

《Sweet Marriage: Smart Cute Wife》

Chapter 141

"It's not very good. I just want justice for myself." Xia Jinsheng smiled sadly.

She always thought she had a good temper, but when it came to this man, all her patience was wasted. No one likes to be pointed at by the nose.

Because she has money, she deserves to be bullied, and her daughter deserves to be tricked, right? After she came out to work, she never thought of taking advantage of the east wind of Nanchen.

Now it seems that his power is good to use, at least to set an example. So that no one will follow this man's behavior later.

When the police arrived at the scene, the woman was really afraid. She didn't dare to say a word. She completely lost her eloquent posture just now.

Xia Jinsheng sniffed at her. She was a typical bully. She really thought she was a soft persimmon.

Being so noisy, the play couldn't be made. Xia Jinsheng simply went home. There was also a little lover. She was not only angry for Xia Jinsheng, but also entrusted by the director:

"The director hopes you don't make things big and worry about the adverse impact on the TV series."

"Well, I know." Although Xia Jinsheng was angry, he knew it. When he came out earlier, he ran into several reporters taking photos at the gate of the studio. I'm afraid it will come soon.

Gu Nanchen came back and was very angry to see the injury on Xia Jinsheng's head. Yesterday was a little guy and today is her. Neither of the two people was worried. More is heartache.

The two people in their hands were bullied when they didn't exist?

"It's not a big deal, actually? Just a few days. " After coming back, Gu Nanchen sat on the sofa without saying a word after asking what happened to the injury on his head.

The cold in the room was so cold that he didn't leave the keyboard and didn't know what he was doing.

"No big deal? You're lucky this time. Do you have to fall to death? " His voice was heavy. I didn't see his cold eyes for a long time after they were together. Today, they rekindled again.

Xia Jinsheng bowed his head and couldn't say it. He was right. If he wasn't lucky, it would be strange to fall from such a high place without an arm and a leg.

At the thought of this, she was afraid.

"It's not mommy's fault, it's all because of the bad aunt." The little guy's view of right and wrong is clear. Argue with her father.

"Well, it's the bad guy's fault." He rubbed the little guy's head, but it was rejected.

Xia Jinsheng's dejected and dispirited appearance had already softened Gu Nanchen's heart. He couldn't say anything cruel at all. And he was angry that he didn't take good care of them.

As for the man who entered the police station, he will "entertain" him well.

Originally, they stopped the reports in the newspaper. They thought that they could make a big deal small. Unexpectedly, there was a big yellow V entertainment gossip number with millions of fans. Writing is to write about yesterday, but deliberately discredit the image of Xia Jinsheng and the little guy.

He deliberately created them as a mother and son who bullied others. In his pen, the staff member became the most innocent "victim" at that time. It is true that those who hear cry and those who see are sad.

Gu Nanchen was the first to get the news. Xia Jinsheng was still sleeping in bed at that time. After seeing the news sent to him by the Secretary, get up and go out with light hands and feet.

He dialed Qin Wen's phone. He got up angry and his wife and children were stigmatized. The anger is not what ordinary people can bear, "what's the matter?"

"It seems that someone deliberately targeted his wife." Even Qin Wen, who had

worked with him for a long time, couldn't help being stage fright. "I've hacked each other's computer and am looking for the network address."

But Gu Nanchen felt that things were far from so simple. He turned on his computer and saw that it had been on the microblog hot list, although the original text had been deleted. Most people keep screenshots.

At first, the Navy just swiped the screen on the microblog. Later, netizens who didn't know the truth followed suit to participate in the discussion. People without quality abused at will, how ugly it should be.

The media also know about this. The little guy has had a certain influence because he has shot many plays, coupled with his own identity and status and the deliberate contribution of some people.

The crew soon fell and was surrounded.

This incident has exploded rapidly at the speed of light since it was just fermented. More and more people have participated in the discussion, and even Gu Nanchen's company has been surrounded.

He couldn't hide it from Xia Jinsheng. A family of three sat on the sofa with big eyes and small eyes.

"What's going on?" Xia Jinsheng had a straight face. When he woke up in the morning, the director told him not to go out these two days and not to shoot for the time being.

What's more strange is Gu Nanchen's reaction. He actually stayed at home. It's called "accompanying the family". In fact, he monitored her in disguise.

She called and asked the others. They all hesitated and asked Gu Nanchen why. He didn't say it and deliberately cut off her network.

"It's all right. I'll solve it soon." Seeing that he couldn't hide it, he simply told her in detail. At first, he didn't want to say that he was afraid that she would be hurt by network violence.

