if he was an old driver.

"..."

If not for the rolling in Xia Jinsheng's arms, Gu Nanchen would have immediately brought this arrogant little girl back into the room and threw her onto the bed to teach her a lesson. He had to tell her whose things she had.

"Mommy, when did you walk by the river? The teacher said you can't play by the river. "Don't do that anymore, or I'll abandon you."

There were many things she didn't understand, but she could probably extract some key words from Xia Jinsheng's words, so she came to this conclusion and warned her not to do anything dangerous.

Xia Jinsheng bit her lips as she tried to organize her thoughts. After a long while, she still wasn't able to say anything, and was almost crying from anger. She silently cursed in her heart: Who is going to take away this little demon for her?

It was at this moment that a voice as warm as the spring wind suddenly cut in ...

"Jin Sheng, you're right. "In the future, don't take the river bank anymore, or else I won't want you anymore."

Hearing this voice, Xia Jinsheng felt as if a weight had been lifted off her shoulders. She turned around and saw Gu Wensheng smiling brilliantly like a flower towards him, and sighed: "What a burst of demonic wind!"

Gu Wensheng's appearance caused him to furrow his brows in an indiscernible manner, and a faint unhappiness could be seen between his brows.

The complete opposite of him was Xia Guang. Upon seeing Gu Wensheng, the little guy immediately escaped and poked Jin Sheng, running into Gu Wensheng's embrace. The big girl couldn't help but feel that it was like that.

Gu Wensheng tapped his small, rolling nose, and asked with a smile: "Little guy, why did you come out without even greeting me?"

As he spoke to her, Xia Guang sniffed with a wronged and childish voice, "I came to find daddy, but Mommy said he's not my daddy."

Gu Wensheng raised his head, meeting Gu Nanchen's gloomy gaze. His smile did not decrease in the slightest, as he gave the little guy to Xia Jinsheng and urged him, "Jin Sheng, bring the roll up first, I want to talk to Nan Chen."

Xia Jinsheng was still a little hesitant, but seeing Gu Wensheng's resolute expression, she unconsciously heaved a sigh of relief. With a lot of relief, she didn't even look at Gu Nanchen as she walked outside with Xia Guanyun in her arms.

Gu Nanchen did not utter a word, and had tacitly approved of the two's actions, but this did not include the way the two had looked at each other just now. At first, Xia Jinsheng was hesitant, but she was comforted by the look in Gu Wensheng's eyes.

The two of them had a tacit understanding between themselves that prevented outsiders from interfering, which made Gu Nanchen feel extremely disgusted.

"Big brother, what do you want to say to me?"

The two of them were silent for a while, facing each other without speaking, but in the end it was Gu Nanchen who broke the deadlock and made the first move.

"Talk about it." The smile on Gu Wensheng's face did not fade, it was warm and gentle.

's rolling little appearance instantly filled up his mind. The fairy-like little fellow was extremely cute, Gu Nanchen had a guess.

"Is she my child?" Was this a test, or was it something else? Gu Nanchen couldn't explain it to himself either, but he had a nagging feeling that the moment he saw the energy flow past him, he felt very close to it.

The smile on Gu Wensheng's face stiffened, it was only for a moment, but Gu Nanchen was completely unaware, he heard Gu Wensheng say in all seriousness: "No, rolling is my child."

Gu Nanchen raised his eyes, and looked at his own brother. He was obviously very familiar with him, but now, there were some things that were different.

The other party's tone and expression on his face were exactly the same as Xia Jinsheng ...

Was it an illusion? This illusion made Gu Nanchen's heart freeze, his entire body releasing this evil aura.

"That's impossible." Gu Nanchen quickly calmed down again, but this calmness was mostly the calm before the arrival of the storm.

"Nothing is impossible. If you don't believe me, you can go check."

Gu Wensheng's tone was filled with unquestionable certainty.