Someone on the Internet has begun to brush the topic of letting Xia Jinsheng get out of the entertainment circle.

"Then why don't you solve it?" Xia Jinsheng frowned and just made a statement to clarify the confusion between black and white, but Gu Nanchen's indifferent attitude now

Suspicious, really suspicious.

Her probing eyes looked up and down. Gu Nanchen couldn't stand it. He was a little careful and looked to one side. He really has a little mind about this time.

After negotiating with the public relations department of Qianlong Huangchao entertainment company, their decision was to take this opportunity to hype for the little guy. At that time, when the things were hot to a certain extent, they told the truth.

Then those involved in this matter will be beaten in the face. Naturally, more people will remember Xia Yuxiu's name at that time.

Some people hold it is not necessarily red, but some people hold it is not necessarily black. This is the rule of the current circle.

"Although I don't understand their rules, I will protect you."

His face was decent and expressionless, and he said intimate words. This contrast made Xia Jinsheng's heart collide like a deer. Should she hold her face in shame and return to the girl Huaichun:

"Hypocrisy, death."

Well, she was cold by her imagination.

On the third day, the situation was reversed. First, the crew held a press conference to clarify the whole truth. Then the official blog of Emperor Qianlong's nest published a rumor refutation theory, and then denounced the previous actions of a big v.

A lawsuit sent people to court. In addition, several media that had maliciously guided the direction of public opinion were also accused in court.

What's different is that the Gu group sued them this time. This time, netizens really realized what background is and who is behind Xia Yuxiu? That's the president of the largest consortium in the city.

His opponents fully explained how to write the word "death".

Then on the microblog, there are all kinds of stars who have cooperated or not cooperated with the little guys for them, among which the rest of life and Mo Nanfeng are the first.

Even Chu Xiao, the most famous actress of the Golden Rooster Award, tweeted that she liked the little guy and hoped to have the opportunity to cooperate.

Everyone was shocked and silent. They can be said to have really seen the relationship network between Xia Jinsheng and Xia Yuxiu, and there are not a few people who flatter in an instant.

Xia Jinsheng looked at the sound of praise on the Internet. She was surprised that she couldn't close her mouth. "So it's over?"

"What else do you want?" Gu Nanchen smiled and hugged her waist from behind, and his chin leaned lazily against her shoulder, as if boneless Octopus wanted to entangle people.

"Speak as you speak, don't move."

With a red face, she patted his increasingly unruly hands. Recently, this man likes to stick to people more and more. He used his hands and feet from time to time. He accidentally turned him into bed.

While hating herself for taking it lightly, Xia Jinsheng also enjoyed it and would respond to her in the end.

It's only good once or twice, but this guy is like this every day. Raising an energetic husband is not an easy job.

He was caught on the spot without any embarrassment. He continued to stick to her as if nothing had happened. Xia Jinsheng was angry and helpless, "by the way, what's the matter with dad?"

This time, the trouble was not small. Unexpectedly, Gu Jun was also disturbed. He even gave a special interview to a newspaper and publicly said:

"If you want to bully my family's descendants, first ask me if Gu Jun agrees."

"Well, this." Gu Nanchen continues to blow on Xia Jinsheng's neck. This is her sensitive area. It turns pink when touched, which makes him very happy. "It's estimated that it's to please the little guy."

Because I said bad things about Xia Jinsheng in front of the little guy last time, the little guy didn't go to see him for more than half a month. Now I miss my granddaughter, so I began to make a euphemism.

"So it is." Xia Jinsheng nodded, but protecting the short is the commonness of the family.

She was still thinking about something else. Her body was suddenly picked up in the air. When she came back, Gu Nanchen had already held her and kicked open the bedroom door.

Think with his toes and know what he is going to do. Xia Jinsheng turned his eyes powerlessly. The rest of his eyes inadvertently saw the day outside the window.

Suddenly surprised, she struggled hard, "is there a mistake? Now it's daytime, okay?"

Gu Nanchen has aimed at her cherry mouth, with a dizzy smile, "it's easy to work in the daytime."

When she was in bed, Gu Nanchen had taken off his clothes, his bare chest and six distinct abdominal muscles. After long-term indoor activities, his skin is covered with a light layer of white, and small fluff can be clearly seen under the sun

It seemed that it was better to do things during the day. Xia Jinsheng swallowed his saliva. Beautiful and attractive.

The brain has been dizzy because of long kissing. Before Gu Nanchen's body is covered, the only thought left in her mind is:

This man kills with beauty, which makes him dizzy!
